To amend sections 9.87, 2743.02, 2744.01, and 1
4123.68 of the Revised Code to make temporary 2
changes related to qualified civil immunity for 3
health care and emergency services provided 4
during a government-declared disaster or 5
emergency and for exposure to or transmission or 6
contraction of certain coronaviruses, to expand 7
the definition of "governmental function" 8
regarding political subdivision tort liability 9
in relation to emergency declarations, to expand 10
state immunity to include actions undertaken 11
under a duty during the COVID-19 pandemic, to 12
make COVID-19 contracted by certain employees an 13
occupational disease under the Workers' 14
Compensation Law under specific circumstances, 15
and to declare an emergency. 16

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 9.87, 2743.02, 2744.01, and 17

4123.68 of the Revised Code be amended to read as follows: 18

Sec. 9.87. (A) The state, except as provided in division 19
(B) of this section, shall indemnify an officer or employee from 20
liability incurred in the performance of official duties by 21
paying any judgment in, or amount negotiated in settlement of, 22
any civil action arising under federal law, the law of another 23
state, or the law of a foreign jurisdiction. The reasonableness 24
of the amount of any consent judgment or settlement is subject 25
to the review and approval of the attorney general and of the 26
director, administrative chief, or governing body of the 27
employer of the officer or employee who is to be indemnified. 28
The maximum aggregate amount of indemnification paid directly 29
from state funds to or on behalf of any officer or employee 30
pursuant to this division shall be one million dollars per 31
occurrence, regardless of the number of persons who suffer 32
damage, injury, or death as a result of the occurrence. 33

(B) The state shall not indemnify an officer or employee 34
under any of the following circumstances: 35

(1) To the extent the officer or employee is covered by a 36
policy of insurance for civil liability purchased by the state; 37

(2) When the officer or employee acts manifestly outside 38
the scope of the officer's or employee's employment or official 39
responsibilities, with malicious purpose, in bad faith, or in a 40
wanton or reckless manner, as determined by the employer of the 41
officer or employee or by the attorney general. 42

(3) For any portion of a judgment that represents punitive 43
or exemplary damages, except that this prohibition does not 44
apply if the employer of the officer or employee and the 45
attorney general determine that the acts or omissions of the 46

officer or employee were not within the terms of division (B) (2) 47
of this section; 48

(4) For any portion of a consent judgment or settlement 49
that is unreasonable; 50

(5) For any portion of a judgment where a cause of action 51
exists on or after the effective date of this amendment that 52
involves the performance or nonperformance of a governmental 53
function or public duty as a result of a state agency's response 54
to the COVID-19 pandemic by arranging or providing care, 55
protection, or treatment for any person committed to the custody 56
of the state, including health care services, or that, as a 57
result of the performance or nonperformance of a governmental 58
function or public duty, an officer or employee becomes infected 59
with COVID-19. 60

(C) The director of administrative services may purchase a 61
policy or policies of insurance on behalf of officers and 62
employees of the state from an insurer or insurers licensed to 63
do business in this state providing coverage for amounts in 64
excess of one million dollars per occurrence incurred in 65
connection with any civil action, demand, or claim against the 66
officer or employee by reason of an act or omission by the 67
officer or employee occurring in the performance of the 68
officer's or employee's duties and not coming within the terms 69
of division (B) (2) of this section. 70

(D) This section does not affect any of the following: 71

(1) The waiver arising under division (A) (1) of section 72
2743.02 of the Revised Code; 73

(2) Any defense that would otherwise be available in an 74
action alleging personal liability of an officer or employee; 75

