

Senate Bill No. 371—Senators Brooks,  
Spearman; and Cancela

CHAPTER.....

AN ACT relating to manufactured homes; revising requirements relating to the maintenance of a manufactured home park or repair of a manufactured home in certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires a landlord of a manufactured home park to maintain the manufactured home park, and certain portions of and structures within the manufactured home park, in specified manners. (NRS 118B.090) **Section 1** of this bill authorizes, under certain circumstances, a person to perform such maintenance without obtaining a license. Specifically, **section 1** authorizes a person who is licensed as a contractor to perform any such maintenance if the maintenance does not affect the fuel systems or structural systems of a manufactured home. In addition, **section 1** allows a person who does not have any type of license to perform any such maintenance if it: (1) does not affect the fuel systems or structural systems of a manufactured home; (2) does not require a permit; and (3) has a value of less than \$1,000 and is not required to be performed by a licensed contractor. Further, **section 1** provides for certain complaints to be filed with the Housing Division of the Department of Business and Industry and certain final orders relating to such complaints to be forwarded to the State Contractors’ Board for further disciplinary action.

Existing law requires most repairs performed on a manufactured home to be performed by a person licensed to make such repairs. (NRS 118B.097) **Section 2** of this bill authorizes, under the same circumstances, a person to perform such repairs without obtaining a license and for complaints to be filed with the Division and certain final orders to be forwarded to the State Contractors’ Board for further disciplinary action.

**Sections 3-5** of this bill make conforming changes.
