Sec. 349.03. (A) Proceedings for the organization of a new community authority shall be initiated by a petition filed by the developer in the office of the clerk of the organizational board of commissioners. Such petition shall contain:

- (3) A map and a full and accurate description of the boundaries of the new community district together with a description of the properties within such boundaries, if any, which will not be included in the new community district.

The total acreage included in such district ~~shall not be less than one thousand acres, all of which acreage~~ shall be owned by, or under the control through leases of at least seventy-five years' duration, options, or contracts to purchase, of the developer, if the developer is a private entity, unless one of the following applies:

(8) A statement that the development will comply with all applicable environmental laws and regulations.

Upon the filing of such petition, the organizational board of commissioners shall determine whether such petition complies with the requirements of this section as to form and substance. The board in subsequent proceedings may at any time permit the petition to be amended in form and substance to conform to the facts by correcting any errors in the description of the proposed new community district or in any other particular.

Upon the determination of the organizational board of commissioners that a sufficient petition has been filed in accordance with this section, the board shall fix the time and place of a hearing on the petition for the establishment of the proposed new community authority. Such hearing shall be held not less than ninety-five nor more than one hundred fifteen days after the petition filing date, except that if the petition has been signed by all proximate cities or if the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, such hearing shall be held not less than thirty nor more than forty-five days after the petition filing date. The clerk of the organizational board of commissioners with which the petition was filed shall give notice thereof by publication once each week for three consecutive weeks, or as provided in section 7.16 of the Revised Code, in a newspaper of general circulation in any county of which a portion is within the proposed new community district. Except where the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, such clerk shall also give written notice of the date, time, and place of the hearing and furnish a certified copy of the petition to the clerk of the legislative authority of each proximate city which has not signed such petition. Except where the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, in the event that the legislative authority of a proximate city which did not sign the petition does not approve by ordinance, resolution, or motion the establishment of the proposed new community authority and does not deliver such ordinance, resolution, or motion to the clerk of the organizational board of commissioners with which the petition was filed within ninety days following the date of the first publication of the notice of the public hearing, the organizational board of commissioners shall cancel such public hearing and terminate the proceedings for the

establishment of the new community authority.

Upon the hearing, if the organizational board of commissioners determines by resolution that the proposed new community district will be conducive to the public health, safety, convenience, and welfare, and is intended to result in the development of a new community, the board shall by its resolution, declare the new community authority to be organized and a body politic and corporate with the corporate name designated in the resolution, and define the boundary of the new community district. In addition, the resolution shall provide the method of selecting the board of trustees of the new community authority and fix the surety for their bonds in accordance with section 349.04 of the Revised Code.

If the organizational board of commissioners finds that the establishment of the district will not be conducive to the public health, safety, convenience, or welfare, or is not intended to result in the development of a new community, it shall reject the petition thereby terminating the proceedings for the establishment of the new community authority.

(B) At any time after the creation of a new community authority, the developer may file an application with the clerk of the organizational board of commissioners with which the original petition was filed, setting forth a general description of territory it desires to add or to delete from such district, that such change will be conducive to the public health, safety, convenience, and welfare, and will be consistent with the development of a new community and will not jeopardize the plan of the new community. If the developer is not a municipal corporation, port authority, or county, all of such an addition to such a district shall be owned by, or under the control through leases of at least seventy-five years' duration, options, or contracts to purchase, of the developer. Upon the filing of the application, the organizational board of commissioners shall follow the same procedure as required by this section in relation to the petition for the establishment of the proposed new community.

(C) If all or any part of the new community district is annexed to one or more existing municipal corporations, their legislative authorities may appoint persons to replace any appointed citizen member of the board of trustees. The number of such trustees to be replaced by the municipal corporation shall be the number, rounded to the lowest integer, bearing the proportionate relationship to the number of existing appointed citizen members as the acreage of the new community district within such municipal corporation bears to the total acreage of the new community district. If any such municipal corporation chooses to replace an appointed citizen member, it shall do so by ordinance, the term of the trustee being replaced shall terminate thirty days from the date of passage of such ordinance, and the trustee to be replaced shall be determined by lot. Each newly appointed member shall assume the term of the member's predecessor.

