peace officer or trooper and grant an extension of the time within 3112

appropriate, and the executive director shall specify in the 3117
notice granting the extension the date on which the extension 3118

appointing authority must complete the required minimum number of 3128
hours of continuing professional training set by the commission, 3129
the appointing authority shall require that peace officer or 3130

may include, but are not limited to, mailing the agenda of 4225
meetings to all subscribers on a mailing list or mailing notices 4226
in self-addressed, stamped envelopes provided by the person. 4227

(G) Except as provided in divisions (G)(8) and (J) of this 4228
section, the members of a public body may hold an executive 4229
session only after a majority of a quorum of the public body 4230

only at a regular or special meeting for the sole purpose of the 4232
consideration of any of the following matters: 4233

(1) To consider the appointment, employment, dismissal, 4234
discipline, promotion, demotion, or compensation of a public 4235
employee or official, or the investigation of charges or 4236

regulated individual, unless the public employee, official, 4238
licensee, or regulated individual requests a public hearing. 4239
Except as otherwise provided by law, no public body shall hold an 4240

If a public body holds an executive session pursuant to division 4244
(G)(1) of this section, the motion and vote to hold that executive 4245
session shall state which one or more of the approved purposes 4246
listed in division (G)(1) of this section are the purposes for 4247
which the executive session is to be held, but need not include 4248
the name of any person to be considered at the meeting. 4249

the sale of property at competitive bidding, or the sale or other 4251

disclosure of information would give an unfair competitive or 4254
bargaining advantage to a person whose personal, private interest 4255
is adverse to the general public interest. No member of a public 4256
body shall use division (G)(2) of this section as a subterfuge for 4257
providing covert information to prospective buyers or sellers. A 4258
purchase or sale of public property is void if the seller or buyer 4259
of the public property has received covert information from a 4260
member of a public body that has not been disclosed to the general 4261
public in sufficient time for other prospective buyers and sellers 4262
to prepare and submit offers. 4263

If the minutes of the public body show that all meetings and 4264
deliberations of the public body have been conducted in compliance 4265
with this section, any instrument executed by the public body 4266
purporting to convey, lease, or otherwise dispose of any right, 4267
title, or interest in any public property shall be conclusively 4268

bargaining sessions with public employees concerning their 4276
compensation or other terms and conditions of their employment; 4277

or regulations or state statutes; 4279

(6) Details relative to the security arrangements and 4280

emergency response protocols for a public body or a public office, 4281

office; 4284

(7) In the case of a county hospital operated pursuant to 4285
Chapter 339. of the Revised Code, a joint township hospital 4286
operated pursuant to Chapter 513. of the Revised Code, or a 4287
municipal hospital operated pursuant to Chapter 749. of the 4288
Revised Code, to consider trade secrets, as defined in section 4289
1333.61 of the Revised Code; 4290

(8) To consider confidential information related to the 4291
marketing plans, specific business strategy, production 4292
techniques, trade secrets, or personal financial statements of an 4293
applicant for economic development assistance, or to negotiations 4294
with other political subdivisions respecting requests for economic 4295
development assistance, provided that both of the following 4296
conditions apply: 4297

(a) The information is directly related to a request for 4298
economic development assistance that is to be provided or 4299
administered under any provision of Chapter 715., 725., 1724., or 4300
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 4301
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of 4302
the Revised Code, or that involves public infrastructure 4303
improvements or the extension of utility services that are 4304
directly related to an economic development project. 4305

(b) A unanimous quorum of the public body determines, by a 4306
roll call vote, that the executive session is necessary to protect 4307
the interests of the applicant or the possible investment or 4308
expenditure of public funds to be made in connection with the 4309
economic development project. 4310

If a public body holds an executive session to consider any 4311

of the matters listed in divisions (G)(2) to (8) of this section, 4312
the motion and vote to hold that executive session shall state 4313
which one or more of the approved matters listed in those 4314
divisions are to be considered at the executive session. 4315

A public body specified in division (B)(1)(c) of this section 4316
shall not hold an executive session when meeting for the purposes 4317
specified in that division. 4318

(H) A resolution, rule, or formal action of any kind is 4319
invalid unless adopted in an open meeting of the public body. A 4320
resolution, rule, or formal action adopted in an open meeting that 4321
results from deliberations in a meeting not open to the public is 4322
invalid unless the deliberations were for a purpose specifically 4323
authorized in division (G) or (J) of this section and conducted at 4324
an executive session held in compliance with this section. A 4325
resolution, rule, or formal action adopted in an open meeting is 4326
invalid if the public body that adopted the resolution, rule, or 4327
formal action violated division (F) of this section. 4328

~~(I)(1) Any~~ (I)(1)(a) In order to enforce this section, any 4329
person may ~~bring an action to enforce this section. An~~ only do one 4330
of the following, and not both: 4331

section shall be brought within two years after the date of the 4338

violation or threatened violation of this section in an action 4340
brought by any person under that division, the court of common 4341
pleas shall issue an injunction to compel the members of the 4342

public body to comply with its provisions. 4343

pursuant to division ~~(I)(1)~~ (I)(1)(b) of this section, the court 4345
shall order the public body that it enjoins to pay a civil 4346
forfeiture of five hundred dollars to the party that sought the 4347
injunction and shall award to that party all court costs and, 4348
subject to reduction as described in division (I)(2) of this 4349
section, reasonable attorney's fees. The court, in its discretion, 4350
may reduce an award of attorney's fees to the party that sought 4351
the injunction or not award attorney's fees to that party if the 4352
court determines both of the following: 4353

(i) That, based on the ordinary application of statutory law 4354
and case law as it existed at the time of violation or threatened 4355
violation that was the basis of the injunction, a well-informed 4356
public body reasonably would believe that the public body was not 4357
violating or threatening to violate this section; 4358

(ii) That a well-informed public body reasonably would 4359
believe that the conduct or threatened conduct that was the basis 4360
of the injunction would serve the public policy that underlies the 4361
authority that is asserted as permitting that conduct or 4362
threatened conduct. 4363

(b) If the court of common pleas does not issue an injunction 4364
pursuant to division ~~(I)(1)~~ (I)(1)(b) of this section and the 4365
court determines at that time that the bringing of the action was 4366
frivolous conduct, as defined in division (A) of section 2323.51 4367
of the Revised Code, the court shall award to the public body all 4368
court costs and reasonable attorney's fees, as determined by the 4369
court. 4370

costs that have been or will be incurred in the completion of the 4664
project and that designates a source of financing or a strategy 4665
for obtaining financing; 4666

(4) An estimated schedule for the progression and completion 4667
of the project including, if applicable, previously completed and 4668
future phases of the project; 4669

(5) An assessment of the projected economic impact of the 4670
project on the development site and the surrounding area; 4671

(6) Evidence that the increase in tax collections during the 4672
completion period will exceed ten per cent of the estimated 4673
development costs reported under division (B)(3) of this section; 4674

(7) If the applicant is an insurance company that is not the 4675
property owner, the amount of the insurance company's capital 4676
contribution to the development and the date on which it was or 4677
will be made; 4678

(8) Evidence that the project will not be completed unless 4679

the applicant receives the credit. 4680

(C) (1) In determining whether to certify a project that is 4681
the subject of an application submitted under division (B) of this 4682
section, the tax credit authority shall consider the potential 4683
impact of the transformational mixed use development on the 4684
development site and the surrounding area in terms of 4685
architecture, accessibility to pedestrians, retail entertainment 4686
and dining sales, job creation, property values, connectivity, and 4687
revenue from sales, income, lodging, and property taxes. The tax 4688
credit authority shall not certify a project unless it satisfies 4689
the following conditions: 4690

(a) The project qualifies as a transformational mixed use 4691
development and satisfies all other criteria prescribed by this 4692
section or by rule of the director of development ~~services~~; 4693

(b) The estimated increase in tax collections during the 4694
completion period exceeds ten per cent of the estimated 4695
development costs for the project reported under division (B) (3) 4696
of this section; 4697

(c) The project will not be completed unless the applicant 4698
receives the credit; 4699

(d) If the development site is located within ten miles of a 4700
major city, the estimated development costs to complete the 4701
project plus, if applicable, the estimated expenditures that have 4702
been or will be incurred to complete all other contiguous phases 4703
of the project, exceed fifty million dollars. 4704

In making its determination of whether or not to approve an 4705
application, the tax credit authority may conduct an interview of 4706
the applicant. 4707

(2) If the tax credit authority approves an application, the 4708
authority shall issue a statement certifying the associated 4709
transformational mixed use development project and preliminarily 4710

approving a tax credit. The statement shall stipulate that receipt 4711
of a tax credit certificate is contingent upon completion of the 4712
transformational mixed use development as described in the 4713
development plan. The statement shall specify the estimated amount 4714
of the tax credit, but state that the amount of the credit is 4715
dependent upon determination of the actual development costs 4716
attributed to the project and, unless the tax credit authority 4717
grants a request by the property owner under division (F) of this 4718
section, of the increase in tax collections during the completion 4719
period. 4720

(3) Except as otherwise provided in this division, if the 4721
applicant is an insurance company that is not the property owner, 4722
the estimated amount of the tax credit shall equal ten per cent of 4723
the insurance company's capital contribution to the project as 4724
reported in the development plan pursuant to division (B)(7) of 4725
this section. Except as otherwise provided in this division, if 4726
the applicant is the property owner, the estimated amount of the 4727
tax credit shall equal ten per cent of the estimated development 4728
costs for the project as reported in the development plan pursuant 4729
to division (B)(3) of this section minus any estimated credit 4730
amounts that have been preliminarily approved for insurance 4731
companies contributing capital to the project. The estimated 4732
credit amounts may be reduced by the tax credit authority as a 4733
condition of certifying the project if such a reduction is 4734
necessary to comply with the limitations on the amount of credits 4735
that may be preliminarily approved as prescribed by division 4736
(C)(5) of this section. The estimated credit amounts shall not be 4737
adjusted after the statement described in division (C)(2) of this 4738
section has been issued. 4739

(4) If the tax credit authority denies an application, the 4740
authority shall notify the applicant of the reason or reasons for 4741
such determination. The authority's determination is final, but an 4742

applicant may revise and resubmit a previously denied application. 4743

(5) (a) The tax credit authority shall not certify any 4744
transformational mixed use development projects after June 30, 4745
~~2023~~ 2025. 4746

(b) The tax credit authority may not preliminarily approve 4747
more than one hundred million dollars of estimated tax credits in 4748
each of fiscal years ~~2020, 2021,~~ 2022, and 2023, 2024, and 2025. 4749

(c) Not more than eighty million dollars of estimated tax 4750
credits in each such fiscal year may be preliminarily approved in 4751
connection with projects that are located within ten miles of a 4752
major city. 4753

(d) Not more than forty million dollars of estimated tax 4754
credits may be preliminarily approved in connection with the same 4755
transformational mixed use development project. 4756

(6) If the dollar amount of tax credits applied for under 4757
division (B) of this section in connection with projects that are 4758
located within ten miles of a major city exceeds eighty million 4759
dollars for a fiscal year, the tax credit authority shall rank 4760
those applications and certify the associated projects in order, 4761
starting with the project that presents the best combination of 4762
economic value and transformational impact. If the dollar amount 4763
of tax credits applied for in connection with projects not located 4764
within ten miles of a major city exceeds twenty million dollars 4765
for a fiscal year, the tax credit authority shall rank those 4766
applications and certify the associated projects in order, 4767
starting with the project that presents the best combination of 4768
economic value and transformational impact. In either case, the 4769
authority shall consider the following factors in ranking the 4770
applications: 4771

(a) The projected increase in tax collections during the 4772
completion period as a percentage of the total amount of estimated 4773

tax credits that would be preliminarily approved in connection 4774
with the project; 4775

(b) The economic impact of the project on the development 4776
site and the surrounding area and the impact of the project in 4777
terms of architecture, accessibility to pedestrians, retail 4778
entertainment and dining sales, job creation, property values, and 4779
connectivity; 4780

(c) The expeditiousness of the schedule for completing the 4781
project, realizing the increase in tax collections, and attaining 4782
the economic and other impacts on the development site and the 4783
surrounding area. 4784

(D) Within twelve months of the date a project is certified, 4785
the property owner shall provide the tax credit authority with an 4786
updated schedule for the progression and completion of the project 4787
and documentation sufficient to demonstrate that construction of 4788
the project has begun. If the property owner does not provide the 4789
schedule and documentation or if construction of the project has 4790
not begun within the time prescribed by this division, the tax 4791
credit authority shall rescind certification of the project and 4792
send notice of the rescission to the property owner and each 4793
insurance company that is preliminarily approved for a tax credit 4794
in connection with the project. A property owner that receives 4795
notice of rescission may submit a new application concerning the 4796
same project under division (B) of this section. 4797

(E) An applicant that is the property owner and is 4798
preliminarily approved for a tax credit under this section may 4799
sell or transfer the rights to that credit to one or more persons 4800
for the purpose of raising capital for the certified project. The 4801
applicant shall notify the tax credit authority upon selling or 4802
transferring the rights to the credit. The notice shall identify 4803
the person or persons to which the credit was sold or transferred 4804
and the credit amount sold or transferred to each such person. 4805

Only an applicant that owns the property may sell or transfer a 4806
credit under this division. A credit may be divided among multiple 4807
purchasers through more than one transaction but once a particular 4808
credit amount is acquired by a person other than the applicant it 4809
may not be sold or transferred again. 4810

(F) After a transformational mixed use development project is 4811
certified and before it is completed, the property owner may 4812
request that the value of the tax credit certificates awarded in 4813
connection with the project be computed using the alternative 4814
method described in division (I) of this section. The tax credit 4815
authority shall grant the request if the authority determines, and 4816
a third party engaged by the authority at the expense of the 4817
property owner affirms, that it is reasonably certain that the 4818
increase in tax collections will exceed ten per cent of the 4819
estimated development costs within one year after the project is 4820
completed. Otherwise, the authority shall deny the request and the 4821
amount of each credit awarded in connection with the project shall 4822
be computed under division (H) of this section. The authority's 4823
determination under this division shall be delivered in writing 4824
and is final and not appealable. 4825

(G) (1) The property owner shall notify the tax credit 4826
authority upon completion of a certified transformational mixed 4827
use development project. The notification shall include a report 4828
prepared by a third-party certified public accountant that 4829
contains a detailed accounting of the actual development costs 4830
attributed to the project. 4831

(2) Upon receiving such a notice, unless the tax credit 4832
authority has previously granted a request by the property owner 4833
under division (F) of this section, the authority shall determine 4834
the increase in tax collections since the date the project was 4835
certified by consulting with the tax commissioner and with the tax 4836
administrator of any municipal corporation that levies an income 4837

tax within the project site and the surrounding area. The tax 4838
commissioner and the tax administrators that are consulted 4839
pursuant to this division shall provide the tax credit authority 4840
with any information that is necessary to determine the increase 4841
in tax collections. 4842

(3) After determining the increase in tax collections under 4843
division (G) (2) of this section, if required, and computing the 4844
value of the tax credit under division (H) or (I) of this section, 4845
as applicable, the tax credit authority shall issue a tax credit 4846
certificate to each applicant that is preliminarily approved for a 4847
credit associated with the project or to the person or persons to 4848
which such an applicant sold or transferred the rights to the 4849
credit under division (E) of this section. If the amount of the 4850
tax credit awarded to the property owner is less than the credit 4851
amount estimated under division (C) of this section and the 4852
property owner sold or transferred the rights to the credit, the 4853
tax credit authority shall reduce the amount of each tax credit 4854
certificate issued to each purchaser or recipient on a pro rata 4855
basis unless the property owner requests an alternative allocation 4856
of the credit. 4857

(H) (1) Unless the tax credit authority granted a request by 4858
the property owner under division (F) of this section, the 4859
aggregate value of the tax credit certificates issued under 4860
division (G) of this section to the property owner and to any 4861
persons to whom the property owner sold or transferred the rights 4862
to the credit shall equal the lesser of the following: 4863

(a) Ten per cent of the adjusted development costs; 4864

(b) Five per cent of the adjusted development costs plus any 4865
amount by which the property owner's share of the increase in tax 4866
collections since the date the project was certified exceeds five 4867
per cent of the adjusted development costs; 4868

(c) The estimated credit amount specified in the tax credit authority's statement certifying the project and preliminarily approving the tax credit under division (C) of this section.

(2) The value of a tax credit certificate issued under division (G) of this section to an insurance company that contributed capital to the project shall equal the lesser of the following:

(a) Ten per cent of the insurance company's actual capital contribution;

(b) Five per cent of such capital contribution plus any amount by which the insurance company's share of the increase in tax collections since the date the project was certified exceeds five per cent of the insurance company's capital contribution;

(c) The estimated credit amount specified in the tax credit authority's statement certifying the project and preliminarily approving the tax credit under division (C) of this section.

(I) If the tax credit authority granted a request by the property owner under division (F) of this section, the value of the tax credit certificates issued in connection with the transformational mixed use development project shall be computed as follows:

(1) For the property owner or any person to which the property owner sold or transferred the rights to the credit, ten per cent of the actual development costs attributed to the project. If the amount of the credit is less than the credit amount estimated under division (C) of this section and the property owner sold or transferred the rights to the credit to more than one person, the authority shall reduce the amount of each tax credit certificate on a pro rata basis unless the property owner requests an alternative allocation of the credit.

(2) For an insurance company that contributed capital to the

project, ten per cent of the insurance company's actual capital contribution. 4900
4901

(J) If the value of a tax credit certificate was computed 4902
under division (H) of this section for a project, the property 4903
owner, on or before the thirtieth day following the first, second, 4904
third, fourth, and fifth anniversaries of the date the certified 4905
transformational mixed use development project is completed, may 4906
request in writing that the tax credit authority update the 4907
increase in tax collections during the completion period. Upon 4908
receiving such a request, the tax credit authority shall update 4909
the increase in tax collections in the same manner described by 4910
division (G) of this section. If the tax credit authority 4911
determines that the value of the tax credit certificates computed 4912
under division (H) of this section would be greater if computed 4913
based on the updated increase in tax collections, the authority 4914
shall issue an additional tax credit certificate to each person 4915
that previously received a certificate for the project under those 4916
divisions. The value of each additional tax credit certificate 4917
shall equal the amount by which the tax credit certificate 4918
computed under division (H) of this section upon completion of the 4919
project would have been greater had the value of such certificate 4920
been computed based on the updated increase in tax collections, 4921
less the value of any additional tax credit certificates 4922
previously issued under this division to the same person 4923
respecting the same project. 4924

(K) The aggregate value of all tax credit certificates issued 4925
under this section for the same transformational mixed use 4926
development project shall not exceed (1) ten per cent of the 4927
actual development costs of that project or (2) the sum of all 4928
estimated credit amounts preliminarily approved by the tax credit 4929
authority in connection with the project. 4930

(L) Issuance of a tax credit certificate under this section 4931

does not represent a verification or certification by the tax 4932
credit authority of the actual development costs of the project or 4933
the capital contributions to the project by an insurance company. 4934
Such amounts are subject to inspection and examination by the 4935
superintendent of insurance. 4936

(M) Upon the issuance of a tax credit certificate under 4937
division (G) or (J) of this section, the tax credit authority 4938
shall certify to the superintendent of insurance (1) the name of 4939
each person that was issued a tax credit certificate, (2) whether 4940
the person is the property owner, an insurance company that 4941
contributed capital to the development, or a person that acquired 4942
the rights to the tax credit certificate from the property owner, 4943
(3) the credit amount shown on each tax credit certificate, and 4944
(4) any other information required by the rules adopted under this 4945
section. A person that holds the rights to a tax credit 4946
certificate issued under this section and that is an insurance 4947
company may claim a tax credit under section 5725.35 or 5729.18 of 4948
the Revised Code. 4949

(N) The tax credit authority shall publish information about 4950
each transformational mixed use development on the web site of the 4951
department of development ~~services agency~~ not later than the first 4952
day of August following certification of the project. The tax 4953
credit authority shall update the published information annually 4954
until the project is complete and the credit or credits are fully 4955
claimed. The published information shall include all of the 4956
following: 4957

(1) The location of the transformational mixed use 4958
development and the name by which it is known; 4959

(2) The estimated schedule for progression and completion of 4960
the project included in the development plan pursuant to division 4961
(B) (4) of this section; 4962

(3) The assessment of the projected economic impact of the project included in the development plan pursuant to division (B) (5) of this section;

(4) The evidence supporting the estimated increase in tax collections included in the development plan pursuant to division (B) (6) of this section, except that the tax credit authority may omit any proprietary or sensitive information included in such evidence;

(5) The estimated development costs that have been or will be incurred in completion of the project and, if applicable, the amount of the insurance company's capital contribution to the development and the date on which it was made, as reported in the development plan pursuant to divisions (B) (3) and (7) of this section;

(6) A copy of each report submitted to the tax credit authority by the applicant under division (D) of this section.

(O) The director, in accordance with Chapter 119. of the Revised Code, shall adopt rules that establish all of the following:

(a) The applicant or an affiliate of the applicant is 5145
licensed as a rural business investment company under 7 U.S.C. 5146
2009cc, or as a small business investment company under 15 U.S.C. 5147
681. 5148

(b) As of the date the application is submitted, the 5149
applicant has invested more than one hundred million dollars in 5150
operating companies, including at least fifty million dollars in 5151
operating companies located in rural areas. In computing 5152
investments under this division, the applicant may include 5153
investments made by affiliates of the applicant and investments 5154
made in businesses that are not operating companies but would 5155
qualify as operating companies if the principal business 5156
operations were located in this state. 5157

(3) The industries in which the applicant proposes to make 5158
growth investments and the percentage of the growth investments 5159
that will be made in each industry. The applicant shall identify 5160
each industry by using the codes utilized by the north American 5161
industry classification system. 5162

(4) An estimate of the number of new full-time equivalent 5163
employees and retained full-time equivalent employees that will 5164
result from the applicant's growth investments; 5165

(5) A revenue impact assessment for the applicant's proposed 5166
growth investments prepared by a nationally recognized third-party 5167
independent economic forecasting firm using a dynamic economic 5168
forecasting model. The revenue impact assessment shall analyze the 5169
applicant's business plan over the ten years following the date 5170
the application is submitted to the agency. 5171

(6) A signed affidavit from each investor successfully 5172
solicited by the applicant to make a credit eligible capital 5173
contribution in support of the business plan. Each affidavit shall 5174

include information sufficient for the agency and the 5175
superintendent of insurance to identify the investor and shall 5176
state the amount of the investor's credit-eligible capital 5177
contribution. 5178

(7) A nonrefundable application fee of five thousand dollars. 5179

(B) (1) Except as provided in division (B) (2) of this section, 5180
the agency shall review and make a determination with respect to 5181
each application submitted under division (A) of this section 5182
within sixty days of receipt. The agency shall review and make 5183
determinations on the applications in the order in which the 5184
applications are received by the agency. Applications received by 5185
the agency on the same day shall be deemed to have been received 5186
simultaneously. The agency shall approve not more than 5187
seventy-five million dollars in eligible investment authority and 5188
not more than forty-five million dollars in credit-eligible 5189
capital contributions under this section for program one rural 5190
business growth funds. The agency shall approve not more than 5191
seventy-five million dollars in eligible investment authority and 5192
not more than forty-five million dollars in credit-eligible 5193
contributions under this section for program two rural business 5194
growth funds. 5195

(2) If the agency denies an application for certification as 5196
a fund, and approving a subsequently submitted application would 5197
result in exceeding the dollar limitation on eligible investment 5198
authority or credit-eligible contributions prescribed by division 5199
(B) (1) of this section assuming the previously denied application 5200
were completed, clarified, or cured under division (D) of this 5201
section, the agency shall refrain from making a determination on 5202
the subsequently submitted application until the previously denied 5203
application is reconsidered or the fifteen-day period for 5204
submitting additional information respecting that application has 5205
passed, whichever comes first. 5206

(C) The agency shall deny an application submitted under this section if any of the following are true:

(1) The application is incomplete.

(2) The application fee is not paid in full.

(3) The applicant does not satisfy all the criteria described in division (A) (2) of this section.

(4) The revenue impact assessment submitted under division (A) (5) of this section does not demonstrate that the applicant's business plan will result in a positive economic impact on this state over a ten-year period that exceeds the cumulative amount of tax credits that would be issued under section 122.152 of the Revised Code if the application were approved.

(5) The credit-eligible capital contributions described in affidavits submitted under division (A) (6) of this section do not equal sixty per cent of the total amount of eligible investment authority sought under the applicant's business plan.

(6) The agency has already approved the maximum total eligible investment authority and credit-eligible capital contributions allowed under division (B) of this section.

(D) If the agency denies an application under division (C) of this section, the agency shall send notice of its determination to the applicant. The notice shall include the reason or reasons that the application was denied. If the application was denied for any reason other than the reason specified in division (C) (6) of this section, the applicant may provide additional information to the agency to complete, clarify, or cure defects in the application. The additional information must be submitted within fifteen days after the date the notice of denial was dispatched by the agency. If the person submits additional information within fifteen days, the agency shall reconsider the application within thirty days after receiving the additional information. The application shall

be reviewed and considered before any pending application 5238
submitted after the original submission date of the reconsidered 5239
application. If the person does not submit additional information 5240
within fifteen days after dispatch of the notice of denial, the 5241
person may submit a new application with a new submission date at 5242
any time. 5243

(E) If approving multiple simultaneously submitted 5244
applications would result in exceeding the overall eligible 5245
investment limit prescribed by division (B) of this section, the 5246
agency shall proportionally reduce the eligible investment 5247
authority and the credit-eligible capital contributions for each 5248
approved application as necessary to avoid exceeding the limit. 5249

(F) The agency shall not deny a rural business growth fund 5250
application or reduce the requested eligible investment authority 5251
for reasons other than those described in divisions (C) and (E) of 5252
this section. If the agency approves such an application, the 5253
agency shall issue a written notice to the applicant certifying 5254
that the applicant qualifies as a rural business growth fund and 5255
specifying the amount of the applicant's eligible investment 5256
authority. 5257

(G) A fund shall do all of the following within sixty days 5258
after receiving the certification issued under division (F) of 5259
this section: 5260

(1) Collect the credit-eligible capital contributions from 5261
each investor whose affidavit was included in the application. If 5262
the rural business growth fund's requested eligible investment 5263
authority is proportionally reduced under division (E) of this 5264
section, the investor's required credit-eligible capital 5265
contribution shall be reduced by the same proportion. 5266

(2) Collect one or more investments of cash that, when added 5267
to the contributions collected under division (G) (1) of this 5268

section, equal the fund's eligible investment authority. At least 5269
ten per cent of the fund's eligible investment authority shall be 5270
comprised of equity investments contributed directly or indirectly 5271
by affiliates of the fund, including employees, officers, and 5272
directors of such affiliates. 5273

(H) Within sixty-five days after receiving the certification 5274
issued under division (F) (1) of this section, the fund shall send 5275
to the agency documentation sufficient to prove that the amounts 5276
described in divisions (G) (1) and (2) of this section have been 5277
collected. The fund shall identify any affiliate of an investor 5278
described in division (G) (1) of this section that will seek to 5279
claim the credit allowed by section 122.152 of the Revised Code. 5280
If the fund fails to fully comply with division (G) of this 5281
section, the fund's certification shall lapse. 5282

Eligible investment authority and corresponding 5283
credit-eligible capital contributions that lapse under this 5284
division do not count toward limits on total eligible investment 5285
authority and credit-eligible capital contributions prescribed by 5286
division (B) of this section. Once eligible investment authority 5287
has lapsed, the agency shall first award lapsed authority pro rata 5288
to each fund that was awarded less than the requested eligible 5289
investment authority because of the operation of division (E) of 5290
this section. Any remaining eligible investment authority may be 5291
awarded by the agency to new applicants. 5292

(I) After receiving documentation sufficient to prove that 5293
the amounts described in divisions (G) (1) and (2) of this section 5294
have been collected, the agency shall issue the following notices: 5295

(1) To each investor or affiliate identified in division (H) 5296
of this section, a notice of the amount and utilization schedule 5297
of the tax credits allocated to that investor or affiliate as a 5298
result of its credit-eligible capital contribution; 5299

(2) To the superintendent of insurance, a notice of the amount and utilization schedule of the tax credits allocated to each investor described in division (G) (1) of this section and any affiliate of such investor who will seek to claim the credit allowed by section 122.152 of the Revised Code.

(J) Application fees submitted to the agency pursuant to division (A) (7) of this section shall be credited to the tax incentives operating fund created under section 122.174 of the Revised Code, and shall be used by the agency to administer sections 122.15 to 122.156 of the Revised Code.

Sec. 122.153. (A) The department of development services agency shall not be required to issue a tax credit certificate under section 122.152 of the Revised Code if either of the fund in which the following applies:

(1) The credit-eligible capital contribution was made does not invest in a program one rural business growth fund that fails to:

(a) Invest fifty per cent of its eligible investment authority in growth investments within one year of the closing date; and

(b) Invest one hundred per cent of its eligible investment authority in growth investments in this state within two years of the closing date.

(2) The credit eligible contribution was made in a program two rural business growth fund that fails to:

(a) Invest twenty-five per cent of its eligible investment authority in growth investments within one year of the closing date;

(b) Invest fifty per cent of its eligible investment authority in growth investments within two years of the closing

date; and 5330

(c) Invest one hundred per cent of its eligible investment 5331
authority in growth investments within three years of the closing 5332
date, including seventy-five per cent of its eligible investment 5333
authority in rural business concerns that have their principal 5334
business operations in tier two or tier three rural areas, and 5335
twenty-five per cent of its eligible investment authority in rural 5336
business concerns that have their principal business operations in 5337
tier three rural areas. The amount by which a rural business 5338
growth fund's growth investments in rural business concerns that 5339
have their principal business operations in tier one rural areas 5340
exceeds twenty-five per cent of the fund's eligible investment 5341
authority shall not count towards the satisfaction of the 5342
requirements prescribed by division (A) (2) (c) of this section. 5343

(B) The agency shall recapture tax credits claimed under 5344
section 122.152 of the Revised Code if any of the following occur 5345
with respect to the rural business growth fund: 5346

(1) The fund, after investing one hundred per cent of its 5347
eligible investment authority in growth investments in this state, 5348
fails to maintain that investment until the sixth anniversary of 5349
the closing date. For the purposes of this division, an investment 5350
is maintained even if the investment is sold or repaid so long as 5351
the fund reinvests an amount equal to the capital returned or 5352
recovered by the fund from the original investment, exclusive of 5353
any profits realized, in other growth investments in this state 5354
within one year of the receipt of such capital. 5355

(2) The fund makes a distribution or payment after the fund 5356
complies with division (G) of section 122.151 of the Revised Code 5357
and before the fund decertifies under division (D) of this section 5358
that results in the fund having less than one hundred per cent of 5359
its eligible investment authority invested in growth investments 5360
in this state. 5361

(3) The fund makes a growth investment in a rural business concern that directly or indirectly through an affiliate owns, has the right to acquire an ownership interest, makes a loan to, or makes an investment in the fund, an affiliate of the fund, or an investor in the fund. Division (A)(3) of this section does not apply to investments in publicly traded securities by a rural business concern or an owner or affiliate of a rural business concern.

Before recapturing one or more tax credits under this division, the agency shall notify the fund of the reasons for the pending recapture. If the fund corrects the violations outlined in the notice to the satisfaction of the agency within thirty days of the date the notice was dispatched, the agency shall not recapture the tax credits.

~~(C)(1)~~ (1) The amount by which one or more growth investments by a ~~fund~~ program one rural business growth fund in the same rural business concern exceeds twenty per cent of the fund's eligible investment authority shall not be counted as a growth investment for the purposes of this section. The amount by which one or more growth investments by a program two rural business growth fund in the same business concern exceeds five million dollars shall not be counted as a growth investment for the purposes of this section. A growth investment returned or repaid by a rural business concern to a program one or program two rural business growth fund and then reinvested by the fund in the same rural business concern does not count as an investment in the same rural business concern for the purposes of the limitations prescribed by division (C)(1) of this section.

(2) The aggregate amount of growth investments by all rural business growth funds in the same rural business concern, including amounts reinvested in a rural business concern following a returned or repayment of a growth investment, shall not exceed

fifteen million dollars. 5394

(3) A growth investment in an affiliate of a rural business 5395
concern shall be treated as a growth investment in that rural 5396
business concern for the purposes of ~~this~~ division (C) of this 5397
section. 5398

(D) If the agency recaptures a tax credit under this section, 5399
the agency shall notify the superintendent of insurance of the 5400
recapture. The superintendent shall make an assessment under 5401
Chapter 5725. or 5729. of the Revised Code for the amount of the 5402
credit claimed by each certificate owner associated with the fund 5403
before the recapture was finalized. The time limitations on 5404
assessments under those chapters do not apply to an assessment 5405
under this division, but the superintendent shall make the 5406
assessment within one year after the date the agency notifies the 5407
superintendent of the recapture. Following the recapture of a tax 5408
credit under this section, no tax credit certificate associated 5409
with the fund may be utilized. Notwithstanding division (B) of 5410
section 122.152 of the Revised Code, if a tax credit is recaptured 5411
under this section the agency shall not issue future tax credit 5412
certificates to taxpayers that made credit-eligible capital 5413
contributions to the fund. 5414

(E) (1) On or after the sixth anniversary of the closing date, 5415
a fund that has not committed any of the acts described in 5416
division (B) of this section may apply to the agency to decertify 5417
as a rural business growth fund. The agency shall respond to the 5418
application within sixty days after receiving the application. In 5419
evaluating the application, the fact that no tax credit has been 5420
recaptured with respect to the fund shall be sufficient evidence 5421
to prove that the fund is eligible for decertification. The agency 5422
shall not unreasonably deny an application submitted under this 5423
division. 5424

(2) The agency shall send notice of its determination with 5425

respect to an application submitted under division (E)(1) of this section to the fund. If the application is denied, the notice shall include the reason or reasons for the determination.

(3) The agency shall not recapture a tax credit due to any actions of a fund that occur after the date the fund's application for decertification is approved. Division (E)(3) of this section does not prohibit the agency from recapturing a tax credit due to the actions of a fund that occur before the date the fund's application for decertification is approved, even if those actions are discovered after that date.

Sec. 122.154. (A) Each rural business growth fund shall submit a report to the department of development services agency on or before the first day of each March following the end of the calendar year that includes the closing date until the calendar year after the fund has decertified. The report shall provide an itemization of the fund's growth investments and shall include the following documents and information:

(1) A bank statement evidencing each growth investment;

(2) The name, location, and industry class of each business that received a growth investment from the fund and evidence that the business qualified as a rural business concern at the time the investment was made. If the fund obtained a written opinion from the agency on the business's status as a rural business concern under section 122.156 of the Revised Code, or if the fund makes a written request for such an opinion and the agency failed to respond within thirty days as required by that section, a copy of the agency's favorable opinion or a dated copy of the fund's unanswered request, as applicable, shall be sufficient evidence that the business qualified as a rural business concern at the time the investment was made.

