

Senate Bill No. 94—Committee on  
Health and Human Services

CHAPTER.....

AN ACT relating to family planning; revising provisions governing the Account for Family Planning; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law establishes the Account for Family Planning for the purpose of awarding grants of money to local governmental entities and nonprofit organizations to provide certain family planning services, including the distribution of certain contraceptives, the installation of certain contraceptive devices and the performance of certain contraceptive procedures. The Account is administered by the Administrator of the Division of Public and Behavioral Health of the Department of Health and Human Services. Existing law authorizes the Administrator to use not more than 10 percent of the money in the Account to administer the Account. (NRS 442.725) **Section 1.2** of this bill transfers the duty to administer the Account from the Administrator to the Director of the Department of Health and Human Services or his or her designee. Additionally, **section 1.2** authorizes the Director or his or her designee to also use the money to pay for family planning services offered by providers of health care or for other services offered by a department or division of the Executive Department of State Government through a contract with the recipient of the grant money. Further, **section 1.2** decreases from 10 percent to 5 percent the amount of money in the Account that is authorized to be used to administer the Account. **Section 1.2** also requires family planning services paid for with money from the Account to be made available to all persons who would otherwise have difficulty obtaining such services.

Existing law requires insurers to cover certain types of contraception. (NRS 689A.0418, 689B.0378, 689C.1676, 695A.1865, 695B.1919, 695C.1696, 695G.1715) **Section 1.2** revises the types of contraception for which money from the Account may be used to correspond to the types of contraceptives that insurers are required to cover. **Section 1.2** additionally authorizes the use of money from the Account to pay for voluntary sterilization for men, male condoms and certain federally recommended vaccinations. **Section 1.2** also prohibits the Director or his or her designee or any entity that receives a grant from the Account or enters into a contract with the Director or his or her designee from discriminating against a provider of family planning services.

**Sections 1, 1.3 and 1.4** of this bill make conforming changes.
