In making its review, the agency shall consider the continued need for the rule, the nature of any complaints or comments received concerning the rule, and any relevant factors that have changed in the subject matter area affected by the rule.

The proposed rule, amendment, or rescission and public notice shall be filed as required by this division at least sixty-five days prior to the date on which the agency, in accordance with division (E) of this section, issues an order adopting the proposed rule, amendment, or rescission.

If a rule or amendment is exempt from legislative review under division (C)(2) of this section, and if the federal law or rule pursuant to which the rule or amendment was adopted expires, is repealed or rescinded, or otherwise terminates, the rule or amendment, or its rescission, is thereafter subject to legislative review under division (C) of this section.

(D) On the date and at the time and place designated in the notice, the agency shall conduct a public hearing at which any person affected by the proposed action of the agency may appear and be heard in person, by the person's attorney, or both, may present the person's position, arguments, or contentions, orally or in writing, offer and examine witnesses, and present evidence tending to show that the proposed rule, amendment, or rescission, if adopted or effectuated, will be unreasonable or unlawful. An agency may permit persons affected by the proposed rule, amendment, or rescission to present their positions, arguments, or contentions in writing, not only at the hearing, but also for a reasonable period before, after, or both before and

At the hearing, the testimony shall be recorded. Such record shall be made at the expense of the agency. The agency is required to transcribe a record that is not sight readable only if a person requests transcription of all or part of the record and agrees to reimburse the agency for the costs of the transcription. The agency shall consider the positions, arguments, or contentions presented at, or before or after, the hearing. The agency shall include the hearing summary in the hearing report as an appendix thereto. And, in the hearing report, the agency shall identify the proposed rule, amendment, or rescission to which the hearing report relates.

(E) After divisions (A), (B), (C), and (D) of this section have been complied with, and when the time for legislative review under sections 106.02, 106.022, and 106.023 of the Revised Code has expired without adoption of a concurrent resolution to invalidate the proposed rule, amendment, or rescission, the agency may issue an order adopting the proposed rule or the proposed amendment or rescission of the rule, consistent with the synopsis or general statement included in the public notice. At that time the agency shall designate the effective date of the rule, amendment, or rescission, which shall not be earlier than the tenth day after the rule, amendment, or rescission has been filed in its final form as provided in section 119.04 of the Revised Code.

(F) Prior to the effective date of a rule, amendment, or rescission, the agency shall make a reasonable effort to inform those affected by the rule, amendment, or rescission and to have available for distribution to those requesting it the full text of the rule as adopted or as amended.

electronic form with the agency, the secretary of state, the director of the legislative service commission, and the joint committee on agency rule review, that the procedure prescribed by this section with respect to the adoption, amendment, or rescission of a specified rule is suspended. The agency may then adopt immediately the emergency rule, amendment, or rescission and it becomes effective on the date the rule, amendment, or rescission, in final form and in compliance with division (A)(2) of section 119.04 of the Revised Code, is filed in electronic form with the secretary of state, the director of the legislative service commission, and the joint committee on agency rule review. The director shall publish the full text of the emergency rule, amendment, or rescission in the register of Ohio.

The emergency rule, amendment, or rescission shall become invalid at the end of the one hundred twentieth day it is in effect. Prior to that date the agency may adopt the emergency rule, amendment, or rescission as a nonemergency rule, amendment, or rescission by complying with the procedure prescribed by this section for the adoption, amendment, and rescission of nonemergency rules. The agency shall not use the procedure of this division to readopt the emergency rule, amendment, or rescission so that, upon the emergency rule, amendment, or rescission becoming invalid under this division, the emergency rule, amendment, or rescission will continue in effect without interruption for another one-hundred-twenty-day period, except when section 106.02 of the Revised Code prevents the agency from adopting the emergency rule, amendment, or rescission as a nonemergency rule, amendment, or rescission within the one-hundred-twenty-day period.

This division does not apply to the adoption of any emergency rule, amendment, or rescission by the tax commissioner under division (C)(2) of section 5117.02 of the Revised Code.

(H) Rules adopted by an authority within the department of job and family services for the administration or enforcement of Chapter 4141. of the Revised Code or of the department of taxation shall be effective without a hearing as provided by this section if the statutes pertaining to such agency specifically give a right of appeal to the board of tax appeals or to a higher authority within the agency or to a court, and also give the appellant a right to a hearing on such appeal. This division does not apply to the adoption of any rule, amendment, or rescission by the tax commissioner under division (C)(1) or (2) of section 5117.02 of the Revised Code, or deny the right to file an action for declaratory judgment as provided in Chapter 2721. of the Revised Code from the decision of the board of tax appeals or of the higher authority within such agency.

If, based on that evaluation, the draft rule will not have an adverse impact on businesses, the agency may proceed with the rule-filing process. If the evaluation determines that the draft rule will have an adverse impact on businesses, the agency shall incorporate features into the draft rule that will eliminate or adequately reduce any adverse impact the draft rule might have on businesses;

(B) Prepare a business impact analysis that describes its evaluation of the draft rule against the business impact analysis instrument, that identifies any features that were incorporated into the draft rule as a result of the evaluation, and that explains how those features, if there were any, eliminate or adequately reduce any adverse impact the draft rule might have on businesses;

(C) Transmit a copy of the full text of the draft rule and the business impact analysis electronically to the common sense initiative office, which information shall be made available to the public on the office's web site in accordance with section 107.62 of the Revised Code;

If the draft rule requires liability insurance, a bond, or any other financial responsibility instrument as a condition of licensure, the agency shall conduct a diligent search to determine if the liability insurance, bond, or other financial responsibility instrument is readily available in the amounts required as a condition of licensure, and, when the agency transmits the draft rule to the common sense initiative office, shall certify to the office that the search was conducted.

An agency may not file a proposed rule for legislative review under division (D) of section 111.15 or division (C) of section 119.03 of the Revised Code earlier than the sixteenth business day after electronically transmitting the draft rule to the common sense initiative office.

The additional fee is for the purpose of defraying the department of public safety's costs associated with the administration and enforcement of the motor vehicle and traffic laws of Ohio. Each deputy registrar shall transmit the fees collected under division (C)(1) of this section in the time and manner provided in this section. The registrar shall deposit all moneys received under division (C)(1) of this section into the ~~state highway safety~~ public safety - highway purposes fund established in section 4501.06 of the Revised Code.

If the total cost of producing the plates is less than twenty-five cents per plate, or if the total cost of producing the stickers is less than twenty-five cents per sticker or per set issued, any excess moneys accruing from the fees shall be distributed in the same manner as provided by section 4501.04 of the Revised Code for the distribution of license tax moneys. If the total cost of producing the plates exceeds twenty-five cents per plate, or if the total cost of producing the stickers exceeds twenty-five cents per sticker or per set issued, the difference shall be paid from the license tax moneys collected pursuant to section 4503.02 of the Revised Code.

(D) Each deputy registrar shall be allowed a fee ~~of three dollars and fifty cents~~ equal to the amount established under section 4503.038 of the Revised Code for each application for registration and registration renewal notice the deputy registrar receives, which shall be for the purpose of compensating the deputy registrar for the deputy registrar's services, and such office and rental expenses, as may be necessary for the proper discharge of the deputy registrar's duties in the receiving of applications and renewal notices and the issuing of registrations.

(E) Upon the certification of the registrar, the county sheriff or local police officials shall recover license plates erroneously or fraudulently issued.

(F) Each deputy registrar, upon receipt of any application for registration or registration renewal notice, together with the license fee and any local motor vehicle license tax levied pursuant to Chapter 4504. of the Revised Code, shall transmit that fee and tax, if any, in the manner provided in this section, together with the original and duplicate copy of the application, to the registrar. The registrar, subject to the approval of the director of public safety, may deposit the funds collected by those deputies in a local bank or depository to the credit of the "state of Ohio, bureau of motor vehicles." Where a local bank or depository has been designated by the registrar, each deputy registrar shall deposit all moneys collected by the deputy registrar into that bank or depository not more than one business day after their collection and shall make reports to the registrar of the amounts so deposited, together with any other information, some of which may be prescribed by the treasurer of state, as the registrar may require and as prescribed by the registrar by rule. The registrar, subject to the approval of the director and the treasurer

of state, may make reasonable rules necessary for the prompt transmittal of fees and for safeguarding the interests of the state and of counties, townships, municipal corporations, and transportation improvement districts levying local motor vehicle license taxes. The registrar may pay service charges usually collected by banks and depositories for such service. If deputy registrars are located in communities where banking facilities are not available, they shall transmit the fees forthwith, by money order or otherwise, as the registrar, by rule approved by the director and the treasurer of state, may prescribe. The registrar may pay the usual and customary fees for such service.

(G) This section does not prevent any person from making an application for a motor vehicle license directly to the registrar by mail, by electronic means, or in person at any of the registrar's offices, upon payment of a service fee of three dollars and fifty cents equal to the amount established under section 4503.038 of the Revised Code for each application.

If the registrar determines that implementing such a program is feasible, the registrar shall adopt new rules under this division or amend existing rules adopted under this division as necessary in order to respond to advances in technology.

If international registration plan guidelines and provisions allow member jurisdictions to permit applications for registrations under the international registration plan to be made via the internet, the rules the registrar adopts under this division shall permit such action.

Sec. 4503.102. (A) The registrar of motor vehicles shall adopt rules to establish a centralized system of motor vehicle registration renewal by mail or by electronic means. (D)(1) If a court issues an immobilization order under division (A) of this section, the immobilization period commences on the day on which the vehicle in question is immobilized. If the vehicle in question had been seized under section 4510.41 or 4511.195 of the Revised Code, the time between the seizure and the beginning of the immobilization period shall be credited against the immobilization period specified in the immobilization order issued under division (A) of this section. No vehicle that is immobilized under this section is eligible to have restricted license plates under section 4503.231 of the Revised Code issued for that vehicle.

(2) If a court issues an immobilization order under division (A) of this section, if the vehicle subject to the order is immobilized under the order, and if the vehicle is found being operated upon any street or highway of this state during the immobilization period, it shall be seized, removed from the street or highway, and criminally forfeited, and disposed of pursuant to section 4503.234 of the Revised Code. No vehicle that is forfeited under this provision shall be considered contraband for purposes of Chapter 2981. of the Revised Code, but shall be held by the law enforcement agency that employs the officer who seized it for disposal in accordance with section 4503.234 of the Revised Code.

(3) If a court issues an immobilization order under division (A) of this section, and if the vehicle is not claimed within seven days after the end of the period of immobilization or if the offender has not paid the immobilization fee, the person or agency that immobilized the vehicle shall send a written notice to the offender at the offender's last known address informing the offender of the date on which the period of immobilization ended, that the offender has twenty days after the date of the notice to pay the immobilization fee and obtain the release of the vehicle, and that if the offender does not pay the fee and obtain the release of the vehicle within that twenty-day period, the vehicle will be forfeited under section 4503.234 of the Revised Code to the entity that is entitled to the immobilization fee.

(4) An offender whose motor vehicle is subject to an immobilization order issued under division (A) of this section shall not sell the motor vehicle without approval of the court that issued the order. If such an offender wishes to sell the motor vehicle during the immobilization period, the offender shall apply to the court that issued the immobilization order for

permission to assign the title to the vehicle. If the court is satisfied that the sale will be in good faith and not for the purpose of circumventing the provisions of division (A)(1) of this section, it may certify its consent to the offender and to the registrar. Upon receipt of the court's consent, the registrar shall enter the court's notice in the offender's vehicle license plate registration record.

