Legislative Counsel’s Digest:

Existing law makes it a crime to place graffiti on or otherwise deface the public or private property, real or personal, of another, without the permission of the owner. (NRS 206.330) **Sections 5, 8.2 and 16** of this bill revise the definition of “graffiti” to: (1) clarify that strays and livestock are included within the scope of property to which the offense of graffiti applies; and (2) exclude certain items which are affixed to property.

Existing law makes it a misdemeanor for a person to carry on his or her person, in certain public places, a graffiti implement with the intent to vandalize, place graffiti on or deface property. (NRS 206.335) **Section 7** of this bill revises the definition of “graffiti implement” to include any item that may be used to etch or deface property.

Existing law requires a person who is ordered to pay restitution for placing graffiti on public property to pay the restitution to the governmental entity that has incurred expenses for abating the graffiti. (NRS 206.345) **Section 8** of this bill authorizes the payment of restitution to a governmental entity for future expenses to abate the graffiti. Existing law also authorizes the owner of public or private property that has been damaged by graffiti to bring a civil action against the person who placed the graffiti and recover damages in an amount up to three times the amount of any loss in value to property and up to three times the cost of restoring the property plus attorney’s fees and costs. (NRS 206.345) **Section 8** clarifies that a governmental entity may also bring a civil action to recover such damages from a person who placed graffiti on property if the governmental entity owns or is otherwise responsible for the damaged property.

Existing law authorizes a board of county commissioners to provide by ordinance for the covering or removal of certain graffiti on certain types of property. (NRS 244.36935) **Sections 8.4 and 8.6** of this bill revise provisions governing the covering or removal of certain graffiti that is placed on residential property. **Section 14** of this bill authorizes the governing body of a city to similarly provide by ordinance for the covering or removal of certain graffiti on residential property.

Existing law authorizes a board of county commissioners to provide by ordinance procedures pursuant to which the board may order an owner of nonresidential property to cover or remove certain graffiti on the owner’s property. (NRS 244.3694) **Section 8.8** of this bill revises provisions governing the covering or removal of graffiti that is placed on nonresidential property. **Section 15** of this bill similarly authorizes the governing body of a city to provide by ordinance

procedures pursuant to which the governing body may order an owner of nonresidential property to cover or remove certain graffiti on the owner's property.

Existing law requires the governing body of each city to create a fund to pay, upon approval by the governing body of the city, a reward to certain persons who provide information which results in the identification, apprehension and conviction of a person who violated a city ordinance prohibiting graffiti or other defacement of property. (NRS 268.4085) **Section 18** of this bill expands the authorized use of money in the fund: (1) to purchase supplies or pay for other graffiti abatement costs incurred by the city; (2) to be paid for information which results in the identification, apprehension or conviction of a person who is alleged to have violated a city ordinance that prohibits graffiti or defacement of property; and (3) to be paid upon approval of the city manager, the authorized designee of the city manager or, if the city does not have a city manager, the governing body of the city.
