(B) (1) Upon request by any person and subject to division 495  
(B) (8) of this section, all public records responsive to the 496  
request shall be promptly prepared and made available for 497  
inspection to the requester at all reasonable times during 498  
regular business hours. Subject to division (B) (8) of this 499  
section, upon request by any person, a public office or person 500  
responsible for public records shall make copies of the 501  
requested public record available to the requester at cost and 502  
within a reasonable period of time. If a public record contains 503  
information that is exempt from the duty to permit public 504  
inspection or to copy the public record, the public office or 505  
the person responsible for the public record shall make 506  
available all of the information within the public record that 507

is not exempt. When making that public record available for 508  
public inspection or copying that public record, the public 509  
office or the person responsible for the public record shall 510  
notify the requester of any redaction or make the redaction 511  
plainly visible. A redaction shall be deemed a denial of a 512  
request to inspect or copy the redacted information, except if 513  
federal or state law authorizes or requires a public office to 514  
make the redaction. 515

(2) To facilitate broader access to public records, a 516  
public office or the person responsible for public records shall 517  
organize and maintain public records in a manner that they can 518  
be made available for inspection or copying in accordance with 519  
division (B) of this section. A public office also shall have 520  
available a copy of its current records retention schedule at a 521  
location readily available to the public. If a requester makes 522  
an ambiguous or overly broad request or has difficulty in making 523  
a request for copies or inspection of public records under this 524  
section such that the public office or the person responsible 525  
for the requested public record cannot reasonably identify what 526  
public records are being requested, the public office or the 527  
person responsible for the requested public record may deny the 528  
request but shall provide the requester with an opportunity to 529  
revise the request by informing the requester of the manner in 530  
which records are maintained by the public office and accessed 531  
in the ordinary course of the public office's or person's 532  
duties. 533

(3) If a request is ultimately denied, in part or in 534  
whole, the public office or the person responsible for the 535  
requested public record shall provide the requester with an 536  
explanation, including legal authority, setting forth why the 537  
request was denied. If the initial request was provided in 538

writing, the explanation also shall be provided to the requester 539  
in writing. The explanation shall not preclude the public office 540  
or the person responsible for the requested public record from 541  
relying upon additional reasons or legal authority in defending 542  
an action commenced under division (C) of this section. 543

(4) Unless specifically required or authorized by state or 544  
federal law or in accordance with division (B) of this section, 545  
no public office or person responsible for public records may 546  
limit or condition the availability of public records by 547  
requiring disclosure of the requester's identity or the intended 548  
use of the requested public record. Any requirement that the 549  
requester disclose the requester's identity or the intended use 550  
of the requested public record constitutes a denial of the 551  
request. 552

(5) A public office or person responsible for public 553  
records may ask a requester to make the request in writing, may 554  
ask for the requester's identity, and may inquire about the 555  
intended use of the information requested, but may do so only 556  
after disclosing to the requester that a written request is not 557  
mandatory, that the requester may decline to reveal the 558  
requester's identity or the intended use, and when a written 559  
request or disclosure of the identity or intended use would 560  
benefit the requester by enhancing the ability of the public 561  
office or person responsible for public records to identify, 562  
locate, or deliver the public records sought by the requester. 563

(6) If any person requests a copy of a public record in 564  
accordance with division (B) of this section, the public office 565  
or person responsible for the public record may require the 566  
requester to pay in advance the cost involved in providing the 567  
copy of the public record in accordance with the choice made by 568

the requester under this division. The public office or the 569  
person responsible for the public record shall permit the 570  
requester to choose to have the public record duplicated upon 571  
paper, upon the same medium upon which the public office or 572  
person responsible for the public record keeps it, or upon any 573  
other medium upon which the public office or person responsible 574  
for the public record determines that it reasonably can be 575  
duplicated as an integral part of the normal operations of the 576  
public office or person responsible for the public record. When 577  
the requester makes a choice under this division, the public 578  
office or person responsible for the public record shall provide 579  
a copy of it in accordance with the choice made by the 580  
requester. Nothing in this section requires a public office or 581  
person responsible for the public record to allow the requester 582  
of a copy of the public record to make the copies of the public 583  
record. 584

(7) (a) Upon a request made in accordance with division (B) 585  
of this section and subject to division (B) (6) of this section, 586  
a public office or person responsible for public records shall 587  
transmit a copy of a public record to any person by United 588  
States mail or by any other means of delivery or transmission 589  
within a reasonable period of time after receiving the request 590  
for the copy. The public office or person responsible for the 591  
public record may require the person making the request to pay 592  
in advance the cost of postage if the copy is transmitted by 593  
United States mail or the cost of delivery if the copy is 594  
transmitted other than by United States mail, and to pay in 595  
advance the costs incurred for other supplies used in the 596  
mailing, delivery, or transmission. 597