If, during a period of immobilization under an immobilization order issued under division (A) of this section, the title to the immobilized motor vehicle is transferred by the foreclosure of a chattel mortgage, a sale upon execution, the cancellation of a conditional sales contract, or an order of a court, the involved court shall notify the registrar of the action, and the registrar shall enter the court's notice in the offender's vehicle license plate registration record.

(5) If the title to a motor vehicle that is subject to an immobilization order under division (A) of this section is assigned or transferred without court approval between the time of arrest of the offender who committed the offense for which such an order is to be issued and the time of the actual immobilization of the vehicle, the court shall order that, for a period of two years from the date of the order, neither the registrar nor any deputy registrar shall accept an application for the registration of any motor vehicle in the name of the offender whose vehicle was assigned or transferred without court approval. The court shall notify the registrar of the order on a form prescribed by the registrar for that purpose.

(6) If the title to a motor vehicle that is subject to an immobilization order under division (A) of this section is assigned or transferred without court approval in violation of division (D)(4) of this section, then, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealers association. The proceeds from any fine so imposed shall be distributed in the same manner as the proceeds of the sale of a forfeited vehicle are distributed pursuant to division (C)(2) of section 4503.234 of the Revised Code.

(E)(1) The court with jurisdiction over the case, after notice to all interested parties including lienholders, and after an opportunity for them to be heard, if the offender fails to appear in person, without good cause, or if the court finds that the offender does not intend to seek release of the vehicle at the end of the period of immobilization or that the offender is not

or will not be able to pay the expenses and charges incurred in its removal and storage, may order that title to the vehicle be transferred, in order of priority, first into the name of the entity entitled to the immobilization fee under division (A)(5) of this section, next into the name of a lienholder, or lastly, into the name of the owner of the place of storage.

A lienholder that receives title under a court order shall do so on the condition that it pay any expenses or charges incurred in the vehicle's removal and storage. If the entity that receives title to the vehicle is the entity that is entitled to the immobilization fee under division (A)(5) of this section, it shall receive title on the condition that it pay any lien on the vehicle. The court shall not order that title be transferred to any person or entity other than the owner of the place of storage if the person or entity refuses to receive the title. Any person or entity that receives title may either keep title to the vehicle or may dispose of the vehicle in any legal manner that it considers appropriate, including assignment of the certificate of title to the motor vehicle to a salvage dealer or a scrap metal processing facility. The person or entity shall not transfer the vehicle to the person who is the vehicle's immediate previous owner.

If the person or entity assigns the motor vehicle to a salvage dealer or scrap metal processing facility, the person or entity shall send the assigned certificate of title to the motor vehicle to the clerk of the court of common pleas of the county in which the salvage dealer or scrap metal processing facility is located. The person or entity shall mark the face of the certificate of title with the words "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(2) Whenever a court issues an order under division (E)(1) of this section, the court also shall order removal of the license plates from the vehicle and cause them to be sent to the registrar if they have not already been sent to the registrar. Thereafter, no further proceedings shall take place under this section, but the offender remains liable for payment of the immobilization fee described in division (A)(3) of this section if an immobilization order previously had been issued by the court.

(3) Prior to initiating a proceeding under division (E)(1) of this section, and upon payment of the fee under division (B) of section 4505.14 of the Revised Code, any interested party may cause a search to be made of the public records of the bureau of motor vehicles or the clerk of the court of common pleas, to ascertain the identity of any lienholder of the vehicle. The initiating party shall furnish this information to the clerk of the court with jurisdiction over the case, and the clerk shall provide notice to the vehicle

The registrar shall provide to the successful bidder all necessary information for the preparation of such lists.

The registrar, upon application of any person and payment of the proper fee, may search the records of the bureau and furnish reports of those records under the signature of the registrar.

In all other cases, except as provided in section 4505.032 and division (D)(2) of section 4505.11 of the Revised Code, such certificates shall be obtained by the buyer.

(5)(a)(i) If the certificate of title is being obtained in the name of the buyer by a motor vehicle dealer or motor vehicle leasing dealer and there is a security interest to be noted on the certificate of title, the dealer or leasing dealer shall submit the application for the certificate of title and payment of the applicable tax to a clerk within seven business days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle. Submission of the application for the certificate of title and payment of the applicable tax within the required seven business days may be indicated by postmark or receipt by a clerk within that period.

(ii) Upon receipt of the certificate of title with the security interest noted on its face, the dealer or leasing dealer shall forward the certificate of title to the secured party at the location noted in the financing documents or otherwise specified by the secured party.

(iii) A motor vehicle dealer or motor vehicle leasing dealer is liable to a

secured party for a late fee of ten dollars per day for each certificate of title application and payment of the applicable tax that is submitted to a clerk more than seven business days but less than twenty-one days after the later of the delivery of the motor vehicle to the buyer or the date the dealer or leasing dealer obtains the manufacturer's or importer's certificate, or certificate of title issued in the name of the dealer or leasing dealer, for the motor vehicle and, from then on, twenty-five dollars per day until the application and applicable tax are submitted to a clerk.

(b) In all cases of transfer of a motor vehicle except the transfer of a manufactured home or mobile home, the application for certificate of title shall be filed within thirty days after the assignment or delivery of the motor vehicle.

(c) An application for a certificate of title for a new manufactured home shall be filed within thirty days after the delivery of the new manufactured home to the purchaser. The date of the delivery shall be the date on which an occupancy permit for the manufactured home is delivered to the purchaser of the home by the appropriate legal authority.

(d) An application for a certificate of title for a used manufactured home or a used mobile home shall be filed as follows:

(i) If a certificate of title for the used manufactured home or used mobile home was issued to the motor vehicle dealer prior to the sale of the manufactured or mobile home to the purchaser, the application for certificate of title shall be filed within thirty days after the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority.

(ii) If the motor vehicle dealer has been designated by a secured party to display the manufactured or mobile home for sale, or to sell the manufactured or mobile home under section 4505.20 of the Revised Code, but the certificate of title has not been transferred by the secured party to the motor vehicle dealer, and the dealer has complied with the requirements of division (A) of section 4505.181 of the Revised Code, the application for certificate of title shall be filed within thirty days after the date on which the motor vehicle dealer obtains the certificate of title for the home from the secured party or the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority, whichever occurs later.

(6) If an application for a certificate of title is not filed within the period specified in division (A)(5)(b), (c), or (d) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be required from a motor vehicle salvage dealer, as defined in

division (A) of section 4738.01 of the Revised Code, who immediately surrenders the certificate of title for cancellation. The fee shall be in addition to all other fees established by this chapter, and shall be retained by the clerk. The registrar shall provide, on the certificate of title form prescribed by section 4505.07 of the Revised Code, language necessary to give evidence of the date on which the assignment or delivery of the motor vehicle was made.

(7) As used in division (A) of this section, "lease agreement," "lessee," and "sublease agreement" have the same meanings as in section 4505.04 of the Revised Code and "new manufactured home," "used manufactured home," and "used mobile home" have the same meanings as in section 5739.0210 of the Revised Code.

(B)(1) The clerk, except as provided in this section, shall refuse to accept for filing any application for a certificate of title and shall refuse to issue a certificate of title unless the dealer or the applicant, in cases in which the certificate shall be obtained by the buyer, submits with the application payment of the tax levied by or pursuant to Chapters 5739. and 5741. of the Revised Code based on the purchaser's county of residence. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner showing payment of the tax or a receipt issued by the commissioner showing the payment of the tax. When submitting payment of the tax to the clerk, a dealer shall retain any discount to which the dealer is entitled under section 5739.12 of the Revised Code.

(2) For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent, and the clerk shall pay the poundage fee into the certificate of title administration fund created by section 325.33 of the Revised Code. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

(3) In the case of casual sales of motor vehicles, as defined in section

4517.01 of the Revised Code, the price for the purpose of determining the tax shall be the purchase price on the assigned certificate of title executed by the seller and filed with the clerk by the buyer on a form to be prescribed by the registrar, which shall be prima-facie evidence of the amount for the determination of the tax.

(4) Each county clerk shall forward to the treasurer of state all sales and use tax collections resulting from sales of motor vehicles, off-highway motorcycles, and all-purpose vehicles during a calendar week on or before the Friday following the close of that week. If, on any Friday, the offices of the clerk of courts or the state are not open for business, the tax shall be forwarded to the treasurer of state on or before the next day on which the offices are open. Every remittance of tax under division (B)(4) of this section shall be accompanied by a remittance report in such form as the tax commissioner prescribes. Upon receipt of a tax remittance and remittance report, the treasurer of state shall date stamp the report and forward it to the tax commissioner. If the tax due for any week is not remitted by a clerk of courts as required under division (B)(4) of this section, the commissioner may require the clerk to forfeit the poundage fees for the sales made during that week. The treasurer of state may require the clerks of courts to transmit tax collections and remittance reports electronically.

(C)(1) If the transferor indicates on the certificate of title that the odometer reflects mileage in excess of the designed mechanical limit of the odometer, the clerk shall enter the phrase "exceeds mechanical limits" following the mileage designation. If the transferor indicates on the certificate of title that the odometer reading is not the actual mileage, the clerk shall enter the phrase "nonactual: warning - odometer discrepancy" following the mileage designation. The clerk shall use reasonable care in transferring the information supplied by the transferor, but is not liable for any errors or omissions of the clerk or those of the clerk's deputies in the performance of the clerk's duties created by this chapter.

The registrar shall prescribe an affidavit in which the transferor shall swear to the true selling price and, except as provided in this division, the true odometer reading of the motor vehicle. The registrar may prescribe an affidavit in which the seller and buyer provide information pertaining to the odometer reading of the motor vehicle in addition to that required by this section, as such information may be required by the United States secretary of transportation by rule prescribed under authority of subchapter IV of the "Motor Vehicle Information and Cost Savings Act," 86 Stat. 961 (1972), 15 U.S.C. 1981.

(2) Division (C)(1) of this section does not require the giving of

information concerning the odometer and odometer reading of a motor vehicle when ownership of a motor vehicle is being transferred as a result of a bequest, under the laws of intestate succession, to a survivor pursuant to section 2106.18, 2131.12, or 4505.10 of the Revised Code, to a transfer-on-death beneficiary or beneficiaries pursuant to section 2131.13 of the Revised Code, in connection with the creation of a security interest or for a vehicle with a gross vehicle weight rating of more than sixteen thousand pounds.

(D) When the transfer to the applicant was made in some other state or in interstate commerce, the clerk, except as provided in this section, shall refuse to issue any certificate of title unless the tax imposed by or pursuant to Chapter 5741. of the Revised Code based on the purchaser's county of residence has been paid as evidenced by a receipt issued by the tax commissioner, or unless the applicant submits with the application payment of the tax. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner, showing payment of the tax.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

When the vendor is not regularly engaged in the business of selling motor vehicles, the vendor shall not be required to purchase a vendor's license or make reports concerning those sales.

(E) The clerk shall accept any payment of a tax in cash, or by cashier's check, certified check, draft, money order, or teller check issued by any insured financial institution payable to the clerk and submitted with an application for a certificate of title under division (B) or (D) of this section. The clerk also may accept payment of the tax by corporate, business, or personal check, credit card, electronic transfer or wire transfer, debit card, or any other accepted form of payment made payable to the clerk. The clerk

may require bonds, guarantees, or letters of credit to ensure the collection of corporate, business, or personal checks. Any service fee charged by a third party to a clerk for the use of any form of payment may be paid by the clerk from the certificate of title administration fund created in section 325.33 of the Revised Code, or may be assessed by the clerk upon the applicant as an additional fee. Upon collection, the additional fees shall be paid by the clerk into that certificate of title administration fund.

