AN ACT relating to the Master Settlement Agreement; requiring the Office of the Attorney General to reimburse the Department of Taxation for certain costs incurred by the Department in the performance of certain duties relating to the Master Settlement Agreement; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 In 1998, leading United States tobacco product manufacturers and the State of
2 Nevada entered into a settlement agreement, entitled the “Master Settlement
3 Agreement,” which obligates the manufacturers, in part, to pay substantial sums to
4 the State in return for a release from certain present and future claims against them.
5 In 1999, the Nevada Legislature enacted provisions requiring all manufacturers of
6 tobacco products sold in this State to participate in the Master Settlement
7 Agreement or to place certain money in escrow and provisions establishing the
8 Office of the Attorney General as the agency responsible for enforcing compliance
9 by manufacturers. (Chapter 370A of NRS) In 2005, the Nevada Legislature enacted
10 certain other provisions to aid the Office of the Attorney General in the
11 enforcement of the provisions governing manufacturers of tobacco products,
12 including the creation of the Account for Tobacco Enforcement. (NRS 370.600-
13 370.705) This bill requires the Office of the Attorney General to reimburse the
14 Department of Taxation from the Account for the costs incurred by the Department
15 in carrying out certain duties relating to the Master Settlement Agreement and the
16 deposits into escrow by manufacturers that do not participate in the Agreement.
