Constitution of the United States and its amendments, with 31155  
emphasis on the Bill of Rights, and the Ohio Constitution, and 31156  
their original context. The state board shall revise the model 31157

The department of education shall employ a full-time physical 31182

Any district or school may utilize the computer science 31201  
standards or model curriculum or any part thereof adopted pursuant 31202  
to division (A)(4) of this section. However, no district or school 31203

meet the needs of students in every community. The model 31220  
curriculum shall be aligned with the standards, to ensure that the 31221  
academic content and skills specified for each grade level are 31222  
taught to students, and shall demonstrate vertical articulation 31223  
and emphasize coherence, focus, and rigor. When any model 31224  
curriculum has been completed, the state board shall inform all 31225  
school districts, community schools, and STEM schools of the 31226  
content of that model curriculum. 31227

(2) Not later than June 30, 2013, the state board, in 31228  
consultation with any office housed in the governor's office that 31229  
deals with workforce development, shall adopt model curricula for 31230  
grades kindergarten through twelve that embed career connection 31231  
learning strategies into regular classroom instruction. 31232

established by the state board, together with other relevant 31235  
resources, examples, or models to ensure that students have the 31236  
opportunity to attain the academic standards. Upon request, the 31237  
department shall provide technical assistance to any district, 31238  
community school, or STEM school in implementing the model 31239

When any achievement assessment has been completed, the state 31248  
board shall inform all school districts, community schools, STEM 31249  
schools, and nonpublic schools required to administer the 31250  
assessment of its completion, and the department shall make the 31251  
achievement assessment available to the districts and schools. 31252

(D) (1) The state board shall adopt a diagnostic assessment 31253  
aligned with the academic standards and model curriculum for each 31254  
of grades kindergarten through two in reading, writing, and 31255  
mathematics and for grade three in reading and writing. The 31256  
diagnostic assessment shall be designed to measure student 31257  
comprehension of academic content and mastery of related skills 31258  
for the relevant subject area and grade level. Any diagnostic 31259  
assessment shall not include components to identify gifted 31260

state board shall inform all school districts of its completion 31264  
and the department shall make the diagnostic assessment available 31265  
to the districts at no cost to the district. 31266

(3) School districts shall administer the diagnostic 31267  
assessment pursuant to section 3301.0715 of the Revised Code 31268  
beginning the first school year following the development of the 31269  
assessment. 31270

However, beginning with the 2017-2018 school year, both of 31271

the following shall apply: 31272

(a) In the case of the diagnostic assessments for grades one 31273  
or two in writing or mathematics or for grade three in writing, a 31274  
school district shall not be required to administer any such 31275  
assessment, but may do so at the discretion of the district board; 31276

(b) In the case of any diagnostic assessment that is not for 31277

Revised Code. 31281

(E) The state board shall not adopt a diagnostic or 31282  
achievement assessment for any grade level or subject area other 31283  
than those specified in this section. 31284

(F) Whenever the state board or the department consults with 31285  
persons for the purpose of drafting or reviewing any standards, 31286  
diagnostic assessments, achievement assessments, or model 31287  
curriculum required under this section, the state board or the 31288  
department shall first consult with parents of students in 31289  
kindergarten through twelfth grade and with active Ohio classroom 31290  
teachers, other school personnel, and administrators with 31291  
expertise in the appropriate subject area. Whenever practicable, 31292  
the state board and department shall consult with teachers 31293  
recognized as outstanding in their fields. 31294

If the department contracts with more than one outside entity 31295  
for the development of the achievement assessments required by 31296  
this section, the department shall ensure the interchangeability 31297  
of those assessments. 31298

(G) Whenever the state board adopts standards or model 31299  
curricula under this section, the department also shall provide 31300  
information on the use of blended, online, or digital learning in 31301  
the delivery of the standards or curricula to students in 31302

accordance with division (A) (5) of this section. 31303

(H) The fairness sensitivity review committee, established by 31304  
rule of the state board of education, shall not allow any question 31305  
on any achievement or diagnostic assessment developed under this 31306  
section or any proficiency test prescribed by former section 31307

11, 2001, to include, be written to promote, or inquire as to 31309  
individual moral or social values or beliefs. The decision of the 31310  
committee shall be final. This section does not create a private 31311  
cause of action. 31312

(I) Not later than sixty days prior to the adoption by the 31313

Beginning with students who enter the ninth grade for the first time on or after July 1, 2014, the system shall replace the Ohio graduation tests prescribed in division (B)(1) of section 3301.0710 of the Revised Code as a measure of student academic performance and one determinant of eligibility for a high school diploma in the manner prescribed by rule of the state board adopted under division (D) of this section. 31343

first time on or after the first day of July immediately following 31368  
the effective date of this amendment, the parent or guardian of a 31369  
student may elect not to have a nationally standardized assessment 31370  
administered to that student. In that event, the student's school 31371  
district or school shall not administer the nationally 31372  
standardized assessment to that student. 31373

(2) (a) Except as provided in division (B) (2) (b) of this 31374

with division (B) (4) (a) (i) of this section. Final course grades 31386  
for courses taken under any other advanced standing program, as 31387  
prescribed under section 3313.6013 of the Revised Code, in the 31388

The department of education shall, as necessary to implement 31398  
division (B) (2) (b) of this section, seek a waiver from the United 31399  
States secretary of education for testing requirements prescribed 31400  
under federal law to allow for the use and implementation of 31401  
Algebra I as the primary assessment of high school mathematics. If 31402  
the department does not receive a waiver under this division, the 31403  
end-of-course examinations for students described in division 31404  
(B) (2) (b) of this section also shall include an end-of-course 31405

(3) (a) Not later than July 1, 2013, each school district 31408  
board of education shall adopt interim end-of-course examinations 31409  
that comply with the requirements of divisions (B) (3) (b) (i) and 31410  
(ii) of this section to assess mastery of American history and 31411  
American government standards adopted under division (A) (1) (b) of 31412  
section 3301.079 of the Revised Code and the topics required under 31413  
division (M) of section 3313.603 of the Revised Code. Each high 31414  
school of the district shall use the interim examinations until 31415

examinations in American history and American government under 31417  
division (B) (2) of this section. 31418

(b) Not later than July 1, 2014, the state superintendent and 31419

(i) The end-of-course examinations in American history and 31422  
American government shall require demonstration of mastery of the 31423  
American history and American government content for social 31424  
studies standards adopted under division (A) (1) (b) of section 31425  
3301.079 of the Revised Code and the topics required under 31426  
division (M) of section 3313.603 of the Revised Code. 31427

(ii) At least twenty per cent of the end-of-course 31428  
examination in American government shall address the topics on 31429  
American history and American government described in division (M) 31430  
of section 3313.603 of the Revised Code. 31431

(4) (a) Notwithstanding anything to the contrary in this 31432  
section, beginning with the 2014-2015 school year, both of the 31433  
following shall apply: 31434

(i) If a student is enrolled in an appropriate advanced 31435  
placement or international baccalaureate course, that student 31436  
shall take the advanced placement or international baccalaureate 31437  
examination in lieu of the science, American history, or American 31438  
government end-of-course examinations prescribed under division 31439  
(B) (2) of this section. The state board shall specify the score 31440  
levels for each advanced placement examination and international 31441  
baccalaureate examination for purposes of calculating the minimum 31442  
cumulative performance score that demonstrates the level of 31443  
academic achievement necessary to earn a high school diploma. 31444

(ii) If a student is enrolled in an appropriate course under 31445  
any other advanced standing program, as described in section 31446  
3313.6013 of the Revised Code, that student shall not be required 31447  
to take the science, American history, or American government 31448  
end-of-course examination, whichever is applicable, prescribed 31449  
under division (B) (2) of this section. Instead, that student's 31450  
final course grade shall be used in lieu of the applicable 31451  
end-of-course examination prescribed under that section. The state 31452  
superintendent, in consultation with the chancellor, shall adopt 31453  
guidelines for purposes of calculating the corresponding final 31454  
course grades that demonstrate the level of academic achievement 31455  
necessary to earn a high school diploma. 31456

Division (B) (4) (a) (ii) of this section shall apply only to 31457  
courses for which students receive transcribed credit, as defined 31458  
in section 3365.01 of the Revised Code. It shall not apply to 31459

remedial or developmental courses. 31460

(b) No student shall take a substitute examination or 31461  
examination prescribed under division (B)(4)(a) of this section in 31462  
place of the end-of-course examinations in English language arts 31463  
I, English language arts II, Algebra I, or geometry prescribed 31464  
under division (B)(2) of this section. 31465

(c) The state board shall consider additional assessments 31466  
that may be used, beginning with the 2016-2017 school year, as 31467  
substitute examinations in lieu of the end-of-course examinations 31468  
prescribed under division (B)(2) of this section. 31469

(5) The state board shall do all of the following: 31470

(a) Determine and designate at least five ranges of scores on 31471  
each of the end-of-course examinations prescribed under division 31472  
(B)(2) of this section, and substitute examinations prescribed 31473  
under division (B)(4) of this section. Not later than sixty days 31474  
after the designation of ranges of scores, the state 31475  
superintendent, or the state superintendent's designee, shall 31476  
conduct a public presentation before the standing committees of 31477  
the house of representatives and the senate that consider primary 31478  
and secondary education legislation regarding the designated range 31479  
of scores. Each range of scores shall be considered to demonstrate 31480  
a level of achievement so that any student attaining a score 31481  
within such range has achieved one of the following: 31482

(i) An advanced level of skill; 31483

(ii) An accelerated level of skill; 31484

(iii) A proficient level of skill; 31485

(iv) A basic level of skill; 31486

(v) A limited level of skill. 31487

(b) Determine a method by which to calculate a cumulative 31488  
performance score based on the results of a student's 31489

end-of-course examinations or substitute examinations; 31490

(c) Determine the minimum cumulative performance score that 31491  
demonstrates the level of academic achievement necessary to earn a 31492  
high school diploma under division (A) (2) of section 3313.618 of 31493  
the Revised Code. However, the state board shall not determine a 31494  
new minimum cumulative performance score after ~~the effective date~~ 31495  
~~of this amendment~~ October 17, 2019. 31496

(d) Develop a table of corresponding score equivalents for 31497  
the end-of-course examinations and substitute examinations in 31498  
order to calculate student performance consistently across the 31499  
different examinations. 31500

A score of two on an advanced placement examination or a 31501  
score of two or three on an international baccalaureate 31502  
examination shall be considered equivalent to a proficient level 31503  
of skill as specified under division (B) (5) (a) (iii) of this 31504  
section. 31505

(6) (a) A student who meets both of the following conditions 31506  
shall not be required to take an end-of-course examination: 31507

(i) The student received high school credit prior to July 1, 31508  
2015, for a course for which the end-of-course examination is 31509  
prescribed. 31510

(ii) The examination was not available for administration 31511  
prior to July 1, 2015. 31512

Receipt of credit for the course described in division 31513  
(B) (6) (a) (i) of this section shall satisfy the requirement to take 31514  
the end-of-course examination. A student exempted under division 31515  
(B) (6) (a) of this section may take the applicable end-of-course 31516  
examination at a later date. 31517

(b) For purposes of determining whether a student who is 31518  
exempt from taking an end-of-course examination under division 31519

(B) (6) (a) of this section has attained the cumulative score 31520  
prescribed by division (B) (5) (c) of this section, such student 31521  
shall select either of the following: 31522

(i) The student is considered to have attained a proficient 31523  
score on the end-of-course examination from which the student is 31524  
exempt; 31525

(ii) The student's final course grade shall be used in lieu 31526  
of a score on the end-of-course examination from which the student 31527  
is exempt. 31528

The state superintendent, in consultation with the 31529  
chancellor, shall adopt guidelines for purposes of calculating the 31530  
corresponding final course grades and the minimum cumulative 31531  
performance score that demonstrates the level of academic 31532  
achievement necessary to earn a high school diploma. 31533

(7) (a) Notwithstanding anything to the contrary in this 31534  
section, the state board may replace the algebra I end-of-course 31535

and each school building within each district and shall compile 31982  
the data in accordance with these formats. These profile formats 31983  
shall: 31984

manner that facilitates comparison among school districts and 31986  
among school buildings within each school district; 31987

(2) Present the data on academic achievement levels as 31988  
assessed by the testing of student achievement maintained pursuant 31989  
to division (B)(1)(d) of this section. 31990

(H)(1) The state board shall, in accordance with the 31991  
procedures it adopts, annually prepare a statewide report for all 31992  
school districts and the general public that includes the profile 31993  
of each of the school districts developed pursuant to division (G) 31994  
of this section. Copies of the report shall be sent to each school 31995  
district. 31996

(2) The state board shall, in accordance with the procedures 31997  
it adopts, annually prepare an individual report for each school 31998  
district and the general public that includes the profiles of each 31999  
of the school buildings in that school district developed pursuant 32000  
to division (G) of this section. Copies of the report shall be 32001  
sent to the superintendent of the district and to each member of 32002  
the district board of education. 32003

(3) Copies of the reports received from the state board under 32004  
divisions (H)(1) and (2) of this section shall be made available 32005  
to the general public at each school district's offices. Each 32006  
district board of education shall make copies of each report 32007  
available to any person upon request and payment of a reasonable 32008  
fee for the cost of reproducing the report. The board shall 32009  
annually publish in a newspaper of general circulation in the 32010  
school district, at least twice during the two weeks prior to the 32011  
week in which the reports will first be available, a notice 32012  
containing the address where the reports are available and the 32013  
date on which the reports will be available. 32014

(I) Any data that is collected or maintained pursuant to this 32015  
section and that identifies an individual pupil is not a public 32016

record for the purposes of section 149.43 of the Revised Code. 32017

(J) As used in this section: 32018

(1) "School district" means any city, local, exempted 32019  
village, or joint vocational school district and, in accordance 32020  
with section 3314.17 of the Revised Code, any community school. As 32021  
used in division (L) of this section, "school district" also 32022  
includes any educational service center or other educational 32023  
entity required to submit data using the system established under 32024  
this section. 32025

(2) "Cost" means any expenditure for operating expenses made 32026  
by a school district excluding any expenditures for debt 32027  
retirement except for payments made to any commercial lending 32028  
institution for any loan approved pursuant to section 3313.483 of 32029  
the Revised Code. 32030

(K) Any person who removes data from the information system 32031  
established under this section for the purpose of releasing it to 32032  
any person not entitled under law to have access to such 32033  
information is subject to section 2913.42 of the Revised Code 32034  
prohibiting tampering with data. 32035

(L) (1) In accordance with division (L) (2) of this section and 32036  
the rules adopted under division (L) (10) of this section, the 32037  
department of education may sanction any school district that 32038  
reports incomplete or inaccurate data, reports data that does not 32039  
conform to data requirements and descriptions published by the 32040  
department, fails to report data in a timely manner, or otherwise 32041  
does not make a good faith effort to report data as required by 32042  
this section. 32043

(2) If the department decides to sanction a school district 32044  
under this division, the department shall take the following 32045  
sequential actions: 32046

(a) Notify the district in writing that the department has 32047

determined that data has not been reported as required under this 32048  
section and require the district to review its data submission and 32049  
submit corrected data by a deadline established by the department. 32050  
The department also may require the district to develop a 32051  
corrective action plan, which shall include provisions for the 32052  
district to provide mandatory staff training on data reporting 32053  
procedures. 32054

(b) Withhold up to ten per cent of the total amount of state 32055  
funds due to the district for the current fiscal year and, if not 32056  
previously required under division (L)(2)(a) of this section, 32057  
require the district to develop a corrective action plan in 32058  
accordance with that division; 32059

(c) Withhold an additional amount of up to twenty per cent of 32060  
the total amount of state funds due to the district for the 32061  
current fiscal year; 32062

(d) Direct department staff or an outside entity to 32063  
investigate the district's data reporting practices and make 32064  
recommendations for subsequent actions. The recommendations may 32065  
include one or more of the following actions: 32066

(i) Arrange for an audit of the district's data reporting 32067  
practices by department staff or an outside entity; 32068

(ii) Conduct a site visit and evaluation of the district; 32069

(iii) Withhold an additional amount of up to thirty per cent 32070  
of the total amount of state funds due to the district for the 32071  
current fiscal year; 32072

(iv) Continue monitoring the district's data reporting; 32073

(v) Assign department staff to supervise the district's data 32074  
management system; 32075

(vi) Conduct an investigation to determine whether to suspend 32076  
or revoke the license of any district employee in accordance with 32077

division (N) of this section; 32078

(vii) If the district is issued a report card under section 32079  
3302.03 of the Revised Code, indicate on the report card that the 32080  
district has been sanctioned for failing to report data as 32081  
required by this section; 32082

(viii) If the district is issued a report card under section 32083  
3302.03 of the Revised Code and incomplete or inaccurate data 32084  
submitted by the district likely caused the district to receive a 32085  
higher performance rating than it deserved under that section, 32086  
issue a revised report card for the district; 32087

(ix) Any other action designed to correct the district's data 32088  
reporting problems. 32089

(3) Any time the department takes an action against a school 32090  
district under division (L)(2) of this section, the department 32091  
shall make a report of the circumstances that prompted the action. 32092  
The department shall send a copy of the report to the district 32093  
superintendent or chief administrator and maintain a copy of the 32094  
report in its files. 32095

(4) If any action taken under division (L)(2) of this section 32096  
resolves a school district's data reporting problems to the 32097  
department's satisfaction, the department shall not take any 32098  
further actions described by that division. If the department 32099  
withheld funds from the district under that division, the 32100  
department may release those funds to the district, except that if 32101  
the department withheld funding under division (L)(2)(c) of this 32102  
section, the department shall not release the funds withheld under 32103  
division (L)(2)(b) of this section and, if the department withheld 32104  
funding under division (L)(2)(d) of this section, the department 32105  
shall not release the funds withheld under division (L)(2)(b) or 32106  
(c) of this section. 32107

(5) Notwithstanding anything in this section to the contrary, 32108

the department may use its own staff or an outside entity to 32109  
conduct an audit of a school district's data reporting practices 32110  
any time the department has reason to believe the district has not 32111  
made a good faith effort to report data as required by this 32112  
section. If any audit conducted by an outside entity under 32113  
division (L) (2) (d) (i) or (5) of this section confirms that a 32114  
district has not made a good faith effort to report data as 32115  
required by this section, the district shall reimburse the 32116  
department for the full cost of the audit. The department may 32117  
withhold state funds due to the district for this purpose. 32118

(6) Prior to issuing a revised report card for a school 32119  
district under division (L) (2) (d) (viii) of this section, the 32120  
department may hold a hearing to provide the district with an 32121  
opportunity to demonstrate that it made a good faith effort to 32122  
report data as required by this section. The hearing shall be 32123  
conducted by a referee appointed by the department. Based on the 32124  
information provided in the hearing, the referee shall recommend 32125  
whether the department should issue a revised report card for the 32126  
district. If the referee affirms the department's contention that 32127  
the district did not make a good faith effort to report data as 32128  
required by this section, the district shall bear the full cost of 32129  
conducting the hearing and of issuing any revised report card. 32130

(7) If the department determines that any inaccurate data 32131  
reported under this section caused a school district to receive 32132  
excess state funds in any fiscal year, the district shall 32133  
reimburse the department an amount equal to the excess funds, in 32134  
accordance with a payment schedule determined by the department. 32135  
The department may withhold state funds due to the district for 32136  
this purpose. 32137

(8) Any school district that has funds withheld under 32138  
division (L) (2) of this section may appeal the withholding in 32139  
accordance with Chapter 119. of the Revised Code. 32140

(9) In all cases of a disagreement between the department and a school district regarding the appropriateness of an action taken under division (L)(2) of this section, the burden of proof shall be on the district to demonstrate that it made a good faith effort to report data as required by this section.

(10) The state board of education shall adopt rules under Chapter 119. of the Revised Code to implement division (L) of this section.

(M) No information technology center or school district shall acquire, change, or update its student administration software package to manage and report data required to be reported to the department unless it converts to a student software package that is certified by the department.

(N) The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke a license as defined under division (A) of section 3319.31 of the Revised Code that has been issued to any school district employee found to have willfully reported erroneous, inaccurate, or incomplete data to the education management information system.

(O) No person shall release or maintain any information about any student in violation of this section. Whoever violates this division is guilty of a misdemeanor of the fourth degree.

(P) The department shall disaggregate the data collected under division (B)(1)(n) of this section according to the race and socioeconomic status of the students assessed.

(Q) If the department cannot compile any of the information required by division (H) of section 3302.03 of the Revised Code based upon the data collected under this section, the department shall develop a plan and a reasonable timeline for the collection of any data necessary to comply with that division.

Sec. 3301.0715. (A) Except as required under division (B) (1) 32171  
of section 3313.608 or as specified in division (D) (3) of section 32172  
3301.079 of the Revised Code, the board of education of each city, 32173  
local, and exempted village school district shall administer each 32174  
applicable diagnostic assessment developed and provided to the 32175  
district in accordance with section 3301.079 of the Revised Code 32176  
to the following: 32177

(1) Any student who transfers into the district or to a 32178  
different school within the district if each applicable diagnostic 32179  
assessment was not administered by the district or school the 32180  
student previously attended in the current school year, within 32181  
thirty days after the date of transfer. If the district or school 32182  
into which the student transfers cannot determine whether the 32183  
student has taken any applicable diagnostic assessment in the 32184  
current school year, the district or school may administer the 32185  
diagnostic assessment to the student. However, if a student 32186  
transfers into the district prior to the administration of the 32187  
diagnostic assessments to all students under division (B) of this 32188  
section, the district may administer the diagnostic assessments to 32189  
that student on the date or dates determined under that division. 32190

(2) Each kindergarten student, not earlier than the first day 32191  
of July of the school year and not later than the ~~first day of~~ 32192  
~~November twentieth day of instruction of that school year.~~ 32193  
~~However, a board of education may administer the selected response~~ 32194  
~~and performance task items portion of the diagnostic assessment up~~ 32195  
~~to two weeks prior to the first day of the school year.~~ 32196

For the purpose of division (A) (2) of this section, the 32197  
district shall administer the kindergarten readiness assessment 32198  
provided by the department of education. In no case shall the 32199  
results of the readiness assessment be used to prohibit a student 32200  
from enrolling in kindergarten. 32201

(3) Each student enrolled in first, second, or third grade. 32202

Division (A) of this section does not apply to students with 32203  
significant cognitive disabilities, as defined by the department 32204  
of education. 32205

(B) Each district board shall administer each diagnostic 32206  
assessment when the board deems appropriate, provided the 32207  
administration complies with section 3313.608 of the Revised Code. 32208  
However, the board shall administer any diagnostic assessment at 32209  
least once annually to all students in the appropriate grade 32210  
level. A district board may administer any diagnostic assessment 32211  
in the fall and spring of a school year to measure the amount of 32212  
academic growth attributable to the instruction received by 32213  
students during that school year. 32214

(C) Any district that received a grade of "A" or "B" for the 32215  
performance index score under division (A) (1) (b), (B) (1) (b), or 32216  
(C) (1) (b) of section 3302.03 of the Revised Code or for the 32217  
value-added progress dimension under division (A) (1) (e), 32218  
(B) (1) (e), or (C) (1) (e) of section 3302.03 of the Revised Code for 32219  
the immediately preceding school year may use different diagnostic 32220  
assessments from those adopted under division (D) of section 32221  
3301.079 of the Revised Code in order to satisfy the requirements 32222  
of division (A) (3) of this section. 32223

(D) Each district board shall utilize and score any 32224  
diagnostic assessment administered under division (A) of this 32225  
section in accordance with rules established by the department. 32226  
After the administration of any diagnostic assessment, each 32227  
district shall provide a student's completed diagnostic 32228  
assessment, the results of such assessment, and any other 32229  
accompanying documents used during the administration of the 32230  
assessment to the parent of that student, and shall include all 32231  
such documents and information in any plan developed for the 32232  
student under division (C) of section 3313.608 of the Revised 32233

Code. Each district shall submit to the department, in the manner 32234  
the department prescribes, the results of the diagnostic 32235  
assessments administered under this section, regardless of the 32236  
type of assessment used under section 3313.608 of the Revised 32237  
Code. The department may issue reports with respect to the data 32238  
collected. The department may report school and district level 32239  
kindergarten diagnostic assessment data and use diagnostic 32240  
assessment data to calculate the measure prescribed by divisions 32241  
(B) (1) (g) and (C) (1) (g) of section 3302.03 of the Revised Code. 32242

(E) Each district board shall provide intervention services 32243  
to students whose diagnostic assessments show that they are 32244  
failing to make satisfactory progress toward attaining the 32245  
academic standards for their grade level. 32246

(F) Beginning in the 2018-2019 school year, any chartered 32247  
nonpublic school may elect to administer the kindergarten 32248  
readiness assessment to all kindergarten students enrolled in the 32249  
school. If the school so elects, the chief administrator of the 32250  
school shall notify the superintendent of public instruction not 32251  
later than the thirty-first day of March prior to any school year 32252  
in which the school will administer the assessment. The department 32253  
shall furnish the assessment to the school at no cost to the 32254  
school. In administering the assessment, the school shall do all 32255  
of the following: 32256

(1) Enter into a written agreement with the department 32257  
specifying that the school will share each participating student's 32258  
assessment data with the department and, that for the purpose of 32259  
reporting the data to the department, each participating student 32260  
will be assigned a data verification code as described in division 32261  
(D) (2) of section 3301.0714 of the Revised Code; 32262