(3) The number of employment positions that existed at each

business described in division (A) (2) of this section on the date 5457
the business received the growth investment; 5458

(4) The number of new full-time equivalent employees 5459
resulting from each of the fund's growth investments made or 5460
maintained in the preceding calendar year; 5461

(5) Any other information required by the agency. 5462

(B) Each fund shall submit a report to the agency on or 5463
before the fifth business day after the first ~~and~~, second, and for 5464
program two funds, third anniversaries of the closing date that 5465
provides documentation sufficient to prove that the fund has met 5466
the investment thresholds described in division (A) of section 5467
122.153 of the Revised Code and has not implicated any of the 5468
other recapture provisions described in division (B) of that 5469
section. 5470

(C) Each certified rural business growth fund shall pay the 5471
agency an annual fee of twenty thousand dollars. The initial 5472
annual fee required of a fund shall be due and payable to the 5473
agency along with the submission of documentation required under 5474
division (H) of section 122.151 of the Revised Code. Each 5475
subsequent annual fee is due and payable on the last day of 5476
February following the first and each ensuing anniversary of the 5477
closing date. If the fund is required to submit an annual report 5478
under division (A) of this section, the annual fee shall be 5479
submitted along with the report. No fund shall be required to pay 5480
an annual fee after the fund has decertified under section 122.153 5481
of the Revised Code. Annual fees paid to the agency under this 5482
section shall be credited to the tax incentives operating fund 5483
created under section 122.174 of the Revised Code. 5484

(D) The director of development ~~services~~, after consultation 5485
with the superintendent of insurance and in accordance with 5486
Chapter 119. of the Revised Code, may adopt rules necessary to 5487

implement sections 122.15 to 122.156 of the Revised Code. 5488

Sec. 122.156. A rural business growth fund, before investing 5489
in a business, may request a written opinion from the department 5490
of development services agency as to whether the business 5491
qualifies as a rural business concern based on the criteria 5492
prescribed by section 122.15 of the Revised Code. The request 5493
shall be submitted in a form prescribed by rule of the agency. The 5494
agency shall issue a written opinion to the fund within thirty 5495
business days of receiving such a request. Notwithstanding 5496
division ~~(H)~~(J) of section 122.15 of the Revised Code, if the 5497
agency determines that the business qualifies as a rural business 5498
concern or if the agency fails to timely issue the written opinion 5499
as required under this section, the business shall be considered a 5500
rural business concern for the purposes of sections 122.15 to 5501
122.156 of the Revised Code. 5502

the extent such payroll is not used to determine the credit under 5508
section 122.171 of the Revised Code. "Payroll" excludes amounts 5509

authority. 5619

(C) (1) A taxpayer or potential taxpayer who proposes a 5620
project to create new jobs in this state may apply to the tax 5621
credit authority to enter into an agreement for a tax credit under 5622
this section. 5623

An application shall not propose to include both home-based 5624
employees and employees who are not home-based employees in the 5625
computation of Ohio employee payroll for the purposes of the same 5626
tax credit agreement, except that a qualifying work-from-home 5627
employee shall not be considered to be a home-based employee 5628
unless so designated by the applicant. If a taxpayer or potential 5629
taxpayer employs both home-based employees and employees who are 5630
not home-based employees in a project, the taxpayer shall submit 5631
separate applications for separate tax credit agreements for the 5632
project, one of which shall include home-based employees in the 5633
computation of Ohio employee payroll and one of which shall 5634
include all other employees in the computation of Ohio employee 5635
payroll. 5636

The director of development ~~services~~ shall prescribe the form 5637
of the application. After receipt of an application, the authority 5638
may enter into an agreement with the taxpayer for a credit under 5639

this section if it determines all of the following: 5640

(a) The taxpayer's project will increase payroll; 5641

(b) The taxpayer's project is economically sound and will 5642
benefit the people of this state by increasing opportunities for 5643
employment and strengthening the economy of this state; 5644

(c) Receiving the tax credit is a major factor in the 5645
taxpayer's decision to go forward with the project. 5646

(2) (a) A taxpayer that chooses to begin the project prior to 5647
receiving the determination of the authority may, upon submitting 5648
the taxpayer's application to the authority, request that the 5649
chief investment officer of the nonprofit corporation formed under 5650
section 187.01 of the Revised Code and the director review the 5651
taxpayer's application and recommend to the authority that the 5652
taxpayer's application be considered. As soon as possible after 5653
receiving such a request, the chief investment officer and the 5654
director shall review the taxpayer's application and, if they 5655
determine that the application warrants consideration by the 5656
authority, make that recommendation to the authority not later 5657
than six months after the application is received by the 5658
authority. 5659

(b) The authority shall consider any taxpayer's application 5660
for which it receives a recommendation under division (C) (2) (a) of 5661
this section. If the authority determines that the taxpayer does 5662
not meet all of the criteria set forth in division (C) (1) of this 5663
section, the authority and the department of development services 5664
~~agency~~ shall proceed in accordance with rules adopted by the 5665
director pursuant to division (I) of this section. 5666

(D) An agreement under this section shall include all of the 5667
following: 5668

(1) A detailed description of the project that is the subject 5669
of the agreement; 5670

(2) (a) The term of the tax credit, which, except as provided 5671
in division (D) (2) (b) or (C) of this section, shall not exceed 5672
fifteen years, and the first taxable year, or first calendar year 5673
that includes a tax period, for which the credit may be claimed; 5674

(b) If the tax credit is computed on the basis of home-based 5675
employees, the term of the credit shall expire on or before the 5676
last day of the taxable or calendar year ending before the 5677
beginning of the seventh year after September 6, 2012, the 5678
effective date of H.B. 327 of the 129th general assembly. 5679

(c) If the taxpayer is a megaproject operator or a 5680
megaproject supplier, the term of the tax credit shall not exceed 5681
thirty years. 5682

(3) A requirement that the taxpayer shall maintain operations 5683
at the project location for at least the greater of seven years or 5684
the term of the credit plus three years; 5685

(4) The percentage, as determined by the tax credit 5686
authority, of excess payroll that will be allowed as the amount of 5687
the credit for each taxable year or for each calendar year that 5688
includes a tax period; 5689

(5) The pay increase factor to be applied to the taxpayer's 5690
baseline payroll; 5691

(6) A requirement that the taxpayer annually shall report to 5692
the director of development ~~services~~ full-time equivalent 5693
employees, payroll, Ohio employee payroll, investment, the 5694
provision of health care benefits and tuition reimbursement if 5695
required in the agreement, and other information the director 5696
needs to perform the director's duties under this section; 5697

(7) A requirement that the director of development ~~services~~ 5698
annually review the information reported under division (D) (6) of 5699
this section and verify compliance with the agreement; if the 5700
taxpayer is in compliance, a requirement that the director issue a 5701

certificate to the taxpayer stating that the information has been 5702
verified and identifying the amount of the credit that may be 5703
claimed for the taxable or calendar year⁷. If the taxpayer is a 5704
megaproject supplier, the director shall issue such a certificate 5705
to the supplier and to any megaproject operator (a) to which the 5706
supplier directly sells tangible personal property and (b) that is 5707
authorized to claim the credit pursuant to division (D)(10) of 5708
this section. 5709

(8) A provision providing that the taxpayer may not relocate 5710
a substantial number of employment positions from elsewhere in 5711
this state to the project location unless the director of 5712
development ~~services~~ determines that the legislative authority of 5713
the county, township, or municipal corporation from which the 5714
employment positions would be relocated has been notified by the 5715
taxpayer of the relocation. 5716

For purposes of this section, the movement of an employment 5717
position from one political subdivision to another political 5718
subdivision shall be considered a relocation of an employment 5719
position unless the employment position in the first political 5720
subdivision is replaced. The movement of a qualifying 5721
work-from-home employee to a different residence located in this 5722
state or to the project location shall not be considered a 5723
relocation of an employment position. 5724

(9) If the tax credit is computed on the basis of home-based 5725
employees, that the tax credit may not be claimed by the taxpayer 5726
until the taxable year or tax period in which the taxpayer employs 5727
at least two hundred employees more than the number of employees 5728
the taxpayer employed on June 30, 2011; 5729

(10) If the taxpayer is a megaproject supplier, the 5730
percentage of the annual tax credit certified under division 5731
(D)(7) of this section, up to one hundred per cent, that may be 5732
claimed by each megaproject operator to which the supplier 5733

directly sells tangible personal property, rather than by that 5734
supplier, on the condition that the megaproject operator continues 5735
to qualify as a megaproject operator; 5736

(11) If the taxpayer is a megaproject operator or megaproject 5737
supplier, a requirement that the taxpayer continue to qualify as a 5738
megaproject operator or megaproject supplier, respectively, until 5739
the end of the last year for which the taxpayer qualifies for the 5740
credit authorized under this section. 5741

(E) If a taxpayer fails to meet or comply with any condition 5742
or requirement set forth in a tax credit agreement, the tax credit 5743
authority may amend the agreement to reduce the percentage or term 5744
of the tax credit. The reduction of the percentage or term may 5745
take effect in the current taxable or calendar year. 5746

(F) Projects that consist solely of point-of-final-purchase 5747
retail facilities are not eligible for a tax credit under this 5748
section. If a project consists of both point-of-final-purchase 5749
retail facilities and nonretail facilities, only the portion of 5750
the project consisting of the nonretail facilities is eligible for 5751
a tax credit and only the excess payroll from the nonretail 5752
facilities shall be considered when computing the amount of the 5753
tax credit. If a warehouse facility is part of a 5754
point-of-final-purchase retail facility and supplies only that 5755
facility, the warehouse facility is not eligible for a tax credit. 5756
Catalog distribution centers are not considered 5757
point-of-final-purchase retail facilities for the purposes of this 5758
division, and are eligible for tax credits under this section. 5759

(G) Financial statements and other information submitted to 5760
the department of development services agency or the tax credit 5761
authority by an applicant or recipient of a tax credit under this 5762
section, and any information taken for any purpose from such 5763
statements or information, are not public records subject to 5764
section 149.43 of the Revised Code. However, the chairperson of 5765

the authority may make use of the statements and other information 5766
for purposes of issuing public reports or in connection with court 5767
proceedings concerning tax credit agreements under this section. 5768
Upon the request of the tax commissioner or, if the applicant or 5769
recipient is an insurance company, upon the request of the 5770
superintendent of insurance, the chairperson of the authority 5771
shall provide to the commissioner or superintendent any statement 5772
or information submitted by an applicant or recipient of a tax 5773
credit in connection with the credit. The commissioner or 5774
superintendent shall preserve the confidentiality of the statement 5775
or information. 5776

(H) A taxpayer claiming a credit under this section shall 5777
submit to the tax commissioner or, if the taxpayer is an insurance 5778
company, to the superintendent of insurance, a copy of the 5779
director of ~~development services~~ development's certificate of 5780
verification under division (D) (7) of this section with the 5781
taxpayer's tax report or return for the taxable year or for the 5782
calendar year that includes the tax period. Failure to submit a 5783
copy of the certificate with the report or return does not 5784
invalidate a claim for a credit if the taxpayer submits a copy of 5785
the certificate to the commissioner or superintendent within the 5786
time prescribed by section 5703.0510 of the Revised Code or within 5787
thirty days after the commissioner or superintendent requests it. 5788

(I) The director of development ~~services~~, after consultation 5789
with the tax commissioner and the superintendent of insurance and 5790
in accordance with Chapter 119. of the Revised Code, shall adopt 5791
rules necessary to implement this section, including rules that 5792
establish a procedure to be followed by the tax credit authority 5793
and the department of development ~~services agency~~ in the event the 5794
authority considers a taxpayer's application for which it receives 5795
a recommendation under division (C) (2) (a) of this section but does 5796
not approve it. The rules may provide for recipients of tax 5797

credits under this section to be charged fees to cover 5798
administrative costs of the tax credit program. For the purposes 5799
of these rules, a qualifying work-from-home employee shall be 5800
considered to be an employee employed at the applicant's project 5801
location. The fees collected shall be credited to the tax 5802
incentives operating fund created in section 122.174 of the 5803
Revised Code. At the time the director gives public notice under 5804
division (A) of section 119.03 of the Revised Code of the adoption 5805
of the rules, the director shall submit copies of the proposed 5806
rules to the chairpersons of the standing committees on economic 5807
development in the senate and the house of representatives. 5808

(J) For the purposes of this section, a taxpayer may include 5809
a partnership, a corporation that has made an election under 5810
subchapter S of chapter one of subtitle A of the Internal Revenue 5811
Code, or any other business entity through which income flows as a 5812
distributive share to its owners. A partnership, S-corporation, or 5813
other such business entity may elect to pass the credit received 5814
under this section through to the persons to whom the income or 5815
profit of the partnership, S-corporation, or other entity is 5816
distributed. The election shall be made on the annual report 5817
required under division (D)(6) of this section. The election 5818
applies to and is irrevocable for the credit for which the report 5819
is submitted. If the election is made, the credit shall be 5820
apportioned among those persons in the same proportions as those 5821
in which the income or profit is distributed. 5822

(K) (1) If the director of development ~~services~~ determines 5823
that a taxpayer who has received a credit under this section is 5824
not complying with the requirements of the agreement, the director 5825
shall notify the tax credit authority of the noncompliance. After 5826
receiving such a notice, and after giving the taxpayer an 5827
opportunity to explain the noncompliance, the tax credit authority 5828
may require the taxpayer to refund to this state a portion of the 5829

credit in accordance with the following: 5830

(a) If the taxpayer fails to comply with the requirement 5831
under division (D)(3) of this section, an amount determined in 5832
accordance with the following: 5833

(i) If the taxpayer maintained operations at the project 5834
location for a period less than or equal to the term of the 5835
credit, an amount not exceeding one hundred per cent of the sum of 5836
any credits allowed and received under this section; 5837

(ii) If the taxpayer maintained operations at the project 5838
location for a period longer than the term of the credit, but less 5839
than the greater of seven years or the term of the credit plus 5840
three years, an amount not exceeding seventy-five per cent of the 5841
sum of any credits allowed and received under this section. 5842

(b) If, on the metric evaluation date, the taxpayer fails to 5843
substantially meet the job creation, payroll, or investment 5844
requirements included in the agreement, an amount determined at 5845
the discretion of the authority; 5846

(c) If the taxpayer fails to substantially maintain the 5847
number of new full-time equivalent employees or amount of payroll 5848
required under the agreement at any time during the term of the 5849
agreement after the metric evaluation date, an amount determined 5850
at the discretion of the authority. 5851

(2) If a taxpayer files for bankruptcy and fails as described 5852
in division (K)(1)(a), (b), or (c) of this section, the director 5853
may immediately commence an action to recoup an amount not 5854
exceeding one hundred per cent of the sum of any credits received 5855
by the taxpayer under this section. 5856

(3) In determining the portion of the tax credit to be 5857
refunded to this state, the tax credit authority shall consider 5858
the effect of market conditions on the taxpayer's project and 5859
whether the taxpayer continues to maintain other operations in 5860

this state. After making the determination, the authority shall 5861
certify the amount to be refunded to the tax commissioner or 5862
superintendent of insurance, as appropriate. If the amount is 5863
certified to the commissioner, the commissioner shall make an 5864
assessment for that amount against the taxpayer under Chapter 5865
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 5866
amount is certified to the superintendent, the superintendent 5867
shall make an assessment for that amount against the taxpayer 5868
under Chapter 5725. or 5729. of the Revised Code. The time 5869
limitations on assessments under those chapters do not apply to an 5870
assessment under this division, but the commissioner or 5871
superintendent, as appropriate, shall make the assessment within 5872
one year after the date the authority certifies to the 5873
commissioner or superintendent the amount to be refunded. 5874

(L) On or before the first day of August each year, the 5875
director of development ~~services~~ shall submit a report to the 5876
governor, the president of the senate, and the speaker of the 5877
house of representatives on the tax credit program under this 5878
section. The report shall include information on the number of 5879
agreements that were entered into under this section during the 5880
preceding calendar year, a description of the project that is the 5881
subject of each such agreement, and an update on the status of 5882
projects under agreements entered into before the preceding 5883
calendar year. 5884

(M) There is hereby created the tax credit authority, which 5885
consists of the director of development ~~services~~ and four other 5886
members appointed as follows: the governor, the president of the 5887
senate, and the speaker of the house of representatives each shall 5888
appoint one member who shall be a specialist in economic 5889
development; the governor also shall appoint a member who is a 5890
specialist in taxation. Terms of office shall be for four years. 5891
Each member shall serve on the authority until the end of the term 5892

for which the member was appointed. Vacancies shall be filled in 5893
the same manner provided for original appointments. Any member 5894
appointed to fill a vacancy occurring prior to the expiration of 5895
the term for which the member's predecessor was appointed shall 5896
hold office for the remainder of that term. Members may be 5897
reappointed to the authority. Members of the authority shall 5898
receive their necessary and actual expenses while engaged in the 5899
business of the authority. The director of development ~~services~~ 5900
shall serve as chairperson of the authority, and the members 5901
annually shall elect a vice-chairperson from among themselves. 5902
Three members of the authority constitute a quorum to transact and 5903
vote on the business of the authority. The majority vote of the 5904
membership of the authority is necessary to approve any such 5905
business, including the election of the vice-chairperson. 5906

The director of development ~~services~~ may appoint a 5907
professional employee of the department of development ~~services~~ 5908
~~agency~~ to serve as the director's substitute at a meeting of the 5909
authority. The director shall make the appointment in writing. In 5910
the absence of the director from a meeting of the authority, the 5911
appointed substitute shall serve as chairperson. In the absence of 5912
both the director and the director's substitute from a meeting, 5913
the vice-chairperson shall serve as chairperson. 5914

(N) For purposes of the credits granted by this section 5915
against the taxes imposed under sections 5725.18 and 5729.03 of 5916
the Revised Code, "taxable year" means the period covered by the 5917
taxpayer's annual statement to the superintendent of insurance. 5918

(O) On or before the first day of March of each of the five 5919
calendar years beginning with 2014, each taxpayer subject to an 5920
agreement with the tax credit authority under this section on the 5921
basis of home-based employees shall report the number of 5922
home-based employees and other employees employed by the taxpayer 5923
in this state to the department of development ~~services~~ ~~agency~~. 5924

(P) On or before the first day of January of 2019, the 5925
director of development ~~services~~ shall submit a report to the 5926
governor, the president of the senate, and the speaker of the 5927
house of representatives on the effect of agreements entered into 5928
under this section in which the taxpayer included home-based 5929
employees in the computation of income tax revenue, as that term 5930
was defined in this section prior to the amendment of this section 5931
by H.B. 64 of the 131st general assembly. The report shall include 5932
information on the number of such agreements that were entered 5933
into in the preceding six years, a description of the projects 5934
that were the subjects of such agreements, and an analysis of 5935
nationwide home-based employment trends, including the number of 5936
home-based jobs created from July 1, 2011, through June 30, 2017, 5937
and a description of any home-based employment tax incentives 5938
provided by other states during that time. 5939

(Q) The director of development ~~services~~ may require any 5940
agreement entered into under this section for a tax credit 5941
computed on the basis of home-based employees to contain a 5942
provision that the taxpayer makes available health care benefits 5943
and tuition reimbursement to all employees. 5944

(R) Original agreements approved by the tax credit authority 5945
under this section in 2014 or 2015 before September 29, 2015, may 5946
be revised at the request of the taxpayer to conform with the 5947
amendments to this section and sections 5733.0610, 5736.50, 5948
5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st 5949
general assembly, upon mutual agreement of the taxpayer and the 5950
department of development ~~services~~ ~~agency~~, and approval by the tax 5951
credit authority. 5952

(S) (1) As used in division (S) of this section: 5953

(a) "Eligible agreement" means an agreement approved by the 5954
tax credit authority under this section on or before December 31, 5955
2013. 5956

(b) ~~"Reporting period" means a period corresponding to the~~ 5957
~~annual report required under division (D) (6) of this section.~~ 5958

~~(e)~~ "Income tax revenue" has the same meaning as under this 5959
section as it existed before September 29, 2015, the effective 5960
date of the amendment of this section by H.B. 64 of the 131st 5961
general assembly. 5962

(2) In calendar year 2016 and thereafter, the tax credit 5963
authority shall annually determine a withholding adjustment factor 5964
to be used in the computation of income tax revenue for eligible 5965
agreements. The withholding adjustment factor shall be a numerical 5966
percentage that equals the percentage that employer income tax 5967
withholding rates have been increased or decreased as a result of 5968
changes in the income tax rates prescribed by section 5747.02 of 5969
the Revised Code by amendment of that section taking effect on or 5970
after June 29, 2013. 5971

(3) Except as provided in division (S) (4) of this section, 5972
for reporting periods ending in 2015 and thereafter for taxpayers 5973
subject to eligible agreements, the tax credit authority shall 5974
adjust the income tax revenue reported on the taxpayer's annual 5975
report by multiplying the withholding adjustment factor by the 5976
taxpayer's income tax revenue and doing one of the following: 5977

(a) If the income tax rates prescribed by section 5747.02 of 5978
the Revised Code have decreased by amendment of that section 5979
taking effect on or after June 29, 2013, add the product to the 5980
taxpayer's income tax revenue. 5981

(b) If the income tax rates prescribed by section 5747.02 of 5982
the Revised Code have increased by amendment of that section 5983
taking effect on or after June 29, 2013, subtract the product from 5984
the taxpayer's income tax revenue. 5985

(4) Division (S) (3) of this section shall not apply unless 5986
all of the following apply for the reporting period with respect 5987

to the eligible agreement: 5988

(a) The taxpayer has achieved one hundred per cent of the new 5989
employment commitment identified in the agreement. 5990

(b) If applicable, the taxpayer has achieved one hundred per 5991
cent of the new payroll commitment identified in the agreement. 5992

(c) If applicable, the taxpayer has achieved one hundred per 5993
cent of the investment commitment identified in the agreement. 5994

(5) Failure by a taxpayer to have achieved any of the 5995
applicable commitments described in divisions (S)(4)(a) to (c) of 5996
this section in a reporting period does not disqualify the 5997
taxpayer for the adjustment under division (S) of this section for 5998
an ensuing reporting period. 5999

(T) For reporting periods ending in calendar year 2020 or 6000
thereafter, any taxpayer may include qualifying work-from-home 6001
employees in its report required under division (D)(6) of this 6002
section, and the compensation of such employees shall qualify as 6003
Ohio employee payroll under division (A)(3)(a) of this section, 6004
even if the taxpayer's application to the tax credit authority to 6005
enter into an agreement for a tax credit under this section was 6006
approved before September 29, 2017, the effective date of the 6007
amendment of this section by H.B. 49 of the 132nd general 6008
assembly. 6009

(U) The director of development services shall notify the tax 6010
commissioner if the director determines that a megaproject 6011
operator or megaproject supplier is not in compliance with the 6012
agreement pursuant to a review conducted under division (D)(7) of 6013
this section. 6014

(V) Beginning in 2025 and in each fifth calendar year 6015
thereafter, the tax commissioner shall adjust the following 6016
amounts in September of that year: 6017

(1) The fixed-asset investment threshold described in 6018
division (A)(11)(c)(i) of this section and the Ohio employee 6019
payroll threshold described in division (A)(11)(c)(ii) of this 6020
section by completing the following calculations: 6021

(a) Determine the percentage increase in the gross domestic 6022
product deflator determined by the bureau of economic analysis of 6023
the United States department of commerce from the first day of 6024
January of the fifth preceding calendar year to the last day of 6025
December of the preceding calendar year; 6026

(b) Multiply that percentage increase by the fixed-asset 6027
investment threshold and the Ohio employee payroll threshold for 6028
the current year; 6029

(c) Add the resulting products to the corresponding 6030
fixed-asset investment threshold and Ohio employee payroll 6031
threshold for the current year; 6032

(d) Round the resulting fixed-asset investment sum to the 6033
nearest multiple of ten million dollars and the Ohio employee 6034
payroll sum to the nearest multiple of one million dollars. 6035

(2) The fixed-asset investment threshold described in 6036
division (A)(13)(a)(i) of this section and the Ohio employee 6037
payroll threshold described in division (A)(13)(a)(ii) of this 6038
section by completing the calculations described in divisions 6039
(V)(1)(a) to (c) of this section and rounding the resulting 6040
fixed-asset investment sum to the nearest multiple of one million 6041
dollars and the Ohio employee payroll sum to the nearest multiple 6042
of one hundred thousand dollars. 6043

The commissioner shall certify the amount of the adjustments 6044
under divisions (V)(1) and (2) of this section to the director of 6045
development services and to the tax credit authority not later 6046
than the first day of December of the year the commissioner 6047
computes the adjustment. Each certified amount applies to the 6048

ensuing calendar year and each calendar year thereafter until the 6049
tax commissioner makes a new adjustment. The tax commissioner 6050

resulting amount from the adjustment would be less than the 6052
corresponding amount for the current year. 6053

value of the capital investment project. The credit amount may not 6153
be based on the Ohio employee payroll for a calendar year before 6154
the calendar year in which the tax credit authority specifies the 6155
tax credit is to begin, and the credit shall be claimed only for 6156
the taxable years or tax periods specified in the eligible 6157

terminating before the date specified in the agreement. 6160

If a credit allowed under this section for a taxable year or 6161
tax period exceeds the taxpayer's tax liability for that year or 6162
period, the excess may be carried forward for the three succeeding 6163
taxable or calendar years, but the amount of any excess credit 6164
allowed in any taxable year or tax period shall be deducted from 6165
the balance carried forward to the succeeding year or period. 6166

(C) (1) A taxpayer that proposes a capital investment project 6167

The director of development ~~services~~ shall prescribe the form of 6170
the application. After receipt of an application, the authority 6171
shall forward copies of the application to the director of budget 6172

and management, the tax commissioner, and the superintendent of 6173
insurance in the case of an insurance company, each of whom shall 6174
review the application to determine the economic impact the 6175
proposed project would have on the state and the affected 6176
political subdivisions and shall submit a summary of their 6177
determinations to the authority. The authority shall also forward 6178
a copy of the application to the director of development ~~services~~, 6179
who shall review the application to determine the economic impact 6180
the proposed project would have on the state and the affected 6181
political subdivisions and shall submit a summary of the 6182
director's determinations and recommendations to the authority. 6183

(2) The director of development, in reviewing applications 6184
and making recommendations to the tax credit authority, and the 6185
authority, in selecting taxpayers with which to enter into an 6186
agreement under division (D) of this section, shall give priority 6187
to applications that meet one or more of the following criteria, 6188
with greater priority given to applications that meet more of the 6189
criteria: 6190

(a) Within the preceding five years, the applicant has not 6191
received a credit under this section or section 122.17 of the 6192
Revised Code for a project at the same project site as that 6193
proposed in the application. 6194

(b) The applicant is not currently receiving a credit under 6195
this section or section 122.17 of the Revised Code. 6196

(c) The applicant has operated at the project site for at 6197
least the preceding ten years. 6198

(d) The project involves a significant upgrade of the project 6199
site, rather than only routine maintenance of existing facilities, 6200
such as an increase in capacity of a facility, new product 6201
development, or technology upgrades or other facility 6202
modernization. 6203

(e) The applicant intends to use machinery, equipment, and materials supplied by Ohio businesses in the project when possible.

(D) Upon review and consideration of the determinations and, recommendations, and criteria described in division (C) of this section, the tax credit authority may enter into an agreement with the taxpayer for a credit under this section if the authority determines all of the following:

(1) The taxpayer's capital investment project will result in the retention of employment in this state.

(2) The taxpayer is economically sound and has the ability to complete the proposed capital investment project.

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project.

(E) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated.

(2) The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed.

(3) A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

(4) (a) If the taxpayer is engaged at the project site 6234
primarily in significant corporate administrative functions, a 6235
requirement that the taxpayer either retain at least five hundred 6236
full-time equivalent employees at the project site and within this 6237
state for the entire term of the credit, maintain an annual Ohio 6238
employee payroll of at least thirty-five million dollars for the 6239
entire term of the credit, or remain located in a foreign trade 6240
zone for the entire term of the credit; 6241

(b) If the taxpayer is engaged at the project site primarily 6242
as a manufacturer, a requirement that the taxpayer maintain at 6243
least the number of full-time equivalent employees specified in 6244
the agreement pursuant to division (E) (1) of this section at the 6245
project site and within this state for the entire term of the 6246
credit. 6247

(5) A requirement that the taxpayer annually report to the 6248
director of development ~~services~~ full-time equivalent employees, 6249
Ohio employee payroll, capital investment, and other information 6250
the director needs to perform the director's duties under this 6251
section. 6252

(6) A requirement that the director of development ~~services~~ 6253
annually review the annual reports of the taxpayer to verify the 6254
information reported under division (E) (5) of this section and 6255
compliance with the agreement. Upon verification, the director 6256
shall issue a certificate to the taxpayer stating that the 6257
information has been verified and identifying the amount of the 6258
credit for the taxable year or calendar year that includes the tax 6259
period. In determining the number of full-time equivalent 6260
employees, no position shall be counted that is filled by an 6261
employee who is included in the calculation of a tax credit under 6262
section 122.17 of the Revised Code. 6263

(7) A provision providing that the taxpayer may not relocate 6264
a substantial number of employment positions from elsewhere in 6265

this state to the project site unless the director of development 6266
~~services~~ determines that the taxpayer notified the legislative 6267
authority of the county, township, or municipal corporation from 6268
which the employment positions would be relocated. 6269

For purposes of this section, the movement of an employment 6270
position from one political subdivision to another political 6271
subdivision shall be considered a relocation of an employment 6272
position unless the movement is confined to the project site. The 6273
transfer of an employment position from one political subdivision 6274
to another political subdivision shall not be considered a 6275
relocation of an employment position if the employment position in 6276
the first political subdivision is replaced by another employment 6277
position. 6278

(8) A waiver by the taxpayer of any limitations periods 6279
relating to assessments or adjustments resulting from the 6280
taxpayer's failure to comply with the agreement. 6281

(F) If a taxpayer fails to meet or comply with any condition 6282
or requirement set forth in a tax credit agreement, the tax credit 6283
authority may amend the agreement to reduce the percentage or term 6284
of the credit. The reduction of the percentage or term may take 6285
effect in the current taxable or calendar year. 6286

(G) Financial statements and other information submitted to 6287
the department of development ~~services~~ or the tax credit authority 6288
by an applicant for or recipient of a tax credit under this 6289
section, and any information taken for any purpose from such 6290
statements or information, are not public records subject to 6291
section 149.43 of the Revised Code. However, the chairperson of 6292
the authority may make use of the statements and other information 6293
for purposes of issuing public reports or in connection with court 6294
proceedings concerning tax credit agreements under this section. 6295
Upon the request of the tax commissioner, or the superintendent of 6296
insurance in the case of an insurance company, the chairperson of 6297

the authority shall provide to the commissioner or superintendent 6298
any statement or other information submitted by an applicant for 6299
or recipient of a tax credit in connection with the credit. The 6300
commissioner or superintendent shall preserve the confidentiality 6301
of the statement or other information. 6302

(H) A taxpayer claiming a tax credit under this section shall 6303
submit to the tax commissioner or, in the case of an insurance 6304
company, to the superintendent of insurance, a copy of the 6305
director of ~~development services~~ development's certificate of 6306
verification under division (E)(6) of this section with the 6307
taxpayer's tax report or return for the taxable year or for the 6308
calendar year that includes the tax period. Failure to submit a 6309
copy of the certificate with the report or return does not 6310
invalidate a claim for a credit if the taxpayer submits a copy of 6311
the certificate to the commissioner or superintendent within the 6312
time prescribed by section 5703.0510 of the Revised Code or within 6313
thirty days after the commissioner or superintendent requests it. 6314

(I) For the purposes of this section, a taxpayer may include 6315
a partnership, a corporation that has made an election under 6316
subchapter S of chapter one of subtitle A of the Internal Revenue 6317
Code, or any other business entity through which income flows as a 6318
distributive share to its owners. A partnership, S-corporation, or 6319
other such business entity may elect to pass the credit received 6320
under this section through to the persons to whom the income or 6321
profit of the partnership, S-corporation, or other entity is 6322
distributed. The election shall be made on the annual report 6323
required under division (E)(5) of this section. The election 6324
applies to and is irrevocable for the credit for which the report 6325
is submitted. If the election is made, the credit shall be 6326
apportioned among those persons in the same proportions as those 6327
in which the income or profit is distributed. 6328

(J) (1) If the director of development ~~services~~ determines 6329

that a taxpayer that received a certificate under division (E) (6) 6330
of this section is not complying with the requirements of the 6331
agreement, the director shall notify the tax credit authority of 6332
the noncompliance. After receiving such a notice, and after giving 6333
the taxpayer an opportunity to explain the noncompliance, the 6334
authority may terminate the agreement and require the taxpayer, or 6335
any related member or members that claimed the tax credit under 6336
division (N) of this section, to refund to the state all or a 6337
portion of the credit claimed in previous years, as follows: 6338

(a) If the taxpayer fails to comply with the requirement 6339
under division (E) (3) of this section, an amount determined in 6340
accordance with the following: 6341

(i) If the taxpayer maintained operations at the project site 6342
for less than or equal to the term of the credit, an amount not to 6343
exceed one hundred per cent of the sum of any tax credits allowed 6344
and received under this section. 6345

(ii) If the taxpayer maintained operations at the project 6346
site longer than the term of the credit, but less than the greater 6347
of seven years or the term of the credit plus three years, the 6348
amount required to be refunded shall not exceed seventy-five per 6349
cent of the sum of any tax credits allowed and received under this 6350
section. 6351

(b) If the taxpayer fails to substantially, satisfy the 6352
employment, payroll, or location requirements required under the 6353
agreement, as prescribed under division (E) (4) (a) or (b), as 6354
applicable to the taxpayer, at any time during the term of the 6355
agreement or during the post-term reporting period, an amount 6356
determined at the discretion of the authority. 6357

(2) If a taxpayer files for bankruptcy and fails as described 6358
in division (J) (1) (a) or (b) of this section, the director may 6359
immediately commence an action to recoup an amount not exceeding 6360

one hundred per cent of the sum of any credits received by the 6361
taxpayer under this section. 6362

(3) In determining the portion of the credit to be refunded 6363
to this state, the authority shall consider the effect of market 6364
conditions on the taxpayer's project and whether the taxpayer 6365
continues to maintain other operations in this state. After making 6366
the determination, the authority shall certify the amount to be 6367
refunded to the tax commissioner or the superintendent of 6368
insurance. If the taxpayer, or any related member or members who 6369
claimed the tax credit under division (N) of this section, is not 6370
an insurance company, the commissioner shall make an assessment 6371
for that amount against the taxpayer under Chapter 5726., 5733., 6372
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 6373
any related member or members that claimed the tax credit under 6374
division (N) of this section, is an insurance company, the 6375
superintendent of insurance shall make an assessment under section 6376
5725.222 or 5729.102 of the Revised Code. The time limitations on 6377
assessments under those chapters and sections do not apply to an 6378
assessment under this division, but the commissioner or 6379
superintendent shall make the assessment within one year after the 6380
date the authority certifies to the commissioner or superintendent 6381
the amount to be refunded. 6382

(K) The director of development ~~services~~, after consultation 6383
with the tax commissioner and the superintendent of insurance and 6384
in accordance with Chapter 119. of the Revised Code, shall adopt 6385
rules necessary to implement this section. The rules may provide 6386
for recipients of tax credits under this section to be charged 6387
fees to cover administrative costs of the tax credit program. The 6388
fees collected shall be credited to the tax incentives operating 6389
fund created in section 122.174 of the Revised Code. At the time 6390
the director gives public notice under division (A) of section 6391
119.03 of the Revised Code of the adoption of the rules, the 6392

director shall submit copies of the proposed rules to the 6393
chairpersons of the standing committees on economic development in 6394
the senate and the house of representatives. 6395

(L) On or before the first day of August of each year, the 6396
director of development ~~services~~ shall submit a report to the 6397
governor, the president of the senate, and the speaker of the 6398
house of representatives on the tax credit program under this 6399
section. The report shall include information on the number of 6400
agreements that were entered into under this section during the 6401
preceding calendar year, a description of the project that is the 6402
subject of each such agreement, and an update on the status of 6403
projects under agreements entered into before the preceding 6404
calendar year. 6405

(M) The aggregate amount of nonrefundable tax credits issued 6406
under this section during any calendar year for capital investment 6407
projects reviewed and approved by the tax credit authority may not 6408
exceed the following amounts: 6409

(1) For 2010, thirteen million dollars; 6410

(2) For 2011 through 2023, the amount of the limit for the 6411
preceding calendar year plus thirteen million dollars; 6412

(3) For 2024 and each year thereafter, one hundred 6413
ninety-five million dollars. 6414

The limitations in division (M) of this section do not apply 6415
to credits for capital investment projects approved by the tax 6416
credit authority before July 1, 2009. 6417

(N) This division applies only to an eligible business that 6418
is part of an affiliated group that includes a diversified savings 6419
and loan holding company or a grandfathered unitary savings and 6420
loan holding company, as those terms are defined in section 6421
5726.01 of the Revised Code. Notwithstanding any contrary 6422
provision of the agreement between such an eligible business and 6423

the tax credit authority, any credit granted under this section 6424
against the tax imposed by section 5725.18, 5729.03, 5733.06, 6425
5747.02, or 5751.02 of the Revised Code to the eligible business, 6426
at the election of the eligible business and without any action by 6427
the tax credit authority, may be shared with any member or members 6428
of the affiliated group that includes the eligible business, which 6429
member or members may claim the credit against the taxes imposed 6430
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 6431
of the Revised Code. Credits shall be claimed by the eligible 6432
business in sequential order, as applicable, first claiming the 6433
credits to the fullest extent possible against the tax that the 6434
certificate holder is subject to, then against the tax imposed by, 6435
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 6436
lastly 5726.02 of the Revised Code. The credits may be allocated 6437
among the members of the affiliated group in such manner as the 6438
eligible business elects, but subject to the sequential order 6439
required under this division. This division applies to credits 6440
granted before, on, or after March 27, 2013, the effective date of 6441
H.B. 510 of the 129th general assembly. Credits granted before 6442
that effective date that are shared and allocated under this 6443
division may be claimed in those calendar years in which the 6444
remaining taxable years specified in the agreement end. 6445

two or more persons with fifty per cent or greater of the value of 6447

owners during all or any portion of the taxable year, and the 6450
common owners. "Affiliated group" includes, but is not limited to, 6451
any person eligible to be included in a consolidated elected 6452
taxpayer group under section 5751.011 of the Revised Code or a 6453
combined taxpayer group under section 5751.012 of the Revised 6454

annual report required under division (E) (5) of this section. 6461

(c) "Income tax revenue" has the same meaning as under 6462

(2) In calendar year 2016 and thereafter, the tax credit 6464
authority shall annually determine a withholding adjustment factor 6465
to be used in the computation of income tax revenue for eligible 6466
agreements. The withholding adjustment factor shall be a numerical 6467
percentage that equals the percentage that employer income tax 6468
withholding rates have been increased or decreased as a result of 6469
changes in the income tax rates prescribed by section 5747.02 of 6470
the Revised Code by amendment of that section taking effect on or 6471
after June 29, 2013. 6472

(3) Except as provided in division (O) (4) of this section, 6473
for reporting periods ending in 2015 and thereafter for taxpayers 6474
subject to eligible agreements, the tax credit authority shall 6475
adjust the income tax revenue reported on the taxpayer's annual 6476
report by multiplying the withholding adjustment factor by the 6477
taxpayer's income tax revenue and doing one of the following: 6478

(a) If the income tax rates prescribed by section 5747.02 of 6479
the Revised Code have decreased by amendment of this section 6480

of a taxpayer's investment that the fund invested in a project 7731
located in an Ohio opportunity zone equals the same proportion of 7732

company shows good cause for the delay, meaning that the 7942
production was delayed due to unforeseeable circumstances beyond 7943
the production company's control or due to action or inaction by a 7944
government agency. Upon rescission, the director shall notify the 7945
applicant that the certification has been rescinded. Nothing in 7946
this section prohibits an applicant whose tax credit-eligible 7947

(C) (1) A production company whose motion picture or Broadway 7950
theatrical production has been certified as a tax credit-eligible 7951
production may apply to the director of development ~~services~~ on or 7952
after July 1, 2009, for a refundable credit against the tax 7953
imposed by section 5726.02, 5733.06, 5747.02, or 5751.02 of the 7954
Revised Code. The director in consultation with the tax 7955
commissioner shall prescribe the form and manner of the 7956
application and the information or documentation required to be 7957

submitted with the application. ~~The application shall state the~~ 7958
~~name and address of each production contractor with which the~~ 7959
~~production company contracted for services and the amount of~~ 7960
~~eligible expenditures paid or incurred under the contract with~~ 7961
~~respect to the production.~~ 7962

The credit is determined as follows: 7963

(a) If the total budgeted eligible expenditures stated in the 7964
application submitted under division (B) of this section or the 7965
actual eligible expenditures as finally determined under division 7966
(D) of this section, whichever is least, is less than or equal to 7967
three hundred thousand dollars, no credit is allowed; 7968

(b) If the total budgeted eligible expenditures stated in the 7969
application submitted under division (B) of this section or the 7970
actual eligible expenditures as finally determined under division 7971
(D) of this section, whichever is least, is greater than three 7972
hundred thousand dollars, the credit ~~for the production company~~ 7973
equals thirty per cent of the least of such budgeted or actual 7974
eligible expenditure amounts ~~and the credit for each production~~ 7975
~~contractor equals thirty per cent of the amount of eligible~~ 7976
~~expenditures paid or incurred under the contract with respect to~~ 7977
~~the production.~~ 7978

(2) Except as provided in division (C) (4) of this section, if 7979
the director of development ~~services~~ approves a production 7980
company's application for a credit, the director shall issue a tax 7981
credit certificate to the company ~~and to each of the company's~~ 7982
~~production contractors identified in the application.~~ The director 7983
in consultation with the tax commissioner shall prescribe the form 7984
and manner of issuing certificates. The director shall assign a 7985
unique identifying number to each tax credit certificate and shall 7986
record the certificate in a register devised and maintained by the 7987
director for that purpose. The certificate shall state the amount 7988
of the eligible expenditures on which the credit is based and the 7989

amount of the credit. Upon the issuance of a certificate, the 7990
director shall certify to the tax commissioner the name of the 7991
production company ~~or contractor~~ to which the certificate was 7992
issued, the amount of eligible expenditures shown on the 7993
certificate, the amount of the credit, and any other information 7994
required by the rules adopted to administer this section. 7995

(3) The amount of eligible expenditures for which a tax 7996
credit may be claimed is subject to inspection and examination by 7997
the tax commissioner or employees of the commissioner under 7998
section 5703.19 of the Revised Code and any other applicable law. 7999
Once the eligible expenditures are finally determined under 8000
section 5703.19 of the Revised Code and division (D) of this 8001
section, the credit amount is not subject to adjustment unless the 8002
director determines an error was committed in the computation of 8003
the credit amount. 8004

(4) No tax credit certificate may be issued before the 8005
completion of the tax credit-eligible production. Not more than 8006
forty million dollars of tax credit may be allowed per fiscal year 8007
provided that, for any fiscal year in which the amount of tax 8008
credits allowed under this section is less than that maximum 8009
annual amount, the amount not allowed for that fiscal year shall 8010
be added to the maximum annual amount that may be allowed for the 8011
following fiscal year. 8012

(5) The director shall review and approve applications for 8013
tax credits in two rounds each fiscal year. The first round of 8014
credits shall be awarded not later than the last day of July of 8015
the fiscal year, and the second round of credits shall be awarded 8016
not later than the last day of the ensuing January. The amount of 8017
credits awarded in the first round of applications each fiscal 8018
year shall not exceed twenty million dollars plus any credit 8019
allotment that was not awarded in the preceding fiscal year and 8020
carried over under division (C) (4) of this section. For each 8021

round, the director shall rank applications on the basis of the 8022
extent of positive economic impact each tax credit-eligible 8023
production is likely to have in this state and the effect on 8024
developing a permanent workforce in motion picture or theatrical 8025
production industries in the state. For the purpose of such 8026
ranking, the director shall give priority to tax-credit eligible 8027
productions that are television series or miniseries due to the 8028
long-term commitment typically associated with such productions. 8029
The economic impact ranking shall be based on the production 8030
company's total expenditures in this state directly associated 8031
with the tax credit-eligible production. The effect on developing 8032
a permanent workforce in the motion picture or theatrical 8033
production industries shall be evaluated first by the number of 8034
new jobs created and second by amount of payroll added with 8035
respect to employees in this state. 8036

