3. The pledges and liens authorized by subsections 1 and 2 extend to the proceeds of any tax collected for use by the county on any fuel so long as any bonds or other securities issued under this chapter remain outstanding and are not limited to any type or types of fuel in use when the bonds or other securities are issued.

**Sec. 4.** NRS 373.190 is hereby amended to read as follows:

Any such interlocal agreement must include an acknowledgment of the authority of the regional transportation commission to issue bonds or other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.*

5. The ordinance *or resolution* authorizing the issuance of any bond or other security must describe the purpose for which it is issued.

**Sec. 6.** NRS 377A.100 is hereby amended to read as follows:

377A.100 1. Each ordinance *or resolution* providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (b) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon the receipts of the tax or upon the proceeds of any bond or security pending their application to defray the cost of establishing or operating a public transit system, constructing, maintaining or repairing public roads or improving air quality, or both tax proceeds and security proceeds, to secure the payment of any bond or security issued under this chapter.

2. Each ordinance providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (d) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon:

(c) Both tax proceeds and security proceeds,

↳ to secure the payment of any bond or security issued under this chapter. The provisions of this subsection do not authorize the board of county commissioners of a county to obtain money to acquire, develop, construct, equip, operate, maintain, improve and manage recreational programs by the issuance of bonds.

3. Any money pledged to the payment of bonds or other securities pursuant to subsection 1 or 2 may be treated as pledged revenues of the project for the purposes of subsection 3 of NRS 350.020.

**Sec. 7.** NRS 377A.110 is hereby amended to read as follows:

377A.110 1. Subject to the provisions of subsection 2, the board may gradually reduce the amount of any tax imposed pursuant to this chapter for a public transit system, for the construction,

The date on which any reduction in the tax becomes effective must be the first day of the first calendar quarter that begins at least 120 days after the effective date of the ordinance reducing the amount of tax imposed.

2. No such taxing ordinance may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds issued under this chapter, or other obligations incurred under this chapter, until all obligations, for which revenues from the ordinance have been pledged or otherwise made payable from such revenues pursuant to this chapter, have been discharged in full, but the board may at any time dissolve the regional transportation commission *as provided in NRS 373.120* and provide that no further obligations be incurred thereafter.

**Sec. 8.** NRS 377B.100 is hereby amended to read as follows:

377B.100 1. The board of county commissioners of any county may by ordinance, but not as in a case of emergency, impose a tax for infrastructure pursuant to this section and NRS 377B.110.

2. An ordinance enacted pursuant to this chapter may not become effective before a question concerning the imposition of the tax is approved by a two-thirds majority of the members of the board of county commissioners. Any proposal to increase the rate of the tax or change the previously approved uses for the proceeds of the tax must be approved by a two-thirds majority of the members of the board of county commissioners. The board of county commissioners shall not change a previously approved use for the proceeds of the tax to a use that is not authorized for that county pursuant to NRS 377B.160.

3. An ordinance enacted pursuant to this section must :

(a) Specify the date on which the tax must first be imposed or on which an increase in the rate of the tax becomes effective, which must occur on the first day of the first month of the next calendar quarter that is at least 120 days after the date on which a two-thirds majority of the board of county commissioners approved the question.

(b) In a county whose population is 400,000 or more, provide for the cessation of the tax not later than:

(1) The last day of the month in which the Department determines that the total sum collected since the tax was first imposed, exclusive of any penalties and interest, exceeds \$2.3 billion; or

(2) June 30, 2025,

↳ whichever occurs earlier.

4. *Notwithstanding the provisions of an ordinance described in subsection 3, in a county whose population is 400,000 or more, the tax may continue to be imposed after the date set forth in the ordinance for the cessation of the tax if the board of county commissioners determines by an affirmative vote of at least two-thirds of its members that the cessation of the tax is not advisable.*

5. The board of county commissioners in a county whose population is 400,000 or more and in which a water authority exists shall review the necessity for the continued imposition of the tax authorized pursuant to this chapter at least once every 10 years.

~~5.1~~ 6. Before enacting an ordinance pursuant to this chapter, the board of county commissioners shall hold a public hearing regarding the imposition of a tax for infrastructure. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall also hold a public hearing regarding the tax for infrastructure. Notice of the time and place of each hearing must be:

(a) Published in a newspaper of general circulation in the county at least once a week for the 2 consecutive weeks immediately preceding the date of the hearing. Such notice must be a display advertisement of not less than 3 inches by 5 inches.

(b) Posted at the building in which the meeting is to be held and at not less than three other separate, prominent places within the county at least 2 weeks before the date of the hearing.

~~6.1~~ 7. Before enacting an ordinance pursuant to this chapter, the board of county commissioners of a county whose population is less than 400,000 or a county whose population is 400,000 or more and in which no water authority exists, shall develop a plan for the expenditure of the proceeds of a tax imposed pursuant to this chapter for the purposes set forth in NRS 377B.160. The plan may include a regional project for which two or more such counties have entered into an interlocal agreement to expend jointly all or a portion of the proceeds of a tax imposed in each county pursuant to this chapter. Such a plan must include, without limitation, the date on which the plan expires, a description of each proposed project, the method of financing each project and the costs related to each project. Before adopting a plan pursuant to this subsection, the board of county commissioners of a county in which a regional planning commission has been established pursuant to NRS 278.0262 shall transmit to the regional planning commission a list of the proposed projects for which a tax for infrastructure may be

imposed. The regional planning commission shall hold a public hearing at which it shall rank each project in relative priority. The regional planning commission shall transmit its rankings to the board of county commissioners. The recommendations of the regional planning commission regarding the priority of the proposed projects are not binding on the board of county commissioners. The board of county commissioners shall hold at least one public hearing on the plan. Notice of the time and place of the hearing must be provided in the manner set forth in subsection ~~5~~ 6. The plan must be approved by the board of county commissioners at a public hearing. Subject to the provisions of subsection ~~7~~ 8, on or before the date on which a plan expires, the board of county commissioners shall determine whether a necessity exists for the continued imposition of the tax. If the board determines that such a necessity does not exist, the board shall repeal the ordinance that enacted the tax. If the board of county commissioners determines that the tax must be continued for a purpose set forth in NRS 377B.160, the board shall adopt, in the manner prescribed in this subsection, a new plan for the expenditure of the proceeds of the tax for such a purpose.

~~7~~ 8. No ordinance imposing a tax which is enacted pursuant to this chapter may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds or other obligations which are payable from or secured by a pledge of a tax enacted pursuant to this chapter until those bonds or other obligations have been discharged in full.

**Sec. 8.3.** NRS 377B.150 is hereby amended to read as follows:

The infrastructure fund must be accounted for as a separate fund and not as a part of any other fund. The money for each project included in the plan adopted pursuant to subsection ~~6~~ 7 of NRS 377B.100 must be accounted for separately in the fund.

2. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall deposit the money received from the State Controller pursuant to NRS 377B.130 in a separate account of the water authority to be known as the infrastructure fund. This fund must be accounted for as a

separate fund and not as part of any other fund of the water authority.