(2) Require the assessment to be administered by a teacher 32263  
certified under section 3301.071 of the Revised Code who either 32264  
has completed training on administering the kindergarten readiness 32265

assessment provided by the department or has been trained by 32266  
another person who has completed such training; 32267

(3) Administer the assessment in the same manner as school 32268  
districts are required to do under this section and the rules 32269  
established under division (D) of this section. 32270

(G) Beginning in the 2019-2020 school year, a school district 32271  
in which less than eighty per cent of its students score at the 32272  
proficient level or higher on the third-grade English language 32273  
arts assessment prescribed under section 3301.0710 of the Revised 32274  
Code shall establish a reading improvement plan supported by 32275  
reading specialists. Prior to implementation, the plan shall be 32276  
approved by the school district board of education. 32277

Sec. 3301.23. (A) Not later than thirty days after the 32278  
effective date of this section, the department of education, in 32279  
consultation with the chancellor of higher education, shall 32280

(B) When developing the plan, the committee established under 32283  
this section shall consider the following: 32284

scholarship under this section shall not be used for a child to 33952  
attend a public special education program that operates under a 33953  
contract, compact, or other bilateral agreement between the school 33954  
district in which the child is entitled to attend school and 33955  
another school district or other public provider, or for a child 33956  
to attend a community school established under Chapter 3314. of 33957  
the Revised Code. However, nothing in this section or in any rule 33958  
adopted by the state board shall prohibit a parent whose child 33959  
attends a public special education program under a contract, 33960  
compact, or other bilateral agreement, or a parent whose child 33961  
attends a community school, from applying for and accepting a 33962

scholarship for the child to attend a special education program 33965  
for which the parent is required to pay for services for the 33966  
child. 33967

Except for development of the child's individualized 33968

continues to attend the special education program operated by 33975

either an alternative public provider or a registered private 33976  
provider for which a scholarship is awarded under the autism 33977

the child decides no longer to accept scholarship payments and 33979  
enrolls the child in the special education program of the school 33980  
district in which the child is entitled to attend school, that 33981  
district shall provide the child with a free appropriate public 33982  
education under Chapter 3323. of the Revised Code. 33983

A child attending a special education program with a 33984

and local school district shall hold a public hearing on the 34619  
school calendar, addressing topics that include, but are not 34620

change on student access to the instructional programs offered by 34639  
the joint vocational school district, incentives for students to 34640  
participate in career-technical education, transportation, and the 34641

advanced computer science as described in the standards adopted 35000  
pursuant to division (A) (4) of section 3301.079 of the Revised 35001  
Code. However, students who enter ninth grade for the first time 35002  
on or after July 1, 2015, and who are pursuing a career-technical 35003  
instructional track shall not be required to take algebra II or 35004  
advanced computer science, and instead may complete a career-based 35005  
pathway mathematics course approved by the department of education 35006  
as an alternative. 35007

For students who choose to take advanced computer science in 35008  
lieu of algebra II under division (C) (3) of this section, the 35009  
school shall communicate to those students that some institutions 35010  
of higher education may require algebra II for the purpose of 35011  
college admission. Also, the parent, guardian, or legal custodian 35012  
of each student who chooses to take advanced computer science in 35013  
lieu of algebra II shall sign and submit to the school a document 35014  
containing a statement acknowledging that not taking algebra II 35015  
may have an adverse effect on college admission decisions. 35016

(4) Physical education, one-half unit; 35017

(5) Science, three units with inquiry-based laboratory 35018  
experience that engages students in asking valid scientific 35019  
questions and gathering and analyzing information, which shall 35020  
include the following, or their equivalent: 35021

|                                                                    |       |

| one unit:                                                          | 35025 |
| (i) Chemistry, physics, or other physical science;                 | 35026 |

| (iv) Computer science.                                             | 35030 |
| No student shall substitute a computer science course for a        | 35031 |
| life sciences or biology course under division (C) (5) of this     | 35032 |
| section.                                                           | 35033 |
| (6) History and government, one unit, which shall comply with      | 35034 |
| division (M) of this section and shall include both of the         | 35035 |

| (a) American history, one-half unit;                               | 35037 |
| (b) American government, one-half unit.                            | 35038 |

| financial literacy, as expressed in the social studies academic    | 35041 |
| content standards adopted by the state board of education under    | 35042 |
| division (A) (1) of section 3301.079 of the Revised Code and the   | 35043 |
| academic content standards for financial literacy and              | 35044 |
| entrepreneurship adopted under division (A) (2) of that section,   | 35045 |
| into one or more existing social studies credits required under    | 35046 |
| division (C) (7) of this section, or into the content of another   | 35047 |
| class, so that every high school student receives instruction in   | 35048 |
| those concepts. In developing the curriculum required by this      | 35049 |
| paragraph, schools shall use available public-private partnerships | 35050 |

and resources and materials that exist in business, industry, and 35051  
through the centers for economics education at institutions of 35052  
higher education in the state. 35053

Beginning with students who enter ninth grade for the first 35054  
time on or after July 1, 2017, the two units of instruction 35055  
prescribed by division (C) (7) of this section shall include at 35056  
least one-half unit of instruction in the study of world history 35057  
and civilizations. 35058

(8) Five units consisting of one or any combination of 35059  
foreign language, fine arts, business, career-technical education, 35060  
family and consumer sciences, technology which may include 35061  
computer science, agricultural education, a junior reserve officer 35062  
training corps (JROTC) program approved by the congress of the 35063  
United States under title 10 of the United States Code, or English 35064  
language arts, mathematics, science, or social studies courses not 35065  
otherwise required under division (C) of this section. 35066

Ohioans must be prepared to apply increased knowledge and 35067  
skills in the workplace and to adapt their knowledge and skills 35068  
quickly to meet the rapidly changing conditions of the 35069  
twenty-first century. National studies indicate that all high 35070  
school graduates need the same academic foundation, regardless of 35071  
the opportunities they pursue after graduation. The goal of Ohio's 35072  
system of elementary and secondary education is to prepare all 35073  
students for and seamlessly connect all students to success in 35074  
life beyond high school graduation, regardless of whether the next 35075  
step is entering the workforce, beginning an apprenticeship, 35076  
engaging in post-secondary training, serving in the military, or 35077  
pursuing a college degree. 35078

The requirements for graduation prescribed in division (C) of 35079  
this section are the standard expectation for all students 35080  
entering ninth grade for the first time at a public or chartered 35081  
nonpublic high school on or after July 1, 2010. A student may 35082

satisfy this expectation through a variety of methods, including, 35083  
but not limited to, integrated, applied, career-technical, and 35084  
traditional coursework. 35085

Stronger coordination between high schools and institutions 35086  
of higher education is necessary to prepare students for more 35087  
challenging academic endeavors and to lessen the need for academic 35088  
remediation in college, thereby reducing the costs of higher 35089  
education for Ohio's students, families, and the state. The state 35090  
board and the chancellor of higher education shall develop 35091  
policies to ensure that only in rare instances will students who 35092  
complete the requirements for graduation prescribed in division 35093  
(C) of this section require academic remediation after high 35094  
school. 35095

School districts, community schools, and chartered nonpublic 35096  
schools shall integrate technology into learning experiences 35097  
across the curriculum in order to maximize efficiency, enhance 35098  
learning, and prepare students for success in the 35099  
technology-driven twenty-first century. Districts and schools 35100  
shall use distance and web-based course delivery as a method of 35101  
providing or augmenting all instruction required under this 35102  
division, including laboratory experience in science. Districts 35103  
and schools shall utilize technology access and electronic 35104  
learning opportunities provided by the broadcast educational media 35105  
commission, chancellor, the Ohio learning network, education 35106  
technology centers, public television stations, and other public 35107  
and private providers. 35108

(D) Except as provided in division (E) of this section, a 35109  
student who enters ninth grade on or after July 1, 2010, and 35110  
before July 1, 2016, may qualify for graduation from a public or 35111  
chartered nonpublic high school even though the student has not 35112  
completed the requirements for graduation prescribed in division 35113  
(C) of this section if all of the following conditions are 35114

satisfied: 35115

(1) During the student's third year of attending high school, 35116  
as determined by the school, the student and the student's parent, 35117  
guardian, or custodian sign and file with the school a written 35118  
statement asserting the parent's, guardian's, or custodian's 35119  
consent to the student's graduating without completing the 35120  
requirements for graduation prescribed in division (C) of this 35121  
section and acknowledging that one consequence of not completing 35122  
those requirements is ineligibility to enroll in most state 35123  
universities in Ohio without further coursework. 35124

(2) The student and parent, guardian, or custodian fulfill 35125  
any procedural requirements the school stipulates to ensure the 35126  
student's and parent's, guardian's, or custodian's informed 35127  
consent and to facilitate orderly filing of statements under 35128  
division (D)(1) of this section. Annually, each district or school 35129  
shall notify the department of the number of students who choose 35130  
to qualify for graduation under division (D) of this section and 35131  
the number of students who complete the student's success plan and 35132  
graduate from high school. 35133

(3) The student and the student's parent, guardian, or 35134  
custodian and a representative of the student's high school 35135  
jointly develop a student success plan for the student in the 35136  
manner described in division (C)(1) of section 3313.6020 of the 35137  
Revised Code that specifies the student matriculating to a 35138  
two-year degree program, acquiring a business and 35139  
industry-recognized credential, or entering an apprenticeship. 35140

(4) The student's high school provides counseling and support 35141  
for the student related to the plan developed under division 35142  
(D)(3) of this section during the remainder of the student's high 35143  
school experience. 35144

(5) (a) Except as provided in division (D)(5)(b) of this 35145

section, the student successfully completes, at a minimum, the 35146  
curriculum prescribed in division (B) of this section. 35147

(b) Beginning with students who enter ninth grade for the 35148  
first time on or after July 1, 2014, a student shall be required 35149  
to complete successfully, at the minimum, the curriculum 35150  
prescribed in division (B) of this section, except as follows: 35151

(i) Mathematics, four units, one unit which shall be one of 35152  
the following: 35153

(I) Probability and statistics; 35154

(II) Computer science; 35155

(III) Applied mathematics or quantitative reasoning; 35156

(IV) Any other course approved by the department using 35157  
standards established by the superintendent not later than October 35158  
1, 2014. 35159

(ii) Elective units, five units; 35160

(iii) Science, three units as prescribed by division (B) of 35161  
this section which shall include inquiry-based laboratory 35162  
experience that engages students in asking valid scientific 35163  
questions and gathering and analyzing information. 35164

~~The department, in collaboration with the chancellor, shall 35165  
analyze student performance data to determine if there are 35166  
mitigating factors that warrant extending the exception permitted 35167  
by division (D) of this section to high school classes beyond 35168  
those entering ninth grade before July 1, 2016. The department 35169  
shall submit its findings and any recommendations not later than 35170  
December 1, 2015, to the speaker and minority leader of the house 35171  
of representatives, the president and minority leader of the 35172  
senate, the chairpersons and ranking minority members of the 35173  
standing committees of the house of representatives and the senate 35174  
that consider education legislation, the state board of education, 35175~~

~~and the superintendent of public instruction.~~ 35176

(E) Each school district and chartered nonpublic school 35177  
retains the authority to require an even more challenging minimum 35178  
curriculum for high school graduation than specified in division 35179  
(B) or (C) of this section. A school district board of education, 35180  
through the adoption of a resolution, or the governing authority 35181  
of a chartered nonpublic school may stipulate any of the 35182  
following: 35183

(1) A minimum high school curriculum that requires more than 35184  
twenty units of academic credit to graduate; 35185

(2) An exception to the district's or school's minimum high 35186  
school curriculum that is comparable to the exception provided in 35187  
division (D) of this section but with additional requirements, 35188  
which may include a requirement that the student successfully 35189  
complete more than the minimum curriculum prescribed in division 35190  
(B) of this section; 35191

(3) That no exception comparable to that provided in division 35192  
(D) of this section is available. 35193

If a school district or chartered nonpublic school requires a 35194  
foreign language as an additional graduation requirement under 35195  
division (E) of this section, a student may apply one unit of 35196  
instruction in computer coding to satisfy one unit of foreign 35197  
language. If a student applies more than one computer coding 35198  
course to satisfy the foreign language requirement, the courses 35199  
shall be sequential and progressively more difficult. 35200

(F) A student enrolled in a dropout prevention and recovery 35201  
program, which program has received a waiver from the department, 35202  
may qualify for graduation from high school by successfully 35203  
completing a competency-based instructional program administered 35204  
by the dropout prevention and recovery program in lieu of 35205  
completing the requirements for graduation prescribed in division 35206

(C) of this section. The department shall grant a waiver to a 35207  
dropout prevention and recovery program, within sixty days after 35208  
the program applies for the waiver, if the program meets all of 35209  
the following conditions: 35210

(1) The program serves only students not younger than sixteen 35211  
years of age and not older than twenty-one years of age. 35212

(2) The program enrolls students who, at the time of their 35213  
initial enrollment, either, or both, are at least one grade level 35214  
behind their cohort age groups or experience crises that 35215  
significantly interfere with their academic progress such that 35216  
they are prevented from continuing their traditional programs. 35217

(3) The program requires students to attain at least the 35218  
applicable score designated for each of the assessments prescribed 35219  
under division (B) (1) of section 3301.0710 of the Revised Code or, 35220  
to the extent prescribed by rule of the state board under division 35221  
(D) (5) of section 3301.0712 of the Revised Code, division (B) (2) 35222  
of that section. 35223

(4) The program develops a student success plan for the 35224  
student in the manner described in division (C) (1) of section 35225  
3313.6020 of the Revised Code that specifies the student's 35226  
matriculating to a two-year degree program, acquiring a business 35227  
and industry-recognized credential, or entering an apprenticeship. 35228

(5) The program provides counseling and support for the 35229  
student related to the plan developed under division (F) (4) of 35230  
this section during the remainder of the student's high school 35231  
experience. 35232

(6) The program requires the student and the student's 35233  
parent, guardian, or custodian to sign and file, in accordance 35234  
with procedural requirements stipulated by the program, a written 35235  
statement asserting the parent's, guardian's, or custodian's 35236  
consent to the student's graduating without completing the 35237

requirements for graduation prescribed in division (C) of this 35238  
section and acknowledging that one consequence of not completing 35239  
those requirements is ineligibility to enroll in most state 35240  
universities in Ohio without further coursework. 35241

(7) Prior to receiving the waiver, the program has submitted 35242  
to the department an instructional plan that demonstrates how the 35243  
academic content standards adopted by the state board under 35244  
section 3301.079 of the Revised Code will be taught and assessed. 35245

(8) Prior to receiving the waiver, the program has submitted 35246  
to the department a policy on career advising that satisfies the 35247  
requirements of section 3313.6020 of the Revised Code, with an 35248  
emphasis on how every student will receive career advising. 35249

(9) Prior to receiving the waiver, the program has submitted 35250  
to the department a written agreement outlining the future 35251  
cooperation between the program and any combination of local job 35252  
training, postsecondary education, nonprofit, and health and 35253  
social service organizations to provide services for students in 35254  
the program and their families. 35255

Divisions (F)(8) and (9) of this section apply only to 35256  
waivers granted on or after July 1, 2015. 35257

If the department does not act either to grant the waiver or 35258  
to reject the program application for the waiver within sixty days 35259  
as required under this section, the waiver shall be considered to 35260  
be granted. 35261

(G) Every high school may permit students below the ninth 35262  
grade to take advanced work. If a high school so permits, it shall 35263  
award high school credit for successful completion of the advanced 35264  
work and shall count such advanced work toward the graduation 35265  
requirements of division (B) or (C) of this section if the 35266  
advanced work was both: 35267

(1) Taught by a person who possesses a license or certificate 35268

issued under section 3301.071, 3319.22, or 3319.222 of the Revised Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, or exempted village school district, the board of the cooperative education school district, or the governing authority of the chartered nonpublic school as meeting the high school curriculum requirements.

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript.

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the state board has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

For purposes of meeting graduation requirements, if an

end-of-course examination has been prescribed under section 35300  
3301.0712 of the Revised Code for the subject area delivered 35301  
through integrated instruction, the school district or school may 35302  
administer the related subject area examinations upon the 35303  
student's completion of the integrated course. 35304

Nothing in division (I) of this section shall be construed to 35305  
excuse any school district, chartered nonpublic school, or student 35306  
from any requirement in the Revised Code related to curriculum, 35307  
assessments, or the awarding of a high school diploma. 35308

(J) (1) The state board, in consultation with the chancellor, 35309  
shall adopt a statewide plan implementing methods for students to 35310  
earn units of high school credit based on a demonstration of 35311  
subject area competency, instead of or in combination with 35312  
completing hours of classroom instruction. The state board shall 35313  
adopt the plan not later than March 31, 2009, and commence phasing 35314  
in the plan during the 2009-2010 school year. The plan shall 35315  
include a standard method for recording demonstrated proficiency 35316  
on high school transcripts. Each school district and community 35317  
school shall comply with the state board's plan adopted under this 35318  
division and award units of high school credit in accordance with 35319  
the plan. The state board may adopt existing methods for earning 35320  
high school credit based on a demonstration of subject area 35321  
competency as necessary prior to the 2009-2010 school year. 35322

(2) Not later than December 31, 2015, the state board shall 35323  
update the statewide plan adopted pursuant to division (J) (1) of 35324  
this section to also include methods for students enrolled in 35325  
seventh and eighth grade to meet curriculum requirements based on 35326  
a demonstration of subject area competency, instead of or in 35327  
combination with completing hours of classroom instruction. 35328  
Beginning with the 2017-2018 school year, each school district and 35329  
community school also shall comply with the updated plan adopted 35330  
pursuant to this division and permit students enrolled in seventh 35331

and eighth grade to meet curriculum requirements based on subject 35332  
area competency in accordance with the plan. 35333

(3) Not later than December 31, 2017, the department shall 35334  
develop a framework for school districts and community schools to 35335  
use in granting units of high school credit to students who 35336  
demonstrate subject area competency through work-based learning 35337  
experiences, internships, or cooperative education. Beginning with 35338  
the 2018-2019 school year, each district and community school 35339  
shall comply with the framework. Each district and community 35340  
school also shall review any policy it has adopted regarding the 35341  
demonstration of subject area competency to identify ways to 35342  
incorporate work-based learning experiences, internships, and 35343  
cooperative education into the policy in order to increase student 35344  
engagement and opportunities to earn units of high school credit. 35345

(K) This division does not apply to students who qualify for 35346  
graduation from high school under division (D) or (F) of this 35347  
section, or to students pursuing a career-technical instructional 35348  
track as determined by the school district board of education or 35349  
the chartered nonpublic school's governing authority. 35350  
Nevertheless, the general assembly encourages such students to 35351  
consider enrolling in a fine arts course as an elective. 35352

Beginning with students who enter ninth grade for the first 35353  
time on or after July 1, 2010, each student enrolled in a public 35354  
or chartered nonpublic high school shall complete two semesters or 35355  
the equivalent of fine arts to graduate from high school. The 35356  
coursework may be completed in any of grades seven to twelve. Each 35357  
student who completes a fine arts course in grade seven or eight 35358  
may elect to count that course toward the five units of electives 35359  
required for graduation under division (C)(8) of this section, if 35360  
the course satisfied the requirements of division (G) of this 35361  
section. In that case, the high school shall award the student 35362  
high school credit for the course and count the course toward the 35363

five units required under division (C)(8) of this section. If the course in grade seven or eight did not satisfy the requirements of division (G) of this section, the high school shall not award the student high school credit for the course but shall count the course toward the two semesters or the equivalent of fine arts required by this division.

(L) Notwithstanding anything to the contrary in this section, the board of education of each school district and the governing authority of each chartered nonpublic school may adopt a policy to excuse from the high school physical education requirement each student who, during high school, has participated in interscholastic athletics, marching band, show choir, or cheerleading for at least two full seasons or in the junior reserve officer training corps for at least two full school years. If the board or authority adopts such a policy, the board or authority shall not require the student to complete any physical education course as a condition to graduate. However, the student shall be required to complete one-half unit, consisting of at least sixty hours of instruction, in another course of study. In the case of a student who has participated in the junior reserve officer training corps for at least two full school years, credit received for that participation may be used to satisfy the requirement to complete one-half unit in another course of study.

(M) It is important that high school students learn and understand United States history and the governments of both the United States and the state of Ohio. Therefore, beginning with students who enter ninth grade for the first time on or after July 1, 2012, the study of American history and American government required by divisions (B)(6) and (C)(6) of this section shall include the study of all of the following documents:

(1) The Declaration of Independence;

(2) The Northwest Ordinance;

students in meeting the third grade guarantee established by this 35487  
section, each school district board of education shall adopt 35488  
policies and procedures with which it annually shall assess the 35489  
reading skills of each student, except those students with 35490  
significant cognitive disabilities or other disabilities as 35491  
authorized by the department on a case-by-case basis, enrolled in 35492  
kindergarten to third grade and shall identify students who are 35493  
reading below their grade level. The reading skills assessment 35494

in grades one to three, and by the ~~first day of November~~ twentieth 35496  
day of instruction of the school year for students in 35497  
kindergarten. Each district shall use the diagnostic assessment to 35498  
measure reading ability for the appropriate grade level adopted 35499  
under section 3301.079 of the Revised Code, or a comparable tool 35500  
approved by the department of education, to identify such 35501  
students. The policies and procedures shall require the students' 35502  
classroom teachers to be involved in the assessment and the 35503  
identification of students reading below grade level. The 35504  
assessment may be administered electronically using live, two-way 35505  
video and audio connections whereby the teacher administering the 35506  
assessment may be in a separate location from the student. 35507

(2) For each student identified by the diagnostic assessment 35508  
prescribed under this section as having reading skills below grade 35509  
level, the district shall do both of the following: 35510

(a) Provide to the student's parent or guardian, in writing, 35511  
all of the following: 35512

having a substantial deficiency in reading; 35514

(ii) A description of the current services that are provided 35515  
to the student; 35516

(iii) A description of the proposed supplemental 35517

instructional services and supports that will be provided to the 35518  
student that are designed to remediate the identified areas of 35519  
reading deficiency; 35520

(iv) Notification that if the student attains a score in the 35521  
range designated under division (A) (3) of section 3301.0710 of the 35522  
Revised Code on the assessment prescribed under that section to 35523  
measure skill in English language arts expected at the end of 35524  
third grade, the student shall be retained unless the student is 35525  
exempt under division (A) of this section. The notification shall 35526  
specify that the assessment under section 3301.0710 of the Revised 35527  
Code is not the sole determinant of promotion and that additional 35528  
evaluations and assessments are available to the student to assist 35529  
parents and the district in knowing when a student is reading at 35530  
or above grade level and ready for promotion. 35531

(b) Provide intensive reading instruction services and 35532  
regular diagnostic assessments to the student immediately 35533  
following identification of a reading deficiency until the 35534  
development of the reading improvement and monitoring plan 35535  
required by division (C) of this section. These intervention 35536  
services shall include research-based reading strategies that have 35537  
been shown to be successful in improving reading among 35538  
low-performing readers and instruction targeted at the student's 35539  
identified reading deficiencies. 35540

(3) For each student retained under division (A) of this 35541  
section, the district shall do all of the following: 35542

(a) Provide intense remediation services until the student is 35543  
able to read at grade level. The remediation services shall 35544  
include intensive interventions in reading that address the areas 35545  
of deficiencies identified under this section including, but not 35546  
limited to, not less than ninety minutes of reading instruction 35547  
per day, and may include any of the following: 35548

(1) A child shall be admitted to the schools of the school 36656  
district in which the child's parent resides. 36657

(2) Except as provided in division (B) of section 2151.362 36658  
and section 3317.30 of the Revised Code, a child who does not 36659  
reside in the district where the child's parent resides shall be 36660  
admitted to the schools of the district in which the child resides 36661  
if any of the following applies: 36662

(a) The child is in the legal or permanent custody of a 36663  
government agency or a person other than the child's natural or 36664  
adoptive parent. 36665

(b) The child resides in a home. 36666

(c) The child requires special education. 36667

(3) A child who is not entitled under division (B)(2) of this 36668  
section to be admitted to the schools of the district where the 36669  
child resides and who is residing with a resident of this state 36670  
with whom the child has been placed for adoption shall be admitted 36671  
to the schools of the district where the child resides unless 36672  
either of the following applies: 36673

(a) The placement for adoption has been terminated. 36674

(b) Another school district is required to admit the child 36675  
under division (B)(1) of this section. 36676

Division (B) of this section does not prohibit the board of 36677  
education of a school district from placing a child with a 36678  
disability who resides in the district in a special education 36679  
program outside of the district or its schools in compliance with 36680  
Chapter 3323. of the Revised Code. 36681

(C) A district shall not charge tuition for children admitted 36682  
under division (B)(1) or (3) of this section. If the district 36683

admits a child under division (B) (2) of this section, tuition 36684  
shall be paid to the district that admits the child as provided in 36685  
divisions (C) (1) to (3) of this section, unless division (C) (4) of 36686  
this section applies to the child: 36687

(1) If the child receives special education in accordance 36688  
with Chapter 3323. of the Revised Code, the school district of 36689  
residence, as defined in section 3323.01 of the Revised Code, 36690  
shall pay tuition for the child in accordance with section 36691  
3323.091, 3323.13, 3323.14, or 3323.141 of the Revised Code 36692  
regardless of who has custody of the child or whether the child 36693  
resides in a home. 36694

(2) For a child that does not receive special education in 36695  
accordance with Chapter 3323. of the Revised Code, except as 36696  
otherwise provided in division (C) (2) (d) of this section, if the 36697  
child is in the permanent or legal custody of a government agency 36698  
or person other than the child's parent, tuition shall be paid by: 36699

(a) The district in which the child's parent resided at the 36700  
time the court removed the child from home or at the time the 36701  
court vested legal or permanent custody of the child in the person 36702  
or government agency, whichever occurred first; 36703

(b) If the parent's residence at the time the court removed 36704  
the child from home or placed the child in the legal or permanent 36705  
custody of the person or government agency is unknown, tuition 36706  
shall be paid by the district in which the child resided at the 36707  
time the child was removed from home or placed in legal or 36708  
permanent custody, whichever occurred first; 36709

(c) If a school district cannot be established under division 36710  
(C) (2) (a) or (b) of this section, tuition shall be paid by the 36711  
district determined as required by section 2151.362 of the Revised 36712  
Code by the court at the time it vests custody of the child in the 36713  
person or government agency; 36714

(d) If at the time the court removed the child from home or vested legal or permanent custody of the child in the person or government agency, whichever occurred first, one parent was in a residential or correctional facility or a juvenile residential placement and the other parent, if living and not in such a facility or placement, was not known to reside in this state, tuition shall be paid by the district determined under division (D) of section 3313.65 of the Revised Code as the district required to pay any tuition while the parent was in such facility or placement;

(e) If the department of education has determined, pursuant to division (A)(2) of section 2151.362 of the Revised Code, that a school district other than the one named in the court's initial order, or in a prior determination of the department, is responsible to bear the cost of educating the child, the district so determined shall be responsible for that cost.

