

Senate Bill No. 436–Committee on Finance

CHAPTER.....

AN ACT relating to administrative assessments; repealing the prospective expiration of a provision revising the distribution of certain money collected from certain administrative assessments; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, a person who pleads or is found guilty or guilty but mentally ill of a misdemeanor is required to pay an administrative assessment in addition to any other penalty imposed by the court. A portion of the money collected from such administrative assessments is required to be deposited in the State General Fund and distributed to the Office of Court Administrator to be allocated for certain prescribed uses. (NRS 176.059) During the 2019 Legislative Session, the Legislature: (1) revised the distribution of certain money collected from such administrative assessments that the Office of Court Administrator is required to allocate for certain uses; and (2) provided that the change expires by limitation on June 30, 2021. (Chapter 541, Statutes of Nevada 2019, at page 3304) This bill repeals the prospective expiration of that provision, thereby making the change permanent.