(3) The operation of section 9.83 of the Revised Code.	76
(E) The indemnification of officers or employees against judgments or settlements pursuant to this section shall be accomplished only through the following procedure:	77 78 79
(1) If the employer of the defendant officer or employee to be indemnified determines that the actions or omissions of its officer or employee giving rise to the claim were not within the terms of division (B) (2) of this section, an indemnity agreement shall be prepared by the attorney general, specifying that the employer will indemnify the officer or employee from a particular judgment that has been rendered or a particular settlement amount that has been negotiated. The agreement shall name the person or entity to whom payment by the state of the judgment or settlement amount will be made, and the agreement shall not be effective until it is approved by the officer or employee to be indemnified, the director, administrative chief, or other governing body of the employer, and by the attorney general. The attorney general shall approve the indemnity agreement, unless the attorney general finds that division (B) of this section prohibits the state from indemnifying the officer or employee, or prohibits the state from indemnifying the officer or employee for a portion of a judgment or settlement and the indemnity agreement would indemnify the officer or employee for all or a part of that portion.	80 81 82 83 84 85 86 87 88 89 90 91 92 93 94 95 96 97 98 99
(2) The attorney general shall forward a copy of the agreement to the director of budget and management.	100 101
(3) Any indemnification paid shall be charged by the director of budget and management against available unencumbered moneys in the appropriations of the employer of the officer or employee to be indemnified. The director of budget and	102 103 104 105

management shall have sole discretion to determine whether or 106
not unencumbered moneys in a particular appropriation are 107
available for payment of the indemnification. 108

(4) The director of budget and management shall, upon 109
receipt of the agreement from the attorney general pursuant to 110
division (E) (2) of this section, provide for payment to the 111
person or entity named in the agreement, in the amount specified 112
in the agreement. 113

(5) If the director of budget and management determines 114
that sufficient unencumbered moneys do not exist in the 115
particular appropriations to pay the indemnification, the 116
director shall make application for payment of the 117
indemnification out of the emergency purposes account or any 118
other appropriation for emergencies or contingencies, and 119
payment out of this account or other appropriation shall be 120
authorized if there are sufficient moneys greater than the sum 121
total of then pending emergency purposes account requests, or 122
requests for releases from the other appropriation. 123

(6) If sufficient moneys do not exist in the emergency 124
purposes account or any other appropriation for emergencies or 125
contingencies to pay the indemnification, the employer named in 126
the agreement shall request the general assembly to make an 127
appropriation sufficient to pay the indemnification, and no 128
payment shall be made until the appropriation has been made. The 129
employer shall make this appropriation request during the 130
current biennium and during each succeeding biennium until a 131
sufficient appropriation is made. 132

(7) If the indemnification is to be made by an employer 133
whose funds are not handled by the director of budget and 134
management, the employer shall pay the person or entity named in 135

the agreement. 136

If the employer determines that sufficient unencumbered 137
moneys do not exist to pay the indemnification, the employer 138
shall make application for payment of the indemnification out of 139
the emergency purposes account or any other appropriation for 140
emergencies or contingencies, and payment out of this account or 141
other appropriation shall be authorized if there are sufficient 142
moneys greater than the sum total of then pending emergency 143
purposes account requests, or requests for releases from the 144
other appropriation. 145

If sufficient moneys do not exist in the emergency 146
purposes account or any other appropriation for emergencies or 147
contingencies to pay the indemnification, the employer named in 148
the agreement shall request the general assembly to make an 149
appropriation sufficient to pay the indemnification, and no 150
payment shall be made until such an appropriation has been made. 151
The employer shall make this appropriation request during the 152
current biennium and during each succeeding biennium until a 153
sufficient appropriation is made. 154

(F) (1) Subject to division (F) (2) of this section, if an 155
employer or the attorney general fails to approve 156
indemnification or limits indemnification of an officer or 157
employee of the employer, the officer or employee may commence 158
an action against the employer in the court of claims pursuant 159
to sections 2743.01 to 2743.20 of the Revised Code to prove that 160
the officer or employee is entitled to indemnification pursuant 161
to division (A) of this section and that division (B) of this 162
section does not prohibit or limit the officer's or employee's 163
indemnification and seeking either a judgment against the 164
employer for a sum of money that the officer or employee has 165

paid to satisfy a judgment or settlement or an order directing 166
the employer to pay a judgment or settlement against the officer 167
or employee that has not been satisfied. Section 109.365 of the 168
Revised Code does not prohibit any information obtained by the 169
attorney general in the attorney general's investigation 170
conducted pursuant to division (A) of section 109.362 of the 171
Revised Code to determine whether to defend the officer or 172
employee from being admitted as evidence in any action brought 173
pursuant to this section. 174