(3) If the child is not in the permanent or legal custody of a government agency or person other than the child's parent and the child resides in a home, tuition shall be paid by one of the following:

(a) The school district in which the child's parent resides;

(b) If the child's parent is not a resident of this state, the home in which the child resides.

(4) Division (C)(4) of this section applies to any child who is admitted to a school district under division (B)(2) of this section, resides in a home that is not a foster home, a home maintained by the department of youth services, a detention facility established under section 2152.41 of the Revised Code, or a juvenile facility established under section 2151.65 of the Revised Code, and receives educational services at the home or facility in which the child resides pursuant to a contract between

the home or facility and the school district providing those 36746  
services. 36747

If a child to whom division (C) (4) of this section applies is 36748  
a special education student, a district may choose whether to 36749  
receive a tuition payment for that child under division (C) (4) of 36750  
this section or to receive a payment for that child under section 36751  
3323.14 of the Revised Code. If a district chooses to receive a 36752  
payment for that child under section 3323.14 of the Revised Code, 36753  
it shall not receive a tuition payment for that child under 36754  
division (C) (4) of this section. 36755

If a child to whom division (C) (4) of this section applies is 36756  
not a special education student, a district shall receive a 36757  
tuition payment for that child under division (C) (4) of this 36758  
section. 36759

In the case of a child to which division (C) (4) of this 36760  
section applies, the total educational cost to be paid for the 36761  
child shall be determined by a formula approved by the department 36762  
of education, which formula shall be designed to calculate a per 36763  
diem cost for the educational services provided to the child for 36764  
each day the child is served and shall reflect the total actual 36765  
cost incurred in providing those services. The department shall 36766  
certify the total educational cost to be paid for the child to 36767  
both the school district providing the educational services and, 36768  
if different, the school district that is responsible to pay 36769  
tuition for the child. The department shall deduct the certified 36770  
amount from the state basic aid funds payable under Chapter 3317. 36771  
of the Revised Code to the district responsible to pay tuition and 36772  
shall pay that amount to the district providing the educational 36773  
services to the child. 36774

(D) Tuition required to be paid under divisions (C) (2) and 36775  
(3) (a) of this section shall be computed in accordance with 36776  
section 3317.08 of the Revised Code. Tuition required to be paid 36777

under division (C) (3) (b) of this section shall be computed in 36778  
accordance with section 3317.081 of the Revised Code. If a home 36779  
fails to pay the tuition required by division (C) (3) (b) of this 36780  
section, the board of education providing the education may 36781  
recover in a civil action the tuition and the expenses incurred in 36782  
prosecuting the action, including court costs and reasonable 36783  
attorney's fees. If the prosecuting attorney or city director of 36784  
law represents the board in such action, costs and reasonable 36785  
attorney's fees awarded by the court, based upon the prosecuting 36786  
attorney's, director's, or one of their designee's time spent 36787  
preparing and presenting the case, shall be deposited in the 36788  
county or city general fund. 36789

(E) A board of education may enroll a child free of any 36790  
tuition obligation for a period not to exceed sixty days, on the 36791  
sworn statement of an adult resident of the district that the 36792  
resident has initiated legal proceedings for custody of the child. 36793

(F) In the case of any individual entitled to attend school 36794  
under this division, no tuition shall be charged by the school 36795  
district of attendance and no other school district shall be 36796  
required to pay tuition for the individual's attendance. 36797  
Notwithstanding division (B), (C), or (E) of this section: 36798

(1) All persons at least eighteen but under twenty-two years 36799  
of age who live apart from their parents, support themselves by 36800  
their own labor, and have not successfully completed the high 36801  
school curriculum or the individualized education program 36802  
developed for the person by the high school pursuant to section 36803  
3323.08 of the Revised Code, are entitled to attend school in the 36804  
district in which they reside. 36805

(2) Any child under eighteen years of age who is married is 36806  
entitled to attend school in the child's district of residence. 36807

(3) A child is entitled to attend school in the district in 36808

which either of the child's parents is employed if the child has a 36809  
medical condition that may require emergency medical attention. 36810  
The parent of a child entitled to attend school under division 36811  
(F) (3) of this section shall submit to the board of education of 36812  
the district in which the parent is employed a statement from the 36813  
child's physician certifying that the child's medical condition 36814  
may require emergency medical attention. The statement shall be 36815  
supported by such other evidence as the board may require. 36816

(4) Any child residing with a person other than the child's 36817  
parent is entitled, for a period not to exceed twelve months, to 36818  
attend school in the district in which that person resides if the 36819  
child's parent files an affidavit with the superintendent of the 36820  
district in which the person with whom the child is living resides 36821  
stating all of the following: 36822

(a) That the parent is serving outside of the state in the 36823  
armed services of the United States; 36824

(b) That the parent intends to reside in the district upon 36825  
returning to this state; 36826

(c) The name and address of the person with whom the child is 36827  
living while the parent is outside the state. 36828

(5) Any child under the age of twenty-two years who, after 36829  
the death of a parent, resides in a school district other than the 36830  
district in which the child attended school at the time of the 36831  
parent's death is entitled to continue to attend school in the 36832  
district in which the child attended school at the time of the 36833  
parent's death for the remainder of the school year, subject to 36834  
approval of that district board. 36835

(6) A child under the age of twenty-two years who resides 36836  
with a parent who is having a new house built in a school district 36837  
outside the district where the parent is residing is entitled to 36838  
attend school for a period of time in the district where the new 36839

house is being built. In order to be entitled to such attendance, 36840  
the parent shall provide the district superintendent with the 36841  
following: 36842

(a) A sworn statement explaining the situation, revealing the 36843  
location of the house being built, and stating the parent's 36844  
intention to reside there upon its completion; 36845

(b) A statement from the builder confirming that a new house 36846  
is being built for the parent and that the house is at the 36847  
location indicated in the parent's statement. 36848

(7) A child under the age of twenty-two years residing with a 36849  
parent who has a contract to purchase a house in a school district 36850  
outside the district where the parent is residing and who is 36851  
waiting upon the date of closing of the mortgage loan for the 36852  
purchase of such house is entitled to attend school for a period 36853  
of time in the district where the house is being purchased. In 36854  
order to be entitled to such attendance, the parent shall provide 36855  
the district superintendent with the following: 36856

(a) A sworn statement explaining the situation, revealing the 36857  
location of the house being purchased, and stating the parent's 36858  
intent to reside there; 36859

(b) A statement from a real estate broker or bank officer 36860  
confirming that the parent has a contract to purchase the house, 36861  
that the parent is waiting upon the date of closing of the 36862  
mortgage loan, and that the house is at the location indicated in 36863  
the parent's statement. 36864

The district superintendent shall establish a period of time 36865  
not to exceed ninety days during which the child entitled to 36866  
attend school under division (F)(6) or (7) of this section may 36867  
attend without tuition obligation. A student attending a school 36868  
under division (F)(6) or (7) of this section shall be eligible to 36869  
participate in interscholastic athletics under the auspices of 36870

that school, provided the board of education of the school 36871  
district where the student's parent resides, by a formal action, 36872  
releases the student to participate in interscholastic athletics 36873  
at the school where the student is attending, and provided the 36874  
student receives any authorization required by a public agency or 36875  
private organization of which the school district is a member 36876  
exercising authority over interscholastic sports. 36877

(8) A child whose parent is a full-time employee of a city, 36878  
local, or exempted village school district, or of an educational 36879  
service center, may be admitted to the schools of the district 36880  
where the child's parent is employed, or in the case of a child 36881  
whose parent is employed by an educational service center, in the 36882  
district that serves the location where the parent's job is 36883  
primarily located, provided the district board of education 36884  
establishes such an admission policy by resolution adopted by a 36885  
majority of its members. Any such policy shall take effect on the 36886  
first day of the school year and the effective date of any 36887  
amendment or repeal may not be prior to the first day of the 36888  
subsequent school year. The policy shall be uniformly applied to 36889  
all such children and shall provide for the admission of any such 36890  
child upon request of the parent. No child may be admitted under 36891  
this policy after the first day of classes of any school year. 36892

(9) A child who is with the child's parent under the care of 36893  
a shelter for victims of domestic violence, as defined in section 36894  
3113.33 of the Revised Code, is entitled to attend school free in 36895  
the district in which the child is with the child's parent, and no 36896  
other school district shall be required to pay tuition for the 36897  
child's attendance in that school district. 36898

The enrollment of a child in a school district under this 36899  
division shall not be denied due to a delay in the school 36900  
district's receipt of any records required under section 3313.672 36901  
of the Revised Code or any other records required for enrollment. 36902

Any days of attendance and any credits earned by a child while 36903  
enrolled in a school district under this division shall be 36904  
transferred to and accepted by any school district in which the 36905  
child subsequently enrolls. The state board of education shall 36906  
adopt rules to ensure compliance with this division. 36907

(10) Any child under the age of twenty-two years whose parent 36908  
has moved out of the school district after the commencement of 36909  
classes in the child's senior year of high school is entitled, 36910  
subject to the approval of that district board, to attend school 36911  
in the district in which the child attended school at the time of 36912  
the parental move for the remainder of the school year and for one 36913  
additional semester or equivalent term. A district board may also 36914  
adopt a policy specifying extenuating circumstances under which a 36915  
student may continue to attend school under division (F)(10) of 36916  
this section for an additional period of time in order to 36917  
successfully complete the high school curriculum for the 36918  
individualized education program developed for the student by the 36919  
high school pursuant to section 3323.08 of the Revised Code. 36920

(11) As used in this division, "grandparent" means a parent 36921  
of a parent of a child. A child under the age of twenty-two years 36922  
who is in the custody of the child's parent, resides with a 36923  
grandparent, and does not require special education is entitled to 36924  
attend the schools of the district in which the child's 36925  
grandparent resides, provided that, prior to such attendance in 36926  
any school year, the board of education of the school district in 36927  
which the child's grandparent resides and the board of education 36928  
of the school district in which the child's parent resides enter 36929  
into a written agreement specifying that good cause exists for 36930  
such attendance, describing the nature of this good cause, and 36931  
consenting to such attendance. 36932

In lieu of a consent form signed by a parent, a board of 36933  
education may request the grandparent of a child attending school 36934

in the district in which the grandparent resides pursuant to 36935  
division (F) (11) of this section to complete any consent form 36936  
required by the district, including any authorization required by 36937  
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised 36938  
Code. Upon request, the grandparent shall complete any consent 36939  
form required by the district. A school district shall not incur 36940  
any liability solely because of its receipt of a consent form from 36941  
a grandparent in lieu of a parent. 36942

Division (F) (11) of this section does not create, and shall 36943  
not be construed as creating, a new cause of action or substantive 36944  
legal right against a school district, a member of a board of 36945  
education, or an employee of a school district. This section does 36946  
not affect, and shall not be construed as affecting, any 36947  
immunities from defenses to tort liability created or recognized 36948  
by Chapter 2744. of the Revised Code for a school district, 36949  
member, or employee. 36950

(12) A child under the age of twenty-two years is entitled to 36951  
attend school in a school district other than the district in 36952  
which the child is entitled to attend school under division (B), 36953  
(C), or (E) of this section provided that, prior to such 36954  
attendance in any school year, both of the following occur: 36955

(a) The superintendent of the district in which the child is 36956  
entitled to attend school under division (B), (C), or (E) of this 36957  
section contacts the superintendent of another district for 36958  
purposes of this division; 36959

(b) The superintendents of both districts enter into a 36960  
written agreement that consents to the attendance and specifies 36961  
that the purpose of such attendance is to protect the student's 36962  
physical or mental well-being or to deal with other extenuating 36963  
circumstances deemed appropriate by the superintendents. 36964

While an agreement is in effect under this division for a 36965

student who is not receiving special education under Chapter 3323. 36966  
of the Revised Code and notwithstanding Chapter 3327. of the 36967  
Revised Code, the board of education of neither school district 36968  
involved in the agreement is required to provide transportation 36969  
for the student to and from the school where the student attends. 36970

A student attending a school of a district pursuant to this 36971  
division shall be allowed to participate in all student 36972  
activities, including interscholastic athletics, at the school 36973  
where the student is attending on the same basis as any student 36974  
who has always attended the schools of that district while of 36975  
compulsory school age. 36976

(13) All school districts shall comply with the 36977  
"McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et 36978  
seq., for the education of homeless children. Each city, local, 36979  
and exempted village school district shall comply with the 36980  
requirements of that act governing the provision of a free, 36981  
appropriate public education, including public preschool, to each 36982  
homeless child. 36983

When a child loses permanent housing and becomes a homeless 36984  
person, as defined in 42 U.S.C.A. 11481(5), or when a child who is 36985  
such a homeless person changes temporary living arrangements, the 36986  
child's parent or guardian shall have the option of enrolling the 36987  
child in either of the following: 36988

(a) The child's school of origin, as defined in 42 U.S.C.A. 36989  
11432(g)(3)(C); 36990

(b) The school that is operated by the school district in 36991  
which the shelter where the child currently resides is located and 36992  
that serves the geographic area in which the shelter is located. 36993

(14) A child under the age of twenty-two years who resides 36994  
with a person other than the child's parent is entitled to attend 36995  
school in the school district in which that person resides if both 36996

of the following apply: 36997

(a) That person has been appointed, through a military power 36998  
of attorney executed under section 574(a) of the "National Defense 36999  
Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 37000  
U.S.C. 1044b, or through a comparable document necessary to 37001  
complete a family care plan, as the parent's agent for the care, 37002  
custody, and control of the child while the parent is on active 37003  
duty as a member of the national guard or a reserve unit of the 37004  
armed forces of the United States or because the parent is a 37005  
member of the armed forces of the United States and is on a duty 37006  
assignment away from the parent's residence. 37007

(b) The military power of attorney or comparable document 37008  
includes at least the authority to enroll the child in school. 37009

The entitlement to attend school in the district in which the 37010  
parent's agent under the military power of attorney or comparable 37011  
document resides applies until the end of the school year in which 37012  
the military power of attorney or comparable document expires. 37013

(G) A board of education, after approving admission, may 37014  
waive tuition for students who will temporarily reside in the 37015  
district and who are either of the following: 37016

(1) Residents or domiciliaries of a foreign nation who 37017  
request admission as foreign exchange students; 37018

(2) Residents or domiciliaries of the United States but not 37019  
of Ohio who request admission as participants in an exchange 37020  
program operated by a student exchange organization. 37021

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 37022  
3327.04, and 3327.06 of the Revised Code, a child may attend 37023  
school or participate in a special education program in a school 37024  
district other than in the district where the child is entitled to 37025  
attend school under division (B) of this section. 37026

(I) (1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I) (1) of this section applies only if both of the following conditions are satisfied:

transportation services in the same manner as a pupil attending 37070  
school in the district under interdistrict open enrollment as 37071  
described in division ~~(H)~~ (E) of section 3313.981 of the Revised 37072

to be a resident of that district, and regardless of where the 37126  
child lives as a result of the parent's active duty status or 37127  
temporary duty assignment. However, the district is not 37128  
responsible for providing transportation for the child if the 37129  
child lives outside of the district as a result of the parent's 37130

If a sponsor entered into a contract with an internet- or 38343

(b) The operator's experience with online schools; 38363

(c) The sponsor's and operator's previous record for student 38364

(3) The department of education shall notify any new 38371

school for instruction required by division (A) (25) of section 38380

community school approved for opening for the 2013-2014 school 38382  
year under division (B) of this section may open and operate in 38383  
that school year regardless of whether it has complied with those 38384  
contract and opening dates. For each school year thereafter, the 38385  
school shall comply with all applicable provisions of this 38386  
chapter. 38387

(4) Notwithstanding divisions (B) (1) and (2) of this section, 38388  
a sponsor rated "exemplary" on its most recent evaluation 38389  
conducted under section 3314.016 of the Revised Code is permitted 38390  
to open up to two new internet- or computer-based community 38391  
schools that will primarily serve students enrolled in a dropout 38392  
prevention and recovery program each year, not to exceed six new 38393  
schools in a five-year period. 38394

(C) Nothing in ~~divisions~~ division (A) or (B) of this section 38395

**Sec. 3314.016.** This section applies to any entity that 38405  
sponsors a community school, regardless of whether section 38406  
3314.021 or 3314.027 of the Revised Code exempts the entity from 38407  
the requirement to be approved for sponsorship under divisions 38408  
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 38409

office of Ohio school sponsorship established under section 38410  
3314.029 of the Revised Code shall be rated under division (B) of 38411  
this section, but divisions (A) and (C) of this section do not 38412  
apply to the office. 38413

(A) An entity that sponsors a community school shall be 38414  
permitted to enter into contracts under section 3314.03 of the 38415  
Revised Code to sponsor additional community schools only if the 38416  
entity meets all of the following criteria: 38417

(1) The entity is in compliance with all provisions of this 38418  
chapter requiring sponsors of community schools to report data or 38419  
information to the department of education. 38420

(2) The entity is not rated as "ineffective" under division 38421  
(B)(6) of this section. 38422

(3) Except as set forth in sections 3314.021 and 3314.027 of 38423  
the Revised Code, the entity has received approval from and 38424  
entered into an agreement with the department of education 38425  
pursuant to section 3314.015 of the Revised Code. 38426

(B)(1) The department shall develop and implement an 38427  
evaluation system that annually rates and assigns an overall 38428  
rating to each entity that sponsors a community school. The 38429  
department, not later than the first day of February of each year, 38430  
shall post on the department's web site the framework for the 38431  
evaluation system, including technical documentation that the 38432  
department intends to use to rate sponsors for the next school 38433  
year. The department shall solicit public comment on the 38434  
evaluation system for thirty consecutive days. Not later than the 38435  
first day of April of each year, the department shall compile and 38436  
post on the department's web site all public comments that were 38437  
received during the public comment period. The evaluation system 38438  
shall be posted on the department's web site by the fifteenth day 38439  
of July of each school year. Any changes to the evaluation system 38440

after that date shall take effect the following year. The 38441  
evaluation system shall be based on the following components: 38442

(a) Academic performance of students enrolled in community 38443  
schools sponsored by the same entity. The academic performance 38444  
component shall be derived from the performance measures 38445  
prescribed for the state report cards under section 3302.03 or 38446  
3314.017 of the Revised Code, and shall be based on the 38447  
performance of the schools for the school year for which the 38448  
evaluation is conducted. In addition to the academic performance 38449  
for a specific school year, the academic performance component 38450  
shall also include year-to-year changes in the overall sponsor 38451  
portfolio. For a community school for which no graded performance 38452  
measures are applicable or available, the department shall use 38453  
nonreport card performance measures specified in the contract 38454  
between the community school and the sponsor under division (A) (4) 38455  
of section 3314.03 of the Revised Code. 38456

(b) Adherence by a sponsor to the quality practices 38457  
prescribed by the department under division (B) (3) of this 38458  
section. For a sponsor that was rated "effective" or "exemplary" 38459  
on its most recent rating, the department may evaluate that 38460  
sponsor's adherence to quality practices once over a period of 38461  
three years. If the department elects to evaluate a sponsor once 38462  
over a period of three years, the most recent rating for a 38463  
sponsor's adherence to quality practices shall be used when 38464  
determining an annual overall rating conducted under this section. 38465

(c) Compliance with all applicable laws and administrative 38466  
rules by an entity that sponsors a community school. 38467

(2) In calculating an academic performance component, the 38468  
department shall exclude all community schools that have been in 38469  
operation for not more than two full school years and all 38470  
community schools described in division (A) (4) (b) of section 38471  
3314.35 of the Revised Code. However, the academic performance of 38472

the community schools described in division (A) (4) (b) of section 38473  
3314.35 of the Revised Code shall be reported, but shall not be 38474  
used as a factor when determining a sponsoring entity's rating 38475  
under this section. 38476

(3) The department, in consultation with entities that 38477  
sponsor community schools, shall prescribe quality practices for 38478  
community school sponsors and develop an instrument to measure 38479  
adherence to those quality practices. The quality practices shall 38480  
be based on standards developed by the national association of 38481  
charter school authorizers or any other nationally organized 38482  
community school organization. 38483

(4) (a) The department may permit peer review of a sponsor's 38484  
adherence to the quality practices prescribed under division 38485  
(B) (3) of this section. Peer reviewers shall be limited to 38486  
individuals employed by sponsors rated "effective" or "exemplary" 38487  
on the most recent ratings conducted under this section. 38488

(b) The department shall require individuals participating in 38489  
peer review under division (B) (4) (a) of this section to complete 38490  
training approved or established by the department. 38491

(c) The department may enter into an agreement with another 38492  
entity to provide training to individuals conducting peer review 38493  
of sponsors. Prior to entering into an agreement with an entity, 38494  
the department shall review and approve of the entity's training 38495  
program. 38496

(5) Not later than July 1, 2013, the state board of education 38497  
shall adopt rules in accordance with Chapter 119. of the Revised 38498  
Code prescribing standards for measuring compliance with 38499  
applicable laws and rules under division (B) (1) (c) of this 38500  
section. 38501

(6) The department annually shall rate all entities that 38502  
sponsor community schools as either "exemplary," "effective," 38503

"ineffective," or "poor," based on the components prescribed by 38504  
division (B) of this section, where each component is weighted 38505  
equally. A separate rating shall be given by the department for 38506  
each component of the evaluation system. 38507

The department shall publish the ratings between the first 38508  
day of October and the fifteenth day of November. 38509

Prior to the publication of the final ratings, the department 38510  
shall designate and provide notice of a period of at least ten 38511  
business days during which each sponsor may review the information 38512  
used by the department to determine the sponsor's rating on the 38513  
components prescribed by division (B)(1) of this section. If the 38514  
sponsor believes there is an error in the department's evaluation, 38515  
the sponsor may request adjustments to the rating of any of those 38516  
components based on documentation previously submitted as part of 38517  
an evaluation. The sponsor shall provide to the department any 38518  
necessary evidence or information to support the requested 38519  
adjustments. The department shall review the evidence and 38520  
information, determine whether an adjustment is valid, and 38521  
promptly notify the sponsor of its determination and reasons. If 38522  
any adjustments to the data could result in a change to the rating 38523  
on the applicable component or to the overall rating, the 38524  
department shall recalculate the ratings prior to publication. 38525

The department shall provide training on an annual basis 38526  
regarding the evaluation system prescribed under this section. The 38527  
training shall, at a minimum, describe methodology, timelines, and 38528  
data required for the evaluation system. The first training 38529  
session shall occur not later than March 2, 2016. Beginning in 38530  
2018, the training shall be made available to each entity that 38531  
sponsors a community school by the fifteenth day of July of each 38532  
year and shall include guidance on any changes made to the 38533  
evaluation system. 38534

(7) (a) Entities with an overall rating of "exemplary" for ~~at~~ 38535

~~least the two consecutive most recent years in which the entity~~ 38536  
~~was evaluated~~ may take advantage of the following incentives: 38537

(i) Renewal of the written agreement with the department, not 38538  
to exceed ten years, provided that the entity consents to 38539  
continued evaluation of adherence to quality practices as 38540  
described in division (B) (1) (b) of this section; 38541

(ii) The ability to extend the term of the contract between 38542  
the sponsoring entity and the community school beyond the term 38543  
described in the written agreement with the department; 38544

(iii) An exemption from the preliminary agreement and 38545  
contract adoption and execution deadline requirements prescribed 38546  
in division (D) of section 3314.02 of the Revised Code; 38547

(iv) An exemption from the automatic contract expiration 38548  
requirement, should a new community school fail to open by the 38549  
thirtieth day of September of the calendar year in which the 38550  
community school contract is executed; 38551

(v) No limit on the number of community schools the entity 38552  
may sponsor; 38553

(vi) No territorial restrictions on sponsorship. 38554

An entity may continue to sponsor any community schools with 38555  
which it entered into agreements under division (B) (7) (a) (v) or 38556  
(vi) of this section while rated "exemplary," notwithstanding the 38557  
fact that the entity later receives a lower overall rating. 38558

(b) Entities with an overall rating of "exemplary" or 38559  
"effective" for ~~at least the three consecutive most recent~~ years 38560  
in which the entity was evaluated shall be evaluated by the 38561  
department once every three years. 38562

(c) (i) Entities that receive an overall rating of 38563  
"ineffective" shall be prohibited from sponsoring any new or 38564  
additional community schools during the time in which the sponsor 38565

is rated as "ineffective" and shall be subject to a quality improvement plan based on correcting the deficiencies that led to the "ineffective" rating, with timelines and benchmarks that have been established by the department.