The director shall approve productions in the order of their 8037
ranking, from those with the greatest positive economic impact and 8038
workforce development effect to those with the least positive 8039
economic impact and workforce development effect. 8040

(D) A production company whose motion picture or Broadway 8041
theatrical production has been certified as a tax credit-eligible 8042
production shall engage, at the company's expense, an independent 8043
certified public accountant to examine the company's production, 8044
postproduction, and advertising and promotion expenditures to 8045
identify the expenditures that qualify as eligible expenditures. 8046
The certified public accountant shall issue a report to the 8047
company and to the director of development ~~services~~ certifying the 8048
company's eligible expenditures and any other information required 8049
by the director. Upon receiving and examining the report, the 8050
director may disallow any expenditure the director determines is 8051
not an eligible expenditure. ~~If any expenditure disallowed under~~ 8052
~~this division was included in the expenditure for a contract with~~ 8053

~~a production contractor, the contractor's credit amount shall be~~ 8054
~~reduced in proportion to such disallowed expenditure.~~ If the 8055
director disallows an expenditure, the director shall issue a 8056
written notice to the production company ~~or affected production~~ 8057
~~contractor~~ stating that the expenditure is disallowed and the 8058
reason for the disallowance. Upon examination of the report and 8059
disallowance of any expenditures, the director shall determine 8060
finally the lesser of the total budgeted eligible expenditures 8061
stated in the application submitted under division (B) of this 8062
section or the actual eligible expenditures for the purpose of 8063
computing the amount of the credit. 8064

(E) No credit shall be allowed under section 5726.55, 8065
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 8066
director has reviewed the report and made the determination 8067
prescribed by division (D) of this section. 8068

(F) This state reserves the right to refuse the use of this 8069
state's name in the credits of any tax credit-eligible motion 8070
picture production or program of any Broadway theatrical 8071
production. 8072

(G) (1) The director of development ~~services~~ in consultation 8073
with the tax commissioner shall adopt rules for the administration 8074
of this section, including rules setting forth and governing the 8075
criteria for determining whether a motion picture or Broadway 8076
theatrical production is a tax credit-eligible production; 8077
activities that constitute the production or postproduction of a 8078
motion picture or Broadway theatrical production; reporting 8079
sufficient evidence of reviewable progress; expenditures that 8080
qualify as eligible expenditures; a schedule and deadlines for 8081
applications to be submitted and reviewed; a competitive process 8082
for approving credits based on likely economic impact in this 8083
state and development of a permanent workforce in motion picture 8084
or theatrical production industries in this state; consideration 8085

of geographic distribution of credits; and implementation of the 8086
program described in division (H) of this section. The rules shall 8087
be adopted under Chapter 119. of the Revised Code. 8088

(2) To cover the administrative costs of the program, the 8089
director shall require each applicant to pay an application fee 8090
equal to the lesser of ten thousand dollars or one per cent of the 8091
estimated value of the tax credit as stated in the application. 8092
The fees collected shall be credited to the tax incentives 8093
operating fund created in section 122.174 of the Revised Code. All 8094
grants, gifts, fees, and contributions made to the director for 8095
marketing and promotion of the motion picture industry within this 8096
state shall also be credited to the fund. 8097

(H) The director of development ~~services~~ shall establish a 8098
program for the training of Ohio residents who are or wish to be 8099
employed in the film or multimedia industry. Under the program, 8100
the director shall: 8101

(1) Certify individuals as film and multimedia trainees. In 8102
order to receive such a certification, an individual must be an 8103
Ohio resident, have participated in relevant on-the-job training 8104
or have completed a relevant training course approved by the 8105
director, and have met any other requirements established by the 8106
director. 8107

(2) Accept applications from production companies that intend 8108
to hire and provide on-the-job training to one or more certified 8109
film and multimedia trainees who will be employed in the company's 8110
tax credit-eligible production. 8111

(3) Upon completion of a tax-credit eligible production, and 8112
upon the receipt of any salary information and other documentation 8113
required by the director, authorize a reimbursement payment to 8114
each production company whose application was approved under 8115
division (H) (2) of this section. The payment shall equal fifty per 8116

cent of the salaries paid to film and multimedia trainees employed 8117

political subdivision or ~~county~~ board of elections that makes any 9971
purchase under this division shall maintain sufficient information 9972
regarding the purchase to verify that the political subdivision or 9973
~~county~~ board of elections satisfied the conditions for making a 9974
purchase under this division. Nothing in this division restricts 9975
any action taken by a county or township as authorized by division 9976
(B) (1) of section 9.48 of the Revised Code. 9977

(D) This section does not apply to supplies or services 9978
purchased by a state agency directly as provided in section 125.05 9979
of the Revised Code, or to purchases of supplies or services for 9980
the emergency management agency or other state agencies as 9981
provided in section 125.061 of the Revised Code. 9982

Sec. 125.05. Except as provided in division (D) or (E) of 9983
this section, no state agency shall purchase any supplies or 9984
services except as provided in divisions (A) to (C) of this 9985
section. 9986

(A) A state agency may, without competitive selection, make 9987
any purchase of supplies or services that cost less than fifty 9988
thousand dollars after complying with divisions (A) to (E) of 9989
section 125.035 of the Revised Code. The agency may make the 9990
purchase directly or may make the purchase from or through the 9991
department of administrative services, whichever the agency 9992
determines. The agency shall adopt written procedures consistent 9993
with the department's purchasing procedures and shall use those 9994
procedures when making purchases under this division. 9995

Section 127.16 of the Revised Code does not apply to 9996
purchases made under this division. 9997

(B) A state agency shall make purchases of supplies and 9998
services that cost fifty thousand dollars or more through the 9999
department of administrative services and the process provided in 10000

section 125.035 of the Revised Code, unless the department grants 10001
a waiver under ~~divisions~~ division (D) or (E) of that section and a 10002
release and permit under division (G) of that section. 10003

(C) An agency that has been granted a release and permit 10004
under division (G) of section 125.035 of the Revised Code to make 10005
a purchase may make the purchase without competitive selection if 10006
after making the purchase the cumulative purchase threshold as 10007
computed under division (E) of section 127.16 of the Revised Code 10008
would: 10009

(1) Be exceeded and the controlling board approves the 10010
purchase; 10011

(2) Not be exceeded and the department of administrative 10012
services approves the purchase. 10013

(D) If the department of education or the Ohio education 10014
computer network determines that it can purchase software services 10015
or supplies for specified school districts at a price less than 10016
the price for which the districts could purchase the same software 10017
services or supplies for themselves, the department or network 10018
shall certify that fact to the department of administrative 10019
services and, acting as an agent for the specified school 10020
districts, shall make that purchase without following the 10021
provisions in divisions (A) to (D) of this section. 10022

(E) When the purchase cost of personal protective equipment 10023
is less than fifty thousand dollars, a state agency shall comply 10024
with divisions (A) to (E) of section 125.035 of the Revised Code. 10025
If the purchase is not subject to the requirements of an 10026
applicable first or second requisite procurement program, the 10027
agency shall apply the same preferences in section 125.09 of the 10028
Revised Code when making the purchase. As used in this division, 10029
"personal protective equipment" means equipment worn to minimize 10030
exposure to hazards that cause workplace injuries and illnesses. 10031

Sec. 125.08. ~~(A)~~ Any person who is certified by the ~~equal~~ 10032
~~employment opportunity coordinator of the department~~ director of 10033
~~administrative services~~ development in accordance with the rules 10034
adopted under division (B) (1) of section ~~123.151~~ 122.921 of the 10035
Revised Code as a minority business enterprise may have that 10036
person's name placed on a special minority business enterprise 10037
notification list to be used in connection with contracts awarded 10038
under section 125.081 of the Revised Code. The minority business 10039
enterprise notification list shall be used for bidding on 10040
contracts set aside for minority business enterprises only. 10041

Sec. 125.081. (A) From the purchases that the department of 10042
administrative services is required by law to make through 10043
competitive selection, the director of administrative services 10044
shall select a number of such purchases, the aggregate value of 10045
which equals approximately fifteen per cent of the estimated total 10046
value of all such purchases to be made in the current fiscal year. 10047
The director shall set aside the purchases selected for 10048
competition only by minority business enterprises, as defined in 10049
division (E) (1) of section 122.71 of the Revised Code. The 10050
competitive selection procedures for such purchases set aside 10051
shall be the same as for all other purchases the department is 10052
required to make through competitive selection, except that only 10053
minority business enterprises certified by the ~~equal employment~~ 10054
~~opportunity coordinator of the department~~ director of 10055
~~administrative services~~ development in accordance with the rules 10056
adopted under division (B) (1) of section ~~123.151~~ 122.921 of the 10057
Revised Code and listed ~~by the director~~ under section 125.08 of 10058
the Revised Code shall be qualified to compete. 10059

(B) To the extent that any agency of the state, other than 10060
the department of administrative services, the legislative and 10061
judicial branches, boards of elections, and the adjutant general, 10062

is authorized to make purchases, the agency shall set aside a 10063
number of purchases, the aggregate value of which equals 10064
approximately fifteen per cent of the aggregate value of such 10065
purchases for the current fiscal year for competition by minority 10066
business enterprises only. The procedures for such purchases shall 10067
be the same as for all other such purchases made by the agency, 10068
except that only minority business enterprises certified by the 10069
~~equal employment opportunity coordinator~~ director of development 10070
in accordance with rules adopted under division (B) (1) of section 10071
123.151 of the Revised Code shall be qualified to compete. 10072

(C) In the case of purchases set aside under division (A) or 10073
(B) of this section, if no bid is submitted by a minority business 10074
enterprise, the purchase shall be made according to usual 10075
procedures. The contracting agency shall from time to time set 10076
aside such additional purchases for which only minority business 10077
enterprises may compete, as are necessary to replace those 10078
purchases previously set aside for which no minority business 10079
enterprises bid and to ensure that, in any fiscal year, the 10080
aggregate amount of contracts awarded to minority business 10081
enterprises will equal approximately fifteen per cent of the total 10082
amount of contracts awarded by the agency. 10083

(D) The provisions of this section shall not preclude any 10084
minority business enterprise from competing for any other state 10085
purchases that are not specifically set aside for minority 10086
business enterprises. 10087

(E) No funds of any state agency shall be expended in any 10088
fiscal year for any purchase for which competitive selection is 10089
required, until the director of the department of administrative 10090
services certifies to the ~~equal employment opportunity~~ 10091
~~coordinator, the clerk of the senate,~~ and the clerk of the house 10092
of representatives of the general assembly that approximately 10093
fifteen per cent of the aggregate amount of the projected 10094

expenditure for such purchases in the fiscal year has been set 10095
aside as provided for in this section. 10096

(F) Any person who intentionally misrepresents self as 10097
owning, controlling, operating, or participating in a minority 10098
business enterprise for the purpose of obtaining contracts, 10099
subcontracts, or any other benefits under this section shall be 10100
guilty of theft by deception as provided for in section 2913.02 of 10101
the Revised Code. 10102

Sec. 125.09. (A) Pursuant to ~~section~~ sections 125.07, 10103
125.071, and 125.072 of the Revised Code, the department of 10104
administrative services may prescribe such conditions under which 10105
competitive sealed bids, competitive sealed proposals, and bids in 10106
reverse auctions will be received and terms of the proposed 10107
purchase as it considers necessary; provided, that all such 10108
conditions and terms shall be reasonable and shall not 10109
unreasonably restrict competition, and bidders may bid and 10110
offerors may propose upon all or any item of the products, 10111
supplies, or services listed in such notice. Those bidders and 10112
offerors claiming the preference ~~for United States and Ohio~~ 10113
~~products~~ outlined in this chapter shall designate in their ~~bids~~ 10114
bid or offer either that the product ~~to be supplied~~ or supply is 10115
produced or mined in the United States and is either an Ohio 10116
product or that the product, supply, or service is provided by a 10117
bidder or offeror that qualifies as having a significant Ohio 10118
economic presence under the rules established by the director of 10119
administrative services ~~they qualify as having a significant Ohio~~ 10120
~~economic presence.~~ 10121

(B) The department may require that each bidder or offeror 10122
provide sufficient information about the energy efficiency or 10123
energy usage of the bidder's or offeror's product, supply, or 10124
service. 10125

(C) The director of administrative services shall, by rule adopted pursuant to Chapter 119. of the Revised Code, prescribe criteria and procedures for use by all state agencies in giving preference ~~to United States and Ohio products~~ under this section as required by division (B) of section 125.11 of the Revised Code. The rules shall extend to:

(1) Criteria for determining that a product is produced or mined in the United States rather than in another country or territory;

(2) Criteria for determining that a product is produced or mined in Ohio;

(3) Information to be submitted by bidders or offerors as to the nature of a product and the location where it is produced or mined;

(4) Criteria and procedures to be used by the director to qualify bidders or offerors located in states bordering Ohio who might otherwise be excluded from being awarded a contract by operation of this section and section 125.11 of the Revised Code. The criteria and procedures shall recognize the level and regularity of interstate commerce between Ohio and the border states and provide that the non-Ohio businesses may qualify for award of a contract as long as they are located in a state that imposes no greater restrictions than are contained in this section and section 125.11 of the Revised Code upon persons located in Ohio selling products or services to agencies of that state. The criteria and procedures shall also provide that a non-Ohio business shall not bid on a contract for state printing in this state if the business is located in a state that excludes Ohio businesses from bidding on state printing contracts in that state.

(5) Criteria and procedures to be used to qualify bidders and offerors whose manufactured products, except for mined products,

are produced in other states or in North America, but the bidders
or offerors have a significant Ohio economic presence in terms of
the number of employees or capital investment a bidder or offeror
has in this state. Bidders and offerors with a significant Ohio
economic presence shall qualify for award of a contract on the
same basis as if their products were produced in this state or as
if the bidder or offeror was domiciled in this state.

(6) Criteria and procedures for the director to grant waivers
of the requirements of division (B) of section 125.11 of the
Revised Code on a contract-by-contract basis where compliance with
those requirements would result in the state agency paying an
excessive price for the product or acquiring a disproportionately
inferior product;

(7) Such other requirements or procedures reasonably
necessary to implement the system of preferences established
pursuant to division (B) of section 125.11 of the Revised Code.

In adopting the rules required under this division, the
director shall, to the maximum extent possible, conform to the
requirements of the federal "Buy America Act," 47 Stat. 1520,
(1933), 41 U.S.C.A. 10a-10d, as amended, and to the regulations
adopted thereunder.

Sec. 125.111. (A) Every contract for or on behalf of the
state or any of its political subdivisions for any purchase shall

the Revised Code in the case of construction contracts by which

(1) That, in the hiring of employees for the performance of
work under the contract or any subcontract, no contractor or
subcontractor, by reason of race, color, religion, sex, age,
disability or military status as defined in section 4112.01 of the
Revised Code, national origin, or ancestry, shall discriminate

(2) That no contractor, subcontractor, or person acting on 10191
behalf of any contractor or subcontractor, in any manner, shall 10192
discriminate against, intimidate, or retaliate against any 10193

account of race, color, religion, sex, age, disability or military 10195
status as defined in section 4112.01 of the Revised Code, national 10196
origin, or ancestry. 10197

(B) All contractors from whom the state or any of its 10198
political subdivisions make purchases shall have a written 10199
affirmative action program for the employment and effective 10200
utilization of economically disadvantaged persons, as referred to 10201
in division (E)(1) of section 122.71 of the Revised Code. 10202
Annually, each such contractor shall file a description of the 10203
affirmative action program and a progress report on its 10204
implementation with the ~~equal employment opportunity office of the~~ 10205
department of ~~administrative services~~ development. 10206

those supplies shall be transferred to that fund or account. If 10315
the director cannot determine which fund or account originally was 10316
used to purchase the supplies, if the fund or account is no longer 10317
active, or if the proceeds from the transfer, sale, or lease of a 10318
unit of supplies are less than one hundred dollars or any larger 10319

Revised Code of state employees who use their own motor vehicles 10746
for any mileage they incur above an amount that the department 10747
shall determine annually unless reimbursement for the excess 10748

five years of an average of not less than one and one-half per 11388
cent per year. The findings and certification of the 11389
superintendent shall be conclusive. 11390

as to require additions and improvements to them before the 11416
buildings or facilities are usable for their intended purpose, or 11417
that corrections to permanent improvements are necessary to remove 11418
or prevent health or safety hazards. 11419

(b) Existing fiscal and net indebtedness limitations make 11420
adequate replacement, additions, or improvements impossible. 11421

(2) Upon the declaration of an emergency, the board of 11422
education may, by resolution, submit to the electors of the 11423

(G) (1) The board of education may contract with an architect, 11453
professional engineer, or other person experienced in the design 11454
and implementation of energy conservation measures for an analysis 11455
and recommendations pertaining to installations, modifications of 11456
installations, or remodeling that would significantly reduce 11457
energy consumption in buildings owned by the district. The report 11458
shall include estimates of all costs of such installations, 11459
modifications, or remodeling, including costs of design, 11460
engineering, installation, maintenance, repairs, measurement and 11461
verification of energy savings, and debt service, forgone residual 11462
value of materials or equipment replaced by the energy 11463
conservation measure, as defined by the Ohio facilities 11464
construction commission, a baseline analysis of actual energy 11465
consumption data for the preceding three years with the utility 11466
baseline based on only the actual energy consumption data for the 11467
preceding twelve months, and estimates of the amounts by which 11468
energy consumption and resultant operational and maintenance 11469
costs, as defined by the commission, would be reduced. 11470

If the board finds after receiving the report that the amount 11471
of money the district would spend on such installations, 11472
modifications, or remodeling is not likely to exceed the amount of 11473
money it would save in energy and resultant operational and 11474
maintenance costs over the ensuing fifteen years, the board may 11475
submit to the commission a copy of its findings and a request for 11476
approval to incur indebtedness to finance the making or 11477
modification of installations or the remodeling of buildings for 11478

the purpose of significantly reducing energy consumption. 11479

The facilities construction commission, in consultation with 11480
the auditor of state, may deny a request under division (G) (1) of 11481
this section by the board of education of any school district that 11482
is in a state of fiscal watch pursuant to division (A) of section 11483
3316.03 of the Revised Code, if it determines that the expenditure 11484
of funds is not in the best interest of the school district. 11485

No district board of education of a school district that is 11486
in a state of fiscal emergency pursuant to division (B) of section 11487
3316.03 of the Revised Code shall submit a request without 11488
submitting evidence that the installations, modifications, or 11489
remodeling have been approved by the district's financial planning 11490
and supervision commission established under section 3316.05 of 11491
the Revised Code. 11492

No board of education of a school district for which an 11493
academic distress commission has been established under section 11494
3302.10 of the Revised Code shall submit a request without first 11495
receiving approval to incur indebtedness from the district's 11496
academic distress commission established under that section, for 11497
so long as such commission continues to be required for the 11498
district. 11499

(2) The board of education may contract with a person 11500
experienced in the implementation of student transportation to 11501
produce a report that includes an analysis of and recommendations 11502
for the use of alternative fuel vehicles by school districts. The 11503
report shall include cost estimates detailing the return on 11504
investment over the life of the alternative fuel vehicles and 11505
environmental impact of alternative fuel vehicles. The report also 11506
shall include estimates of all costs associated with alternative 11507
fuel transportation, including facility modifications and vehicle 11508
purchase costs or conversion costs. 11509

If the board finds after receiving the report that the amount of money the district would spend on purchasing alternative fuel vehicles or vehicle conversion is not likely to exceed the amount of money it would save in fuel and resultant operational and maintenance costs over the ensuing five years, the board may submit to the commission a copy of its findings and a request for approval to incur indebtedness to finance the purchase of new alternative fuel vehicles or vehicle conversions for the purpose of reducing fuel costs.

The facilities construction commission, in consultation with the auditor of state, may deny a request under division (G) (2) of this section by the board of education of any school district that is in a state of fiscal watch pursuant to division (A) of section 3316.03 of the Revised Code, if it determines that the expenditure of funds is not in the best interest of the school district.

No district board of education of a school district that is in a state of fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code shall submit a request without submitting evidence that the purchase or conversion of alternative fuel vehicles has been approved by the district's financial planning and supervision commission established under section 3316.05 of the Revised Code.

No board of education of a school district for which an academic distress commission has been established under section 3302.10 of the Revised Code shall submit a request without first receiving approval to incur indebtedness from the district's academic distress commission established under that section, for so long as such commission continues to be required for the district.

(3) The facilities construction commission shall approve the board's request provided that the following conditions are satisfied:

(a) The commission determines that the board's findings are reasonable. 11542
11543

(b) The request for approval is complete. 11544

(c) If the request was submitted under division (G)(1) of 11545
this section, the installations, modifications, or remodeling are 11546
consistent with any project to construct or acquire classroom 11547
facilities, or to reconstruct or make additions to existing 11548
classroom facilities under sections 3318.01 to 3318.20 or sections 11549
3318.40 to 3318.45 of the Revised Code. 11550

Upon receipt of the commission's approval, the district may 11551
issue securities without a vote of the electors in a principal 11552
amount not to exceed nine-tenths of one per cent of its tax 11553
valuation for the purpose specified in division (G)(1) or (2) of 11554
this section, but the total net indebtedness of the district 11555
without a vote of the electors incurred under this and all other 11556
sections of the Revised Code, except section 3318.052 of the 11557
Revised Code, shall not exceed one per cent of the district's tax 11558
valuation. 11559

(4)(a) So long as any securities issued under division (G)(1) 11560
of this section remain outstanding, the board of education shall 11561
monitor the energy consumption and resultant operational and 11562
maintenance costs of buildings in which installations or 11563
modifications have been made or remodeling has been done pursuant 11564
to that division. Except as provided in division (G)(4)(b) of this 11565
section, the board shall maintain and annually update a report in 11566
a form and manner prescribed by the facilities construction 11567
commission documenting the reductions in energy consumption and 11568
resultant operational and maintenance cost savings attributable to 11569
such installations, modifications, or remodeling. The resultant 11570
operational and maintenance cost savings shall be certified by the 11571
school district treasurer. The report shall be submitted annually 11572
to the commission. 11573

(b) If the facilities construction commission verifies that 11574
the certified annual reports submitted to the commission by a 11575
board of education under division (G)(4)(a) of this section 11576
fulfill the guarantee required under division (B) of section 11577
3313.372 of the Revised Code for three consecutive years, the 11578
board of education shall no longer be subject to the annual 11579
reporting requirements of division (G)(4)(a) of this section. 11580

(5) So long as any securities issued under division (G)(2) of 11581
this section remain outstanding, the board of education shall 11582
monitor the purchase of new alternative fuel vehicles or vehicle 11583
conversions pursuant to that division. The board shall maintain 11584
and annually update a report in a form and manner prescribed by 11585
the facilities construction commission documenting the purchase of 11586
new alternative fuel vehicles or vehicle conversions, the 11587
associated environmental impact, and return on investment. The 11588
resultant fuel and operational and maintenance cost savings shall 11589
be certified by the school district treasurer. The report shall be 11590
submitted annually to the commission. 11591

(H) With the consent of the superintendent of public 11592
instruction, a school district may incur without a vote of the 11593
electors net indebtedness that exceeds the amounts stated in 11594
divisions (A) and (G) of this section for the purpose of paying 11595
costs of permanent improvements, if and to the extent that both of 11596
the following conditions are satisfied: 11597

approved by the superintendent of public instruction; 11611

(2) The fiscal officer of the school district certifies, and 11612
the taxing authority of the district confirms, that the district, 11613
at the time of the certification and confirmation, reasonably 11614
expects to have sufficient revenue available for the purpose of 11615
operating such permanent improvements for their intended purpose 11616
upon acquisition or completion thereof, and the superintendent of 11617
public instruction approves the taxing authority's confirmation. 11618

including legal authority, setting forth why the request was 12992
denied. If the initial request was provided in writing, the 12993
explanation also shall be provided to the requester in writing. 12994
The explanation shall not preclude the public office or the person 12995
responsible for the requested public record from relying upon 12996
additional reasons or legal authority in defending an action 12997
commenced under division (C) of this section. 12998

(4) Unless specifically required or authorized by state or 12999
federal law or in accordance with division (B) of this section, no 13000
public office or person responsible for public records may limit 13001
or condition the availability of public records by requiring 13002
disclosure of the requester's identity or the intended use of the 13003
requested public record. Any requirement that the requester 13004
disclose the requester's identity or the intended use of the 13005
requested public record constitutes a denial of the request. 13006

(5) A public office or person responsible for public records 13007
may ask a requester to make the request in writing, may ask for 13008
the requester's identity, and may inquire about the intended use 13009
of the information requested, but may do so only after disclosing 13010
to the requester that a written request is not mandatory, that the 13011
requester may decline to reveal the requester's identity or the 13012
intended use, and when a written request or disclosure of the 13013
identity or intended use would benefit the requester by enhancing 13014
the ability of the public office or person responsible for public 13015
records to identify, locate, or deliver the public records sought 13016
by the requester. 13017

(6) If any person requests a copy of a public record in 13018
accordance with division (B) of this section, the public office or 13019
person responsible for the public record may require the requester 13020
to pay in advance the cost involved in providing the copy of the 13021
public record in accordance with the choice made by the requester 13022
under this division. The public office or the person responsible 13023

for the public record shall permit the requester to choose to have 13024
the public record duplicated upon paper, upon the same medium upon 13025
which the public office or person responsible for the public 13026
record keeps it, or upon any other medium upon which the public 13027
office or person responsible for the public record determines that 13028
it reasonably can be duplicated as an integral part of the normal 13029
operations of the public office or person responsible for the 13030
public record. When the requester makes a choice under this 13031
division, the public office or person responsible for the public 13032
record shall provide a copy of it in accordance with the choice 13033
made by the requester. Nothing in this section requires a public 13034
office or person responsible for the public record to allow the 13035
requester of a copy of the public record to make the copies of the 13036
public record. 13037

(7) (a) Upon a request made in accordance with division (B) of 13038
this section and subject to division (B) (6) of this section, a 13039
public office or person responsible for public records shall 13040
transmit a copy of a public record to any person by United States 13041
mail or by any other means of delivery or transmission within a 13042
reasonable period of time after receiving the request for the 13043
copy. The public office or person responsible for the public 13044
record may require the person making the request to pay in advance 13045
the cost of postage if the copy is transmitted by United States 13046
mail or the cost of delivery if the copy is transmitted other than 13047
by United States mail, and to pay in advance the costs incurred 13048
for other supplies used in the mailing, delivery, or transmission. 13049

(b) Any public office may adopt a policy and procedures that 13050
it will follow in transmitting, within a reasonable period of time 13051
after receiving a request, copies of public records by United 13052
States mail or by any other means of delivery or transmission 13053
pursuant to division (B) (7) of this section. A public office that 13054
adopts a policy and procedures under division (B) (7) of this 13055

section shall comply with them in performing its duties under that 13056
division. 13057

(c) In any policy and procedures adopted under division 13058
(B) (7) of this section: 13059

(i) A public office may limit the number of records requested 13060
by a person that the office will physically deliver by United 13061
States mail or by another delivery service to ten per month, 13062
unless the person certifies to the office in writing that the 13063
person does not intend to use or forward the requested records, or 13064
the information contained in them, for commercial purposes; 13065

(ii) A public office that chooses to provide some or all of 13066
its public records on a web site that is fully accessible to and 13067
searchable by members of the public at all times, other than 13068
during acts of God outside the public office's control or 13069
maintenance, and that charges no fee to search, access, download, 13070
or otherwise receive records provided on the web site, may limit 13071
to ten per month the number of records requested by a person that 13072
the office will deliver in a digital format, unless the requested 13073
records are not provided on the web site and unless the person 13074
certifies to the office in writing that the person does not intend 13075
to use or forward the requested records, or the information 13076
contained in them, for commercial purposes. 13077

(iii) For purposes of division (B) (7) of this section, 13078
"commercial" shall be narrowly construed and does not include 13079
reporting or gathering news, reporting or gathering information to 13080
assist citizen oversight or understanding of the operation or 13081
activities of government, or nonprofit educational research. 13082

(8) A public office or person responsible for public records 13083
is not required to permit a person who is incarcerated pursuant to 13084
a criminal conviction or a juvenile adjudication to inspect or to 13085
obtain a copy of any public record concerning a criminal 13086

investigation or prosecution or concerning what would be a 13087
criminal investigation or prosecution if the subject of the 13088
investigation or prosecution were an adult, unless the request to 13089
inspect or to obtain a copy of the record is for the purpose of 13090
acquiring information that is subject to release as a public 13091
record under this section and the judge who imposed the sentence 13092
or made the adjudication with respect to the person, or the 13093
judge's successor in office, finds that the information sought in 13094
the public record is necessary to support what appears to be a 13095
justiciable claim of the person. 13096

(9) (a) Upon written request made and signed by a journalist, 13097
a public office, or person responsible for public records, having 13098
custody of the records of the agency employing a specified 13099
designated public service worker shall disclose to the journalist 13100
the address of the actual personal residence of the designated 13101
public service worker and, if the designated public service 13102
worker's spouse, former spouse, or child is employed by a public 13103
office, the name and address of the employer of the designated 13104
public service worker's spouse, former spouse, or child. The 13105
request shall include the journalist's name and title and the name 13106
and address of the journalist's employer and shall state that 13107
disclosure of the information sought would be in the public 13108
interest. 13109

(b) Division (B) (9) (a) of this section also applies to 13110
journalist requests for: 13111

(i) Customer information maintained by a municipally owned or 13112
operated public utility, other than social security numbers and 13113
any private financial information such as credit reports, payment 13114
methods, credit card numbers, and bank account information; 13115

(ii) Information about minors involved in a school vehicle 13116
accident as provided in division (A) (1) (gg) of this section, other 13117
than personal information as defined in section 149.45 of the 13118

Revised Code. 13119

(c) As used in division (B)(9) of this section, "journalist" 13120
means a person engaged in, connected with, or employed by any news 13121
medium, including a newspaper, magazine, press association, news 13122
agency, or wire service, a radio or television station, or a 13123
similar medium, for the purpose of gathering, processing, 13124
transmitting, compiling, editing, or disseminating information for 13125
the general public. 13126

(10) Upon a request made by a victim, victim's attorney, or 13127
victim's representative, as that term is used in section 2930.02 13128
of the Revised Code, a public office or person responsible for 13129
public records shall transmit a copy of a depiction of the victim 13130
as described in division (A)(1)(ii) of this section to the victim, 13131
victim's attorney, or victim's representative. 13132

(C)(1) If a person allegedly is aggrieved by the failure of a 13133
public office or the person responsible for public records to 13134
promptly prepare a public record and to make it available to the 13135
person for inspection in accordance with division (B) of this 13136
section or by any other failure of a public office or the person 13137
responsible for public records to comply with an obligation in 13138
accordance with division (B) of this section, the person allegedly 13139
aggrieved may do only one of the following, and not both: 13140

(a) File a complaint with the clerk of the court of claims or 13141
the clerk of the court of common pleas under section 2743.75 of 13142
the Revised Code; 13143

(b) Commence a mandamus action to obtain a judgment that 13144
orders the public office or the person responsible for the public 13145
record to comply with division (B) of this section, that awards 13146
court costs and reasonable attorney's fees to the person that 13147
instituted the mandamus action, and, if applicable, that includes 13148
an order fixing statutory damages under division (C)(2) of this 13149

section. The mandamus action may be commenced in the court of 13150
common pleas of the county in which division (B) of this section 13151
allegedly was not complied with, in the supreme court pursuant to 13152
its original jurisdiction under Section 2 of Article IV, Ohio 13153
Constitution, or in the court of appeals for the appellate 13154
district in which division (B) of this section allegedly was not 13155
complied with pursuant to its original jurisdiction under Section 13156
3 of Article IV, Ohio Constitution. 13157

(2) If a requester transmits a written request by hand 13158
delivery, electronic submission, or certified mail to inspect or 13159
receive copies of any public record in a manner that fairly 13160
describes the public record or class of public records to the 13161
public office or person responsible for the requested public 13162
records, except as otherwise provided in this section, the 13163
requester shall be entitled to recover the amount of statutory 13164
damages set forth in this division if a court determines that the 13165
public office or the person responsible for public records failed 13166
to comply with an obligation in accordance with division (B) of 13167
this section. 13168

The amount of statutory damages shall be fixed at one hundred 13169
dollars for each business day during which the public office or 13170
person responsible for the requested public records failed to 13171
comply with an obligation in accordance with division (B) of this 13172
section, beginning with the day on which the requester files a 13173
mandamus action to recover statutory damages, up to a maximum of 13174
one thousand dollars. The award of statutory damages shall not be 13175
construed as a penalty, but as compensation for injury arising 13176
from lost use of the requested information. The existence of this 13177
injury shall be conclusively presumed. The award of statutory 13178
damages shall be in addition to all other remedies authorized by 13179
this section. 13180

The court may reduce an award of statutory damages or not 13181

award statutory damages if the court determines both of the 13182
following: 13183

(a) That, based on the ordinary application of statutory law 13184
and case law as it existed at the time of the conduct or 13185
threatened conduct of the public office or person responsible for 13186
the requested public records that allegedly constitutes a failure 13187
to comply with an obligation in accordance with division (B) of 13188
this section and that was the basis of the mandamus action, a 13189
well-informed public office or person responsible for the 13190
requested public records reasonably would believe that the conduct 13191
or threatened conduct of the public office or person responsible 13192
for the requested public records did not constitute a failure to 13193
comply with an obligation in accordance with division (B) of this 13194
section; 13195

(b) That a well-informed public office or person responsible 13196
for the requested public records reasonably would believe that the 13197
conduct or threatened conduct of the public office or person 13198
responsible for the requested public records would serve the 13199
public policy that underlies the authority that is asserted as 13200
permitting that conduct or threatened conduct. 13201

(3) In a mandamus action filed under division (C)(1) of this 13202
section, the following apply: 13203

(a)(i) If the court orders the public office or the person 13204
responsible for the public record to comply with division (B) of 13205
this section, the court shall determine and award to the relator 13206
all court costs, which shall be construed as remedial and not 13207
punitive. 13208

(ii) If the court makes a determination described in division 13209
(C)(3)(b)(iii) of this section, the court shall determine and 13210
award to the relator all court costs, which shall be construed as 13211
remedial and not punitive. 13212

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section or if the court determines any of the following, the court may award reasonable attorney's fees to the relator, subject to division (C)(4) of this section:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(iii) The public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order concluding whether or not the public office or person was required to comply with division (B) of this section. No discovery may be conducted on the issue of the alleged bad faith of the public office or person responsible for the public records. This division shall not be construed as creating a presumption that the public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order described in this division.

