AN ACT relating to wildlife; revising provisions governing the Wildlife Trust Fund; authorizing a tag to be in an electronic format under certain circumstances; revising the requirements for an annual resident specialty combination hunting and fishing license; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Department of Wildlife to establish the Wildlife Trust
2 Fund and authorizes the Department to accept gifts, donations, bequests or devises
3 from any private source for deposit in the Wildlife Trust Fund. (NRS 501.3585)
4 Existing law authorizes a state agency, with certain exceptions, to accept a gift or
5 grant of property or services that is not included in an act of the Legislature
6 authorizing the expenditure of nonappropriated money if the gift or grant is
7 approved by the Governor or the Interim Finance Committee, as applicable. One of
8 the exceptions from the requirement for such approval by the Interim Finance
9 Committee is the acceptance by a state agency of a gift or grant from a private
10 source that does not exceed \$20,000 in value. (NRS 353.335) **Section 6.5** of this
11 bill exempts from any requirement for approval the first \$250,000 received by the
12 Department of Wildlife as a gift, donation, bequest or devise, or combination
13 thereof, from a private source for any one unanticipated emergency event. **Section**
14 **1.5** of this bill defines an “unanticipated emergency event” as: (1) the unanticipated
15 spread of a communicable disease among wildlife in this State; (2) drought
16 conditions in this State that the Department determines to be extreme; (3) a wildfire
17 or the rehabilitation efforts related to a wildfire; or (4) any other similar
18 unanticipated event that puts wildlife, wildlife habitat or human life at risk. **Section**
19 **1.5** requires the Director of the Department or his or her designee, as soon as

20 practicable after receiving any gift, donation, bequest or devise from a private
 21 source for an unanticipated emergency event that is exempt from the requirement
 22 for approval, to submit a report regarding the gift, donation, bequest or devise to the
 23 Board of Wildlife Commissioners and the Interim Finance Committee. The
 24 approval procedure that existing law requires for gifts of \$20,000 or more in value
 25 which are made to state agencies by private sources applies to the acceptance by the
 26 Department of: (1) gifts, donations, bequests or devises of \$20,000 or more in value
 27 that are received from a private source for an unanticipated emergency event and
 28 are in excess of the first \$250,000 received from a private source as a gift, donation,
 29 bequest or devise, or combination thereof, for that event; and (2) gifts, donations,
 30 bequests or devises of \$20,000 or more in value that are received from a private
 31 source and which are not for an unanticipated emergency event. (NRS 353.335)

32 Existing law requires the Department of Wildlife to designate the form of a tag
 33 for certain species of wildlife. (NRS 502.160) Existing law also requires a tag to be
 34 attached to a species of wildlife before the holder of a tag takes possession of the
 35 species. (NRS 502.150) **Section 4** of this bill requires that the Department
 36 designate a paper or electronic form for a tag. **Section 3** of this bill provides that an
 37 electronic tag must be validated before the holder of the tag transports the species
 38 of wildlife. **Sections 2 and 5** of this bill make conforming changes relating to
 39 electronic tags and validating electronic tags.

40 Existing law requires the Department to issue an annual resident specialty
 41 combination hunting and fishing license to any person 65 years of age or older who
 42 has continuously resided in this State for a period of 5 years immediately preceding
 43 the date of the application for the license. (NRS 502.240) **Section 6** of this bill
 44 removes the requirement that such a person have continuously resided in the State
 45 for the 5 years immediately preceding the date of the application.
