Legislative Counsel’s Digest:

1 Existing law requires the Nevada Gaming Commission and the Nevada Gaming
2 Control Board to administer state gaming licenses and manufacturer’s, seller’s and
3 distributor’s licenses, and to reform various acts relating to the regulation and
4 control of gaming. (NRS 463.140) Existing law authorizes the Commission, with
5 the advice and assistance of the Board, to adopt regulations governing the operation
6 and licensing of mobile gaming. (NRS 463.730) Existing law defines “mobile
7 gaming” as the conduct of gambling games through communication devices
8 operated solely within certain establishments holding a nonrestricted gaming
9 license that permits a person to transfer information to a computer in order to place
10 a bet or wager, and respective information related to the display of the game, game
11 outcomes or other comparable information. (NRS 463.0176) Existing law defines
12 “gaming device” as any object used remotely or directly in connection with
13 gaming, or any other game that affects the results of a wager by determining win or
14 loss but which does not qualify as associated equipment. (NRS 463.0155) **Section 2**
15 of this bill revises the definition of “gaming device” to include mobile gaming,
16 thereby making mobile gaming subject to the same regulation and control as a
17 gaming device. **Sections 1.7, 3-10, 11-19 and 20** of this bill remove or repeal all
18 provisions with individual references to mobile gaming. **Section 19.5** of this bill
19 exempts from the amendatory provisions of **sections 5, 7, 8, 10, 18 and 19**: (1)
20 certain persons with a nonrestricted license for a mobile gaming system or such a

21 license for the operation of a mobile gaming system; (2) certain persons who
22 acquire a financial interest in such an operator of a mobile gaming system or the
23 operation of such a system; or (3) a successor in interest of such a person who
24 acquired such a financial interest. **Section 19.5** also exempts from the amendatory
25 provisions of **section 3** of this bill employees of such an operator of a mobile
26 gaming system described in **section 19.5**. **Section 19.5** also provides that the
27 provisions of law repealed by **section 20** of this bill still apply to those persons or
28 transactions described in **section 19.5**. Finally, **section 19.5** provides that persons or
29 transactions described in **section 19.5** are not exempt from certain provisions of
30 law.

31 Existing law requires certain persons to apply for and obtain a finding of
32 suitability from the Nevada Gaming Commission if the person acquires, under
33 certain circumstances: (1) beneficial ownership of any voting security of a publicly
34 traded corporation registered with the Commission; (2) beneficial or record
35 ownership of any nonvoting security of a publicly traded corporation registered
36 with the Commission; or (3) beneficial or record ownership of any debt security of
37 a publicly traded corporation registered with the Commission. (NRS 463.643)
38 **Section 10.8** of this bill requires certain persons to notify the Chair of the Board
39 and apply for a finding of suitability with the Commission if such a person acquires
40 or holds a certain percentage of any class of voting securities of a publicly traded
41 corporation registered with the Commission. **Section 10.8** also requires certain
42 persons to notify the Chair, apply for a finding of suitability with the Commission
43 and pay a sum of money to the Board if such a person obtains beneficial ownership
44 in such a publicly traded corporation and the person has the intent to engage in
45 certain proscribed activities, except that certain persons who acquire less than a 10
46 percent beneficial ownership in such a corporation through a pension are not
47 subject to such notification, application and payment requirements. **Sections 1.3,**
