

Senate Bill No. 535–Committee on Finance

CHAPTER.....

AN ACT relating to gaming; revising provisions governing the financial support for programs for the prevention and treatment of problem gambling; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law creates the Revolving Account to Support Programs for the Prevention and Treatment of Problem Gambling. The Director of the Department of Health and Human Services administers the Account and is authorized to use the money in the Account to award grants of money or contracts for services to providers of programs for the prevention and treatment of problem gambling and for other related services. (NRS 458A.090) Under existing law, the Nevada Gaming Commission is required to deposit quarterly into the Revolving Account an amount that is equal to \$2 for each slot machine on which the Commission collects certain gaming license fees. (NRS 463.320) This bill eliminates that requirement.
