AN ACT relating to family planning; revising provisions governing the Account for Family Planning; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law establishes the Account for Family Planning for the purpose of  
2 awarding grants of money to local governmental entities and nonprofit  
3 organizations to provide certain family planning services, including the distribution  
4 of certain contraceptives, the installation of certain contraceptive devices and the  
5 performance of certain contraceptive procedures. The Account is administered by  
6 the Administrator of the Division of Public and Behavioral Health of the  
7 Department of Health and Human Services. Existing law authorizes the  
8 Administrator to use not more than 10 percent of the money in the Account to  
9 administer the Account. (NRS 442.725) **Section 1.2** of this bill transfers the duty to  
10 administer the Account from the Administrator to the Director of the Department of  
11 Health and Human Services or his or her designee. Additionally, **section 1.2**  
12 authorizes the Director or his or her designee to also use the money to pay for  
13 family planning services offered by providers of health care or for other services  
14 offered by a department or division of the Executive Department of State  
15 Government through a contract with the recipient of the grant money. Further,  
16 **section 1.2** decreases from 10 percent to 5 percent the amount of money in the  
17 Account that is authorized to be used to administer the Account. **Section 1.2** also  
18 requires family planning services paid for with money from the Account to be made  
19 available to all persons who would otherwise have difficulty obtaining such  
20 services.

21 Existing law requires insurers to cover certain types of contraception. (NRS  
22 689A.0418, 689B.0378, 689C.1676, 695A.1865, 695B.1919, 695C.1696,  
23 695G.1715) **Section 1.2** revises the types of contraception for which money from  
24 the Account may be used to correspond to the types of contraceptives that insurers  
25 are required to cover. **Section 1.2** additionally authorizes the use of money from the  
26 Account to pay for voluntary sterilization for men and certain federally  
27 recommended vaccinations. **Section 1.2** also prohibits the Director or his or her  
28 designee or any entity that receives a grant from the Account or enters into a  
29 contract with the Director or his or her designee from discriminating against a  
30 provider of family planning services.

31 **Sections 1, 1.3 and 1.4** of this bill make conforming changes.
