AN ACT relating to redevelopment of communities; revising requirements for the submission of an employment plan; requiring a redevelopment agency to withhold a portion of any incentive provided to a developer unless the developer satisfies certain conditions; requiring the reporting of certain information relating to the redevelopment project by certain developers; requiring an employment plan to include information relating to preferences for hiring persons from the redevelopment area; and providing other matters properly relating thereto.**Legislative Counsel's Digest:**

Under existing law, if a redevelopment agency provides property for development for less than the fair market value of the property or provides financial incentives of more than \$100,000 to a developer, the developer must comply with certain laws relating to the payment of a prevailing wage. (NRS 279.500) Additionally, a proposal for a redevelopment project must include an employment plan, if appropriate. (NRS 279.482)

Sections 2-9 of this bill only apply to a developer for a redevelopment project if part of the redevelopment area is within an enterprise community. Section 6 of this bill exempts public agencies who use redevelopment funds for a public work and private developers who do not construct a redevelopment project for a known owner from the requirement to submit an employment plan. Section 7 of this bill requires an agency that proposes to provide an incentive to a developer to withhold

13 payment of 10 percent of the incentive unless: (1) 15 percent of the employees of
14 contractors, subcontractors, vendors and suppliers of the developer are residents of
15 the redevelopment area; (2) 15 percent of the jobs created by employers as a result
16 of the redevelopment project are filled by residents of the redevelopment area; (3)
17 the developer or build-to-suit owner or lessee complies with the requirements in the
18 employment plan; and (4) the developer satisfies the reporting required by **section**
19 **8** of this bill. **Section 9** of this bill allows a developer to appeal a refusal to pay the
20 amount provided for in **section 7** to the legislative body of the community.

21 **Section 8** requires a developer that receives an incentive of more than \$100,000
22 to report to the redevelopment agency certain information relating to the
23 redevelopment project. **Section 8** also requires a developer that receives \$100,000
24 or less in incentives to use its best efforts to report such information. Finally,
25 **section 8** allows the redevelopment agency to refuse to pay all or a portion of the
26 incentive or to require repayment of any incentive already paid if a developer fails
27 to comply.

28 **Section 11** of this bill requires the employment plan to include information
29 about the preference for hiring persons living within the redevelopment area used
30 by the developer and each employer who will be relocating a business into the area
31 as a result of the redevelopment.

32 **Section 12** of this bill makes an appropriation for a study of the feasibility of a
33 renewable energy sustainability center in the Southern Nevada Enterprise
34 Community.
