Legislative Counsel's Digest:

1 Existing law requires a district judge, justice of the peace, municipal judge or
2 master to appoint an attorney for an indigent person who is charged with certain
3 crimes. (NRS 171.188) Existing law also provides that if the parent or guardian of a
4 child who is alleged to be delinquent or in need of supervision is indigent, the
5 juvenile court must appoint an attorney for the child. (NRS 62D.030) Under
6 existing law, a county whose population is 100,000 or more (currently Clark and
7 Washoe Counties) must create an office of public defender to provide these defense
8 services to indigent persons, and any county whose population is less than 100,000
9 may, but is not required to, create such an office. (NRS 260.010) The State Public
10 Defender provides indigent defense services in counties that have not created an
11 office of public defender. (NRS 180.060) Finally, a magistrate, master or district
12 court may appoint a person other than a public defender to provide legal
13 representation to an indigent person only if the magistrate, master or district makes
14 a finding that the public defender is disqualified from furnishing the representation.
15 (NRS 7.115)

16 This bill creates the Nevada Right to Counsel Commission and prescribes the
17 duties and functions of the Commission. **Section 9** of this bill provides that the
18 Commission consists of 13 voting members and the Chief Justice of the Nevada
19 Supreme Court, who is an ex officio nonvoting member of the Commission. Under
20 **section 9**, of the 13 voting members of the Commission, the Governor appoints 10
21 members from among nominees selected by various entities interested in the
22 provision of indigent defense services and the Majority Leader of the Senate, the
23 Speaker of the Assembly and the Chief Justice of the Nevada Supreme Court each
24 appoint one member. **Section 9** also provides that a member of the Commission
25 serves without compensation but is entitled to receive the per diem and travel
26 expenses for state officers and employees while the member is engaged in the
27 business of the Commission. **Section 32** of this bill establishes the initial terms for
28 members of the Commission so that the terms are staggered. **Section 10** of this bill
29 creates the Indigent Defense Account in the State General Fund to receive any
30 money appropriated to or otherwise collected by the Commission. Money in the
31 Account does not revert to the State General Fund at the end of a fiscal year.

32 **Section 11** of this bill authorizes the Commission to propose minimum
33 standards concerning the provision of legal representation to indigent persons. The
34 minimum standards may include, without limitation, standards for: (1) ensuring
35 sufficient time and meeting space for meetings between defense counsel and
36 clients; (2) ensuring that the defense counsel's ability, training and experience
37 match the nature and complexity of the case to which he or she is appointed; (3)
38 ensuring that the same defense counsel represents a client through the pendency of
39 a case; and (4) the uniform collection of data. Standards proposed by the
40 Commission must be submitted to the Nevada Supreme Court for approval and
41 become effective upon approval by the Court.

42 Existing law creates the Office of State Public Defender within the Department
43 of Health and Human Services and requires the Governor to appoint the State
44 Public Defender. (NRS 180.010) **Section 17** of this bill renames the Office of State
45 Public Defender as the Office of Indigent Legal Services and removes the Office
46 from the Department of Health and Human Services. **Section 17** also requires the
47 Commission to appoint and supervise the Chief Counsel of the Office, who is the
48 chief administrative officer of the Office and is responsible to the Commission.
49 **Section 16** of this bill provides that the Commission may authorize the Chief
50 Counsel to employ certain persons. **Section 18** of this bill authorizes the Chief
51 Counsel, with the approval of the Commission, to establish branch offices
52 and requires the Commission to designate a lead attorney to supervise each such
53 office.

54 **Sections 12 and 13** of this bill, respectively, authorize any county whose
55 population is less than 100,000 (currently all counties other than Clark and Washoe
56 Counties) to transfer responsibility for the provision of all or only appellate
57 indigent defense services in the county to the Office and requires the board of
58 county commissioners of any such county to provide advanced notice of such a
59 decision to the Commission.

60 **Section 14** of this bill requires the Office to engage independent expertise to
61 conduct periodic evaluations of the indigent defense services provided in a county
62 that has retained responsibility for the provision of trial-level indigent defense
63 services in the county to determine whether such services comply with the
64 standards adopted by the Commission pursuant to **section 11**. **Section 14**
65 establishes the procedure to be used if such indigent defense services provided by a
66 county are determined not to be in compliance, including the ability of the county
67 to petition the Supreme Court to appeal any determination of noncompliance. If a
68 county does not petition the Supreme Court or the court determines that the
69 indigent defense services provided in the county are not in compliance with the
70 standards adopted by the Commission, the county is required to transfer
71 responsibility for the provision of indigent defense services in the county to the
72 Office.

73 **Section 15** of this bill requires any county that transfers responsibility for the
74 provision of some or all indigent defense services in the county to pay to the
75 Commission on an annual basis the average annual amount paid by the county to
76 provide indigent defense services during the 3 fiscal years immediately preceding
77 the fiscal year for which the Office assumes responsibility for the provision of
78 indigent defense services in the county.

79 Under existing law, in a county which has created the office of public defender,
80 the board of county commissioners may fill the office by appointment, and the
81 county public defender serves at the pleasure of the board of county commissioners.
82 (NRS 260.010) **Section 28** of this bill requires the board of county commissioners
83 to submit to the Commission a report concerning the procedures used by the board
84 to appoint or remove the county public defender to ensure that the appointment or
85 removal was not the result of undue political and judicial interference.