(b) Any public office may adopt a policy and procedures 598  
that it will follow in transmitting, within a reasonable period 599

of time after receiving a request, copies of public records by 600  
United States mail or by any other means of delivery or 601  
transmission pursuant to division (B) (7) of this section. A 602  
public office that adopts a policy and procedures under division 603  
(B) (7) of this section shall comply with them in performing its 604  
duties under that division. 605

(c) In any policy and procedures adopted under division 606  
(B) (7) of this section: 607

(i) A public office may limit the number of records 608  
requested by a person that the office will physically deliver by 609  
United States mail or by another delivery service to ten per 610  
month, unless the person certifies to the office in writing that 611  
the person does not intend to use or forward the requested 612  
records, or the information contained in them, for commercial 613  
purposes; 614

(ii) A public office that chooses to provide some or all 615  
of its public records on a web site that is fully accessible to 616  
and searchable by members of the public at all times, other than 617  
during acts of God outside the public office's control or 618  
maintenance, and that charges no fee to search, access, 619  
download, or otherwise receive records provided on the web site, 620  
may limit to ten per month the number of records requested by a 621  
person that the office will deliver in a digital format, unless 622  
the requested records are not provided on the web site and 623  
unless the person certifies to the office in writing that the 624  
person does not intend to use or forward the requested records, 625  
or the information contained in them, for commercial purposes. 626

(iii) For purposes of division (B) (7) of this section, 627  
"commercial" shall be narrowly construed and does not include 628  
reporting or gathering news, reporting or gathering information 629

to assist citizen oversight or understanding of the operation or 630  
activities of government, or nonprofit educational research. 631

(8) A public office or person responsible for public 632  
records is not required to permit a person who is incarcerated 633  
pursuant to a criminal conviction or a juvenile adjudication to 634  
inspect or to obtain a copy of any public record concerning a 635  
criminal investigation or prosecution or concerning what would 636  
be a criminal investigation or prosecution if the subject of the 637  
investigation or prosecution were an adult, unless the request 638  
to inspect or to obtain a copy of the record is for the purpose 639  
of acquiring information that is subject to release as a public 640  
record under this section and the judge who imposed the sentence 641  
or made the adjudication with respect to the person, or the 642  
judge's successor in office, finds that the information sought 643  
in the public record is necessary to support what appears to be 644  
a justiciable claim of the person. 645

(9) (a) Upon written request made and signed by a 646  
journalist, a public office, or person responsible for public 647  
records, having custody of the records of the agency employing a 648  
specified designated public service worker shall disclose to the 649  
journalist the address of the actual personal residence of the 650  
designated public service worker and, if the designated public 651  
service worker's spouse, former spouse, or child is employed by 652  
a public office, the name and address of the employer of the 653  
designated public service worker's spouse, former spouse, or 654  
child. The request shall include the journalist's name and title 655  
and the name and address of the journalist's employer and shall 656  
state that disclosure of the information sought would be in the 657  
public interest. 658

(b) Division (B) (9) (a) of this section also applies to 659

journalist requests for: 660

(i) Customer information maintained by a municipally owned 661  
or operated public utility, other than social security numbers 662  
and any private financial information such as credit reports, 663  
payment methods, credit card numbers, and bank account 664  
information; 665

(ii) Information about minors involved in a school vehicle 666  
accident as provided in division (A) (1) (gg) of this section, 667  
other than personal information as defined in section 149.45 of 668  
the Revised Code. 669

(c) As used in division (B) (9) of this section, 670  
"journalist" means a person engaged in, connected with, or 671  
employed by any news medium, including a newspaper, magazine, 672  
press association, news agency, or wire service, a radio or 673  
television station, or a similar medium, for the purpose of 674  
gathering, processing, transmitting, compiling, editing, or 675  
disseminating information for the general public. 676

(10) Upon a request made by a victim, victim's attorney, 677  
or victim's representative, as that term is used in section 678  
2930.02 of the Revised Code, a public office or person 679  
responsible for public records shall transmit a copy of a 680  
depiction of the victim as described in division (A) (1) (ii) of 681  
this section to the victim, victim's attorney, or victim's 682  
representative. 683