Sec. 505.01. In each township there shall be a board of township trustees consisting of three members. Two of such trustees shall be elected at the general election in nineteen forty-nine and quadrennially thereafter, in each township, who shall hold office for a term of four years, commencing on the first day of January next after their election. The third trustee shall be elected at the general election in nineteen fifty-one and quadrennially thereafter, in each township, who shall hold office for a term of four years, commencing on the first day of January next after ~~his~~ the person's election.

The governing body of the joint police district shall be a joint police district board, which shall include either all of the township trustees of each township and all of the members of the legislative authority of each municipal corporation in the district, as agreed to and established in the joint resolution creating the joint police district; or an odd number of members as agreed to and established in the joint resolution, as long as the members are representatives from each board of township trustees of each township and from the legislative authority of each municipal corporation in the joint police district.

(B) The joint police district board shall organize within thirty days after the favorable vote by the last board of township trustees or the members of the legislative authority of the last municipal corporation joining itself into the joint police district board. The ~~president-chairperson~~ of the board of township trustees of the most populous participating township or the legislative authority of the most populous participating municipal corporation shall give notice of the time and place of organization to each pending member of the joint police district board, as established in the joint resolution. Such notice shall be signed and shall be sent by certified mail to each such pending member of the board at least five days prior to the organization meeting, which meeting shall be held in one of the participating townships or municipal corporations. Two-thirds of the joint police district board members constitutes a quorum. The members of the joint police district board shall, at the organization meeting, proceed with the election of a president, a secretary, and a treasurer, and such other officers as they consider necessary and proper, and shall transact such other business as properly comes before the board.

(C) In the formation of a joint police district, such action may be taken by or on behalf of part of a township, by excluding that portion of the township lying within a municipal corporation. The joint police district board may exercise the same powers as are granted to a board of township trustees in the operation of a township police district under sections 505.49 to 505.55 of the Revised Code, including, but not limited to, the power to employ, train, and discipline personnel, to acquire equipment and buildings, to levy a tax, to issue bonds and notes, and to dissolve the district.

Sec. 507.11. (A) The board of township trustees may authorize, by resolution, township officers and employees to incur obligations of ~~two ten thousand five hundred~~ dollars or less on behalf of the township, or it may authorize, by resolution, the township administrator to so authorize township officers and employees. The obligations incurred on behalf of the township by a township

officer or employee acting pursuant to any such resolution shall be subsequently approved by the adoption of a formal resolution of the board of township trustees.

(B)(1) No money belonging to the township shall be paid out, except upon an order signed by at least two of the township trustees, and countersigned by the township fiscal officer.

(2) As provided in division (E) of section 9.37 of the Revised Code, and notwithstanding division (B)(1) of this section, a board of township trustees may adopt a resolution authorizing the payment of lawful obligations of the township by direct deposit of funds by electronic transfer in accordance with section 9.37 of the Revised Code.

Sec. 513.07. The boards of township trustees of any two or more contiguous townships, whether or not within the same county, may, by a two-thirds favorable vote of each such board, form themselves into a joint township district hospital board for the purpose of establishing, constructing, and maintaining a joint township district general hospital or other hospital facilities as defined in section 140.01 of the Revised Code, and such townships shall be a part of a joint township hospital district.

Such joint township district hospital board shall organize within thirty days after the favorable vote by the last board of trustees joining itself into the joint township district hospital board. The ~~president~~ chairperson of the board of township trustees of the most populous township participating shall give notice of the time and place of organization to each member of the board of township trustees of each township comprising the district. Such notice shall be signed by the ~~president~~ chairperson of the board of township trustees of the most populous township comprising the district, and shall be sent by registered mail to each member of the board of township trustees of the townships affected, at least five days prior to such organization meeting, which meeting shall be held in one of the participating townships. All members of the board of township trustees of the townships so participating shall comprise the joint township district hospital board. Two-thirds of all the township trustees of the townships constituting such district constitutes a quorum. Such members of the boards of township trustees shall, at the organization meeting of such joint township district hospital board, proceed with the election of a president, a secretary, and a treasurer, and such other officers as they deem proper and necessary, and shall transact such other business as properly comes before such board.