(ii) Entities that receive an overall rating of "ineffective" on their three most recent ratings shall have all sponsorship authority revoked. Within thirty days after receiving its third rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the state board of education shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(d) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the state board of education shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(8) For the 2014-2015 school year and each school year thereafter, student academic performance prescribed under division (B) (1) (a) of this section shall include student academic

performance data from community schools that primarily serve 38598  
students enrolled in a dropout prevention and recovery program. 38599

(C) If the governing authority of a community school enters 38600  
into a contract with a sponsor prior to the date on which the 38601  
sponsor is prohibited from sponsoring additional schools under 38602  
division (A) of this section and the school has not opened for 38603  
operation as of that date, that contract shall be void and the 38604  
school shall not open until the governing authority secures a new 38605  
sponsor by entering into a contract with the new sponsor under 38606  
section 3314.03 of the Revised Code. However, the department's 38607  
office of Ohio school sponsorship, established under section 38608  
3314.029 of the Revised Code, may assume the sponsorship of the 38609  
school until the earlier of the expiration of two school years or 38610  
until a new sponsor is secured by the school's governing 38611  
authority. A community school sponsored by the department under 38612  
this division shall not be included when calculating the maximum 38613  
number of directly authorized community schools permitted under 38614  
division (A) (3) of section 3314.029 of the Revised Code. 38615

(D) When an entity's authority to sponsor schools is revoked 38616  
pursuant to division ~~(B) (7) (b)~~ (B) (7) (c) or ~~(e) (d)~~ of this section, 38617  
the office of Ohio school sponsorship shall assume sponsorship of 38618  
any schools with which the original sponsor has contracted for the 38619  
remainder of that school year. The office may continue sponsoring 38620  
those schools until the earlier of: 38621

(1) The expiration of two school years from the time that 38622  
sponsorship is revoked; 38623

(2) When a new sponsor is secured by the governing authority 38624  
pursuant to division (C) (1) of section 3314.02 of the Revised 38625  
Code. 38626

Any community school sponsored under this division shall not 38627  
be counted for purposes of directly authorized community schools 38628

under division (A) (3) of section 3314.029 of the Revised Code. 38629

(E) The department shall recalculate the rating for the 38630  
2017-2018 school year for each sponsor of a community school that 38631  
receives recalculated ratings pursuant to division (I) of section 38632  
3314.017 of the Revised Code. 38633

**Sec. 3314.017.** (A) The state board of education shall 38634  
prescribe by rules, adopted in accordance with Chapter 119. of the 38635  
Revised Code, an academic performance rating and report card 38636  
system that satisfies the requirements of this section for 38637  
community schools that primarily serve students enrolled in 38638  
dropout prevention and recovery programs as described in division 38639  
(A) (4) (a) of section 3314.35 of the Revised Code, to be used in 38640  
lieu of the system prescribed under sections 3302.03 and 3314.012 38641  
of the Revised Code beginning with the 2012-2013 school year. Each 38642  
such school shall comply with the testing and reporting 38643  
requirements of the system as prescribed by the state board. 38644

(B) Nothing in this section shall at any time relieve a 38645  
school from its obligations under the "No Child Left Behind Act of 38646  
2001" to make "adequate yearly progress," as both that act and 38647  
that term are defined in section 3302.01 of the Revised Code, or a 38648  
school's amenability to the provisions of section 3302.04 or 38649  
3302.041 of the Revised Code. The department of education shall 38650  
continue to report each school's performance as required by the 38651  
act and to enforce applicable sanctions under section 3302.04 or 38652  
3302.041 of the Revised Code. 38653

(C) The rules adopted by the state board shall prescribe the 38654  
following performance indicators for the rating and report card 38655  
system required by this section: 38656

(1) Graduation rate for each of the following student 38657  
cohorts: 38658

~~this section applies, if only one of the school districts in which~~ 39750  
~~the school is established is a challenged school district, that~~ 39751

(4) A community school may be located in multiple facilities 39763

under the same contract and, notwithstanding division (B) (1) of 39764

territory in the same county where the facilities of the community 39771  
school are located; 39772

(ii) The community school is managed by an operator. 39773

In the case of a community school to which division (B) (4) of 39774  
this section applies and that maintains facilities in more than 39775  
one school district, the school's governing authority shall 39776  
designate one of those districts to be considered the school's 39777  
primary location and the district in which the school is located 39778  
for the purposes of division (A) (19) of section 3314.03 and 39779  
divisions (C) and (H) of section 3314.06 of the Revised Code and 39780  
for all other purposes of this chapter and shall notify the 39781

(C) In the case where a community school is proposed to be 39786  
located in a facility owned by a school district or educational 39787  
service center, the facility may not be used for such community 39788  
school unless the district or service center board owning the 39789  
facility enters into an agreement for the community school to 39790  
utilize the facility. Use of the facility may be under any terms 39791  
and conditions agreed to by the district or service center board 39792

the same facility. 39795

(E) In the case of a community school that is located in 39796  
multiple facilities, beginning July 1, 2012, the department shall 39797  
assign a unique identification number to the school and to each 39798  
facility maintained by the school. Each number shall be used for 39799  
identification purposes only. Nothing in this division shall be 39800  
construed to require the department to calculate the amount of 39801  
funds paid under this chapter, or to compute any data required for 39802  
the report cards issued under section 3314.012 of the Revised 39803  
Code, for each facility separately. The department shall make all 39804  
such calculations or computations for the school as a whole. 39805

(F) (1) In the case of a community school that exists prior to 39806  
the effective date of this amendment to which division (B) (3) of 39807  
this section applies, if only one of the school districts in which 39808  
the school is established was located in a challenged school 39809  
district prior to the effective date of this amendment, that 39810  
district continues to be considered the school's primary location 39811  
and the district in which the school is located for the purposes 39812  
of division (A) (19) of section 3314.03 and divisions (C) and (H) 39813  
of section 3314.06 of the Revised Code and for all other purposes 39814  
of this chapter unless and until the school's governing authority 39815  
designates a different school district as the school's primary 39816  
location in accordance with division (F) (2) of this section. If 39817  
both of the school districts in which the school is established 39818  
were challenged school districts on that date, and the primary 39819  
location was already designated by the school's governing 39820  
authority pursuant to the requirements of this section as it 39821  
existed prior to the effective date of this amendment, that 39822  
designation remains unless and until the school's governing 39823  
authority designates a different primary location. 39824

(2) (a) On and after the effective date of this amendment, 39825

when a new start-up community school is established in two school districts under the same contract, the school's governing authority shall designate one of those districts to be considered the school's primary location and the district in which the school is located for the purposes of division (A)(19) of section 3314.03 and divisions (C) and (H) of section 3314.06 of the Revised Code and for all other purposes of this chapter and shall notify the department of education of that designation.

(b) A community school governing authority that elects to modify a community school's primary location, whether in accordance with division (F)(1) of this section or otherwise, shall notify the department of that modification.

**Sec. 3314.06.** The governing authority of each community school established under this chapter shall adopt admission procedures that specify the following:

(A) That, except as otherwise provided in this section, admission to the school shall be open to any individual age five to twenty-two entitled to attend school pursuant to section 3313.64 or 3313.65 of the Revised Code in a school district in the state.

The school shall receive funds for an individual admitted under that division in the manner provided under section ~~3314.08~~ 3317.022 of the Revised Code.

If the school operates a program that uses the Montessori 39857  
method endorsed by the American Montessori society, the Montessori 39858  
accreditation council for teacher education, or the association 39859  
Montessori internationale as its primary method of instruction, 39860  
admission to the school may be open to individuals younger than 39861  
five years of age. ~~The department of education shall pay the~~ 39862  
~~school an amount equal to the formula amount, as defined in~~ 39863  
~~section 3317.02 of the Revised Code, for each of these students~~ 39864  
~~younger than four years of age. However, but~~ the school shall not 39865  
receive ~~any other~~ funds under ~~this chapter~~ section 3317.022 of the 39866  
Revised Code for those individuals. Notwithstanding anything to 39867  
the contrary in this chapter, individuals younger than five years 39868  
of age who are enrolled in a Montessori program shall be offered 39869  
at least four hundred fifty-five hours of learning opportunities 39870  
per school year. 39871

If the school operates a preschool program that is licensed 39872  
by the department of education under sections 3301.52 to 3301.59 39873  
of the Revised Code, admission to the school may be open to 39874  
individuals who are younger than five years of age, but the school 39875  
shall not receive funds under this chapter for those individuals. 39876

(B) (1) That admission to the school may be limited to 39877  
students who have attained a specific grade level or are within a 39878  
specific age group; to students that meet a definition of 39879  
"at-risk," as defined in the contract; to residents of a specific 39880  
geographic area within the district, as defined in the contract; 39881  
or to separate groups of autistic students and nondisabled 39882  
students, as authorized in section 3314.061 of the Revised Code 39883  
and as defined in the contract. 39884

(2) For purposes of division (B) (1) of this section, 39885  
"at-risk" students may include those students identified as gifted 39886  
students under section 3324.03 of the Revised Code. 39887

(C) Whether enrollment is limited to students who reside in 39888

the district in which the school is located or is open to 39889  
residents of other districts, as provided in the policy adopted 39890  
pursuant to the contract. 39891

(D) (1) That there will be no discrimination in the admission 39892  
of students to the school on the basis of race, creed, color, 39893  
disability, or sex except that: 39894

(a) The governing authority may do either of the following 39895  
for the purpose described in division (G) of this section: 39896

(i) Establish a single-gender school for either sex; 39897

(ii) Establish single-gender schools for each sex under the 39898  
same contract, provided substantially equal facilities and 39899  
learning opportunities are offered for both boys and girls. Such 39900  
facilities and opportunities may be offered for each sex at 39901  
separate locations. 39902

(b) The governing authority may establish a school that 39903  
simultaneously serves a group of students identified as autistic 39904  
and a group of students who are not disabled, as authorized in 39905  
section 3314.061 of the Revised Code. However, unless the total 39906  
capacity established for the school has been filled, no student 39907  
with any disability shall be denied admission on the basis of that 39908  
disability. 39909

(2) That upon admission of any student with a disability, the 39910  
community school will comply with all federal and state laws 39911  
regarding the education of students with disabilities. 39912

(E) That the school may not limit admission to students on 39913  
the basis of intellectual ability, measures of achievement or 39914  
aptitude, or athletic ability, except that a school may limit its 39915  
enrollment to students as described in division (B) of this 39916  
section. 39917

(F) That the community school will admit the number of 39918

students that does not exceed the capacity of the school's 39919  
programs, classes, grade levels, or facilities. 39920

(G) That the purpose of single-gender schools that are 39921  
established shall be to take advantage of the academic benefits 39922  
some students realize from single-gender instruction and 39923  
facilities and to offer students and parents residing in the 39924  
district the option of a single-gender education. 39925

(H) That, except as otherwise provided under division (B) of 39926  
this section or section 3314.061 of the Revised Code, if the 39927  
number of applicants exceeds the capacity restrictions of division 39928  
(F) of this section, students shall be admitted by lot from all 39929  
those submitting applications, except preference shall be given to 39930  
students attending the school the previous year and to students 39931  
who reside in the district in which the school is located. 39932  
Preference may be given to siblings of students attending the 39933  
school the previous year. Preference also may be given to students 39934  
who are the children of full-time staff members employed by the 39935  
school, provided the total number of students receiving this 39936  
preference is less than five per cent of the school's total 39937  
enrollment. 39938

Notwithstanding divisions (A) to (H) of this section, in the 39939  
event the racial composition of the enrollment of the community 39940  
school is violative of a federal desegregation order, the 39941  
community school shall take any and all corrective measures to 39942

conditions are satisfied: 40351

(a) The student possesses or has been provided with all 40352  
required hardware and software materials and all such materials 40353

participating in the learning opportunities specified in the 40355  
contract between the school and the school's sponsor as required 40356  
by division (A) (23) of section 3314.03 of the Revised Code; 40357

the department shall reduce the amounts otherwise payable under 40362  
~~division (C) of this~~ section 3317.022 of the Revised Code to any 40363  
community school that includes in its program the provision of 40364

state shall jointly establish a method for auditing any community 40372  
school to which this division pertains to ensure compliance with 40373  
this section. 40374

jointly make recommendations to the general assembly for 40376  
legislative changes that may be required to assure fiscal and 40377  
academic accountability for such schools. 40378

(K) (1) If the department determines that a review of a 40379  
community school's enrollment is necessary, such review shall be 40380  
completed and written notice of the findings shall be provided to 40381  
the governing authority of the community school and its sponsor 40382

within ninety days of the end of the community school's fiscal 40383

(a) The department and the community school mutually agree to 40386  
the extension. 40387

(b) Delays in data submission caused by either a community 40388  
school or its sponsor. 40389

(2) If the review results in a finding that additional 40390  
funding is owed to the school, such payment shall be made within 40391  
thirty days of the written notice. If the review results in a 40392  
finding that the community school owes moneys to the state, the 40393  
following procedure shall apply: 40394

(a) Within ten business days of the receipt of the notice of 40395

hearing on the matter within thirty days of receipt of such an 40399  
appeal and shall issue a decision within fifteen days of the 40400  
conclusion of the hearing. 40401

(c) If the board has enlisted a designee to conduct the 40402  
hearing, the designee shall certify its decision to the board. The 40403  
board may accept the decision of the designee or may reject the 40404  
decision of the designee and issue its own decision on the matter. 40405

(d) Any decision made by the board under this division is 40406  
final. 40407

(3) If it is decided that the community school owes moneys to 40408  
the state, the department shall deduct such amount from the 40409  
school's future payments in accordance with guidelines issued by 40410  
the superintendent of public instruction. 40411

(L) The department ~~shall not subtract from a school~~ 40412

or more of the assessments required by that section and was not 40422  
excused pursuant to division (C)(1) or (3) of that section, unless 40423  
the superintendent of public instruction grants the student a 40424  
waiver from the requirement to take the assessment and a parent is 40425  
not paying tuition for the student pursuant to section 3314.26 of 40426  
the Revised Code. The superintendent may grant a waiver only for 40427  
good cause in accordance with rules adopted by the state board of 40428  
education. 40429

(4) Any student who has attained the age of twenty-two years, 40430  
except for veterans of the armed services whose attendance was 40431  
interrupted before completing the recognized twelve-year course of 40432  
the public schools by reason of induction or enlistment in the 40433  
armed forces and who apply for enrollment in a community school 40434  
not later than four years after termination of war or their 40435

chapter, including an internet- or computer-based community 40489  
school, may provide career-technical education in the manner 40490  
prescribed by section 3313.90 of the Revised Code. The community 40491

**Sec. 3314.087.** (A) As used in this section: 40498

(1) "Career-technical program" means career-technical 40499

of the Revised Code may be spent. 40545

(B) Except as provided in division (C) of this section, all 40546

3317.014 of the Revised Code to any school that the department 40582  
determines is using funds paid under division (H) of section 40583  
3317.014 of the Revised Code for other purposes. 40584

**Sec. 3314.091.** (A) A school district is not required to 40585

(B)(1) For the school year that begins on July 1, 2007, a 40606

native student enrolled in a community school, if the community 40608  
school during the previous school year transported the students 40609

transportation, even if that arrangement consisted of having 40611  
parents transport their children to and from the school, but did 40612  
not enter into an agreement to transport or arrange for 40613  
transportation for those students under division (A) of this 40614  
section, and if the governing authority of the community school by 40615

previously accepted responsibility for providing or arranging for 40632  
the transportation of a district's native students to and from the 40633  
community school, under division (B) (1) or (2) of this section, 40634  
and has since relinquished that responsibility under division 40635

allow the school district reasonable time to prepare 40648  
transportation for its native students enrolled in the school. 40649

(4) (a) For any school year that begins on or after July 1, 40650  
2014, a school district is not required to provide transportation 40651

transportation of the district's native students to and from the 40658  
community school. 40659

(b) The governing authority of a community school that 40660  
accepts responsibility for transporting its students under 40661  
division (B) (4) (a) of this section shall comply with divisions 40662

student's attendance to comply with the policy. 40981

(D) If an internet- or computer-based community school 40982  
disenrolled a student pursuant to a policy adopted under division 40983

Notwithstanding anything to the contrary in section 3314.26 of the Revised Code, no student enrolled in an internet- or computer-based community school shall be subject to automatic withdrawal who, in any school year prior to the 2020-2021 school year, failed to participate in the spring administration of any assessment prescribed under section 3301.0710 or 3301.0712 of the Revised Code for the student's grade level and was not excused from the assessment pursuant to division (C) (1) or (3) of section 3301.0711 of the Revised Code, regardless of whether a waiver was granted for the student under division (E) of section 3317.03 of the Revised Code. Accordingly, the 2020-2021 school year shall begin a new starting point for automatic withdrawal of students enrolled in internet- or computer-based schools under section 3314.26 of the Revised Code.

~~Sec. 3314.353. each~~ Each year, the department of education shall publish separate lists of the following:

(B) Community schools that are at risk of becoming subject to permanent closure under section 3314.35 or 3314.351 of the Revised

Code if their academic performance, as prescribed in those 41025  
sections, does not improve on the next state report cards issued 41026  
under section 3302.03 or 3314.017 of the Revised Code. 41027

~~(C) All "challenged school districts" in which new start-up 41028  
community schools may be located, as prescribed in section 3314.02 41029  
of the Revised Code. 41030~~

On and after the effective date of this amendment, the 41031  
department of education shall not adopt any rules, enforce any 41032  
procedures or policies, or otherwise restrict the establishment or 41033  
sponsorship of a new start-up community school based upon whether 41034  
the school's proposed location is in a challenged school district. 41035

Sec. 3314.355. No community school shall be subject to 41036  
closure under section 3314.35 or 3314.351 of the Revised Code 41037  
based on any report card issued for that school for the 2019-2020, 41038  
2020-2021, or 2021-2022 school years. Furthermore, the report card 41039

revenues received by the district that would otherwise have been 41050  
deposited in the general fund that is equal to three per cent of 41051  
the ~~formula amount~~ statewide average base cost per pupil for the 41052  
preceding fiscal year, as defined in section 3317.02 of the 41053  
Revised Code, or another percentage if established by the auditor 41054

of state under division (B) of this section, multiplied by the 41055  
district's student population for the preceding fiscal year, 41056  
except that money received from a permanent improvement levy 41057  
authorized by section 5705.21 of the Revised Code may replace 41058  
general revenue moneys in meeting the requirements of this 41059  
section. Money in the fund shall be used solely for acquisition, 41060  
replacement, enhancement, maintenance, or repair of permanent 41061  
improvements, as that term is defined in section 5705.01 of the 41062  
Revised Code. Any money in the fund that is not used in any fiscal 41063  
year shall carry forward to the next fiscal year. 41064

(B) The state superintendent of public instruction and the 41065  
auditor of state jointly shall adopt rules in accordance with 41066  
Chapter 119. of the Revised Code defining what constitutes 41067  
expenditures permitted by division (A) of this section. The 41068  
auditor of state may designate a percentage, other than three per 41069  
cent, of the ~~formula amount~~ statewide average base cost per pupil 41070  
multiplied by the district's student population that must be 41071  
deposited into the fund. 41072

(C) Within its capital and maintenance fund, a school 41073  
district board of education may establish a separate account 41074  
solely for the purpose of depositing funds transferred from the 41075  
district's reserve balance account established under former 41076  
division (H) of section 5705.29 of the Revised Code. After April 41077  
10, 2001, a board may deposit all or part of the funds formerly 41078  
included in such reserve balance account in the separate account 41079  
established under this section. Funds deposited in this separate 41080  
account and interest on such funds shall be utilized solely for 41081  
the purpose of providing the district's portion of the basic 41082  
project costs of any project undertaken in accordance with Chapter 41083  
3318. of the Revised Code. 41084

(D) (1) Notwithstanding division (A) of this section, in any 41085  
year a district is in fiscal emergency status as declared pursuant 41086

to section 3316.03 of the Revised Code, the district may deposit 41087  
an amount less than required by division (A) of this section, or 41088  
make no deposit, into the district capital and maintenance fund 41089  
for that year. 41090

(2) Notwithstanding division (A) of this section, in any 41091  
fiscal year that a school district is either in fiscal watch 41092  
status, as declared pursuant to section 3316.03 of the Revised 41093  
Code, or in fiscal caution status, as declared pursuant to section 41094  
3316.031 of the Revised Code, the district may apply to the 41095  
superintendent of public instruction for a waiver from the 41096  
requirements of division (A) of this section, under which the 41097  
district may be permitted to deposit an amount less than required 41098  
by that division or permitted to make no deposit into the district 41099  
capital and maintenance fund for that year. The superintendent may 41100  
grant a waiver under division (D) (2) of this section if the 41101  
district demonstrates to the satisfaction of the superintendent 41102  
that compliance with division (A) of this section that year will 41103  
create an undue financial hardship on the district. 41104

(3) Notwithstanding division (A) of this section, not more 41105  
often than one fiscal year in every three consecutive fiscal 41106  
years, any school district that does not satisfy the conditions 41107  
for the exemption described in division (D) (1) of this section or 41108  
the conditions to apply for the waiver described in division 41109  
(D) (2) of this section may apply to the superintendent of public 41110  
instruction for a waiver from the requirements of division (A) of 41111  
this section, under which the district may be permitted to deposit 41112  
an amount less than required by that division or permitted to make 41113  
no deposit into the district capital and maintenance fund for that 41114  
year. The superintendent may grant a waiver under division (D) (3) 41115  
of this section if the district demonstrates to the satisfaction 41116  
of the superintendent that compliance with division (A) of this 41117  
section that year will necessitate the reduction or elimination of 41118

a program currently offered by the district that is critical to 41119  
the academic success of students of the district and that no 41120  
reasonable alternatives exist for spending reductions in other 41121  
areas of operation within the district that negate the necessity 41122  
of the reduction or elimination of that program. 41123

(E) Notwithstanding any provision to the contrary in Chapter 41124  
4117. of the Revised Code, the requirements of this section 41125  
prevail over any conflicting provisions of agreements between 41126  
employee organizations and public employers entered into after 41127  
November 21, 1997. 41128

(F) As used in this section, "student population" means the 41129

(3) Students for whom tuition is payable pursuant to sections 41142  
3317.081 and 3323.141 of the Revised Code. 41143

The department of education shall determine a district's 41144  
student population using data reported to it under section 3317.03 41145  
of the Revised Code for the applicable fiscal year. 41146

that fiscal year divided by the district's base cost per pupil for 42267  
that fiscal year is greater than 0.95, then the district's state 42268  
share shall be equal to (the district's base cost per pupil for 42269  
that fiscal year X 0.05 X the district's enrolled ADM for that 42270

districts in the state for that fiscal year under section 3317.011 42291  
of the Revised Code divided by the sum of the base cost enrolled 42292

(C) A community or STEM school's aggregate base cost for a 42385  
fiscal year shall be equal to the following sum: 42386

(The school's teacher base cost for that fiscal year computed 42387

by the community school's governing authority. To qualify for the 44515  
payments, the community school shall report to the department, in 44516  
the form and manner required by the department, data on the number 44517  
of students transported or whose transportation is arranged, the 44518  
number of miles traveled, cost to transport, and any other 44519

(1) The district's or institution's category one special 44537  
education students who are preschool children with disabilities X 44538  
the ~~amount~~ multiple specified in division (A) of section 3317.013 44539  
of the Revised Code X the statewide average base cost per pupil 44540  
for that fiscal year X the district's state share ~~index~~ percentage 44541  
X 0.50; 44542

(2) The district's or institution's category two special 44543

for that fiscal year X the district's state share ~~index~~ percentage 44547  
X 0.50; 44548

(3) The district's or institution's category three special 44549

education students who are preschool children with disabilities X 44550  
the ~~amount~~ multiple specified in division (C) of section 3317.013 44551  
of the Revised Code X the statewide average base cost per pupil 44552  
for that fiscal year X the district's state share ~~index~~ percentage 44553  
X 0.50; 44554

(4) The district's or institution's category four special 44555  
education students who are preschool children with disabilities X 44556  
the ~~amount~~ multiple specified in division (D) of section 3317.013 44557  
of the Revised Code X the statewide average base cost per pupil 44558  
for that fiscal year X the district's state share ~~index~~ percentage 44559

(5) The district's or institution's category five special 44561  
education students who are preschool children with disabilities X 44562  
the ~~amount~~ multiple specified in division (E) of section 3317.013 44563  
of the Revised Code X the statewide average base cost per pupil 44564

additional state aid shall be calculated for each category of 44574  
special education students who are preschool children with 44575  
disabilities using a formula specified by the general assembly. 44576

The special education disability categories for preschool 44577  
children used in this section are the same categories prescribed 44578

students are entitled to attend school, the department shall 44594  
deduct from the district's payment computed under division (A) of 44595  
this section the total amount of those funds that are attributable 44596  
to the students served by the county DD board and pay that amount 44597  
to that board. 44598

**Sec. 3317.0214.** (A) The department shall compute and pay in 44599

student in its categories two through six special education ADM 44603  
exceed the threshold catastrophic cost for serving the student, 44604  
the district may submit to the superintendent of public 44605  
instruction documentation, as prescribed by the superintendent, of 44606  
all its costs for that student. Upon submission of documentation 44607

(2) The product of one-half of the district's costs for the 44613  
student in excess of the threshold catastrophic cost multiplied by 44614  
the district's state share ~~index~~ percentage. 44615

(B) For purposes of division (A) of this section, the 44616  
threshold catastrophic cost for serving a student equals: 44617

44788  
44789  
44790

**Sec. 3326.40.** A STEM school shall spend the funds it receives 48319  
under division ~~(E)~~ (A)(4) of section ~~3326.33~~ 3317.022 of the 48320

**Sec. 3326.51.** (A) As used in this section: 48327

(1) "Resident district" has the same meaning as in section 48328  
3326.31 of the Revised Code. 48329

(2) "STEM school sponsoring district" means a municipal, 48330  
city, local, or exempted village, ~~or joint vocational~~ school 48331  
district that governs and controls a STEM school pursuant to this 48332  
section. 48333

(B) Notwithstanding any other provision of this chapter to 48334  
the contrary: 48335

(1) If a proposal for a STEM school submitted under section 48336  
3326.03 of the Revised Code proposes that the governing body of 48337  
the school be the board of education of a municipal, city, local, 48338  
or exempted village, ~~or joint vocational~~ school district that is 48339  
one of the partners submitting the proposal, and the STEM 48340  
committee approves that proposal, that school district board shall 48341  
govern and control the STEM school as one of the schools of its 48342  
district. 48343

(2) The STEM school sponsoring district shall maintain a 48344

separate accounting for the STEM school as a separate and distinct operational unit within the district's finances. The auditor of state, in the course of an annual or biennial audit of the school district serving as the STEM school sponsoring district, shall audit that school district for compliance with the financing requirements of this section.