(C) (1) If a person allegedly is aggrieved by the failure 684  
of a public office or the person responsible for public records 685  
to promptly prepare a public record and to make it available to 686  
the person for inspection in accordance with division (B) of 687  
this section or by any other failure of a public office or the 688

person responsible for public records to comply with an 689  
obligation in accordance with division (B) of this section, the 690  
person allegedly aggrieved may do only one of the following, and 691  
not both: 692

(a) File a complaint with the clerk of the court of claims 693  
or the clerk of the court of common pleas under section 2743.75 694  
of the Revised Code; 695

(b) Commence a mandamus action to obtain a judgment that 696  
orders the public office or the person responsible for the 697  
public record to comply with division (B) of this section, that 698  
awards court costs and reasonable attorney's fees to the person 699  
that instituted the mandamus action, and, if applicable, that 700  
includes an order fixing statutory damages under division (C) (2) 701  
of this section. The mandamus action may be commenced in the 702  
court of common pleas of the county in which division (B) of 703  
this section allegedly was not complied with, in the supreme 704  
court pursuant to its original jurisdiction under Section 2 of 705  
Article IV, Ohio Constitution, or in the court of appeals for 706  
the appellate district in which division (B) of this section 707  
allegedly was not complied with pursuant to its original 708  
jurisdiction under Section 3 of Article IV, Ohio Constitution. 709

(2) If a requester transmits a written request by hand 710  
delivery, electronic submission, or certified mail to inspect or 711  
receive copies of any public record in a manner that fairly 712  
describes the public record or class of public records to the 713  
public office or person responsible for the requested public 714  
records, except as otherwise provided in this section, the 715  
requester shall be entitled to recover the amount of statutory 716  
damages set forth in this division if a court determines that 717  
the public office or the person responsible for public records 718

failed to comply with an obligation in accordance with division 719  
(B) of this section. 720

The amount of statutory damages shall be fixed at one 721  
hundred dollars for each business day during which the public 722  
office or person responsible for the requested public records 723  
failed to comply with an obligation in accordance with division 724  
(B) of this section, beginning with the day on which the 725  
requester files a mandamus action to recover statutory damages, 726  
up to a maximum of one thousand dollars. The award of statutory 727  
damages shall not be construed as a penalty, but as compensation 728  
for injury arising from lost use of the requested information. 729  
The existence of this injury shall be conclusively presumed. The 730  
award of statutory damages shall be in addition to all other 731  
remedies authorized by this section. 732

The court may reduce an award of statutory damages or not 733  
award statutory damages if the court determines both of the 734  
following: 735

(a) That, based on the ordinary application of statutory 736  
law and case law as it existed at the time of the conduct or 737  
threatened conduct of the public office or person responsible 738  
for the requested public records that allegedly constitutes a 739  
failure to comply with an obligation in accordance with division 740  
(B) of this section and that was the basis of the mandamus 741  
action, a well-informed public office or person responsible for 742  
the requested public records reasonably would believe that the 743  
conduct or threatened conduct of the public office or person 744  
responsible for the requested public records did not constitute 745  
a failure to comply with an obligation in accordance with 746  
division (B) of this section; 747

(b) That a well-informed public office or person 748

responsible for the requested public records reasonably would 749  
believe that the conduct or threatened conduct of the public 750  
office or person responsible for the requested public records 751  
would serve the public policy that underlies the authority that 752  
is asserted as permitting that conduct or threatened conduct. 753

(3) In a mandamus action filed under division (C)(1) of 754  
this section, the following apply: 755

(a)(i) If the court orders the public office or the person 756  
responsible for the public record to comply with division (B) of 757  
this section, the court shall determine and award to the relator 758  
all court costs, which shall be construed as remedial and not 759  
punitive. 760

(ii) If the court makes a determination described in 761  
division (C)(3)(b)(iii) of this section, the court shall 762  
determine and award to the relator all court costs, which shall 763  
be construed as remedial and not punitive. 764

(b) If the court renders a judgment that orders the public 765  
office or the person responsible for the public record to comply 766  
with division (B) of this section or if the court determines any 767  
of the following, the court may award reasonable attorney's fees 768  
to the relator, subject to division (C)(4) of this section: 769

(i) The public office or the person responsible for the 770  
public records failed to respond affirmatively or negatively to 771  
the public records request in accordance with the time allowed 772  
under division (B) of this section. 773

