Section 1. That sections 4301.12, 4301.13, 4301.24, 8
4301.30, 4301.355, 4301.43, 4301.432, 4301.47, 4301.62, 4301.82, 9
4301.83, 4303.021, 4303.03, 4303.07, 4303.10, 4303.182, 10
4303.204, 4303.33, 4303.333, and 5709.55 be amended and section 11
4303.031 of the Revised Code be enacted to read as follows: 12

Sec. 4301.12. The division of liquor control shall provide 13
for the custody, safekeeping, and deposit of all moneys, checks, 14
and drafts received by it or any of its employees or agents 15
prior to paying them to the treasurer of state as provided by 16
section 113.08 of the Revised Code. 17

A sum equal to three dollars and thirty-eight cents for 18
each gallon of spirituous liquor sold by the division, JobsOhio, 19
or a designee of JobsOhio during the period covered by the 20
payment shall be paid into the state treasury to the credit of 21
the general revenue fund. All moneys received from permit fees, 22
except B-2a and S permit fees from B-2a and S permit holders who 23
do not also hold A-2 or A-2f permits, shall be paid to the 24
credit of the undivided liquor permit fund established by 25
section 4301.30 of the Revised Code. 26

Except as otherwise provided by law, the division shall 27
deposit all moneys collected under Chapters 4301. and 4303. of 28
the Revised Code into the state treasury to the credit of the 29
state liquor regulatory fund created in section 4301.30 of the 30
Revised Code. In addition, revenue resulting from any contracts 31
with the department of commerce pertaining to the 32
responsibilities and operations described in this chapter may be 33
credited to the fund. 34

Whenever, in the judgment of the director of budget and 35
management, the amount in the liquor control fund is in excess 36
of that needed to meet the maturing obligations of the division, 37
as working capital for its further operations, to pay the 38
operating expenses of the commission, and for the alcohol 39
testing program under section 3701.143 of the Revised Code, the 40
director shall transfer the excess to the credit of the general 41
revenue fund. If the director determines that the amount in the 42
liquor control fund is insufficient, the director may transfer 43
money from the general revenue fund to the liquor control fund. 44

Sec. 4301.13. The liquor control commission may adopt, 45
promulgate, repeal, rescind, and amend rules to regulate the 46
manner of dealing in and distributing and selling bottled wine 47

within the state. The commission may require out-of-state 48
producers, shippers, bottlers, and holders of federal importers' 49
permits shipping bottled wine into Ohio and holders of A-2, A- 50
2f, B-5, B-3, and B-2 permits issued by the division of liquor 51
control, engaged in distributing and selling bottled wine in 52
Ohio, to file with the division a schedule of prices in which 53
minimum prices are set forth for the sale of bottled wine at 54
wholesale or retail, or both, in Ohio. Any amendments, 55
additions, alterations, or revisions to the schedule of prices 56
as originally filed with the division shall be filed in the same 57
manner as the original schedule of prices required to be filed 58
with the division. 59

The commission may determine and fix the minimum mark-ups 60
at wholesale or retail, or both, for bottled wine, and fix the 61
minimum prices at which the various classes of bottled wine 62
shall be distributed and sold in Ohio either at wholesale or 63
retail, or both. 64

Sec. 4301.24. (A) Except as provided in section 4301.242 65
of the Revised Code, no manufacturer shall aid or assist the 66
holder of any permit for sale at wholesale, and no manufacturer 67
or wholesale distributor shall aid or assist the holder of any 68
permit for sale at retail, by gift or loan of any money or 69
property of any description or other valuable thing, or by 70
giving premiums or rebates. Except as provided in section 71
4301.242 of the Revised Code, no holder of any such permit shall 72
accept the same, provided that the manufacturer or wholesale 73
distributor may furnish to a retail permittee the inside signs 74
or advertising and the tap signs or devices authorized by 75
divisions (E) and (F) of section 4301.22 of the Revised Code. 76

(B) No manufacturer shall have any financial interest, 77

directly or indirectly, by stock ownership, or through 78
interlocking directors in a corporation, or otherwise, in the 79
establishment, maintenance, or promotion in the business of any 80
wholesale distributor. No retail permit holder shall have any 81
interest, directly or indirectly, in the operation of, or any 82
ownership in, the business of any wholesale distributor or 83
manufacturer. 84