(3) With respect to students enrolled in a STEM school whose resident district is the STEM school sponsoring district:

(a) The department of education shall make ~~no deductions under section 3326.33~~ payments to the school in accordance with section 3317.022 of the Revised Code from the STEM school sponsoring district's state payments.

~~(b) The STEM school sponsoring district shall ensure that it allocates to the STEM school funds equal to or exceeding the amount that would be calculated pursuant to division (B) of section 3313.981 of the Revised Code for the students attending the school whose resident district is the STEM school sponsoring district.~~

~~(d)~~(c) The STEM school sponsoring district shall provide student transportation in accordance with laws and policies generally applicable to the district.

(4) With respect to students enrolled in the STEM school whose resident district is another school district, the department shall ~~make no payments or deductions under sections 3326.31 to 3326.49 of the Revised Code. Instead,~~ consider the students ~~shall be considered~~ as open enrollment students and ~~the department~~ shall make payments ~~and deductions~~ to the school in accordance with section ~~3313.981~~ 3317.022 of the Revised Code. ~~The STEM school~~

school. The STEM school sponsoring district may enter into 48377  
financial agreements with the students' resident districts, which 48378  
agreements may provide financial support in addition to the funds 48379  
received from the open enrollment calculation. The STEM school 48380  
sponsoring district shall allocate all such additional funds to 48381  
the STEM school. 48382~~

~~(5) Where the department is required to make, deny, reduce, 48383  
or adjust payments to a STEM school sponsoring district pursuant 48384

~~(6) A STEM school sponsoring district and its board may 48388  
assign its district employees to the STEM school, in which case 48389  
section 3326.18 of the Revised Code shall not apply. The district 48390  
and board may apply any other resources of the district to the 48391  
STEM school in the same manner that it applies district resources 48392  
to other district schools. 48393~~

~~(7)(6) Provisions of this chapter requiring a STEM school and 48394

shall instead require such compliance by the STEM school 48397  
sponsoring district and its board of education, respectively, with 48398

body is required to perform a specific duty or permitted to take a 48400  
specific action under this chapter, that duty is required to be 48401  
performed or that action is permitted to be taken by the STEM 48402  
school sponsoring district or its board of education, 48403

**Sec. 3327.01.** Notwithstanding division (D) of section 3311.19 48414  
and division (D) of section 3311.52 of the Revised Code, this 48415  
section and sections 3327.011, 3327.012, and 3327.02 of the 48416  
Revised Code do not apply to any joint vocational or cooperative 48417  
education school district. 48418

In all city, local, and exempted village school districts 48419  
where resident school pupils in grades kindergarten through eight 48420  
live more than two miles from the school for which the state board 48421  
of education prescribes minimum standards pursuant to division (D) 48422  
of section 3301.07 of the Revised Code and to which they are 48423  
assigned by the board of education of the district of residence or 48424  
to and from the nonpublic or community school which they attend, 48425  
the board of education shall provide transportation for such 48426  
pupils to and from that school except as provided in section 48427

career-technical program. 48438

In all city, local, and exempted village school districts, 48439  
the board may provide transportation for resident school pupils in 48440  
grades nine through twelve to and from the high school to which 48441  
they are assigned by the board of education of the district of 48442  
residence or to and from the nonpublic or community high school 48443  
which they attend for which the state board of education 48444  
prescribes minimum standards pursuant to division (D) of section 48445  
3301.07 of the Revised Code. 48446

A board of education shall not be required to transport 48447  
elementary or high school pupils to and from a nonpublic or 48448  
community school where such transportation would require more than 48449  
thirty minutes of direct travel time as measured by school bus 48450  
from the public school building to which the pupils would be 48451  
assigned if attending the public school designated by the district 48452  
of residence. 48453

Where it is impractical to transport a pupil by school 48454

of the Revised Code. 48457

A board of education shall provide transportation to students 48458  
enrolled in a community school or nonpublic school in accordance 48459  
with this section on each day in which that school is open for 48460

attendance on that day. However, a board of education shall not be 48463  
required to transport elementary or high school pupils to and from 48464  
a nonpublic or community school on Saturday or Sunday, unless a 48465  
board of education and a nonpublic or community school have an 48466  
agreement in place to do so before the first day of July of the 48467  
school year in which the agreement takes effect. 48468

In all city, local, and exempted village school districts, 48469  
the board shall provide transportation for all children who are so 48470

disabled that they are unable to walk to and from the school for 48471  
which the state board of education prescribes minimum standards 48472  
pursuant to division (D) of section 3301.07 of the Revised Code 48473  
and which they attend. In case of dispute whether the child is 48474  
able to walk to and from the school, the health commissioner shall 48475  
be the judge of such ability. In all city, exempted village, and 48476  
local school districts, the board shall provide transportation to 48477  
and from school or special education classes for mentally disabled 48478  
children in accordance with standards adopted by the state board 48479

shall be run on a time schedule that shall be adopted and put in 48482  
force by the board not later than ten days after the beginning of 48483  
the school term. The operator of every school bus or motor van 48484

pick them up not later than thirty minutes after the close of 48491  
their respective schools each day. 48492

The cost of any transportation service authorized by this 48493  
section shall be paid first out of federal funds, if any, 48494  
available for the purpose of pupil transportation, and secondly 48495  
out of state appropriations, in accordance with regulations 48496  
adopted by the state board of education. 48497

No transportation of any pupils shall be provided by any 48498  
board of education to or from any school which in the selection of 48499  
pupils, faculty members, or employees, practices discrimination 48500  
against any person on the grounds of race, color, religion, or 48501  
national origin. 48502

If a school provides the start and end times to the school district after the first day of April but before the first day of July, the district shall attempt to provide a transportation plan to the school by the first day of August of that school year. For any eligible student who enrolls in a community or chartered nonpublic school after the first day of July prior to that school year, a district shall develop a transportation plan, including transportation routes and schedules, for that student within fourteen business days of receiving a request for transportation services from the student's parent or guardian. 48516

pupil accepts the offer of payment in lieu of providing 48642  
transportation, the board or governing authority shall pay the 48643  
parent, guardian, or other person in charge of the pupil an amount 48644  
that shall be not less than ~~the amount determined by the general~~ 48645  
~~assembly as the minimum for payment in lieu of~~ fifty per cent 48646  
~~transportation~~, and not more than the amount determined by the 48647  
department of education as the average cost of pupil 48648  
transportation for the previous school year. Payment may be 48649  
prorated if the time period involved is only a part of the school 48650  
year. 48651

(E) (1) (a) Upon the request of a parent, guardian, or other 48652  
person in charge of the pupil who rejected the payment in lieu of 48653  
transportation, the department shall conduct mediation procedures. 48654  
A parent, guardian, or other person in charge of the pupil may 48655

authorize the nonpublic or community school in which the pupil is 48656  
enrolled to act on the parent's, guardian's, or other person's 48657  
behalf during the mediation proceedings. 48658

(b) If the mediation does not resolve the dispute, the state 48659  
board ~~of education~~ shall conduct a hearing in accordance with 48660  
Chapter 119. of the Revised Code. The state board may approve the 48661  
payment in lieu of transportation or may order the district board 48662  
of education or governing authority to provide transportation. The 48663  
decision of the state board is binding in subsequent years and on 48664  
future parties in interest provided the facts of the determination 48665  
remain comparable. 48666

(2) The school district or governing authority shall provide 48667  
transportation for the pupil from the time the parent, guardian, 48668  
or other person in charge of the pupil requests mediation until 48669  
the matter is resolved under division (E) (1) (a) or (b) of this 48670  
section. 48671

(F) (1) If the department determines that a school district 48672  
board or governing authority has failed or is failing to provide 48673  
transportation as required by division (E) (2) of this section or 48674  
as ordered by the state board under division (E) (1) (b) of this 48675  
section, the department shall order the school district board or 48676  
governing authority to pay to the pupil's parent, guardian, or 48677  
other person in charge of the pupil, an amount equal to ~~the state~~ 48678  
~~average daily cost of transportation as determined by the state~~ 48679  
~~board of education for the previous year~~ fifty per cent of the 48680  
cost of providing transportation as determined by the board or 48681  
governing authority under division (A) (3) of this section, and not 48682  
more than two thousand five hundred dollars. The school district 48683  
board or governing authority shall make payments on a schedule 48684  
ordered by the department. 48685

(2) If the department subsequently finds that a school 48686  
district board is not in compliance with an order issued under 48687

division (F) (1) of this section and the affected pupils are 48688  
enrolled in a nonpublic or community school, the department shall 48689  
deduct the amount that the board is required to pay under that 48690  
order from any pupil transportation payments the department makes 48691  
to the school district board under section 3317.0212 of the 48692  
Revised Code or other provisions of law. The department shall use 48693  
the moneys so deducted to make payments to the nonpublic or 48694  
community school attended by the pupil. The department shall 48695  
continue to make the deductions and payments required under this 48696  
division until the school district board either complies with the 48697  
department's order issued under division (F) (1) of this section or 48698  
begins providing transportation. 48699

(G) A nonpublic or community school that receives payments 48700  
from the department under division (F) (2) of this section shall do 48701  
either of the following: 48702

(1) Disburse the entire amount of the payments to the parent, 48703  
guardian, or other person in charge of the pupil affected by the 48704  
failure of the school district of residence to provide 48705  
transportation; 48706

(2) Use the entire amount of the payments to provide 48707  
acceptable transportation for the affected pupil. 48708

(H) At any time after a parent, guardian, or other person in 48709  
charge of a pupil requests transportation for a pupil, that 48710  
parent, guardian, or other person may authorize the nonpublic or 48711  
community school in which the pupil is enrolled to act on the 48712  
parent's, guardian's, or other person's behalf for purposes of 48713  
this section. 48714

Sec. 3327.021. The department of education shall monitor each 48715  
city, local, or exempted village school district's compliance with 48716  
sections 3327.01 and 3327.016 and division (B) of section 3327.017 48717  
of the Revised Code. If the department determines a consistent or 48718

prolonged period of noncompliance on the part of the school 48719  
district to provide transportation as required under those 48720  
sections, the department shall deduct from the district's payment 48721  
for student transportation under Chapter 3317. of the Revised Code 48722  
the total daily amount of that payment, as computed by the 48723  
department, for each day that the district is not in compliance. 48724

This section does not affect the authority of a school 48725  
district to provide payment in lieu of transportation in 48726  
accordance with section 3327.02 of the Revised Code. 48727

**Sec. 3327.101.** Notwithstanding anything to the contrary in 48728  
this chapter or Chapter 3301-83 of the Administrative Code, the 48729  
department of education shall develop an online bus driver 48730  
training program to satisfy the classroom portion of pre-service 48731  
and annual in-service training for school bus driver 48732  
certification. On-the-bus training for drivers shall continue to 48733  
be completed in person. 48734

**Sec. 3328.24.** A college-preparatory boarding school 48735  
established under this chapter and its board of trustees shall 48736  
comply with sections 102.02, 3301.0710, 3301.0711, 3301.0712, 48737  
3301.0714, 3301.0729, 3301.948, 3313.6013, 3313.6021, 3313.6024, 48738  
3313.6025, ~~3313.6026~~, 3313.617, 3313.618, 3313.6114, 3313.6411, 48739  
3313.668, 3313.669, 3313.6610, 3313.7112, 3313.721, 3313.89, 48740  
3319.073, 3319.077, 3319.078, ~~3319.318~~, 3319.39, 3319.391, 48741  
~~3319.393~~, 3319.46, 3320.01, 3320.02, 3320.03, 3323.251, and 48742  
5502.262, and Chapter 3365. of the Revised Code as if the school 48743  
were a school district and the school's board of trustees were a 48744  
district board of education. 48745

**Sec. 3328.32.** Each child enrolled in a college-preparatory 48746  
boarding school established under this chapter shall be included 48747

in the ~~enrollment~~ formula ADM and total ADM of the district in 48748  
which the child is entitled to attend school ~~and in the district's~~ 48749  
~~category one through six special education enrollment, as~~ 48750  
~~appropriate,~~ as reported under section 3317.03 of the Revised 48751  
Code. 48752

~~The department of education shall count that child in the~~ 48753  
~~district's formula ADM, total ADM, and, as appropriate, category~~ 48754  
~~one through six special education ADM.~~ 48755

**Sec. 3328.34.** (A) For each child enrolled in a 48757  
college-preparatory boarding school, as reported under section 48758  
3328.31 of the Revised Code, the department of education shall pay 48759  
to the school the sum of the amount ~~deducted from a participating~~ 48760  
~~school district's account for that child under section 3328.33 of~~ 48761  
~~the Revised Code~~ eighty-five per cent of the operating expenditure 48762  
per pupil of the city, local, or exempted village school district 48763  
in which the child is entitled to attend school plus the per-pupil 48764  
boarding amount specified in division (B) of this section. 48765

As used in this division, a district's "operating expenditure 48766  
per pupil" is the total amount of state payments and other 48767  
nonfederal revenue spent by the district for operating expenses 48768  
during the previous fiscal year, divided by the district's 48769  
enrolled ADM, as that term is defined in section 3317.02 of the 48770  
Revised Code, for the previous fiscal year. 48771

(B) For the first fiscal year in which a college-preparatory 48772  
boarding school may be established under this chapter, the 48773  
"per-pupil boarding amount" is twenty-five thousand dollars. For 48774  
each fiscal year thereafter, that amount shall be adjusted by the 48775  
rate of inflation, as measured by the consumer price index (all 48776  
urban consumers, all items) prepared by the bureau of labor 48777  
statistics of the United States department of labor, for the 48778

previous twelve-month period. 48779

(C) The state board of education may accept funds from 48780  
federal and state noneducation support services programs for the 48781  
purpose of funding the per pupil boarding amount prescribed in 48782  
division (B) of this section. Notwithstanding any other provision 48783  
of the Revised Code, the state board shall coordinate and 48784  
streamline any noneducation program requirements in order to 48785  
eliminate redundant or conflicting requirements, licensing 48786  
provisions, and oversight by government programs or agencies. The 48787  
applicable regulatory entities shall, to the maximum extent 48788  
possible, use reports and financial audits provided by the auditor 48789  
of state and coordinated by the department of education to 48790  
eliminate or reduce contract and administrative reviews. 48791  
Regulatory entities other than the state board may suggest 48792  
reasonable additional items to be included in such reports and 48793  
financial audits to meet any requirements of federal law. 48794  
Reporting paperwork prepared for the state board shall be shared 48795  
with and accepted by other state and local entities to the maximum 48796  
extent feasible. 48797

(D) (1) Notwithstanding division (A) of this section, if, in 48798  
any fiscal year, a college-preparatory boarding school receives 48799  
federal funds for the purpose of supporting the school's 48800  
operations, the amount of those federal funds shall be deducted 48801  
from the total per-pupil boarding amount for all enrolled students 48802  
paid by the department to the school for that fiscal year, unless 48803  
the school's board of trustees and the department determine 48804  
otherwise in a written agreement. Any portion of the total 48805  
per-pupil boarding amount for all enrolled students remaining 48806  
after the deduction of the federal funds shall be paid by the 48807  
department to the school from state funds appropriated to the 48808  
department. 48809

(2) Notwithstanding division (A) of this section, if, in any 48810

fiscal year, the department receives federal funds for the purpose 48811  
of supporting the operations of a college-preparatory boarding 48812  
school, the department shall use those federal funds, not 48813  
including any portion of those funds designated for 48814  
administration, to pay the school the total per-pupil boarding 48815  
amount for all enrolled students for that fiscal year. Any portion 48816  
of the total per-pupil boarding amount for all enrolled students 48817  
remaining after the use of the federal funds shall be paid by the 48818  
department to the school from state funds appropriated to the 48819  
department. 48820

(3) If any federal funds are used for the purpose prescribed 48821  
in division (D)(1) or (2) of this section, the department shall 48822  
comply with all requirements upon which the acceptance of the 48823  
federal funds is conditioned, including any requirements set forth 48824  
in the funding application submitted by the school or the 48825  
department and, to the extent sufficient funds are appropriated by 48826  
the general assembly, any requirements regarding maintenance of 48827  
effort in expenditures. 48828

**Sec. 3333.049.** (A) Not later than July 1, 2016, the 48829  
chancellor of higher education shall revise the requirements for 48830  
reading endorsement programs offered by institutions of higher 48831  
education to align those requirements with the reading 48832  
competencies adopted by the state board of education under section 48833  
3301.077 of the Revised Code. 48834

(B) Each educator preparation program approved under section 48835  
3333.048 of the Revised Code shall require each candidate for an 48836  
educator license who enters the program in the 2022-2023 academic 48837  
year, or any academic year thereafter, to receive instruction in 48838  
computer science and computational thinking, as applied to student 48839  
learning and classroom instruction, as appropriate for the grade 48840  
level and subject area of the candidate's prospective educator 48841

48882

(4) "Employed in this state" means either of the following: 48883

(a) An individual is employed as a truck driver by an entity that has a valid mailing address in the state. 48884  
48885

(B) The commercial truck driver student aid program is hereby established. Under the program, the chancellor of higher education shall pay to an eligible student who commits to reside in and be employed in this state for a minimum of one year upon completion of a certified commercial driver's license program a combination of a grant and a loan in the amounts prescribed by division (D) of this section to pay for the costs of a certified commercial driver's license program at a certified commercial driver's license school. 48890

funds appropriated by the general assembly for purposes of this 48901  
section and funds received as repayment for loans awarded under 48902  
this section. 48903

The fund shall be used by the chancellor for grants and loans 48904  
made under this section and for expenses of administering the 48905  
program. 48906

(D) (1) The grant amount awarded to an eligible student shall 48907  
equal one-half of the student's remaining state cost of attendance 48908

school. 48912

Except as provided in divisions (D) (2) and (E) of this 48913

student in the same amount. 48915

(2) If, for any academic year, the amounts available for 48916  
support of the program are inadequate to provide grants and loans 48917  
to all eligible students who apply for participation or are 48918  
participating in the program, the chancellor shall proportionately 48919  
reduce the amount of each grant and loan to be awarded for the 48920  
academic year. 48921

(E) The amount of a grant and a loan awarded to an eligible 48922  
student under this section shall be in addition to what the 48923  
eligible student receives under the Ohio college opportunity grant 48924

that section. 48929

(F) (1) Each eligible student who accepts a grant under 48930  
division (B) of this section shall sign a promissory note payable 48931

to the state in the event the student fails to do either of the 48932  
following: 48933

(a) Satisfy the residency and employment requirement under 48934  
that division; 48935

(b) Complete the certified commercial driver's license 48936  
program in which the student was enrolled. 48937

(2) The amount payable under the note shall be the amount of 48938  
the grant accepted by the student plus interest accrued annually 48939  
beginning either one calendar year after the student completes a 48940  
certified commercial driver's license program or immediately after 48941  
the student disenrolls from, or does not complete, a certified 48942  
commercial driver's license program. The chancellor shall 48943  
determine the interest rate and period of repayment under the 48944  
note. 48945

(3) The note shall stipulate that the obligation to make 48946  
payments under the note is canceled once either of the following 48947  
applies to the student: 48948

license program and meets the residency and employment requirement 48950  
under division (B) of this section. 48951

(b) The student dies or becomes totally and permanently 48952  
disabled. 48953

(G) The chancellor shall adopt rules, in accordance with 48954  
Chapter 119. of the Revised Code, necessary for the operation of 48955  
the program, including rules for all of the following: 48956

(1) Terms and conditions for loans under the program; 48957

(2) Requirements for certification of commercial driver's 48958  
license schools; 48959

(3) Additional eligibility criteria that the chancellor 48960  
determines necessary for individuals participating in the program. 48961

Sec. 3333.051. (A) The chancellor of higher education shall 48962  
establish a program under which a community college established 48963  
under Chapter 3354., technical college established under Chapter 48964  
3357., or state community college established under Chapter 3358. 48965  
of the Revised Code may apply to the chancellor for authorization 48966  
to offer applied bachelor's and nursing bachelor's degree 48967  
programs. 48968

The chancellor may approve programs under this section that 48969  
demonstrate all of the following: 48970

(1) Evidence of an agreement between the college and a 48971  
regional business or industry to train students in an in-demand 48972  
field and to employ students upon their successful completion of 48973  
the program; 48974

(2) That the workforce need of the regional business or 48975  
industry is in an in-demand field with long-term sustainability 48976  
based upon data provided by the governor's office of workforce 48977  
transformation; 48978

(3) Supporting data that identifies the specific workforce 48979  
need the program will address; 48980

by a state university or private college or university; 48983

(5) Willingness of an industry partner to offer 48984  
workplace-based learning and employment opportunities to students 48985  
enrolled in the proposed program. 48986

(B) ~~Before approving a program under this section, the~~ 48987  
~~chancellor shall consult with the governor's office of workforce~~ 48988  
~~transformation, the inter-university council of Ohio, the Ohio~~ 48989

collaboration with the management council of the Ohio education 49015

of this state and other states, and shall not carry with it any of 49041  
the legal connotations appurtenant thereto. Rather, except as 49042  
provided in divisions (B), (C), (D), ~~and~~ (F), and (G) of this 49043

residents those who are present in the state primarily for the 49046  
purpose of attending a state-supported or state-assisted 49047  
institution of higher education, and may prescribe presumptive 49048  
rules, rebuttable or conclusive, as to such purpose based upon the 49049  
source or sources of support of the student, residence prior to 49050  
first enrollment, evidence of intention to remain in the state 49051

(B) The rules of the chancellor for determining student 49054

state as of the first day of a term of enrollment in an 49066

the veteran and the spouse or dependent seeking residency status 49069  
have established domicile in this state as of the first day of a 49070

that if the veteran was killed while serving on active military 49072  
duty, has been declared to be missing in action or a prisoner of 49073  
war, or is deceased after discharge, only the spouse or dependent 49074

dependent of the service member while the service member is on 49107  
active duty. In order to qualify under division (D) of this 49108  
section, the rules shall require the student seeking in-state 49109  
tuition rates to live in the state as of the first day of a term 49110  
of enrollment in the state institution of higher education, but 49111  
shall not require the service member or the service member's 49112

in this state or, if the parent or spouse is not the lessee or 49133  
owner of the residence in which the parent or spouse has 49134  
established domicile, a letter from the owner of the residence 49135  
certifying that the parent or spouse resides at that residence. 49136

Residency officers may also evaluate, in accordance with the 49137  
chancellor's rule, requests for immediate residency status from 49138

the county in which the city is located. As part of the study, the 51854  
city shall compare the merger's efficiency and effectiveness with 51855  
that of remaining as a separate health district. 51856

(B) The director of health shall develop criteria to be used 51857  
by the city described in division (A) of this section in 51858

financial assistance to each city described in division (A) of 51863  
this section and shall oversee any efficiency and effectiveness 51864

health district that includes the city for the administration of 51870

(E) If a merger is required by this section, the merger shall 51873

**Sec. 3709.052.** When a majority of the members of the 51897  
legislative authority or a majority of the electors of each city 51898  
constituting a city health district have voted affirmatively, the 51899  
chief executives of the cities affected shall enter into a 51900  
contract for the administration of public health affairs in the 51901  
combined district. Such contract shall state the proportion of 51902  
expenses of the board of health or health department of the 51903  
combined district to be paid by each city. Unless the proposal 51904  
establishing the district as contained in the petition and 51905  
submitted to the electors provides for the board of health of the 51906  
new district, the contract may provide that the administration of 51907  
the combined district be taken over by either the board of health 51908  
or the health department of one of the cities or by a combined 51909  
board of health. If the contract provides for a combined board of 51910  
health, the number of members of the board, their terms of office, 51911  
and the method of appointment, shall be set forth in the contract. 51912  
The contract shall designate the city in which the central office 51913  
of the board of health shall be located. The city treasurer of 51914

such city shall be the custodian of the health funds of the 51915  
combined district. The auditor of such city shall act as the 51916  
auditor of the combined district and shall pay the expenses of the 51917  
health program as approved by the board of health and signed by 51918  
the health commissioner. A copy of such contract shall be filed 51919  
with the director of health. 51920

