AN ACT relating to motor vehicles; providing for the issuance of drivers' licenses, identification cards, commercial drivers' licenses and motorcycle drivers' licenses that are federally qualified; providing for the issuance of drivers' licenses, identification cards and commercial drivers' licenses valid for a period other than 4 years; providing for the issuance of certain nonresident commercial drivers' licenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person who applies for a driver's license, identification card, commercial driver's license or motorcycle driver's license to provide certain information to the Department of Motor Vehicles and meet certain requirements. (NRS 483.290, 483.340, 483.850, 483.860, 483.928, 486.081) **Sections 5, 6, 12-14, 20 and 27** of this bill require the Department to issue a license or identification card that is federally qualified to a person who: (1) wishes to obtain a license or identification card that is federally qualified; and (2) provides proof of the person's lawful status. **Sections 8 and 15** of this bill require a person to provide proof acceptable to the Department when certain information on a license or identification card changes.

Certain sections of NRS previously provided that a driver's license, identification card or motorcycle driver's license expired on the fourth anniversary of the holder's birthday from the birthday nearest the date of issuance or renewal. These provisions expired by limitation on the date of expiration of any extension of time granted to this State by the Secretary of Homeland Security to comply with the provisions of the Real ID Act of 2005, which occurred on January 15, 2013. These provisions were replaced by provisions that require the Department to adopt

regulations prescribing when a license or identification card expires. (NRS 483.380, 483.875, 486.161) **Sections 9-11 and 18** of this bill allow the Department to issue licenses and identification cards valid for a period other than 4 years by charging a fee equal to the yearly cost of a license or identification card valid for a period of 4 years multiplied by the number of years that the license or identification card is valid.

Various other sections of NRS expired by limitation or were replaced by new sections effective upon this expiration on January 15, 2013, of the extension of time granted to this State by the Secretary of Homeland Security to comply with the provisions of the Real ID Act of 2005. (NRS 481.052, 483.290, 483.340, 483.345, 483.380, 483.840, 483.850, 483.860, 483.875, 486.081, 486.161) These provisions will be removed or changed as appropriate upon the next codification of NRS.

Existing law allows for the issuance of a commercial driver's license to nonresidents in certain circumstances. (NRS 483.934, 483.936) Federal regulations additionally allow for a nonresident to obtain a commercial driver's license or commercial learner's permit if the person is a resident of a state that is prohibited from issuing commercial driver's licenses pursuant to 49 C.F.R. § 384.405. (49 C.F.R. § 383.78) Sections 21 and 22 of this bill provide for the issuance of a nonresident commercial driver's license or nonresident commercial learner's permit to such a person.
