AN ACT relating to wildlife; revising provisions governing the Wildlife Trust Fund; authorizing a tag to be in an electronic format under certain circumstances; revising the requirements for an annual resident specialty combination hunting and fishing license; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Department of Wildlife to establish the Wildlife Trust
2 Fund and authorizes the Department to accept gifts, donations, bequests or devises
3 from any private source for deposit in the Wildlife Trust Fund. (NRS 501.3585)
4 Existing law also authorizes a state agency to accept any gift or grant of property or
5 services only if, with certain exceptions, the acceptance of the gift or grant is
6 included in an act of the Legislature or approved by the Governor or the Interim
7 Finance Committee. (NRS 353.335) **Sections 1 and 7** of this bill exempt private
8 money accepted by the Department for deposit in the Fund from the requirements
9 of existing law for the acceptance of gifts by a state agency. **Section 1** also requires
10 the Director of the Department or the Director’s designee to submit an annual
11 report to the Interim Finance Committee that sets forth the private money accepted
12 into the Fund and the investment and expenditure of the money in the Fund from
13 the previous fiscal year.
14 Existing law requires the Department to designate the form of a tag for certain
15 species of wildlife. (NRS 502.160) Existing law also requires a tag to be attached to
16 a species of wildlife before the holder of a tag takes possession of the species.
17 (NRS 502.150) **Section 4** of this bill provides that the Department may designate a
18 paper or electronic form for a tag. **Section 3** of this bill provides that an electronic

19 tag must be validated before the holder of the tag transports the species of wildlife.
20 **Sections 2 and 5** of this bill make conforming changes relating to electronic tags
21 and validating electronic tags.

22 Existing law requires the Department to issue an annual resident specialty
23 combination hunting and fishing license to any person 65 years of age or older who
24 has continuously resided in this State for a period of 5 years immediately preceding
25 the date of the application for the license. (NRS 502.240) **Section 6** of this bill
26 removes the requirement that such a person have continuously resided in the State
27 for the 5 years immediately preceding the date of the application.