The service status of any person employed by a city health 51921  
district shall not be affected by the creation of a combined 51922  
district. 51923

**Sec. 3709.06.** If any city constituting a city health district 51924  
fails to establish a board of health under section 3709.05 of the 51925  
Revised Code, the director of health may appoint a health 51926  
commissioner for such city, and fix the commissioner's salary and 51927  
term of office. Such commissioner shall have the same powers and 51928  
perform the duties granted to or imposed upon a board of health of 51929  
a city health district, except that rules, regulations, or orders 51930  
of a general nature, made by the commissioner and required to be 51931  
published, shall be approved by the director. The salary of such 51932  
commissioner and all necessary expenses incurred by the 51933  
commissioner in performing the duties of the board shall be paid 51934  
by and be a valid claim against such city. 51935

**Sec. 3709.07.** Except as provided in section 3709.071 of the 51936  
Revised Code, when it is proposed that one or more city health 51937  
districts unite with a general health district in the formation of 51938  
a single district, the district advisory council of the general 51939  
health district shall meet and vote on the question of union. It 51940  
shall require a majority affirmative vote of the members of the 51941  
district advisory council to carry the question. The legislative 51942  
authority of each city constituting a city health district shall 51943  
likewise vote on the question. A majority voting affirmatively 51944  
shall be required for approval. When the majority of the district 51945

advisory council and the legislative authority have voted 51946  
affirmatively, the chair of the council and the chief executive of 51947  
each city shall enter into a contract for the administration of 51948  
health affairs in the combined district. Such contract shall state 51949  
the proportion of the expenses of the board of health or health 51950  
department of the combined district to be paid by the city or 51951  
cities and by the original general health district. The contract 51952  
may provide that the administration of the combined district shall 51953  
be taken over by either the board of health or health department 51954  
of one of the cities, by the board of health of the general health 51955  
district, or by a combined board of health. Such contract shall 51956  
prescribe the date on which such change of administration shall be 51957  
made. A copy of such contract shall be filed with the director of 51958  
health. 51959

The combined district shall constitute a general health 51960  
district, and the board of health or health department of the 51961  
city, the board of health of the original general health district, 51962  
or the combined board of health, as may be agreed in the contract, 51963  
shall have, within the combined district, all the powers granted 51964  
to, and perform all the duties required of, the board of health of 51965  
a general health district. 51966

The district advisory council of the combined general health 51967  
district shall consist of the members of the district advisory 51968  
council of the original general health district and the chief 51969  
executive of each city constituting a city health district, each 51970  
member having one vote. 51971

If the contract provides that the administration of the 51972  
combined district shall be taken over by a combined board of 51973  
health, rather than the board of health of the original health 51974  
district, the contract shall set forth the number of members of 51975  
such board, their terms of office, and the manner of appointment 51976  
or election of officers. One of the members of such combined board 51977

of health shall be a physician, and one member shall be an 51978  
individual appointed by the health district licensing council, if 51979  
such council is established under section 3709.41 of the Revised 51980  
Code. The contract may also provide for the representation of 51981  
areas by one or more members and shall, in such event, specify the 51982  
territory to be included in each such area. 51983

The appointment of any member of the combined board who is 51984  
designated by the provisions of the contract to represent a city 51985  
shall be made by the chief executive and approved by the 51986  
legislative authority of such city. If a member is designated by 51987  
the contract to represent more than one city, the member shall be 51988  
appointed by majority vote of the chief executives of all cities 51989  
included in any such area. Except for the member appointed by the 51990  
health district licensing council, if such council is established, 51991  
the appointment of all members of the combined board who are 51992  
designated to represent the balance of the district shall be made 51993  
by the district advisory council. 51994

The service status of any person employed by a city or 51995  
general health district shall not be affected by the creation of a 51996  
combined district. 51997

If a hearing is conducted in accordance with this section and 52448  
the director is found to have acted in violation of this section, 52449  
all reasonable expenses incurred by the home as a result of the 52450  
director's action shall be reimbursed to the home by the 52451  
department of health within ninety days after the date that the 52452  
final adjudication order is issued. 52453

(D) If a home fails to comply with an order issued under this 52454  
section, the director shall issue an order imposing a fine of not 52455  
more than one hundred thousand dollars for each instance of 52456  
noncompliance. Any fine imposed shall be reasonably commensurate 52457  
to the harm caused by the home, and the home may request a hearing 52458  
as to the fine's reasonableness in accordance with this section. 52459

(E) All fines collected under this section shall be deposited 52460  
in the state treasury to the credit of the general operations fund 52461  
created by section 3701.83 of the Revised Code. 52462

(F) A home subject to an order or action under this section 52463  
may request a hearing under Chapter 119. of the Revised Code. The 52464  
request must be received by the director within fifteen days after 52465

the notice of the order was mailed. If the home timely requests a hearing, the date set for the hearing shall be within ten days after the home requested the hearing, unless otherwise agreed to by both the director and the home. 52466  
52467  
52468  
52469

An order issued under this section shall remain in effect, unless reversed by the director, until a final adjudication order issued by the director pursuant to this section and Chapter 119. of the Revised Code becomes effective. The director shall issue the final adjudication order not later than thirty days after completion of the hearing. 52470  
52471  
52472  
52473  
52474  
52475

A home may appeal a final adjudication order in accordance with Chapter 119. of the Revised Code. 52476  
52477

Sec. 3727.80. (A) As used in this section, "health benefit plan," "health plan issuer," and "health care services" have the same meanings as in section 3922.01 of the Revised Code. 52478  
52479  
52480

(B) If a patient is admitted to a hospital for inpatient health care services and the hospital is informed at the time of admission that the person is covered by a health benefit plan, the hospital shall notify the health plan issuer of the admission within forty-eight hours of the patient being admitted. 52481

52492  
52493  
52494  
52495

(E) The notice required under divisions (B) and (C) of this section shall be made in writing and may be provided through a secure electronic transmission by the hospital to the health plan issuer or, if written notice is not possible, then the notice shall be made by telephonic communication.

**Sec. 3734.57.** (A) The following fees are hereby levied on the transfer or disposal of solid wastes in this state:

(1) Ninety cents per ton through June 30, ~~2022~~2024, twenty cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste facility management fund created in section 3734.18 of the Revised Code and seventy cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste clean-up fund created in section 3734.28 of the Revised Code;

(2) An additional seventy-five cents per ton through June 30, ~~2022~~2024, the proceeds of which shall be deposited in the state treasury to the credit of the waste management fund created in section 3734.061 of the Revised Code.

(3) An additional two dollars and eighty-five cents per ton through June 30, ~~2022~~2024, the proceeds of which shall be deposited in the state treasury to the credit of the environmental protection fund created in section 3745.015 of the Revised Code;

(4) An additional twenty-five cents per ton through June 30, ~~2022~~2024, the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this

division shall be collected by the owner or operator of the 52526  
transfer facility as a trustee for the state. The amount of fees 52527  
required to be collected under this division at such a transfer 52528  
facility shall equal the total tonnage of solid wastes received at 52529  
the facility multiplied by the fees levied under this division. In 52530  
the case of solid wastes that are not taken to a solid waste 52531  
transfer facility located in this state prior to being transported 52532  
to a solid waste disposal facility, the fees shall be collected by 52533  
the owner or operator of the solid waste disposal facility as a 52534  
trustee for the state. The amount of fees required to be collected 52535  
under this division at such a disposal facility shall equal the 52536  
total tonnage of solid wastes received at the facility that was 52537  
not previously taken to a solid waste transfer facility located in 52538  
this state multiplied by the fees levied under this division. Fees 52539  
levied under this division do not apply to materials separated 52540  
from a mixed waste stream for recycling by a generator or 52541  
materials removed from the solid waste stream through recycling, 52542  
as "recycling" is defined in rules adopted under section 3734.02 52543  
of the Revised Code. 52544

The owner or operator of a solid waste transfer facility or 52545  
disposal facility, as applicable, shall prepare and file with the 52546  
director of environmental protection each month a return 52547  
indicating the total tonnage of solid wastes received at the 52548  
facility during that month and the total amount of the fees 52549  
required to be collected under this division during that month. In 52550  
addition, the owner or operator of a solid waste disposal facility 52551  
shall indicate on the return the total tonnage of solid wastes 52552  
received from transfer facilities located in this state during 52553  
that month for which the fees were required to be collected by the 52554  
transfer facilities. The monthly returns shall be filed on a form 52555  
prescribed by the director. Not later than thirty days after the 52556  
last day of the month to which a return applies, the owner or 52557  
operator shall mail to the director the return for that month 52558

together with the fees required to be collected under this 52559  
division during that month as indicated on the return or may 52560  
submit the return and fees electronically in a manner approved by 52561  
the director. If the return is filed and the amount of the fees 52562  
due is paid in a timely manner as required in this division, the 52563  
owner or operator may retain a discount of three-fourths of one 52564  
per cent of the total amount of the fees that are required to be 52565  
paid as indicated on the return. 52566

The owner or operator may request an extension of not more 52567  
than thirty days for filing the return and remitting the fees, 52568  
provided that the owner or operator has submitted such a request 52569  
in writing to the director together with a detailed description of 52570  
why the extension is requested, the director has received the 52571  
request not later than the day on which the return is required to 52572  
be filed, and the director has approved the request. If the fees 52573  
are not remitted within thirty days after the last day of the 52574  
month to which the return applies or are not remitted by the last 52575  
day of an extension approved by the director, the owner or 52576  
operator shall not retain the three-fourths of one per cent 52577  
discount and shall pay an additional ten per cent of the amount of 52578  
the fees for each month that they are late. For purposes of 52579  
calculating the late fee, the first month in which fees are late 52580  
begins on the first day after the deadline has passed for timely 52581  
submitting the return and fees, and one additional month shall be 52582  
counted every thirty days thereafter. 52583

The owner or operator of a solid waste facility may request a 52584  
refund or credit of fees levied under this division and remitted 52585  
to the director that have not been paid to the owner or operator. 52586  
Such a request shall be made only if the fees have not been 52587  
collected by the owner or operator, have become a debt that has 52588  
become worthless or uncollectable for a period of six months or 52589  
more, and may be claimed as a deduction, including a deduction 52590

claimed if the owner or operator keeps accounts on an accrual 52591  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 52592  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 52593  
making a request for a refund or credit, an owner or operator 52594  
shall make reasonable efforts to collect the applicable fees. A 52595  
request for a refund or credit shall not include any costs 52596  
resulting from those efforts to collect unpaid fees. 52597

A request for a refund or credit of fees shall be made in 52598  
writing, on a form prescribed by the director, and shall be 52599  
supported by evidence that may be required in rules adopted by the 52600  
director under this chapter. After reviewing the request, and if 52601  
the request and evidence submitted with the request indicate that 52602  
a refund or credit is warranted, the director shall grant a refund 52603  
to the owner or operator or shall permit a credit to be taken by 52604  
the owner or operator on a subsequent monthly return submitted by 52605  
the owner or operator. The amount of a refund or credit shall not 52606  
exceed an amount that is equal to ninety days' worth of fees owed 52607  
to an owner or operator by a particular debtor of the owner or 52608  
operator. A refund or credit shall not be granted by the director 52609  
to an owner or operator more than once in any twelve-month period 52610  
for fees owed to the owner or operator by a particular debtor. 52611

If, after receiving a refund or credit from the director, an 52612  
owner or operator receives payment of all or part of the fees, the 52613  
owner or operator shall remit the fees with the next monthly 52614  
return submitted to the director together with a written 52615  
explanation of the reason for the submittal. 52616

For purposes of computing the fees levied under this division 52617  
or division (B) of this section, any solid waste transfer or 52618  
disposal facility that does not use scales as a means of 52619  
determining gate receipts shall use a conversion factor of three 52620  
cubic yards per ton of solid waste or one cubic yard per ton for 52621  
baled waste, as applicable. 52622

The fees levied under this division and divisions (B) and (C) 52623  
of this section are in addition to all other applicable fees and 52624  
taxes and shall be paid by the customer or a political subdivision 52625  
to the owner or operator of a solid waste transfer or disposal 52626  
facility. In the alternative, the fees shall be paid by a customer 52627  
or political subdivision to a transporter of waste who 52628  
subsequently transfers the fees to the owner or operator of such a 52629  
facility. The fees shall be paid notwithstanding the existence of 52630  
any provision in a contract that the customer or a political 52631  
subdivision may have with the owner or operator or with a 52632  
transporter of waste to the facility that would not require or 52633  
allow such payment regardless of whether the contract was entered 52634  
prior to or after October 16, 2009. For those purposes, "customer" 52635  
means a person who contracts with, or utilizes the solid waste 52636  
services of, the owner or operator of a solid waste transfer or 52637  
disposal facility or a transporter of solid waste to such a 52638  
facility. 52639

(B) For the purposes specified in division (G) of this 52640  
section, the solid waste management policy committee of a county 52641  
or joint solid waste management district may levy fees upon the 52642  
following activities: 52643

(1) The disposal at a solid waste disposal facility located 52644  
in the district of solid wastes generated within the district; 52645

(2) The disposal at a solid waste disposal facility within 52646  
the district of solid wastes generated outside the boundaries of 52647  
the district, but inside this state; 52648

(3) The disposal at a solid waste disposal facility within 52649  
the district of solid wastes generated outside the boundaries of 52650  
this state. 52651

The solid waste management plan of the county or joint 52652  
district approved under section 3734.521 or 3734.55 of the Revised 52653

Code and any amendments to it, or the resolution adopted under 52654  
this division, as appropriate, shall establish the rates of the 52655  
fees levied under divisions (B)(1), (2), and (3) of this section, 52656  
if any, and shall specify whether the fees are levied on the basis 52657  
of tons or cubic yards as the unit of measurement. A solid waste 52658  
management district that levies fees under this division on the 52659  
basis of cubic yards shall do so in accordance with division (A) 52660  
of this section. 52661

The fee levied under division (B)(1) of this section shall be 52662  
not less than one dollar per ton nor more than two dollars per 52663  
ton, the fee levied under division (B)(2) of this section shall be 52664  
not less than two dollars per ton nor more than four dollars per 52665  
ton, and the fee levied under division (B)(3) of this section 52666  
shall be not more than the fee levied under division (B)(1) of 52667  
this section. 52668

Prior to the approval of the solid waste management plan of a 52669  
district under section 3734.55 of the Revised Code, the solid 52670  
waste management policy committee of a district may levy fees 52671  
under this division by adopting a resolution establishing the 52672  
proposed amount of the fees. Upon adopting the resolution, the 52673  
committee shall deliver a copy of the resolution to the board of 52674  
county commissioners of each county forming the district and to 52675  
the legislative authority of each municipal corporation and 52676  
township under the jurisdiction of the district and shall prepare 52677  
and publish the resolution and a notice of the time and location 52678  
where a public hearing on the fees will be held. Upon adopting the 52679  
resolution, the committee shall deliver written notice of the 52680  
adoption of the resolution; of the amount of the proposed fees; 52681  
and of the date, time, and location of the public hearing to the 52682  
director and to the fifty industrial, commercial, or institutional 52683  
generators of solid wastes within the district that generate the 52684  
largest quantities of solid wastes, as determined by the 52685

committee, and to their local trade associations. The committee 52686  
shall make good faith efforts to identify those generators within 52687  
the district and their local trade associations, but the 52688  
nonprovision of notice under this division to a particular 52689  
generator or local trade association does not invalidate the 52690  
proceedings under this division. The publication shall occur at 52691  
least thirty days before the hearing. After the hearing, the 52692  
committee may make such revisions to the proposed fees as it 52693  
considers appropriate and thereafter, by resolution, shall adopt 52694  
the revised fee schedule. Upon adopting the revised fee schedule, 52695  
the committee shall deliver a copy of the resolution doing so to 52696  
the board of county commissioners of each county forming the 52697  
district and to the legislative authority of each municipal 52698  
corporation and township under the jurisdiction of the district. 52699  
Within sixty days after the delivery of a copy of the resolution 52700  
adopting the proposed revised fees by the policy committee, each 52701  
such board and legislative authority, by ordinance or resolution, 52702  
shall approve or disapprove the revised fees and deliver a copy of 52703  
the ordinance or resolution to the committee. If any such board or 52704  
legislative authority fails to adopt and deliver to the policy 52705  
committee an ordinance or resolution approving or disapproving the 52706  
revised fees within sixty days after the policy committee 52707  
delivered its resolution adopting the proposed revised fees, it 52708  
shall be conclusively presumed that the board or legislative 52709  
authority has approved the proposed revised fees. The committee 52710  
shall determine if the resolution has been ratified in the same 52711  
manner in which it determines if a draft solid waste management 52712  
plan has been ratified under division (B) of section 3734.55 of 52713  
the Revised Code. 52714

The committee may amend the schedule of fees levied pursuant 52715  
to a resolution adopted and ratified under this division by 52716  
adopting a resolution establishing the proposed amount of the 52717  
amended fees. The committee may repeal the fees levied pursuant to 52718

such a resolution by adopting a resolution proposing to repeal 52719  
them. Upon adopting such a resolution, the committee shall proceed 52720  
to obtain ratification of the resolution in accordance with this 52721  
division. 52722

Not later than fourteen days after declaring the new fees to 52723  
be ratified or the fees to be repealed under this division, the 52724  
committee shall notify by certified mail the owner or operator of 52725  
each solid waste disposal facility that is required to collect the 52726  
fees of the ratification and the amount of the fees or of the 52727  
repeal of the fees. Collection of any fees shall commence or 52728  
collection of repealed fees shall cease on the first day of the 52729  
second month following the month in which notification is sent to 52730  
the owner or operator. 52731

Fees levied under this division also may be established, 52732  
amended, or repealed by a solid waste management policy committee 52733  
through the adoption of a new district solid waste management 52734  
plan, the adoption of an amended plan, or the amendment of the 52735  
plan or amended plan in accordance with sections 3734.55 and 52736  
3734.56 of the Revised Code or the adoption or amendment of a 52737  
district plan in connection with a change in district composition 52738  
under section 3734.521 of the Revised Code. 52739

Not later than fourteen days after the director issues an 52740  
order approving a district's solid waste management plan, amended 52741  
plan, or amendment to a plan or amended plan that establishes, 52742  
amends, or repeals a schedule of fees levied by the district, the 52743  
committee shall notify by certified mail the owner or operator of 52744  
each solid waste disposal facility that is required to collect the 52745  
fees of the approval of the plan or amended plan, or the amendment 52746  
to the plan, as appropriate, and the amount of the fees, if any. 52747  
In the case of an initial or amended plan approved under section 52748  
3734.521 of the Revised Code in connection with a change in 52749  
district composition, other than one involving the withdrawal of a 52750

county from a joint district, the committee, within fourteen days 52751  
after the change takes effect pursuant to division (G) of that 52752  
section, shall notify by certified mail the owner or operator of 52753  
each solid waste disposal facility that is required to collect the 52754  
fees that the change has taken effect and of the amount of the 52755  
fees, if any. Collection of any fees shall commence or collection 52756  
of repealed fees shall cease on the first day of the second month 52757  
following the month in which notification is sent to the owner or 52758  
operator. 52759

If, in the case of a change in district composition involving 52760  
the withdrawal of a county from a joint district, the director 52761  
completes the actions required under division (G)(1) or (3) of 52762  
section 3734.521 of the Revised Code, as appropriate, forty-five 52763  
days or more before the beginning of a calendar year, the policy 52764  
committee of each of the districts resulting from the change that 52765  
obtained the director's approval of an initial or amended plan in 52766  
connection with the change, within fourteen days after the 52767  
director's completion of the required actions, shall notify by 52768  
certified mail the owner or operator of each solid waste disposal 52769  
facility that is required to collect the district's fees that the 52770  
change is to take effect on the first day of January immediately 52771  
following the issuance of the notice and of the amount of the fees 52772  
or amended fees levied under divisions (B)(1) to (3) of this 52773  
section pursuant to the district's initial or amended plan as so 52774  
approved or, if appropriate, the repeal of the district's fees by 52775  
that initial or amended plan. Collection of any fees set forth in 52776  
such a plan or amended plan shall commence on the first day of 52777  
January immediately following the issuance of the notice. If such 52778  
an initial or amended plan repeals a schedule of fees, collection 52779  
of the fees shall cease on that first day of January. 52780

If, in the case of a change in district composition involving 52781  
the withdrawal of a county from a joint district, the director 52782

completes the actions required under division (G) (1) or (3) of 52783  
section 3734.521 of the Revised Code, as appropriate, less than 52784  
forty-five days before the beginning of a calendar year, the 52785  
director, on behalf of each of the districts resulting from the 52786  
change that obtained the director's approval of an initial or 52787  
amended plan in connection with the change proceedings, shall 52788  
notify by certified mail the owner or operator of each solid waste 52789  
disposal facility that is required to collect the district's fees 52790  
that the change is to take effect on the first day of January 52791  
immediately following the mailing of the notice and of the amount 52792  
of the fees or amended fees levied under divisions (B) (1) to (3) 52793  
of this section pursuant to the district's initial or amended plan 52794  
as so approved or, if appropriate, the repeal of the district's 52795  
fees by that initial or amended plan. Collection of any fees set 52796  
forth in such a plan or amended plan shall commence on the first 52797  
day of the second month following the month in which notification 52798  
is sent to the owner or operator. If such an initial or amended 52799  
plan repeals a schedule of fees, collection of the fees shall 52800  
cease on the first day of the second month following the month in 52801  
which notification is sent to the owner or operator. 52802

If the schedule of fees that a solid waste management 52803  
district is levying under divisions (B) (1) to (3) of this section 52804  
is amended or repealed, the fees in effect immediately prior to 52805  
the amendment or repeal shall continue to be collected until 52806  
collection of the amended fees commences or collection of the 52807  
repealed fees ceases, as applicable, as specified in this 52808  
division. In the case of a change in district composition, money 52809  
so received from the collection of the fees of the former 52810  
districts shall be divided among the resulting districts in 52811  
accordance with division (B) of section 343.012 of the Revised 52812  
Code and the agreements entered into under division (B) of section 52813  
343.01 of the Revised Code to establish the former and resulting 52814  
districts and any amendments to those agreements. 52815

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the

fee by the ordinance or resolution, and the director of 52848  
environmental protection. Although the fees levied under this 52849  
division are levied on the basis of tons as the unit of 52850  
measurement, the legislative authority, in its ordinance or 52851  
resolution levying the fees under this division, may direct that 52852  
the fees be levied on the basis of cubic yards as the unit of 52853  
measurement based upon a conversion factor of three cubic yards 52854  
per ton generally or one cubic yard per ton for baled wastes. 52855

Not later than five days after enacting an ordinance or 52856  
adopting a resolution under this division, the legislative 52857  
authority shall so notify by certified mail the owner or operator 52858  
of each solid waste disposal facility that is required to collect 52859  
the fee. Collection of any fee levied on or after March 24, 1992, 52860  
shall commence on the first day of the second month following the 52861  
month in which notification is sent to the owner or operator. 52862

(D) (1) The fees levied under divisions (A), (B), and (C) of 52863  
this section do not apply to the disposal of solid wastes that: 52864

(a) Are disposed of at a facility owned by the generator of 52865  
the wastes when the solid waste facility exclusively disposes of 52866  
solid wastes generated at one or more premises owned by the 52867  
generator regardless of whether the facility is located on a 52868  
premises where the wastes are generated; 52869

(b) Are generated from the combustion of coal, or from the 52870  
combustion of primarily coal, regardless of whether the disposal 52871  
facility is located on the premises where the wastes are 52872  
generated; 52873

(c) Are asbestos or asbestos-containing materials or products 52874  
disposed of at a construction and demolition debris facility that 52875  
is licensed under Chapter 3714. of the Revised Code or at a solid 52876  
waste facility that is licensed under this chapter. 52877

(2) Except as provided in section 3734.571 of the Revised 52878

Code, any fees levied under division (B) (1) of this section apply 52879  
to solid wastes originating outside the boundaries of a county or 52880  
joint district that are covered by an agreement for the joint use 52881  
of solid waste facilities entered into under section 343.02 of the 52882  
Revised Code by the board of county commissioners or board of 52883  
directors of the county or joint district where the wastes are 52884  
generated and disposed of. 52885

(3) When solid wastes, other than solid wastes that consist 52886  
of scrap tires, are burned in a disposal facility that is an 52887  
incinerator or energy recovery facility, the fees levied under 52888  
divisions (A), (B), and (C) of this section shall be levied upon 52889  
the disposal of the fly ash and bottom ash remaining after burning 52890  
of the solid wastes and shall be collected by the owner or 52891  
operator of the sanitary landfill where the ash is disposed of. 52892

