AN ACT relating to animals; authorizing a county to recover the reasonable cost of care and shelter furnished to an animal impounded by the county under certain circumstances; authorizing a county to take certain other actions relating to an impounded animal; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes the board of county commissioners of a county to enact
2 ordinances: (1) governing the control and protection of animals; (2) regulating or
3 prohibiting the running at large and disposal of animals; and (3) prohibiting cruelty
4 to animals. (NRS 244.189, 244.359) **Section 2** of this bill expands existing law by
5 providing that, if a person is lawfully arrested and detained in a county for more
6 than 7 days, and if the county impounds any animal owned or possessed by the
7 person, the county must: (1) notify the person of the impoundment and request that
8 the person provide to the county the name of any person who is authorized to care
9 for the animal; (2) transfer, under certain circumstances, the animal to any such
10 person; and (3) if the county is unable to transfer the animal to such a person, allow
11 a person to adopt the animal. **Section 2** also authorizes, under certain
12 circumstances, the county to bring an appropriate legal action to recover the
13 reasonable cost of care and shelter of the animal.
