

Senate Bill No. 481—Committee on Finance

CHAPTER.....

AN ACT relating to education; extending the prospective expiration of the temporary waiver from certain requirements governing expenditures for textbooks, instructional supplies, instructional software and instructional hardware by school districts, charter schools and university schools for profoundly gifted pupils; extending the prospective expiration of the temporary waiver from certain requirements governing expenditures for library books, software for computers, the purchase of equipment relating to instruction and the maintenance and repair of equipment, vehicles, and buildings and facilities by school districts; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the Department of Education to determine the amount of money that each school district, charter school and university school for profoundly gifted pupils is required to expend during each fiscal year on textbooks, instructional supplies, instructional software and instructional hardware. (NRS 387.206) Existing law also authorizes the board of trustees of a school district, the governing body of a charter school or the governing body of a university school for profoundly gifted pupils that is experiencing an economic hardship to submit a request to the Department for a waiver of all or a portion of the minimum expenditure requirements. (NRS 387.2065) Assembly Bill No. 5 of the 26th Special Session provided a temporary waiver for the 2009-2011 biennium from these requirements without requiring the school districts, charter schools or university schools for profoundly gifted pupils to submit a request for such a waiver. (Chapter 6, Statutes of Nevada 2010, 26th Special Session, p. 41) The 2011 Legislative Session extended the temporary waiver from these minimum expenditure requirements for the 2011-2013 biennium. This temporary waiver is scheduled to expire on June 30, 2013. (Chapter 417, Statutes of Nevada 2011, p. 2569) This bill extends the prospective expiration of the temporary waiver to June 30, 2015, thereby extending the temporary waiver from the minimum expenditure requirements for the 2013-2015 biennium.

Existing law requires each school district to expend each school year for library books, software for computers, the purchase of equipment relating to instruction and the maintenance and repair of equipment, vehicles, and buildings and facilities an amount of money, expressed as an amount per pupil, that is at least equal to the average of the total amount of money that was expended per year for those items in the immediately preceding 3 years. (NRS 387.207) The 2011 Legislative Session provided a temporary waiver for the 2011-2013 biennium to each school district from these minimum expenditure requirements, which is scheduled to expire on June 30, 2013. (Chapter 417, Statutes of Nevada 2011, p. 2569) This bill extends the prospective expiration of the temporary waiver to June 30, 2015, thereby extending the temporary waiver from the minimum expenditure requirements for the 2013-2015 biennium.