(4) When solid wastes are delivered to a solid waste transfer 52893  
facility, the fees levied under divisions (B) and (C) of this 52894  
section shall be levied upon the disposal of solid wastes 52895  
transported off the premises of the transfer facility for disposal 52896  
and shall be collected by the owner or operator of the solid waste 52897  
disposal facility where the wastes are disposed of. 52898

(5) The fees levied under divisions (A), (B), and (C) of this 52899  
section do not apply to sewage sludge that is generated by a waste 52900  
water treatment facility holding a national pollutant discharge 52901  
elimination system permit and that is disposed of through 52902  
incineration, land application, or composting or at another 52903  
resource recovery or disposal facility that is not a landfill. 52904

(6) The fees levied under divisions (A), (B), and (C) of this 52905  
section do not apply to solid wastes delivered to a solid waste 52906  
composting facility for processing. When any unprocessed solid 52907  
waste or compost product is transported off the premises of a 52908  
composting facility and disposed of at a landfill, the fees levied 52909  
under divisions (A), (B), and (C) of this section shall be 52910

collected by the owner or operator of the landfill where the 52911  
unprocessed waste or compost product is disposed of. 52912

(7) When solid wastes that consist of scrap tires are 52913  
processed at a scrap tire recovery facility, the fees levied under 52914  
divisions (A), (B), and (C) of this section shall be levied upon 52915  
the disposal of the fly ash and bottom ash or other solid wastes 52916  
remaining after the processing of the scrap tires and shall be 52917  
collected by the owner or operator of the solid waste disposal 52918  
facility where the ash or other solid wastes are disposed of. 52919

(8) The director of environmental protection may issue an 52920  
order exempting from the fees levied under this section solid 52921  
wastes, including, but not limited to, scrap tires, that are 52922  
generated, transferred, or disposed of as a result of a contract 52923  
providing for the expenditure of public funds entered into by the 52924  
administrator or regional administrator of the United States 52925  
environmental protection agency, the director of environmental 52926  
protection, or the director of administrative services on behalf 52927  
of the director of environmental protection for the purpose of 52928  
remediating conditions at a hazardous waste facility, solid waste 52929  
facility, or other location at which the administrator or regional 52930  
administrator or the director of environmental protection has 52931  
reason to believe that there is a substantial threat to public 52932  
health or safety or the environment or that the conditions are 52933  
causing or contributing to air or water pollution or soil 52934  
contamination. An order issued by the director of environmental 52935  
protection under division (D)(8) of this section shall include a 52936  
determination that the amount of the fees not received by a solid 52937  
waste management district as a result of the order will not 52938  
adversely impact the implementation and financing of the 52939  
district's approved solid waste management plan and any approved 52940  
amendments to the plan. Such an order is a final action of the 52941  
director of environmental protection. 52942

(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of

that regional authority under division (E) of this section shall 52975  
be kept by the board in a separate and distinct fund to the credit 52976  
of the district. Moneys in the special fund of the county or joint 52977  
district arising from the fees levied under division (B) of this 52978  
section and the fee levied under division (A) of section 3734.573 52979  
of the Revised Code shall be expended by the board of county 52980  
commissioners or directors of the district in accordance with the 52981

(3) Providing financial assistance to boards of health within 52994

or issued under it, other than the hazardous waste provisions of 52998  
this chapter and rules adopted and orders and terms and conditions 52999  
of permits issued under those provisions; 53000

(4) Providing financial assistance to each county within the 53001  
district to defray the added costs of maintaining roads and other 53002  
public facilities and of providing emergency and other public 53003

waste facility within the county under the district's approved 53005  
solid waste management plan or amended plan; 53006

(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities; 53007

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services 53031  
53032  
53033  
53034  
53035  
53036  
53037

to the district pursuant to a contract or agreement with the board 53039  
of county commissioners or directors of the district; 53040

(10) Payment of any expenses that are agreed to, awarded, or 53041  
ordered to be paid under section 3734.35 of the Revised Code and 53042  
of any administrative costs incurred pursuant to that section. In 53043  
the case of a joint solid waste management district, if the board 53044  
of county commissioners of one of the counties in the district is 53045  
negotiating on behalf of affected communities, as defined in that 53046  
section, in that county, the board shall obtain the approval of 53047  
the board of directors of the district in order to expend moneys 53048  
for administrative costs incurred. 53049

Prior to the approval of the district's solid waste 53050  
management plan under section 3734.55 of the Revised Code, moneys 53051  
in the special fund of the district arising from the fees shall be 53052  
expended for those purposes in the manner prescribed by the solid 53053  
waste management policy committee by resolution. 53054

Notwithstanding division (G)(6) of this section as it existed 53055  
prior to October 29, 1993, or any provision in a district's solid 53056  
waste management plan prepared in accordance with division 53057  
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 53058  
prior to that date, any moneys arising from the fees levied under 53059  
division (B)(3) of this section prior to January 1, 1994, may be 53060  
expended for any of the purposes authorized in divisions (G)(1) to 53061  
(10) of this section. 53062

(H) The director shall adopt rules in accordance with Chapter 53063  
119. of the Revised Code prescribing procedures for collecting and 53064  
forwarding the fees levied under divisions (B) and (C) of this 53065  
section to the boards of county commissioners or directors of 53066  
county or joint solid waste management districts and to the 53067  
treasurers or other officers of municipal corporations and the 53068  
fiscal officers of townships. The rules also shall prescribe the 53069  
dates for forwarding the fees to the boards and officials and may 53070

prescribe any other requirements the director considers necessary 53071  
or appropriate to implement and administer divisions (A), (B), and 53072  
(C) of this section. 53073

**Sec. 3734.85.** (A) On and after the effective date of the 53074  
rules adopted under sections 3734.70, 3734.71, 3734.72, and 53075  
3734.73 of the Revised Code, the director of environmental 53076  
protection may take action under this section to abate 53077  
accumulations of scrap tires. If the director determines that an 53078  
accumulation of scrap tires constitutes a danger to the public 53079  
health or safety or to the environment, the director shall issue 53080  
an order under section 3734.13 of the Revised Code to the person 53081  
responsible for the accumulation of scrap tires directing that 53082  
person, within one hundred twenty days after the issuance of the 53083  
order, to remove the accumulation of scrap tires from the premises 53084  
on which it is located and transport the tires to a scrap tire 53085  
storage, monocell, monofill, or recovery facility licensed under 53086  
section 3734.81 of the Revised Code, to such a facility in another 53087  
state operating in compliance with the laws of the state in which 53088  
it is located, or to any other solid waste disposal facility in 53089  
another state that is operating in compliance with the laws of 53090  
that state. If the person responsible for causing the accumulation 53091  
of scrap tires is a person different from the owner of the land on 53092  
which the accumulation is located, the director may issue such an 53093  
order to the landowner. 53094

If the director is unable to ascertain immediately the 53095  
identity of the person responsible for causing the accumulation of 53096  
scrap tires, the director shall examine the records of the 53097  
applicable board of health and law enforcement agencies to 53098  
ascertain that person's identity. Before initiating any 53099  
enforcement or removal actions under this division against the 53100  
owner of the land on which the accumulation is located, the 53101  
director shall initiate any such actions against the person that 53102

the director has identified as responsible for causing the 53103  
accumulation of scrap tires. Failure of the director to make 53104  
diligent efforts to ascertain the identity of the person 53105  
responsible for causing the accumulation of scrap tires or to 53106  
initiate an action against the person responsible for causing the 53107  
accumulation shall not constitute an affirmative defense by a 53108  
landowner to an enforcement action initiated by the director under 53109  
this division requiring immediate removal of any accumulation of 53110  
scrap tires. 53111

Upon the written request of the recipient of an order issued 53112  
under this division, the director may extend the time for 53113  
compliance with the order if the request demonstrates that the 53114  
recipient has acted in good faith to comply with the order. If the 53115  
recipient of an order issued under this division fails to comply 53116  
with the order within one hundred twenty days after the issuance 53117  
of the order or, if the time for compliance with the order was so 53118  
extended, within that time, the director shall take such actions 53119  
as the director considers reasonable and necessary to remove and 53120  
properly manage the scrap tires located on the land named in the 53121  
order. The director, through employees of the environmental 53122  
protection agency or a contractor, may enter upon the land on 53123  
which the accumulation of scrap tires is located and remove and 53124  
transport them to a scrap tire recovery facility for processing, 53125  
to a scrap tire storage facility for storage, or to a scrap tire 53126  
monocell or monofill facility for storage or disposal. 53127

The director shall enter into contracts for the storage, 53128  
disposal, or processing of scrap tires removed through removal 53129  
operations conducted under this section. 53130

If a person to whom a removal order is issued under this 53131  
division fails to comply with the order and if the director 53132  
performs a removal action under this section, the person to whom 53133  
the removal order is issued is liable to the director for the 53134

costs incurred by the director for conducting the removal 53135  
operation, storage at a scrap tire storage facility, storage or 53136  
disposal at a scrap tire monocell or monofill facility, or 53137  
processing of the scrap tires so removed, the transportation of 53138  
the scrap tires from the site of the accumulation to the scrap 53139  
tire storage, monocell, monofill, or recovery facility where the 53140  
scrap tires were stored, disposed of, or processed, and the 53141  
administrative and legal expenses incurred by the director in 53142  
connection with the removal operation. The director shall keep an 53143  
itemized record of those costs. Upon completion of the actions for 53144  
which the costs were incurred, the director shall record the costs 53145  
at the office of the county recorder of the county in which the 53146  
accumulation of scrap tires was located. The costs so recorded 53147  
constitute a lien on the property on which the accumulation of 53148  
scrap tires was located until discharged. Upon the written request 53149  
of the director, the attorney general shall bring a civil action 53150  
against the person responsible for the accumulation of the scrap 53151  
tires that were the subject of the removal operation to recover 53152  
the costs for which the person is liable under this division. Any 53153  
money so received or recovered shall be credited to the scrap tire 53154  
management fund created in section 3734.82 of the Revised Code. 53155

If, in a civil action brought under this division, an owner 53156  
of real property is ordered to pay to the director the costs of a 53157  
removal action that removed an accumulation of scrap tires from 53158  
the person's land or if a lien is placed on the person's land for 53159  
the costs of such a removal action, and, in either case, if the 53160  
landowner was not the person responsible for causing the 53161  
accumulation of scrap tires so removed, the landowner may bring a 53162  
civil action against the person who was responsible for causing 53163  
the accumulation to recover the amount of the removal costs that 53164  
the court ordered the landowner to pay to the director or the 53165  
amount of the removal costs certified to the county recorder as a 53166  
lien on the landowner's property, whichever is applicable. If the 53167

landowner prevails in the civil action against the person who was 53168  
responsible for causing the accumulation of scrap tires, the 53169  
court, as it considers appropriate, may award to the landowner the 53170  
reasonable attorney's fees incurred by the landowner for bringing 53171  
the action, court costs, and other reasonable expenses incurred by 53172  
the landowner in connection with the civil action. A landowner 53173  
shall bring such a civil action within two years after making the 53174  
final payment of the removal costs to the director pursuant to the 53175  
judgment rendered against the landowner in the civil action 53176  
brought under this division upon the director's request or within 53177  
two years after the director certified the costs of the removal 53178  
action to the county recorder, as appropriate. A person who, at 53179  
the time that a removal action was conducted under this division, 53180  
owned the land on which the removal action was performed may bring 53181  
an action under this division to recover the costs of the removal 53182  
action from the person responsible for causing the accumulation of 53183  
scrap tires so removed regardless of whether the person owns the 53184  
land at the time of bringing the action. 53185

Subject to the limitations set forth in division (G) of 53186  
section 3734.82 of the Revised Code, the director may use moneys 53187  
in the scrap tire management fund for conducting removal actions 53188  
under this division. Any moneys recovered under this division 53189  
shall be credited to the scrap tire management fund. 53190

(B) The director shall initiate enforcement and removal 53191  
actions under division (A) of this section in accordance with the 53192  
following descending listing of priorities: 53193

(1) Accumulations of scrap tires that the director finds 53194  
constitute a fire hazard or threat to public health; 53195

(2) Accumulations of scrap tires determined by the director 53196  
to contain more than one million scrap tires; 53197

(3) Accumulations of scrap tires in densely populated areas; 53198

(4) Other accumulations of scrap tires that the director or board of health of the health district in which the accumulation is located determines constitute a public nuisance; 53199  
53200  
53201

(5) Any other accumulations of scrap tires present on premises operating without a valid license issued under section 3734.05 or 3734.81 of the Revised Code. 53202  
53203  
53204

(C) The director shall not take enforcement and removal actions under division (A) of this section against the owner or operator of, or the owner of the land on which is located, any of the following: 53205  
53206  
53207  
53208

(1) A premises where not more than one hundred scrap tires are present at any time; 53209  
53210

(2) The premises of a business engaging in the sale of tires at retail that meets either of the following criteria: 53211  
53212

(a) Not more than one thousand scrap tires are present on the premises at any time in an unsecured, uncovered outdoor location. 53213  
53214

(b) Any number of scrap tires are secured in a building or a covered, enclosed container, trailer, or installation. 53215  
53216

(3) The premises of a tire retreading business, a tire manufacturing finishing center, or a tire adjustment center on which is located a single, covered scrap tire storage area where not more than four thousand scrap tires are stored; 53217  
53218  
53219  
53220

(4) The premises of a business that removes tires from motor vehicles in the ordinary course of business and on which is located a single scrap tire storage area that occupies not more than twenty-five hundred square feet; 53221  
53222  
53223  
53224

**Sec. 3735.65.** As used in sections 3735.65 to 3735.70 of the 53301  
Revised Code: 53302

(A) "Housing officer" means an officer or agency of a 53303  
municipal corporation or county designated by the legislative 53304  
authority of the municipal corporation or county, pursuant to 53305  
section 3735.66 of the Revised Code, for each community 53306  
reinvestment area to administer sections 3735.65 to 3735.69 of the 53307  
Revised Code. One officer or agency may be designated as the 53308  
housing officer for more than one community reinvestment area. 53309

(B) "Community reinvestment area" means an area within a 53310  
municipal corporation or unincorporated area of a county for which 53311  
the legislative authority of the municipal corporation or, for the 53312  
unincorporated area, of the county, has adopted a resolution under 53313  
section 3735.66 of the Revised Code describing the boundaries of 53314  
the area and containing a statement of finding that the area 53315  
included in the description is one in which housing facilities or 53316  
structures of historical significance are located and new housing 53317  
construction and repair of existing facilities or structures are 53318  
discouraged. 53319

(C) "Remodeling" means any change made in a structure for the purpose of making it structurally more sound, more habitable, or for the purpose of improving its appearance.

(D) "Structure of historical or architectural significance" means those designated as such by resolution of the legislative authority of a municipal corporation, for those located in a municipal corporation, or the county, for those located in the unincorporated area of the county based on age, rarity, architectural quality, or because of a previous designation by a historical society, association, or agency.

(E) "Megaproject," "megaproject operator," and "megaproject supplier" have the same meanings as in section 122.17 of the Revised Code.

**Sec. 3735.67.** (A) The owner of real property located in a community reinvestment area and eligible for exemption from taxation under a resolution adopted pursuant to section 3735.66 of the Revised Code may file an application for an exemption from real property taxation of a percentage of the assessed valuation of a new structure, or of the increased assessed valuation of an existing structure after remodeling began, if the new structure or remodeling is completed after the effective date of the resolution adopted pursuant to section 3735.66 of the Revised Code. The application shall be filed with the housing officer designated for the community reinvestment area in which the property is located. If any part of the new structure or remodeled structure that would be exempted is of real property to be used for commercial or industrial purposes, the legislative authority and the owner of the property shall enter into a written agreement pursuant to section 3735.671 of the Revised Code prior to commencement of construction or remodeling; if such an agreement is subject to approval by the board of education of the school district within

the territory of which the property is or will be located, the 53351  
agreement shall not be formally approved by the legislative 53352  
authority until the board of education approves the agreement in 53353  
the manner prescribed by that section. 53354

(B) The housing officer shall verify the construction of the 53355  
new structure or the cost of the remodeling of the existing 53356  
structure and the facts asserted in the application. The housing 53357  
officer shall determine whether the construction or remodeling 53358  
meets the requirements for an exemption under this section. In 53359  
cases involving a structure of historical or architectural 53360  
significance, the housing officer shall not determine whether the 53361  
remodeling meets the requirements for a tax exemption unless the 53362  
appropriateness of the remodeling has been certified, in writing, 53363  
by the society, association, agency, or legislative authority that 53364  
has designated the structure or by any organization or person 53365  
authorized, in writing, by such society, association, agency, or 53366  
legislative authority to certify the appropriateness of the 53367  
remodeling. 53368

(C) If the construction or remodeling meets the requirements 53369  
for exemption, the housing officer shall forward the application 53370  
to the county auditor with a certification as to the division of 53371  
this section under which the exemption is granted, and the period 53372  
and percentage of the exemption as determined by the legislative 53373  
authority pursuant to that division. If the construction or 53374  
remodeling is of commercial or industrial property and the 53375  
legislative authority is not required to certify a copy of a 53376  
resolution under section 3735.671 of the Revised Code, the housing 53377  
officer shall comply with the notice requirements prescribed under 53378  
section 5709.83 of the Revised Code, unless the board has adopted 53379  
a resolution under that section waiving its right to receive such 53380  
a notice. 53381

(D) Except as provided in division (F) of this section, the 53382  
tax exemption shall first apply in the year the construction or 53383  
remodeling would first be taxable but for this section. In the 53384  
case of remodeling that qualifies for exemption, a percentage, not 53385  
to exceed one hundred per cent, of the increased assessed 53386  
valuation of an existing structure after remodeling began shall be 53387  
exempted from real property taxation. In the case of construction 53388  
of a structure that qualifies for exemption, a percentage, not to 53389  
exceed one hundred per cent, of the assessed value of the 53390  
structure shall be exempted from real property taxation. In either 53391  
case, the percentage shall be the percentage set forth in the 53392  
agreement if the structure or remodeling is to be used for 53393  
commercial or industrial purposes, or the percentage set forth in 53394  
the resolution describing the community reinvestment area if the 53395  
structure or remodeling is to be used for residential purposes. 53396

The construction of new structures and the remodeling of 53397  
existing structures are hereby declared to be a public purpose for 53398  
which exemptions from real property taxation may be granted for 53399  
the following periods: 53400

(1) For every dwelling and commercial or industrial 53401  
properties, located within the same community reinvestment area, 53402  
upon which the cost of remodeling is at least two thousand five 53403  
hundred dollars in the case of a dwelling containing not more than 53404  
two family units or at least five thousand dollars in the case of 53405  
all other property, a period to be determined by the legislative 53406  
authority adopting the resolution, but not exceeding fifteen 53407  
years. The period of exemption for a dwelling described in 53408  
division (D)(1) of this section may be extended by a legislative 53409  
authority for up to an additional ten years if the dwelling is a 53410  
structure of historical or architectural significance, is a 53411  
certified historic structure that has been subject to federal tax 53412  
treatment under 26 U.S.C. 47 and 170(h), and units within the 53413

structure have been leased to individual tenants for five 53414  
consecutive years; 53415

(2) Except as provided in division (F) of this section, for 53416  
construction of every dwelling, and commercial or industrial 53417  
structure located within the same community reinvestment area, a 53418  
period to be determined by the legislative authority adopting the 53419  
resolution, but not exceeding fifteen years. The period of 53420  
exemption for construction of a commercial or industrial structure 53421  
may be extended by a legislative authority for up to an additional 53422  
fifteen years if the structure is situated on the site of a 53423  
megaproject or is owned and occupied by a megaproject supplier. 53424

(E) Any person, board, or officer authorized by section 53425  
5715.19 of the Revised Code to file complaints with the county 53426  
board of revision may file a complaint with the housing officer 53427  
challenging the continued exemption of any property granted an 53428  
exemption under this section. A complaint against exemption shall 53429  
be filed prior to the thirty-first day of December of the tax year 53430  
for which taxation of the property is requested. The housing 53431  
officer shall determine whether the property continues to meet the 53432  
requirements for exemption and shall certify the housing officer's 53433  
findings to the complainant. If the housing officer determines 53434  
that the property does not meet the requirements for exemption, 53435  
the housing officer shall notify the county auditor, who shall 53436  
correct the tax list and duplicate accordingly. 53437

(F) The owner of a dwelling constructed in a community 53438  
reinvestment area may file an application for an exemption after 53439  
the year the construction first became subject to taxation. The 53440  
application shall be processed in accordance with the procedures 53441  
prescribed under this section and shall be granted if the 53442  
construction that is the subject of the application otherwise 53443  
meets the requirements for an exemption under this section. If 53444  
approved, the exemption sought in the application first applies in 53445

the year the application is filed. An exemption approved pursuant 53446  
to this division continues only for those years remaining in the 53447  
period described in division (D) (2) of this section. No exemption 53448  
may be claimed for any year in that period that precedes the year 53449  
in which the application is filed. 53450

**Sec. 3735.671.** (A) If construction or remodeling of 53451  
commercial or industrial property is to be exempted from taxation 53452  
pursuant to section 3735.67 of the Revised Code, the legislative 53453  
authority and the owner of the property, prior to the commencement 53454  
of construction or remodeling, shall enter into a written 53455  
agreement, binding on both parties for a period of time that does 53456  
not end prior to the end of the period of the exemption, that 53457  
includes all of the information and statements prescribed by this 53458  
section. Agreements may include terms not prescribed by this 53459  
section, but such terms shall in no way derogate from the 53460  
information and statements prescribed by this section. 53461

(1) Except as otherwise provided in division (A) (2) or (3) of 53462  
this section, an agreement entered into under this section shall 53463  
not be approved by the legislative authority unless the board of 53464  
education of the city, local, or exempted village school district 53465  
within the territory of which the property is or will be located 53466  
approves the agreement. For the purpose of obtaining such 53467  
approval, the legislative authority shall certify a copy of the 53468  
agreement to the board of education not later than forty-five days 53469  
prior to approving the agreement, excluding Saturday, Sunday, and 53470  
a legal holiday as defined in section 1.14 of the Revised Code. 53471  
The board of education, by resolution adopted by a majority of the 53472  
board, shall approve or disapprove the agreement and certify a 53473  
copy of the resolution to the legislative authority not later than 53474  
fourteen days prior to the date stipulated by the legislative 53475  
authority as the date upon which approval of the agreement is to 53476  
be formally considered by the legislative authority. The board of 53477

education may include in the resolution conditions under which the board would approve the agreement. The legislative authority may approve an agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

(2) Approval of an agreement by the board of education is not required under division (A)(1) of this section if, for each tax year the real property is exempted from taxation, the sum of the following quantities, as estimated at or prior to the time the agreement is formally approved by the legislative authority, equals or exceeds fifty per cent of the amount of taxes, as estimated at or prior to that time, that would have been charged and payable that year upon the real property had that property not been exempted from taxation:

(a) The amount of taxes charged and payable on any portion of the assessed valuation of the new structure or of the increased assessed valuation of an existing structure after remodeling began that will not be exempted from taxation under the agreement;

(b) The amount of taxes charged and payable on tangible personal property located on the premises of the new structure or of the structure to be remodeled under the agreement, whether payable by the owner of the structure or by a related member, as defined in section 5733.042 of the Revised Code without regard to division (B) of that section.

