EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to education; requiring the Department of Education to review examinations and assessments for certain information; requiring the Department to adopt regulations that prescribe certain limitations on examinations and assessments; authorizing the board of trustees of a school district or the governing body of a charter school to request a waiver from the State Board of Education for certain limitations; authorizing the State Board to grant a waiver in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides for the administration of examinations and assessments
2 to measure the achievement and proficiency of pupils in various subjects. (NRS
3 390.055, 390.105) **Section 2** of this bill requires the Department of Education to
4 review the examinations and assessments administered to pupils for: (1) the
5 educational benefit of administering an examination or assessment; (2) the costs of
6 administering an examination or assessment; and (3) redundancy in the
7 information, skills or abilities measured by an examination or assessment. **Section**
8 **3** of this bill requires the Department to adopt regulations that prescribe limitations
9 for: (1) the time taken from instruction to conduct an examination or assessment;
10 and (2) the number of examinations or assessments administered in a school year.
11 **Section 3** requires the board of trustees of a school district or the governing body of
12 a charter school to request a waiver from the State Board of Education if the board
13 of trustees or the governing body intends to administer an examination or
14 assessment that would exceed the limits imposed by the Department. **Section 3**

15 authorizes the State Board to grant a waiver from the limitations to a school district
16 or charter school if the State Board deems a waiver to be appropriate.
