

CHAPTER.....

AN ACT relating to legal services; establishing certain provisions applicable to pro bono contracts for legal services entered into by the Attorney General or any other officer, agency or employee in the Executive Department of the State Government; requiring the Attorney General to prepare and submit an annual report concerning such contracts; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law generally provides that the Attorney General and his or her deputies are the legal advisers on matters arising in the Executive Department of the State Government and generally prohibits persons in the Executive Department from employing other counsel to represent the State or any agency in the Executive Department. (NRS 228.110) However, existing law also establishes a process to authorize the Attorney General or any other officer, agency or employee in the Executive Department to enter into a contingent fee contract for legal services pursuant to which an attorney or law firm engaged in the private practice of law may provide legal services to the State of Nevada or an officer, agency or employee in the Executive Department. (NRS 228.111-228.1118) **Section 6** of this bill additionally authorizes the Attorney General or any other officer, agency or employee in the Executive Department to enter into a pro bono contract for legal services pursuant to which an attorney or law firm engaged in the private practice of law may provide legal services to the State of Nevada or an officer, agency or employee in the Executive Department on a pro bono basis if the Attorney General determines that the provision of such legal services is necessary.

Section 7 of this bill requires the Attorney General to retain final authority over the course and conduct of the matter that is the subject of a pro bono contract, and **section 8** of this bill requires the Attorney General to prescribe a form of addendum to a pro bono contract that sets forth the specific rights and obligations of the parties relating to the matter that is the subject of the contract. **Section 9** of this bill requires any attorney or law firm retained pursuant to a pro bono contract to prepare and maintain contemporaneous records reflecting the work performed on the matter and provides that such records, other than those protected as legally privileged, are public records. **Section 10** of this bill requires the Attorney General to post on his or her Internet website a copy of any fully executed pro bono contract. **Section 10.5** of this bill prohibits any attorney or law firm retained pursuant to a pro bono contract from entering into certain other contracts with the Attorney General for the provision of legal services for a period of 1 year after the date on which the pro bono contract or any extension or renewal thereof expires or is terminated. **Section 11** of this bill requires the Attorney General to prepare and submit an annual report to the Director of the Legislative Counsel Bureau that sets forth certain information about pro bono contracts in effect during the period covered by the report.

Sections 12-14 of this bill make conforming changes to indicate the appropriate placement of **sections 2-11** of this bill in the Nevada Revised Statutes.

Section 15 of this bill exempts legal services provided pursuant to a pro bono contract from the procedures otherwise applicable to state agencies for the acceptance of gifts or grants of property or services. (NRS 353.335)
