Senate Bill No. 555–Senators Ford and Roberson

Joint Sponsors: Assemblymen Frierson  
and Paul Anderson

## CHAPTER.....

AN ACT relating to taxation; authorizing the Department of Taxation to approve an additional amount of credits against the modified business tax for taxpayers who donate money to a scholarship organization; and providing other matters properly relating thereto.

### **Legislative Counsel’s Digest:**

Under existing law, financial institutions and other employers are required to pay an excise tax (the modified business tax) on wages paid by them. (NRS 363A.130, 363B.110) Existing law establishes a credit against the modified business tax equal to an amount which is approved by the Department of Taxation and which must not exceed the amount of any donation of money made by a taxpayer to a scholarship organization that provides grants on behalf of pupils who are members of a household with a household income which is not more than 300 percent of the federally designated level signifying poverty to attend schools in this State, including private schools, chosen by the parents or legal guardians of those pupils. (NRS 363A.130, 363B.110) Under existing law, the Department: (1) must approve or deny applications for the tax credit in the order in which the applications are received by the Department; and (2) is authorized to approve applications for each fiscal year until the amount of the tax credits approved for the fiscal year is the amount authorized by statute for that fiscal year. For Fiscal Year 2016-2017, the amount authorized is \$5,500,000. The amount authorized for each succeeding fiscal year is equal to 110 percent of the amount authorized for the immediately preceding fiscal year. Thus, for Fiscal Year 2017-2018, the amount of credits authorized is \$6,050,000. (NRS 363A.139, 363B.119)

This bill authorizes the Department of Taxation to approve, in addition to the amount of credits authorized for Fiscal Year 2017-2018 under existing law, an amount of tax credits equal to \$20,000,000. If the amount of the additional tax credits authorized under this bill and approved by the Department in Fiscal Year 2017-2018 is less than \$20,000,000, the remaining amount of tax credits must be carried forward and made available for approval in subsequent fiscal years. Finally, under this bill, the \$20,000,000 of additional tax credits authorized by this bill is not subject to the annual increases under existing law in the amount of the tax credits.
