AN ACT relating to livestock; increasing the minimum and maximum rates at which an owner of livestock must pay for certain annual special taxes imposed on livestock; authorizing the State Department of Agriculture to assess the special tax within a certain period after the end of the fiscal year in which the taxes were due; increasing the amount of the penalty for failure to pay the special tax; revising the circumstances under which the Department may waive the penalty or any interest owed for failure to pay the special tax; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Under existing law, each owner of livestock is required to pay an annual special
2 tax on livestock. The State Department of Agriculture is required to fix the amount
3 of the tax based on each head of stock cattle, dairy cattle, horses, mules, burros,
4 asses, hogs, pigs and goats owned by the owner of livestock. Existing law also: (1)
5 sets forth the maximum rates that the Department may set for each head of
6 livestock; and (2) sets the minimum amount of the tax that an owner of livestock
7 must pay each year at \$5. (NRS 571.035) **Section 1** of this bill increases the
8 maximum rate the Department may set for stock cattle, dairy cattle, hogs, pigs and
9 goats and increases the minimum amount of the tax to \$10 each year.

10 Under existing law, any person who fails to pay the special tax on livestock is
11 required to pay, in addition to the tax, a penalty of not more than 10 percent of the
12 amount of the tax that is owed, plus interest at the rate of 1.5 percent per month or
13 fraction of a month from the date the tax was due until the date of payment. The
14 Department may waive or reduce the payment of the interest or penalty for good

15 cause shown. (NRS 575.205) **Section 2** of this bill: (1) authorizes the Department,
16 if the Department determines that an owner of livestock was not assessed the tax
17 for any fiscal year, to assess the tax at any time within the 5 fiscal years
18 immediately following the fiscal year in which the tax was due; (2) authorizes the
19 Department to waive or reduce the payment of the interest or penalty if the
20 Department finds extenuating circumstances sufficient to justify the waiver or
21 reduction; and (3) prohibits the Department from providing certain services to an
22 owner of livestock who is delinquent in the payment of the tax.
