

CHAPTER.....

AN ACT relating to public health; requiring the Legislative Committee on Health Care to study matters relating to stem cell centers during the 2019-2021 legislative interim; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

This bill requires the Legislative Committee on Health Care, during the 2019-2021 legislative interim, to: (1) study stem cell centers in different states and countries; (2) study the services provided by stem cell centers and the value such centers bring to the community; (3) study the best placement and type of organization for a stem cell center in this State; and (4) propose appropriate legislation to the 81st Session of the Legislature.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sections 1-13. (Deleted by amendment.)

Sec. 13.5. 1. As part of its review of health care during the 2019-2021 legislative interim, the Legislative Committee on Health Care shall study:

(a) Stem cell centers in different states and countries to determine the best practices for operating such a center;

(b) The services that stem cell centers provide and the value that such centers bring to the country, state or community in which such centers are located; and

(c) The best placement for a stem cell center in this State, including, without limitation, whether a stem cell center should be established as part of a state agency, as a program within the Nevada System of Higher Education or as a public or private nonprofit entity.

2. On or before September 1, 2020, the Legislative Committee on Health Care shall submit its findings and any recommendations for legislation to the Governor and the Director of the Legislative Counsel Bureau for transmission to the 81st Session of the Legislature.

Sec. 14. This act becomes effective on July 1, 2019.
