

Senate Bill No. 329—Senators Lange and Donate

CHAPTER.....

AN ACT relating to health care; requiring a hospital or physician group practice, or a person who owns all or substantially all of a physician group practice, to notify the Department of Health and Human Services of certain transactions; prohibiting a provider of health care from willfully entering into a contract that contains certain provisions; authorizing the use of certain fees to investigate such prohibited contracting practices; authorizing certain civil actions; authorizing the imposition of a civil penalty; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the Department of Health and Human Services is the agency of this State for health planning and development. (NRS 439A.081) **Section 1** of this bill requires a hospital to notify the Department of any merger, acquisition or similar transaction involving the hospital. **Section 1** additionally requires a physician group practice or a person who owns all or substantially all of a physician group practice to report certain similar transactions if: (1) the physician group practices that are parties to the transaction or owned by parties to the transaction represent at least 20 percent of the physicians who practice any specialty in a primary service area; and (2) the physician group practice represents the largest number of physicians of any physician group practice that is a party to the transaction or owned by a party to the transaction. **Section 1** requires the Department to post the information contained in those notices on the Internet and publish an annual report based on that information.

Existing law prohibits certain unfair trade practices. (NRS 598A.060) **Section 20.9** of this bill prohibits a provider of health care, including a facility that provides health care, from willfully entering into, willfully offering to enter into or willfully soliciting a contract that: (1) prohibits a third party insurer from steering covered persons to certain providers of health care or placing providers of health care in tiers; or (2) that places certain other restrictions on the third party insurer. The Attorney General or a person injured by a violation of **section 20.9** would be authorized to bring a civil action against a provider of health care who commits such a violation. (NRS 598A.160, 598A.180-598A.210) **Sections 20.9 and 20.95** of this bill also make such a violation a misdemeanor. Additionally, a provider of health care or third party insurer who commits such a violation would be subject to a civil penalty. (NRS 598A.170)

Existing law requires certain business entities that have had a total of five or more investigations commenced against the entity for unfair trade practices which resulted in the imposition of certain penalties or other requirements during a 5-year period to submit to the Secretary of State: (1) a statement concerning each such investigation; and (2) a fee. Existing law requires the Attorney General to use that fee for the purposes of investigating unfair trade practices. (NRS 78.153, 80.115, 86.264, 86.5462, 87A.295, 87A.565, 88.397, 88.5915) **Sections 20.1-20.8** of this bill authorize the Attorney General to use those fees to investigate contracting practices prohibited by **section 20.9**.