In the formation of such a hospital district, such action may be taken by or on behalf of part of a township, by excluding that portion of the township lying within a municipal corporation.

Sec. 513.071. A municipal corporation which is not at the time part of a joint township hospital district may, by a two-thirds favorable vote of its legislative authority, participate in the formation of a joint township district hospital board pursuant to section 513.07 of the Revised Code if it is contiguous to another municipal corporation contemplated to be included in the district, or contiguous to, or partly but not wholly within, a township contemplated to be included in the district, or may become a part of an established joint township hospital district pursuant to sections 513.11 and 513.18 of the Revised Code if it is contiguous to the district, or to a township or municipal corporation contiguous to the district which will at the same time become part of such district. So long as such municipal corporation remains a part of such district, it may not be included, as part of a township, in another joint township hospital district, but the remainder of such township may become part of a joint township hospital district pursuant to section 513.07, 513.11, or 513.18 of the Revised

Code. Each such municipal corporation shall be represented on the joint township district hospital board by the presiding officer of its legislative authority, who shall act as ~~president~~chairperson of a board of township trustees for the purposes of section 513.07 of the Revised Code, and by two members of such legislative authority to be appointed from time to time by the legislative authority and to serve for such term or terms as it prescribes. For the purpose of such representation such presiding officer and members shall be considered as a board of township trustees; but for all other purposes of sections 513.07 to 513.18, inclusive, of the Revised Code, the legislative authority shall be considered as the board of township trustees and shall perform the duties imposed on that board by such sections.

Any indebtedness incurred by a joint township hospital district shall not constitute an indebtedness of any municipal corporation or any township.

Where a municipal corporation as a part of a township is territorially a part of a joint township hospital district and thereafter its corporate limits are made identical with those of a township, such municipal corporation shall as a township remain a part of such joint township hospital district and shall be bound by all agreements or obligations theretofore or thereafter entered into or assumed, and the taxable property therein shall be subject to all tax levies, including tax levies for bonds of the joint township hospital district, theretofore or thereafter imposed by the district pursuant to sections 513.07 to 513.18, inclusive, of the Revised Code. Such municipal corporation shall be entitled, as a new and separate township, to representation on the joint township district hospital board in the same manner as is provided in this section when a joint township hospital board in the same manner as is provided in this section when a joint township hospital district is formed.

Sec. 517.30. A board of township trustees may erect a suitable monument to commemorate the members of the armed forces who died in the service of the United States or of this state. The board, by a majority vote, may appropriate and expend not more than ~~five~~fifty thousand dollars from township funds for the purpose of erecting the monument, according to plans and specifications furnished or approved by the board.

Sec. 519.04. (A) The board of township trustees of any township proceeding under sections 519.01 to 519.99 of the Revised Code, shall create and establish a township zoning commission. The commission shall be composed of five members who reside in the unincorporated area of the township, to be appointed by the board. The board of township trustees may appoint two alternate members to the township zoning commission, for terms to be determined by the board of township trustees. An alternate member shall take the place of an absent regular member at any meeting of the township zoning commission, according to procedures prescribed by resolution by the board of township trustees. An alternate member shall meet the same appointment criteria as a regular member. When attending a meeting on behalf of an absent member, the alternate member may vote on any matter on which the absent member is authorized to vote. The terms of the regular members shall be of such length and so arranged that the term of one member will expire each year. Where there is a county or regional planning commission the board may appoint qualified members of such commission to serve on the township zoning commission. Each regular or alternate member shall serve until the member's successor is appointed and qualified.