(c) The court shall not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law 13244
and case law as it existed at the time of the conduct or 13245
threatened conduct of the public office or person responsible for 13246
the requested public records that allegedly constitutes a failure 13247
to comply with an obligation in accordance with division (B) of 13248
this section and that was the basis of the mandamus action, a 13249
well-informed public office or person responsible for the 13250
requested public records reasonably would believe that the conduct 13251
or threatened conduct of the public office or person responsible 13252
for the requested public records did not constitute a failure to 13253
comply with an obligation in accordance with division (B) of this 13254
section; 13255

(ii) That a well-informed public office or person responsible 13256
for the requested public records reasonably would believe that the 13257
conduct or threatened conduct of the public office or person 13258
responsible for the requested public records would serve the 13259
public policy that underlies the authority that is asserted as 13260
permitting that conduct or threatened conduct. 13261

(4) All of the following apply to any award of reasonable 13262
attorney's fees awarded under division (C)(3)(b) of this section: 13263

(a) The fees shall be construed as remedial and not punitive. 13264

(b) The fees awarded shall not exceed the total of the 13265
reasonable attorney's fees incurred before the public record was 13266
made available to the relator and the fees described in division 13267
(C)(4)(c) of this section. 13268

(c) Reasonable attorney's fees shall include reasonable fees 13269
incurred to produce proof of the reasonableness and amount of the 13270
fees and to otherwise litigate entitlement to the fees. 13271

(d) The court may reduce the amount of fees awarded if the 13272
court determines that, given the factual circumstances involved 13273
with the specific public records request, an alternative means 13274

should have been pursued to more effectively and efficiently 13275
resolve the dispute that was subject to the mandamus action filed 13276
under division (C) (1) of this section. 13277

(5) If the court does not issue a writ of mandamus under 13278
division (C) of this section and the court determines at that time 13279
that the bringing of the mandamus action was frivolous conduct as 13280
defined in division (A) of section 2323.51 of the Revised Code, 13281
the court may award to the public office all court costs, 13282
expenses, and reasonable attorney's fees, as determined by the 13283
court. 13284

(D) Chapter 1347. of the Revised Code does not limit the 13285
provisions of this section. 13286

(E) (1) To ensure that all employees of public offices are 13287
appropriately educated about a public office's obligations under 13288
division (B) of this section, all elected officials or their 13289
appropriate designees shall attend training approved by the 13290
attorney general as provided in section 109.43 of the Revised 13291
Code. A future official may satisfy the requirements of this 13292
division by attending the training before taking office, provided 13293
that the future official may not send a designee in the future 13294
official's place. 13295

(2) All public offices shall adopt a public records policy in 13296
compliance with this section for responding to public records 13297
requests. In adopting a public records policy under this division, 13298
a public office may obtain guidance from the model public records 13299
policy developed and provided to the public office by the attorney 13300
general under section 109.43 of the Revised Code. Except as 13301
otherwise provided in this section, the policy may not limit the 13302
number of public records that the public office will make 13303
available to a single person, may not limit the number of public 13304
records that it will make available during a fixed period of time, 13305
and may not establish a fixed period of time before it will 13306

respond to a request for inspection or copying of public records, 13307
unless that period is less than eight hours. 13308

The public office shall distribute the public records policy 13309
adopted by the public office under this division to the employee 13310
of the public office who is the records custodian or records 13311
manager or otherwise has custody of the records of that office. 13312
The public office shall require that employee to acknowledge 13313
receipt of the copy of the public records policy. The public 13314
office shall create a poster that describes its public records 13315
policy and shall post the poster in a conspicuous place in the 13316
public office and in all locations where the public office has 13317
branch offices. The public office may post its public records 13318
policy on the internet web site of the public office if the public 13319
office maintains an internet web site. A public office that has 13320
established a manual or handbook of its general policies and 13321
procedures for all employees of the public office shall include 13322
the public records policy of the public office in the manual or 13323
handbook. 13324

(F) (1) The bureau of motor vehicles may adopt rules pursuant 13325
to Chapter 119. of the Revised Code to reasonably limit the number 13326
of bulk commercial special extraction requests made by a person 13327
for the same records or for updated records during a calendar 13328
year. The rules may include provisions for charges to be made for 13329
bulk commercial special extraction requests for the actual cost of 13330
the bureau, plus special extraction costs, plus ten per cent. The 13331
bureau may charge for expenses for redacting information, the 13332
release of which is prohibited by law. 13333

(2) As used in division (F) (1) of this section: 13334

(a) "Actual cost" means the cost of depleted supplies, 13335
records storage media costs, actual mailing and alternative 13336
delivery costs, or other transmitting costs, and any direct 13337
equipment operating and maintenance costs, including actual costs 13338

paid to private contractors for copying services. 13339

(b) "Bulk commercial special extraction request" means a 13340
request for copies of a record for information in a format other 13341
than the format already available, or information that cannot be 13342
extracted without examination of all items in a records series, 13343
class of records, or database by a person who intends to use or 13344
forward the copies for surveys, marketing, solicitation, or resale 13345
for commercial purposes. "Bulk commercial special extraction 13346
request" does not include a request by a person who gives 13347
assurance to the bureau that the person making the request does 13348
not intend to use or forward the requested copies for surveys, 13349
marketing, solicitation, or resale for commercial purposes. 13350

(c) "Commercial" means profit-seeking production, buying, or 13351
selling of any good, service, or other product. 13352

(d) "Special extraction costs" means the cost of the time 13353
spent by the lowest paid employee competent to perform the task, 13354
the actual amount paid to outside private contractors employed by 13355
the bureau, or the actual cost incurred to create computer 13356
programs to make the special extraction. "Special extraction 13357
costs" include any charges paid to a public agency for computer or 13358
records services. 13359

(3) For purposes of divisions (F)(1) and (2) of this section, 13360
"surveys, marketing, solicitation, or resale for commercial 13361
purposes" shall be narrowly construed and does not include 13362
reporting or gathering news, reporting or gathering information to 13363
assist citizen oversight or understanding of the operation or 13364
activities of government, or nonprofit educational research. 13365

(G) A request by a defendant, counsel of a defendant, or any 13366
agent of a defendant in a criminal action that public records 13367
related to that action be made available under this section shall 13368
be considered a demand for discovery pursuant to the Criminal 13369

Rules, except to the extent that the Criminal Rules plainly 13370
indicate a contrary intent. The defendant, counsel of the 13371
defendant, or agent of the defendant making a request under this 13372
division shall serve a copy of the request on the prosecuting 13373
attorney, director of law, or other chief legal officer 13374
responsible for prosecuting the action. 13375

(H) (1) Any portion of a body-worn camera or dashboard camera 13376
recording described in divisions (A) (17) (b) to (h) of this section 13377
may be released by consent of the subject of the recording or a 13378
representative of that person, as specified in those divisions, 13379
only if either of the following applies: 13380

(a) The recording will not be used in connection with any 13381
probable or pending criminal proceedings; 13382

(b) The recording has been used in connection with a criminal 13383
proceeding that was dismissed or for which a judgment has been 13384
entered pursuant to Rule 32 of the Rules of Criminal Procedure, 13385
and will not be used again in connection with any probable or 13386
pending criminal proceedings. 13387

(2) If a public office denies a request to release a 13388
restricted portion of a body-worn camera or dashboard camera 13389
recording, as defined in division (A) (17) of this section, any 13390
person may file a mandamus action pursuant to this section or a 13391
complaint with the clerk of the court of claims pursuant to 13392
section 2743.75 of the Revised Code, requesting the court to order 13393
the release of all or portions of the recording. If the court 13394
considering the request determines that the filing articulates by 13395
clear and convincing evidence that the public interest in the 13396
recording substantially outweighs privacy interests and other 13397
interests asserted to deny release, the court shall order the 13398
public office to release the recording. 13399

Sec. 149.434. (A) Each public office or person responsible 13400

for public records shall maintain a database or a list that 13401
includes the name ~~and date of birth~~ of all public officials and 13402
employees elected to or employed by that public office. The 13403
database or list is a public record and shall be made available 13404
upon a request made pursuant to section 149.43 of the Revised 13405
Code. 13406

(B) As used in this section: 13407

(1) "Employee" has the same meaning as in section 9.40 of the 13408
Revised Code. 13409

(2) "Public official" has the same meaning as in section 13410
117.01 of the Revised Code. 13411

(3) "Public record" has the same meaning as in section 149.43 13412
of the Revised Code. 13413

Sec. 153.013. (A) As used in this section, "indefinite 13414
delivery indefinite quantity contract" means a contract for an 13415
indefinite quantity, within stated limits, of supplies or services 13416
that will be delivered by the awarded bidder over a defined 13417
contract period. 13418

(B) The executive director of the capitol square review and 13419
advisory board, with the approval of the board, may advertise and 13420
seek bids for, and may award, an indefinite delivery indefinite 13421
quantity contract for an architect or engineer on an on-call, 13422

period prescribed by division (A) (3) of this section. Such an 16783
application constitutes a continuing application for a reduction 16784
in taxes for each year in which the dwelling is the applicant's 16785
homestead. 16786

(3) Failure to receive a new application filed under division 16787
(A) (1) or (2) or notification under division (C) of this section 16788
after an application for reduction has been approved is 16789
prima-facie evidence that the original applicant is entitled to 16790
the reduction in taxes calculated on the basis of the information 16791
contained in the original application. The original application 16792
and any subsequent application, including any late application, 16793
shall be in the form of a signed statement and shall be filed on 16794
or before the thirty-first day of December of the year for which 16795
the reduction is sought. The original application and any 16796
subsequent application for a reduction in manufactured home taxes 16797
shall be filed in the year preceding the year for which the 16798
reduction is sought. The statement shall be on a form, devised and 16799
supplied by the tax commissioner, which shall require no more 16800
information than is necessary to establish the applicant's 16801
eligibility for the reduction in taxes and the amount of the 16802
reduction, and, except for homesteads that are units in a housing 16803
cooperative, shall include an affirmation by the applicant that 16804
ownership of the homestead was not acquired from a person, other 16805
than the applicant's spouse, related to the owner by consanguinity 16806
or affinity for the purpose of qualifying for the real property or 16807
manufactured home tax reduction provided for in division (A) or 16808

(B) of section 323.152 of the Revised Code. The form shall contain 16809
a statement that conviction of willfully falsifying information to 16810
obtain a reduction in taxes or failing to comply with division (C) 16811
of this section results in the revocation of the right to the 16812
reduction for a period of three years. In the case of an 16813
application for a reduction in taxes for persons described in 16814
division (A) (1) (b) (iii) of section 323.152 of the Revised Code, 16815
the form shall contain a statement that signing the application 16816
constitutes a delegation of authority by the applicant to the tax 16817
commissioner or the county auditor, individually or in 16818
consultation with each other, to examine any tax or financial 16819
records relating to the income of the applicant as stated on the 16820
application for the purpose of determining eligibility for the 16821
exemption or a possible violation of division (D) or (E) of this 16822
section. 16823

(B) A late application for a tax reduction for the year 16824
preceding the year in which an original application is filed, or 16825
for a reduction in manufactured home taxes for the year in which 16826
an original application is filed, may be filed with the original 16827
application. If the county auditor determines the information 16828
contained in the late application is correct, the auditor shall 16829
determine the amount of the reduction in taxes to which the 16830
applicant would have been entitled for the preceding tax year had 16831
the applicant's application been timely filed and approved in that 16832
year. 16833

The amount of such reduction shall be treated by the auditor 16834
as an overpayment of taxes by the applicant and shall be refunded 16835
in the manner prescribed in section 5715.22 of the Revised Code 16836
for making refunds of overpayments. The county auditor shall 16837
certify the total amount of the reductions in taxes made in the 16838
current year under this division to the tax commissioner, who 16839
shall treat the full amount thereof as a reduction in taxes for 16840

the preceding tax year and shall make reimbursement to the county 16841
therefor in the manner prescribed by section 323.156 of the 16842
Revised Code, from money appropriated for that purpose. 16843

(C) (1) If, in any year after an application has been filed 16844
under division (A) (1) or (2) of this section, the owner does not 16845
qualify for a reduction in taxes on the homestead or on the 16846
manufactured or mobile home set forth on such application, the 16847
owner shall notify the county auditor that the owner is not 16848
qualified for a reduction in taxes. 16849

(2) If, in any year after an application has been filed under 16850
division (A) (1) of this section, the occupant of a homestead in a 16851
housing cooperative does not qualify for a reduction in taxes on 16852
the homestead, the occupant shall notify the county auditor that 16853
the occupant is not qualified for a reduction in taxes or file a 16854
new application under division (A) (1) of this section. 16855

(3) If the county auditor or county treasurer discovers that 16856
the an owner of property or occupant of a homestead in a housing 16857
cooperative not entitled to the reduction in taxes under division 16858
(A) or (B) of section 323.152 of the Revised Code failed to notify 16859
the county auditor as required by division (C) (1) or (2) of this 16860
section, a charge shall be imposed against the property in the 16861
amount by which taxes were reduced under that division for each 16862
tax year the county auditor ascertains that the property was not 16863
entitled to the reduction and was owned by the current owner or, 16864
in the case of a homestead in a housing cooperative, occupied by 16865
the current occupant. Interest shall accrue in the manner 16866
prescribed by division (B) of section 323.121 or division (G) (2) 16867
of section 4503.06 of the Revised Code on the amount by which 16868
taxes were reduced for each such tax year as if the reduction 16869
became delinquent taxes at the close of the last day the second 16870
installment of taxes for that tax year could be paid without 16871
penalty. The county auditor shall notify the owner or occupant, by 16872

ordinary mail, of the charge, of the owner's or occupant's right 16873
to appeal the charge, and of the manner in which the owner or 16874
occupant may appeal. The owner or occupant may appeal the 16875
imposition of the charge and interest by filing an appeal with the 16876
county board of revision not later than the last day prescribed 16877
for payment of real and public utility property taxes under 16878
section 323.12 of the Revised Code following receipt of the notice 16879
and occurring at least ninety days after receipt of the notice. 16880
The appeal shall be treated in the same manner as a complaint 16881
relating to the valuation or assessment of real property under 16882
Chapter 5715. of the Revised Code. The charge and any interest 16883
shall be collected as other delinquent taxes. 16884

(4) Each year during January, the county auditor shall 16885
furnish by ordinary mail a continuing application to each person 16886
receiving a reduction under division (A) of section 323.152 of the 16887
Revised Code. The continuing application shall be used to report 16888
changes in total income, ownership, occupancy, disability, and 16889
other information earlier furnished the auditor relative to the 16890
reduction in taxes on the property. The continuing application 16891
shall be returned to the auditor not later than the thirty-first 16892
day of December; provided, that if such changes do not affect the 16893
status of the homestead exemption or the amount of the reduction 16894
to which the owner is entitled under division (A) of section 16895
323.152 of the Revised Code or to which the occupant is entitled 16896
under section 323.159 of the Revised Code, the application does 16897
not need to be returned. 16898

(5) Each year during February, the county auditor, except as 16899
otherwise provided in this paragraph, shall furnish by ordinary 16900
mail an original application to the owner, as of the first day of 16901
January of that year, of a homestead or a manufactured or mobile 16902
home that transferred during the preceding calendar year and that 16903
qualified for and received a reduction in taxes under division (B) 16904

of section 323.152 of the Revised Code for the preceding tax year. 16905
In order to receive the reduction under that division, the owner 16906
shall file the application with the county auditor not later than 16907
the thirty-first day of December. If the application is not timely 16908
filed, the auditor shall not grant a reduction in taxes for the 16909
homestead for the current year, and shall notify the owner that 16910
the reduction in taxes has not been granted, in the same manner 16911
prescribed under section 323.154 of the Revised Code for 16912
notification of denial of an application. Failure of an owner to 16913
receive an application does not excuse the failure of the owner to 16914
file an original application. The county auditor is not required 16915
to furnish an application under this paragraph for any homestead 16916
for which application has previously been made on a form 16917
incorporated into any form used by the county auditor to 16918
administer the tax law in respect to the conveyance of real 16919
property or of used manufactured homes or used mobile homes, and 16920
an owner who previously has applied on such a form is not required 16921
to return an application furnished under this paragraph. 16922

(D) No person shall knowingly make a false statement for the 16923
purpose of obtaining a reduction in the person's real property or 16924
manufactured home taxes under section 323.152 of the Revised Code. 16925

(E) No person shall knowingly fail to notify the county 16926
auditor of changes required by division (C) of this section that 16927
have the effect of maintaining or securing a reduction in taxes 16928
under section 323.152 of the Revised Code. 16929

(F) No person shall knowingly make a false statement or 16930
certification attesting to any person's physical or mental 16931
condition for purposes of qualifying such person for tax relief 16932
pursuant to sections 323.151 to 323.159 of the Revised Code. 16933

Sec. 325.19. (A) (1) The granting of vacation leave under 16934
division (A) (1) of this section is subject to divisions (A) (2) and 16935

offices and departments of the county service, including full-time 16937
hourly rate employees, after service of one year with the county 16938
or any political subdivision of the state, shall have earned and 16939
will be due upon the attainment of the first year of employment, 16940
and annually thereafter, eighty hours of vacation leave with full 16941
pay. One year of service shall be computed on the basis of 16942
twenty-six biweekly pay periods. A full-time county employee with 16943
eight or more years of service with the county or any political 16944
subdivision of the state shall have earned and is entitled to one 16945
hundred twenty hours of vacation leave with full pay. A full-time 16946
county employee with fifteen or more years of service with the 16947
county or any political subdivision of the state shall have earned 16948
and is entitled to one hundred sixty hours of vacation leave with 16949
full pay. A full-time county employee with twenty-five years of 16950
service with the county or any political subdivision of the state 16951

employee at the rate of three and one-tenth hours each biweekly 16954
period for those entitled to eighty hours per year; four and 16955
six-tenths hours each biweekly period for those entitled to one 16956
hundred twenty hours per year; six and two-tenths hours each 16957
biweekly period for those entitled to one hundred sixty hours per 16958
year; and seven and seven-tenths hours each biweekly period for 16959
those entitled to two hundred hours per year. 16960

The appointing authorities of the offices and departments of 16961
the county service may permit all or any part of a person's prior 16962
service with any regional council of government established in 16963
accordance with Chapter 167. of the Revised Code to be considered 16964
service with the county or a political subdivision of the state 16965
for the purpose of determining years of service under this 16966
division. 16967

(2) Full-time employees granted vacation leave under division 16968
(A) (1) of this section who render any standard of service other 16969
than forty hours per week as described in division (K) of this 16970
section and who are in active pay status in a biweekly pay period, 16971
shall accrue a number of hours of vacation leave during each such 16972
pay period that bears the same ratio to the number of hours 16973
specified in division (A) (1) of this section as their number of 16974
hours which are accepted as full-time in active pay status, 16975
excluding overtime hours, bears to eighty hours. 16976

(3) Full-time employees granted vacation leave under division 16977
(A) (1) of this section who are in active pay status in a biweekly 16978
pay period for less than eighty hours or the number of hours of 16979
service otherwise accepted as full-time by their employing office 16980
or department shall accrue a number of hours of vacation leave 16981
during that pay period that bears the same ratio to the number of 16982
hours specified in division (A) (1) of this section as their number 16983
of hours in active pay status, excluding overtime hours, bears to 16984
eighty or the number of hours of service accepted as full-time, 16985
whichever is applicable. 16986

(B) A board of county commissioners, by resolution, may grant 16987
vacation leave with full pay to part-time county employees. A 16988
part-time county employee shall be eligible for vacation leave 16989

and annually thereafter. The ratio between the hours worked and 16991

same as the ratio between the hours worked and the vacation hours 16993
earned by a full-time employee as provided for in this section. 16994

(C) Days specified as holidays in section 124.19 of the 16995
Revised Code shall not be charged to an employee's vacation leave. 16996
Vacation leave shall be taken by the employee during the year in 16997
which it accrued and prior to the next recurrence of the 16998
anniversary date of the employee's employment, provided that the 16999

appointing authority may, in special and meritorious cases, permit 17000
such employee to accumulate and carry over the employee's vacation 17001
leave to the following year. No vacation leave shall be carried 17002
over for more than three years. An employee is entitled to 17003
compensation, at the employee's current rate of pay, for the 17004
prorated portion of any earned but unused vacation leave for the 17005
current year to the employee's credit at time of separation, and 17006
in addition shall be compensated for any unused vacation leave 17007
accrued to the employee's credit, with the permission of the 17008
appointing authority, for the three years immediately preceding 17009
the last anniversary date of employment. 17010

(D) (1) In addition to vacation leave, a full-time county 17011

Code. If any of those holidays fall on Saturday, the Friday 17018
immediately preceding shall be observed as the holiday. If any of 17019
those holidays fall on Sunday, the Monday immediately succeeding 17020
shall be observed as the holiday. If an employee's work schedule 17021
is other than Monday through Friday, the employee is entitled to 17022
holiday pay for holidays observed on the employee's day off 17023
regardless of the day of the week on which they are observed. 17024

(2) (a) When a classified employee of a county board of 17025
developmental disabilities works at a site maintained by a 17026
government entity other than the board, such as a public school, 17027
the board may adjust the employee's holiday schedule to conform to 17028
the schedule adopted by the government entity. Under an adjusted 17029
holiday schedule, an employee shall receive the number of hours of 17030
holiday pay granted under division (D) (1) of this section. 17031

(b) Pursuant to division (J) (6) of section 339.06 of the Revised Code, a county hospital may observe Martin Luther King day, Washington-Lincoln day, Columbus day, and Veterans' day on days other than those specified in section 1.14 of the Revised Code. 17032

17038
17039
17040

(F) Notwithstanding this section or any other section of the Revised Code, any appointing authority of a county office, department, commission, board, or body may, upon notification to the board of county commissioners, establish alternative schedules of vacation leave and holidays for employees of the appointing authority for whom the state employment relations board has not established an appropriate bargaining unit pursuant to section 4117.06 of the Revised Code, as long as the alternative schedules are not inconsistent with the provisions of at least one collective bargaining agreement covering other employees of that appointing authority, if such an agreement exists. If no such collective bargaining agreement exists, an appointing authority, upon notification to the board of county commissioners, may establish an alternative schedule of vacation leave and holidays for its employees that does not diminish the vacation leave and holiday benefits granted by this section. 17041

employee's employment is based on a school year and the employee 17068

private corporation or other entity, the appointing authority 17076
shall have no obligation to pay any compensation with respect to 17077

Sec. 340.022. (A) Notwithstanding the membership requirements 17148
of section 340.02 of the Revised Code, if the director of mental 17149
health and addiction services during the period beginning January 17150
1, 2021, and ending December 31, 2022, grants approval to a board 17151
of county commissioners of a county with a population of at least 17152
seventy thousand but not more than eighty thousand, according to 17153

data from the 2010 federal census, to withdraw from a joint-county 17154
alcohol, drug addiction, and mental health service district 17155
pursuant to section 340.01 of the Revised Code, a board of 17156
alcohol, drug addiction, and mental health services that is 17157
established as a result of that withdrawal shall meet the 17158
requirements of this section. 17159

The size of the board shall be determined by the board of 17160

After the resolution is adopted and the department is notified, 17168
the determination of size is final. 17169

(B) (1) In the case of a board of alcohol, drug addiction, and 17170
mental health services that is established on or after the date 17171
the director grants the approval to withdraw described in division 17172
(A) of this section, any of the following options may be selected 17173
by the board of county commissioners when making the determination 17174
required under that division: 17175

(a) To establish the board as an eighteen-member board; 17176

(b) To establish the board as a fourteen-member board; 17177

(c) To establish the board by selecting a number of members 17178

mental health services that existed immediately prior to the date 17181
the director grants the approval to withdraw described in division 17182
(A) of this section, either of the following options may be 17183

selected when making the determination required under that 17184
division: 17185

(a) To continue the board's operation as an eighteen-member 17186

by resolution adopted on or before November 1, 2009, may levy 17595
within the territory of the authority an excise tax on 17596
transactions by which lodging by a hotel is or is to be furnished 17597
to transient guests at a rate not to exceed three per cent on such 17598
transactions for the same purposes for which a tax may be levied 17599
under division (B) of this section. The resolution may be adopted 17600
only if the board of county commissioners of the county, by 17601
resolution, authorizes the levy of the tax. The resolution of the 17602
board of county commissioners is subject to referendum as 17603
prescribed by sections 305.31 to 305.41 of the Revised Code. If, 17604
pursuant to those procedures, a referendum is to be held, the 17605
board's resolution does not take effect until approved by a 17606
majority of electors voting on the question. The convention 17607
facilities authority may adopt the resolution authorized by 17608
division (C) (2) of this section before the election, but the 17609
authority's resolution shall not take effect if the board of 17610
commissioners' resolution is not approved at the election. A tax 17611
levied under division (C) (2) of this section is in addition to any 17612
tax levied under section 5739.09 of the Revised Code. 17613

The board of directors of a convention facilities authority 17614
that levies an excise tax under division (C) (2) of this section 17615
may, by resolution adopted by a majority of the members of the 17616
board on or before November 1, 2021, amend the resolution levying 17617
the tax to increase the rate of the tax by not more than an 17618
additional one per cent on each transaction. The resolution shall 17619
provide that all revenue from the increase in rate shall be used 17620
for the same purposes for which a tax may be levied under division 17621

(B) of this section. The resolution may be adopted only if the 17622
board of county commissioners of the county, by resolution, 17623
authorizes the rate increase. 17624

(3) The board of directors of a convention facilities 17625
authority created between July 1, 2019, and December 31, 2019, by 17626
resolution adopted on or before December 30, 2020, may levy within 17627
the territory of the authority an excise tax on transactions by 17628
which lodging by a hotel is or is to be furnished to transient 17629
guests at a rate not to exceed three per cent on such transactions 17630
for the purposes described in division (A) of this section. This 17631
tax shall be in addition to any excise tax levied pursuant to this 17632
section or section 5739.08 or 5739.09 of the Revised Code. The 17633
resolution levying the tax shall not take effect sooner than 17634
ninety days after the convention facilities authority is created. 17635

(D) The authority shall provide for the administration and 17636
allocation of an excise tax levied pursuant to division (B) or (C) 17637
of this section. All receipts arising from those excise taxes 17638
shall be expended for the purposes provided in, and in accordance 17639
with this section and section 351.141 of the Revised Code. An 17640
excise tax levied under division (B) or (C) of this section shall 17641
remain in effect at the rate at which it is levied for at least 17642
the duration of the period for which the receipts from the tax 17643
have been anticipated and pledged pursuant to section 351.141 of 17644
the Revised Code. 17645

(E) Except as provided in division (B)(2) of this section, 17646
the levy of an excise tax on each transaction pursuant to sections 17647
5739.08 and 5739.09 of the Revised Code does not prevent a 17648
convention facilities authority from levying an excise tax 17649
pursuant to division (B) or (C) of this section. 17650

(F) A convention facilities authority located in a county 17651
with a population greater than eighty thousand but less than 17652
ninety thousand according to the 2010 federal decennial census 17653

that levies a tax under division (B) of this section may amend the 17654
resolution levying the tax to allocate a portion of the revenue 17655
from the tax for support of tourism-related sites or facilities 17656
and programs operated by the county or a municipal corporation 17657
within the county in which the authority is located or for the 17658
purpose of leasing lands for county fairs, erecting buildings for 17659
county fair purposes, making improvements on a county fairground, 17660
or for any purpose connected with the use of a county fairground 17661
or with the management thereof by the county in which the 17662
authority is located. The revenue allocated by the authority for 17663
such purposes in a calendar year shall not exceed twenty-five per 17664
cent of the total revenue from the tax in the preceding calendar 17665
year. Revenue allocated for such purposes that is not fully used 17666
by the end of the calendar year may be carried forward for use in 17667
subsequent calendar years. Any amount carried forward does not 17668
count toward the limitation on the amount that may be allocated 17669
for such purposes in succeeding calendar years. 17670

Sec. 503.56. (A) As used in this section: 17671

(1) "Tourism development district" means a district 17672
designated by a township under this section. 17673

(2) "Territory of a tourism development district" means all 17674
of the area included within the territorial boundaries of a 17675
tourism development district. 17676

(3) "Business" means a sole proprietorship, a corporation for 17677
profit, a pass-through entity as defined in section 5733.04 of the 17678
Revised Code, the federal government, the state, the state's 17679
political subdivisions, a nonprofit organization, or a school 17680
district. A business "operates within the proposed district" if 17681
the business would be subject to a tax levied in the proposed 17682
tourism development district pursuant to division (C) of section 17683
5739.101 of the Revised Code. 17684

(4) "Owner" means a partner of a partnership, a member of a limited liability company, a majority shareholder of an S corporation, a person with a majority ownership interest in a pass-through entity, or any officer, employee, or agent with the authority to make decisions legally binding upon a business. The signature of any owner of a business operates as the signature of the business.

(5) "Eligible township" means a township wholly or partly located in a county having a population greater than three hundred seventy-five thousand but less than four hundred thousand that levies taxes under section 5739.021 or 5739.026 of the Revised Code, the aggregate rate of which does not exceed one-half of one per cent on September 29, 2015.

(B) (1) The board of trustees of an eligible township, by resolution, may declare an unincorporated area of the township to be a tourism development district for the purpose of fostering and developing tourism in the district if all of the following criteria are met:

(a) The district's area does not exceed six hundred acres.

(b) All territory in the district is contiguous.

(c) Before adopting that resolution or ordinance, the board holds at least two public hearings concerning the creation of the tourism development district.

(d) Before adopting the resolution or ordinance, the board receives a petition signed by every record owner of a parcel of real property located in the proposed district and the owner of every business that operates in the proposed district.

(e) The board adopts the resolution on or before December 31, 2020.

(2) The petition described in division (B) (1) (d) of this

section shall include an explanation of the taxes and charges that 17715
may be levied or imposed in the proposed district. 17716

(3) The board shall certify the resolution to the tax 17717
commissioner within five days after its adoption, along with a 17718
description of the boundaries of the district authorized in the 17719
resolution. That description shall include sufficient information 17720
for the commissioner to determine if the address of a vendor is 17721
within the boundaries of the district. 17722

(4) Subject to the limitations of division (B) (1) (a) and (b) 17723
of this section, the board of trustees of an eligible township may 17724
enlarge the territory of an existing tourism development district 17725
in the manner prescribed for the creation of a district under 17726
divisions (B) (1) to (3) of this section, except that the petition 17727
described in division (B) (1) (d) of this section must be signed by 17728
every record owner of a parcel of real property located in the 17729
area proposed to be added to the district and the owner of every 17730
business that operates in the area proposed to be added to the 17731
district. Division (B) (1) (e) of this section does not apply to a 17732
resolution enlarging the territory of an existing tourism 17733
development district. 17734

(C) For the purpose of fostering and developing tourism in a 17735
tourism development district, a lessor leasing real property in a 17736
tourism development district may impose and collect a uniform fee 17737
on each parcel of real property leased by the lessor, to be paid 17738
by each of the person's lessees. A lessee is subject to such a fee 17739
only if the lease separately states the amount of the fee. Before 17740
a lessor may impose and collect such a fee, the lessor shall file 17741
a copy of such lease with the fiscal officer of the township that 17742
designated the tourism development district. A lessor that imposes 17743
such a fee shall remit all collections of the fee to the fiscal 17744
officer of the township in which the real property is located. 17745

The board shall establish all regulations necessary to 17746

provide for the administration and remittance of such fees. The 17747
regulations may prescribe the time for payment of the fee, and may 17748
provide for the imposition of a penalty or interest, or both, for 17749
late remittances, provided that the penalty does not exceed ten 17750
per cent of the amount of fee due, and the rate at which interest 17751
accrues does not exceed the rate per annum prescribed pursuant to 17752
section 5703.47 of the Revised Code. The regulations shall 17753
provide, after deducting the real and actual costs of 17754
administering the fee, that the revenue be used exclusively for 17755
fostering and developing tourism within the tourism development 17756
district. 17757

(D) The board of trustees of an eligible township that has 17758
designated a tourism development district under this section may 17759
levy one or both of the taxes authorized under section 503.57 or 17760
5739.101 of the Revised Code. If the board does not levy a tax 17761
under section 5739.101 of the Revised Code, the board may enter 17762
into and enforce agreements imposing a development charge under 17763
section 503.58 of the Revised Code. 17764

(E) On or before the first day of each January and July, 17765
beginning after the designation of the tourism development 17766
district, the fiscal officer of the township shall certify a list 17767
of vendors located within the tourism development district to the 17768
tax commissioner, which shall include the name, address, and 17769
vendor's license number for each vendor. 17770

Sec. 504.04. (A) A township that adopts a limited home rule 17771
government may do all of the following by resolution, provided 17772
that any of these resolutions, other than a resolution to supply 17773
water or sewer services in accordance with sections 504.18 to 17774
504.20 of the Revised Code, may be enforced only by the imposition 17775
of civil fines as authorized in this chapter: 17776

(1) Exercise all powers of local self-government within the 17777

unincorporated area of the township, other than powers that are in 17778
conflict with general laws, except that the township shall comply 17779
with the requirements and prohibitions of this chapter, and shall 17780
enact no taxes other than those authorized by general law, and 17781
except that no resolution adopted pursuant to this chapter shall 17782
encroach upon the powers, duties, and privileges of elected 17783
township officers or change, alter, combine, eliminate, or 17784
otherwise modify the form or structure of the township government 17785
unless the change is required or permitted by this chapter; 17786

(2) Adopt and enforce within the unincorporated area of the 17787
township local police, sanitary, and other similar regulations 17788
that are not in conflict with general laws or otherwise prohibited 17789
by division (B) of this section; 17790

(3) Supply water and sewer services to users within the 17791
unincorporated area of the township in accordance with sections 17792

township any resolution of a type described in section 503.52 or 17795
503.60 of the Revised Code. 17796

(B) No resolution adopted pursuant to this chapter shall do 17797
any of the following: 17798

chapter; 17803

and other standard codes except as provided in section 504.13 of 17809
the Revised Code; 17810

duties of a township under any other chapter of the Revised Code 17812
pertaining to agriculture or the conservation or development of 17813
natural resources; 17814

(6) Establish regulations affecting hunting, trapping, 17815
fishing, or the possession, use, or sale of firearms; 17816

such containers. As used in this division, "auxiliary container" 17825
has the same meaning as in section 3767.32 of the Revised Code. 17826

Nothing in this chapter shall be construed as affecting the 17827

as provided in Chapter 505. of the Revised Code, except that the 17832
board of township trustees shall appoint a full-time or part-time 17833
law director pursuant to section 504.15 of the Revised Code, and 17834
except that a five-member board of township trustees approved for 17835
the township before September 26, 2003, shall continue to serve as 17836
the legislative authority with successive members serving for 17837
four-year terms of office until a termination of a limited home 17838

rule government under section 504.03 of the Revised Code. 17839

(D) In case of conflict between resolutions enacted by a 17840
board of township trustees and municipal ordinances or 17841

required to perform. The appointment of assistants under this 17856
section does not relieve the township fiscal officer of 17857
responsibility to discharge the duties of the office but shall 17858
serve to provide assistance to the fiscal officer in performing 17859
those duties. 17860

(B) The compensation of an assistant appointed under this 17861
section shall be included in the estimate of contemplated 17862
expenditures for the township fiscal officer's office that is 17863

section does not apply to a resolution or ordinance enlarging the 18002
territory of an existing tourism development district. 18003

(C) For the purpose of fostering and developing tourism in a 18004
tourism development district, a lessor leasing real property in a 18005
tourism development district may impose and collect a uniform fee 18006
on each parcel of real property leased by the lessor, to be paid 18007
by each of the person's lessees. A lessee is subject to such a fee 18008
only if the lease separately states the amount of the fee. Before 18009
a lessor may impose and collect such a fee, the lessor shall file 18010
a copy of such lease with the fiscal officer. A lessor that 18011
imposes such a fee shall remit all collections of the fee to the 18012
municipal corporation in which the real property is located. 18013

The legislative authority of that municipal corporation shall 18014
establish all regulations necessary to provide for the 18015
administration and remittance of such fees. The regulations may 18016
prescribe the time for payment of the fee, and may provide for the 18017
imposition of a penalty or interest, or both, for late 18018
remittances, provided that the penalty does not exceed ten per 18019
cent of the amount of fee due, and the rate at which interest 18020

accrues does not exceed the rate per annum prescribed pursuant to 18021
section 5703.47 of the Revised Code. The regulations shall 18022
provide, after deducting the real and actual costs of 18023
administering the fee, that the revenue be used exclusively for 18024
fostering and developing tourism within the tourism development 18025
district. 18026

(D) The legislative authority of an eligible municipal 18027
corporation that has designated a tourism development district may 18028
levy the tax authorized under section 5739.101 of the Revised Code 18029
or enter into and enforce agreements imposing a development charge 18030
under section 715.015 of the Revised Code. Nothing in this section 18031
limits the power of the legislative authority of a municipal 18032
corporation to levy a tax on the basis of admissions in a tourism 18033
development district pursuant to its powers of local 18034
self-government conferred by Section 3 of Article XVIII, Ohio 18035
Constitution. 18036

(E) On or before the first day of each January and July, 18037
beginning after the designation of a tourism development district, 18038
the fiscal officer shall certify a list of vendors located within 18039
the tourism development district to the tax commissioner, which 18040
shall include the name, address, and vendor's license number for 18041
each vendor. 18042

district for the purpose of facilitating economic development and 18110
redevelopment, to create or preserve jobs and employment 18111
opportunities, and to improve the economic welfare of the people 18112

in this state and in the area of the contracting parties. 18113

(1) Except as otherwise provided in division (C)(2) of this 18114

Excluded parcels are not part of the district and persons employed 18154
or residing on such parcels shall not be subject to any income tax 18155
imposed within the district under division (F) (5) of this section. 18156

(F) (1) The contract creating a joint economic development 18157
district shall provide for the amount or nature of the 18158
contribution of each contracting party to the development and 18159
operation of the district and may provide for the sharing of the 18160
costs of the operation of and improvements for the district. The 18161
contributions may be in any form to which the contracting parties 18162
agree and may include, but are not limited to, the provision of 18163
services, money, real or personal property, facilities, or 18164
equipment. 18165

(2) The contract may provide for the contracting parties to 18166
share revenue from taxes levied by one or more of the contracting 18167
parties if those revenues may lawfully be applied to that purpose 18168
under the legislation by which those taxes are levied. 18169

(3) The contract shall include an economic development plan 18170
for the district that consists of a schedule for the provision of 18171
new, expanded, or additional services, facilities, or 18172
improvements. The contract may provide for expanded or additional 18173
capacity for or other enhancement of existing services, 18174

facilities, or improvements. 18175

(4) The contract shall enumerate the specific powers, duties, 18176
and functions of the board of directors of the district described 18177
under division (P) of this section and shall designate procedures 18178
consistent with that division for appointing members to the board. 18179
The contract shall enumerate rules to govern the board in carrying 18180
out its business under this section. 18181

(5) (a) The contract may grant to the board the power to adopt 18182
a resolution to levy an income tax within the entire district or 18183
within portions of the district designated by the contract. The 18184
income tax shall be used to carry out the economic development 18185
plan for the district or the portion of the district in which the 18186
tax is levied and for any other lawful purpose of the contracting 18187
parties pursuant to the contract, including the provision of 18188
utility services by one or more of the contracting parties. 18189

(b) An income tax levied under this section shall be based on 18190
both the income earned by persons employed or residing within the 18191
district and the net profit of businesses operating within the 18192
district. 18193

Except as provided in this section, the income tax levied 18194
within the district is subject to Chapter 718. of the Revised 18195
Code, except that no vote shall be required. The rate of the 18196
income tax shall be no higher than the highest rate being levied 18197
by a municipal corporation that is a contracting party. 18198

(c) If the board adopts a resolution to levy an income tax, 18199
it shall enter into an agreement with a municipal corporation that 18200
is a contracting party to administer, collect, and enforce the 18201
income tax on behalf of the district. 18202

(d) A resolution levying an income tax under this section 18203
shall require the contracting parties to annually set aside a 18204
percentage, to be stated in the resolution, of the amount of the 18205

income tax collected for the long-term maintenance of the 18206
district. 18207

(e) An income tax levied under this section shall apply in 18208
the district or the portion of the district in which the contract 18209
authorizes an income tax throughout the term of the contract 18210
creating the district. The tax shall not apply to any persons 18211
employed or residing on a parcel excluded from the district under 18212
division (E) (2) of this section. 18213

(6) If there is unincorporated territory in the district, the 18214
contract shall specify that restrictions on annexation proceedings 18215
under division (R) of this section apply to such unincorporated 18216
territory. The contract may prohibit proceedings under Chapter 18217
709. of the Revised Code proposing the annexation to, merger of, 18218
or consolidation with a municipal corporation that is a 18219
contracting party of any unincorporated territory within a 18220
township that is a contracting party during the term of the 18221
contract regardless of whether that territory is located within 18222
the district. 18223

(7) The contract may designate property as a community 18224
entertainment district, or may be amended to designate property as 18225
a community entertainment district, as prescribed in division (D) 18226
of section 4301.80 of the Revised Code. A contract or amendment 18227
designating a community entertainment district shall include all 18228
information and documentation described in divisions (B) (1) to (6) 18229
of section 4301.80 of the Revised Code. The public notice required 18230
under division (I) of this section shall specify that the contract 18231
designates a community entertainment district and describe the 18232
location of that district. Except as provided in division (F) of 18233
section 4301.80 of the Revised Code, an area designated as a 18234
community entertainment district under a joint economic 18235
development district contract shall not lose its designation even 18236
if the contract is canceled or terminated. 18237

(8) If any part of the district is located either within one-half of one mile of a non-contracting municipal corporation or within an area covered by or subject to a water or sewer service plan or agreement, the contract shall include all of the following: 18238
18239
18240
18241
18242

(a) A preliminary estimate of the costs of providing public utility services, facilities, and improvements to the district, prepared by a professional engineer; 18243
18244
18245

(b) An analysis of the anticipated sources for funding the costs of the public utilities infrastructure needed to serve the district and a projection of when such funds will be available and when such costs are likely to be incurred; 18246
18247
18248
18249

(c) Evidence or estimates indicating that the construction of the public utility infrastructure needed to serve at least some portion of the district will be completed within five years after the creation of the district. 18250
18251
18252
18253

(G) The contract creating a joint economic development district shall continue in existence throughout its term and shall be binding on the contracting parties and on any parties succeeding to the contracting parties, whether by annexation, merger, or consolidation. Except as provided in division (H) of this section, the contract may be amended, renewed, or terminated with the approval of the contracting parties or any parties succeeding to the contracting parties. If the contract is amended to add or remove an area to or from an existing district, the amendment shall be adopted in the manner prescribed under division (L) of this section. 18254
18255
18256
18257
18258
18259
18260
18261
18262
18263
18264

(H) If two or more contracting parties previously have entered into a separate contract for utility services, then amendment, renewal, or termination of the separate contract for utility services shall not constitute any part of the 18265
18266
18267
18268

consideration for the contract creating a joint economic 18269
development district. A contract creating a joint economic 18270
development district shall be rebuttably presumed to violate this 18271
division if it is entered into within two years prior or five 18272
years subsequent to the amendment, renewal, or termination of a 18273
separate contract for utility services that two or more 18274
contracting parties previously have entered into. The presumption 18275
stated in this division may be rebutted by clear and convincing 18276
evidence of both of the following: 18277

(1) That other substantial consideration existed to support 18278
the contract creating a joint economic development district; 18279

(2) That the contracting parties entered into the contract 18280
creating a joint economic development district freely and without 18281
duress or coercion related to the amendment, renewal, or 18282
termination of the separate contract for utility services. 18283

A contract creating a joint economic development district 18284
that violates this division is void and unenforceable. 18285

(I) (1) Before the legislative authority of any of the 18286
contracting parties adopts an ordinance or resolution approving a 18287
contract to create a district, the legislative authority of each 18288
of the contracting parties shall hold a public hearing concerning 18289
the contract and district. Each legislative authority shall 18290
provide at least thirty days' public notice of the time and place 18291
of the public hearing in a newspaper of general circulation in the 18292
municipal corporation, township, or county, as applicable. During 18293
the thirty-day period prior to the public hearing and until the 18294
date that an ordinance or resolution is adopted under division (K) 18295
of this section to approve the joint economic development district 18296
contract, all of the following documents shall be available for 18297
public inspection in the office of the clerk of the legislative 18298
authority of a municipal corporation and county that is a 18299
contracting party and in the office of the fiscal officer of a 18300

township that is a contracting party: 18301

(a) A copy of the contract creating the district, including 18302
the economic development plan for the district and the schedule 18303
for the provision of new, expanded, or additional services, 18304
facilities, or improvements described in division (F) (3) of this 18305
section; 18306

(b) A description of the area or areas to be included in the 18307
district, including a map in sufficient detail to denote the 18308
specific boundaries of the area or areas and to indicate any 18309
zoning restrictions applicable to the area or areas, and the 18310
parcel number, provided for under section 319.28 of the Revised 18311
Code, of any parcel located within the boundaries of the joint 18312
economic development district and excluded from the district under 18313
division (E) (2) of this section; 18314