The clerk shall make a good faith effort to collect any payment of taxes due but not made because the payment was returned or dishonored, but the clerk is not personally liable for the payment of uncollected taxes or uncollected fees. The clerk shall notify the tax commissioner of any such payment of taxes that is due but not made and shall furnish the information to the commissioner that the commissioner requires. The clerk shall deduct the amount of taxes due but not paid from the clerk's periodic remittance of tax payments, in accordance with procedures agreed upon by the tax commissioner. The commissioner may collect taxes due by assessment in the manner provided in section 5739.13 of the Revised Code.

Any person who presents payment that is returned or dishonored for any reason is liable to the clerk for payment of a penalty over and above the amount of the taxes due. The clerk shall determine the amount of the penalty, and the penalty shall be no greater than that amount necessary to compensate the clerk for banking charges, legal fees, or other expenses incurred by the clerk in collecting the returned or dishonored payment. The remedies and procedures provided in this section are in addition to any other available civil or criminal remedies. Subsequently collected penalties, poundage fees, and title fees, less any title fee due the state, from returned or dishonored payments collected by the clerk shall be paid into the certificate of title administration fund. Subsequently collected taxes, less poundage fees, shall be sent by the clerk to the treasurer of state at the next scheduled periodic remittance of tax payments, with information as the commissioner may require. The clerk may abate all or any part of any penalty assessed under this division.

(F) In the following cases, the clerk shall accept for filing an application and shall issue a certificate of title without requiring payment or evidence of payment of the tax:

(1) When the purchaser is this state or any of its political subdivisions, a church, or an organization whose purchases are exempted by section 5739.02 of the Revised Code;

(2) When the transaction in this state is not a retail sale as defined by section 5739.01 of the Revised Code;

(3) When the purchase is outside this state or in interstate commerce and the purpose of the purchaser is not to use, store, or consume within the meaning of section 5741.01 of the Revised Code;

(4) When the purchaser is the federal government;

(5) When the motor vehicle was purchased outside this state for use outside this state;

(6) When the motor vehicle is purchased by a nonresident under the circumstances described in division (B)(1) of section 5739.029 of the Revised Code, and upon presentation of a copy of the affidavit provided by that section, and a copy of the exemption certificate provided by section 5739.03 of the Revised Code.

(G) An application, as prescribed by the registrar and agreed to by the tax commissioner, shall be filled out and sworn to by the buyer of a motor vehicle in a casual sale. The application shall contain the following notice in bold lettering: "WARNING TO TRANSFEROR AND TRANSFEREE (SELLER AND BUYER): You are required by law to state the true selling price. A false statement is in violation of section 2921.13 of the Revised Code and is punishable by six months' imprisonment or a fine of up to one thousand dollars, or both. All transfers are audited by the department of taxation. The seller and buyer must provide any information requested by the department of taxation. The buyer may be assessed any additional tax found to be due."

(H) For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the clerk shall accept for filing, pursuant to Chapter 5739. of the Revised Code, an application for a certificate of title for a manufactured home or mobile home without requiring payment of any tax pursuant to section 5739.02, 5741.021, 5741.022, or 5741.023 of the Revised Code, or a receipt issued by the tax commissioner showing payment of the tax. For sales of manufactured homes or mobile homes occurring on or after January 1, 2000, the applicant shall pay to the clerk an additional fee of five dollars for each certificate of title issued by the clerk for a manufactured or mobile home pursuant to division (H) of section 4505.11 of the Revised Code and for each certificate of title issued upon transfer of ownership of the home. The clerk shall credit the fee to the county certificate of title administration fund, and the fee shall be used to pay the expenses of archiving those certificates pursuant to division (A) of section 4505.08 and division (H)(3) of section 4505.11 of the Revised Code. The tax commissioner shall administer any tax on a manufactured or mobile home pursuant to Chapters 5739. and 5741. of the Revised Code.

(I) Every clerk shall have the capability to transact by electronic means

all procedures and transactions relating to the issuance of motor vehicle certificates of title that are described in the Revised Code as being accomplished by electronic means.

Sec. 4505.061. If the application for a certificate of title refers to a motor vehicle last previously registered in another state, the application shall be accompanied by a physical inspection certificate issued by the department of public safety verifying the make, body type, model, and manufacturer's vehicle identification number of the motor vehicle for which the certificate of title is desired. The physical inspection certificate shall be in such form as is designated by the registrar of motor vehicles. The physical inspection of the motor vehicle shall be made at a deputy registrar's office, or at an established place of business operated by a licensed motor vehicle dealer. Additionally, the physical inspection of a salvage vehicle owned by an insurance company may be made at an established place of business operated by a motor vehicle salvage dealer, salvage motor vehicle auction, or salvage motor vehicle pool licensed under Chapter 4738. of the Revised Code. The deputy registrar, motor vehicle dealer, motor vehicle salvage dealer, salvage motor vehicle auction, or salvage motor vehicle pool may charge a maximum fee of three dollars and fifty cents equal to the amount established under section 4503.038 of the Revised Code for conducting the physical inspection.

The clerk of the court of common pleas shall charge a fee of one dollar and fifty cents for the processing of each physical inspection certificate. The clerk shall retain fifty cents of the one dollar and fifty cents so charged and shall pay the remaining one dollar to the registrar by monthly returns, which shall be forwarded to the registrar not later than the fifth day of the month next succeeding that in which the certificate is received by the clerk. The registrar shall pay such remaining sums into the state bureau of motor vehicles public safety - highway purposes fund established by section ~~4501.25~~ 4501.06 of the Revised Code.

Sec. 4505.09. (A)(1) The clerk of a court of common pleas shall charge and retain fees as follows:

(b) Fifteen dollars for each certificate of title or duplicate certificate of title including the issuance of a memorandum certificate of title, or authorization to print a non-negotiable evidence of ownership described in division (G) of section 4505.08 of the Revised Code, non-negotiable evidence of ownership printed by the clerk under division (H) of that

section, and notation of any lien on a certificate of title that is applied for at the same time as the certificate of title. The clerk shall retain eleven dollars and fifty cents of that fee for each certificate of title when there is a notation of a lien or security interest on the certificate of title, twelve dollars and twenty-five cents when there is no lien or security interest noted on the certificate of title, and eleven dollars and fifty cents for each duplicate certificate of title.

(c) Four dollars and fifty cents for each certificate of title with no security interest noted that is issued to a licensed motor vehicle dealer for resale purposes and, in addition, a separate fee of fifty cents. The clerk shall retain two dollars and twenty-five cents of that fee.

(2) The fees that are not retained by the clerk shall be paid to the registrar of motor vehicles by monthly returns, which shall be forwarded to the registrar not later than the fifth day of the month next succeeding that in which the certificate is issued or that in which the registrar is notified of a lien or cancellation of a lien.

(B)(1) The registrar shall pay twenty-five cents of the amount received for each certificate of title issued to a motor vehicle dealer for resale, one dollar for certificates of title issued with a lien or security interest noted on the certificate of title, and twenty-five cents for each certificate of title with no lien or security interest noted on the certificate of title into the ~~state bureau of motor vehicles~~ public safety - highway purposes fund established in section ~~4501.25~~ 4501.06 of the Revised Code.

(2) Fifty cents of the amount received for each certificate of title shall be paid by the registrar as follows:

(a) Four cents shall be paid into the state treasury to the credit of the motor vehicle dealers board fund, which is hereby created. All investment earnings of the fund shall be credited to the fund. The moneys in the motor vehicle dealers board fund shall be used by the motor vehicle dealers board created under section 4517.30 of the Revised Code, together with other moneys appropriated to it, in the exercise of its powers and the performance of its duties under Chapter 4517. of the Revised Code, except that the director of budget and management may transfer excess money from the motor vehicle dealers board fund to the ~~bureau of motor vehicles~~ public safety - highway purposes fund if the registrar determines that the amount of money in the motor vehicle dealers board fund, together with other moneys appropriated to the board, exceeds the amount required for the exercise of its

powers and the performance of its duties under Chapter 4517. of the Revised Code and requests the director to make the transfer.

(b) Twenty-one cents shall be paid into the highway operating fund.

(c) Twenty-five cents shall be paid into the state treasury to the credit of the motor vehicle sales audit fund, which is hereby created. The moneys in the fund shall be used by the tax commissioner together with other funds available to the commissioner to conduct a continuing investigation of sales and use tax returns filed for motor vehicles in order to determine if sales and use tax liability has been satisfied. The commissioner shall refer cases of apparent violations of section 2921.13 of the Revised Code made in connection with the titling or sale of a motor vehicle and cases of any other apparent violations of the sales or use tax law to the appropriate county prosecutor whenever the commissioner considers it advisable.

(3) Two dollars of the amount received by the registrar under divisions (A)(1)(a), (b), and (d) of this section and one dollar and fifty cents of the amount received by the registrar under division (A)(1)(c) of this section for each certificate of title shall be paid into the state treasury to the credit of the automated title processing fund, which is hereby created and which shall consist of moneys collected under division (B)(3) of this section and under sections 1548.10 and 4519.59 of the Revised Code. Those moneys also shall be used to pay expenses that arise as a result of enabling electronic motor vehicle dealers to directly transfer applications for certificates of title under division (A)(3) of section 4505.06 of the Revised Code.

(b) Moneys collected under section 1548.10 of the Revised Code shall be used to issue marine certificates of title in the offices of the clerks of the courts of common pleas as provided in Chapter 1548. of the Revised Code.

(4) The registrar shall pay the fifty-cent separate fee collected from a licensed motor vehicle dealer under division (A)(1)(c) of this section into the title defect recision fund created by section 1345.52 of the Revised

Code.

(C)(1) The automated title processing board is hereby created consisting of the registrar or the registrar's representative, a person selected by the registrar, the president of the Ohio clerks of court association or the president's representative, and two clerks of courts of common pleas appointed by the governor. The director of budget and management or the director's designee, the chief of the division of parks and watercraft in the department of natural resources or the chief's designee, and the tax commissioner or the commissioner's designee shall be nonvoting members of the board. The purpose of the board is to facilitate the operation and maintenance of an automated title processing system and approve the procurement of automated title processing system equipment and ribbons, cartridges, or other devices necessary for the operation of that equipment. Voting members of the board, excluding the registrar or the registrar's representative, shall serve without compensation, but shall be reimbursed for travel and other necessary expenses incurred in the conduct of their official duties. The registrar or the registrar's representative shall receive neither compensation nor reimbursement as a board member.

(2) The automated title processing board shall determine each of the following:

(a) The automated title processing equipment and certificates of title requirements for each county;

(b) The payment of expenses that may be incurred by the counties in implementing an automated title processing system;

(c) The repayment to the counties for existing title processing equipment;

(d) With the approval of the director of public safety, the award of grants from the automated title processing fund to the clerk of courts of any county who employs a person who assists with the design of, updates to, tests of, installation of, or any other activity related to, an automated title processing system. Any grant awarded under division (C)(2)(d) of this section shall be deposited into the appropriate county certificate of title administration fund created under section 325.33 of the Revised Code and shall not be used to supplant any other funds.

(3) The registrar shall purchase, lease, or otherwise acquire any automated title processing equipment and certificates of title that the board determines are necessary from moneys in the automated title processing fund established by division (B)(3) of this section.

(D) All counties shall conform to the requirements of the registrar regarding the operation of their automated title processing system for motor

vehicle titles, certificates of title for off-highway motorcycles and all-purpose vehicles, and certificates of title for watercraft and outboard motors.

Sec. 4505.11. This section shall also apply to all-purpose vehicles and off-highway motorcycles as defined in section 4519.01 of the Revised Code.