(c) The amount of any cash payment by the owner of the new structure or structure to be remodeled to the school district, the dollar value, as mutually agreed to by the owner and the board of education, of any property or services provided by the owner of the property to the school district, whether by gift, loan, or otherwise, and any payment by the legislative authority to the

school district pursuant to section 5709.82 of the Revised Code. 53510

The estimates of quantities used for purposes of division 53511  
(A) (2) of this section shall be estimated by the legislative 53512  
authority. The legislative authority shall certify to the board of 53513  
education that the estimates have been made in good faith. 53514  
Departures of the actual quantities from the estimates subsequent 53515  
to approval of the agreement by the board of education do not 53516  
invalidate the agreement. 53517

(3) If a board of education has adopted a resolution waiving 53518  
its right to approve agreements and the resolution remains in 53519  
effect, approval of an agreement by the board is not required 53520  
under this division. If a board of education has adopted a 53521  
resolution allowing a legislative authority to deliver the notice 53522  
required under this division fewer than forty-five business days 53523  
prior to the legislative authority's execution of the agreement, 53524  
the legislative authority shall deliver the notice to the board 53525  
not later than the number of days prior to such execution as 53526  
prescribed by the board in its resolution. If a board of education 53527  
adopts a resolution waiving its right to approve agreements or 53528  
shortening the notification period, the board shall certify a copy 53529  
of the resolution to the legislative authority. If the board of 53530  
education rescinds such a resolution, it shall certify notice of 53531  
the rescission to the legislative authority. 53532

(B) Each agreement shall include the following information: 53533

(1) The names of all parties to the agreement; 53534

(2) A description of the remodeling or construction, whether 53535  
or not to be exempted from taxation, including existing or new 53536  
structure size and cost thereof; the value of machinery, 53537  
equipment, furniture, and fixtures, including an itemization of 53538  
the value of machinery, equipment, furniture, and fixtures used at 53539  
another location in this state prior to the agreement and 53540

relocated or to be relocated from that location to the property, 53541  
and the value of machinery, equipment, furniture, and fixtures at 53542  
the facility prior to the execution of the agreement; the value of 53543  
inventory at the property, including an itemization of the value 53544  
of inventory held at another location in this state prior to the 53545  
agreement and relocated or to be relocated from that location to 53546  
the property, and the value of inventory held at the property 53547  
prior to the execution of the agreement; 53548

(3) The scheduled starting and completion dates of remodeling 53549  
or construction of real property or of investments made in 53550  
machinery, equipment, furniture, fixtures, and inventory; 53551

positions retained by the owner due to the remodeling or 53554  
construction, itemized as to the number of full-time, part-time, 53555  
permanent, and temporary positions; 53556

(5) Estimates of the dollar amount of payroll attributable to 53557  
the positions set forth in division (B)(4) of this section, 53558  
similarly itemized; 53559

(6) The number of employee positions, if any, at the property 53560  
and at any other location in this state at the time the agreement 53561  
is executed, itemized as to the number of full-time, part-time, 53562  
permanent, and temporary positions. 53563

(C) Each agreement shall set forth the following information 53564  
and incorporate the following statements: 53565

(1) A description of real property to be exempted from 53566  
taxation under the agreement, the percentage of the assessed 53567  
valuation of the real property exempted from taxation, and the 53568  
period for which the exemption is granted, accompanied by the 53569  
statement: "The exemption commences the first year for which the 53570  
real property would first be taxable were that property not 53571

exempted from taxation. No exemption shall commence after 53572  
..... (insert date) nor extend beyond ..... (insert 53573

(2) "..... (insert name of owner) shall pay such real 53575

exemptions from taxation granted under this agreement are 53580  
rescinded beginning with the year for which such taxes are charged 53581  
or such reports or returns are required to be filed and 53582  
thereafter." 53583

(3) "..... (insert name of owner) hereby certifies that 53584  
at the time this agreement is executed, ..... (insert name of 53585  
owner) does not owe any delinquent real or tangible personal 53586  
property taxes to any taxing authority of the State of Ohio, and 53587  
does not owe delinquent taxes for which ..... (insert name of 53588  
owner) is liable under Chapter 5733., 5735., 5739., 5741., 5743., 53589  
5747., or 5753. of the Ohio Revised Code, or, if such delinquent 53590  
taxes are owed, ..... (insert name of owner) currently is 53591  
paying the delinquent taxes pursuant to an undertaking enforceable 53592  
by the State of Ohio or an agent or instrumentality thereof, has 53593  
filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or 53594  
such a petition has been filed against ..... (insert name of 53595  
owner). For the purposes of this certification, delinquent taxes 53596  
are taxes that remain unpaid on the latest day prescribed for 53597  
payment without penalty under the chapter of the Revised Code 53598  
governing payment of those taxes." 53599

(4) "..... (insert name of municipal corporation or 53600  
county) shall perform such acts as are reasonably necessary or 53601  
appropriate to effect, claim, reserve, and maintain exemptions 53602  
from taxation granted under this agreement including, without 53603

limitation, joining in the execution of all documentation and 53604  
providing any necessary certificates required in connection with 53605  
such exemptions." 53606

(5) "If for any reason ..... (insert name of municipal 53607  
corporation or county) revokes the designation of the area, 53608  
entitlements granted under this agreement shall continue for the 53609  
number of years specified under this agreement, unless ..... 53610  
(insert name of owner) materially fails to fulfill its obligations 53611  
under this agreement and ..... (insert name of 53612  
municipal corporation or county) terminates or modifies the 53613  
exemptions from taxation pursuant to this agreement." 53614

(6) "If ..... (insert name of owner) materially fails to 53615  
fulfill its obligations under this agreement, or if ..... 53616  
(insert name of municipal corporation or county) determines that 53617  
the certification as to delinquent taxes required by this 53618  
agreement is fraudulent, ..... (insert name of municipal 53619  
corporation or county) may terminate or modify the exemptions from 53620  
taxation granted under this agreement." 53621

(7) "..... (insert name of owner) shall provide to the 53622  
proper tax incentive review council any information reasonably 53623  
required by the council to evaluate the applicant's compliance 53624  
with the agreement, including returns filed pursuant to section 53625  
5711.02 of the Ohio Revised Code if requested by the council." 53626

of owner), any successor to that person, or any related member (as 53632  
those terms are defined in division (E) of section 3735.671 of the 53633  
Ohio Revised Code) has violated the prohibition against entering 53634

into this agreement under division (E) of section 3735.671 or 53635  
section 5709.62 or 5709.63 of the Ohio Revised Code prior to the 53636  
time prescribed by that division or either of those sections." 53637

(10) "..... (insert name of owner) and ..... 53638  
(insert name of municipal corporation or county) acknowledge that 53639  
this agreement must be approved by formal action of the 53640  
legislative authority of ..... (insert name of municipal 53641  
corporation or county) as a condition for the agreement to take 53642  
effect. This agreement takes effect upon such approval." 53643

(11) If the agreement relates to a commercial or industrial 53644  
structure subject to the extension for megaprojects or megaproject 53645  
suppliers described in division (D)(2) of section 3735.67 of the 53646  
Revised Code, both of the following: 53647

(a) A requirement that the owner of the structure annually 53648  
certify to the legislative authority whether the megaproject 53649  
operator of the megaproject upon which the structure is situated 53650  
or the megaproject supplier, as applicable, holds a certificate 53651  
issued under division (D)(7) of section 122.17 of the Revised Code 53652  
on the first day of the current tax year; 53653

(b) A provision authorizing the legislative authority to 53654  
terminate the exemption for current and subsequent tax years if 53655  
the megaproject operator or megaproject supplier does not hold a 53656  
certificate issued under division (D)(7) of section 122.17 of the 53657  
Revised Code on the first day of the current tax year. 53658

The statement described in division (C)(6) of this section 53659  
may include the following statement, appended at the end of the 53660  
statement: ", and may require the repayment of the amount of taxes 53661  
that would have been payable had the property not been exempted 53662  
from taxation under this agreement." If the agreement includes a 53663  
statement requiring repayment of exempted taxes, it also may 53664  
authorize the legislative authority to secure repayment of such 53665

taxes by a lien on the exempted property in the amount required to 53666  
be repaid. Such a lien shall attach, and may be perfected, 53667  
collected, and enforced, in the same manner as a mortgage lien on 53668  
real property, and shall otherwise have the same force and effect 53669  
as a mortgage lien on real property. 53670

(D) Except as otherwise provided in this division, an 53671  
agreement entered into under this section shall require that the 53672  
owner pay an annual fee equal to the greater of one per cent of 53673  
the amount of taxes exempted under the agreement or five hundred 53674  
dollars; provided, however, that if the value of the incentives 53675  
exceeds two hundred fifty thousand dollars, the fee shall not 53676  
exceed two thousand five hundred dollars. The fee shall be payable 53677  
to the legislative authority once per year for each year the 53678  
agreement is effective on the days and in the form specified in 53679  
the agreement. Fees paid shall be deposited in a special fund 53680  
created for such purpose by the legislative authority and shall be 53681  
used by the legislative authority exclusively for the purpose of 53682  
complying with section 3735.672 of the Revised Code and by the tax 53683  
incentive review council created under section 5709.85 of the 53684  
Revised Code exclusively for the purposes of performing the duties 53685  
prescribed under that section. The legislative authority may waive 53686  
or reduce the amount of the fee, but such waiver or reduction does 53687  
not affect the obligations of the legislative authority or the tax 53688  
incentive review council to comply with section 3735.672 or 53689  
5709.85 of the Revised Code. 53690

(E) If any person that is party to an agreement granting an 53691  
exemption from taxation discontinues operations at the structure 53692  
to which that exemption applies prior to the expiration of the 53693  
term of the agreement, that person, any successor to that person, 53694  
and any related member shall not enter into an agreement under 53695  
this section or section 5709.62, 5709.63, or 5709.632 of the 53696  
Revised Code, and no legislative authority shall enter into such 53697

transferred, which transfer resulted in the full or partial 53702  
nonrecognition of gain or loss, or resulted in a carryover basis, 53703  
both as determined by rule adopted by the tax commissioner. 53704  
"Related member" has the same meaning as defined in section 53705  
5733.042 of the Revised Code without regard to division (B) of 53706  
that section. 53707

The director of development services shall review all 53708  
agreements submitted to the director under division (F) of this 53709  
section for the purpose of enforcing this division. If the 53710  
director determines there has been a violation of this division, 53711  
the director shall notify the legislative authority of such 53712  
violation, and the legislative authority immediately shall revoke 53713  
the exemption granted under the agreement. 53714

(F) When an agreement is entered into under this section, the 53715  
legislative authority authorizing the agreement shall forward a 53716  
copy of the agreement to the director of development services 53717  
within fifteen days after the agreement is entered into. 53718

**Sec. 3737.71.** Each insurance company doing business in this 53839

necessary to defray ongoing operating expenses in a fiscal year, 53874  
the director may transfer the excess to the general revenue fund. 53875

the one-year period immediately preceding the following: 54389

(3) A home health agency that employs an applicant conditionally pursuant to division (G)(1)(a) or (b) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the home health agency shall terminate the applicant's employment unless circumstances specified in rules adopted under this section that permit the agency to employ the applicant exist and the agency chooses to employ the applicant.  "synthetic minor facility" means a facility for which one or more 54700  
 permits to install or permits to operate have been issued for the 54701  
 air contaminant sources at the facility that include terms and 54702  
 conditions that lower the facility's potential to emit air 54703  
 contaminants below the major source thresholds established in 54704  
 rules adopted under section 3704.036 of the Revised Code. 54705

(b) Beginning January 1, 2000, through June 30, ~~2022~~2024, 54706  
 each person who owns or operates a synthetic minor facility shall 54707  
 pay an annual fee based on the sum of the actual annual emissions 54708  
 from the facility of particulate matter, sulfur dioxide, nitrogen 54709  
 dioxide, organic compounds, and lead in accordance with the 54710  
 following schedule: 54711

~~(4) The fees assessed under division (D) (1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995.~~ (3) The fees assessed under division ~~(D) (2)~~ (D) (1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division ~~(D) (3)~~ (D) (2) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E) (1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E) (1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E) (1) of this section: 54754

(a) The consumer price index for any year is the average of 54755

the consumer price index for all urban consumers published by the 54756  
United States department of labor as of the close of the 54757  
twelve-month period ending on the thirty-first day of August of 54758  
that year. 54759

(b) If the 1989 consumer price index is revised, the director 54760  
shall use the revision of the consumer price index that is most 54761  
consistent with that for calendar year 1989. 54762

(F) Each person who is issued a permit to install pursuant to 54763  
rules adopted under division (F) of section 3704.03 of the Revised 54764

following schedules: 54766

sewage sludge facility treats or disposes of in this state. The 55568  
annual volume of sewage sludge treated or disposed of by a sewage 55569  
sludge facility shall be calculated using the first day of January 55570  
through the thirty-first day of December of the calendar year 55571  
preceding the date on which payment of the fee is due. 55572

(2) (a) Except as provided in division (Y) (2) (d) of this 55573  
section, each sewage sludge facility shall pay a minimum annual 55574  
sewage sludge fee of one hundred dollars. 55575

(b) The annual sludge fee required to be paid by a sewage 55576  
sludge facility that treats or disposes of exceptional quality 55577  
sludge in this state shall be thirty-five per cent less per dry 55578  
ton of exceptional quality sludge than the fee assessed under 55579  
division (Y) (1) of this section, subject to the following 55580  
exceptions: 55581

(i) Except as provided in division (Y) (2) (d) of this section, 55582  
a sewage sludge facility that treats or disposes of exceptional 55583  
quality sludge shall pay a minimum annual sewage sludge fee of one 55584  
hundred dollars. 55585

(ii) A sewage sludge facility that treats or disposes of 55586  
exceptional quality sludge shall not be required to pay the annual 55587  
sludge fee for treatment or disposal in this state of exceptional 55588  
quality sludge generated outside of this state and contained in 55589  
bags or other containers not greater than one hundred pounds in 55590  
capacity. 55591

A thirty-five per cent reduction for exceptional quality 55592  
sludge applies to the maximum annual fees established under 55593  
division (Y) (3) of this section. 55594

(c) A sewage sludge facility that transfers sewage sludge to 55595  
another sewage sludge facility in this state for further treatment 55596  
prior to disposal in this state shall not be required to pay the 55597  
annual sludge fee for the tons of sewage sludge that have been 55598

transferred. In such a case, the sewage sludge facility that 55599  
disposes of the sewage sludge shall pay the annual sludge fee. 55600  
However, the facility transferring the sewage sludge shall pay the 55601  
one-hundred-dollar minimum fee required under division (Y) (2) (a) 55602  
of this section. 55603

In the case of a sewage sludge facility that treats sewage 55604  
sludge in this state and transfers it out of this state to another 55605  
entity for disposal, the sewage sludge facility in this state 55606  
shall be required to pay the annual sludge fee for the tons of 55607  
sewage sludge that have been transferred. 55608

(d) A sewage sludge facility that generates sewage sludge 55609  
resulting from an average daily discharge flow of less than five 55610  
thousand gallons per day is not subject to the fees assessed under 55611  
division (Y) of this section. 55612

(3) No sewage sludge facility required to pay the annual 55613  
sludge fee shall be required to pay more than the maximum annual 55614  
fee for each disposal method that the sewage sludge facility uses. 55615  
The maximum annual fee does not include the additional amount that 55616  
may be charged under division (Y) (5) of this section for late 55617  
payment of the annual sludge fee. The maximum annual fee for the 55618  
following methods of disposal of sewage sludge is as follows: 55619

(a) Incineration: five thousand dollars; 55620

(b) Preexisting land reclamation project or disposal in a 55621  
landfill: five thousand dollars; 55622

(c) Land application, land reclamation, surface disposal, or 55623  
any other disposal method not specified in division (Y) (3) (a) or 55624  
(b) of this section: twenty thousand dollars. 55625

(4) (a) In the case of an entity that generates sewage sludge 55626  
or a sewage sludge facility that treats sewage sludge and 55627  
transfers the sewage sludge to an incineration facility for 55628  
disposal, the incineration facility, and not the entity generating 55629

the sewage sludge or the sewage sludge facility treating the 55630  
sewage sludge, shall pay the annual sludge fee for the tons of 55631  
sewage sludge that are transferred. However, the entity or 55632  
facility generating or treating the sewage sludge shall pay the 55633  
one-hundred-dollar minimum fee required under division (Y) (2) (a) 55634  
of this section. 55635

(b) In the case of an entity that generates sewage sludge and 55636  
transfers the sewage sludge to a landfill for disposal or to a 55637  
sewage sludge facility for land reclamation or surface disposal, 55638  
the entity generating the sewage sludge, and not the landfill or 55639  
sewage sludge facility, shall pay the annual sludge fee for the 55640  
tons of sewage sludge that are transferred. 55641

(5) Not later than the first day of April of the calendar 55642  
year following March 17, 2000, and each first day of April 55643  
thereafter, the director shall issue invoices to persons who are 55644  
required to pay the annual sludge fee. The invoice shall identify 55645  
the nature and amount of the annual sludge fee assessed and state 55646  
the first day of May as the deadline for receipt by the director 55647  
of objections regarding the amount of the fee and the first day of 55648  
July as the deadline for payment of the fee. 55649

Not later than the first day of May following receipt of an 55650  
invoice, a person required to pay the annual sludge fee may submit 55651  
objections to the director concerning the accuracy of information 55652  
regarding the number of dry tons of sewage sludge used to 55653  
calculate the amount of the annual sludge fee or regarding whether 55654  
the sewage sludge qualifies for the exceptional quality sludge 55655  
discount established in division (Y) (2) (b) of this section. The 55656  
director may consider the objections and adjust the amount of the 55657  
fee to ensure that it is accurate. 55658

If the director does not adjust the amount of the annual 55659  
sludge fee in response to a person's objections, the person may 55660  
appeal the director's determination in accordance with Chapter 55661

119. of the Revised Code. 55662

Not later than the first day of June, the director shall 55663  
notify the objecting person regarding whether the director has 55664  
found the objections to be valid and the reasons for the finding. 55665  
If the director finds the objections to be valid and adjusts the 55666  
amount of the annual sludge fee accordingly, the director shall 55667  
issue with the notification a new invoice to the person 55668  
identifying the amount of the annual sludge fee assessed and 55669  
stating the first day of July as the deadline for payment. 55670

Not later than the first day of July, any person who is 55671  
required to do so shall pay the annual sludge fee. Any person who 55672  
is required to pay the fee, but who fails to do so on or before 55673  
that date shall pay an additional amount that equals ten per cent 55674  
of the required annual sludge fee. 55675

(6) The director shall transmit all moneys collected under 55676  
division (Y) of this section to the treasurer of state for deposit 55677  
into the surface water protection fund created in section 6111.038 55678  
of the Revised Code. The moneys shall be used to defray the costs 55679  
of administering and enforcing provisions in Chapter 6111. of the 55680  
Revised Code and rules adopted under it that govern the use, 55681  
storage, treatment, or disposal of sewage sludge. 55682

(7) Beginning in fiscal year 2001, and every two years 55683  
thereafter, the director shall review the total amount of moneys 55684  
generated by the annual sludge fees to determine if that amount 55685  
exceeded six hundred thousand dollars in either of the two 55686  
preceding fiscal years. If the total amount of moneys in the fund 55687  
exceeded six hundred thousand dollars in either fiscal year, the 55688  
director, after review of the fee structure and consultation with 55689  
affected persons, shall issue an order reducing the amount of the 55690  
fees levied under division (Y) of this section so that the 55691  
estimated amount of moneys resulting from the fees will not exceed 55692  
six hundred thousand dollars in any fiscal year. 55693

If, upon review of the fees under division (Y) (7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y) (7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y) (7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. The issuance of an order under this division is not an act or action for purposes of section 3745.04 of the Revised Code.

**Sec. 3746.04.** ~~Within one year after September 28, 1994, the~~ 55938

The director of environmental protection, in accordance with 55939  
Chapter 119. of the Revised Code, shall adopt, and subsequently 55940  
may amend, suspend, or rescind, rules that do both of the 55941  
following: 55942

(A) Revise the rules adopted under Chapters 3704., 3714., 55943  
3734., 6109., and 6111. of the Revised Code to incorporate the 55944  
provisions necessary to conform those rules to the requirements of 55945  
this chapter. The amended rules adopted under this division also 55946  
shall establish response times for all submittals to the 55947  
environmental protection agency required under this chapter or 55948  
rules adopted under it. 55949

(B) Establish requirements and procedures that are reasonably 55950  
necessary for the implementation and administration of this 55951  
chapter, including, without limitation, all of the following: 55952

(1) Appropriate generic numerical clean-up standards for the 55953  
treatment or removal of soils, sediments, and water media for 55954  
hazardous substances and petroleum. The rules shall establish 55955  
separate generic numerical clean-up standards based upon the 55956  
intended use of properties after the completion of voluntary 55957  
actions, including industrial, commercial, and residential uses 55958  
and such other categories of land use as the director considers to 55959  
be appropriate. The generic numerical clean-up standards 55960  
established for each category of land use shall be the 55961  
concentration of each contaminant that may be present on a 55962  
property that shall ensure protection of public health and safety 55963  
and the environment for the reasonable exposure for that category 55964  
of land use. When developing the standards, the director shall 55965  
consider such factors as all of the following: 55966

(a) Scientific information, including, without limitation, 55967  
toxicological information and realistic assumptions regarding 55968  
human and environmental exposure to hazardous substances or 55969  
petroleum; 55970

(b) Climatic factors; 55971

(c) Human activity patterns; 55972

(d) Current statistical techniques; 55973

(e) For petroleum at industrial property, alternatives to the 55974  
use of total petroleum hydrocarbons. 55975

The generic numerical clean-up standards established in the 55976  
rules adopted under division (B)(1) of this section shall be 55977  
consistent with and equivalent in scope, content, and coverage to 55978  
any applicable standard established by federal environmental laws 55979  
and regulations adopted under them, including, without limitation, 55980  
the "Federal Water Pollution Control Act Amendments of 1972," 86 55981  
Stat. 886, 33 U.S.C.A. 1251, as amended; the "Resource 55982  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 55983  
6921, as amended; the "Toxic Substances Control Act," 90 Stat. 55984  
2003 (1976), 15 U.S.C.A. 2601, as amended; the "Comprehensive 55985  
Environmental Response, Compensation, and Liability Act of 1980," 55986  
94 Stat. 2779, 42 U.S.C.A. 9601, as amended; and the "Safe 55987  
Drinking Water Act," 88 Stat. 1660 (1974), 42 U.S.C.A. 300f, as 55988  
amended. 55989

In order for the rules adopted under division (B)(1) of this 55990  
section to require that any such federal environmental standard 55991  
apply to a property, the property shall meet the requirements of 55992  
the particular federal statute or regulation involved in the 55993  
manner specified by the statute or regulation. 55994

The generic numerical clean-up standards for petroleum at 55995  
commercial or residential property shall be the standards 55996  
established in rules adopted under division (B) of section 55997  
3737.882 of the Revised Code. 55998

(2) (a) Procedures for performing property-specific risk 55999  
assessments that would be performed at a property to demonstrate 56000  
that the remedy evaluated in a risk assessment results in 56001

protection of public health and safety and the environment instead 56002  
of complying with the generic numerical clean-up standards 56003  
established in the rules adopted under division (B)(1) of this 56004  
section. The risk assessment procedures shall describe a 56005  
methodology to establish, on a property-specific basis, allowable 56006  
levels of contamination to remain at a property to ensure 56007  
protection of public health and safety and the environment on the 56008  
property and off the property when the contamination is emanating 56009  
off the property, taking into account all of the following: 56010

(i) The implementation of treatment, storage, or disposal, or 56011  
a combination thereof, of hazardous substances or petroleum; 56012

(ii) The existence of institutional controls or activity and 56013  
use limitations that eliminate or mitigate exposure to hazardous 56014  
substances or petroleum through the restriction of access to 56015  
hazardous substances or petroleum; 56016

(iii) The existence of engineering controls that eliminate or 56017  
mitigate exposure to hazardous substances or petroleum through 56018  
containment of, control of, or restrictions of access to hazardous 56019  
substances or petroleum, including, without limitation, fences, 56020  
cap systems, cover systems, and landscaping. 56021

(b) The risk assessment procedures and levels of acceptable 56022  
risk set forth in the rules adopted under division (B)(2) of this 56023  
section shall be based upon all of the following: 56024

(i) Scientific information, including, without limitation, 56025  
toxicological information and actual or proposed human and 56026  
environmental exposure; 56027

(ii) Locational and climatic factors; 56028

(iii) Surrounding land use and human activities; 56029

(iv) Differing levels of remediation that may be required 56030  
when an existing land use is continued compared to when a 56031

different land use follows the remediation. 56032

(c) Any standards established pursuant to rules adopted under 56033  
division (B) (2) of this section shall be no more stringent than 56034  
standards established under the environmental statutes of this 56035  
state and rules adopted under them for the same contaminant in the 56036  
same environmental medium that are in effect at the time the risk 56037  
assessment is conducted. 56038

(3) Minimum standards for phase I property assessments. The 56039  
standards shall specify the information needed to demonstrate that 56040

The rules adopted under division (B)(3) of this section shall establish criteria to determine when a phase II property assessment shall be conducted when a phase I property assessment reveals facts that establish a reason to believe that hazardous substances or petroleum have been treated, stored, managed, or disposed of on the property if the person undertaking the phase I property assessment wishes to obtain a covenant not to sue under section 3746.12 of the Revised Code.

(4) Minimum standards for phase II property assessments. or petroleum is likely to exist. 56106

(5) Standards governing the conduct of certified 56107  
professionals, criteria and procedures for the certification of 56108

otherwise established in this chapter and rules adopted under it. 56535  
The application for a variance shall be prepared by a certified 56536  
professional. The director shall issue a variance from those 56537  
applicable standards only if the application makes all of the 56538  
following demonstrations to the director's satisfaction: 56539

(1) Either or both of the following: 56540

(a) It is technically infeasible to comply with the 56541

otherwise established at the property substantially exceed the 56545  
economic benefits. 56546

(2) The proposed alternative standard or set of standards and 56547  
terms and conditions set forth in the application will result in 56548

protected. If the director finds that compliance with any standard 56565  
or term or condition proposed by the applicant will not protect 56566  
public health and safety and that the imposition of additional or 56567  
alternative terms and conditions will not ensure that public 56568  
health or safety will be protected, the director shall disapprove 56569  
the application and shall include in the order of denial the 56570  
specific findings on which the denial was based. 56571

the public meeting on an application for a variance, the director 56581  
shall publish notice of the public meeting and that the director 56582  
will receive written comments on the application for a period of 56583

county with an adjacent county, as determined by the director, 56595  
shall be published in a newspaper of general circulation in the 56596  
adjacent county. Concurrently with the publication of the notice 56597  
of the public meeting, the director shall mail notice of the 56598  
application, comment period, and public meeting to the owner of 56599  
each parcel of land that is adjacent to the affected property and 56600

the applicant, or a representative of the applicant who is 56607  
knowledgeable about the affected property and the application, 56608  
shall present information regarding the application and the basis 56609  
of the request for the variance and shall respond to questions 56610  
from the public regarding the affected property and the 56611  
application. A representative of the environmental protection 56612  
agency who is familiar with the affected property and the 56613  
application shall attend the public meeting to hear the public's 56614

application. When considering whether to issue or deny the 56625  
application or whether to impose terms and conditions of the 56626  
variance that are in addition or alternative to those proposed by 56627  
the applicant, the director shall consider comments on the 56628
