A BILL

To amend section 5164.91 and to enact sections 1
173.525, 5162.137, 5166.122, and 5166.162 of the 2
Revised Code regarding self-direction in certain 3
Medicaid home and community-based services 4
waiver programs. 5

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 5164.91 be amended and sections 6
173.525, 5162.137, 5166.122, and 5166.162 of the Revised Code be 7
enacted to read as follows: 8

Sec. 173.525. (A) As used in this section, "self-directed 9
services" has the same meaning as in 42 U.S.C. 1396n(i)(1)(G) 10
(iii)(II). 11

(B) Unless the medicaid-funded component of the PASSPORT 12
program is terminated pursuant to division (C) of section 173.52 13
of the Revised Code, the department of aging shall do both of 14
the following: 15

(1) Streamline the direct service worker certification and 16
the participant enrollment processes for self-directed services 17
under the medicaid-funded component of the PASSPORT program in 18
accordance with division (C) of this section; 19

(2) Ensure that PASSPORT program participants are enrolled 20
and able to receive self-directed services not later than thirty 21
days after the date of application for those services. The 22
department shall create an exception to this requirement in the 23
event that there are insufficient direct service workers or 24
other delays that are through no fault of the direct service 25
worker or the participant. 26

(C) The department shall streamline the certification and 27
enrollment processes for self-directed services under the 28
medicaid-funded component of the PASSPORT program by doing all 29
of the following: 30

(1) Combining participant orientation meetings into one 31
meeting to ensure the orientation is effective and efficient; 32

(2) Establishing timelines for completing the direct 33
service worker certification processes; 34

(3) Establishing reporting requirements to monitor 35
compliance with the certification timelines established under 36
division (C)(2) of this section; 37

(4) To the extent possible under federal law, combining 38
the direct service worker certification and participant 39
enrollment steps concurrently, rather than sequentially; 40

(5) Collecting and compiling data on when a PASSPORT 41
program participant requests self-directed services and the 42
start date of those services to ensure timely access to 43
services; 44

(6) Permitting direct service workers and participants to 45
apply separately and be certified or enrolled, as applicable, 46
without requiring a match between a direct service worker and a 47
participant; 48

(7) Permitting direct service workers to provide 49
conditional self-directed services for up to sixty days while 50
undergoing any required criminal background checks and training. 51

(D) The department shall establish goals for the number of 52
medicaid-funded component PASSPORT program participants electing 53
to participate in self-directed services. 54

(E) For purposes of the national provider identifier 55
requirement implemented under section 1171 of the "Health 56
Insurance Portability and Accountability Act of 1996," 42 U.S.C. 57
1320d et seq., and 45 C.F.R. 162.404 et seq., the department 58
shall classify a direct service worker who is not a health care 59
provider, as that term is defined in 45 C.F.R. 160.103, as an 60
atypical provider and shall not require the direct service 61
worker to obtain a national provider identifier number. As 62
permitted by the United States centers for medicare and medicaid 63
services, a medicaid provider number or other identifier shall 64
replace the national provider identifier requirement for those 65
individuals receiving self-directed services. The department of 66
aging shall modify its electronic visit verification system to 67
use the financial management services' system rather than the 68
vendor used for traditional medicaid services. 69

(F) The director of aging shall adopt rules as necessary 70
to implement the provisions of this section. 71

Sec. 5162.137. The medicaid director shall annually report 72
to the joint medicaid oversight committee and, in accordance 73
with section 101.68 of the Revised Code, the members of the 74
general assembly, the number and per cent of waiver program 75
participants offered the option to self-direct services and the 76
number and per cent of total waiver program participants 77
electing to self-direct services in each of the following 78

provision of Title LI of the Revised Code applies to the	88
integrated care delivery system if that provision implements or	89
incorporates a provision of federal law governing medicaid and	90
that provision of federal law does not apply to the system.	91
<u>As soon as practicable, as determined by the director, the</u>	92
<u>director shall expand the integrated care delivery system so it</u>	93

<u>program as soon as practicable, as determined by the medicaid</u>	103

division (D) of this section; 111

(2) Ensure that Ohio home care waiver program participants 112
are enrolled and able to receive self-directed services not 113

services. The department shall create an exception to this 115
requirement in the event that there are insufficient direct 116
service workers or other delays that are through no fault of the 117
direct service worker or the participant. 118

(D) The department shall streamline the certification and 119
enrollment processes for self-directed services under the Ohio 120
home care waiver by doing all of the following: 121

(1) Combining participant orientation meetings into one 122

<u>(7) Permitting direct service workers to provide</u>	140
<u>conditional self-directed services for up to sixty days while</u>	141
<u>undergoing any required criminal background checks and training.</u>	142
<u>(E) The department shall establish goals for the number of</u>	143
<u>Ohio home care waiver participants electing to participate in</u>	144
<u>self-directed services.</u>	145

<u>requirement implemented under section 1171 of the "Health</u>	147
<u>Insurance Portability and Accountability Act of 1996," 42 U.S.C.</u>	148

<u>services, a medicaid provider number or other identifier shall</u>	155
<u>replace the national provider identifier requirement for those</u>	156

<u>to implement the provisions of this section.</u>	162
<u>Sec. 5166.162. (A) As used in this section, "self-directed</u>	163

services" has the same meaning as in 42 U.S.C. 1396n(i) (1) (G) 164
(iii) (II). 165

(B) If the medicaid director creates a home and community- 166
based services medicaid waiver component under section 5166.16 167
of the Revised Code as part of the integrated care delivery 168
system, the department of medicaid shall do both of the 169
following: 170

(1) Streamline the direct service worker certification and 171
participant enrollment processes for self-directed services 172
under the ICDS medicaid waiver component in accordance with 173

(3) Establishing reporting requirements to monitor 189
compliance with the certification timelines established under 190
