AN ACT relating to the identification of persons; authorizing the use of a tribal identification card for various purposes; requiring a business that accepts a driver's license for the purpose of identification to also accept a tribal identification card for that purpose unless otherwise provided by federal law or regulation; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes state and local governmental entities to accept a consular identification card for the purpose of identifying a person under certain circumstances. (NRS 232.006, 237.200) **Sections 1 and 7** of this bill similarly authorize state and local governmental entities to accept a tribal identification card issued by a tribal government for the purpose of identifying a person if the tribal identification card meets certain requirements. **Section 10** of this bill prohibits a business that accepts a driver's license or identification card issued by the Department of Motor Vehicles for the purpose of identifying a person from refusing to accept a tribal identification card for the same purpose unless the business reasonably believes that federal law or regulation requires the use of a different form of identification. **Sections 2-6, 8, 9 and 11-14** of this bill revise various provisions of existing law to provide for the use of a tribal identification card as proof of identity.