(B) Members of the zoning commission shall be removable for nonperformance of duty,

misconduct in office, or other cause by the board, upon written charges being filed with the board, after a public hearing has been held regarding ~~such the~~ charges, and after a copy of the charges has been served upon the member so charged at least ten days ~~prior to~~ before the hearing, either personally, by registered mail, or by leaving ~~such the~~ copy at the member's usual place of residence. The hearing shall occur within sixty days after the charges are filed. The member shall be given an opportunity to be heard and answer such the charges. Upon the approval of a majority of the board of township trustees, the member may be suspended from participating as a member of the zoning commission during the period of up to sixty days before the pending hearing on the removal. Vacancies shall be filled by the board and shall be for the unexpired term. A suspension authorized by this section is not a vacancy for purposes of this section.

(C) The decision of the board of township trustees regarding the suspension or removal may be appealed under Chapter 2506. of the Revised Code.

Sec. 519.07. ~~Following (A)~~ Except as provided in division (B) of this section, following the hearing provided for in section 519.06 of the Revised Code the township zoning commission shall submit the proposed zoning resolution, including text and maps, to the county or regional planning commission of the county or district in which the township is located, if there is such a commission, for approval, disapproval, or suggestions.

The approval of the planning commission shall be conclusively presumed unless, within twenty days after receiving the proposed zoning resolution, it notifies the zoning commission to the contrary.

No amendment for which such a referendum vote has been requested shall be put into effect unless a majority of the vote cast on the issue is in favor of the amendment. Upon certification by the board of elections that the amendment has been approved by the voters, it shall take immediate effect.

Within five working days after an amendment's effective date, the board of township trustees shall file the text and maps of the amendment in the office of the county recorder and with the county or regional planning commission, if one exists.

The failure to file any amendment, or any text and maps, or duplicates of any of these documents, with the office of the county recorder or the county or regional planning commission as required by this section does not invalidate the amendment and is not grounds for an appeal of any decision of the board of zoning appeals.

Sec. 519.13. (A) In any township which adopts zoning regulations the board of township trustees shall appoint a township board of zoning appeals composed of five members who shall be residents of the unincorporated territory in the township included in the area zoned. The board of township trustees may appoint two alternate members to the township board of zoning appeals, for terms to be determined by the board of township trustees. An alternate member shall take the place of an absent regular member at any meeting of the board of zoning appeals, according to procedures prescribed by resolution by the board of township trustees. An alternate member shall meet the same appointment criteria as a regular member. When attending a meeting on behalf of an absent member, the alternate member may vote on any matter on which the absent member is authorized to vote. The terms of all regular members shall be of such length and so arranged that the term of one member will expire each year. Each regular or alternate member shall serve until the member's successor is appointed and qualified.

(B) Members shall be removable for the same causes and in the same manner and may be suspended as provided by section 519.04 of the Revised Code. Vacancies shall be filled by the board of township trustees and shall be for the unexpired term. A suspension authorized by section 519.04 of the Revised Code is not a vacancy for purposes of this section. The members may be allowed their expenses, or such compensation, or both, as the board of township trustees may approve and provide.

(C) The board of zoning appeals may, within the limits of the moneys appropriated by the board of township trustees for the purpose, employ such executive, professional, technical, and other assistants as it considers necessary.

Sec. 519.15. The township board of zoning appeals shall organize and adopt rules in accordance with the zoning resolution. Meetings of the board of zoning appeals shall be held at the call of the chairperson, and at such other times as the board determines. The chairperson, or in the chairperson's absence the acting chairperson, may administer oaths, and the board of zoning appeals may compel the attendance of witnesses. All meetings of the board of zoning appeals shall be open to the public. The board of zoning appeals shall keep minutes of its proceedings showing the vote of each regular or alternate member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board of township trustees and be a public record.

Appeals to the board of zoning appeals may be taken by any person aggrieved or by any officer of the township affected by any decision of the administrative officer. Such appeal shall be taken within twenty days after the decision by filing, with the officer from whom the appeal is taken and with the board of zoning appeals, a notice of appeal specifying the grounds. The officer from whom the appeal is taken shall transmit to the board of zoning appeals all the papers constituting the record upon which the action appealed from was taken.

Upon the hearing, any person may appear in person or by attorney.