(A) Each owner of a motor vehicle and each person mentioned as owner in the last certificate of title, when the motor vehicle is dismantled, destroyed, or changed in such manner that it loses its character as a motor vehicle, or changed in such manner that it is not the motor vehicle described in the certificate of title, shall surrender the certificate of title to that motor vehicle to a clerk of a court of common pleas, and the clerk, with the consent of any holders of any liens noted on the certificate of title, then shall enter a cancellation upon the clerk's records and shall notify the registrar of motor vehicles of the cancellation.

Upon the cancellation of a certificate of title in the manner prescribed by this section, any clerk and the registrar of motor vehicles may cancel and destroy all certificates and all memorandum certificates in that chain of title.

(B)(1) If an Ohio certificate of title or salvage certificate of title to a motor vehicle is assigned to a salvage dealer, the dealer is not required to obtain an Ohio certificate of title or a salvage certificate of title to the motor vehicle in the dealer's own name if the dealer dismantles or destroys the motor vehicle, indicates the number of the dealer's motor vehicle salvage dealer's license on it, marks "FOR DESTRUCTION" across the face of the certificate of title or salvage certificate of title, and surrenders the certificate of title or salvage certificate of title to a clerk of a court of common pleas as provided in division (A) of this section. If the salvage dealer retains the motor vehicle for resale, the dealer shall make application for a salvage certificate of title to the motor vehicle in the dealer's own name as provided in division (C)(1) of this section.

(2) At the time any salvage motor vehicle is sold at auction or through a pool, the salvage motor vehicle auction or salvage motor vehicle pool shall give a copy of the salvage certificate of title or a copy of the certificate of title marked "FOR DESTRUCTION" to the purchaser.

(C)(1) When an insurance company declares it economically impractical to repair such a motor vehicle and has paid an agreed price for the purchase of the motor vehicle to any insured or claimant owner, the insurance company shall proceed as follows:

(a) If an insurance company receives the certificate of title and the motor vehicle, within thirty business days, the insurance company shall deliver the certificate of title to a clerk of a court of common pleas and shall

make application for a salvage certificate of title.

(b) If an insurance company obtains possession of the motor vehicle and a physical certificate of title was issued for the vehicle but the insurance company is unable to obtain the properly endorsed certificate of title for the motor vehicle within thirty business days following the vehicle's owner or lienholder's acceptance of the insurance company's payment for the vehicle, the insurance company may apply to the clerk of a court of common pleas for a salvage certificate of title without delivering the certificate of title for the motor vehicle. The application shall be accompanied by evidence that the insurance company has paid a total loss claim on the vehicle, a copy of the written request for the certificate of title from the insurance company or its designee, and proof that the request was delivered by a nationally recognized courier service to the last known address of the owner of the vehicle and any known lienholder, to obtain the certificate of title.

(c) If an insurance company obtains possession of the motor vehicle and a physical certificate of title was not issued for the vehicle, the insurance company may apply to the clerk of a court of common pleas for a salvage certificate of title without delivering a certificate of title for the motor vehicle. The application shall be accompanied by the electronic certificate of title control number and a properly executed power of attorney, or other appropriate document, from the owner of the motor vehicle authorizing the insurance company to apply for a salvage certificate of title.

(d) Upon receipt of a properly completed application for a salvage certificate of title as described in division (C)(1)(a) ~~or (b)~~ or (c) or (C)(2) of this section, the clerk shall issue the salvage certificate of title on a form, prescribed by the registrar, that shall be easily distinguishable from the original certificate of title and shall bear the same information as the original certificate of title except that it may bear a different number than that of the original certificate of title. The salvage certificate of title shall include the following notice in bold lettering:

"SALVAGE MOTOR VEHICLE - PURSUANT TO R.C. 4738.01."

Except as provided in division (C)(3) of this section, the salvage certificate of title shall be assigned by the insurance company to a salvage dealer or any other person for use as evidence of ownership upon the sale or other disposition of the motor vehicle, and the salvage certificate of title shall be transferable to any other person. The clerk shall charge a fee of four dollars for the cost of processing each salvage certificate of title.

(2) If an insurance company requests that a salvage motor vehicle auction take possession of a motor vehicle that is the subject of an insurance claim, and subsequently the insurance company denies coverage with

respect to the motor vehicle or does not otherwise take ownership of the motor vehicle, the salvage motor vehicle auction may proceed as follows. After the salvage motor vehicle auction has possession of the motor vehicle for forty-five days, it may apply to the clerk of a court of common pleas for a salvage certificate of title without delivering the certificate of title for the motor vehicle. The application shall be accompanied by a copy of the written request that the vehicle be removed from the facility on the salvage motor vehicle auction's letterhead, and proof that the request was delivered by a nationally recognized courier service to the last known address of the owner of the vehicle and any known lienholder, requesting that the vehicle be removed from the facility of the salvage motor vehicle auction. Upon receipt of a properly completed application, the clerk shall follow the process as described in division (C)(1)(~~e~~)(d) of this section. The salvage certificate of title so issued shall be free and clear of all liens.

(3) If an insurance company considers a motor vehicle as described in division (C)(1)(a) ~~or~~ (b), ~~or~~ (c) of this section to be impossible to restore for highway operation, the insurance company may assign the certificate of title to the motor vehicle to a salvage dealer or scrap metal processing facility and send the assigned certificate of title to the clerk of the court of common pleas of any county. The insurance company shall mark the face of the certificate of title "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(4) If an insurance company declares it economically impractical to repair a motor vehicle, agrees to pay to the insured or claimant owner an amount in settlement of a claim against a policy of motor vehicle insurance covering the motor vehicle, and agrees to permit the insured or claimant owner to retain possession of the motor vehicle, the insurance company shall not pay the insured or claimant owner any amount in settlement of the insurance claim until the owner obtains a salvage certificate of title to the vehicle and furnishes a copy of the salvage certificate of title to the insurance company.

(D) When a self-insured organization, rental or leasing company, or secured creditor becomes the owner of a motor vehicle that is burned, damaged, or dismantled and is determined to be economically impractical to repair, the self-insured organization, rental or leasing company, or secured creditor shall do one of the following:

(1) Mark the face of the certificate of title to the motor vehicle "FOR DESTRUCTION" and surrender the certificate of title to a clerk of a court of common pleas for cancellation as described in division (A) of this

section. The self-insured organization, rental or leasing company, or secured creditor then shall deliver the motor vehicle, together with a photocopy of the certificate of title, to a salvage dealer or scrap metal processing facility and shall cause the motor vehicle to be dismantled, flattened, crushed, or destroyed.

(2) Obtain a salvage certificate of title to the motor vehicle in the name of the self-insured organization, rental or leasing company, or secured creditor, as provided in division (C)(1) of this section, and then sell or otherwise dispose of the motor vehicle. The registrar shall determine the date, time, and place of any hearing, provided that the hearing shall be held, and an order issued or findings made, within thirty days after the registrar receives a request for a hearing. If requested by the person in writing, the registrar may designate as the place of hearing the county seat of the county in which the person resides or a place within fifty miles of the person's residence. The person shall pay the cost of the hearing before the registrar, if the registrar's order of suspension or impoundment is upheld.

(C) Any order of suspension or impoundment issued under this section or division (B) of section 4509.37 of the Revised Code may be terminated at any time if the registrar determines upon a showing of proof of financial

responsibility that the operator or owner of the motor vehicle was in compliance with division (A)(1) of this section at the time of the traffic offense, motor vehicle inspection, or accident that resulted in the order against the person. A determination may be made without a hearing. This division does not apply unless the person shows good cause for the person's failure to present satisfactory proof of financial responsibility to the registrar prior to the issuance of the order.

(D)(1) For the purpose of enforcing this section, every peace officer is deemed an agent of the registrar.

(a) Except as provided in division (D)(1)(b) of this section, any peace officer who, in the performance of the peace officer's duties as authorized by law, becomes aware of a person whose license is under an order of suspension, or whose certificate of registration and license plates are under an order of impoundment, pursuant to this section, may confiscate the license, certificate of registration, and license plates, and return them to the registrar.

(b) Any peace officer who, in the performance of the peace officer's duties as authorized by law, becomes aware of a person whose license is under an order of suspension, or whose certificate of registration and license plates are under an order of impoundment resulting from failure to respond to a financial responsibility random verification, shall not, for that reason, arrest the owner or operator or seize the vehicle or license plates. Instead, the peace officer shall issue a citation for a violation of section 4510.16 of the Revised Code specifying the circumstances as failure to respond to a financial responsibility random verification.

(2) A peace officer shall request the owner or operator of a motor vehicle to produce proof of financial responsibility in a manner described in division (G) of this section at the time the peace officer acts to enforce the traffic laws of this state and during motor vehicle inspections conducted pursuant to section 4513.02 of the Revised Code.

(3) A peace officer shall indicate on every traffic ticket whether the person receiving the traffic ticket produced proof of the maintenance of financial responsibility in response to the officer's request under division (D)(2) of this section. The peace officer shall inform every person who receives a traffic ticket and who has failed to produce proof of the maintenance of financial responsibility that the person must submit proof to the traffic violations bureau with any payment of a fine and costs for the ticketed violation or, if the person is to appear in court for the violation, the person must submit proof to the court.

(4)(a) If a person who has failed to produce proof of the maintenance of

financial responsibility appears in court for a ticketed violation, the court may permit the defendant to present evidence of proof of financial responsibility to the court at such time and in such manner as the court determines to be necessary or appropriate. In a manner prescribed by the registrar, the clerk of courts shall provide the registrar with the identity of any person who fails to submit proof of the maintenance of financial responsibility pursuant to division (D)(3) of this section.

(b) If a person who has failed to produce proof of the maintenance of financial responsibility also fails to submit that proof to the traffic violations bureau with payment of a fine and costs for the ticketed violation, the traffic violations bureau, in a manner prescribed by the registrar, shall notify the registrar of the identity of that person.

(5)(a) Upon receiving notice from a clerk of courts or traffic violations bureau pursuant to division (D)(4) of this section, the registrar shall order the suspension of the license of the person required under division (A)(2)(a), (b), or (c) of this section and the impoundment of the person's certificate of registration and license plates required under division (A)(2)(d) of this section, effective thirty days after the date of the mailing of notification. The registrar also shall notify the person that the person must present the registrar with proof of financial responsibility in accordance with this section, surrender to the registrar the person's certificate of registration, license plates, and license, or submit a statement subject to section 2921.13 of the Revised Code that the person did not operate or permit the operation of the motor vehicle at the time of the offense. Notification shall be in writing and shall be sent to the person at the person's last known address as shown on the records of the bureau of motor vehicles. The person, within fifteen days after the date of the mailing of notification, shall present proof of financial responsibility, surrender the certificate of registration, license plates, and license to the registrar in a manner set forth in division (A)(4) of this section, or submit the statement required under this section together with other information the person considers appropriate.

If the registrar does not receive proof or the person does not surrender the certificate of registration, license plates, and license, in accordance with this division, the registrar shall permit the order for the suspension of the license of the person and the impoundment of the person's certificate of registration and license plates to take effect.

(b) In the case of a person who presents, within the fifteen-day period, proof of financial responsibility, the registrar shall terminate the order of suspension and the impoundment of the registration and license plates required under division (A)(2)(d) of this section and shall send written

notification to the person, at the person's last known address as shown on the records of the bureau.

