AN ACT relating to education; revising provisions governing applications for authorization to sponsor charter schools by the board of trustees of a school district or a college or university within the Nevada System of Higher Education; removing certain duties of the Department of Education related to the review of applications to form charter schools; requiring the Department to adopt regulations for the comprehensive review of the sponsors of charter schools approved by the Department and for the revocation of the authorization to sponsor charter schools; revising provisions governing the duties of the governing body of a charter school; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the board of trustees of a school district or a college or university within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.515) Section 2 of this bill clarifies that, in addition to the board of trustees of a school district, a college or university must also submit an application to the Department of Education for authorization to sponsor charter schools. Also under existing law, the Department is required to adopt regulations prescribing the process for submission of an application by the board of trustees of a school district for authorization to sponsor charter schools. (NRS 386.540) Section 5 of this bill adds a college or university within the Nevada System of Higher Education to the application process and requires the Department to adopt regulations prescribing: (1) the process and timeline for review of an application for authorization to sponsor charter schools; (2) the process for the Department to conduct a comprehensive review of sponsors of charter schools approved by the Department at least once every 3 years; and (3) the process for the Department to revoke the authorization of a board of trustees or a college or university to sponsor charter schools.

Under existing law, the proposed sponsor of a charter school may request the Department to assist in the reviewing of an application to form a charter school by determining whether the application is substantially complete and compliant. If the Department determines that an application is not substantially complete and compliant, the staff of the Department is required to meet with the applicant to confer on the method to correct the deficiencies in the application identified by the Department. (NRS 386.520) Sections 3 and 4 of this bill remove these provisions relating to the review of an application to form a charter school by the Department.

Existing law requires the Department to provide appropriate information, education and training for charter schools and the governing bodies of charter schools concerning the applicable provisions of the laws and regulations relating to charter schools. (NRS 386.545) Section 6 of this bill transfers this duty to provide information, education and training to the sponsor of the charter school.

Under existing law, a person may serve on the governing body of a charter school only if he or she submits an affidavit to the Department indicating that the person: (1) has not been convicted of a felony relating to service on the governing body; and (2) has read and understands material relating to the roles and responsibilities of members of governing bodies of charter schools. (NRS 386.549)
Section 7 of this bill revises the requirement for the submission of the affidavit so that the affidavit is submitted to the sponsor of the charter school rather than the Department.

Section 8 of this bill changes the date for the sponsor of a charter school to submit an annual report to the Department on the evaluation of the charter schools it sponsors from August 15 to October 1. (NRS 386.610)
