However, no person who neither intends to receive nor receives anything of value arising from the use of, or the sale of goods or services in connection with the use of, a recreational vehicle park, recreation camp, combined park-camp, or temporary park-camp is required to procure a license under this division. A person shall obtain a separate license for each temporary park-camp that the person intends to operate, and the license shall be valid for a period of not longer than seven consecutive days. A person who operates a temporary park-camp on a tract of land for more than twenty-one days or parts thereof in a calendar year shall obtain a license to operate a recreational vehicle park, recreation camp, or combined park-camp.