(c) Any person adversely affected by the order of the registrar under division (D)(5)(a) or (b) of this section, within ten days after the issuance of the order, may request an administrative hearing before the registrar, who shall provide the person with an opportunity for a hearing in accordance with this paragraph. A request for a hearing does not operate as a suspension of the order. The scope of the hearing shall be limited to whether, at the time of the hearing, the person presents proof of financial responsibility covering the vehicle and whether the person is eligible for an exemption in accordance with this section or any rule adopted under it. The registrar shall determine the date, time, and place of any hearing; provided, that the hearing shall be held, and an order issued or findings made, within thirty days after the registrar receives a request for a hearing. If requested by the person in writing, the registrar may designate as the place of hearing the county seat of the county in which the person resides or a place within fifty miles of the person's residence. Such person shall pay the cost of the hearing before the registrar, if the registrar's order of suspension or impoundment under division (D)(5)(a) or (b) of this section is upheld.

(6) A peace officer may charge an owner or operator of a motor vehicle with a violation of section 4510.16 of the Revised Code when the owner or operator fails to show proof of the maintenance of financial responsibility pursuant to a peace officer's request under division (D)(2) of this section, if a check of the owner or operator's driving record indicates that the owner or operator, at the time of the operation of the motor vehicle, is required to file and maintain proof of financial responsibility under section 4509.45 of the Revised Code for a previous violation of this chapter.

(7) Any forms used by law enforcement agencies in administering this section shall be prescribed, supplied, and paid for by the registrar.

(8) No peace officer, law enforcement agency employing a peace officer, or political subdivision or governmental agency that employs a peace officer shall be liable in a civil action for damages or loss to persons arising out of the performance of any duty required or authorized by this section.

(9) As used in this section, "peace officer" has the meaning set forth in section 2935.01 of the Revised Code.

(E) All fees, except court costs, fees paid to a deputy registrar, and those portions of the financial responsibility reinstatement fees as otherwise specified in this division, collected under this section shall be paid into the state treasury to the credit of the ~~state bureau of motor vehicles~~ public safety

- highway purposes fund established in section ~~4501.25~~ 4501.06 of the Revised Code and used to cover costs incurred by the bureau in the administration of this section and sections 4503.20, 4507.212, and 4509.81 of the Revised Code, and by any law enforcement agency employing any peace officer who returns any license, certificate of registration, and license plates to the registrar pursuant to division (C) of this section.

Of each financial responsibility reinstatement fee the registrar collects pursuant to division (A)(5)(a) of this section or receives from a deputy registrar under division (A)(5)(d) of this section, the registrar shall deposit twenty-five dollars of each one-hundred-dollar reinstatement fee, fifty dollars of each three-hundred-dollar reinstatement fee, and one hundred dollars of each six-hundred-dollar reinstatement fee into the state treasury to the credit of the indigent defense support fund created by section 120.08 of the Revised Code.

(F) Chapter 119. of the Revised Code applies to this section only to the extent that any provision in that chapter is not clearly inconsistent with this section.

(G)(1)(a) The registrar, court, traffic violations bureau, or peace officer may require proof of financial responsibility to be demonstrated by use of a standard form prescribed by the registrar. If the use of a standard form is not required, a person may demonstrate proof of financial responsibility under this section by presenting to the traffic violations bureau, court, registrar, or peace officer any of the following documents or a copy of the documents:

(i) A financial responsibility identification card as provided in section 4509.103 of the Revised Code;

(ii) A certificate of proof of financial responsibility on a form provided and approved by the registrar for the filing of an accident report required to be filed under section 4509.06 of the Revised Code;

(iii) A policy of liability insurance, a declaration page of a policy of liability insurance, or liability bond, if the policy or bond complies with section 4509.20 or sections 4509.49 to 4509.61 of the Revised Code;

(iv) A bond or certification of the issuance of a bond as provided in section 4509.59 of the Revised Code;

(v) A certificate of deposit of money or securities as provided in section 4509.62 of the Revised Code;

(vi) A certificate of self-insurance as provided in section 4509.72 of the Revised Code.

(b) A person also may present proof of financial responsibility under this section to the traffic violations bureau, court, registrar, or peace officer through use of an electronic wireless communications device as specified

under section 4509.103 of the Revised Code.

(2) If a person fails to demonstrate proof of financial responsibility in a manner described in division (G)(1) of this section, the person may demonstrate proof of financial responsibility under this section by any other method that the court or the bureau, by reason of circumstances in a particular case, may consider appropriate.

(3) A motor carrier certificated by the interstate commerce commission or by the public utilities commission may demonstrate proof of financial responsibility by providing a statement designating the motor carrier's operating authority and averring that the insurance coverage required by the certificating authority is in full force and effect.

(4)(a) A finding by the registrar or court that a person is covered by proof of financial responsibility in the form of an insurance policy or surety bond is not binding upon the named insurer or surety or any of its officers, employees, agents, or representatives and has no legal effect except for the purpose of administering this section.

(b) The preparation and delivery of a financial responsibility identification card or any other document authorized to be used as proof of financial responsibility and the generation and delivery of proof of financial responsibility to an electronic wireless communications device that is displayed on the device as text or images does not do any of the following:

(i) Create any liability or estoppel against an insurer or surety, or any of its officers, employees, agents, or representatives;

(ii) Constitute an admission of the existence of, or of any liability or coverage under, any policy or bond;

(iii) Waive any defenses or counterclaims available to an insurer, surety, agent, employee, or representative in an action commenced by an insured or third-party claimant upon a cause of action alleged to have arisen under an insurance policy or surety bond or by reason of the preparation and delivery of a document for use as proof of financial responsibility or the generation and delivery of proof of financial responsibility to an electronic wireless communications device.

(c) Whenever it is determined by a final judgment in a judicial proceeding that an insurer or surety, which has been named on a document or displayed on an electronic wireless communications device accepted by a court or the registrar as proof of financial responsibility covering the operation of a motor vehicle at the time of an accident or offense, is not liable to pay a judgment for injuries or damages resulting from such operation, the registrar, notwithstanding any previous contrary finding, shall forthwith suspend the operating privileges and registration rights of the

person against whom the judgment was rendered as provided in division (A)(2) of this section.

(H) In order for any document or display of text or images on an electronic wireless communications device described in division (G)(1) of this section to be used for the demonstration of proof of financial responsibility under this section, the document or words or images shall state the name of the insured or obligor, the name of the insurer or surety company, and the effective and expiration dates of the financial responsibility, and designate by explicit description or by appropriate reference all motor vehicles covered which may include a reference to fleet insurance coverage.

(I) For purposes of this section, "owner" does not include a licensed motor vehicle leasing dealer as defined in section 4517.01 of the Revised Code, but does include a motor vehicle renting dealer as defined in section 4549.65 of the Revised Code. Nothing in this section or in section 4509.51 of the Revised Code shall be construed to prohibit a motor vehicle renting dealer from entering into a contractual agreement with a person whereby the person renting the motor vehicle agrees to be solely responsible for maintaining proof of financial responsibility, in accordance with this section, with respect to the operation, maintenance, or use of the motor vehicle during the period of the motor vehicle's rental.

(J) The purpose of this section is to require the maintenance of proof of financial responsibility with respect to the operation of motor vehicles on the highways of this state, so as to minimize those situations in which persons are not compensated for injuries and damages sustained in motor vehicle accidents. The general assembly finds that this section contains reasonable civil penalties and procedures for achieving this purpose.

(K) Nothing in this section shall be construed to be subject to section 4509.78 of the Revised Code.

(L)(1) The registrar may terminate any suspension imposed under this section and not require the owner to comply with divisions (A)(5)(a), (b), and (c) of this section if the registrar with or without a hearing determines that the owner of the vehicle has established by clear and convincing evidence that all of the following apply:

- (a) The owner customarily maintains proof of financial responsibility.
- (b) Proof of financial responsibility was not in effect for the vehicle on the date in question for one of the following reasons:
 - (i) The vehicle was inoperable.
 - (ii) The vehicle is operated only seasonally, and the date in question was outside the season of operation.

(iii) A person other than the vehicle owner or driver was at fault for the lapse of proof of financial responsibility through no fault of the owner or driver.

(iv) The lapse of proof of financial responsibility was caused by excusable neglect under circumstances that are not likely to recur and do not suggest a purpose to evade the requirements of this chapter.

(2) The registrar may grant an owner or driver relief for a reason specified in division (L)(1)(b)(i) or (ii) of this section whenever the owner or driver is randomly selected to verify the existence of proof of financial responsibility for such a vehicle. However, the registrar may grant an owner or driver relief for a reason specified in division (L)(1)(b)(iii) or (iv) of this section only if the owner or driver has not previously been granted relief under division (L)(1)(b)(iii) or (iv) of this section.

(M) The registrar shall adopt rules in accordance with Chapter 119. of the Revised Code that are necessary to administer and enforce this section. The rules shall include procedures for the surrender of license plates upon failure to maintain proof of financial responsibility and provisions relating to reinstatement of registration rights, acceptable forms of proof of financial responsibility, the use of an electronic wireless communications device to present proof of financial responsibility, and verification of the existence of financial responsibility during the period of registration.

(N)(1) When a person utilizes an electronic wireless communications device to present proof of financial responsibility, only the evidence of financial responsibility displayed on the device shall be viewed by the registrar, peace officer, employee or official of the traffic violations bureau, or the court. No other content of the device shall be viewed for purposes of obtaining proof of financial responsibility.

(2) When a person provides an electronic wireless communications device to the registrar, a peace officer, an employee or official of a traffic violations bureau, or the court, the person assumes the risk of any resulting damage to the device unless the registrar, peace officer, employee, or official, or court personnel purposely, knowingly, or recklessly commits an action that results in damage to the device.

Sec. 4509.81. (A) Upon receipt of a notification of violation as provided in division (C) of section 4509.80 of the Revised Code; upon failure of a timely surrender of the livery license plate sticker as required by division (D) of section 4509.80 of the Revised Code; or if the registrar of motor vehicles, upon receipt of notification from an insurer of the imminent cancellation or termination of coverage required by section 4509.80 of the Revised Code, fails to receive evidence of a continuation or substitution of

coverage prior to the cancellation or termination date, the registrar shall order the immediate suspension of the rights of the owner of the chauffeured limousine described in the notice to register the limousine and the impoundment of the certificate of registration and registration plates for the limousine. The registrar shall notify the owner that the owner must surrender the certificate of registration and registration plates to the registrar. The notification shall be in writing and sent to the owner at the owner's last known address as shown in the records of the bureau of motor vehicles. Proceedings under this section are deemed special, summary statutory proceedings.

(B) The order of suspension and impoundment of a registration shall state the date on or before which the owner of the chauffeured limousine involved is required to surrender the certificate of registration and registration plates to the registrar. The owner shall be deemed to have surrendered the certificate of registration and registration plates if the owner causes the items to be delivered to the registrar on or before the date specified in the order or mails the items to the registrar in an envelope or container bearing a postmark showing a date no later than the date specified in the order.

(C) The registrar shall not restore any registration rights suspended under this section, return any certificate of registration or registration plates impounded under this section, or reissue registration plates under section 4503.232 of the Revised Code, if the registrar destroyed the impounded registration plates under that section, unless those rights are not subject to suspension under any other law and unless the owner complies with both of the following:

(1) Pays to the registrar or an eligible deputy registrar a financial responsibility reinstatement fee of thirty dollars. The reinstatement fee may be increased, upon approval of the controlling board, up to an amount not exceeding fifty dollars. In addition, pays a service fee of ten dollars to each deputy registrar to compensate the deputy registrar for services performed under this section. The deputy registrar shall retain eight dollars of the service fee and shall transmit the reinstatement fee and two dollars of the service fee to the registrar in the manner the registrar shall determine.

(2) Files and maintains proof of financial responsibility under section 4509.80 of the Revised Code.

