Legislative Counsel’s Digest:

Existing law creates the Legislative Committee on Child Welfare and Juvenile Justice and directs the Committee to evaluate and review various issues relating to child welfare and juvenile justice in this State. (NRS 218E.700-218E.720) During the 2019 Legislative Session, the Legislature enacted legislation requiring the Committee to conduct a study during the 2019-2020 interim concerning juvenile detention in this State, which included, without limitation: (1) consideration of the implementation of a regional approach to the housing of juvenile offenders in this State, through which the Nevada Department of Corrections retains jurisdiction over juvenile offenders who are housed locally in other local or state institutions or facilities for the detention of juvenile offenders; (2) a review of the adequacy of the current capacity of institutions and facilities in this State to house juvenile offenders; and (3) a review of the programs and services in other states where juvenile offenders who are tried as adults are housed with juvenile offenders within the juvenile justice system. (Chapter 382, Statutes of Nevada 2019, at page 2425)

Section 1 of this bill requires the Department of Corrections and the Division of Child and Family Services of the Department of Health and Human Services, in consultation with the Juvenile Justice Oversight Commission and other stakeholders, to study the feasibility of: (1) housing youthful offenders regionally, in facilities of the Division of Child and Family Services or in county facilities; and (2) developing a new model relating to the housing of youthful offenders in which youthful offenders who are between 18 and 24 years of age, who have been convicted as adults and who will be released from confinement before reaching 25 years of age would be housed separately from offenders who will not be released from confinement before reaching 25 years of age. **Section 1** of this bill also requires that not later than July 1, 2022, the Department of Corrections and the Division must prepare and submit a report of the findings of the study to the Director of the Legislative Counsel Bureau for transmittal to the Committee. **Section 1.5** of this bill makes an appropriation to the Division for the costs of conducting the study.
