AN ACT relating to state financial administration; authorizing certain transfers of money appropriated to a department in the Executive Department of the State Government; exempting certain revisions of work programs from the requirement that they be approved by the Interim Finance Committee; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 **Section 1** of this bill provides that money appropriated to any department in the
2 Executive Department of State Government may, under certain conditions, be
3 transferred among the various budget accounts of that department in the manner
4 and subject to the same monetary thresholds provided by law for the revision of a
5 work program. Pursuant to **section 1**, any such transfer must be approved by: (1)
6 the Governor or the Chief of the Budget Division of the Department of
7 Administration; and (2) if the amount of the transfer exceeds a specified threshold,
8 the Interim Finance Committee.

9 Under existing law, any revision of a work program by a department, institution
10 or agency in the Executive Department must be approved by the Governor or the
11 Chief. In addition, if the amount of money involved exceeds the threshold referred to
12 above, the revision must be approved by the Interim Finance Committee. (NRS
13 353.220) **Section 4** of this bill exempts any revision that would otherwise require the
14 approval of the Committee if the revision: (1) is required by the agency’s acceptance
15 of a gift or grant for which acceptance has been approved by the Committee or
16 otherwise authorized; or (2) is the result of the agency carrying forward to the
17 current fiscal year, without a change in purpose, the unexpended balance of any
18 money authorized for expenditure in the immediately preceding fiscal year.