(D) Any owner adversely affected by the order of the registrar under this section may, within ten days after the issuance of the order, request an administrative hearing before the registrar, who shall provide the owner with an opportunity for a hearing in accordance with this division. A request for a

hearing does not operate as a suspension of the order unless the owner establishes to the satisfaction of the registrar that the operation of the owner's chauffeured limousine will be covered by proof of financial responsibility during the pendency of the appeal. The scope of the hearing shall be limited to whether the owner in fact demonstrated to the registrar proof of financial responsibility in accordance with section 4509.80 of the Revised Code. The registrar shall determine the date, time, and place of any hearing, provided that the hearing shall be held and an order issued or findings made within thirty days after the registrar receives a request for a hearing. If requested by the owner in writing, the registrar may designate as the place of hearing the county seat of the county in which the owner resides or a place within fifty miles of the owner's residence. The owner shall pay the cost of the hearing before the registrar, if the registrar's order of suspension or impoundment is upheld.

(E) Any order of suspension or impoundment issued under this section may be terminated at any time if the registrar determines upon a showing of proof of financial responsibility that the owner of the limousine was in compliance with section 4509.80 of the Revised Code at the time of the incident that resulted in the order against the owner. Such a determination may be made without a hearing.

(F) All fees transmitted to the registrar by a deputy registrar, that are collected by the registrar or transmitted to the registrar under this section shall be paid into the state treasury to the credit of the ~~state bureau of motor vehicles~~ public safety - highway purposes fund created by section ~~4501.25~~ 4501.06 of the Revised Code.

(G) Chapter 119. of the Revised Code applies to this section only to the extent that any provision in that chapter is not clearly inconsistent with this section.

(H)(1) Proof of financial responsibility may be demonstrated by any of the methods authorized in section 4509.80 of the Revised Code.

(2) Divisions (G)(4)(a) and (b) of section 4509.101 of the Revised Code apply to any finding by the registrar under this section that an owner is covered by proof of financial responsibility.

Sec. 4510.13. (4) If a county, juvenile, or municipal court determines, in consultation with the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health district in which the court is located, that the funds in the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of the court are more than sufficient to satisfy the purpose for which the fund was established, as specified in divisions (H)(1) to (3) of this section, the court may declare a surplus in the fund. If the court declares a surplus in the fund, the court may take any of the following actions with regard to the amount of the surplus in the fund:

(a) Expend any of the surplus amount for alcohol and drug abuse assessment and treatment, and for the cost of transportation related to assessment and treatment, of persons who are charged in the court with committing a criminal offense or with being a delinquent child or juvenile traffic offender and in relation to whom both of the following apply:

(i) The court determines that substance abuse was a contributing factor

leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) Expend any of the surplus amount to pay all or part of the cost of purchasing alcohol monitoring devices to be used in conjunction with division (H)(3)(c) of this section, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device.

(c) Transfer to another court in the same county any of the surplus amount to be utilized in a manner consistent with division (H)(3) of this section. If surplus funds are transferred to another court, the court that transfers the funds shall notify the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services that serves the alcohol, drug addiction, and mental health service district in which that court is located.

(d) Transfer to the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services that serves the alcohol, drug addiction, and mental health service district in which the court is located any of the surplus amount to be utilized in a manner consistent with division (H)(3) of this section or for board contracted recovery support services.

(5) In order to determine if an offender does not have the means to pay for the offender's attendance at an alcohol and drug addiction treatment program for purposes of division (H)(3) of this section or if an alleged offender or delinquent child is unable to pay the costs specified in division (H)(4) of this section, the court shall use the indigent client eligibility guidelines and the standards of indigency established by the state public defender to make the determination.

(6) The court shall identify and refer any community addiction services provider that intends to provide alcohol and drug addiction services and has not had its alcohol and drug addiction services certified under section 5119.36 of the Revised Code and that is interested in receiving amounts from the surplus in the fund declared under division (H)(4) of this section to the department of mental health and addiction services in order for the community addiction services provider to have its alcohol and drug addiction services certified by the department. The department shall keep a record of applicant referrals received pursuant to this division and shall submit a report on the referrals each year to the general assembly. If a

community addiction services provider interested in having its alcohol and drug addiction services certified makes an application pursuant to section 5119.36 of the Revised Code, the community addiction services provider is eligible to receive surplus funds as long as the application is pending with the department. The department of mental health and addiction services must offer technical assistance to the applicant. If the interested community addiction services provider withdraws the certification application, the department must notify the court, and the court shall not provide the interested community addiction services provider with any further surplus funds.

(7)(a) Each alcohol and drug addiction services board and board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code shall submit to the department of mental health and addiction services an annual report for each indigent drivers alcohol treatment fund in that board's area.

(b) The report, which shall be submitted not later than sixty days after the end of the state fiscal year, shall provide the total payment that was made from the fund, including the number of indigent consumers that received treatment services and the number of indigent consumers that received an alcohol monitoring device. The report shall identify the treatment program and expenditure for an alcohol monitoring device for which that payment was made. The report shall include the fiscal year balance of each indigent drivers alcohol treatment fund located in that board's area. In the event that a surplus is declared in the fund pursuant to division (H)(4) of this section, the report also shall provide the total payment that was made from the surplus moneys and identify the authorized purpose for which that payment was made.

(c) If a board is unable to obtain adequate information to develop the report to submit to the department for a particular indigent drivers alcohol treatment fund, the board shall submit a report detailing the effort made in obtaining the information.

(I)(1) Each county shall establish an indigent drivers interlock and alcohol monitoring fund and a juvenile indigent drivers interlock and alcohol treatment fund. Each municipal corporation in which there is a municipal court shall establish an indigent drivers interlock and alcohol monitoring fund. All revenue that the general assembly appropriates to the indigent drivers interlock and alcohol monitoring fund for transfer to a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund, all

portions of license reinstatement fees that are paid under division (F)(2) of this section and that are credited under that division to the indigent drivers interlock and alcohol monitoring fund in the state treasury, and all portions of fines that are paid under division (G) of section 4511.19 of the Revised Code and that are credited by division (G)(5)(e) of that section to the indigent drivers interlock and alcohol monitoring fund in the state treasury shall be deposited in the appropriate fund in accordance with division (I)(2) of this section.

(2) That portion of the license reinstatement fee that is paid under division (F) of this section and that portion of the fine paid under division (G) of section 4511.19 of the Revised Code and that is credited under either division to the indigent drivers interlock and alcohol monitoring fund shall be deposited into a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund as follows:

(a) If the fee or fine is paid by a person who was charged in a county court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county indigent drivers interlock and alcohol monitoring fund under the control of that court.

(b) If the fee or fine is paid by a person who was charged in a juvenile court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county juvenile indigent drivers interlock and alcohol monitoring fund established in the county served by the court.

(c) If the fee or fine is paid by a person who was charged in a municipal court with the violation that resulted in the suspension, the portion shall be deposited into the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court.

(3) If a county, juvenile, or municipal court determines that the funds in the county indigent drivers interlock and alcohol monitoring fund, the county juvenile indigent drivers interlock and alcohol monitoring fund, or the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court are more than sufficient to satisfy the purpose for which the fund was established as specified in division (F)(2)(h) of this section, the court may declare a surplus in the fund. The court then may order the transfer of a specified amount into the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of that court to be utilized in accordance with division (H) of this section.

Sec. 4511.21. (A) No person shall operate a motor vehicle, trackless trolley, or streetcar at a speed greater or less than is reasonable or proper, having due regard to the traffic, surface, and width of the street or highway and any other conditions, and no person shall drive any motor vehicle, trackless trolley, or streetcar in and upon any street or highway at a greater speed than will permit the person to bring it to a stop within the assured clear distance ahead.

(B) It is prima-facie lawful, in the absence of a lower limit declared or established pursuant to this section by the director of transportation or local authorities, for the operator of a motor vehicle, trackless trolley, or streetcar to operate the same at a speed not exceeding the following:

(1)(a) Twenty miles per hour in school zones during school recess and while children are going to or leaving school during the opening or closing hours, and when twenty miles per hour school speed limit signs are erected; except that, on controlled-access highways and expressways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by division (B)(4) of this section and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by divisions (B)(10) and (11) of this section. The end of every school zone may be marked by a sign indicating the end of the zone. Nothing in this section or in the manual and specifications for a uniform system of traffic control devices shall be construed to require school zones to be indicated by signs equipped with flashing or other lights, or giving other special notice of the hours in which the school zone speed limit is in effect.

(b) As used in this section and in section 4511.212 of the Revised Code, "school" means any school chartered under section 3301.16 of the Revised Code and any nonchartered school that during the preceding year filed with the department of education in compliance with rule 3301-35-08 of the Ohio Administrative Code, a copy of the school's report for the parents of the school's pupils certifying that the school meets Ohio minimum standards for nonchartered, nontax-supported schools and presents evidence of this filing to the jurisdiction from which it is requesting the establishment of a school zone. "School" also includes a special elementary school that in writing requests the county engineer of the county in which the special elementary school is located to create a school zone at the location of that school. Upon receipt of such a written request, the county engineer shall create a school zone at that location by erecting the appropriate signs.

(c) As used in this section, "school zone" means that portion of a street or highway passing a school fronting upon the street or highway that is

encompassed by projecting the school property lines to the fronting street or highway, and also includes that portion of a state highway. Upon request from local authorities for streets and highways under their jurisdiction and that portion of a state highway under the jurisdiction of the director of transportation or a request from a county engineer in the case of a school zone for a special elementary school, the director may extend the traditional school zone boundaries. The distances in divisions (B)(1)(c)(i), (ii), and (iii) of this section shall not exceed three hundred feet per approach per direction and are bounded by whichever of the following distances or combinations thereof the director approves as most appropriate:

(i) The distance encompassed by projecting the school building lines normal to the fronting highway and extending a distance of three hundred feet on each approach direction;

(ii) The distance encompassed by projecting the school property lines intersecting the fronting highway and extending a distance of three hundred feet on each approach direction;

(iii) The distance encompassed by the special marking of the pavement for a principal school pupil crosswalk plus a distance of three hundred feet on each approach direction of the highway.

Nothing in this section shall be construed to invalidate the director's initial action on August 9, 1976, establishing all school zones at the traditional school zone boundaries defined by projecting school property lines, except when those boundaries are extended as provided in divisions (B)(1)(a) and (c) of this section.

(d) As used in this division, "crosswalk" has the meaning given that term in division (LL)(2) of section 4511.01 of the Revised Code.

The director may, upon request by resolution of the legislative authority of a municipal corporation, the board of trustees of a township, or a county board of developmental disabilities created pursuant to Chapter 5126. of the Revised Code, and upon submission by the municipal corporation, township, or county board of such engineering, traffic, and other information as the director considers necessary, designate a school zone on any portion of a state route lying within the municipal corporation, lying within the unincorporated territory of the township, or lying adjacent to the property of a school that is operated by such county board, that includes a crosswalk customarily used by children going to or leaving a school during recess and opening and closing hours, whenever the distance, as measured in a straight line, from the school property line nearest the crosswalk to the nearest point of the crosswalk is no more than one thousand three hundred twenty feet. Such a school zone shall include the distance encompassed by

the crosswalk and extending three hundred feet on each approach direction of the state route.

(e) As used in this section, "special elementary school" means a school that meets all of the following criteria:

(i) It is not chartered and does not receive tax revenue from any source.

(ii) It does not educate children beyond the eighth grade.

(iii) It is located outside the limits of a municipal corporation.

(iv) A majority of the total number of students enrolled at the school are not related by blood.

(v) The principal or other person in charge of the special elementary school annually sends a report to the superintendent of the school district in which the special elementary school is located indicating the total number of students enrolled at the school, but otherwise the principal or other person in charge does not report any other information or data to the superintendent.