(C) (1) No manufacturer shall, except as authorized by 85
section 4303.021 of the Revised Code, have any financial 86
interest, directly or indirectly, by stock ownership, or through 87
interlocking directors in a corporation, or otherwise, in the 88
establishment, maintenance, or promotion of the business of any 89
retail dealer. No wholesale distributor or employee of a 90
wholesale distributor shall have any financial interest, 91
directly or indirectly, by stock ownership, interlocking 92
directors in a corporation, or otherwise, in the establishment, 93
maintenance, or promotion of the business of any retail dealer. 94
No manufacturer or wholesale distributor or any stockholder of a 95
manufacturer or wholesale distributor shall acquire, by 96
ownership in fee, leasehold, mortgage, or otherwise, directly or 97
indirectly, any interest in the premises on which the business 98
of any other person engaged in the business of trafficking in 99
beer or intoxicating liquor is conducted. 100

(2) All contracts, covenants, conditions, and limitations 101
whereby any person engaged or proposing to engage in the sale of 102
beer or intoxicating liquors promises to confine the person's 103
sales of a particular kind or quality of beer or intoxicating 104
liquor to one or more products, or the products of a specified 105
manufacturer or wholesale distributor, or to give preference to 106
those products, shall to the extent of that promise be void. The 107
making of a promise in any such form shall be cause for the 108

revocation or suspension of any permit issued to any party. 109

(D) No manufacturer shall sell or offer to sell to any 110
wholesale distributor or retail permit holder, no wholesale 111
distributor shall sell or offer to sell to any retail permit 112
holder, and no wholesale distributor or retail permit holder 113
shall purchase or receive from any manufacturer or wholesale 114
distributor, any beer, brewed beverages, or wine manufactured in 115
the United States except for cash. No right of action shall 116
exist to collect any claims for credit extended contrary to this 117
section. 118

This section does not prohibit a licensee from crediting 119
to a purchaser the actual prices charged for packages or 120
containers returned by the original purchaser as a credit on any 121
sale or from refunding to any purchaser the amount paid by that 122
purchaser for containers or as a deposit on containers when 123
title is retained by the vendor, if those containers or packages 124
have been returned to the manufacturer or distributor. This 125
section does not prohibit a manufacturer from extending usual 126
and customary credit for beer, brewed beverages, or wine 127
manufactured in the United States and sold to customers who live 128
or maintain places of business outside this state when the 129
beverages so sold are actually transported and delivered to 130
points outside this state. 131

No wholesale or retail permit shall be issued to an 132
applicant unless the applicant has paid in full all accounts for 133
beer or wine, manufactured in the United States, outstanding as 134
of September 6, 1939. No beer or wine manufactured in the United 135
States shall be imported into the state unless the beer or wine 136
has been paid for in cash, and no supplier registration for any 137
such beer or wine manufactured in the United States shall be 138

issued by the division of liquor control until the A-2, A-2f, B-1, or B-5 permit holder establishes to the satisfaction of the division that the beer or wine has been paid for in cash.

(E) This section does not prevent a manufacturer from securing and holding any financial interest, directly or indirectly, by stock ownership or through interlocking directors in a corporation, or otherwise, in the establishment, maintenance, or promotion of the business or premises of any C or D permit holder, provided that the following conditions are met:

(1) Either the manufacturer or one of its parent companies is listed on a national securities exchange.

(2) All purchases of alcoholic beverages by the C or D permit holder are made from wholesale distributors in this state or agency stores licensed by the division of liquor control.

(3) If the C or D permit holder sells brands of alcoholic beverages that are produced or distributed by the manufacturer that holds the financial interest, the C or D permit holder also sells other competing brands of alcoholic beverages produced by other manufacturers, no preference is given to the products of the manufacturer, and there is no exclusion, in whole or in part, of products sold or offered for sale by other manufacturers, suppliers, or importers of alcoholic beverages that constitutes a substantial impairment of commerce.

(4) The primary purpose of the C or D permit premises is a purpose other than to sell alcoholic beverages, and the sale of other goods and services exceeds fifty per cent of the total gross receipts of the C or D permit holder at its premises.

(F) (1) This section does not prevent a manufacturer from

giving financial assistance to the holder of a B permit for the 168
purpose of the holder purchasing an ownership interest in the 169
business, existing inventory and equipment, or property of 170
another B permit holder, including, but not limited to, 171
participation in a limited liability partnership, limited 172
liability company, or any other legal entity authorized to do 173
business in this state. 174

(2) This section does not permit a manufacturer to give 175
financial assistance to the holder of a B permit to purchase 176
inventory or equipment used in the daily operation of a B permit 177
holder. 178

(G) This section does not prohibit a manufacturer or 179
subsidiary of a manufacturer from continuing to operate a 180
wholesale distribution franchise or distribute beer or wine 181
within a designated territory if prior to the effective date of 182
this amendment the manufacturer either acquired the distribution 183
franchise or territory, or awarded the franchise or territory to 184
itself or a subsidiary. 185