The board of township trustees may require a person making an appeal to pay a fee to defray the cost of advertising, mailing, and other expenses.

Sec. 1509.07. However, if any well is located within an urbanized area, the owner shall obtain liability insurance coverage in an amount of not less than three million dollars for bodily injury coverage and property damage coverage to pay damages for injury to persons or damage to property caused by the drilling, operation, or plugging of all of the owner's wells in this state.

(b) A board of county commissioners of a county that is an owner of a well or a board of township trustees of a township that is an owner of a well may elect to satisfy the liability coverage requirements specified in division (A)(1)(a) of this section by participating in a joint self-insurance pool in accordance with the requirements established under section 2744.081 of the Revised Code. Nothing in division (A)(1)(b) of this section shall be construed to allow an entity, other than a county or township, to participate in a joint self-insurance pool to satisfy the liability coverage requirements specified in division (A)(1)(a) of this section.

(2) An owner of a horizontal well shall obtain liability insurance coverage from an insurer authorized to write such insurance in this state or from an insurer approved to write such insurance in this state under section 3905.33 of the Revised Code in an amount of not less than five million dollars bodily injury coverage and property damage coverage to pay damages for injury to persons or damage to property caused by the production operations of all the owner's wells in this state. The insurance policy shall include a reasonable level of coverage available for an environmental endorsement.

(3) An owner shall maintain the coverage required under division (A)(1) or (2) of this section until all the owner's wells are plugged and abandoned or are transferred to an owner who has obtained insurance as required under this section and who is not under a notice of material and substantial violation or under a suspension order. The owner shall provide proof of liability insurance coverage to the chief of the division of oil and gas resources management upon request. Upon failure

of the owner to provide that proof when requested, the chief may order the suspension of any outstanding permits and operations of the owner until the owner provides proof of the required insurance coverage.

(B)(1) Except as otherwise provided in this section, an owner of any well, before being issued a permit under section 1509.06 of the Revised Code or before operating or producing from a well, shall execute and file with the division of oil and gas resources management a surety bond conditioned on compliance with the restoration requirements of section 1509.072, the plugging requirements of section 1509.12, the permit provisions of section 1509.13 of the Revised Code, and all rules and orders of the chief relating thereto, in an amount set by rule of the chief.

(2) The owner may deposit with the chief, instead of a surety bond, cash in an amount equal to the surety bond as prescribed pursuant to this section or negotiable certificates of deposit or irrevocable letters of credit, issued by any bank organized or transacting business in this state, having a cash value equal to or greater than the amount of the surety bond as prescribed pursuant to this section. Cash or certificates of deposit shall be deposited upon the same terms as those upon which surety bonds may be deposited. If certificates of deposit are deposited with the chief instead of a surety bond, the chief shall require the bank that issued any such certificate to pledge securities of a cash value equal to the amount of the certificate that is in excess of the amount insured by any of the agencies and instrumentalities created under the "Federal Deposit Insurance Act," 64 Stat. 873 (1950), 12 U.S.C. 1811, as amended, and regulations adopted under it, including at least the federal deposit insurance corporation. The securities shall be security for the repayment of the certificate of deposit.

Immediately upon a deposit of cash, certificates of deposit, or letters of credit with the chief, the chief shall deliver them to the treasurer of state who shall hold them in trust for the purposes for which they have been deposited.

(3) Instead of a surety bond, the chief may accept proof of financial responsibility consisting of a sworn financial statement showing a net financial worth within this state equal to twice the amount of the bond for which it substitutes and, as may be required by the chief, a list of producing properties of the owner within this state or other evidence showing ability and intent to comply with the law and rules concerning restoration and plugging that may be required by rule of the chief. The owner of an exempt Mississippian well is not required to file scheduled updates of the financial documents, but shall file updates of those documents if requested to do so by the chief. The owner of a nonexempt Mississippian well shall file updates of the financial documents in accordance with a schedule established by rule of the chief. The chief, upon determining that an owner for whom the chief has accepted proof of financial responsibility instead of bond cannot demonstrate financial responsibility, shall order that the owner execute and file a bond or deposit cash, certificates of deposit, or irrevocable letters of credit as required by this section for the wells specified in the order within ten days of receipt of the order. If the order is not complied with, all wells of the owner that are specified in the order and for which no bond is filed or cash, certificates of deposit, or letters of credit are deposited shall be plugged. No owner shall fail or refuse to plug such a well. Each day on which such a well remains unplugged thereafter constitutes a separate offense.