(2) Twenty-five miles per hour in all other portions of a municipal corporation, except on state routes outside business districts, through highways outside business districts, and alleys;

(3) Thirty-five miles per hour on all state routes or through highways within municipal corporations outside business districts, except as provided in divisions (B)(4) and (6) of this section;

(4) Fifty miles per hour on controlled-access highways and expressways within municipal corporations;

(5) Fifty-five miles per hour on highways outside municipal corporations, other than highways within island jurisdictions as provided in division (B)(8) of this section, highways as provided in divisions (B)(9) and (10) of this section, and highways, expressways, and freeways as provided in divisions (B)(13), (14), (15), and (17) of this section;

(6) Fifty miles per hour on state routes within municipal corporations outside urban districts unless a lower prima-facie speed is established as further provided in this section;

(7) Fifteen miles per hour on all alleys within the municipal corporation;

(8) Thirty-five miles per hour on highways outside municipal corporations that are within an island jurisdiction;

(9) Thirty-five miles per hour on through highways, except state routes, that are outside municipal corporations and that are within a national park with boundaries extending through two or more counties;

(10) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the director under division (H)(2) of this section;

(11) Fifty-five miles per hour at all times on freeways with paved

shoulders inside municipal corporations, other than freeways as provided in divisions (B)(15) and (17) of this section;

(12) Fifty-five miles per hour at all times on freeways outside municipal corporations, other than freeways as provided in divisions (B)(15) and (17) of this section;

(13) Sixty miles per hour for operators of any motor vehicle at all times on all portions of rural divided highways;

(14) Sixty-five miles per hour for operators of any motor vehicle at all times on all rural expressways without traffic control signals;

(15) Seventy miles per hour for operators of any motor vehicle at all times on all rural freeways;

(16) Fifty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in congested areas as determined by the director and that are part of the interstate system and are located within a municipal corporation or within an interstate freeway outerbelt;

(17) Sixty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in urban areas as determined by the director and that are part of the interstate system and are part of an interstate freeway outerbelt.

(C) It is prima-facie unlawful for any person to exceed any of the speed limitations in divisions (B)(1)(a), (2), (3), (4), (6), (7), (8), and (9) of this section, or any declared or established pursuant to this section by the director or local authorities and it is unlawful for any person to exceed any of the speed limitations in division (D) of this section. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

(D) No person shall operate a motor vehicle, trackless trolley, or streetcar upon a street or highway as follows:

(1) At a speed exceeding fifty-five miles per hour, except upon a two-lane state route as provided in division (B)(10) of this section and upon a highway, expressway, or freeway as provided in divisions (B)(13), (14), (15), and (17) of this section;

(2) At a speed exceeding sixty miles per hour upon a two-lane state route as provided in division (B)(10) of this section and upon a highway as provided in division (B)(13) of this section;

(3) At a speed exceeding sixty-five miles per hour upon an expressway as provided in division (B)(14) or upon a freeway as provided in division (B)(17) of this section, except upon a freeway as provided in division (B)(15) of this section;

(4) At a speed exceeding seventy miles per hour upon a freeway as provided in division (B)(15) of this section;

(5) At a speed exceeding the posted speed limit upon a highway, expressway, or freeway for which the director has determined and declared a speed limit pursuant to division (I)(2) or (L)(2) of this section.

(E) In every charge of violation of this section the affidavit and warrant shall specify the time, place, and speed at which the defendant is alleged to have driven, and in charges made in reliance upon division (C) of this section also the speed which division (B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or established pursuant to, this section declares is prima-facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to a stop within the assured clear distance ahead the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(F) When a speed in excess of both a prima-facie limitation and a limitation in division (D) of this section is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both division (B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of this section, or of a limit declared or established pursuant to this section by the director or local authorities, and of the limitation in division (D) of this section. If the court finds a violation of division (B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or established pursuant to, this section has occurred, it shall enter a judgment of conviction under such division and dismiss the charge under division (D) of this section. If it finds no violation of division (B)(1)(a), (2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or established pursuant to, this section, it shall then consider whether the evidence supports a conviction under division (D) of this section.

(G) Points shall be assessed for violation of a limitation under division (D) of this section in accordance with section 4510.036 of the Revised Code.

(H)(1) Whenever the director determines upon the basis of a geometric and traffic characteristic study that any speed limit set forth in divisions (B)(1)(a) to (D) of this section is greater or less than is reasonable or safe under the conditions found to exist at any portion of a street or highway under the jurisdiction of the director, the director shall determine and declare a reasonable and safe prima-facie speed limit, which shall be effective when appropriate signs giving notice of it are erected at the location.

(2) Whenever the director determines upon the basis of a geometric and

traffic characteristic study that the speed limit of fifty-five miles per hour on a two-lane state route outside a municipal corporation is less than is reasonable or safe under the conditions found to exist at that portion of the state route, the director may determine and declare a speed limit of sixty miles per hour for that portion of the state route, which shall be effective when appropriate signs giving notice of it are erected at the location.

(3) For purposes of the safe and orderly movement of traffic upon any portion of a street or highway under the jurisdiction of the director, the director may establish a variable speed limit that is different than the speed limit established by or under this section on all or portions of interstate six hundred seventy, interstate two hundred seventy-five, and interstate ninety commencing at the intersection of that interstate with interstate seventy-one and continuing to the border of the state of Ohio with the state of Pennsylvania. The director shall establish criteria for determining the appropriate use of variable speed limits and shall establish variable speed limits in accordance with the criteria. The director may establish variable speed limits based upon the time of day, weather conditions, traffic incidents, or other factors that affect the safe speed on a street or highway. The director shall not establish a variable speed limit that is based on a particular type or class of vehicle. A variable speed limit established by the director under this section is effective when appropriate signs giving notice of the speed limit are displayed at the location.

(4) Nothing in this section shall be construed to limit the authority of the director to establish speed limits within a construction zone as authorized under section 4511.98 of the Revised Code.

(I)(1) Except as provided in divisions (I)(2) and (K) of this section, whenever local authorities determine upon the basis of an engineering and traffic investigation that the speed permitted by divisions (B)(1)(a) to (D) of this section, on any part of a highway under their jurisdiction, is greater than is reasonable and safe under the conditions found to exist at such location, the local authorities may by resolution request the director to determine and declare a reasonable and safe prima-facie speed limit. Upon receipt of such request the director may determine and declare a reasonable and safe prima-facie speed limit at such location, and if the director does so, then such declared speed limit shall become effective only when appropriate signs giving notice thereof are erected at such location by the local authorities. The director may withdraw the declaration of a prima-facie speed limit whenever in the director's opinion the altered prima-facie speed becomes unreasonable. Upon such withdrawal, the declared prima-facie speed shall become ineffective and the signs relating thereto shall be

immediately removed by the local authorities.

(2) A local authority may determine on the basis of a geometric and traffic characteristic study that the speed limit of sixty-five miles per hour on a portion of a freeway under its jurisdiction that was established through the operation of division (L)(3) of this section is greater than is reasonable or safe under the conditions found to exist at that portion of the freeway. If the local authority makes such a determination, the local authority by resolution may request the director to determine and declare a reasonable and safe speed limit of not less than fifty-five miles per hour for that portion of the freeway. If the director takes such action, the declared speed limit becomes effective only when appropriate signs giving notice of it are erected at such location by the local authority.

(J) Local authorities in their respective jurisdictions may authorize by ordinance higher prima-facie speeds than those stated in this section upon through highways, or upon highways or portions thereof where there are no intersections, or between widely spaced intersections, provided signs are erected giving notice of the authorized speed, but local authorities shall not modify or alter the basic rule set forth in division (A) of this section or in any event authorize by ordinance a speed in excess of fifty miles per hour.

Alteration of prima-facie limits on state routes by local authorities shall not be effective until the alteration has been approved by the director. The director may withdraw approval of any altered prima-facie speed limits whenever in the director's opinion any altered prima-facie speed becomes unreasonable, and upon such withdrawal, the altered prima-facie speed shall become ineffective and the signs relating thereto shall be immediately removed by the local authorities.

(K)(1) As used in divisions (K)(1), (2), (3), and (4) of this section, "unimproved highway" means a highway consisting of any of the following:

- (a) Unimproved earth;
- (b) Unimproved graded and drained earth;
- (c) Gravel.

(2) Except as otherwise provided in divisions (K)(4) and (5) of this section, whenever a board of township trustees determines upon the basis of an engineering and traffic investigation that the speed permitted by division (B)(5) of this section on any part of an unimproved highway under its jurisdiction and in the unincorporated territory of the township is greater than is reasonable or safe under the conditions found to exist at the location, the board may by resolution declare a reasonable and safe prima-facie speed limit of fifty-five but not less than twenty-five miles per hour. An altered speed limit adopted by a board of township trustees under this division

becomes effective when appropriate traffic control devices, as prescribed in section 4511.11 of the Revised Code, giving notice thereof are erected at the location, which shall be no sooner than sixty days after adoption of the resolution.

(3)(a) Whenever, in the opinion of a board of township trustees, any altered prima-facie speed limit established by the board under this division becomes unreasonable, the board may adopt a resolution withdrawing the altered prima-facie speed limit. Upon the adoption of such a resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(b) Whenever a highway ceases to be an unimproved highway and the board has adopted an altered prima-facie speed limit pursuant to division (K)(2) of this section, the board shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of such a resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(4)(a) If the boundary of two townships rests on the centerline of an unimproved highway in unincorporated territory and both townships have jurisdiction over the highway, neither of the boards of township trustees of such townships may declare an altered prima-facie speed limit pursuant to division (K)(2) of this section on the part of the highway under their joint jurisdiction unless the boards of township trustees of both of the townships determine, upon the basis of an engineering and traffic investigation, that the speed permitted by division (B)(5) of this section is greater than is reasonable or safe under the conditions found to exist at the location and both boards agree upon a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both boards so agree, each shall follow the procedure specified in division (K)(2) of this section for altering the prima-facie speed limit on the highway. Except as otherwise provided in division (K)(4)(b) of this section, no speed limit altered pursuant to division (K)(4)(a) of this section may be withdrawn unless the boards of township trustees of both townships determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each board adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in division (K)(3)(a) of this section.

(b) Whenever a highway described in division (K)(4)(a) of this section ceases to be an unimproved highway and two boards of township trustees have adopted an altered prima-facie speed limit pursuant to division

(K)(4)(a) of this section, both boards shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of the resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(5) As used in division (K)(5) of this section:

(a) "Commercial subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway where, for a distance of three hundred feet or more, the frontage is improved with buildings in use for commercial purposes, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with buildings in use for commercial purposes.

(b) "Residential subdivision" means any platted territory outside the limits of a municipal corporation and fronting a highway, where, for a distance of three hundred feet or more, the frontage is improved with residences or residences and buildings in use for business, or where the entire length of the highway is less than three hundred feet long and the frontage is improved with residences or residences and buildings in use for business.

Whenever a board of township trustees finds upon the basis of an engineering and traffic investigation that the prima-facie speed permitted by division (B)(5) of this section on any part of a highway under its jurisdiction that is located in a commercial or residential subdivision, except on highways or portions thereof at the entrances to which vehicular traffic from the majority of intersecting highways is required to yield the right-of-way to vehicles on such highways in obedience to stop or yield signs or traffic control signals, is greater than is reasonable and safe under the conditions found to exist at the location, the board may by resolution declare a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour at the location. An altered speed limit adopted by a board of township trustees under this division shall become effective when appropriate signs giving notice thereof are erected at the location by the township. Whenever, in the opinion of a board of township trustees, any altered prima-facie speed limit established by it under this division becomes unreasonable, it may adopt a resolution withdrawing the altered prima-facie speed, and upon such withdrawal, the altered prima-facie speed shall become ineffective, and the signs relating thereto shall be immediately removed by the township.