(H) This section shall not prevent a manufacturer from 186
securing and holding an A-1c or B-2a permit or permits and 187
operating as a wholesale distributor pursuant to such permits. 188

Sec. 4301.30. (A) All fees collected by the division of 189
liquor control shall be deposited in the state treasury to the 190
credit of the undivided liquor permit fund, which is hereby 191
created, at the time prescribed under section 4301.12 of the 192
Revised Code. Each payment shall be accompanied by a statement 193
showing separately the amount collected for each class of 194
permits in each municipal corporation and in each township 195
outside the limits of any municipal corporation in such 196
township. 197

(B) (1) An amount equal to forty-five per cent of the fund 198
shall be paid from the fund into the state liquor regulatory 199
fund, which is hereby created in the state treasury. The state 200
liquor regulatory fund shall be used to pay the operating 201
expenses of the division of liquor control in administering and 202
enforcing Title XLIII of the Revised Code and the operating 203
expenses of the liquor control commission. Investment earnings 204
of the fund shall be credited to the fund. 205

(2) Whenever, in the judgment of the director of budget 206
and management, the amount of money that is in the state liquor 207
regulatory fund is in excess of the amount that is needed to pay 208
the operating expenses of the division in administering and 209
enforcing Title XLIII of the Revised Code and the operating 210
expenses of the commission, the director shall credit the excess 211
amount to the general revenue fund. 212

(C) Twenty per cent of the undivided liquor permit fund 213
shall be paid into the statewide treatment and prevention fund, 214
which is hereby created in the state treasury. This amount shall 215
be appropriated by the general assembly, together with an amount 216
equal to one and one-half per cent of the gross profit of the 217
division of liquor control derived under division (B) (4) of 218
section 4301.10 of the Revised Code, to the department of mental 219
health and addiction services. In planning for the allocation of 220
and in allocating these amounts for the purposes of Chapter 221
5119. of the Revised Code, the department shall comply with the 222
nondiscrimination provisions of Title VI of the Civil Rights Act 223
of 1964, and any rules adopted under that act. 224

(D) Thirty-five per cent of the undivided liquor permit 225
fund shall be distributed by the superintendent of liquor 226
control at quarterly calendar periods as follows: 227

(1) To each municipal corporation, the aggregate amount 228
shown by the statements to have been collected from permits in 229
the municipal corporation, for the use of the general fund of 230
the municipal corporation; 231

(2) To each township, the aggregate amount shown by the 232
statements to have been collected from permits in its territory, 233
outside the limits of any municipal corporation located in the 234
township, for the use of the general fund of the township, or 235
for fire protection purposes, including buildings and equipment 236
in the township or in an established fire district within the 237
township, to the extent that the funds are derived from liquor 238
permits within the territory comprising such fire district. 239

(E) For the purpose of the distribution required by this 240
section, E, H, and D permits covering boats or vessels are 241
deemed to have been issued in the municipal corporation or 242
township wherein the owner or operator of the vehicle, boat, 243
vessel, or dining car equipment to which the permit relates has 244
the owner's or operator's principal office or place of business 245
within the state. 246

(F) If the liquor control commission determines that the 247
police or other officers of any municipal corporation or 248
township entitled to share in distributions under this section 249
are refusing or culpably neglecting to enforce this chapter and 250
Chapter 4303. of the Revised Code, or the penal laws of this 251
state relating to the manufacture, importation, transportation, 252
distribution, and sale of beer and intoxicating liquors, or if 253
the prosecuting officer of a municipal corporation or a 254
municipal court fails to comply with the request of the 255
commission authorized by division (A) (4) of section 4301.10 of 256
the Revised Code, the commission, by certified mail, may notify 257

the chief executive officer of the municipal corporation or the 258
board of township trustees of the township of the failure and 259
require the immediate cooperation of the responsible officers of 260
the municipal corporation or township with the division of 261
liquor control in the enforcement of those chapters and penal 262
laws. Within thirty days after the notice is served, the 263
commission shall determine whether the requirement has been 264
complied with. If the commission determines that the requirement 265
has not been complied with, it may issue an order to the 266
superintendent to withhold the distributive share of the 267
municipal corporation or township until further order of the 268
commission. This action of the commission is reviewable within 269
thirty days thereafter in the court of common pleas of Franklin 270
county. 271

(G) All fees collected by the division of liquor control 272
from the issuance or renewal of B-2a and S permits, and paid by 273
B-2a and S permit holders who do not also hold A-2 or A-2f 274
permits, shall be deposited in the state treasury to the credit 275
of the state liquor regulatory fund. Once during each fiscal 276
year, an amount equal to fifty per cent of the fees collected 277
shall be paid from the state liquor regulatory fund into the 278
general revenue fund. 279