(ii) The public office or the person responsible for the 774  
public records promised to permit the relator to inspect or 775  
receive copies of the public records requested within a 776  
specified period of time but failed to fulfill that promise 777

within that specified period of time. 778

(iii) The public office or the person responsible for the 779  
public records acted in bad faith when the office or person 780  
voluntarily made the public records available to the relator for 781  
the first time after the relator commenced the mandamus action, 782  
but before the court issued any order concluding whether or not 783  
the public office or person was required to comply with division 784  
(B) of this section. No discovery may be conducted on the issue 785  
of the alleged bad faith of the public office or person 786  
responsible for the public records. This division shall not be 787  
construed as creating a presumption that the public office or 788  
the person responsible for the public records acted in bad faith 789  
when the office or person voluntarily made the public records 790  
available to the relator for the first time after the relator 791  
commenced the mandamus action, but before the court issued any 792  
order described in this division. 793

(c) The court shall not award attorney's fees to the 794  
relator if the court determines both of the following: 795

(i) That, based on the ordinary application of statutory 796  
law and case law as it existed at the time of the conduct or 797  
threatened conduct of the public office or person responsible 798  
for the requested public records that allegedly constitutes a 799  
failure to comply with an obligation in accordance with division 800  
(B) of this section and that was the basis of the mandamus 801  
action, a well-informed public office or person responsible for 802  
the requested public records reasonably would believe that the 803  
conduct or threatened conduct of the public office or person 804  
responsible for the requested public records did not constitute 805  
a failure to comply with an obligation in accordance with 806  
division (B) of this section; 807

(ii) That a well-informed public office or person 808  
responsible for the requested public records reasonably would 809  
believe that the conduct or threatened conduct of the public 810  
office or person responsible for the requested public records 811  
would serve the public policy that underlies the authority that 812  
is asserted as permitting that conduct or threatened conduct. 813

(4) All of the following apply to any award of reasonable 814  
attorney's fees awarded under division (C) (3) (b) of this 815  
section: 816

(a) The fees shall be construed as remedial and not 817  
punitive. 818

(b) The fees awarded shall not exceed the total of the 819  
reasonable attorney's fees incurred before the public record was 820  
made available to the relator and the fees described in division 821  
(C) (4) (c) of this section. 822

(c) Reasonable attorney's fees shall include reasonable 823  
fees incurred to produce proof of the reasonableness and amount 824  
of the fees and to otherwise litigate entitlement to the fees. 825

(d) The court may reduce the amount of fees awarded if the 826  
court determines that, given the factual circumstances involved 827  
with the specific public records request, an alternative means 828  
should have been pursued to more effectively and efficiently 829  
resolve the dispute that was subject to the mandamus action 830  
filed under division (C) (1) of this section. 831

(5) If the court does not issue a writ of mandamus under 832  
division (C) of this section and the court determines at that 833  
time that the bringing of the mandamus action was frivolous 834  
conduct as defined in division (A) of section 2323.51 of the 835  
Revised Code, the court may award to the public office all court 836

costs, expenses, and reasonable attorney's fees, as determined 837  
by the court. 838

(D) Chapter 1347. of the Revised Code does not limit the 839  
provisions of this section. 840

(E) (1) To ensure that all employees of public offices are 841  
appropriately educated about a public office's obligations under 842  
division (B) of this section, all elected officials or their 843  
appropriate designees shall attend training approved by the 844  
attorney general as provided in section 109.43 of the Revised 845  
Code. A future official may satisfy the requirements of this 846  
division by attending the training before taking office, 847  
provided that the future official may not send a designee in the 848  
future official's place. 849

(2) All public offices shall adopt a public records policy 850  
in compliance with this section for responding to public records 851  
requests. In adopting a public records policy under this 852  
division, a public office may obtain guidance from the model 853  
public records policy developed and provided to the public 854  
office by the attorney general under section 109.43 of the 855  
Revised Code. Except as otherwise provided in this section, the 856  
policy may not limit the number of public records that the 857  
public office will make available to a single person, may not 858  
limit the number of public records that it will make available 859  
during a fixed period of time, and may not establish a fixed 860  
period of time before it will respond to a request for 861  
inspection or copying of public records, unless that period is 862  
less than eight hours. 863

The public office shall distribute the public records 864  
policy adopted by the public office under this division to the 865  
employee of the public office who is the records custodian or 866

records manager or otherwise has custody of the records of that 867  
office. The public office shall require that employee to 868  
acknowledge receipt of the copy of the public records policy. 869  
The public office shall create a poster that describes its 870  
public records policy and shall post the poster in a conspicuous 871  
place in the public office and in all locations where the public 872  
office has branch offices. The public office may post its public 873  
records policy on the internet web site of the public office if 874  
the public office maintains an internet web site. A public 875  
office that has established a manual or handbook of its general 876  
policies and procedures for all employees of the public office 877  
shall include the public records policy of the public office in 878  
the manual or handbook. 879