(c) If the contract authorizes the board of directors of the 18315
district to adopt a resolution to levy an income tax within the 18316
district or within portions of the district, a schedule for the 18317
collection of the tax. 18318

(2) At least thirty days before the first public hearing is 18319
to be held by one or more legislative authorities on a proposed 18320
district, notice shall be sent in writing to each non-contracting 18321
municipal corporation that is located within one-half of one mile 18322
of the proposed district or that is identified in a water or sewer 18323
service plan or agreement as a future provider of water or sewer 18324
services to all or part of the proposed district. 18325

(3) A public hearing held under this division shall allow for 18326
public comment and recommendations on the contract and district. 18327
The contracting parties may include in the contract any of those 18328
recommendations prior to approval of the contract. 18329

(J) (1) Before any of the contracting parties approves a 18330
contract under division (K) of this section, the contracting 18331

parties shall circulate one or more petitions to record owners of 18332
real property located within the proposed joint economic 18333
development district and owners of businesses operating within the 18334
proposed district. The petitions shall state that all of the 18335
documents described in divisions (I) (1) (a) to (c) of this section 18336
are available for public inspection in the office of the clerk of 18337
the legislative authority of each municipal corporation and county 18338
that is a contracting party or the office of the fiscal officer of 18339
each township that is a contracting party. The petitions shall 18340
clearly indicate that, by signing the petition, the record owner 18341
or owner consents to the proposed joint economic development 18342
district. 18343

A contracting party may send written notice of the petitions 18344
by certified mail with return receipt requested to the last known 18345
mailing addresses of any or all of the record owners of real 18346
property located within the proposed district or the owners of 18347
businesses operating within the proposed district. The contracting 18348
parties shall equally share the costs of complying with this 18349
division. 18350

(2) If any portion of property located within the proposed 18351
joint economic development district is also either located within 18352
one-half of one mile of a non-contracting municipal corporation or 18353
covered by or subject to a water or sewer service plan or 18354
agreement under which a non-contracting municipal corporation is 18355
identified as a future provider of water or sewer services to all 18356
or part of the proposed district, then that property and any 18357
property contiguous to that property if owned by the same person 18358
shall be excluded from the joint economic development district 18359
unless the owner of the property signs the petition. 18360

(K) (1) After the public hearings required under division (I) 18361
of this section have been held and the petitions described in 18362
division (J) of this section have been signed by the majority of 18363

the record owners of real property located within the proposed 18364
joint economic development district and by a majority of the 18365
owners of businesses, if any, operating within the proposed 18366
district, each contracting party may adopt an ordinance or 18367
resolution approving the contract to create a joint economic 18368
development district. Not later than ten days after all of the 18369
contracting parties have adopted ordinances or resolutions 18370
approving the district contract, each contracting party shall give 18371
notice of the proposed district to all of the following: 18372

(a) Each record owner of real property to be included in the 18373
district and in the territory of that contracting party who did 18374
not sign the petitions described in division (J) of this section; 18375

(b) An owner of each business operating within the district 18376
and in the territory of that contracting party no owner of which 18377
signed the petitions described in division (J) of this section. 18378

(2) Such notices shall be given by certified mail and shall 18379
specify that the property or business is located within an area to 18380
be included in the district and that all of the documents 18381
described in divisions (I)(1)(a) to (c) of this section are 18382
available for public inspection in the office of the clerk of the 18383
legislative authority of each municipal corporation and county 18384
that is a contracting party or the office of the fiscal officer of 18385
each township that is a contracting party. The contracting parties 18386
shall equally share the costs of complying with division (K) of 18387
this section. 18388

(L)(1) The contracting parties may amend the joint economic 18389
development district contract to add any area that was not 18390
originally included in the district if the area satisfies the 18391
criteria prescribed under division (E) of this section. The 18392
contracting parties may also amend the district contract to remove 18393
any area originally included in the district or exclude one or 18394
more parcels located within the district pursuant to division 18395

(E) (2) of this section. 18396

(2) An amendment adding an area to a district, removing an area from the district, or excluding one or more parcels from the district may be approved only by a resolution or ordinance adopted by each of the contracting parties. The contracting parties shall conduct public hearings on the amendment and provide notice in the manner required under division (I) of this section for original contracts. The contracting parties shall make available for public inspection a copy of the amendment, a description of the area to be added, removed, or excluded to or from the district, and a map of that area in sufficient detail to denote the specific boundaries of the area and to indicate any zoning restrictions applicable to the area. 18397

(3) Before adopting a resolution or ordinance approving the addition of an area to the district, the contracting parties shall circulate petitions to the record owners of real property located within the proposed addition to the district and owners of businesses operating within the proposed addition to the district in the same manner required under division (J) of this section for original contracts. The contracting parties may notify such record owners of real property and owners of businesses that the petitions are available for signing in the same manner provided by that division. implementing the board's financial transaction devices program. 18926
The county treasurer may decline this responsibility within thirty 18927

proposals will be mailed. 18966

Upon receiving the proposals, the administrative agent shall 18967
review them and make a recommendation to the board on which 18968

recommendation and review all proposals submitted, and then may 18970
choose to contract with any or all of the entities submitting 18971
proposals, as appropriate. The board shall provide any financial 18972

the board shall clearly post a notice and shall notify each person 18985
making a payment by such a device about the surcharge or fee. 18986

(3) A clear statement that the surcharge or convenience fee 18997
is nonrefundable. 18998

(E) If a person elects to make a payment to the soil and 18999
water conservation district by a financial transaction device and 19000
a surcharge or convenience fee is imposed, the payment of the 19001

or fee is not refundable. 19003

(F) If a person makes payment by financial transaction device 19004
and the payment is returned or dishonored for any reason, the 19005
person is liable to the soil and water conservation district for 19006
payment of a penalty over and above the amount of the expense due. 19007
The board shall determine the amount of the penalty, which may be 19008
either a fee not to exceed twenty dollars or payment of the amount 19009
necessary to reimburse the district for banking charges, legal 19010

returned or dishonored payment. The remedies and procedures 19012
provided in this section are in addition to any other available 19013
civil or criminal remedies provided by law. 19014

(G) No person making any payment by financial transaction device to a soil and water conservation district shall be relieved from liability for the underlying obligation except to the extent that the district realizes final payment of the underlying obligation in cash or its equivalent. If final payment is not made by the financial transaction device issuer or other guarantor of payment in the transaction, the underlying obligation survives and the district retains all remedies for enforcement that would have applied if the transaction had not occurred. 19015

~~(D) The director of natural resources shall use contributions from "Ohio geology" license plates deposited into the fund for both of the following purposes in order of preference:~~

~~(1) To award grants to geology departments at state colleges and universities for graduate level research conducted at locations of geological interest in the state;~~

~~(2) To provide materials such as rock and mineral kits to state elementary and secondary schools to assist students in the study of geology.~~

~~The director shall award grants at least annually, but at the director's discretion, may award grants more frequently.~~

Sec. 1509.12. (A) ~~(1) No owner of any well person shall construct or operate a well, or permit defective casing in a well to leak fluids or gases, that causes damage to other permeable strata, underground sources of drinking water, or the surface of the land or that threatens the public health and safety or the environment. Upon~~

~~(2) No owner of a well shall permit a well to leak fluids or gases.~~

~~(3) Upon the discovery that the casing in a well is defective or that a well was not adequately constructed, the owner of person that owns the well or that is responsible for the well shall notify the chief of the division of oil and gas resources management within twenty-four hours of the discovery, and the owner shall immediately repair the casing, correct the construction inadequacies, or plug and abandon the well.~~

~~(B) When the chief finds that a well should be plugged, the chief shall notify the owner to that effect by order in writing issue an order to the person that owns the well or that is responsible for the well to plug the well and shall specify in the~~

order a reasonable time within which to comply. No ~~owner~~ person 20183
shall fail or refuse to plug a well within the time specified in 20184
the order. Each day on which such a well remains unplugged 20185
thereafter constitutes a separate offense. 20186

Where the plugging method prescribed by rules adopted 20187
pursuant to section 1509.15 of the Revised Code cannot be applied 20188
or if applied would be ineffective in carrying out the protection 20189
that the law is meant to give, the chief may designate a different 20190
method of plugging. The abandonment report shall show the manner 20191
in which the well was plugged. 20192

(C) In case of oil or gas wells abandoned prior to September 20193
1, 1978, the board of county commissioners of the county in which 20194
the wells are located may submit to the electors of the county the 20195
question of establishing a special fund, by general levy, by 20196
general bond issue, or out of current funds, which shall be 20197
approved by a majority of the electors voting upon that question 20198
for the purpose of plugging the wells. The fund shall be 20199
administered by the board and the plugging of oil and gas wells 20200
shall be under the supervision of the chief, and the board shall 20201
let contracts for that purpose, provided that the fund shall not 20202
be used for the purpose of plugging oil and gas wells that were 20203
abandoned subsequent to September 1, 1978. 20204

Sec. 1509.13. (A) ~~No~~ (1) Except as otherwise provided in 20205
division (A)(2) of this section and division (E)(1) of section 20206
1509.071 of the Revised Code, no person shall plug and abandon a 20207
well without having a permit to do so issued by the chief of the 20208
division of oil and gas resources management. The permit shall be 20209
issued by the chief in accordance with this chapter and shall be 20210
valid for a period of twenty-four months from the date of issue. 20211

(2) The holder of a valid permit issued under section 1509.06 20212
of the Revised Code may receive approval from an oil and gas 20213

resources inspector to plug and abandon the well associated with 20214
that permit, without obtaining the permit required under division 20215
(A) of this section, if either of the following apply: 20216

(a) The well was drilled to total depth and the well cannot 20217
or will not be completed. 20218

(b) The well is a lost hole or dry hole. 20219

(3) A permit holder plugging a well pursuant to division 20220
(A) (2) (a) of this section shall plug the well within thirty days 20221
of receipt of approval from the oil and gas resources inspector. 20222

(4) A permit holder plugging a well pursuant to division 20223
(A) (2) (b) of this section shall plug the well immediately after 20224
determining that the well is a lost hole or dry hole in accordance 20225
with rules adopted under this chapter. 20226

(B) ~~Application by the owner~~ The application for a permit to 20227
plug and abandon shall be filed as many days in advance as will be 20228
necessary for an oil and gas resources inspector or, if the well 20229
is located in a coal bearing township, both a deputy mine 20230
inspector and an oil and gas resources inspector to be present at 20231
the plugging. The application shall be filed with the chief upon a 20232
form that the chief prescribes and shall contain the following 20233
information: 20234

(1) The name and address of the ~~owner~~ applicant; 20235

(2) The signature of the ~~owner~~ applicant or the ~~owner's~~ 20236
applicant's authorized agent. When an authorized agent signs an 20237
application, it shall be accompanied by a certified copy of the 20238
appointment as that agent. 20239

(3) The location of the well identified by section or lot 20240
number, city, village, township, and county; 20241

(4) Designation of well by name and number; 20242

(5) The total depth of the well to be plugged; 20243

(6) The date and amount of last production from the well; 20244

(7) Other ~~data~~ information that the chief may require. 20245

(C) Except as otherwise provided in division (E)(2)(a) of 20246
section 1509.071 of the Revised Code, ~~if oil or gas has been~~ 20247
~~produced from the well,~~ the application shall be accompanied by a 20248
nonrefundable fee of two hundred fifty dollars. ~~If a well has been~~ 20249
~~drilled in accordance with law and the permit is still valid, the~~ 20250
~~permit holder may receive approval to plug the well from an oil~~ 20251
~~and gas resources inspector so that the well can be plugged and~~ 20252
~~abandoned without undue delay.~~ Unless waived by an oil and gas 20253
resources inspector, the owner of a well or the owner's authorized 20254
representative shall notify an oil and gas resources inspector at 20255
least twenty-four hours prior to the commencement of the plugging 20256
of a well. No well shall be plugged and abandoned without an oil 20257
and gas resources inspector present unless permission has been 20258
granted by the chief. The owner of a well that has produced oil or 20259
gas shall give written notice at the same time to the owner of the 20260
land upon which the well is located and to all lessors that 20261
receive gas from the well pursuant to a ~~lease~~ an agreement. If the 20262
well penetrates or passes within one hundred feet of the 20263
excavations and workings of a mine, the owner of the well shall 20264
give written notice to the owner or lessee of that mine, ~~of the~~ 20265
~~well owner's~~ intention to abandon the well and of the time when 20266
the ~~well~~ owner of the well will be prepared to commence plugging 20267
it. 20268

(D) An applicant may file a request with the chief for 20269
expedited review of an application for a permit to plug and 20270
abandon a well. The chief may refuse to accept a request for 20271
expedited review if, in the chief's judgment, acceptance of the 20272
request will prevent the issuance, within twenty-one days of 20273
filing, of permits for which applications filed under section 20274
1509.06 of the Revised Code are pending. In addition to a complete 20275

application for a permit that meets the requirements of this 20276
section and the permit fee prescribed by this section, if 20277
applicable, a request shall be accompanied by a nonrefundable 20278
filing fee of five hundred dollars unless the chief has ordered 20279
the applicant to plug and abandon the well. When a request for 20280
expedited review is filed, the chief shall immediately begin to 20281
process the application and shall issue a permit within seven days 20282
of the filing of the request unless the chief, by order, denies 20283
the application. 20284

(E) This (1) Except as otherwise provided in division (E) (2) 20285
of this section, any person undertaking the plugging of a well for 20286
which a permit has been issued under this section shall obtain 20287
insurance for bodily injury coverage and property damage coverage 20288
in the amount established under section 1509.07 of the Revised 20289
Code to pay for damages or injury to property or person, including 20290
damages caused by the plugging of the well. The person shall 20291
electronically submit proof of insurance to the chief upon the 20292
chief's request. 20293

(2) Division (E) (1) of this section does not apply to a 20294
person already required to maintain an insurance policy under 20295
section 1509.07 of the Revised Code. 20296

(F) This section does not apply to a well plugged or 20297
abandoned in compliance with section 1571.05 of the Revised Code. 20298

Sec. 1509.28. (A) The chief of the division of oil and gas 20299
resources management, upon the chief's own motion or upon 20300
application by the owners of sixty-five per cent of the land area 20301
overlying the pool, shall hold a hearing to consider the need for 20302
the operation as a unit of an entire pool or part thereof. In 20303
calculating the sixty-five per cent, an owner's entire interest in 20304
each tract in the proposed unit area, including any divided, 20305
undivided, partial, fee, or other interest in the tract, shall be 20306

included to the fullest extent of that interest. An application by owners shall be accompanied by a nonrefundable fee of ten thousand dollars and by such information as the chief may request.

The chief shall make an order providing for the unit operation of a pool or part thereof if the chief finds that such operation is reasonably necessary to increase substantially the ultimate recovery of oil and gas, and the value of the estimated additional recovery of oil or gas exceeds the estimated additional cost incident to conducting the operation. The order shall be upon terms and conditions that are just and reasonable and shall prescribe a plan for unit operations that shall include:

(1) A description of the unitized area, termed the unit area;

(2) A statement of the nature of the operations contemplated;

(3) An allocation to the separately owned tracts in the unit area of all the oil and gas that is produced from the unit area and is saved, being the production that is not used in the conduct of operations on the unit area or not unavoidably lost. The allocation shall be in accord with the agreement, if any, of the interested parties. If there is no such agreement, the chief shall determine the value, from the evidence introduced at the hearing, of each separately owned tract in the unit area, exclusive of physical equipment, for development of oil and gas by unit operations, and the production allocated to each tract shall be the proportion that the value of each tract so determined bears to the value of all tracts in the unit area.

(4) A provision for the credits and charges to be made in the adjustment among the owners in the unit area for their respective investments in wells, tanks, pumps, machinery, materials, and equipment contributed to the unit operations;

(5) A provision providing how the expenses of unit operations, including capital investment, shall be determined and

charged to the separately owned tracts and how the expenses shall 20338
be paid; 20339

(6) A provision, if necessary, for carrying or otherwise 20340
financing any person who is unable to meet the person's financial 20341
obligations in connection with the unit, allowing a reasonable 20342
interest charge for such service; 20343

(7) A provision for the supervision and conduct of the unit 20344
operations, in respect to which each person shall have a vote with 20345
a value corresponding to the percentage of the expenses of unit 20346
operations chargeable against the interest of that person; 20347

(8) The time when the unit operations shall commence, and the 20348
manner in which, and the circumstances under which, the unit 20349
operations shall terminate; 20350

(9) Such additional provisions as are found to be appropriate 20351
for carrying on the unit operations, and for the protection or 20352
adjustment of correlative rights. 20353

(B) No order of the chief providing for unit operations shall 20354
become effective unless and until the plan for unit operations 20355
prescribed by the chief has been approved in writing by those 20356
owners who, under the chief's order, will be required to pay at 20357
least sixty-five per cent of the costs of the unit operation, and 20358
also by the royalty or, with respect to unleased acreage, fee 20359
owners of sixty-five per cent of the acreage to be included in the 20360
unit. If the plan for unit operations has not been so approved by 20361
owners and royalty owners at the time the order providing for unit 20362
operations is made, the chief shall upon application and notice 20363
hold such supplemental hearings as may be required to determine if 20364
and when the plan for unit operations has been so approved. If the 20365
owners and royalty owners, or either, owning the required 20366
percentage of interest in the unit area do not approve the plan 20367
for unit operations within a period of six months from the date on 20368

which the order providing for unit operations is made, the order 20369
shall cease to be of force and shall be revoked by the chief. 20370

An order providing for unit operations may be amended by an 20371
order made by the chief, in the same manner and subject to the 20372
same conditions as an original order providing for unit 20373
operations, provided that: 20374

(1) If such an amendment affects only the rights and 20375
interests of the owners, the approval of the amendment by the 20376
royalty owners shall not be required. 20377

(2) No such order of amendment shall change the percentage 20378
for allocation of oil and gas as established for any separately 20379
owned tract by the original order, except with the consent of all 20380
persons owning interest in the tract. 20381

The chief, by an order, may provide for the unit operation of 20382
a pool or a part thereof that embraces a unit area established by 20383
a previous order of the chief. Such an order, in providing for the 20384
allocation of unit production, shall first treat the unit area 20385
previously established as a single tract, and the portion of the 20386
unit production so allocated thereto shall then be allocated among 20387
the separately owned tracts included in the previously established 20388
unit area in the same proportions as those specified in the 20389
previous order. 20390

Oil and gas allocated to a separately owned tract shall be 20391
deemed, for all purposes, to have been actually produced from the 20392
tract, and all operations, including, but not limited to, the 20393
commencement, drilling, operation of, or production from a well 20394
upon any portion of the unit area shall be deemed for all purposes 20395
the conduct of such operations and production from any lease or 20396
contract for lands any portion of which is included in the unit 20397
area. The operations conducted pursuant to the order of the chief 20398
shall constitute a fulfillment of all the express or implied 20399

obligations of each lease or contract covering lands in the unit 20400
area to the extent that compliance with such obligations cannot be 20401
had because of the order of the chief. 20402

Oil and gas allocated to any tract, and the proceeds from the 20403
sale thereof, shall be the property and income of the several 20404
persons to whom, or to whose credit, the same are allocated or 20405
payable under the order providing for unit operations. 20406

No order of the chief or other contract relating to the sale 20407
or purchase of production from a separately owned tract shall be 20408
terminated by the order providing for unit operations, but shall 20409
remain in force and apply to oil and gas allocated to the tract 20410
until terminated in accordance with the provisions thereof. 20411

Notwithstanding divisions (A) to ~~(H)-(G)~~ of section ~~1509.73~~ 20412
155.33 of the Revised Code and rules adopted under it, the chief 20413
shall issue an order for the unit operation of a pool or a part of 20414
a pool that encompasses a unit area for which all or a portion of 20415
the mineral rights are owned by the department of transportation. 20416

Except to the extent that the parties affected so agree, no 20417
order providing for unit operations shall be construed to result 20418
in a transfer of all or any part of the title of any person to the 20419
oil and gas rights in any tract in the unit area. All property, 20420
whether real or personal, that may be acquired for the account of 20421
the owners within the unit area shall be the property of such 20422
owners in the proportion that the expenses of unit operations are 20423
charged. 20424

Sec. 1513.08. (A) After a coal mining and reclamation permit 20425
application has been approved, the applicant shall file with the 20426
chief of the division of mineral resources management, on a form 20427
prescribed and furnished by the chief, the performance security 20428
required under this section that shall be payable to the state and 20429
conditioned on the faithful performance of all the requirements of 20430

this chapter and rules adopted under it and the terms and conditions of the permit. 20431
20432

(B) Using the information contained in the permit application; the requirements contained in the approved permit and reclamation plan; and, after considering the topography, geology, hydrology, and revegetation potential of the area of the approved permit, the probable difficulty of reclamation; the chief shall determine the estimated cost of reclamation under the initial term of the permit if the reclamation has to be performed by the division of mineral resources management in the event of forfeiture of the performance security by the applicant. The chief shall send written notice of the amount of the estimated cost of reclamation by certified mail to the applicant. The applicant shall send written notice to the chief indicating the method by which the applicant will provide the performance security pursuant to division (C) of this section. 20433

20439
20440
20441
20442
20443
20444
20445
20446

(C) The applicant shall provide the performance security in an amount using one of the following: 20447
20448

(1) If the applicant elects to provide performance security without reliance on the reclamation forfeiture fund created in section 1513.18 of the Revised Code, the amount of the estimated cost of reclamation as determined by the chief under division (B) of this section for the increments of land on which the operator will conduct a coal mining and reclamation operation under the initial term of the permit as indicated in the application; 20449
20450
20451
20452
20453
20454
20455

(2) If the applicant elects to provide performance security together with reliance on the reclamation forfeiture fund through payment of the additional tax on the severance of coal that is levied under division (A) (8) of section 5749.02 of the Revised Code, an amount of twenty-five hundred dollars per acre of land on which the operator will conduct coal mining and reclamation under the initial term of the permit as indicated in the application. 20456
20457
20458
20459
20460
20461
20462

However, ~~in~~ In order for an applicant to be eligible to provide performance security in accordance with division (C)(2) of this section, the applicant, an owner and controller of the applicant, or an affiliate of the applicant shall have held a permit issued under this chapter for any coal mining and reclamation operation for a period of not less than five years. ~~It~~

If a permit is transferred, assigned, or sold, the transferee is not eligible to provide performance security under division (C)(2) of this section if the transferee has not held a permit issued under this chapter for any coal mining and reclamation operation for a period of not less than five years. This restriction applies even if the status or name of the permittee otherwise remains the same after the transfer, assignment, or sale.

In the event of forfeiture of performance security that was provided in accordance with division (C)(2) of this section, the difference between the amount of that performance security and the estimated cost of reclamation as determined by the chief under division (B) of this section shall be obtained from money in the reclamation forfeiture fund as needed to complete the reclamation.

The performance security provided under division (C) of this section for the entire area to be mined under one permit issued under this chapter shall not be less than ten thousand dollars.

The performance security shall cover areas of land affected by mining within or immediately adjacent to the permitted area, so long as the total number of acres does not exceed the number of acres for which the performance security is provided. However, the authority for the performance security to cover areas of land immediately adjacent to the permitted area does not authorize a permittee to mine areas outside an approved permit area. As succeeding increments of coal mining and reclamation operations are to be initiated and conducted within the permit area, the

permittee shall file with the chief additional performance 20495
security to cover the increments in accordance with this section. 20496
If a permittee intends to mine areas outside the approved permit 20497
area, the permittee shall provide additional performance security 20498
in accordance with this section to cover the areas to be mined. 20499

If an applicant or permittee ~~has~~ is not held a permit issued 20500
~~under this chapter for any coal mining and reclamation operation~~ 20501
~~for a period of five years or more~~ eligible to provide performance 20502
security in accordance with division (C)(2) of this section, the 20503
applicant or permittee shall provide performance security in 20504
accordance with division (C)(1) of this section in the full amount 20505
of the estimated cost of reclamation as determined by the chief 20506
for a permitted coal preparation plant or coal refuse disposal 20507
area that is not located within a permitted area of a mine. If an 20508
applicant for a permit for a coal preparation plant or coal refuse 20509
disposal area or a permittee of a permitted coal preparation plant 20510
or coal refuse disposal area that is not located within a 20511
permitted area of a mine has held a permit issued under this 20512
chapter for any coal mining and reclamation operation for a period 20513
of five years or more, the applicant or permittee may provide 20514
performance security for the coal preparation plant or coal refuse 20515
disposal area either in accordance with division (C)(1) of this 20516
section in the full amount of the estimated cost of reclamation as 20517
determined by the chief or in accordance with division (C)(2) of 20518
this section in an amount of twenty-five hundred dollars per acre 20519
of land with reliance on the reclamation forfeiture fund. If a 20520
permittee has previously provided performance security under 20521
division (C)(1) of this section for a coal preparation plant or 20522
coal refuse disposal area that is not located within a permitted 20523
area of a mine and elects to provide performance security in 20524
accordance with division (C)(2) of this section, the permittee 20525
shall submit written notice to the chief indicating that the 20526
permittee elects to provide performance security in accordance 20527

with division (C) (2) of this section. Upon receipt of such a 20528
written notice, the chief shall release to the permittee the 20529
amount of the performance security previously provided under 20530
division (C) (1) of this section that exceeds the amount of 20531
performance security that is required to be provided under 20532
division (C) (2) of this section. 20533

(D) A permittee's liability under the performance security 20534
shall be limited to the obligations established under the permit, 20535
which include completion of the reclamation plan in order to make 20536
the land capable of supporting the postmining land use that was 20537
approved in the permit. The period of liability under the 20538
performance security shall be for the duration of the coal mining 20539
and reclamation operation and for a period coincident with the 20540
operator's responsibility for revegetation requirements under 20541
section 1513.16 of the Revised Code. 20542

(E) The amount of the estimated cost of reclamation 20543
determined under division (B) of this section and the amount of a 20544
permittee's performance security provided in accordance with 20545
division (C) (1) of this section shall be adjusted by the chief as 20546
the land that is affected by mining increases or decreases or if 20547
the cost of reclamation increases or decreases. If the performance 20548
security was provided in accordance with division (C) (2) of this 20549
section and the chief has issued a cessation order under division 20550
(D) (2) of section 1513.02 of the Revised Code for failure to abate 20551
a violation of the contemporaneous reclamation requirement under 20552
division (A) (15) of section 1513.16 of the Revised Code, the chief 20553
may require the permittee to increase the amount of performance 20554
security from twenty-five hundred dollars per acre of land to five 20555
thousand dollars per acre of land. 20556

The chief shall notify the permittee, each surety, and any 20557
person who has a property interest in the performance security and 20558
who has requested to be notified of any proposed adjustment to the 20559

performance security. The permittee may request an informal 20560
conference with the chief concerning the proposed adjustment, and 20561
the chief shall provide such an informal conference. 20562

If the chief increases the amount of performance security 20563
under this division, the permittee shall provide additional 20564
performance security in an amount determined by the chief. If the 20565
chief decreases the amount of performance security under this 20566
division, the chief shall determine the amount of the reduction of 20567
the performance security and send written notice of the amount of 20568
reduction to the permittee. The permittee may reduce the amount of 20569
the performance security in the amount determined by the chief. 20570

(F) A permittee may request a reduction in the amount of the 20571
performance security by submitting to the chief documentation 20572
proving that the amount of the performance security provided by 20573
the permittee exceeds the estimated cost of reclamation if the 20574
reclamation would have to be performed by the division in the 20575
event of forfeiture of the performance security. The chief shall 20576
examine the documentation and determine whether the permittee's 20577
performance security exceeds the estimated cost of reclamation. If 20578
the chief determines that the performance security exceeds that 20579
estimated cost, the chief shall determine the amount of the 20580
reduction of the performance security and send written notice of 20581
the amount to the permittee. The permittee may reduce the amount 20582
of the performance security in the amount determined by the chief. 20583
Adjustments in the amount of performance security under this 20584
division shall not be considered release of performance security 20585
and are not subject to section 1513.16 of the Revised Code. 20586

(G) If the performance security is a bond, it shall be 20587
executed by the operator and a corporate surety licensed to do 20588
business in this state. If the performance security is a cash 20589
deposit or negotiable certificates of deposit of a bank or savings 20590
and loan association, the bank or savings and loan association 20591

shall be licensed and operating in this state. The cash deposit or 20592
market value of the securities shall be equal to or greater than 20593
the amount of the performance security required under this 20594
section. The chief shall review any documents pertaining to the 20595
performance security and approve or disapprove the documents. The 20596
chief shall notify the applicant of the chief's determination. 20597

(H) If the performance security is a bond, the chief may 20598
accept the bond of the applicant itself without separate surety 20599
when the applicant demonstrates to the satisfaction of the chief 20600
the existence of a suitable agent to receive service of process 20601
and a history of financial solvency and continuous operation 20602
sufficient for authorization to self-insure or bond the amount. 20603

(I) Performance security provided under this section may be 20604
held in trust, provided that the state is the primary beneficiary 20605
of the trust and the custodian of the performance security held in 20606
trust is a bank, trust company, or other financial institution 20607
that is licensed and operating in this state. The chief shall 20608
review the trust document and approve or disapprove the document. 20609
The chief shall notify the applicant of the chief's determination. 20610

(J) If a surety, bank, savings and loan association, trust 20611
company, or other financial institution that holds the performance 20612
security required under this section becomes insolvent, the 20613
permittee shall notify the chief of the insolvency, and the chief 20614
shall order the permittee to submit a plan for replacement 20615
performance security within thirty days after receipt of notice 20616
from the chief. If the permittee provided performance security in 20617
accordance with division (C) (1) of this section, the permittee 20618
shall provide the replacement performance security within ninety 20619
days after receipt of notice from the chief. If the permittee 20620
provided performance security in accordance with division (C) (2) 20621
of this section, the permittee shall provide the replacement 20622
performance security within one year after receipt of notice from 20623

the chief, and, for a period of one year after the permittee's 20624
receipt of notice from the chief or until the permittee provides 20625
the replacement performance security, whichever occurs first, 20626
money in the reclamation forfeiture fund shall be the permittee's 20627
replacement performance security in an amount not to exceed the 20628
estimated cost of reclamation as determined by the chief. 20629

(K) If a permittee provided performance security in 20630
accordance with division (C)(1) of this section, the permittee's 20631
responsibility for repairing material damage and replacement of 20632
water supply resulting from subsidence shall be satisfied by 20633
either of the following: 20634

(1) The purchase prior to mining of a noncancelable 20635
premium-prepaid liability insurance policy in lieu of the 20636
permittee's performance security for subsidence damage. The 20637
insurance policy shall contain terms and conditions that 20638
specifically provide coverage for repairing material damage and 20639
replacement of water supply resulting from subsidence. 20640

(2) The provision of additional performance security in the 20641
amount of the estimated cost to the division of mineral resources 20642
management to repair material damage and replace water supplies 20643
resulting from subsidence until the repair or replacement is 20644
completed. However, if such repair or replacement is completed, or 20645
compensation for structures that have been damaged by subsidence 20646
is provided, by the permittee within ninety days of the occurrence 20647
of the subsidence, additional performance security is not 20648
required. In addition, the chief may extend the ninety-day period 20649
for a period not to exceed one year if the chief determines that 20650
the permittee has demonstrated in writing that subsidence is not 20651
complete and that probable subsidence-related damage likely will 20652
occur and, as a result, the completion of repairs of 20653
subsidence-related material damage to lands or protected 20654
structures or the replacement of water supply within ninety days 20655

of the occurrence of the subsidence would be unreasonable. 20656

(L) If the performance security provided in accordance with 20657
this section exceeds the estimated cost of reclamation, the chief 20658
may authorize the amount of the performance security that exceeds 20659
the estimated cost of reclamation together with any interest or 20660
other earnings on the performance security to be paid to the 20661
permittee. 20662

(M) A permittee that held a valid coal mining and reclamation 20663
permit immediately prior to April 6, 2007, shall provide, not 20664
later than a date established by the chief, performance security 20665
in accordance with division (C) (1) or (2) of this section, rather 20666
than in accordance with the law as it existed prior to that date, 20667
by filing it with the chief on a form that the chief prescribes 20668
and furnishes. Accordingly, for purposes of this section, 20669
"applicant" is deemed to include such a permittee. 20670

(N) As used in this section: 20671

(1) "Affiliate of the applicant" means an entity that has a 20672
parent entity in common with the applicant. 20673

(2) "Owner and controller of the applicant" means a person 20674
that has any relationship with the applicant that gives the person 20675
authority to determine directly or indirectly the manner in which 20676
the applicant conducts coal mining operations. 20677

Sec. 1521.06. (A) No dam may be constructed for the purpose 20678
of storing, conserving, or retarding water, or for any other 20679
purpose, nor shall any levee be constructed for the purpose of 20680
diverting or retaining flood water, unless the person or 20681
governmental agency desiring the construction has a construction 20682
permit for the dam or levee issued by the chief of the division of 20683
water resources. 20684

A construction permit is not required under this section for: 20685

(1) A dam that is or will be less than ten feet in height and 20686
that has or will have a storage capacity of not more than fifty 20687
acre-feet at the elevation of the top of the dam, as determined by 20688
the chief. For the purposes of this section, the height of a dam 20689
shall be measured from the natural stream bed or lowest ground 20690
elevation at the downstream or outside limit of the dam to the 20691
elevation of the top of the dam. 20692

(2) A dam, regardless of height, that has or will have a 20693
storage capacity of not more than fifteen acre-feet at the 20694
elevation of the top of the dam, as determined by the chief; 20695

(3) A dam, regardless of storage capacity, that is or will be 20696
six feet or less in height, as determined by the chief; 20697

(4) A dam or levee that belongs to a class exempted by the 20698
chief; 20699

(5) The repair, maintenance, improvement, alteration, or 20700
removal of a dam or levee that is subject to section 1521.062 of 20701
the Revised Code, unless the construction constitutes an 20702
enlargement or reconstruction of the structure as determined by 20703
the chief; 20704

(6) A dam or impoundment constructed under Chapter 1513. of 20705
the Revised Code. 20706

(B) Before a construction permit may be issued, three copies 20707
of the plans and specifications, including a detailed cost 20708
estimate, for the proposed construction, prepared by a registered 20709
professional engineer, together with any filing fee specified by 20710
rules adopted by the chief in accordance with division (I) of this 20711
section and the bond or other security required by section 20712
1521.061 of the Revised Code, shall be filed with the chief. The 20713
detailed estimate of the cost shall include all costs associated 20714
with the construction of the dam or levee, including supervision 20715
and inspection of the construction by a registered professional 20716

engineer. 20717

All fees collected pursuant to this section, ~~and all fines~~ 20718
~~collected pursuant to section 1521.99 of the Revised Code,~~ shall 20719
be deposited in the state treasury to the credit of the dam safety 20720
fund, which is hereby created. Expenditures from the fund shall be 20721
made by the chief for the purpose of administering this section 20722
and sections 1521.061 and 1521.062 of the Revised Code. 20723

(C) The chief shall, within thirty days from the date of the 20724
receipt of the application, fee, and bond or other security, issue 20725
or deny a construction permit for the construction or may issue a 20726
construction permit conditioned upon the making of such changes in 20727
the plans and specifications for the construction as the chief 20728
considers advisable if the chief determines that the construction 20729
of the proposed dam or levee, in accordance with the plans and 20730
specifications filed, would endanger life, health, or property. 20731

(D) The chief may deny a construction permit after finding 20732
that a dam or levee built in accordance with the plans and 20733
specifications would endanger life, health, or property, because 20734
of improper or inadequate design, or for such other reasons as the 20735
chief may determine. 20736

In the event the chief denies a permit for the construction 20737
of the dam or levee, or issues a permit conditioned upon a making 20738
of changes in the plans or specifications for the construction, 20739
the chief shall state the reasons therefor and so notify, in 20740
writing, the person or governmental agency making the application 20741
for a permit. If the permit is denied, the chief shall return the 20742
bond or other security to the person or governmental agency making 20743
application for the permit. 20744

The decision of the chief conditioning or denying a 20745
construction permit is subject to appeal as provided in Chapter 20746
119. of the Revised Code. A dam or levee built substantially at 20747

variance from the plans and specifications upon which a 20748
construction permit was issued is in violation of this section. 20749
The chief may at any time inspect any dam or levee, or site upon 20750
which any dam or levee is to be constructed, in order to determine 20751
whether it complies with this section. 20752

(E) A registered professional engineer shall inspect the 20753
construction for which the permit was issued during all phases of 20754
construction and shall furnish to the chief such regular reports 20755
of the engineer's inspections as the chief may require. When the 20756
chief finds that construction has been fully completed in 20757
accordance with the terms of the permit and the plans and 20758
specifications approved by the chief, the chief shall approve the 20759
construction. When one year has elapsed after approval of the 20760
completed construction, and the chief finds that within this 20761
period no fact has become apparent to indicate that the 20762
construction was not performed in accordance with the terms of the 20763
permit and the plans and specifications approved by the chief, or 20764
that the construction as performed would endanger life, health, or 20765
property, the chief shall release the bond or other security. No 20766
bond or other security shall be released until one year after 20767
final approval by the chief, unless the dam or levee has been 20768
modified so that it will not retain water and has been approved as 20769
nonhazardous after determination by the chief that the dam or 20770
levee as modified will not endanger life, health, or property. 20771

(F) When inspections required by this section are not being 20772
performed, the chief shall notify the person or governmental 20773
agency to which the permit has been issued that inspections are 20774
not being performed by the registered professional engineer and 20775
that the chief will inspect the remainder of the construction. 20776
Thereafter, the chief shall inspect the construction and the cost 20777
of inspection shall be charged against the owner. Failure of the 20778
registered professional engineer to submit required inspection 20779

reports shall be deemed notice that the engineer's inspections are 20780
not being performed. 20781

(G) The chief may order construction to cease on any dam or 20782
levee that is being built in violation of this section, and may 20783
prohibit the retention of water behind any dam or levee that has 20784
been built in violation of this section. 20785

(H) The chief may adopt rules in accordance with Chapter 119. 20786
of the Revised Code, for the design and construction of dams and 20787
levees for which a construction permit is required by this section 20788
or for which periodic inspection is required by section 1521.062 20789
of the Revised Code, for deposit and forfeiture of bonds and other 20790
securities required by section 1521.061 of the Revised Code, for 20791
the periodic inspection, operation, repair, improvement, 20792
alteration, or removal of all dams and levees, as specified in 20793
section 1521.062 of the Revised Code, and for establishing classes 20794
of dams or levees that are exempt from the requirements of this 20795
section and section 1521.062 of the Revised Code as being of a 20796
size, purpose, or situation that does not present a substantial 20797
hazard to life, health, or property. The chief may, by rule, limit 20798
the period during which a construction permit issued under this 20799
section is valid. The rules may allow for the extension of the 20800
period during which a permit is valid upon written request, 20801
provided that the written request includes a revised construction 20802
cost estimate, and may require the payment of an additional filing 20803
fee for the requested extension. If a construction permit expires 20804
without an extension before construction is completed, the person 20805
or agency shall apply for a new permit, and shall not continue 20806
construction until the new permit is issued. 20807

(I) The chief shall adopt rules in accordance with Chapter 20808
119. of the Revised Code establishing a filing fee schedule for 20809
purposes of division (B) of this section. 20810

Sec. 1521.061. (A) (1) Except as otherwise provided in this 20811
section, the chief of the division of water resources shall not 20812
issue a construction permit ~~shall not be issued~~ under section 20813
1521.06 of the Revised Code unless the person or governmental 20814
agency applying for the permit executes and files a surety bond 20815
conditioned on completion of the dam or levee in accordance with 20816
the terms of the permit and the plans and specifications approved 20817
by the chief ~~of the division of water resources, in an amount~~ 20818
~~equal to fifty per cent of the estimated cost of the project.~~ 20819
Except as provided in division (A) (2) of this section, the surety 20820
bond shall equal: 20821