(4) The surety bond provided for in this section shall be executed by a surety company authorized to do business in this state.

The chief shall not approve any bond until it is personally signed and acknowledged by both principal and surety, or as to either by the principal's or surety's attorney in fact, with a certified copy of the power of attorney attached thereto. The chief shall not approve a bond unless there is attached a certificate of the superintendent of insurance that the company is authorized to transact a fidelity and surety business in this state.

All bonds shall be given in a form to be prescribed by the chief and shall run to the state as obligee.

(5) An owner of an exempt Mississippian well or an exempt domestic well, in lieu of filing a surety bond, cash in an amount equal to the surety bond, certificates of deposit, irrevocable letters of credit, or a sworn financial statement, may file a one-time fee of fifty dollars, which shall be deposited in the oil and gas well plugging fund created in section 1509.071 of the Revised Code.

(C) An owner, operator, producer, or other person shall not operate a well or produce from a well at any time if the owner, operator, producer, or other person has not satisfied the requirements established in this section.

(VV) For construction and maintenance of improvements and expenses of soil and water conservation district programs under Chapter 940. of the Revised Code;

(WW) For the OSU extension fund created under section 3335.35 of the Revised Code for the purposes prescribed under section 3335.36 of the Revised Code for the benefit of the citizens of a county. This division applies only to a county.

(XX) For a municipal corporation that withdraws or proposes by resolution to withdraw from a regional transit authority under section 306.55 of the Revised Code to provide transportation services for the movement of persons within, from, or to the municipal corporation;

(YY) For any combination of the purposes specified in divisions (NN), (VV), and (WW) of this section. This division applies only to a county.

(ZZ) For any combination of the following purposes: the acquisition, construction, improvement, or maintenance of buildings, equipment, and supplies for police, firefighting, or emergency medical services; the construction, reconstruction, resurfacing, or repair of streets, roads, and bridges; or for general infrastructure projects. This division applies only to a township or municipal corporation.

(AAA) For any combination of the purposes specified in divisions (G), (K), (N), (O), (P), (X), (BB), and (MM) of this section, for the acquisition, construction or maintenance of county facilities, or for the acquisition of or improvements to land. This division applies only to a county.

The resolution shall be confined to the purpose or purposes described in one division of this section, to which the revenue derived therefrom shall be applied. The existence in any other division of this section of authority to levy a tax for any part or all of the same purpose or purposes does not preclude the use of such revenues for any part of the purpose or purposes of the division under which the resolution is adopted.

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

(2) When the additional rate is for any of the following, the increased rate shall be for a continuing period of time:

(a) For the current expenses for a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under sections 2151.65 and 2152.41 of the Revised Code;

(b) For providing a county's share of the cost of maintaining and operating schools, district detention facilities, forestry camps, or other facilities, or any combination thereof, established under section 2151.65 or 2152.41 of the Revised Code or under both of those sections.

(3) When the additional rate is for either of the following, the increased rate may be for a continuing period of time:

(a) For the purposes set forth in division (I), (J), (U), or (KK) of this section;

(b) For the maintenance and operation of a joint recreation district.

(4) When the increase is for the purpose or purposes set forth in division (D), (G), (H), (T), (Z), (CC), or (PP) of this section, the tax levy may be for any specified number of years or for a continuing period of time, as set forth in the resolution.

(5) When the increase is for the purpose set forth in division (ZZ) or (AAA) of this section, the tax levy may be for any number of years not exceeding ten.

A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may be reduced pursuant to section 5705.261 or 5705.31 of the Revised Code. A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may also be terminated or permanently reduced by the taxing authority if it adopts a resolution stating that the continuance of the levy is unnecessary and the levy shall be terminated or that the millage is excessive and the levy shall be decreased by a designated amount.

