7       **Sections 2-9** of this bill only apply to a developer for a redevelopment project  
8 if part of the redevelopment area is within an enterprise community. **Section 6** of  
9 this bill requires public agencies who use redevelopment funds for a public work to  
10 submit an employment plan and exempts private developers who do not construct a  
11 redevelopment project for a known owner from that requirement. **Section 7** of this  
12 bill requires an agency that proposes to provide an incentive to a developer to  
13 withhold payment of 10 percent of the incentive unless: (1) 15 percent of the  
14 employees of contractors, subcontractors, vendors and suppliers of the developer  
15 are residents of the redevelopment area; (2) 15 percent of the jobs created by  
16 employers as a result of the redevelopment project are filled by residents of the  
17 redevelopment area; (3) the developer or build-to-suit owner or lessee complies  
18 with the requirements in the employment plan; and (4) the developer satisfies the  
19 reporting required by **section 8** of this bill. **Section 9** of this bill allows a developer  
20 to appeal a refusal to pay the amount provided for in **section 7** to the legislative  
21 body of the community.

22       **Section 8** requires a developer that receives an incentive of more than \$100,000  
23 to report to the redevelopment agency certain information relating to the  
24 redevelopment project. **Section 8** also requires a developer that receives \$100,000  
25 or less in incentives to use its best efforts to report such information. Finally,  
26 **section 8** allows the redevelopment agency to refuse to pay all or a portion of the  
27 incentive or to require repayment of any incentive already paid if a developer fails  
28 to comply.

29       **Section 11** of this bill requires the employment plan to include information  
30 about the preference for hiring persons living within the redevelopment area used  
31 by the developer and each employer who will be relocating a business into the area  
32 as a result of the redevelopment.

33       Existing law provides that a redevelopment plan adopted by a redevelopment  
34 agency before July 1, 1991, terminates at the end of the fiscal year in which the  
35 principal and interest of the last maturing securities issued before that date  
36 concerning the redevelopment area are fully paid, or 45 years after the date on  
37 which the original redevelopment plan was adopted, whichever is later. (NRS  
38 279.438) **Section 10.5** of this bill provides that in a county whose population is  
39 700,000 or more (currently Clark County), such a redevelopment plan terminates at  
40 the end of the fiscal year in which the principal and interest of the last maturing  
41 securities issued before that date concerning the redevelopment area are fully paid,  
42 or 60 years after the date on which the original redevelopment plan was adopted,  
43 whichever is later.

44       **Section 13** of this bill authorizes a redevelopment agency to loan money to  
45 finance certain improvements with the consent of the legislative body of the  
46 community where the redevelopment agency is located.

47       **Section 14** of this bill requires the redevelopment agency of a city whose  
48 population is 300,000 or more (currently the City of Las Vegas) that receives  
49 certain revenue from taxes set aside a portion of those revenues received on or after  
50 July 1, 2011, to be used for specific purposes, including renewable energy projects,  
51 economic development, improvement of public educational facilities and the  
52 development of affordable housing within enterprise communities.

34 building, facility, structure or other improvement and the installation  
35 of any improvement which is publicly or privately owned and  
36 located within or without the redevelopment area. Before the  
37 legislative body may give its consent, it must determine that:

38 (a) The buildings, facilities, structures or other improvements  
39 are of benefit to the redevelopment area or the immediate  
40 neighborhood in which the redevelopment area is located; and

41 (b) No other reasonable means of financing those buildings,  
42 facilities, structures or other improvements are available.

43 ➔ Those determinations by the agency and the legislative body are  
44 final and conclusive.