(a) \$50,000 for the first \$500,000 of the estimated cost of 20822
the project; plus 20823

(b) Twenty-five per cent of the estimated cost for the next 20824
\$4,500,000 of the estimated cost of the project; plus 20825

(c) Ten per cent of the estimated cost that exceeds 20826
\$5,000,000. 20827

(2) The chief may reduce the amount of the required surety 20828
bond to the amount equal to the cost estimate of construction 20829
activities necessary to render the dam nonhazardous if the cost 20830
estimate is provided by the applicant and approved by the chief. 20831

(B) If a permittee requests an extension of the time period 20832
during which a construction permit is valid in accordance with 20833
rules adopted under section 1521.06 of the Revised Code, the chief 20834
shall determine whether the revised construction cost estimate 20835
provided with the request exceeds the original construction cost 20836
estimate that was filed with the chief by more than twenty-five 20837
per cent. If the revised construction cost estimate exceeds the 20838
original construction cost estimate by more than twenty-five per 20839
cent, the chief may require an additional surety bond to be filed 20840
~~so that the total amount of the surety bonds equals at least fifty~~ 20841

~~per cent of~~ in an amount determined in accordance with division 20842
(A) of this section based on the revised construction cost 20843
estimate. 20844

(C) The chief shall not approve any bond until it is 20845
personally signed and acknowledged by both principal and surety, 20846
or as to either by the attorney in fact thereof, with a certified 20847
copy of the power of attorney attached. The chief shall not 20848
approve the bond unless there is attached a certificate of the 20849
superintendent of insurance that the company is authorized to 20850
transact a fidelity and surety business in this state. 20851

All bonds shall be given in a form prescribed by the chief 20852
and shall run to the state as obligee. 20853

(D) (1) The applicant may deposit, in lieu of a bond, cash in 20854
an amount equal to the amount of the bond or United States 20855
government securities or negotiable certificates of deposit issued 20856
by any bank organized or transacting business in this state having 20857
a par value equal to or greater than the amount of the bond. Such 20858
cash or securities shall be deposited upon the same terms as 20859
bonds. If one or more certificates of deposit are deposited in 20860
lieu of a bond, the chief shall require the bank that issued any 20861
such certificate to pledge securities of the aggregate market 20862
value equal to the amount of the certificate that is in excess of 20863
the amount insured by the federal deposit insurance corporation. 20864
The securities to be pledged shall be those designated as eligible 20865
under section 135.18 of the Revised Code. The securities shall be 20866
security for the repayment of the certificate of deposit. 20867

(2) Immediately upon a deposit of cash, securities, or 20868
certificates of deposit, the chief shall deliver them to the 20869
treasurer of state, who shall hold them in trust for the purposes 20870
for which they have been deposited. The treasurer of state is 20871
responsible for the safekeeping of such deposits. An applicant 20872
making a deposit of cash, securities, or certificates of deposit 20873

may withdraw and receive from the treasurer of state, on the 20874
written order of the chief, all or any portion of the cash, 20875
securities, or certificates of deposit, upon depositing with the 20876
treasurer of state cash, other United States government 20877
securities, or negotiable certificates of deposit issued by any 20878
bank organized or transacting business in this state equal in par 20879
value to the par value of the cash, securities, or certificates of 20880
deposit withdrawn. An applicant may demand and receive from the 20881
treasurer of state all interest or other income from any such 20882
securities or certificates as it becomes due. If securities so 20883
deposited with and in the possession of the treasurer of state 20884
mature or are called for payment by the issuer thereof, the 20885
treasurer of state, at the request of the applicant who deposited 20886
them, shall convert the proceeds of the redemption or payment of 20887
the securities into such other United States government 20888
securities, negotiable certificates of deposit issued by any bank 20889
organized or transacting business in this state, or cash as the 20890
applicant designates. 20891

(E) (1) When the chief finds that a person or governmental 20892
agency has failed to comply with the conditions of the person's or 20893
agency's bond, the chief shall make a finding of that fact and 20894
declare the bond, cash, securities, or certificates of deposit 20895
forfeited in the amount set by rule of the chief. The chief shall 20896
thereupon certify the total forfeiture to the attorney general, 20897
who shall proceed to collect that amount. 20898

(2) In lieu of total forfeiture, the surety, at its option, 20899
may cause the dam or levee to be completed as required by section 20900
1521.06 of the Revised Code and rules of the chief, or otherwise 20901
rendered nonhazardous, or pay to the treasurer of state the cost 20902
thereof. 20903

(F) (1) All moneys collected on account of forfeitures of 20904
bonds, cash, securities, and certificates of deposit under this 20905

section shall be credited to the dam safety fund created in 20906
section 1521.06 of the Revised Code. The chief shall make 20907
expenditures from the fund to complete dams and levees for which 20908
bonds have been forfeited or to otherwise render them 20909
nonhazardous. 20910

(2) Expenditures from the fund for those purposes shall be 20911
made pursuant to contracts entered into by the chief with persons 20912
who agree to furnish all of the materials, equipment, work, and 20913
labor as specified and provided in the contract. 20914

(G) A surety bond shall not be required for a permit for a 20915
dam or levee that is to be designed and constructed by an agency 20916
of the United States government, if the agency files with the 20917
chief written assurance of the agency's financial responsibility 20918
for the structure ~~during the one year period~~ for one year 20919
following the chief's approval of the completed construction 20920
provided for under division (E) of section 1521.06 of the Revised 20921
Code. 20922

Sec. 1521.40. (A) No person shall violate any provision of 20923
this chapter, any rule or order adopted or issued under it, or any 20924
term or condition of a permit issued under it. 20925

(B) The attorney general, upon written request of the chief 20926
of the division of water resources, shall bring an action for an 20927
injunction or other appropriate legal or equitable action against 20928
any person who has violated, is violating, or is threatening to 20929
violate any provision of this chapter, any rule or order adopted 20930
or issued under it, or any term or condition of a permit issued 20931
under it. 20932

(C) A person who violates any provision of this chapter, any 20933
rule or order adopted or issued under it, or any term or condition 20934
of a permit issued under it is liable to the chief for any costs 20935
incurred by the division of water resources in investigating, 20936

mitigating, minimizing, removing, or abating the violation and 20937
conditions caused by it. The chief also may assess a civil penalty 20938
of not more than five thousand dollars per day for each day a 20939
violation occurs of any provision of this chapter, any rule or 20940
order adopted or issued under it, or any term or condition of a 20941
permit issued under it. 20942

(D) Upon the request of the chief, the attorney general shall 20943
bring a civil action against the responsible person to recover 20944
those costs and civil penalties in the court of common pleas of 20945
Franklin county. ~~Moneys~~ Money recovered under this division for 20946
violations of sections 1521.06 to 1521.063 of the Revised Code, 20947
any rule or order adopted or issued under those sections, or any 20948
term or condition of a permit issued under those sections shall be 20949
deposited in the state treasury to the credit of the dam safety 20950
fund created in section 1521.06 of the Revised Code. Money 20951
recovered under this division for violations of sections 1521.16 20952
and 1521.22 to 1521.35 of the Revised Code, any rule or order 20953
adopted or issued under those sections, or any term or condition 20954
of a permit issued under those sections shall be deposited in the 20955
state treasury to the credit of the water management fund created 20956
in section 1521.22 of the Revised Code. 20957

Sec. 1521.99. (A) Whoever violates division (E) (1) of section 20958
1521.05 or division (E) (1) of section 1521.16 of the Revised Code 20959
is guilty of a misdemeanor of the fourth degree. All fines 20960
collected pursuant to this division shall be deposited in the 20961
state treasury to the credit of the water management fund created 20962
in section 1521.22 of the Revised Code. 20963

(B) Whoever violates section 1521.06 or 1521.062 of the 20964
Revised Code shall be fined not less than one hundred dollars nor 20965
more than one thousand dollars for each offense. Each day of 20966
violation constitutes a separate offense. All fines collected 20967

(B) If the rights of an individual, as established under division (A) of this section, conflict with the rights of a resource family or resource caregiver, as established in section 5103.163 of the Revised Code, the rights of the individual shall preempt the rights of the resource family or resource caregiver. 23936

23943

Sec. 2151.362. (A) (1) In the manner prescribed by division (C) (1) or (2) of section 3313.64 of the Revised Code, as 23944
23945

applicable, the court, at the time of making any order that 23946
removes a child from the child's own home or that vests legal or 23947
permanent custody of the child in a person other than the child's 23948
parent or a government agency, shall determine the school district 23949
that is to bear the cost of educating the child. The court shall 23950
make the determination a part of the order that provides for the 23951
child's placement or commitment. That school district shall bear 23952
the cost of educating the child unless and until the department of 23953
education determines that a different district shall be 23954
responsible for bearing that cost pursuant to division (A)(2) of 23955
this section. The court's order shall state that the determination 23956
of which school district is responsible to bear the cost of 23957
educating the child is subject to re-determination by the 23958
department pursuant to that division. 23959

(2) If, while the child is in the custody of a person other 23960
than the child's parent or a government agency, the department of 23961
education determines that the place of residence of the child's 23962
parent has changed since the court issued its initial order, the 23963
department may name a different school district to bear the cost 23964
of educating the child. The department shall make this new 23965
determination, and any future determinations, based on evidence 23966
received from the school district currently responsible to bear 23967
the cost of educating the child. If the department finds that the 23968
evidence demonstrates to its satisfaction that the residence of 23969
the child's parent has changed since the court issued its initial 23970
order under division (A)(1) of this section, or since the 23971
department last made a determination under division (A)(2) of this 23972
section, the department shall name the district in which the 23973
child's parent currently resides or, if the parent's residence is 23974
not known, the district in which the parent's last known residence 23975
is located. If the department cannot determine any Ohio district 23976
in which the parent currently resides or has resided, the school 23977
district designated in the initial court order under division 23978

(A) (1) of this section, or in the most recent determination made 23979
by the department under division (A) (2) of this section, shall 23980
continue to bear the cost of educating the child. 23981

(B) Whenever a child is placed in a detention facility 23982
established under section 2152.41 of the Revised Code or a 23983
juvenile facility established under section 2151.65 of the Revised 23984
Code, the facility shall be responsible for coordinating the 23985
education of the child. The facility may take any of the following 23986
measures in coordinating the education of the child: 23987

(1) If applicable, use the chartered nonpublic school that 23988
the facility operates; 23989

(2) Arrange with the school district responsible for bearing 23990
the cost of educating the child determined under division (A) of 23991
this section, for the facility to educate the child on its own; 23992

(3) Contract with an educational service center for the 23993
service center to educate the child; 23994

(4) Contract with the school district in which the facility 23995
is located for that school district to educate the child; 23996

(5) If the child is enrolled in an internet- or 23997
computer-based community school established under Chapter 3314. of 23998
the Revised Code, and provided that the facility possesses the 23999
necessary hardware, software, and internet connectivity, permit 24000
continued instruction of the child by the internet- or 24001
computer-based community school. 24002

If the facility coordinates the education of the child 24003
pursuant to division (B) (1), (2), (3), or (4) of this section, 24004
child's school district as determined by the court or the 24005
department, in the same manner as prescribed in division (A) of 24006
this section, shall pay the cost of educating the child based on 24007
the per capita cost of the educational facility within the 24008
detention home or juvenile facility. 24009

If the facility coordinates the education of the child 24010
pursuant to division (B) (5) of this section, payment for the cost 24011
of educating the child shall be made only as provided in ~~division~~ 24012
~~(C) of section 3314.08~~ 3317.022 of the Revised Code. 24013

(C) Whenever a child is placed by the court in a private 24014
institution, school, or residential treatment center or any other 24015
private facility, the state shall pay to the court a subsidy to 24016
help defray the expense of educating the child in an amount equal 24017
to the product of the daily per capita educational cost of the 24018
private facility, as determined pursuant to this section, and the 24019
number of days the child resides at the private facility, provided 24020
that the subsidy shall not exceed twenty-five hundred dollars per 24021
year per child. The daily per capita educational cost of a private 24022
facility shall be determined by dividing the actual program cost 24023
of the private facility or twenty-five hundred dollars, whichever 24024
is less, by three hundred sixty-five days or by three hundred 24025
sixty-six days for years that include February twenty-ninth. The 24026
state shall pay seventy-five per cent of the total subsidy for 24027
each year quarterly to the court. The state may adjust the 24028
remaining twenty-five per cent of the total subsidy to be paid to 24029
the court for each year to an amount that is less than twenty-five 24030
per cent of the total subsidy for that year based upon the 24031
availability of funds appropriated to the department of education 24032
for the purpose of subsidizing courts that place a child in a 24033
private institution, school, or residential treatment center or 24034
any other private facility and shall pay that adjusted amount to 24035
the court at the end of the year. 24036

Sec. 2151.412. (A) Each public children services agency and 24037
private child placing agency shall prepare and maintain a case 24038
plan for any child to whom the agency is providing services and to 24039
whom any of the following applies: 24040

(1) The agency filed a complaint pursuant to section 2151.27 of the Revised Code alleging that the child is an abused, neglected, or dependent child;

(2) The agency has temporary or permanent custody of the child;

(3) The child is living at home subject to an order for protective supervision;

(4) The child is in a planned permanent living arrangement.

Except as provided by division (A)(2) of section 5103.153 of the Revised Code, a private child placing agency providing services to a child who is the subject of a voluntary permanent custody surrender agreement entered into under division (B)(2) of section 5103.15 of the Revised Code is not required to prepare and maintain a case plan for that child.

(B) Each public children services agency shall prepare and maintain a case plan ~~or a family service plan~~ for any child for whom the agency is providing in-home services pursuant to an alternative response.

(C)(1) The director of job and family services shall adopt rules pursuant to Chapter 119. of the Revised Code setting forth the content and format of case plans required by division (A) of this section and establishing procedures for developing, implementing, and changing the case plans. The rules shall at a minimum comply with the requirements of Title IV-E of the "Social Security Act," ~~94 Stat. 501,~~ 42 U.S.C. ~~671~~ 670, et seq. (1980), ~~as amended.~~

(2) The director of job and family services shall adopt rules pursuant to Chapter 119. of the Revised Code requiring public children services agencies and private child placing agencies to maintain case plans for children and their families who are receiving services in their homes from the agencies and for whom

case plans are not required by division (A) of this section. The 24072
rules for public children services agencies shall include the 24073
requirements for case plans ~~or family service plans~~ maintained for 24074
children and their families who are receiving services in their 24075
homes from public children services agencies pursuant to an 24076
alternative response. The agencies shall maintain case plans ~~and~~ 24077
~~family service plans~~ as required by those rules; however, the case 24078
plans ~~and family service plans~~ shall not be subject to any other 24079
provision of this section except as specifically required by the 24080
rules. 24081

(D) Each public children services agency and private child 24082
placing agency that is required by division (A) of this section to 24083
maintain a case plan shall file the case plan with the court prior 24084
to the child's adjudicatory hearing but no later than thirty days 24085
after the earlier of the date on which the complaint in the case 24086
was filed or the child was first placed into shelter care. If the 24087
agency does not have sufficient information prior to the 24088
adjudicatory hearing to complete any part of the case plan, the 24089
agency shall specify in the case plan the additional information 24090
necessary to complete each part of the case plan and the steps 24091
that will be taken to obtain that information. All parts of the 24092
case plan shall be completed by the earlier of thirty days after 24093
the adjudicatory hearing or the date of the dispositional hearing 24094
for the child. 24095

(E) Any agency that is required by division (A) of this 24096
section to prepare a case plan shall attempt to obtain an 24097
agreement among all parties, including, but not limited to, the 24098
parents, guardian, or custodian of the child and the guardian ad 24099
litem of the child regarding the content of the case plan. If all 24100
parties agree to the content of the case plan and the court 24101
approves it, the court shall journalize it as part of its 24102
dispositional order. If the agency cannot obtain an agreement upon 24103

the contents of the case plan or the court does not approve it, 24104
the parties shall present evidence on the contents of the case 24105
plan at the dispositional hearing. The court, based upon the 24106
evidence presented at the dispositional hearing and the best 24107
interest of the child, shall determine the contents of the case 24108
plan and journalize it as part of the dispositional order for the 24109
child. 24110

(F) (1) All parties, including the parents, guardian, or 24111
custodian of the child, are bound by the terms of the journalized 24112
case plan. A party that fails to comply with the terms of the 24113
journalized case plan may be held in contempt of court. 24114

(2) Any party may propose a change to a substantive part of 24115
the case plan, including, but not limited to, the child's 24116
placement and the visitation rights of any party. A party 24117
proposing a change to the case plan shall file the proposed change 24118
with the court and give notice of the proposed change in writing 24119
before the end of the day after the day of filing it to all 24120
parties and the child's guardian ad litem. All parties and the 24121
guardian ad litem shall have seven days from the date the notice 24122
is sent to object to and request a hearing on the proposed change. 24123

(a) If it receives a timely request for a hearing, the court 24124
shall schedule a hearing pursuant to section 2151.417 of the 24125
Revised Code to be held no later than thirty days after the 24126
request is received by the court. The court shall give notice of 24127
the date, time, and location of the hearing to all parties and the 24128
guardian ad litem. The agency may implement the proposed change 24129
after the hearing, if the court approves it. The agency shall not 24130
implement the proposed change unless it is approved by the court. 24131

(b) If it does not receive a timely request for a hearing, 24132
the court may approve the proposed change without a hearing. If 24133
the court approves the proposed change without a hearing, it shall 24134
journalize the case plan with the change not later than fourteen 24135

days after the change is filed with the court. If the court does 24136
not approve the proposed change to the case plan, it shall 24137
schedule a hearing to be held pursuant to section 2151.417 of the 24138
Revised Code no later than thirty days after the expiration of the 24139
fourteen-day time period and give notice of the date, time, and 24140
location of the hearing to all parties and the guardian ad litem 24141
of the child. If, despite the requirements of division (F)(2) of 24142
this section, the court neither approves and journalizes the 24143
proposed change nor conducts a hearing, the agency may implement 24144
the proposed change not earlier than fifteen days after it is 24145
submitted to the court. 24146

(3) If an agency has reasonable cause to believe that a child 24147
is suffering from illness or injury and is not receiving proper 24148
care and that an appropriate change in the child's case plan is 24149
necessary to prevent immediate or threatened physical or emotional 24150
harm, to believe that a child is in immediate danger from the 24151
child's surroundings and that an immediate change in the child's 24152
case plan is necessary to prevent immediate or threatened physical 24153
or emotional harm to the child, or to believe that a parent, 24154
guardian, custodian, or other member of the child's household has 24155
abused or neglected the child and that the child is in danger of 24156
immediate or threatened physical or emotional harm from that 24157
person unless the agency makes an appropriate change in the 24158
child's case plan, it may implement the change without prior 24159
agreement or a court hearing and, before the end of the next day 24160
after the change is made, give all parties, the guardian ad litem 24161
of the child, and the court notice of the change. Before the end 24162
of the third day after implementing the change in the case plan, 24163
the agency shall file a statement of the change with the court and 24164
give notice of the filing accompanied by a copy of the statement 24165
to all parties and the guardian ad litem. All parties and the 24166
guardian ad litem shall have ten days from the date the notice is 24167
sent to object to and request a hearing on the change. 24168

(a) If it receives a timely request for a hearing, the court shall schedule a hearing pursuant to section 2151.417 of the Revised Code to be held no later than thirty days after the request is received by the court. The court shall give notice of the date, time, and location of the hearing to all parties and the guardian ad litem. The agency shall continue to administer the case plan with the change after the hearing, if the court approves the change. If the court does not approve the change, the court shall make appropriate changes to the case plan and shall journalize the case plan.

(b) If it does not receive a timely request for a hearing, the court may approve the change without a hearing. If the court approves the change without a hearing, it shall journalize the case plan with the change within fourteen days after receipt of the change. If the court does not approve the change to the case plan, it shall schedule a hearing under section 2151.417 of the Revised Code to be held no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child.

(G) (1) All case plans for children in temporary custody shall have the following general goals:

(a) Consistent with the best interest and special needs of the child, to achieve a safe out-of-home placement in the least restrictive, most family-like setting available and in close proximity to the home from which the child was removed or the home in which the child will be permanently placed;

(b) To eliminate with all due speed the need for the out-of-home placement so that the child can safely return home.

(2) The director of job and family services shall adopt rules pursuant to Chapter 119. of the Revised Code setting forth the

general goals of case plans for children subject to dispositional 24200
orders for protective supervision, a planned permanent living 24201
arrangement, or permanent custody. 24202

(H) In the agency's development of a case plan and the 24203
court's review of the case plan, the child's health and safety 24204
shall be the paramount concern. The agency and the court shall be 24205
guided by the following general priorities: 24206

(1) A child who is residing with or can be placed with the 24207
child's parents within a reasonable time should remain in their 24208
legal custody even if an order of protective supervision is 24209
required for a reasonable period of time; 24210

(2) If both parents of the child have abandoned the child, 24211
have relinquished custody of the child, have become incapable of 24212
supporting or caring for the child even with reasonable 24213
assistance, or have a detrimental effect on the health, safety, 24214
and best interest of the child, the child should be placed in the 24215
legal custody of a suitable member of the child's extended family; 24216

(3) If a child described in division (H)(2) of this section 24217
has no suitable member of the child's extended family to accept 24218
legal custody, the child should be placed in the legal custody of 24219
a suitable nonrelative who shall be made a party to the 24220
proceedings after being given legal custody of the child; 24221

(4) If the child has no suitable member of the child's 24222
extended family to accept legal custody of the child and no 24223
suitable nonrelative is available to accept legal custody of the 24224
child and, if the child temporarily cannot or should not be placed 24225
with the child's parents, guardian, or custodian, the child should 24226
be placed in the temporary custody of a public children services 24227
agency or a private child placing agency; 24228

(5) If the child cannot be placed with either of the child's 24229
parents within a reasonable period of time or should not be placed 24230

with either, if no suitable member of the child's extended family 24231
or suitable nonrelative is available to accept legal custody of 24232
the child, and if the agency has a reasonable expectation of 24233
placing the child for adoption, the child should be committed to 24234
the permanent custody of the public children services agency or 24235
private child placing agency; 24236

(6) If the child is to be placed for adoption or foster care, 24237
the placement shall not be delayed or denied on the basis of the 24238
child's or adoptive or foster family's race, color, or national 24239
origin. 24240

(I) The case plan for a child in temporary custody shall 24241
include at a minimum the following requirements if the child is or 24242
has been the victim of abuse or neglect or if the child witnessed 24243
the commission in the child's household of abuse or neglect 24244
against a sibling of the child, a parent of the child, or any 24245
other person in the child's household: 24246

(1) A requirement that the child's parents, guardian, or 24247
custodian participate in mandatory counseling; 24248

(2) A requirement that the child's parents, guardian, or 24249
custodian participate in any supportive services that are required 24250
by or provided pursuant to the child's case plan. 24251

(J) A (1) Prior to January 1, 2023, a case plan for a child 24252
in temporary custody may include, as a supplement, a plan for 24253
locating a permanent family placement. The supplement shall not be 24254
considered part of the case plan for purposes of division (E) of 24255
this section. 24256

(2) On and after January 1, 2023, a case plan for a child in 24257
temporary custody shall include a permanency plan for the child 24258
unless it is documented that such a plan would not be in the best 24259
interest of the child. The permanency plan shall describe the 24260
services the agency shall provide to achieve permanency for the 24261

child if reasonable efforts to return the child to the child's 24262
home, or eliminate the continued removal from that home, are 24263
unsuccessful. Those services shall be provided concurrently with 24264
reasonable efforts to return the child home or eliminate the 24265
child's continued removal from home. 24266

(3) The director of job and family services, pursuant to 24267
Chapter 119. of the Revised Code, shall adopt rules necessary to 24268
carry out the purposes of division (J) of this section. 24269

(K) (1) A public children services agency may request that the 24270
superintendent of the bureau of criminal identification and 24271
investigation conduct a criminal records check with respect to a 24272
parent, guardian, custodian, prospective custodian, or prospective 24273
placement whose actions result in a finding after the filing of a 24274
complaint as described in division (A) (1) of this section that a 24275
child is an abused, neglected, or dependent child. The public 24276
children services agency shall request that the superintendent 24277
obtain information from the federal bureau of investigation as 24278
part of the criminal records check. 24279

(2) At any time on or after the date that is ninety days 24280
~~after the effective date of this amendment~~ September 10, 2012, a 24281
prosecuting attorney, or an assistant prosecuting attorney 24282
appointed under section 309.06 of the Revised Code, may request 24283
that the superintendent of the bureau of criminal identification 24284
and investigation conduct a criminal records check with respect to 24285
each parent, guardian, custodian, prospective custodian, or 24286
prospective placement whose actions resulted in a finding after 24287
the filing of a complaint described in division (A) (1) of this 24288
section that a child is an abused, neglected, or dependent child. 24289
Each prosecuting attorney or assistant prosecuting attorney who 24290
makes such a request shall request that the superintendent obtain 24291
information from the federal bureau of investigation as part of 24292
the criminal records check for each parent, guardian, custodian, 24293

prospective custodian, or prospective placement who is a subject 24294
of the request. 24295

(3) A public children services agency, prosecuting attorney, 24296
or assistant prosecuting attorney that requests a criminal records 24297
check under division (K)(1) or (2) of this section shall do both 24298
of the following: 24299

(a) Provide to each parent, guardian, custodian, prospective 24300
custodian, or prospective placement for whom a criminal records 24301
check is requested a copy of the form prescribed pursuant to 24302
division (C)(1) of section 109.572 of the Revised Code and a 24303
standard fingerprint impression sheet prescribed pursuant to 24304
division (C)(2) of that section and obtain the completed form and 24305
impression sheet from the parent, guardian, custodian, prospective 24306
custodian, or prospective placement; 24307

(b) Forward the completed form and impression sheet to the 24308
superintendent of the bureau of criminal identification and 24309
investigation. 24310

(4) A parent, guardian, custodian, prospective custodian, or 24311
prospective placement who is given a form and fingerprint 24312
impression sheet under division (K)(3)(a) of this section and who 24313
fails to complete the form or provide fingerprint impressions may 24314
be held in contempt of court. 24315

Sec. 2151.416. (A) Each agency that is required by section 24316
2151.412 of the Revised Code to prepare a case plan for a child 24317
shall complete a semiannual administrative review of the case plan 24318
no later than six months after the earlier of the date on which 24319
the complaint in the case was filed or the child was first placed 24320
in shelter care. After the first administrative review, the agency 24321
shall complete semiannual administrative reviews no later than 24322
every six months. If the court issues an order pursuant to section 24323
2151.414 or 2151.415 of the Revised Code, the agency shall 24324

complete an administrative review no later than six months after 24325
the court's order and continue to complete administrative reviews 24326
no later than every six months after the first review, except that 24327
the court hearing held pursuant to section 2151.417 of the Revised 24328
Code may take the place of any administrative review that would 24329
otherwise be held at the time of the court hearing. When 24330
conducting a review, the child's health and safety shall be the 24331
paramount concern. 24332

(B) Each administrative review required by division (A) of 24333
this section shall be conducted by a review panel of at least 24334
three persons, including, but not limited to, both of the 24335
following: 24336

familiarity with, the management of the child's case plan; 24338

(2) A person who is not responsible for the management of the 24339
child's case plan or for the delivery of services to the child or 24340
the parents, guardian, or custodian of the child. 24341

terminate the custody of an agency and place the child in the 24422

the child. 24445

against a person who is alleged to have violated division (A) (1) 24855

for independence. 25162

Sec. 2151.453. If any determination required under ~~division~~ 25163

~~(B)~~ of section 2151.452 of the Revised Code is not timely made, 25164
the federal payments for foster care under division (A) (1) of 25165
section 5101.1411 of the Revised Code for the emancipated young 25166
adult shall be suspended. The payments shall resume upon a 25167
subsequent determination that reasonable efforts have been made to 25168
prepare the emancipated young adult for independence, but only if 25169
both of the following apply: 25170

(A) The emancipated young adult complies with division (A) (1) 25171
of section 5101.1411 of the Revised Code. 25172

(B) There has been a timely determination of best interest 25173
under division (A) of section 2151.452 of the Revised Code. 25174

Sec. 2303.05. The clerk of the court of common pleas may 25175
appoint one or more deputies. Such appointment or appointments 25176
shall be ~~in writing signed~~ endorsed by the clerk and entered on 25177
the journal of the court. 25178

Sec. 2317.54. No hospital, home health agency, ambulatory 25179
surgical facility, or provider of a hospice care program or 25180
pediatric respite care program shall be held liable for a 25181
physician's failure to obtain an informed consent from the 25182
physician's patient prior to a surgical or medical procedure or 25183
course of procedures, unless the physician is an employee of the 25184
hospital, home health agency, ambulatory surgical facility, or 25185
provider of a hospice care program or pediatric respite care 25186
program. 25187

Written consent to a surgical or medical procedure or course 25188
of procedures shall, to the extent that it fulfills all the 25189
requirements in divisions (A), (B), and (C) of this section, be 25190
presumed to be valid and effective, in the absence of proof by a 25191
preponderance of the evidence that the person who sought such 25192
consent was not acting in good faith, or that the execution of the 25193

consent was induced by fraudulent misrepresentation of material 25194
facts, or that the person executing the consent was not able to 25195
communicate effectively in spoken and written English or any other 25196
language in which the consent is written. Except as herein 25197
provided, no evidence shall be admissible to impeach, modify, or 25198
limit the authorization for performance of the procedure or 25199
procedures set forth in such written consent. 25200

(A) The consent sets forth in general terms the nature and 25201
purpose of the procedure or procedures, and what the procedures 25202
are expected to accomplish, together with the reasonably known 25203
risks, and, except in emergency situations, sets forth the names 25204
of the physicians who shall perform the intended surgical 25205
procedures. 25206

(B) The person making the consent acknowledges that such 25207
disclosure of information has been made and that all questions 25208
asked about the procedure or procedures have been answered in a 25209
satisfactory manner. 25210

(C) The consent is signed by the patient for whom the 25211
procedure is to be performed, or, if the patient for any reason 25212
including, but not limited to, competence, minority, or the fact 25213
that, at the latest time that the consent is needed, the patient 25214
is under the influence of alcohol, hallucinogens, or drugs, lacks 25215
legal capacity to consent, by a person who has legal authority to 25216
consent on behalf of such patient in such circumstances, including 25217
either of the following: 25218

(1) The parent, whether the parent is an adult or a minor, of 25219
the parent's minor child; 25220

(2) An adult whom the parent of the minor child has given 25221
written authorization to consent to a surgical or medical 25222
procedure or course of procedures for the parent's minor child. 25223

Any use of a consent form that fulfills the requirements 25224

stated in divisions (A), (B), and (C) of this section has no 25225
effect on the common law rights and liabilities, including the 25226
right of a physician to obtain the oral or implied consent of a 25227
patient to a medical procedure, that may exist as between 25228
physicians and patients on July 28, 1975. 25229

As used in this section the term "hospital" has the same 25230
meaning as in section 2305.113 of the Revised Code; ~~"home health~~ 25231
~~agency" has the same meaning as in section 3701.881 of the Revised~~ 25232
~~Code;~~ "ambulatory surgical facility" has the same meaning as in 25233
section 3702.30 of the Revised Code; ~~and~~ "hospice care program" 25234
and "pediatric respite care program" have the same meanings as in 25235
section 3712.01 of the Revised Code, and "home health agency" has 25236
the same meaning as in section 3740.01 of the Revised Code. The 25237
provisions of this division apply to hospitals, doctors of 25238
medicine, doctors of osteopathic medicine, and doctors of 25239
podiatric medicine. 25240

Sec. 2323.52. (A) As used in this section: 25241

(1) "Conduct" has the same meaning as in section 2323.51 of 25242
the Revised Code. 25243

(2) "Vexatious conduct" means conduct of a party in a civil 25244
action that satisfies any of the following: 25245

(a) The conduct obviously serves merely to harass or 25246
maliciously injure another party to the civil action. 25247

(b) The conduct is not warranted under existing law and 25248
cannot be supported by a good faith argument for an extension, 25249
modification, or reversal of existing law. 25250

(c) The conduct is imposed solely for delay. 25251

(3) "Vexatious litigator" means any person who has 25252
habitually, persistently, and without reasonable grounds engaged 25253
in vexatious conduct in a civil action or actions, whether in the 25254

court of claims or in a court of appeals, court of common pleas, 25255
municipal court, or county court, whether the person or another 25256
person instituted the civil action or actions, and whether the 25257
vexatious conduct was against the same party or against different 25258
parties in the civil action or actions. "Vexatious litigator" does 25259
not include a person who is authorized to practice law in the 25260
courts of this state under the Ohio Supreme Court Rules for the 25261
Government of the Bar of Ohio unless that person is representing 25262
or has represented self pro se in the civil action or actions. For 25263
the purposes of division (A) (3) of this section, "civil action" 25264
includes a proceeding under section 2743.75 or 2743.76 of the 25265
Revised Code. 25266

(B) A person, the office of the attorney general, or a 25267
prosecuting attorney, city director of law, village solicitor, or 25268
similar chief legal officer of a municipal corporation who has 25269
defended against habitual and persistent vexatious conduct in the 25270
court of claims or in a court of appeals, court of common pleas, 25271
municipal court, or county court may commence a civil action in a 25272
court of common pleas with jurisdiction over the person who 25273
allegedly engaged in the habitual and persistent vexatious conduct 25274
to have that person declared a vexatious litigator. The person, 25275
office of the attorney general, prosecuting attorney, city 25276
director of law, village solicitor, or similar chief legal officer 25277
of a municipal corporation may commence this civil action while 25278
the civil action or actions in which the habitual and persistent 25279
vexatious conduct occurred are still pending or within one year 25280
after the termination of the civil action or actions in which the 25281
habitual and persistent vexatious conduct occurred. 25282

(C) A civil action to have a person declared a vexatious 25283
litigator shall proceed as any other civil action, and the Ohio 25284
Rules of Civil Procedure apply to the action. 25285

(D) (1) If the person alleged to be a vexatious litigator is 25286

found to be a vexatious litigator, subject to division (D) (2) of 25287
this section, the court of common pleas may enter an order 25288
prohibiting the vexatious litigator from doing one or more of the 25289
following without first obtaining the leave of that court to 25290
proceed: 25291

(a) Instituting legal proceedings in the court of claims or 25292
in a court of common pleas, municipal court, or county court; 25293

(b) Continuing any legal proceedings that the vexatious 25294
litigator had instituted in any of the courts specified in 25295
division (D) (1) (a) of this section prior to the entry of the 25296
order; 25297

(c) Making any application, other than an application for 25298
leave to proceed under division (F) (1) of this section, in any 25299
legal proceedings instituted by the vexatious litigator or another 25300
person in any of the courts specified in division (D) (1) (a) of 25301
this section. 25302

(2) If the court of common pleas finds a person who is 25303
authorized to practice law in the courts of this state under the 25304
Ohio Supreme Court Rules for the Government of the Bar of Ohio to 25305
be a vexatious litigator and enters an order described in division 25306
(D) (1) of this section in connection with that finding, the order 25307
shall apply to the person only insofar as the person would seek to 25308
institute proceedings described in division (D) (1) (a) of this 25309
section on a pro se basis, continue proceedings described in 25310
division (D) (1) (b) of this section on a pro se basis, or make an 25311
application described in division (D) (1) (c) of this section on a 25312
pro se basis. The order shall not apply to the person insofar as 25313
the person represents one or more other persons in the person's 25314
capacity as a licensed and registered attorney in a civil or 25315
criminal action or proceeding or other matter in a court of common 25316
pleas, municipal court, or county court or in the court of claims. 25317
Division (D) (2) of this section does not affect any remedy that is 25318

available to a court or an adversely affected party under section 25319
2323.51 or another section of the Revised Code, under Civil Rule 25320
11 or another provision of the Ohio Rules of Civil Procedure, or 25321
under the common law of this state as a result of frivolous 25322
conduct or other inappropriate conduct by an attorney who 25323
represents one or more clients in connection with a civil or 25324
criminal action or proceeding or other matter in a court of common 25325
pleas, municipal court, or county court or in the court of claims. 25326

(3) A person who is subject to an order entered pursuant to 25327
division (D)(1) of this section may not institute legal 25328
proceedings in a court of appeals, continue any legal proceedings 25329
that the vexatious litigator had instituted in a court of appeals 25330
prior to entry of the order, or make any application, other than 25331
the application for leave to proceed allowed by division (F)(2) of 25332
this section, in any legal proceedings instituted by the vexatious 25333
litigator or another person in a court of appeals without first 25334
obtaining leave of the court of appeals to proceed pursuant to 25335
division (F)(2) of this section. 25336

(E) An order that is entered under division (D)(1) of this 25337
section shall remain in force indefinitely unless the order 25338
provides for its expiration after a specified period of time. 25339

(F)(1) A court of common pleas that entered an order under 25340
division (D)(1) of this section shall not grant a person found to 25341
be a vexatious litigator leave for the institution or continuance 25342
of, or the making of an application in, legal proceedings in the 25343
court of claims or in a court of common pleas, municipal court, or 25344
county court unless the court of common pleas that entered that 25345
order is satisfied that the proceedings or application are not an 25346
abuse of process of the court in question and that there are 25347
reasonable grounds for the proceedings or application. If a person 25348
who has been found to be a vexatious litigator under this section 25349
requests the court of common pleas that entered an order under 25350

division (D) (1) of this section to grant the person leave to 25351
proceed as described in division (F) (1) of this section, the 25352
period of time commencing with the filing with that court of an 25353
application for the issuance of an order granting leave to proceed 25354
and ending with the issuance of an order of that nature shall not 25355
be computed as a part of an applicable period of limitations 25356
within which the legal proceedings or application involved 25357
generally must be instituted or made. 25358

(2) A person who is subject to an order entered pursuant to 25359
division (D) (1) of this section and who seeks to institute or 25360
continue any legal proceedings in a court of appeals or to make an 25361
application, other than an application for leave to proceed under 25362
division (F) (2) of this section, in any legal proceedings in a 25363
court of appeals shall file an application for leave to proceed in 25364
the court of appeals in which the legal proceedings would be 25365
instituted or are pending. The court of appeals shall not grant a 25366
person found to be a vexatious litigator leave for the institution 25367
or continuance of, or the making of an application in, legal 25368
proceedings in the court of appeals unless the court of appeals is 25369
satisfied that the proceedings or application are not an abuse of 25370
process of the court and that there are reasonable grounds for the 25371
proceedings or application. If a person who has been found to be a 25372
vexatious litigator under this section requests the court of 25373
appeals to grant the person leave to proceed as described in 25374
division (F) (2) of this section, the period of time commencing 25375
with the filing with the court of an application for the issuance 25376
of an order granting leave to proceed and ending with the issuance 25377
of an order of that nature shall not be computed as a part of an 25378
applicable period of limitations within which the legal 25379
proceedings or application involved generally must be instituted 25380
or made. 25381

(G) During the period of time that the order entered under 25382

division (D) (1) of this section is in force, no appeal by the 25383
person who is the subject of that order shall lie from a decision 25384
of the court of common pleas or court of appeals under division 25385
(F) of this section that denies that person leave for the 25386
institution or continuance of, or the making of an application in, 25387
legal proceedings in the court of claims or in a court of appeals, 25388
court of common pleas, municipal court, or county court. 25389

(H) The clerk of the court of common pleas that enters an 25390
order under division (D) (1) of this section shall send a certified 25391
copy of the order to the supreme court for publication in a manner 25392
that the supreme court determines is appropriate and that will 25393
facilitate the clerk of the court of claims and a clerk of a court 25394
of appeals, court of common pleas, municipal court, or county 25395
court in refusing to accept pleadings or other papers submitted 25396
for filing by persons who have been found to be a vexatious 25397
litigator under this section and who have failed to obtain leave 25398
to proceed under this section. 25399