A resolution of a detention facility district, a district organized under section 2151.65 of the Revised Code, or a combined district organized under both sections 2151.65 and 2152.41 of the Revised Code may include both current expenses and other purposes, provided that the resolution shall apportion the annual rate of levy between the current expenses and the other purpose or purposes. The apportionment need not be the same for each year of the levy, but the respective portions of the rate actually levied each year for the current expenses and the other purpose or purposes shall be limited by the apportionment.

Whenever a board of county commissioners, acting either as the taxing authority of its county

or as the taxing authority of a sewer district or subdistrict created under Chapter 6117. of the Revised Code, by resolution declares it necessary to levy a tax in excess of the ten-mill limitation for the purpose of constructing, improving, or extending sewage disposal plants or sewage systems, the tax may be in effect for any number of years not exceeding twenty, and the proceeds of the tax, notwithstanding the general provisions of this section, may be used to pay debt charges on any obligations issued and outstanding on behalf of the subdivision for the purposes enumerated in this paragraph, provided that any such obligations have been specifically described in the resolution.

A resolution adopted by the legislative authority of a municipal corporation that is for the purpose in division (XX) of this section may be combined with the purpose provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the legislative authority. The legislative authority may certify the resolution to the board of elections as a combined question. The question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

A levy for the purpose set forth in division (BB) of this section may be imposed in all or a portion of the territory of a subdivision. If the 9-1-1 system to be established and operated with levy funds excludes territory located within the subdivision, the resolution adopted under this section, or a resolution proposing to renew such a levy that was imposed in all of the territory of the subdivision, may describe the area served or to be served by the system and specify that the proposed tax would be imposed only in the areas receiving or to receive the service. Upon passage of such a resolution, the board of elections shall submit the question of the tax levy only to those electors residing in the area or areas in which the tax would be imposed. If the 9-1-1 system would serve the entire subdivision, the resolution shall not exclude territory from the tax levy.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election

When the electors of a subdivision or, in the case of a qualifying library levy for the support of a library association or private corporation, the electors of the association library district or, in the case of a 9-1-1 system levy serving only a portion of the territory of a subdivision, the electors of the portion of the subdivision in which the levy would be imposed have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

Sec. 5709.73. (A) As used in this section and section 5709.74 of the Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code,

except that a blighted area is in the unincorporated area of a township.

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C)(2) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The notice shall include a map of the proposed incentive district on which the board of township trustees shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C)(1) of this section who meets the conditions specified in divisions (C)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall include a copy of the statement submitted under division (C)(2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (C)(2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (C)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the resolution, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting a resolution under division (C)(1) of this section, the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (C)(2)(b) of this section. A township shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and, except as provided in division (F) of this section, no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public

infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable

on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are

provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, or a later date as specified in this division, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program;

(13) A tax levied by a township under section 505.39, 505.51, or division (I), (J), (U), or (JJ) of section 5705.19 of the Revised Code for the purpose of funding fire, police, emergency medical, or ambulance services as described in those sections. Division (F)(13) of this section applies only to incentive districts created by a resolution adopted on or after the effective date of the amendment of this section by H.B. 500 of the 132nd general assembly, and only if that resolution specifies that division (F) of this section shall apply to such a tax.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in

which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and

housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(L) Notwithstanding the limitation prescribed by division (D) of this section on the number of years that improvements to a parcel or parcels may be exempted from taxation, a board of trustees of a township with a population of fifteen thousand or more may amend a resolution originally adopted under this section before December 31, 1994, to extend the exemption of improvements to the parcel or parcels included in such resolution for an additional period not to exceed fifteen years. The amendment shall not increase the percentage of improvements to the parcel or parcels exempted from taxation. Before adopting an amendment authorized under this division, the board of township trustees shall obtain the approval of each board of education of the city, local, or exempted village school district within which the exempted parcels are located in the manner required under division (D) of this section, except that (1) the board of education may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to the amount of taxes the district forgoes in each year the exemption is extended pursuant to this division or any other mutually agreeable compensation and (2) if the board of education fails to certify a resolution approving the amendment to the board of township trustees within the time prescribed by division (D) of this section, the board of township trustees shall not adopt the amendment authorized under this division.