(F) (1) The bureau of motor vehicles may adopt rules 880  
pursuant to Chapter 119. of the Revised Code to reasonably limit 881  
the number of bulk commercial special extraction requests made 882  
by a person for the same records or for updated records during a 883  
calendar year. The rules may include provisions for charges to 884  
be made for bulk commercial special extraction requests for the 885  
actual cost of the bureau, plus special extraction costs, plus 886  
ten per cent. The bureau may charge for expenses for redacting 887  
information, the release of which is prohibited by law. 888

(2) As used in division (F) (1) of this section: 889

(a) "Actual cost" means the cost of depleted supplies, 890  
records storage media costs, actual mailing and alternative 891  
delivery costs, or other transmitting costs, and any direct 892  
equipment operating and maintenance costs, including actual 893  
costs paid to private contractors for copying services. 894

(b) "Bulk commercial special extraction request" means a 895  
request for copies of a record for information in a format other 896

than the format already available, or information that cannot be 897  
extracted without examination of all items in a records series, 898  
class of records, or database by a person who intends to use or 899  
forward the copies for surveys, marketing, solicitation, or 900  
resale for commercial purposes. "Bulk commercial special 901  
extraction request" does not include a request by a person who 902  
gives assurance to the bureau that the person making the request 903  
does not intend to use or forward the requested copies for 904  
surveys, marketing, solicitation, or resale for commercial 905  
purposes. 906

(c) "Commercial" means profit-seeking production, buying, 907  
or selling of any good, service, or other product. 908

(d) "Special extraction costs" means the cost of the time 909  
spent by the lowest paid employee competent to perform the task, 910  
the actual amount paid to outside private contractors employed 911  
by the bureau, or the actual cost incurred to create computer 912  
programs to make the special extraction. "Special extraction 913  
costs" include any charges paid to a public agency for computer 914  
or records services. 915

(3) For purposes of divisions (F) (1) and (2) of this 916  
section, "surveys, marketing, solicitation, or resale for 917  
commercial purposes" shall be narrowly construed and does not 918  
include reporting or gathering news, reporting or gathering 919  
information to assist citizen oversight or understanding of the 920  
operation or activities of government, or nonprofit educational 921  
research. 922

(G) A request by a defendant, counsel of a defendant, or 923  
any agent of a defendant in a criminal action that public 924  
records related to that action be made available under this 925  
section shall be considered a demand for discovery pursuant to 926

the Criminal Rules, except to the extent that the Criminal Rules 927  
plainly indicate a contrary intent. The defendant, counsel of 928  
the defendant, or agent of the defendant making a request under 929  
this division shall serve a copy of the request on the 930  
prosecuting attorney, director of law, or other chief legal 931  
officer responsible for prosecuting the action. 932

(H) (1) Any portion of a body-worn camera or dashboard 933  
camera recording described in divisions (A) (17) (b) to (h) of 934  
this section may be released by consent of the subject of the 935  
recording or a representative of that person, as specified in 936

(a) The recording will not be used in connection with any 938  
probable or pending criminal proceedings; 939

(b) The recording has been used in connection with a 940  
criminal proceeding that was dismissed or for which a judgment 941  
has been entered pursuant to Rule 32 of the Rules of Criminal 942  
Procedure, and will not be used again in connection with any 943  
probable or pending criminal proceedings. 944

(2) If a public office denies a request to release a 945  
restricted portion of a body-worn camera or dashboard camera 946  
recording, as defined in division (A) (17) of this section, any 947  
person may file a mandamus action pursuant to this section or a 948  
complaint with the clerk of the court of claims pursuant to 949  
section 2743.75 of the Revised Code, requesting the court to 950  
order the release of all or portions of the recording. If the 951  
court considering the request determines that the filing 952  
articulates by clear and convincing evidence that the public 953  
interest in the recording substantially outweighs privacy 954  
interests and other interests asserted to deny release, the 955  
court shall order the public office to release the recording. 956

the expiration date of the term for which the member's 1011

the term of the member's predecessor. A member appointed as 1014  
described in this division shall continue in office subsequent 1015  
to the expiration date of the member's term until the member's 1016

first. 1048

The member appointed under this division shall be 1049  
compensated in the same manner as other board members and shall 1050  
be reimbursed for actual and necessary expenses incurred in the 1051  
performance of the member's duties. The member may vote on all 1052  
cases heard by the full board under section 5149.101 of the 1053  
Revised Code, has such duties as are assigned by the chairperson 1054  
of the board, and shall coordinate the member's activities with 1055

terminate its control over the offender's service of the prison 1075

term only in accordance with section 2971.04 of the Revised Code. 1076