(I) Whenever it appears by suggestion of the parties or 25400
otherwise that a person found to be a vexatious litigator under 25401
this section has instituted, continued, or made an application in 25402
legal proceedings without obtaining leave to proceed from the 25403
appropriate court of common pleas or court of appeals to do so 25404
under division (F) of this section, the court in which the legal 25405
proceedings are pending shall dismiss the proceedings or 25406
application of the vexatious litigator. 25407

Sec. 2329.312. (A) All levying officers appointed or 25408
authorized by a court under this chapter to conduct the judicial 25409
or execution sale of residential property consisting of one to 25410
four single-family units shall submit quarterly reports to the 25411
attorney general ~~for the purpose of assessing the extent to which~~ 25412
~~deadlines required by this chapter are met.~~ The reports shall 25413

include data on each such sale conducted by the officer, including 25414
data showing whether or not the deadlines required under division 25415
(E) of section 2308.02, division (B) of section 2329.17, and 25416
sections 2329.30 and 2329.31 of the Revised Code are met. 25417

~~(B) Starting one year after the effective date of this~~ 25418
~~section September 28, 2016, the The attorney general shall ~~do all~~~~ 25419
~~of the following.~~ 25420

~~(1) Establish and maintain a database comprised of the~~ 25421
~~information submitted by levying officers pursuant to division (A)~~ 25422
~~of this section.~~ 25423

~~(2) Make make the information included in the ~~database~~~~ 25424
~~reports described in division (A) of this section publicly~~ 25425
~~available.~~ 25426

~~(3) Adopt rules for the creation and administration of the~~ 25427
~~database.~~ 25428

Sec. 2743.01. As used in this chapter: 25429

(A) "State" means the state of Ohio, including, but not 25430
limited to, the general assembly, the supreme court, the offices 25431
of all elected state officers, and all departments, boards, 25432
offices, commissions, agencies, institutions, and other 25433
instrumentalities of the state. "State" does not include political 25434
subdivisions. 25435

(B) "Political subdivisions" means municipal corporations, 25436
townships, counties, school districts, and all other bodies 25437
corporate and politic responsible for governmental activities only 25438
in geographic areas smaller than that of the state to which the 25439
sovereign immunity of the state attaches. 25440

(C) "Claim for an award of reparations" or "claim" means a 25441
claim for an award of reparations made under sections 2743.51 to 25442

2743.72 of the Revised Code. 25443

(D) "Award of reparations" or "award" means an award made 25444
under sections 2743.51 to 2743.72 of the Revised Code. 25445

(E) (1) "Public duty" includes, but is not limited to, any 25446
statutory, regulatory, or assumed duty concerning any action or 25447
omission of the state involving any of the following: 25448

(a) Permitting, certifying, licensing, inspecting, 25449
investigating, supervising, regulating, auditing, monitoring, law 25450
enforcement, ~~or~~ emergency response activity, or compromising 25451
claims; 25452

(b) Supervising, rehabilitating, or liquidating corporations 25453
or other business entities. 25454

(2) "Public duty" does not include any action of the state 25455
under circumstances in which a special relationship can be 25456
established between the state and an injured party as provided in 25457
division (A) (3) of section 2743.02 of the Revised Code. 25458

Sec. 2743.02. (A) (1) The state hereby waives its immunity 25459
from liability, except as provided for the office of the state 25460
fire marshal in division (G) (1) of section 9.60 and division (B) 25461
of section 3737.221 of the Revised Code and subject to division 25462
(H) of this section, and consents to be sued, and have its 25463
liability determined, in the court of claims created in this 25464
chapter in accordance with the same rules of law applicable to 25465
suits between private parties, except that the determination of 25466
liability is subject to the limitations set forth in this chapter 25467
and, in the case of state universities or colleges, in section 25468
3345.40 of the Revised Code, and except as provided in division 25469
(A) (2) or (3) of this section. To the extent that the state has 25470
previously consented to be sued, this chapter has no 25471
applicability. 25472

Except in the case of a civil action filed by the state, 25473
filing a civil action in the court of claims results in a complete 25474
waiver of any cause of action, based on the same act or omission, 25475
that the filing party has against any officer or employee, as 25476
defined in section 109.36 of the Revised Code. The waiver shall be 25477
void if the court determines that the act or omission was 25478
manifestly outside the scope of the officer's or employee's office 25479
or employment or that the officer or employee acted with malicious 25480
purpose, in bad faith, or in a wanton or reckless manner. 25481

(2) If a claimant proves in the court of claims that an 25482
officer or employee, as defined in section 109.36 of the Revised 25483
Code, would have personal liability for the officer's or 25484
employee's acts or omissions but for the fact that the officer or 25485
employee has personal immunity under section 9.86 of the Revised 25486
Code, the state shall be held liable in the court of claims in any 25487
action that is timely filed pursuant to section 2743.16 of the 25488
Revised Code and that is based upon the acts or omissions. 25489

(3) (a) Except as provided in division (A) (3) (b) of this 25490
section, the state is immune from liability in any civil action or 25491
proceeding involving the performance or nonperformance of a public 25492
duty, including the performance or nonperformance of a public duty 25493
that is owed by the state in relation to any action of an 25494
individual who is committed to the custody of the state. 25495

(b) The state immunity provided in division (A) (3) (a) of this 25496
section does not apply to any action of the state under 25497
circumstances in which a special relationship can be established 25498
between the state and an injured party. A special relationship 25499
under this division is demonstrated if all of the following 25500
elements exist: 25501

(i) An assumption by the state, by means of promises or 25502
actions, of an affirmative duty to act on behalf of the party who 25503
was allegedly injured; 25504

(ii) Knowledge on the part of the state's agents that 25505
inaction of the state could lead to harm; 25506

(iii) Some form of direct contact between the state's agents 25507
and the injured party; 25508

(iv) The injured party's justifiable reliance on the state's 25509
affirmative undertaking. 25510

(B) The state hereby waives the immunity from liability of 25511
all hospitals owned or operated by one or more political 25512
subdivisions and consents for them to be sued, and to have their 25513
liability determined, in the court of common pleas, in accordance 25514
with the same rules of law applicable to suits between private 25515
parties, subject to the limitations set forth in this chapter. 25516
This division is also applicable to hospitals owned or operated by 25517
political subdivisions that have been determined by the supreme 25518
court to be subject to suit prior to July 28, 1975. 25519

(C) Any hospital, as defined in section 2305.113 of the 25520
Revised Code, may purchase liability insurance covering its 25521
operations and activities and its agents, employees, nurses, 25522
interns, residents, staff, and members of the governing board and 25523
committees, and, whether or not such insurance is purchased, may, 25524
to the extent that its governing board considers appropriate, 25525
indemnify or agree to indemnify and hold harmless any such person 25526
against expense, including attorney's fees, damage, loss, or other 25527
liability arising out of, or claimed to have arisen out of, the 25528
death, disease, or injury of any person as a result of the 25529
negligence, malpractice, or other action or inaction of the 25530
indemnified person while acting within the scope of the 25531
indemnified person's duties or engaged in activities at the 25532
request or direction, or for the benefit, of the hospital. Any 25533
hospital electing to indemnify those persons, or to agree to so 25534
indemnify, shall reserve any funds that are necessary, in the 25535
exercise of sound and prudent actuarial judgment, to cover the 25536

potential expense, fees, damage, loss, or other liability. The 25537
superintendent of insurance may recommend, or, if the hospital 25538
requests the superintendent to do so, the superintendent shall 25539
recommend, a specific amount for any period that, in the 25540
superintendent's opinion, represents such a judgment. This 25541
authority is in addition to any authorization otherwise provided 25542
or permitted by law. 25543

(D) Recoveries against the state shall be reduced by the 25544
aggregate of insurance proceeds, disability award, or other 25545
collateral recovery ~~received by that~~ the claimant receives or is 25546
entitled to. This division does not apply to civil actions in the 25547
court of claims against a state university or college under the 25548
circumstances described in section 3345.40 of the Revised Code. 25549
The collateral benefits provisions of division (B) (2) of that 25550
section apply under those circumstances. 25551

(E) The only defendant in original actions in the court of 25552
claims is the state. The state may file a third-party complaint or 25553
counterclaim in any civil action, except a civil action for ten 25554
thousand dollars or less, that is filed in the court of claims. 25555

(F) A civil action against an officer or employee, as defined 25556
in section 109.36 of the Revised Code, that alleges that the 25557
officer's or employee's conduct was manifestly outside the scope 25558
of the officer's or employee's employment or official 25559
responsibilities, or that the officer or employee acted with 25560
malicious purpose, in bad faith, or in a wanton or reckless manner 25561
shall first be filed against the state in the court of claims that 25562
has exclusive, original jurisdiction to determine, initially, 25563
whether the officer or employee is entitled to personal immunity 25564
under section 9.86 of the Revised Code and whether the courts of 25565
common pleas have jurisdiction over the civil action. The officer 25566
or employee may participate in the immunity determination 25567
proceeding before the court of claims to determine whether the 25568

officer or employee is entitled to personal immunity under section 25569
9.86 of the Revised Code. 25570

The filing of a claim against an officer or employee under 25571
this division tolls the running of the applicable statute of 25572
limitations until the court of claims determines whether the 25573
officer or employee is entitled to personal immunity under section 25574
9.86 of the Revised Code. 25575

(G) If a claim lies against an officer or employee who is a 25576
member of the Ohio national guard, and the officer or employee 25577
was, at the time of the act or omission complained of, subject to 25578
the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 25579
2671, et seq., the Federal Tort Claims Act is the exclusive remedy 25580
of the claimant and the state has no liability under this section. 25581

(H) If an inmate of a state correctional institution has a 25582
claim against the state for the loss of or damage to property and 25583
the amount claimed does not exceed three hundred dollars, before 25584
commencing an action against the state in the court of claims, the 25585
inmate shall file a claim for the loss or damage under the rules 25586
adopted by the director of rehabilitation and correction pursuant 25587
to this division. The inmate shall file the claim within the time 25588
allowed for commencement of a civil action under section 2743.16 25589
of the Revised Code. If the state admits or compromises the claim, 25590
the director shall make payment from a fund designated by the 25591
director for that purpose. If the state denies the claim or does 25592
not compromise the claim at least sixty days prior to expiration 25593
of the time allowed for commencement of a civil action based upon 25594
the loss or damage under section 2743.16 of the Revised Code, the 25595
inmate may commence an action in the court of claims under this 25596
chapter to recover damages for the loss or damage. 25597

The director of rehabilitation and correction shall adopt 25598
rules pursuant to Chapter 119. of the Revised Code to implement 25599
this division. 25600

Sec. 2743.03. (A) (1) There is hereby created a court of 25601
claims. Except as provided under section 107.43 of the Revised 25602
Code, the court of claims is a court of record and has exclusive, 25603
original jurisdiction of all civil actions against the state 25604
permitted by the waiver of immunity contained in section 2743.02 25605
of the Revised Code and exclusive jurisdiction of the causes of 25606
action of all parties in civil actions that are removed to the 25607
court of claims. The court shall have full equity powers in all 25608
actions within its jurisdiction and may entertain and determine 25609
all counterclaims, cross-claims, and third-party claims. 25610

(2) If the claimant in a civil action as described in 25611
division (A) (1) of this section also files a claim for a 25612
declaratory judgment, injunctive relief, or other equitable relief 25613
against the state that arises out of the same circumstances that 25614
gave rise to the civil action described in division (A) (1) of this 25615
section, the court of claims has exclusive, original jurisdiction 25616
to hear and determine that claim in that civil action. This 25617
division does not affect, and shall not be construed as affecting, 25618
the original jurisdiction of another court of this state to hear 25619
and determine a civil action in which the sole relief that the 25620
claimant seeks against the state is a declaratory judgment, 25621
injunctive relief, or other equitable relief. 25622

(3) In addition to its exclusive, original jurisdiction as 25623
conferred by divisions (A) (1) and (2) of this section, the court 25624
of claims has exclusive, original jurisdiction as follows: 25625

(a) As described in division (F) of section 2743.02, division 25626
(B) of section 3335.03, and division (C) of section 5903.02 of the 25627
Revised Code; 25628

(b) Under section 2743.75 of the Revised Code to hear 25629
complaints alleging a denial of access to public records in 25630
violation of division (B) of section 149.43 of the Revised Code, 25631

regardless of whether the public office or person responsible for 25632
public records is an office or employee of the state or of a 25633
political subdivision; 25634

(c) Under section 2743.76 of the Revised Code to hear 25635
complaints alleging a violation of section 121.22 of the Revised 25636
Code by a public body, as defined in section 121.22 of the Revised 25637
Code. 25638

(B) The court of claims shall sit in Franklin county, its 25639
hearings shall be public, and it shall consist of incumbent 25640
justices or judges of the supreme court, courts of appeals, or 25641
courts of common pleas, or retired justices or judges eligible for 25642
active duty pursuant to division (C) of Section 6 of Article IV, 25643
Ohio Constitution, sitting by temporary assignment of the chief 25644
justice of the supreme court. The chief justice may direct the 25645
court to sit in any county for cases on removal upon a showing of 25646
substantial hardship and whenever justice dictates. 25647

(C) (1) A civil action against the state shall be heard and 25648
determined by a single judge. Upon application by the claimant or 25649
the state, the chief justice of the supreme court may assign a 25650
panel of three judges to hear and determine a civil action 25651
presenting novel or complex issues of law or fact. Concurrence of 25652
two members of the panel is necessary for any judgment or order. 25653

(2) Whenever the chief justice of the supreme court believes 25654
an equitable resolution of a case will be expedited, the chief 25655
justice may appoint magistrates in accordance with Civil Rule 53 25656
to hear the case. 25657

(3) When any dispute under division (B) of section 153.12 of 25658
the Revised Code is brought to the court of claims, upon request 25659
of either party to the dispute, the chief justice of the supreme 25660
court shall appoint a single referee or a panel of three referees. 25661
The referees need not be attorneys, but shall be persons 25662

knowledgeable about construction contract law, a member of the 25663
construction industry panel of the American arbitration 25664
association, or an individual or individuals deemed qualified by 25665
the chief justice to serve. No person shall serve as a referee if 25666
that person has been employed by an affected state agency or a 25667
contractor or subcontractor involved in the dispute at any time in 25668
the preceding five years. Proceedings governing referees shall be 25669
in accordance with Civil Rule 53, except as modified by this 25670
division. The referee or panel of referees shall submit its 25671
report, which shall include a recommendation and finding of fact, 25672
to the judge assigned to the case by the chief justice, within 25673
thirty days of the conclusion of the hearings. Referees appointed 25674
pursuant to this division shall be compensated on a per diem basis 25675
at the same rate as is paid to judges of the court and also shall 25676
be paid their expenses. If a single referee is appointed or a 25677
panel of three referees is appointed, then, with respect to one 25678
referee of the panel, the compensation and expenses of the referee 25679
shall not be taxed as part of the costs in the case but shall be 25680
included in the budget of the court. If a panel of three referees 25681
is appointed, the compensation and expenses of the two remaining 25682
referees shall be taxed as costs of the case. 25683

All costs of a case shall be apportioned among the parties. 25684
The court may not require that any party deposit with the court 25685
cash, bonds, or other security in excess of two hundred dollars to 25686
guarantee payment of costs without the prior approval in each case 25687
of the chief justice. 25688

(4) An appeal from a decision of the attorney general 25689
pursuant to sections 2743.51 to 2743.72 of the Revised Code shall 25690
be heard and determined by the court of claims. 25691

(D) The Rules of Civil Procedure shall govern practice and 25692
procedure in all actions in the court of claims, except insofar as 25693
inconsistent with this chapter. The supreme court may promulgate 25694

rules governing practice and procedure in actions in the court as 25695
provided in Section 5 of Article IV, Ohio Constitution. 25696

(E) (1) A party who files a counterclaim against the state or 25697
makes the state a third-party defendant in an action commenced in 25698
any court, other than the court of claims, shall file a petition 25699
for removal in the court of claims. The petition shall state the 25700
basis for removal, be accompanied by a copy of all process, 25701
pleadings, and other papers served upon the petitioner, and shall 25702
be signed in accordance with Civil Rule 11. A petition for removal 25703
based on a counterclaim shall be filed within twenty-eight days 25704
after service of the counterclaim of the petitioner. A petition 25705
for removal based on third-party practice shall be filed within 25706
twenty-eight days after the filing of the third-party complaint of 25707
the petitioner. 25708

(2) Within seven days after filing a petition for removal, 25709
the petitioner shall give written notice to the parties, and shall 25710
file a copy of the petition with the clerk of the court in which 25711
the action was brought originally. The filing effects the removal 25712
of the action to the court of claims, and the clerk of the court 25713
where the action was brought shall forward all papers in the case 25714
to the court of claims. The court of claims shall adjudicate all 25715
civil actions removed. The court may remand a civil action to the 25716
court in which it originated upon a finding that the removal 25717
petition does not justify removal, or upon a finding that the 25718
state is no longer a party. 25719

(3) Bonds, undertakings, or security and injunctions, 25720
attachments, sequestrations, or other orders issued prior to 25721
removal remain in effect until dissolved or modified by the court 25722
of claims. 25723

Sec. 2743.15. (A) The director or other administrative chief, 25724
or the governing body, of any department, board, office, 25725

commission, agency, institution, or other instrumentality of the 25726
state, ~~with:~~ 25727

(1) With the approval of the attorney general and the court 25728
of claims, may settle or compromise any civil action against the 25729
state insofar as the department, board, office, commission, 25730
agency, institution, or other instrumentality is named as a 25731
defendant; 25732

(2) Shall notify the office of risk management in the 25733
department of administrative services of any settlement or 25734
compromise to allow for the proper reservation of funds. 25735

(B) The acceptance by the claimant of any such compromise or 25736
settlement shall be final and conclusive on the claimant and is a 25737
complete release of the civil action against the state insofar as 25738
the particular department, board, office, commission, agency, 25739
institution, or other instrumentality is named, or could be named, 25740
as a defendant. A compromise or settlement that requires the 25741
payment of money by the state may be implemented and enforced, 25742
insofar as the payment of money is concerned, only through the 25743
procedure specified in section 2743.19 of the Revised Code, which 25744
shall be commenced by the attorney general forwarding a clerk's 25745
certified copy of the settlement instrument to the director of 25746
budget and management. A copy of the settlement instrument of 25747
actions involving the office of risk management in the department 25748
of administrative services shall be forwarded to the office of 25749
risk management for payment via the risk management reserve fund 25750
created in section 9.823 of the Revised Code. 25751

No interest of any kind, including any kind set forth in 25752
sections 2743.18 and 2743.19 of the Revised Code, is allowed on 25753
any compromise or settlement of any civil action against the state 25754
under this section. 25755

The authority of the department of administrative services to 25756

compromise claims does not extend to other statutory and agency 25757
programs with direct settlement authority, including activities by 25758
the department of transportation, inmate property actions 25759
described in division (H) of section 2743.02 of the Revised Code, 25760
and wrongful imprisonment actions provided for in section 2743.48 25761
of the Revised Code. 25762

Sec. 2743.16. (A) Subject to division (B) of this section, 25763
civil actions against the state permitted by sections 2743.01 to 25764
2743.20 of the Revised Code shall be commenced no later than two 25765
years after the date of accrual of the cause of action or within 25766
any shorter period that is applicable to similar suits between 25767
private parties. 25768

(B) If a person suffers injury, death, or loss to person or 25769
property ~~from the operation of an automobile, truck, motor vehicle~~ 25770
~~with auxiliary equipment, self propelling equipment or trailer,~~ 25771
~~aircraft, or watercraft by an officer or employee of the state~~ 25772
~~while engaged in the course of his employment or official~~ 25773
~~responsibilities for the state, as contemplated in sections 9.821~~ 25774
~~to 9.83 of the Revised Code, the person or the representative of~~ 25775
that person or of the estate of that person shall attempt, prior 25776
to the commencement of an action based upon that injury, death, or 25777
loss, to have the claim based upon that injury, death, or loss 25778
compromised by the ~~state~~ office of risk management in the 25779
department of administrative services or satisfied by the state's 25780
liability insurance. No action for any such claim shall be filed 25781
in the court of claims until the person, the representative of 25782
that person, or the estate of the person asserting the claim has 25783
complied with this division. Any compromise by the office of risk 25784
management shall be paid from the risk management reserve fund 25785
created in section 9.823 of the Revised Code. The acceptance by 25786
the claimant of any such compromise or settlement shall be final 25787
and conclusive on the person or representative of the person or 25788

the person's estate and is a complete release against the state 25789
insofar as the particular department, board, office, commission, 25790
agency, institution, or other instrumentality is named, or could 25791
be named, as a defendant and results in a complete waiver of any 25792
cause of action, based on the same act or omission, that the 25793
person or representative of the person or the person's estate has 25794
against any officer or employee, as defined in section 109.36 of 25795
the Revised Code. 25796

If the state, upon a request of the person or of ~~his or his~~ 25797
~~estate's~~ the representative of the person or the person's estate 25798
to compromise such a claim, does not compromise the claim within a 25799
reasonable time after the request is made and at least sixty days 25800
prior to the expiration of the applicable period of limitations 25801
for commencement of an action based upon the injury, death, or 25802
loss, or if the amount of the claim is in excess of the state's 25803
liability insurance coverage, the person or ~~his or his estate's~~ 25804
the representative of the person or the person's estate may 25805
commence an action in the court of claims under this chapter to 25806
recover the claim or the unpaid amount of the claim from the 25807
state. Neither the person nor ~~his or his estate's~~ the 25808
representative of the person or the person's estate shall commence 25809
an action against the officer or employee to recover damages for 25810
the injury, death, or loss until after ~~he~~ the person or 25811
representative commences the action in the court of claims against 25812
the state and the action in that court is terminated. If the court 25813
of claims determines that the state is not liable for the injury, 25814
death, or loss ~~caused by the officer's or employee's operation of~~ 25815
~~the automobile, truck, motor vehicle with auxiliary equipment,~~ 25816
~~self-propelling equipment or trailer, aircraft, or watercraft,~~ the 25817
person or ~~his or his estate's~~ the representative of the person or 25818
the person's estate is not prohibited by this division from 25819
commencing an action against the officer or employee to recover 25820
the claim or the unpaid amount of the claim based upon the injury, 25821

death, or loss. Nothing in this division shall affect the immunity 25822
of any state officer or employee pursuant to section 9.86 of the 25823
Revised Code. 25824

If a person or his or his estate's representative attempts, 25825
pursuant to this division, to have a claim compromised by the 25826
state or satisfied by the state's liability insurance, and if the 25827
state determines not to compromise the claim, the state's 25828
liability insurance will not cover the claim, or the claim is in 25829
excess of the state's liability insurance coverage, then the state 25830
shall so notify the person or his or his estate's representative 25831
in writing. The notice shall be provided as soon as possible after 25832
the state determines not to compromise the claim or it is 25833
determined that the state's liability insurance will not cover 25834
either the claim or the entire claim. 25835

(C) All summaries, reports, and records received and 25836
maintained by the office of risk management in the department of 25837
administrative services in connection with claims against the 25838
state are not public records, shall be held in confidence, shall 25839
not be released, and shall not be subject to discovery or 25840
introduction in evidence in any federal or state civil action. 25841

(D) (1) The period of limitations prescribed by division (A) 25842
of this section shall be tolled pursuant to section 2305.16 of the 25843
Revised Code. 25844

(2) If a person suffers injury, death, or loss to person or 25845
property ~~from the operation of an automobile, truck, motor vehicle~~ 25846
~~with auxiliary equipment, self propelling equipment or trailer,~~ 25847
~~aircraft, or watercraft by an officer or employee of the state~~ 25848
~~while engaged in the course of his employment or official~~ 25849
~~responsibilities for the state contemplated by sections 9.82 to~~ 25850
9.83 of the Revised Code, if the person or his or his estate's the 25851
representative of the person or the person's estate is required by 25852
division (B) of this section to attempt to have the claim based 25853

upon the injury, death, or loss compromised by the state or 25854
satisfied by the state's liability insurance prior to commencing 25855
an action based upon the injury, death, or loss, and if the person 25856
or ~~his or his estate's~~ the representative of the person or the 25857
person's estate complies with that division prior to the 25858
expiration of the applicable period of limitations prescribed by 25859
division (A) of this section for the commencement of an action in 25860
the court of claims based upon that injury, death, or loss, the 25861
period of time commencing with the submission of the claim to the 25862
state for the purposes of compromise or liability insurance 25863
satisfaction and ending with the state's compromise of the claim, 25864
the satisfaction of the claim by the state's liability insurance, 25865
or the provision of the written notice described in division (B) 25866
of this section shall not be computed as any part of the period 25867
within which an action based upon that injury, death, or loss must 25868
be brought. 25869

(3) If a person or ~~his or his estate's~~ the representative of 25870
a person or a person's estate commences an action to recover a 25871
claim, or the unpaid amount of a claim, against the state in the 25872
court of claims and that claim arises out of ~~the operation of an~~ 25873
~~automobile, truck, motor vehicle with auxiliary equipment,~~ 25874
~~self-propelling equipment or trailer, aircraft, or watercraft by~~ 25875
~~an officer or employee of the state while engaged in the course of~~ 25876
~~his employment or official responsibilities for the state~~ an 25877
injury, death, or loss contemplated by sections 9.82 to 9.83 of 25878
the Revised Code, the statute of limitations on the claim against 25879
the officer or employee shall not run during any time when the 25880
action against the state is pending in the court of claims. 25881

Sec. 2743.19. (A) In rendering a judgment against the state, 25882
the court of claims shall determine and specify in the judgment 25883
the department, office, commission, board, agency, institution, or 25884
other instrumentality of the state against which a determination 25885

of liability has been made. The court of claims shall award 25886
compensation for fees to a prevailing party in an action under 25887
this chapter in accordance with section 2335.39 of the Revised 25888
Code. 25889

(B) No execution shall issue against the state or any 25890
department, board, office, commission, agency, institution, or 25891
other instrumentality of the state upon any judgment for the 25892
payment of money. 25893

(C) Judgments shall be accomplished only through the 25894
following procedure, which may be enforced by writ of mandamus 25895
directed to the appropriate official: 25896

(1) The clerk of the court of claims shall forward a 25897
certified copy of the judgment to the director of budget and 25898
management and the attorney general or the officer who signed the 25899
investigative report for the department, office, commission, 25900
board, agency, institution, or other instrumentality of the state 25901
against which a determination of liability has been made. If the 25902
judgment requires payment from the risk management reserve fund 25903
created in section 9.823 of the Revised Code, a final signed copy 25904
of the judgment shall be forwarded to the office of risk 25905
management in the department of administrative services for 25906
payment. 25907

(2) The expense of a judgment paid, plus interest at the same 25908
rate that is applicable to judgments rendered against private 25909
parties to a suit as specified in section 1343.03 of the Revised 25910
Code and for the number of days determined pursuant to division 25911
(B) (1) or (2) of section 2743.18 of the Revised Code, shall be 25912
charged by the director of budget and management against available 25913
unencumbered moneys in the appropriations to whichever state 25914
departments, boards, offices, commissions, agencies, institutions, 25915
or other instrumentalities are named in the judgment. The director 25916
of budget and management shall have sole discretion to determine 25917

whether or not unencumbered moneys in a particular appropriation 25918
are available for satisfaction of a judgment. 25919

(3) The director of budget and management, upon receipt of 25920
the certified copy of the judgment from the clerk of the court of 25921
claims pursuant to division (C)(1) of this section, shall provide 25922
for payment of the judgment creditor in the amount of the judgment 25923
certified by the clerk of the court of claims, plus interest. 25924

(4) If the director of budget and management determines that 25925
sufficient unencumbered moneys do not exist in the particular 25926
appropriations to pay the judgment and interest, the director may 25927
make application for payment of the judgment and interest out of 25928
the emergency purposes account or another appropriation for 25929
emergencies or contingencies. 25930

(5) If moneys in the emergency purposes account or another 25931
appropriation for emergencies or contingencies are not used to pay 25932
the judgment and interest, the director of budget and management 25933
shall request the general assembly to make an appropriation 25934
sufficient to pay the judgment and interest, and no payment shall 25935
be made until the appropriation has been made. The appropriate 25936
state department, board, office, commission, agency, institution, 25937
or other instrumentality shall make this appropriation request 25938
during the current biennium and during each succeeding biennium 25939
until a sufficient appropriation is made. 25940

(6) If the judgment is against any department, board, office, 25941
commission, agency, institution, or other instrumentality of the 25942
state whose funds are not handled by the director of budget and 25943
management, the instrumentality against which the judgment is 25944
made, within sixty days after the date of the judgment, shall pay 25945
the judgment creditor in the amount of the judgment plus interest 25946
at the same rate that is applicable to judgments rendered against 25947
private parties to a suit as specified in section 1343.03 of the 25948
Revised Code and for the number of days determined pursuant to 25949

division (B) (1) or (2) of section 2743.18 of the Revised Code. 25950

(D) No judgment shall be forwarded by the clerk of the court 25951
of claims to the director of budget and management until all 25952
appeals have been determined and all rights to appeal have been 25953
exhausted, except as otherwise provided in this section. If a 25954

Sec. 2743.76. (A) In order to provide for an expeditious and 25962
economical procedure that attempts to resolve disputes alleging a 25963
violation of section 121.22 of the Revised Code, except for a 25964
court that hears an action pursuant to that section, the court of 25965
claims shall be the sole and exclusive authority in this state 25966
that adjudicates or resolves complaints based on alleged 25967
violations of that section. The clerk of the court of claims shall 25968
designate one or more current employees or hire one or more 25969
individuals to serve as special masters to hear complaints brought 25970
under this section. All special masters shall have been engaged in 25971
the practice of law in this state for at least four years and be 25972
in good standing with the supreme court at the time of designation 25973
or hiring. The clerk may assign administrative and clerical work 25974
associated with complaints brought under this section to current 25975
employees or may hire such additional employees as may be 25976
necessary to perform such work. 25977

(B) The clerk of the court of common pleas in each county 25978
shall act as the clerk of the court of claims for purposes of 25979
accepting those complaints filed with the clerk under division 25980

(D) (1) of this section, accepting filing fees for those 25981
complaints, and serving those complaints. 25982

(C) (1) Subject to division (C) (2) of this section, a person 25983
allegedly aggrieved by a violation of section 121.22 of the 25984
Revised Code may seek relief under that section or under this 25985
section, provided, however, that if the allegedly aggrieved person 25986
files a complaint under either section, that person may not seek 25987
relief that pertains to the same allegation in a complaint filed 25988
under the other section. 25989

(2) If the allegedly aggrieved person files a complaint under 25990
this section and the court of claims determines that the complaint 25991
constitutes a case of first impression that involves an issue of 25992
substantial public interest or a unique or complex case that 25993
manifestly requires discovery, hearings, or oral testimony, the 25994
court shall dismiss the complaint without prejudice and direct the 25995
allegedly aggrieved person to commence an action in the court of 25996
common pleas with appropriate jurisdiction as provided in division 25997
(I) (1) (a) (ii) of section 121.22 of the Revised Code. 25998

(D) (1) An allegedly aggrieved person who proceeds under this 25999
section shall file a complaint, on a form prescribed by the clerk 26000
of the court of claims, with the clerk of the court of claims or 26001
with the clerk of the court of common pleas of the county in which 26002
the public body that allegedly violated section 121.22 of the 26003
Revised Code is located. The person shall attach to the complaint 26004
copies of any documents, written responses, or other 26005
communications relating to the alleged violation from the public 26006
body or its authorized representative and shall pay a filing fee 26007
of twenty-five dollars made payable to the clerk of the court with 26008
whom the complaint is filed. The clerk shall serve a copy of the 26009
complaint on the public body and its authorized representative in 26010
accordance with Civil Rule 4.1 and, if the complaint is filed with 26011
the clerk of the court of common pleas, shall forward the 26012

complaint to the clerk of the court of claims, and to no other 26013
court, within five business days after service on the public body 26014
and its authorized representative is complete. 26015

(2) Upon receipt of a complaint filed under division (D)(1) 26016
of this section, the clerk of the court of claims shall assign a 26017
case number for the action and a special master to examine the 26018
complaint. Notwithstanding any provision to the contrary in this 26019
section, upon the recommendation of the special master, the court 26020
of claims on its own motion may dismiss the complaint at any time. 26021
The allegedly aggrieved person may voluntarily dismiss the 26022
complaint filed by that person under division (D)(1) of this 26023
section. 26024

(E)(1) Upon service of a complaint under division (D)(1) of 26025
this section, except as otherwise provided in this division, the 26026
special master assigned by the clerk under division (D)(2) of this 26027
section immediately shall refer the case to mediation services 26028
that the court of claims makes available to persons. If, in the 26029
interest of justice considering the circumstances of the case or 26030
the parties, the special master determines that the case should 26031
not be referred to mediation, the special master shall notify the 26032
court that the case was not referred to mediation, and the case 26033
shall proceed in accordance with division (F) of this section. If 26034
the case is referred to mediation, any further proceedings under 26035
division (F) of this section shall be stayed until the conclusion 26036
of the mediation. Any mediation proceedings under this division 26037
may be conducted by teleconference, telephone, or other electronic 26038
means. If an agreement is reached during mediation, the court 26039
shall dismiss the complaint. If an agreement is not reached, the 26040
special master shall notify the court that the case was not 26041
resolved and that the mediation has been terminated. 26042

(2) Within ten business days after the termination of the 26043
mediation or the notification to the court that the case was not 26044

referred to mediation under division (E)(1) of this section, the 26045
public body or its authorized representative shall file a 26046
response, and if applicable, a motion to dismiss the complaint, 26047
with the clerk of the court of claims and transmit copies of the 26048
pleadings to the allegedly aggrieved party. No further motions or 26049
pleadings shall be accepted by the clerk of the court of claims or 26050
by the special master assigned by the clerk under division (D)(2) 26051
of this section unless the special master directs in writing that 26052
a further motion or pleading be filed. 26053

(3) All of the following apply prior to the submission of the 26054
special master's report and recommendation to the court of claims 26055
under division (F)(1) of this section: 26056

(a) The special master shall not permit any discovery. 26057

(b) The parties may attach supporting affidavits to their 26058
respective pleadings. 26059

(c) The special master may require either or both of the 26060
parties to submit additional information or documentation 26061
supported by affidavits. 26062

(F)(1) Not later than thirty business days after receiving 26063
the response, or motion to dismiss the complaint, if applicable, 26064
of the public body or its authorized representative, the special 26065
master shall submit to the court of claims a report and 26066
recommendation based on the ordinary application of statutory law 26067
and case law as they existed at the time of the filing of the 26068
complaint. For good cause shown, the special master may extend the 26069
thirty-day period for the submission of the report and 26070
recommendation to the court of claims under this division. 26071

(2) Upon submission of the special master's report and 26072
recommendation to the court of claims under division (F)(1) of 26073
this section, the clerk shall send copies of the report and 26074
recommendation to each party by certified mail, return receipt 26075

requested, not later than three business days after the report and 26076
recommendation is filed. Either party may object to the report and 26077
recommendation within seven business days after receiving the 26078
report and recommendation by filing a written objection with the 26079
clerk and sending a copy to the other party by certified mail, 26080
return receipt requested. Any objection to the report and 26081
recommendation shall be specific and state with particularity all 26082
grounds for the objection. If neither party timely objects, the 26083
court of claims shall promptly issue a final order adopting the 26084
report and recommendation, unless it determines that there is an 26085
error of law or other defect evident on the face of the report and 26086
recommendation. If either party timely objects, the other party 26087
may file with the clerk a response within seven business days 26088
after receiving the objection and send a copy of the response to 26089
the objecting party by certified mail, return receipt requested. 26090
The court, within seven business days after the response to the 26091
objection is filed, shall issue a final order that adopts, 26092
modifies, or rejects the report and recommendation. 26093

(3) If the court of claims determines that the public body 26094
violated section 121.22 of the Revised Code as alleged by the 26095
aggrieved person and if no appeal from the court's final order is 26096
taken under division (G) of this section, all of the following 26097
apply: 26098

(a) The public body shall comply with the remedy that the 26099
court requires in its order. 26100

(b) The aggrieved person shall be entitled to recover from 26101
the public body the amount of the filing fee of twenty-five 26102
dollars and any other costs associated with the action that are 26103
incurred by the aggrieved person, but shall not be entitled to 26104
recover attorney's fees, except that division (G)(2) of this 26105
section applies if an appeal is taken under division (G)(1) of 26106
this section. 26107

(c) The court of claims shall issue an injunction to compel the members of the public body to comply with section 121.22 of the Revised Code. 26108
26109
26110

(4) A determination under this section that the public body violated section 121.22 of the Revised Code does not void or invalidate any actions taken by the public body. 26111
26112
26113

(G) (1) Any appeal from a final order of the court of claims under this section or from an order of the court of claims dismissing the complaint as provided in division (D) (2) of this section shall be taken to the court of appeals of the appellate district where the principal place of business of the public body that is alleged to have violated section 121.22 of the Revised Code is located. However, no appeal may be taken from a final order of the court of claims that adopts the special master's report and recommendation unless a timely objection to that report and recommendation was filed under division (F) (2) of this section. If the court of claims materially modifies the special master's report and recommendation, either party may take an appeal to the court of appeals of the appellate district of the principal place of business where that public body is located but the appeal shall be limited to the issue in the report and recommendation that is materially modified by the court of claims. In order to facilitate the expeditious resolution of disputes over alleged violations of section 121.22 of the Revised Code, the appeal shall be given such precedence over other pending matters as will ensure that the court will reach a decision promptly. 26114

No discovery may be conducted on the issue of the public body or its authorized representative filing the appeal with the alleged intent to either delay compliance with the court of claims' order for no reasonable cause or unduly harass the aggrieved person. This division shall not be construed as creating a presumption that the public body or its authorized representative filed the appeal with the intent to either delay compliance with the court of claims' order for no reasonable cause or unduly harass the aggrieved person.

sanctions under this section admits to being drug addicted or the 28863
court has reason to believe that the offender is drug addicted, 28864
and if the offense for which the offender is being sentenced was 28865
related to the addiction, the court may require that the offender 28866
be assessed by a properly credentialed professional within a 28867
specified period of time and shall require the professional to 28868
file a written assessment of the offender with the court. If a 28869
court imposes treatment and recovery support services as a 28870
community control sanction, the court shall direct the level and 28871
type of treatment and recovery support services after 28872
consideration of the written assessment, if available at the time 28873
of sentencing, and recommendations of the professional and other 28874
treatment and recovery support services providers. 28875

(4) If an assessment completed pursuant to division (A)(3) of 28876
this section indicates that the offender is addicted to drugs or 28877
alcohol, the court may include in any community control sanction 28878

ninety days, provided that if the remaining period of community 28906
control at the time of the violation or the remaining period of 28907
the ~~suspended~~ reserved prison sentence at that time is less than 28908
ninety days, the prison term shall not exceed the length of the 28909
remaining period of community control or the remaining period of 28910
the ~~suspended~~ reserved prison sentence. If the court imposes a 28911
prison term as described in this division, division (B)(2)(b) of 28912
this section applies. 28913

(ii) If the prison term is imposed for any technical 28914
violation of the conditions of a community control sanction 28915
imposed for a felony of the fourth degree that is not an offense 28916
of violence and is not a sexually oriented offense , the prison 28917
term shall not exceed one hundred eighty days, provided that if 28918
the remaining period of the community control at the time of the 28919

violation or the remaining period of the ~~suspended~~ reserved prison 28920
sentence at that time is less than one hundred eighty days, the 28921
prison term shall not exceed the length of the remaining period of 28922
community control or the remaining period of the ~~suspended~~ 28923
reserved prison sentence. If the court imposes a prison term as 28924
described in this division, division (B) (2) (b) of this section 28925
applies. 28926

