CHAPTER.....

AN ACT relating to crimes; establishing the crime of facilitating sex trafficking; establishing a rebuttable presumption that certain children who commit the crime of sex trafficking or facilitating sex trafficking are acting under duress; establishing the privilege of confidential communication between persons who are victims of human trafficking and certain advocates for those victims; requiring the Department of Health and Human Services to develop a Medicaid service package to assist victims of sexual trauma who are eligible for Medicaid; authorizing the Department to adopt regulations relating to the development of such a Medicaid service package; requiring the Department to hold certain periodic meetings relating to sex trafficking; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law establishes certain specific acts that constitute the crime of sex trafficking and sets forth the penalties imposed upon a person who is found guilty of sex trafficking. Such penalties vary depending on whether the victim of sex trafficking is an adult or a child and, if a child, the age of the child. (NRS 201.300) **Section 3** of this bill establishes the crime of facilitating sex trafficking and provides that a person is guilty of such a crime if he or she: (1) facilitates, arranges, provides or pays for the transportation of a person to or within this State with the intent of inducing that person to engage in unlawful sexual conduct or prostitution or, if that person is a child, certain acts relating to pornography involving minors; (2) sells travel services that facilitate the travel of another person to this State with the knowledge that the other person is traveling to this State for the purpose of engaging in sexual conduct with a victim of sex trafficking, soliciting a child who is a victim of sex trafficking or engaging in certain acts relating to pornography involving minors; or (3) travels to or within this State by any means with the intent of engaging in sexual conduct with a victim of sex trafficking with the knowledge that the victim has been induced to engage in sexual conduct or prostitution or engaging in certain acts relating to pornography involving minors. **Section 3** provides that a person who is guilty of facilitating sex trafficking is guilty of a category B felony and is subject to certain minimum and maximum terms of imprisonment depending on whether the victim is an adult or a child. **Section 4** of this bill provides that if a person who is less than 18 years of age and is a victim of sex trafficking or facilitating sex trafficking commits the crime of sex trafficking or facilitating sex trafficking and is prosecuted in a criminal proceeding as an adult, there is a rebuttable presumption that the person acted under duress.

Existing law establishes a privilege for confidential communication between a victim of certain crimes and a victim's advocate who works for a nonprofit program

that provides assistance to victims of those crimes. (NRS 49.2541-49.2549) **Section 6** of this bill defines the crime of “human trafficking,” and **section 8** of this bill revises the definition of “victim” to include a person who alleges that an act of human trafficking has been committed against the person, thus authorizing the person to assert the privilege of confidential communication between the person and a victim’s advocate.

**Section 9** of this bill requires the Department of Health and Human Services to develop a Medicaid service package called the Sexual Trauma Services Guide for the purpose of assisting victims of sexual trauma who are eligible for Medicaid. **Section 9** requires the Department to post information relating to the Sexual Trauma Services Guide on the Internet website of the Department and to make such information available to any person upon request at the office of the Department. **Section 9** also authorizes the Department to adopt regulations relating to the development of the Sexual Trauma Services Guide.

In 2016, the Governor established by executive order the Nevada Coalition to Prevent the Commercial Sexual Exploitation of Children. (Executive Order 2016-14 (5-31-2016)) The Coalition is required to prepare a comprehensive statewide strategic plan and recommendations regarding how to address certain provisions of federal law relating to sex trafficking. **Section 10** of this bill requires the Department to hold periodic informational meetings for the purpose of coordinating the efforts of various entities to improve services for victims of sex trafficking and achieve the goals set forth in the statewide strategic plan developed by the Coalition.
