

Senate Bill No. 540–Committee on Finance

CHAPTER.....

AN ACT relating to persons in need of protection; revising provisions governing the Repository for Information Concerning Crimes Against Older Persons; revising and repealing provisions relating to the abuse, neglect, exploitation, isolation or abandonment of a vulnerable person; revising provisions relating to the Unit for Investigation and Prosecution of Crimes Against Older Persons of the Office of the Attorney General; revising provisions relating to powers of attorney; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law defines a “vulnerable person” as a person who is 18 years of age or older and who: (1) suffers from a condition of physical or mental incapacitation because of a developmental disability, organic brain damage or mental illness; or (2) has one or more physical or mental limitations that restrict his or her ability to perform daily activities. (NRS 200.5092)

Existing law also defines “protective services” as services that prevent or remedy abuse, neglect, exploitation, isolation and abandonment of older persons. Existing law defines an “older person” as a person who is 60 years of age or older. (NRS 200.5092) **Section 5** expands the definition of “protective services” to include services that prevent and remedy abuse, neglect, exploitation, isolation and abandonment of vulnerable persons.

Existing law requires the Aging and Disability Services Division of the Department of Health and Human Services to: (1) identify and record demographic information concerning older persons who have allegedly been abused, neglected, exploited, isolated or abandoned and those persons who are allegedly responsible for such abuse, neglect, exploitation, isolation or abandonment; (2) obtain information from programs for preventing abuse of older persons and analyze and compare such programs; and (3) publicize provisions of law concerning abuse, neglect, exploitation, isolation or abandonment of older persons. (NRS 200.5098) **Section 9** of this bill expands the duties of the Division to include vulnerable persons in such duties. **Sections 10-12** of this bill make conforming changes.

Existing law requires certain persons in their professional or occupational capacity, who know or have reasonable cause to believe that an older person has been abused, neglected, exploited, isolated or abandoned to report such abuse, neglect, exploitation, isolation or abandonment within 24 hours to: (1) a local office of the Aging and Disability Services Division of the Department of Health and Human Services; (2) a police department or sheriff’s office; or (3) a toll-free telephone service designated by the Division. (NRS 200.5093) Existing law also requires certain persons in their professional or occupational capacity, who know or have reasonable cause to believe that a vulnerable person has been abused, neglected, exploited, isolated or abandoned to report such abuse, neglect, exploitation, isolation or abandonment within 24 hours to a law enforcement agency. (NRS 200.50935) **Section 6** of this bill expands those agencies to which a person in his or her professional or occupational capacity can make a report concerning abuse, neglect, exploitation, isolation or abandonment of a vulnerable person to include the local office of the Aging and Disability Services Division or

the toll-free telephone service of the Division, meaning that the same process is used for reporting instances of abuse, neglect, exploitation, isolation or abandonment of both older persons and vulnerable persons. **Section 33** repeals the existing process for making such a report concerning a vulnerable person. **Sections 2, 3, 7, 8 and 25-31** of this bill make conforming changes.

Existing law provides that reports concerning abuse, neglect, exploitation, isolation or abandonment of an older person or vulnerable person are confidential. Existing law authorizes certain persons to have access to certain information and data contained in such a report. (NRS 200.5095) **Section 8** of this bill also authorizes such a report to be made available to the State Guardianship Compliance Office or an attorney who represents an older person or vulnerable person in a guardianship proceeding. If such an attorney receives information from such a report, **section 10** of this bill requires the attorney to disclose the information concerning abuse, neglect, exploitation, isolation or abandonment of the older person or vulnerable person to the court in a guardianship proceeding within 20 days after the attorney's receipt of such information.

Existing law authorizes the Unit for the Investigation and Prosecution of Crimes Against Older Persons of the Office of the Attorney General to investigate and prosecute alleged abuse, neglect, exploitation, isolation or abandonment of an older person under certain circumstances. (NRS 228.270) **Section 17** of this bill changes the name of the Unit to the Unit for the Investigation and Prosecution of Crimes Against Older Persons or Vulnerable Persons. **Section 18** of this bill authorizes the Unit to investigate and prosecute the alleged abuse, neglect, exploitation, isolation or abandonment of a vulnerable person under certain circumstances.

Existing law provides that the Unit for the Investigation and Prosecution of Crimes Against Older Persons may also bring an action to enjoin or obtain any other equitable relief to prevent the abuse, neglect, exploitation, isolation or abandonment of an older person. Existing law also authorizes the Attorney General to seek a civil penalty against such a person responsible for the abuse, neglect, exploitation, isolation or abandonment of the older person. (NRS 228.275, 228.280) **Section 19** of this bill authorizes the Unit to bring such an action to enjoin or obtain equitable relief to prevent such abuse, neglect, exploitation, isolation or abandonment of a vulnerable person. **Section 20** of this bill authorizes the Attorney General to seek a civil penalty against such a person responsible for the abuse, neglect, exploitation, isolation or abandonment of the vulnerable person. **Sections 16 and 21-23** of this bill make conforming changes.

Existing law requires the Repository for Information Concerning Crimes Against Older Persons to contain records of all reports of abuse, neglect, exploitation, isolation or abandonment of older persons in this State. (NRS 179A.450) **Section 1** of this bill changes the name of the Repository to the Repository for Information Concerning Crimes Against Older Persons or Vulnerable Persons and additionally requires the Repository to contain records concerning abuse, neglect, exploitation, isolation or abandonment of vulnerable persons in this State.

**Section 4** of this bill requires the sheriff of each county to designate an employee of the sheriff's department as a point of contact to the Aging and Disability Services Division of the Department of Health and Human Services.

**Sections 13 and 24** of this bill make conforming changes to add vulnerable persons.

Senate Bill No. 223 of the 2019 Legislative Session provides that an agent under a power of attorney may consent to the placement of the principal in an assisted living facility, a facility for skilled nursing or a secured residential long-

term care facility only if the power of attorney expressly grants the agent that authority. (Section 2 of Senate Bill No. 223 of this session) Senate Bill No. 223 also revises the form for a general power of attorney to allow a principal to indicate whether the principal authorizes the agent to consent to placement of the principal in an assisted living facility, a facility for skilled nursing or a secured residential long-term care facility. (Section 3 of Senate Bill No. 223 of this session) **Sections 32 and 34** of this bill remove those provisions added by Senate Bill No. 223 without revising existing law concerning general powers of attorney. Instead, **sections 3.5 and 32** of this bill revise the forms for a general power of attorney and a durable power of attorney for health care to allow a principal to communicate his or her wishes concerning living arrangements.
