

CHAPTER.....

AN ACT relating to motor vehicles; requiring that the additional funds generated by the special license plates for the support of the natural environment of the Mount Charleston area be administered and distributed by the Board of County Commissioners of Clark County, with the advice of the Mount Charleston Town Advisory Board or its successor, rather than by the Administrator of the Division of State Lands of the State Department of Conservation and Natural Resources; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the issuance of special license plates for the support of the natural environment of the Mount Charleston area, creates an account for those license plates, requires the Administrator of the Division of State Lands of the State Department of Conservation and Natural Resources to administer the account and allows the Administrator to provide grants from the account. (NRS 321.5959, 482.37935) This bill: (1) eliminates the Account for License Plates for the Support of the Natural Environment of the Mount Charleston Area; (2) requires that the additional funds generated by those special license plates be distributed directly, on a quarterly basis, to the Board of County Commissioners of Clark County; and (3) requires the Board of County Commissioners, with the advice of the Mount Charleston Town Advisory Board or its successor, to use and grant the money so distributed to it only for the support of programs for the natural environment of the Mount Charleston area. Thus, this bill does not change the permissible uses of the additional funds generated by the special license plates for the support of the natural environment of the Mount Charleston area. Rather, it simply changes the identity of the governmental entity entrusted to administer and distribute those funds. This bill also provides, however, that programs and projects in effect on, and grants made before, the effective date of this bill (July 1, 2011) must be continued or expended, as applicable, under the supervision of the Administrator of the Division of State Lands.
