A BILL

To amend section 3313.60 of the Revised Code to
require the health curriculum of each school
district to include instruction on the positive
effects of organ and tissue donation.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3313.60 of the Revised Code be
amended to read as follows:

Sec. 3313.60. Notwithstanding division (D) of section
3311.52 of the Revised Code, divisions (A) to (E) of this
section do not apply to any cooperative education school
district established pursuant to divisions (A) to (C) of section
3311.52 of the Revised Code.

(A) The board of education of each city, exempted village,
and local school district and the board of each cooperative
education school district established, pursuant to section
3311.521 of the Revised Code, shall prescribe a curriculum for
all schools under its control. Except as provided in division
(E) of this section, in any such curriculum there shall be

included the study of the following subjects:	18
(1) The language arts, including reading, writing,	19
spelling, oral and written English, and literature;	20
(2) Geography, the history of the United States and of	21
Ohio, and national, state, and local government in the United	22
States, including a balanced presentation of the relevant	23
contributions to society of men and women of African, Mexican,	24
Puerto Rican, and American Indian descent as well as other	25
ethnic and racial groups in Ohio and the United States;	26
(3) Mathematics;	27
(4) Natural science, including instruction in the	28
conservation of natural resources;	29
(5) Health education, which shall include instruction in:	30
(a) The nutritive value of foods, including natural and	31
organically produced foods, the relation of nutrition to health,	32
and the use and effects of food additives;	33
(b) The harmful effects of and legal restrictions against	34
the use of drugs of abuse, alcoholic beverages, and tobacco;	35
(c) Venereal disease education, except that upon written	36
request of the student's parent or guardian, a student shall be	37
excused from taking instruction in venereal disease education;	38
(d) In grades kindergarten through six, instruction in	39
personal safety and assault prevention, except that upon written	40
request of the student's parent or guardian, a student shall be	41
excused from taking instruction in personal safety and assault	42
prevention;	43
(e) In grades seven through twelve, age-appropriate	44

instruction in dating violence prevention education, which shall 45
include instruction in recognizing dating violence warning signs 46
and characteristics of healthy relationships. 47

In order to assist school districts in developing a dating 48
violence prevention education curriculum, the department of 49
education shall provide on its web site links to free curricula 50
addressing dating violence prevention. 51

If the parent or legal guardian of a student less than 52
eighteen years of age submits to the principal of the student's 53
school a written request to examine the dating violence 54
prevention instruction materials used at that school, the 55
principal, within a reasonable period of time after the request 56
is made, shall allow the parent or guardian to examine those 57
materials at that school. 58

(f) Prescription opioid abuse prevention, with an emphasis 59
on the prescription drug epidemic and the connection between 60
prescription opioid abuse and addiction to other drugs, such as 61
heroin. 62

(g) The process of making an anatomical gift under Chapter 63
2108. of the Revised Code, with an emphasis on the life-saving 64
and life-enhancing effects of organ and tissue donation. 65

(6) Physical education; 66

(7) The fine arts, including music; 67

(8) First aid, including a training program in 68
cardiopulmonary resuscitation, safety, and fire prevention, 69
except that upon written request of the student's parent or 70
guardian, a student shall be excused from taking instruction in 71
cardiopulmonary resuscitation. 72

(B) Except as provided in division (E) of this section, every school or school district shall include in the requirements for promotion from the eighth grade to the ninth grade one year's course of study of American history. A board may waive this requirement for academically accelerated students who, in accordance with procedures adopted by the board, are able to demonstrate mastery of essential concepts and skills of the eighth grade American history course of study.

(C) As specified in divisions (B) (6) and (C) (6) of section 3313.603 of the Revised Code, except as provided in division (E) of this section, every high school shall include in the requirements for graduation from any curriculum one-half unit each of American history and government.

(D) Except as provided in division (E) of this section, basic instruction or demonstrated mastery in geography, United States history, the government of the United States, the government of the state of Ohio, local government in Ohio, the Declaration of Independence, the United States Constitution, and the Constitution of the state of Ohio shall be required before pupils may participate in courses involving the study of social problems, economics, foreign affairs, United Nations, world government, socialism, and communism.

(E) For each cooperative education school district established pursuant to section 3311.521 of the Revised Code and each city, exempted village, and local school district that has territory within such a cooperative district, the curriculum adopted pursuant to divisions (A) to (D) of this section shall only include the study of the subjects that apply to the grades operated by each such school district. The curriculums for such schools, when combined, shall provide to each student of these

districts all of the subjects required under divisions (A) to	103
(D) of this section.	104
(F) The board of education of any cooperative education	105
school district established pursuant to divisions (A) to (C) of	106
section 3311.52 of the Revised Code shall prescribe a curriculum	107
for the subject areas and grade levels offered in any school	108
under its control.	109
(G) Upon the request of any parent or legal guardian of a	110
student, the board of education of any school district shall	111
permit the parent or guardian to promptly examine, with respect	112
to the parent's or guardian's own child:	113
(1) Any survey or questionnaire, prior to its	114
administration to the child;	115
(2) Any textbook, workbook, software, video, or other	116
instructional materials being used by the district in connection	117
with the instruction of the child;	118
(3) Any completed and graded test taken or survey or	119
questionnaire filled out by the child;	120
(4) Copies of the statewide academic standards and each	121
model curriculum developed pursuant to section 3301.079 of the	122
Revised Code, which copies shall be available at all times	123
during school hours in each district school building.	124
Section 2. That existing section 3313.60 of the Revised	125
Code is hereby repealed.	126
Section 3. Not later than July 1, 2016, the Second Chance	127
Trust Fund Advisory Committee created under section 2108.35 of	128
the Revised Code shall submit recommendations for the	129
instruction in the process of making an anatomical gift that is	130

required for a school district's health curriculum under 131
division (A) (5) (g) of section 3313.60 of the Revised Code, as 132
amended by this act, to the Department of Education. Upon 133
receiving the recommendations, the Department shall publish them 134
in a prominent location on the Department's web site for use by 135
school districts in developing their health curricula. 136