(L)(1) On September 29, 2013, the director of transportation, based upon an engineering study of a highway, expressway, or freeway described

in division (B)(13), (14), (15), (16), or (17) of this section, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the studied highway, expressway, or freeway, may determine and declare that the speed limit established on such highway, expressway, or freeway under division (B)(13), (14), (15), (16), or (17) of this section either is reasonable and safe or is more or less than that which is reasonable and safe.

(2) If the established speed limit for a highway, expressway, or freeway studied pursuant to division (L)(1) of this section is determined to be more or less than that which is reasonable and safe, the director of transportation, in consultation with the director of public safety and, if applicable, the local authority having jurisdiction over the studied highway, expressway, or freeway, shall determine and declare a reasonable and safe speed limit for that highway, expressway, or freeway.

(M)(1)(a) If the boundary of two local authorities rests on the centerline of a highway and both authorities have jurisdiction over the highway, the speed limit for the part of the highway within their joint jurisdiction shall be either one of the following as agreed to by both authorities:

(i) Either prima-facie speed limit permitted by division (B) of this section;

(ii) An altered speed limit determined and posted in accordance with this section.

(b) If the local authorities are unable to reach an agreement, the speed limit shall remain as established and posted under this section.

(2) Neither local authority may declare an altered prima-facie speed limit pursuant to this section on the part of the highway under their joint jurisdiction unless both of the local authorities determine, upon the basis of an engineering and traffic investigation, that the speed permitted by this section is greater than is reasonable or safe under the conditions found to exist at the location and both authorities agree upon a uniform reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both authorities so agree, each shall follow the procedure specified in this section for altering the prima-facie speed limit on the highway, and the speed limit for the part of the highway within their joint jurisdiction shall be uniformly altered. No altered speed limit may be withdrawn unless both local authorities determine that the altered prima-facie speed limit previously adopted becomes unreasonable and each adopts a resolution withdrawing the altered prima-facie speed limit pursuant to the procedure specified in this section.

(N) The legislative authority of a municipal corporation or township in

which a boarding school is located, by resolution or ordinance, may establish a boarding school zone. The legislative authority may alter the speed limit on any street or highway within the boarding school zone and shall specify the hours during which the altered speed limit is in effect. For purposes of determining the boundaries of the boarding school zone, the altered speed limit within the boarding school zone, and the hours the altered speed limit is in effect, the legislative authority shall consult with the administration of the boarding school and with the county engineer or other appropriate engineer, as applicable. A boarding school zone speed limit becomes effective only when appropriate signs giving notice thereof are erected at the appropriate locations.

(2) If the offender has not previously been convicted of or pleaded guilty to a violation of any provision of this section or of any provision of a municipal ordinance that is substantially similar to this section and operated a motor vehicle faster than thirty-five miles an hour in a business district of

a municipal corporation, faster than fifty miles an hour in other portions of a municipal corporation, or faster than thirty-five miles an hour in a school zone during recess or while children are going to or leaving school during the school's opening or closing hours, a misdemeanor of the fourth degree.

(3) Notwithstanding division (P)(1) of this section, if the offender operated a motor vehicle in a construction zone where a sign was then posted in accordance with section 4511.98 of the Revised Code, the court, in addition to all other penalties provided by law, shall impose upon the offender a fine of two times the usual amount imposed for the violation. No court shall impose a fine of two times the usual amount imposed for the violation upon an offender if the offender alleges, in an affidavit filed with the court prior to the offender's sentencing, that the offender is indigent and is unable to pay the fine imposed pursuant to this division and if the court determines that the offender is an indigent person and unable to pay the fine.

Sec. 4511.212. (A) As used in this section, "local authority" means the legislative authority of a municipal corporation, the board of trustees of a township, or the board of county commissioners of a county.

Upon receipt of such a complaint, the director shall review or investigate the facts of the complaint and discuss the complaint with the local authority and the board of education or chief administrative officer submitting the complaint. If the director finds that the local authority is not complying with section 4511.11 or divisions (B)(1)(a) to (d) of section 4511.21 of the Revised Code with regard to school zones, the director shall issue a written order requiring the local authority to comply by a specified date and the local authority shall comply with the order. If the local authority fails to comply with the order, the director shall implement the order and charge the local authority for the cost of the implementation. Any local authority being so charged shall pay to the state the amount charged. Any amounts received under this section shall be deposited into the state treasury to the credit of the highway operating fund created by section ~~5735.294~~ 5735.051 of the Revised Code.

Sec. 4511.216. Notwithstanding sections 4511.214 and 4511.215 of the Revised Code, a person may operate a utility vehicle on any public roads or right-of-way, other than a freeway, when traveling from one farm field to another for agricultural purposes if the vehicle is displaying a triangular slow-moving vehicle emblem as described in section 4513.11 of the Revised

Code.

Sec. 4511.61. (A) As used in this section, "active grade crossing warning device" ~~has the same meaning as in section 5733.43 of the Revised Code~~ means signs, signals, gates, or other protective devices erected or installed at a public highway-railway crossing at common grade and activated by an electrical circuit.

(B) The department of transportation and local authorities in their respective jurisdictions, with the approval of the department, may designate dangerous highway crossings over railroad tracks whether on state, county, or township highways or on streets or ways within municipal corporations, and erect stop signs thereat.

(C)(1) The department and local authorities shall erect stop signs at a railroad highway grade crossing in either of the following circumstances:

(a) New warning devices that are not active grade crossing warning devices are being installed at the grade crossing, and railroad crossbucks were the only warning devices at the grade crossing prior to the installation of the new warning devices.

(b) The grade crossing is constructed after ~~the effective date of this amendment~~ July 1, 2013, and only warning devices that are not active grade crossing warning devices are installed at the grade crossing.

(2) Division (C)(1) of this section does not apply to a railroad highway grade crossing that the director of transportation has exempted from that division because of traffic flow or other considerations or factors.

(D) When stop signs are erected pursuant to division (B) or (C) of this section, the operator of any vehicle, streetcar, or trackless trolley shall stop within fifty, but not less than fifteen, feet from the nearest rail of the railroad tracks and shall exercise due care before proceeding across such grade crossing.

(E) Except as otherwise provided in this division, whoever violates division (D) of this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

Sec. 4511.661. (A) No person driving or in charge of a motor vehicle shall permit it to stand unattended without first stopping the engine, locking the ignition, removing the key from the ignition, effectively setting the parking brake, and, when the motor vehicle is standing upon any grade,

turning the front wheels to the curb or side of the highway.

The requirements of this section relating to the stopping of the engine, locking of the ignition, and removing the key from the ignition of a motor vehicle ~~shall~~ do not apply to any of the following:

- (1) A motor vehicle that is parked on residential property;
- (2) A motor vehicle that is locked, regardless of where it is parked;
- (3) An emergency vehicle ~~or a~~;

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

Sec. 4513.263. (A) As used in this section and in section 4513.99 of the Revised Code:

(1) "Automobile" means any commercial tractor, passenger car, commercial car, or truck that is required to be factory-equipped with an occupant restraining device for the operator or any passenger by regulations adopted by the United States secretary of transportation pursuant to the "National Traffic and Motor Vehicle Safety Act of 1966," 80 Stat. 719, 15 U.S.C.A. 1392.

(B) No person shall do any of the following:

(1) Operate an automobile on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device, or operate a school bus that has an occupant restraining device installed for use in its operator's seat unless that person is wearing all of the available elements of the device, as properly adjusted;

(2) Operate an automobile on any street or highway unless each passenger in the automobile who is subject to the requirement set forth in division (B)(3) of this section is wearing all of the available elements of a properly adjusted occupant restraining device;

(3) Occupy, as a passenger, a seating position on the front seat of an automobile being operated on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device;

(4) Operate a taxicab on any street or highway unless all factory-equipped occupant restraining devices in the taxicab are maintained in usable form.

(C) Division (B)(3) of this section does not apply to a person who is required by section 4511.81 of the Revised Code to be secured in a child restraint device or booster seat. Divisions (B)(1) and (3) of this section do not apply to a person who has an affidavit signed by a physician licensed to practice in this state under Chapter 4731. of the Revised Code or a chiropractor licensed to practice in this state under Chapter 4734. of the Revised Code that states that the person has a physical impairment that makes use of an occupant restraining device impossible or impractical.

(D) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of an automobile being operated on any street or highway to stop the automobile for the sole purpose of determining whether a violation of division (B) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for a violation of that nature or causing the arrest of or commencing a prosecution of a person for a violation of that nature, and no law enforcement officer shall view the interior or visually inspect any

The foregoing appropriation item C23002, School Building Program Assistance, shall be used by the School Facilities Commission to provide funding to school districts that receive conditional approval from the Commission pursuant to Chapter 3318. of the Revised Code.

SECTION 610.41. That existing Sections 223.10 and 239.10 of S.B. 310 of the 131st General Assembly, as most recently amended by Am. Sub. H.B. 384 of the 131st General Assembly, are hereby repealed.

SECTION 745.20. The Registrar of Motor Vehicles shall establish a commercial motor vehicle registration pilot program for Clinton, Franklin, Lucas, Mahoning, Montgomery, and Stark counties that begins January 1, 2018, and ends December 31, 2019. Under the pilot program for calendar years 2018 and 2019, the Registrar or a deputy registrar shall charge a reduced fee of fifteen dollars in lieu of the thirty-dollar fee under division (C)(1) of section 4503.10 for a vehicle specified in divisions (A)(1) to (21) of section 4503.042 of the Revised Code if the vehicle is being registered under the International Registration Plan and the district of registration of the vehicle is within a county listed in this section.

SECTION 745.30. (A) The Registrar of Motor Vehicles shall conduct a study of the benefits and detriments of lowering the permanent registration

fees for commercial trailers and semitrailers and streamlining the registration process. The Registrar also shall consider methods for making Ohio's commercial trailer and semitrailer registration process competitive with states that charge lower registration fees, including conducting an analysis of the effect of collecting permanent registration fees using a fee structure similar to the state of Indiana.

(B) Not later than September 30, 2017, the Registrar shall submit a report of the Registrar's findings and recommendations to the President of the Senate, the Minority Leader of the Senate, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives.

SECTION 745.40. On the effective date of this section and until the Registrar of Motor Vehicles adopts rules under section 4503.038 of the Revised Code, the service fees that apply for purposes of sections 4503.03, 4503.036, 4503.10, 4503.102, 4503.103, 4503.12, 4503.182, 4503.24, 4503.65, 4505.061, 4506.08, 4507.24, 4507.50, 4507.52, 4509.05, 4519.03, 4519.05, 4519.10, 4519.56, and 4519.69 of the Revised Code shall be the fees established under those sections prior to the effective date of this section.

"Natural gas company" has the same meaning as in section 4929.01 of the Revised Code.

(B)(1) If a natural gas company has an infrastructure development rider that was approved under section 4929.161 of the Revised Code prior to the effective date of this section, then section 4929.162 of the Revised Code as amended by this act shall apply to that rider.

(2) If the rider described in division (B)(1) of this section was approved in whole or in part to recover infrastructure development costs of one or more economic development projects approved under section 4929.164 of the Revised Code as that section existed prior to the effective date of this section, the natural gas company may continue to recover those costs under that rider until they are fully recovered. Beginning on the effective date of this section, the recovery of those costs shall be included in calculating the customer charge that is subject to the one-dollar-and-fifty-cents cap under

section 4929.162 of the Revised Code as amended by this act.

(C) The amendments to section 4929.162 of the Revised Code by this act shall not be construed to authorize a natural gas company to have more than one infrastructure development rider.
