AN ACT relating to professional licensing; creating the Division of Occupational Licensing within the Department of Business and Industry; creating the position of Administrator of the Division; setting forth the powers and duties of the Division and the Administrator; creating the Occupational Licensing Account; requiring each board that regulates a provider of health care to comply with certain requirements relating to the creation, retention and public disclosure of records; requiring 5 percent of the fees received by each such board to be deposited in the Occupational Licensing Account; abolishing certain boards that regulate certain professions and occupations; transferring the powers and duties of such boards to the Division; revising the membership of the Board of Medical Examiners and the State Board of Osteopathic Medicine; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

- 1 Existing law provides for the regulation of certain occupations and professions
- 2 in this State by various boards and commissions created for that purpose. (Title 54
- 3 of NRS) **Sections 7 and 306** of this bill create the Division of Occupational
- 4 Licensing within the Department of Business and Industry. **Sections 7 and 307** of
- 5 this bill create the position of Administrator of the Division and require the Director
- 6 of the Department to appoint the Administrator. **Section 8** of this bill authorizes the
- 7 Administrator to appoint deputy administrators and other employees as necessary.
- 8 **Section 9** of this bill authorizes the Administrator to appoint any advisory
- 9 boards the Administrator determines are necessary to carry out his or her duties.

Section 9 generally authorizes the Administrator to determine the number of members of such an advisory board and the qualifications of the members. However, if an advisory board is called upon to provide advice to the Administrator or perform any other duties relating to the regulation of a profession or occupation regulated by the Division, **section 9** requires at least one member of the advisory board to hold a license to engage in that profession or occupation.

Section 10 of this bill authorizes the Division to take certain actions with respect to the issuance of licenses to persons engaged in professions or occupations regulated by the Division. **Section 11** of this bill authorizes the Division to take certain actions with respect to disciplinary action against such licensees.

Section 12 of this bill authorizes the Division to conduct a review of any board that regulates an occupation or profession under existing law to determine whether the board should be abolished and its powers and duties transferred to the Division.

Section 13 of this bill authorizes the Division to develop and make recommendations to the Legislature regarding the abolishment of any such board and regarding certain other matters. **Section 14** of this bill creates the Occupational Licensing Account and requires the money in the Account to be expended only for the purposes of carrying out the duties of the Division. **Section 16** of this bill authorizes the Administrator to adopt certain regulations. **Sections 3-6** of this bill define words and terms for the purposes of **sections 2-16** of this bill.

Existing law requires a regulatory body to follow certain procedures in taking disciplinary action against a licensee. (Chapter 622A of NRS) **Section 17** of this bill exempts the Division from such requirements.

Existing law creates the: (1) Nevada Board of Homeopathic Medical Examiners; (2) Board of Dental Examiners of Nevada; (2) State Board of Oriental Medicine; (3) Board of Athletic Trainers; (4) Board of Massage Therapy; and (5) State Barbers' Health and Sanitation Board. (Chapters 630A, 631, 634A, 640B, 640C and 643 of NRS) **Sections 26-144, 154-176, 192-253, 262-301 and 314** of this bill abolish those boards and transfer the powers and duties relating to the regulation of the professions and occupations regulated by those boards to the Division of Occupational Licensing. **Sections 18-21, 305 and 308-310** of this bill make conforming changes to the account for the abolishment of those boards and the transfer of their powers and duties to the Division. **Section 312** of this bill provides that any person who, on December 31, 2021, is a member of a board abolished under the provisions of this bill is deemed to be a member of an advisory board appointed by the Administrator pursuant to **section 9** on January 1, 2022.

Existing law creates various boards to regulate providers of health care. (Chapters 630, 630A, 631, 632, 633, 634, 634A, 635, 636, 637, 637B, 639, 640, 640A, 640B, 640C, 641, 641A, 641B and 641C of NRS) **Section 15** of this bill requires the Division to adopt regulations establishing: (1) certain requirements for the creation, retention and public disclosure of records of those boards which have not been abolished pursuant to the provisions of this bill; and (2) penalties for such a board that fails to comply with such requirements. **Sections 22, 145, 147, 152, 177, 179, 181, 183, 185, 188, 190, 254, 256, 258 and 260** of this bill require each such board to comply with: (1) all applicable provisions of existing law governing public records and meetings of public bodies; and (2) any requirements concerning the creation, retention and public disclosure of records of the activities of the board established by regulation of the Division. **Sections 25, 146, 150, 153, 178, 180, 182, 184, 186, 189, 191, 255, 257, 259 and 261** of this bill require 5 percent of the fees received by each such board to be deposited in the Occupational Licensing Account.

Existing law creates the Board of Medical Examiners, consisting of nine members appointed by the Governor. (NRS 630.050) **Sections 23 and 24** of this bill add a member to the Board who is required to be a licensed physician assistant.

64 Existing law creates the State Board of Osteopathic Medicine, consisting of
65 seven members appointed by the Governor. (NRS 633.181) **Sections 148 and 149**
66 of this bill add a member to the Board who is required to be a licensed physician
67 assistant.

37 General determines that such further proceedings are warranted, the
38 Attorney General shall report the results of the investigation
39 together with a recommendation to the ~~{Board}~~ **Division** in a manner

17 After holding such a hearing, the ~~{Board}~~ **Division** may extend the
18 period of the temporary suspension if the ~~{Board}~~ **Division** finds, for
19 good cause shown, that such action is necessary to protect the