No approval under this division shall be required from a board of education that has adopted a resolution waiving its right to approve exemptions from taxation pursuant to division (D) of this section. If the board of education has adopted such a resolution, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt an amendment authorized under this division unless the board of education has adopted a resolution under that section waiving its right to receive the notice. Not later

than fourteen days before adopting an amendment authorized under this division, the board of township trustees shall deliver a notice identical to a notice required under section 5709.83 of the Revised Code to the board of county commissioners of each county in which the exempted parcels are located.

Sec. 5709.75. (A) Any township that receives service payments in lieu of taxes under section 5709.74 of the Revised Code shall establish a township public improvement tax increment equivalent fund into which those payments shall be deposited. If the board of township trustees has adopted a resolution under division (C) of section 5709.73 of the Revised Code, the township shall establish at least one account in that fund with respect to resolutions adopted under division (B) of that section, and one account with respect to each incentive district created by a resolution adopted under division (C) of that section. If a resolution adopted under division (C) of section 5709.73 of the Revised Code also authorizes the use of service payments for housing renovations within the incentive district, the township shall establish separate accounts for the service payments designated for public infrastructure improvements and for the service payments authorized for the purpose of housing renovations.

(B) Except as otherwise provided in division (C) or (D) of this section, money deposited in an account of the township public improvement tax increment equivalent fund shall be used by the township to pay the costs of public infrastructure improvements designated in or the housing renovations authorized by the resolution with respect to which the account is established, including any interest on and principal of the notes; in the case of an account established with respect to a resolution adopted under division (C) of that section, money in the account shall be used to finance the public infrastructure improvements designated, or the housing renovations authorized, for each incentive district created in the resolution. Money in an account shall not be used to finance or support housing renovations that take place after the incentive district has expired.

(C)(1)(a) A township may distribute money in such an account to any school district in which the exempt property is located in an amount not to exceed the amount of real property taxes that such school district would have received from the improvement if it were not exempt from taxation. The resolution establishing the fund shall set forth the percentage of such maximum amount that will be distributed to any affected school district.

(b) A township also may distribute money in such an account as follows:

(i) To a board of county commissioners, in the amount that is owed to the board pursuant to division (E) of section 5709.73 of the Revised Code;

(ii) To a county in accordance with section 5709.913 of the Revised Code.

(2) Money from an account in a township public improvement tax increment equivalent fund may be distributed under division (C)(1)(b) of this section, regardless of the date a resolution was adopted under section 5709.73 of the Revised Code that prompted the establishment of the account, even if the resolution was adopted prior to March 30, 2006.

(D) A board of township trustees that adopted a resolution under section 5709.73 of the Revised Code and that, with respect to property exempted under such a resolution, is party to a hold-harmless or service agreement, may appropriate and expend unencumbered money in the fund to pay current public safety expenses of the township. A township appropriating and expending money under this division shall reimburse the fund for the sum so appropriated and expended not later than

the day the exemption granted under the resolution expires. For the purposes of this division, a "hold-harmless agreement" is an agreement with the board of education of a city, local, or exempted village school district under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue the school district would have received from improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(E) A board of township trustees that adopted a resolution under section 5709.73 of the Revised Code prior to July 21, 1994, and that, with respect to property exempted under such resolution, is a party to a hold-harmless or service agreement with a board of education of a city, local, or exempted village school district, within the territory of which such property is located, may appropriate and expend unencumbered money in the fund to pay current expenses for the continued maintenance of public improvements or public infrastructure improvements designated in that resolution, as such resolution has been amended under division (K) of section 5709.73 of the Revised Code.

(F) Any unencumbered money remaining in the township public improvement tax increment equivalent fund or an account of that fund upon dissolution of the account or fund shall be transferred to the general fund of the township.