(iii) A court is not limited in the number of times it may 28927
sentence an offender to a prison term under division (B) (1) (c) of 28928
this section for a violation of the conditions of a community 28929
control sanction or for a violation of a law or leaving the state 28930
without the permission of the court or the offender's probation 28931
officer. If an offender who is under a community control sanction 28932
violates the conditions of the sanction or violates a law or 28933
leaves the state without the permission of the court or the 28934
offender's probation officer, is sentenced to a prison term for 28935

new prison term sanction on the offender under division (B) (1) (c) 28940
of this section for the subsequent violation or conduct. 28941

(2) (a) If an offender was acting pursuant to division 28942
(B) (2) (b) of section 2925.11 of the Revised Code and in so doing 28943
violated the conditions of a community control sanction based on a 28944
minor drug possession offense, as defined in section 2925.11 of 28945
the Revised Code, the sentencing court may consider the offender's 28946
conduct in seeking or obtaining medical assistance for another in 28947
good faith or for self or may consider the offender being the 28948
subject of another person seeking or obtaining medical assistance 28949
in accordance with that division as a mitigating factor before 28950
imposing any of the penalties described in division (B) (1) of this 28951

section. 28952

(b) If a court imposes a prison term on an offender under 28953
division (B) (1) (c) (i) or (ii) of this section for a technical 28954
violation of the conditions of a community control sanction, one 28955
of the following is applicable with respect to the time that the 28956
offender spends in prison under the term: 28957

(i) Subject to division (B) (2) (b) (ii) of this section, it 28958
shall be credited against the offender's community control 28959
sanction that was being served at the time of the violation, and 28960
the remaining time under that community control sanction shall be 28961
reduced by the time that the offender spends in prison under the 28962
prison term. The By determination of the court, the offender upon 28963
release from the prison term either shall continue serving the 28964
remaining time under the community control sanction, as reduced 28965
under this division, or shall have the community control sanction 28966
terminated. 28967

(ii) If the offender, at the time of the a prison term is 28968
imposed for a technical violation, the offender was serving a 28969
residential community control sanction as part of a suspended 28970
prison sentence, it imposed under section 2929.16 of the Revised 28971
Code, the time spent serving the residential community control 28972
sanction shall be credited against the offender's community 28973
control sanction that was being served at the time of the 28974
violation and against the suspended reserved prison sentence, and 28975
the remaining time under that residential community control 28976
sanction and under the suspended reserved prison sentence shall be 28977
reduced by the time that the offender spends in prison under the 28978
prison term. The By determination of the court, the offender upon 28979
release from the prison term either shall continue serving the 28980
remaining time under the residential community control sanction, 28981
as reduced under this division, or shall have the residential 28982
community control sanction terminated. 28983

~~(c) A court is not limited in the number of times it may sentence an offender to a prison term under division (B)(1)(c) of this section for a violation of the conditions of a community control sanction or for a violation of a law or leaving the state without the permission of the court or the offender's probation officer. If an offender who is under a community control sanction violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, is sentenced to a prison term for the violation or conduct, is released from the term after serving it, and subsequently violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, the court may impose a new prison term sanction on the offender under division (B)(1)(c) of this section for the subsequent violation or conduct.~~

The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to division (B)(1) of this section by the time the offender successfully spent under the sanction that was initially imposed. Except as otherwise specified in this division, the prison term imposed under this division and division (B)(1) of this section shall be within the range of prison terms available as a definite term for the offense for which the sanction that was violated was imposed. If the offense for which the sanction that was violated was imposed is a felony of the first or second degree committed on or after March 22, 2019, the prison term so imposed under this

division shall be within the range of prison terms available as a 29017
minimum term for the offense under division (A)(1)(a) or (2)(a) of 29018
section 2929.14 of the Revised Code. 29019

(C) If an offender, for a significant period of time, 29020
fulfills the conditions of a sanction imposed pursuant to section 29021
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 29022
manner, the court may reduce the period of time under the sanction 29023
or impose a less restrictive sanction, but the court shall not 29024
permit the offender to violate any law or permit the offender to 29025
leave the state without the permission of the court or the 29026
offender's probation officer. 29027

(D)(1) If a court under division (A)(1) of this section 29028
imposes a condition of release under a community control sanction 29029
that requires the offender to submit to random drug testing, the 29030
department of probation, the adult parole authority, or any other 29031
entity that has general control and supervision of the offender 29032
under division (A)(2)(a) of this section may cause the offender to 29033
submit to random drug testing performed by a laboratory or entity 29034
that has entered into a contract with any of the governmental 29035
entities or officers authorized to enter into a contract with that 29036
laboratory or entity under section 341.26, 753.33, or 5120.63 of 29037
the Revised Code. 29038

(2) If no laboratory or entity described in division (D)(1) 29039
of this section has entered into a contract as specified in that 29040
division, the department of probation, the adult parole authority, 29041
or any other entity that has general control and supervision of 29042
the offender under division (A)(2)(a) of this section shall cause 29043
the offender to submit to random drug testing performed by a 29044
reputable public laboratory to determine whether the individual 29045
who is the subject of the drug test ingested or was injected with 29046
a drug of abuse. 29047

(3) A laboratory or entity that has entered into a contract 29048

pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 29049

section in accordance with the applicable standards that are 29051
included in the terms of that contract. A public laboratory shall 29052
perform the random drug tests under division (D)(2) of this 29053
section in accordance with the standards set forth in the policies 29054
and procedures established by the department of rehabilitation and 29055
correction pursuant to section 5120.63 of the Revised Code. An 29056
offender who is required under division (A)(1) of this section to 29057

community control sanction and whose test results indicate that 29059
the offender ingested or was injected with a drug of abuse shall 29060
pay the fee for the drug test if the department of probation, the 29061
adult parole authority, or any other entity that has general 29062
control and supervision of the offender requires payment of a fee. 29063
A laboratory or entity that performs the random drug testing on an 29064
offender under division (D)(1) or (2) of this section shall 29065
transmit the results of the drug test to the appropriate 29066
department of probation, the adult parole authority, or any other 29067
entity that has general control and supervision of the offender 29068
under division (A)(2)(a) of this section. 29069

(E) As used in this section, "technical violation" means a 29070
violation of the conditions of a community control sanction 29071
imposed for a felony of the fifth degree, or for a felony of the 29072

sexually oriented offense, and to which neither of the following 29074
applies: 29075

(1) The violation consists of a new criminal offense that is 29076
a felony or that is a misdemeanor other than a minor misdemeanor, 29077
and the violation is committed while under the community control 29078
sanction. 29079

(2) The violation consists of or includes the offender's 29080

articulated or demonstrated refusal to participate in the 29081
community control sanction imposed on the offender or any of its 29082
conditions, and the refusal demonstrates to the court that the 29083
offender has abandoned the objects of the community control 29084
sanction or condition. 29085

Sec. 2929.19. (A) The court shall hold a sentencing hearing 29086
before imposing a sentence under this chapter upon an offender who 29087
was convicted of or pleaded guilty to a felony and before 29088
resentencing an offender who was convicted of or pleaded guilty to 29089
a felony and whose case was remanded pursuant to section 2953.07 29090
or 2953.08 of the Revised Code. At the hearing, the offender, the 29091
prosecuting attorney, the victim or the victim's representative in 29092
accordance with section 2930.14 of the Revised Code, and, with the 29093
approval of the court, any other person may present information 29094
relevant to the imposition of sentence in the case. The court 29095
shall inform the offender of the verdict of the jury or finding of 29096
the court and ask the offender whether the offender has anything 29097
to say as to why sentence should not be imposed upon the offender. 29098

(B) (1) At the sentencing hearing, the court, before imposing 29099
sentence, shall do all of the following: 29100

(a) Consider the record, any information presented at the 29101
hearing by any person pursuant to division (A) of this section, 29102
and, if one was prepared, the presentence investigation report 29103
made pursuant to section 2951.03 of the Revised Code or Criminal 29104
Rule 32.2, and any victim impact statement made pursuant to 29105
section 2947.051 of the Revised Code; 29106

(b) If the offense was committed when the offender was under 29107
eighteen years of age, in addition to other factors considered, 29108
consider youth and its characteristics as mitigating factors, 29109
including: 29110

(i) The chronological age of the offender at the time of the 29111

offense and that age's hallmark features, including intellectual 29112
capacity, immaturity, impetuosity, and a failure to appreciate 29113
risks and consequences; 29114

(ii) The family and home environment of the offender at the 29115
time of the offense, the offender's inability to control the 29116
offender's surroundings, a history of trauma regarding the 29117
offender, and the offender's school and special education history; 29118

(iii) The circumstances of the offense, including the extent 29119
of the offender's participation in the conduct and the way 29120
familial and peer pressures may have impacted the offender's 29121
conduct; 29122

(iv) Whether the offender might have been charged and 29123
convicted of a lesser offense if not for the incompetencies 29124
associated with youth, such as the offender's inability to deal 29125
with police officers and prosecutors during the offender's 29126
interrogation or possible plea agreement or the offender's 29127
inability to assist the offender's own attorney; 29128

(v) Examples of the offender's rehabilitation, including any 29129
subsequent growth or increase in maturity during confinement. 29130

(2) Subject to division (B)(3) of this section, if the 29131
sentencing court determines at the sentencing hearing that a 29132
prison term is necessary or required, the court shall do all of 29133
the following: 29134

(a) Impose a stated prison term and, if the court imposes a 29135
mandatory prison term, notify the offender that the prison term is 29136
a mandatory prison term; 29137

(b) In addition to any other information, include in the 29138
sentencing entry the name and section reference to the offense or 29139
offenses, the sentence or sentences imposed and whether the 29140
sentence or sentences contain mandatory prison terms, if sentences 29141
are imposed for multiple counts whether the sentences are to be 29142

served concurrently or consecutively, and the name and section 29143
reference of any specification or specifications for which 29144
sentence is imposed and the sentence or sentences imposed for the 29145
specification or specifications; 29146

(c) If the prison term is a non-life felony indefinite prison 29147
term, notify the offender of all of the following: 29148

(i) That it is rebuttably presumed that the offender will be 29149
released from service of the sentence on the expiration of the 29150
minimum prison term imposed as part of the sentence or on the 29151
offender's presumptive earned early release date, as defined in 29152
section 2967.271 of the Revised Code, whichever is earlier; 29153

(ii) That the department of rehabilitation and correction may 29154
rebut the presumption described in division (B)(2)(c)(i) of this 29155
section if, at a hearing held under section 2967.271 of the 29156
Revised Code, the department makes specified determinations 29157
regarding the offender's conduct while confined, the offender's 29158
rehabilitation, the offender's threat to society, the offender's 29159
restrictive housing, if any, while confined, and the offender's 29160
security classification; 29161

(iii) That if, as described in division (B)(2)(c)(ii) of this 29162
section, the department at the hearing makes the specified 29163
determinations and rebuts the presumption, the department may 29164
maintain the offender's incarceration after the expiration of that 29165
minimum term or after that presumptive earned early release date 29166
for the length of time the department determines to be reasonable, 29167
subject to the limitation specified in section 2967.271 of the 29168
Revised Code; 29169

(iv) That the department may make the specified 29170
determinations and maintain the offender's incarceration under the 29171
provisions described in divisions (B)(2)(c)(i) and (ii) of this 29172
section more than one time, subject to the limitation specified in 29173

section 2967.271 of the Revised Code; 29174

(v) That if the offender has not been released prior to the 29175
expiration of the offender's maximum prison term imposed as part 29176
of the sentence, the offender must be released upon the expiration 29177
of that term. 29178

(d) Notify the offender that the offender will be supervised 29179
under section 2967.28 of the Revised Code after the offender 29180
leaves prison if the offender is being sentenced, other than to a 29181
sentence of life imprisonment, for a felony of the first degree or 29182
second degree, for a felony sex offense, or for a felony of the 29183
third degree that is an offense of violence and is not a felony 29184
sex offense. This division applies with respect to all prison 29185
terms imposed for an offense of a type described in this division, 29186
including a non-life felony indefinite prison term and including a 29187
term imposed for any offense of a type described in this division 29188
that is a risk reduction sentence, as defined in section 2967.28 29189
of the Revised Code. If a court imposes a sentence including a 29190
prison term of a type described in division (B)(2)(d) of this 29191
section on or after July 11, 2006, the failure of a court to 29192
notify the offender pursuant to division (B)(2)(d) of this section 29193
that the offender will be supervised under section 2967.28 of the 29194
Revised Code after the offender leaves prison or to include in the 29195
judgment of conviction entered on the journal a statement to that 29196
effect does not negate, limit, or otherwise affect the mandatory 29197
period of supervision that is required for the offender under 29198
division (B) of section 2967.28 of the Revised Code. Section 29199
2929.191 of the Revised Code applies if, prior to July 11, 2006, a 29200
court imposed a sentence including a prison term of a type 29201
described in division (B)(2)(d) of this section and failed to 29202
notify the offender pursuant to division (B)(2)(d) of this section 29203
regarding post-release control or to include in the judgment of 29204
conviction entered on the journal or in the sentence a statement 29205

regarding post-release control. 29206

(e) Notify the offender that the offender may be supervised 29207
under section 2967.28 of the Revised Code after the offender 29208
leaves prison if the offender is being sentenced for a felony of 29209
the third, fourth, or fifth degree that is not subject to division 29210
(B) (2) (d) of this section. This division applies with respect to 29211
all prison terms imposed for an offense of a type described in 29212
this division, including a term imposed for any such offense that 29213
is a risk reduction sentence, as defined in section 2967.28 of the 29214
Revised Code. Section 2929.191 of the Revised Code applies if, 29215
prior to July 11, 2006, a court imposed a sentence including a 29216
prison term of a type described in division (B) (2) (e) of this 29217
section and failed to notify the offender pursuant to division 29218
(B) (2) (e) of this section regarding post-release control or to 29219
include in the judgment of conviction entered on the journal or in 29220
the sentence a statement regarding post-release control. 29221

(f) Notify the offender that, if a period of supervision is 29222
imposed following the offender's release from prison, as described 29223
in division (B) (2) (d) or (e) of this section, and if the offender 29224
violates that supervision or a condition of post-release control 29225
imposed under division (B) of section 2967.131 of the Revised 29226
Code, the parole board may impose a prison term, as part of the 29227
sentence, of up to one-half of the definite prison term originally 29228
imposed upon the offender as the offender's stated prison term or 29229
up to one-half of the minimum prison term originally imposed upon 29230
the offender as part of the offender's stated non-life felony 29231
indefinite prison term. If a court imposes a sentence including a 29232
prison term on or after July 11, 2006, the failure of a court to 29233
notify the offender pursuant to division (B) (2) (f) of this section 29234
that the parole board may impose a prison term as described in 29235
division (B) (2) (f) of this section for a violation of that 29236
supervision or a condition of post-release control imposed under 29237

division (B) of section 2967.131 of the Revised Code or to include 29238
in the judgment of conviction entered on the journal a statement 29239
to that effect does not negate, limit, or otherwise affect the 29240
authority of the parole board to so impose a prison term for a 29241
violation of that nature if, pursuant to division (D)(1) of 29242
section 2967.28 of the Revised Code, the parole board notifies the 29243
offender prior to the offender's release of the board's authority 29244
to so impose a prison term. Section 2929.191 of the Revised Code 29245
applies if, prior to July 11, 2006, a court imposed a sentence 29246
including a prison term and failed to notify the offender pursuant 29247
to division (B)(2)(f) of this section regarding the possibility of 29248
the parole board imposing a prison term for a violation of 29249
supervision or a condition of post-release control. 29250

(g)(i) Determine, notify the offender of, and include in the 29251
sentencing entry the total number of days, including the 29252
sentencing date but excluding conveyance time, that the offender 29253
has been confined for any reason arising out of the offense for 29254
which the offender is being sentenced and by which the department 29255
of rehabilitation and correction must reduce the definite prison 29256
term imposed on the offender as the offender's stated prison term 29257
or, if the offense is an offense for which a non-life felony 29258
indefinite prison term is imposed under division (A)(1)(a) or 29259
(2)(a) of section 2929.14 of the Revised Code, the minimum and 29260
maximum prison terms imposed on the offender as part of that 29261
non-life felony indefinite prison term, under section 2967.191 of 29262
the Revised Code. The court's calculation shall not include the 29263
number of days, if any, that the offender served in the custody of 29264
the department of rehabilitation and correction arising out of any 29265
prior offense for which the prisoner was convicted and sentenced. 29266

(ii) In making a determination under division (B)(2)(g)(i) of 29267
this section, the court shall consider the arguments of the 29268
parties and conduct a hearing if one is requested. 29269

(iii) The sentencing court retains continuing jurisdiction to correct any error not previously raised at sentencing in making a determination under division (B)(2)(g)(i) of this section. The offender may, at any time after sentencing, file a motion in the sentencing court to correct any error made in making a determination under division (B)(2)(g)(i) of this section, and the court may in its discretion grant or deny that motion. If the court changes the number of days in its determination or redetermination, the court shall cause the entry granting that change to be delivered to the department of rehabilitation and correction without delay. Sections 2931.15 and 2953.21 of the Revised Code do not apply to a motion made under this section.

(iv) An inaccurate determination under division (B)(2)(g)(i) of this section is not grounds for setting aside the offender's conviction or sentence and does not otherwise render the sentence void or voidable.

(v) The department of rehabilitation and correction shall rely upon the latest journal entry of the court in determining the total days of local confinement for purposes of division ~~(B)(2)(f)(i)~~ (B)(2)(g)(i) to (iii) of this section and section 2967.191 of the Revised Code.

(3)(a) The court shall include in the offender's sentence a statement that the offender is a tier III sex offender/child-victim offender, and the court shall comply with the requirements of section 2950.03 of the Revised Code if any of the following apply:

(i) The offender is being sentenced for a violent sex offense or designated homicide, assault, or kidnapping offense that the offender committed on or after January 1, 1997, and the offender is adjudicated a sexually violent predator in relation to that offense.

(ii) The offender is being sentenced for a sexually oriented offense that the offender committed on or after January 1, 1997, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iii) The offender is being sentenced on or after July 31, 2003, for a child-victim oriented offense, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iv) The offender is being sentenced under section 2971.03 of the Revised Code for a violation of division (A) (1) (b) of section 2907.02 of the Revised Code committed on or after January 2, 2007.

(v) The offender is sentenced to a term of life without parole under division (B) of section 2907.02 of the Revised Code.

(vi) The offender is being sentenced for attempted rape committed on or after January 2, 2007, and a specification of the type described in section 2941.1418, 2941.1419, or 2941.1420 of the Revised Code.

(vii) The offender is being sentenced under division (B) (3) (a), (b), (c), or (d) of section 2971.03 of the Revised Code for an offense described in those divisions committed on or after January 1, 2008.

(b) Additionally, if any criterion set forth in divisions (B) (3) (a) (i) to (vii) of this section is satisfied, in the circumstances described in division (E) of section 2929.14 of the Revised Code, the court shall impose sentence on the offender as described in that division.

section. 29369

(7) The failure of the court to notify the offender that a 29370

(B) (2) (a) of this section or to include in the sentencing entry 29372

certificate of qualification for employment under division (B) (2) 29776
of this section or that is forwarded a petition for such a 29777
certificate under division (B) (5) (a) of this section denies the 29778
petition, the court shall provide written notice to the individual 29779
of the court's denial. The court may place conditions on the 29780
individual regarding the individual's filing of any subsequent 29781
petition for a certificate of qualification for employment. The 29782

on the individual's filing of a subsequent petition for a 29784
certificate of qualification for employment. 29785

If a court of common pleas that receives an individual's 29786

reconsidering or rejecting any finding made by a designee or court 29800

under division (C)(3) of this section. 29801

(2) The certificate constitutes a rebuttable presumption that 29802
the person's criminal convictions are insufficient evidence that 29803
the person is unfit for the license, employment opportunity, or 29804
certification in question. Notwithstanding the presumption 29805
established under this division, the agency may deny the license 29806
or certification for the person if it determines that the person 29807
is unfit for issuance of the license. 29808

(3) If an employer that has hired a person who has been 29809
issued a certificate of qualification for employment applies to a 29810
licensing agency for a license or certification and the person has 29811

employment with the employer or licensure for the employer because 29813
of a mandatory civil impact, the agency shall give the person 29814
individualized consideration, notwithstanding the mandatory civil 29815
impact, the mandatory civil impact shall be considered for all 29816
purposes to be a discretionary civil impact, and the certificate 29817
constitutes a rebuttable presumption that the person's criminal 29818
convictions are insufficient evidence that the person is unfit for 29819
the employment, or that the employer is unfit for the license or 29820
certification, in question. 29821

(E) A certificate of qualification for employment does not 29822

from the mandatory civil impacts identified in division (A)(1) of 29824
section 2961.01 or division (B) of section 2961.02 of the Revised 29825

(8) Verifiable references and endorsements;	29851
(9) The name of one or more immediate family members of the individual, or other persons with whom the individual has a close relationship, who support the individual's reentry plan;	29852 29853 29854
(10) A summary of the reason the individual believes the certificate of qualification for employment should be granted;	29855 29856
(11) Any other information required by rule by the department of rehabilitation and correction.	29857 29858
(G) (1) In a judicial or administrative proceeding alleging negligence or other fault, a certificate of qualification for employment issued to an individual under this section may be	29859 29860 29861

introduced as evidence of a person's due care in hiring, 29862
retaining, licensing, leasing to, admitting to a school or 29863
program, or otherwise transacting business or engaging in activity 29864
with the individual to whom the certificate of qualification for 29865
employment was issued if the person knew of the certificate at the 29866
time of the alleged negligence or other fault. 29867

(2) In any proceeding on a claim against an employer for 29868
negligent hiring, a certificate of qualification for employment 29869
issued to an individual under this section shall provide immunity 29870
for the employer as to the claim if the employer knew of the 29871
certificate at the time of the alleged negligence. 29872

(3) If an employer hires an individual who has been issued a 29873
certificate of qualification for employment under this section, if 29874
the individual, after being hired, subsequently demonstrates 29875
dangerousness or is convicted of or pleads guilty to a felony, and 29876
if the employer retains the individual as an employee after the 29877
demonstration of dangerousness or the conviction or guilty plea, 29878
the employer may be held liable in a civil action that is based on 29879
or relates to the retention of the individual as an employee only 29880
if it is proved by a preponderance of the evidence that the person 29881
having hiring and firing responsibility for the employer had 29882
actual knowledge that the employee was dangerous or had been 29883
convicted of or pleaded guilty to the felony and was willful in 29884
retaining the individual as an employee after the demonstration of 29885
dangerousness or the conviction or guilty plea of which the person 29886
has actual knowledge. 29887

(H) A certificate of qualification for employment issued 29888
under this section shall be revoked if the individual to whom the 29889
certificate of qualification for employment was issued is 29890
convicted of or pleads guilty to a felony offense committed 29891
subsequent to the issuance of the certificate of qualification for 29892
employment. The department of rehabilitation and correction shall 29893

periodically review the certificates listed in the database 29894
described in division (K) of this section to identify those that 29895
are subject to revocation under this division. Upon identifying a 29896
certificate of qualification for employment that is subject to 29897
revocation, the department shall note in the database that the 29898
certificate has been revoked, the reason for revocation, and the 29899
effective date of revocation, which shall be the date of the 29900
conviction or plea of guilty subsequent to the issuance of the 29901
certificate. 29902

(I) A designee's forwarding, or failure to forward, a 29903

court or a court's issuance, or failure to issue, a petition for a 29905
certificate of qualification for employment to an individual under 29906
division (B) of this section does not give rise to a claim for 29907
damages against the department of rehabilitation and correction or 29908
court. 29909

(J) The division of parole and community services shall adopt 29910
rules in accordance with Chapter 119. of the Revised Code for the 29911
implementation and administration of this section and shall 29912
prescribe the form for the petition to be used under division 29913
(B)(1) or (2) of this section. The form for the petition shall 29914
include places for all of the information specified in division 29915
(F) of this section. 29916

(K) The department of rehabilitation and correction shall 29917
maintain a database that identifies granted certificates and 29918
revoked certificates and tracks the number of certificates granted 29919
and revoked, the industries, occupations, and professions with 29920
respect to which the certificates have been most applicable, and 29921
the types of employers that have accepted the certificates. The 29922
department shall annually create a report that summarizes the 29923
information maintained in the database and shall make the report 29924
available to the public on its internet web site. 29925

convict. The clerk shall thereupon record the warrant, 30039
indorsement, and proof in the journal of the court, which record, 30040

pardon or commutation, the conditions thereof, and the acceptance 30042
of the conditions. 30043

(B) An unconditional pardon relieves the person to whom it is 30044

person to whom it is granted the rights and privileges forfeited 30098
by conviction as provided in section 2961.01 of the Revised Code. 30099
Any person granted an administrative release under this section 30100

purpose of regaining the rights and privileges forfeited by 30102
conviction, except that the privilege of circulating or serving as 30103
a witness for the signing of any declaration of candidacy and 30104
petition, voter registration application, or nominating, 30105

person in the circumstances described in division (B) (3) of this 30110
section. 30111

potentially be released from imprisonment prior to the expiration 30130

(B) Each sentence to a prison term, other than a term of life imprisonment, for a felony of the first degree, for a felony of the second degree, for a felony sex offense, or for a felony of the third degree that is an offense of violence and is not a felony sex offense shall include a requirement that the offender be subject to a period of post-release control imposed by the parole board after the offender's release from imprisonment. This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. If a court imposes a sentence including a prison term of a type described in this division on or after July 11, 2006, the failure of a sentencing court to notify the offender pursuant to division (B)(2)(d) of section 2929.19 of the Revised Code of this requirement or to include in the judgment of conviction entered on the journal a statement that the offender's sentence includes this requirement does not negate, limit, or otherwise affect the mandatory period of supervision that is required for the offender under this division. This division applies with respect to all prison terms of a type described in this division, including a non-life felony indefinite prison term. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to notify the offender pursuant to division (B)(2)(d) of section 2929.19 of the Revised Code regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence pursuant to division (D)(1) of section 2929.14 of the Revised Code a statement regarding post-release control. Unless reduced by the parole board pursuant to division (D) of this section when authorized under that division, a period of post-release control required by this division for an offender shall be of one of the following periods:

(1) For a ~~felony of the first degree or for a~~ felony sex 30175

offense, five years; 30176

(2) For a felony of the first degree that is not a felony sex offense, up to five years, but not less than two years; 30177
30178

(3) For a felony of the second degree that is not a felony sex offense, up to three years, but not less than eighteen months; 30179
30180

~~(3)~~(4) For a felony of the third degree that is an offense of violence and is not a felony sex offense, up to three years, but not less than one year. 30181
30182
30183

(C) Any sentence to a prison term for a felony of the third, fourth, or fifth degree that is not subject to division (B) (1) or ~~(3)~~(4) of this section shall include a requirement that the offender be subject to a period of post-release control of up to ~~three~~ two years after the offender's release from imprisonment, if the parole board, in accordance with division (D) of this section, determines that a period of post-release control is necessary for that offender. This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to notify the offender pursuant to division (B) (2) (e) of section 2929.19 of the Revised Code regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence pursuant to division (D) (2) of section 2929.14 of the Revised Code a statement regarding post-release control. Pursuant to an agreement entered into under section 2967.29 of the Revised Code, a court of common pleas or parole board may impose sanctions or conditions on an offender who is placed on post-release control under this division. 30184

(D) (1) Before the prisoner is released from imprisonment, the 30206

parole board or, pursuant to an agreement under section 2967.29 of 30207
the Revised Code, the court shall impose ~~upon~~ on a prisoner 30208
described in division (B) of this section, shall impose ~~upon~~ on a 30209
prisoner described in division (C) of this section who is to be 30210
released before the expiration of the prisoner's stated prison 30211
term under a risk reduction sentence, may impose ~~upon~~ on a 30212
prisoner described in division (C) of this section who is not to 30213
be released before the expiration of the prisoner's stated prison 30214
term under a risk reduction sentence, and shall impose ~~upon~~ on a 30215
prisoner described in division (B) (2) (b) of section 5120.031 or in 30216
division (B) (1) of section 5120.032 of the Revised Code, one or 30217
more post-release control sanctions to apply during the prisoner's 30218
period of post-release control. Whenever the board or court 30219
imposes one or more post-release control sanctions ~~upon~~ on a 30220
prisoner, the board or court, in addition to imposing the 30221
sanctions, also shall include as a condition of the post-release 30222
control that the offender not leave the state without permission 30223
of the court or the offender's parole or probation officer and 30224
that the offender abide by the law. The board or court may impose 30225
any other conditions of release under a post-release control 30226
sanction that the board or court considers appropriate, and the 30227
conditions of release may include any community residential 30228
sanction, community nonresidential sanction, or financial sanction 30229
that the sentencing court was authorized to impose pursuant to 30230
sections 2929.16, 2929.17, and 2929.18 of the Revised Code. Prior 30231
to the release of a prisoner for whom it will impose one or more 30232
post-release control sanctions under this division, the parole 30233
board or court shall review the prisoner's criminal history, 30234
results from the single validated risk assessment tool ~~selected by~~ 30235
~~the department of rehabilitation and correction under section~~ 30236
~~5120.114 of the Revised Code, all juvenile court adjudications~~ 30237
~~finding the prisoner, while a juvenile, to be a delinquent child,~~ 30238
and the record of the prisoner's conduct while imprisoned. The 30239

parole board or court shall consider any recommendation regarding 30240
post-release control sanctions for the prisoner made by the office 30241
of victims' services. After considering those materials, the board 30242
or court shall determine, for a prisoner described in division (B) 30243
of this section, division (B)(2)(b) of section 5120.031, or 30244
division (B)(1) of section 5120.032 of the Revised Code and for a 30245
prisoner described in division (C) of this section who is to be 30246
released before the expiration of the prisoner's stated prison 30247
term under a risk reduction sentence, which post-release control 30248
sanction or combination of post-release control sanctions is 30249
reasonable under the circumstances or, for a prisoner described in 30250
division (C) of this section who is not to be released before the 30251
expiration of the prisoner's stated prison term under a risk 30252
reduction sentence, whether a post-release control sanction is 30253
necessary and, if so, which post-release control sanction or 30254
combination of post-release control sanctions is reasonable under 30255
the circumstances. In the case of a prisoner convicted of a felony 30256
of the fourth or fifth degree other than a felony sex offense, the 30257
board or court shall presume that monitored time is the 30258
appropriate post-release control sanction unless the board or 30259
court determines that a more restrictive sanction is warranted. A 30260
post-release control sanction imposed under this division takes 30261
effect upon the prisoner's release from imprisonment. 30262

Regardless of whether the prisoner was sentenced to the 30263
prison term prior to, on, or after July 11, 2006, prior to the 30264
release of a prisoner for whom it will impose one or more 30265
post-release control sanctions under this division, the parole 30266
board shall notify the prisoner that, if the prisoner violates any 30267
sanction so imposed or any condition of post-release control 30268
described in division (B) of section 2967.131 of the Revised Code 30269
that is imposed on the prisoner, the parole board may impose a 30270
prison term of up to one-half of the stated prison term originally 30271
imposed ~~upon~~ on the prisoner. 30272

At least thirty days before the prisoner is released from 30273
imprisonment under post-release control, except as otherwise 30274
provided in this paragraph, the department of rehabilitation and 30275
correction shall notify the victim and the victim's immediate 30276
family of the date on which the prisoner will be released, the 30277
period for which the prisoner will be under post-release control 30278
supervision, and the terms and conditions of the prisoner's 30279
post-release control regardless of whether the victim or victim's 30280
immediate family has requested the notification. The notice 30281
described in this paragraph shall not be given to a victim or 30282
victim's immediate family if the victim or the victim's immediate 30283
family has requested pursuant to division (B)(2) of section 30284
2930.03 of the Revised Code that the notice not be provided to the 30285
victim or the victim's immediate family. At least thirty days 30286
before the prisoner is released from imprisonment and regardless 30287
of whether the victim or victim's immediate family has requested 30288
that the notice described in this paragraph be provided or not be 30289
provided to the victim or the victim's immediate family, the 30290
department also shall provide notice of that nature to the 30291
prosecuting attorney in the case and the law enforcement agency 30292
that arrested the prisoner if any officer of that agency was a 30293
victim of the offense. 30294

If the notice given under the preceding paragraph to the 30295
victim or the victim's immediate family is based on an offense 30296
committed prior to March 22, 2013, and if the department of 30297
rehabilitation and correction has not previously successfully 30298
provided any notice to the victim or the victim's immediate family 30299
under division (B), (C), or (D) of section 2930.16 of the Revised 30300
Code with respect to that offense and the offender who committed 30301
it, the notice also shall inform the victim or the victim's 30302
immediate family that the victim or the victim's immediate family 30303
may request that the victim or the victim's immediate family not 30304
be provided any further notices with respect to that offense and 30305

the offender who committed it and shall describe the procedure for 30306
making that request. The department may give the notices to which 30307
the preceding paragraph applies by any reasonable means, including 30308
regular mail, telephone, and electronic mail. If the department 30309
attempts to provide notice to any specified person under the 30310
preceding paragraph but the attempt is unsuccessful because the 30311
department is unable to locate the specified person, is unable to 30312
provide the notice by its chosen method because it cannot 30313
determine the mailing address, electronic mail address, or 30314
telephone number at which to provide the notice, or, if the notice 30315
is sent by mail, the notice is returned, the department shall make 30316
another attempt to provide the notice to the specified person. If 30317
the second attempt is unsuccessful, the department shall make at 30318
least one more attempt to provide the notice. If the notice is 30319
based on an offense committed prior to March 22, 2013, in each 30320
attempt to provide the notice to the victim or victim's immediate 30321
family, the notice shall include the opt-out information described 30322
in this paragraph. The department, in the manner described in 30323
division (D) (2) of section 2930.16 of the Revised Code, shall keep 30324
a record of all attempts to provide the notice, and of all notices 30325
provided, under this paragraph and the preceding paragraph. The 30326
record shall be considered as if it was kept under division (D) (2) 30327
of section 2930.16 of the Revised Code. This paragraph, the 30328
preceding paragraph, and the notice-related provisions of 30329
divisions (E) (2) and (K) of section 2929.20, division (D) (1) of 30330
section 2930.16, division (H) of section 2967.12, division 30331
(E) (1) (b) of section 2967.19, division (A) (3) (b) of section 30332
2967.26, and division (A) (2) of section 5149.101 of the Revised 30333
Code enacted in the act in which this paragraph and the preceding 30334
paragraph were enacted, shall be known as "Roberta's Law." 30335

(2) If a prisoner who is placed on post-release control under 30336
this section is released before the expiration of the definite 30337
term that is the prisoner's stated prison term or the expiration 30338

of the minimum term that is part of the prisoner's indefinite 30339
prison term imposed under a non-life felony indefinite prison term 30340
by reason of credit earned under section 2967.193 or a reduction 30341
under division (F) of section 2967.271 of the Revised Code and if 30342
the prisoner earned sixty or more days of credit, the adult parole 30343
authority ~~shall~~ may supervise the offender with an active global 30344
positioning system device for the first fourteen days after the 30345
offender's release from imprisonment. This division does not 30346
prohibit or limit the imposition of any post-release control 30347
sanction otherwise authorized by this section. 30348

(3) ~~At any time after~~ After a prisoner is released from 30349
imprisonment and during the period of post-release control 30350
applicable to the releasee, the adult parole authority or, 30351
pursuant to an agreement under section 2967.29 of the Revised 30352
Code, the court may review the releasee's behavior under the 30353
post-release control sanctions imposed upon the releasee under 30354
this section. The authority or court may determine, based upon the 30355
review and in accordance with the standards established under 30356
division (E) of this section, that ~~a more restrictive or a less~~ 30357
~~restrictive sanction is appropriate and may impose a different~~ 30358
~~sanction. The authority also may recommend that the parole board~~ 30359
~~or court increase or reduce the duration of the period of~~ 30360
~~post release control imposed by the court. If the authority~~ 30361
~~recommends that the board or court increase the duration of~~ 30362
~~post release control, the board or court shall review the~~ 30363
~~releasee's behavior and may increase the duration of the period of~~ 30364
~~post release control imposed by the court up to eight years. If~~ 30365
~~the authority recommends that the board or court reduce the~~ 30366
~~duration of control for an offense described in division (B) or~~ 30367
~~(C) of this section, the board or court shall review the~~ 30368
~~releasee's behavior and, subject to divisions (D) (3) (a) to (c) of~~ 30369
~~this section, may reduce the duration of the period of control~~ 30370
~~imposed by the court or, if the period of control was imposed for~~ 30371

~~a non life felony indefinite prison term, reduce the duration of~~ 30372
~~or terminate the period of control imposed by the court the~~ 30373
~~releasee has satisfactorily complied with the sanctions imposed,~~ 30374
~~and if such a determination is made, the authority may recommend a~~ 30375
~~less restrictive sanction, reduce the period of post-release~~ 30376
~~control, or, no sooner than the minimum period of time required~~ 30377
~~under section 2967.16 of the Revised Code, recommend that the~~ 30378
~~parole board or court terminate the duration of the period of~~ 30379
~~post-release control.~~ In no case shall the board or court ~~do any~~ 30380
~~of the following:~~ 30381

~~(a) Reduce reduce the duration of the period of control~~ 30382
~~imposed for ~~an~~ a felony sex offense described in division (B) (1)~~ 30383
~~of this section ~~to a period less than the length of the definite~~~~ 30384

~~stated non life felony indefinite prison term, to a period less~~ 30387  
~~than the length of the minimum prison term imposed as part of that~~ 30388

~~(b) Consider any reduction or termination of the duration of~~ 30390  
~~the period of control imposed on a releasee prior to the~~ 30391  
~~expiration of one year after the commencement of the period of~~ 30392  
~~control, if the period of control was imposed for a non life~~ 30393  
~~felony indefinite prison term and the releasee's minimum prison~~ 30394

~~section 2967.271 of the Revised Code.~~ 30397

~~(c) Permit the releasee to leave the state without permission~~ 30398  
~~of the court or the releasee's parole or probation officer.~~ 30399

(4) The department of rehabilitation and correction shall 30400  
develop factors that the parole board or court shall consider in 30401  
determining under division (D) (3) of this section whether to 30402  
terminate the period of control imposed on a releasee ~~for a~~ 30403

~~non life felony indefinite prison term.~~ 30404

(E) The department of rehabilitation and correction, in 30405  
accordance with Chapter 119. of the Revised Code, shall adopt 30406  
rules that do all of the following: 30407

(1) Establish standards for the imposition by the parole 30408  
board of post-release control sanctions under this section that 30409  
are consistent with the overriding purposes and sentencing 30410  
principles set forth in section 2929.11 of the Revised Code and 30411  
that are appropriate to the needs of releasees; 30412

(2) Establish standards that provide for a period of 30413  
post-release control of up to ~~three~~ two years for all prisoners 30414  
described in division (C) of this section who are to be released 30415  
before the expiration of their stated prison term under a risk 30416  
reduction sentence and standards by which the parole board can 30417  
determine which prisoners described in division (C) of this 30418  
section who are not to be released before the expiration of their 30419  
stated prison term under a risk reduction sentence should be 30420  
placed under a period of post-release control; 30421

(3) Establish standards to be used by the parole board in 30422  
reducing or terminating the duration of the period of post-release 30423  
control imposed by the court when authorized under division (D) of 30424  
this section, in imposing a more restrictive post-release control 30425  
sanction than monitored time ~~upon~~ on a prisoner convicted of a 30426  
felony of the fourth or fifth degree other than a felony sex 30427  
offense, or in imposing a less restrictive control sanction ~~upon~~ 30428  
on a releasee based on results from the single validated risk 30429  
assessment tool and on the releasee's activities including, but 30430  
not limited to, remaining free from criminal activity and from the 30431  
abuse of alcohol or other drugs, successfully participating in 30432  
approved rehabilitation programs, maintaining employment, and 30433  
paying restitution to the victim or meeting the terms of other 30434  
financial sanctions; 30435