1       2. In reaching its determination that the buildings, facilities,  
2 structures or other improvements are of benefit to the redevelopment  
3 area or the immediate neighborhood in which the redevelopment  
4 area is located, the legislative body shall consider:

5       (a) Whether the buildings, facilities, structures or other  
6 improvements are likely to:

9           (2) Create jobs or other business opportunities for nearby  
10 residents;

11           (3) Increase local revenues from desirable sources;

16 or level of quality and design;

17           (6) Require for their construction, installation or operation  
18 the use of qualified and trained labor; and

19           (7) Demonstrate greater social or financial benefits to the  
20 community than would a similar set of buildings, facilities,  
21 structures or other improvements not paid for by the agency.

22       (b) The opinions of persons who reside in the redevelopment  
23 area or the immediate neighborhood in which the redevelopment  
24 area is located.

25       (c) Comparisons between the level of spending proposed by the  
26 agency and projections, made on a pro forma basis by the agency, of  
27 future revenues attributable to the buildings, facilities, structures or  
28 other improvements.

29       3. If the value of that land or the cost of the construction of that  
30 building, facility, structure or other improvement, or the installation  
31 of any improvement has been, or will be, paid or provided for  
32 initially by the community or other governmental entity, the agency  
33 may enter into a contract with that community or governmental  
34 entity under which it agrees to reimburse the community or  
35 governmental entity for all or part of the value of that land or of the  
36 cost of the building, facility, structure or other improvement, or  
37 both, by periodic payments over a period of years. The obligation of  
38 the agency under that contract constitutes an indebtedness of the  
39 agency which may be payable out of taxes levied and allocated to  
40 the agency under paragraph (b) of subsection 1 of NRS 279.676, or  
41 out of any other available money.

42       **Sec. 14.** NRS 279.685 is hereby amended to read as follows:

43       279.685 1. Except as otherwise provided in this section, an  
44 agency of a city whose population is 300,000 or more that receives

1 revenue from taxes pursuant to paragraph (b) of subsection 1 of  
2 NRS 279.676 shall ~~set~~:

3 (a) *Set* aside not less than 15 percent of that revenue received on  
4 or before October 1, 1999, and 18 percent of that revenue received  
5 after October 1, 1999, *but before July 1, 2011*, to increase, improve  
6 and preserve the number of dwelling units in the community for  
7 low-income households.

8 (b) *Use not less than 18 percent of that revenue received on or*  
9 *after July 1, 2011, as follows:*

10 (1) *One half of such amount for economic development,*  
11 *renewable energy projects, the improvement of public educational*  
12 *facilities and the development of affordable housing within an*  
13 *enterprise community which is currently or was previously*  
14 *established pursuant to 24 C.F.R. Part 597, including, without*  
15 *limitation, the Southern Nevada Enterprise Community.*

16 (2) *One half of such amount for the improvement of public*  
17 *educational facilities within the community and to increase,*  
18 *improve and preserve the number of dwelling units in the*

23 subordinate to any existing obligations of the agency. As used in  
24 this subsection, "existing obligations" means the principal and

26 whether funded, refunded, assumed or otherwise incurred by the  
27 agency before July 1, 1993, to finance or refinance in whole or in  
28 part, the redevelopment of a redevelopment area. For the purposes  
29 of this subsection, obligations incurred by an agency after July 1,  
30 1993, shall be deemed existing obligations if the net proceeds are  
31 used to refinance existing obligations of the agency.

32 3. The obligation of an agency to set aside an additional 3  
33 percent of the revenue from taxes allocated to and received by the  
34 agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is  
35 subordinate to any existing obligations of the agency. As used in  
36 this subsection, "existing obligations" means the principal and  
37 interest, when due, on any bonds, notes or other indebtedness  
38 whether funded, refunded, assumed or otherwise incurred by the  
39 agency before October 1, 1999, to finance or refinance in whole or  
40 in part, the redevelopment of a redevelopment area. For the  
41 purposes of this subsection, obligations incurred by an agency after  
42 October 1, 1999, shall be deemed existing obligations if the net  
43 proceeds are used to refinance existing obligations of the agency.

44 4. ~~The~~ *Except as otherwise provided in paragraph (b) of*