An action brought pursuant to division (F)(1) of this 175
section shall be commenced no later than two years after the 176
cause of action arising under division (F)(1) of this section 177
accrues. A cause of action arising under this section accrues 178
upon the entry of a money judgment against the officer or 179
employee if the time for filing an appeal in the action lapses 180
without the filing of an appeal, upon the conclusion of the 181
final appeal in any action in which a money judgment is entered 182
against the officer or employee if an appeal is filed in the 183
action, or upon execution of any settlement agreement requiring 184
payment of money by the officer or employee. 185

(2) Notwithstanding division (F)(1) of this section, an 186
officer or employee may not commence an action against the 187
employer in the court of claims or in any other court regarding 188
a refusal of the employer or the attorney general to indemnify 189
punitive or exemplary damages pursuant to this section or for 190
any action described in division (I) of section 2743.02 of the 191
Revised Code. 192

Sec. 2743.02. (A) (1) The Except as provided in division 193
(I) of this section, the state hereby waives its immunity from 194
liability, except as provided for the office of the state fire 195

marshal in division (G) (1) of section 9.60 and division (B) of 196
section 3737.221 of the Revised Code and subject to division (H) 197
of this section, and consents to be sued, and have its liability 198
determined, in the court of claims created in this chapter in 199
accordance with the same rules of law applicable to suits 200
between private parties, except that the determination of 201
liability is subject to the limitations set forth in this 202
chapter and, in the case of state universities or colleges, in 203
section 3345.40 of the Revised Code, and except as provided in 204
division (A) (2) or (3) of this section. To the extent that the 205
state has previously consented to be sued, this chapter has no 206
applicability. 207

Except in the case of a civil action filed by the state, 208
filing a civil action in the court of claims results in a 209
complete waiver of any cause of action, based on the same act or 210
omission, that the filing party has against any officer or 211
employee, as defined in section 109.36 of the Revised Code. The 212
waiver shall be void if the court determines that the act or 213
omission was manifestly outside the scope of the officer's or 214
employee's office or employment or that the officer or employee 215
acted with malicious purpose, in bad faith, or in a wanton or 216
reckless manner. 217

(2) If a claimant proves in the court of claims that an 218
officer or employee, as defined in section 109.36 of the Revised 219
Code, would have personal liability for the officer's or 220
employee's acts or omissions but for the fact that the officer 221
or employee has personal immunity under section 9.86 of the 222
Revised Code, the state shall be held liable in the court of 223
claims in any action that is timely filed pursuant to section 224
2743.16 of the Revised Code and that is based upon the acts or 225
omissions. 226

(3) (a) Except as provided in division (A) (3) (b) of this 227
section and as set forth in division (I) of this section, the 228
state is immune from liability in any civil action or proceeding 229
involving the performance or nonperformance of a public duty, 230
including the performance or nonperformance of a public duty 231
that is owed by the state in relation to any action of an 232
individual who is committed to the custody of the state. 233

(b) The state immunity provided in division (A) (3) (a) of 234
this section does not apply to any action of the state under 235
circumstances in which a special relationship can be established 236
between the state and an injured party. A special relationship 237
under this division is demonstrated if all of the following 238
elements exist: 239

(i) An assumption by the state, by means of promises or 240
actions, of an affirmative duty to act on behalf of the party 241
who was allegedly injured; 242

(ii) Knowledge on the part of the state's agents that 243
inaction of the state could lead to harm; 244

(iii) Some form of direct contact between the state's 245
agents and the injured party; 246

(iv) The injured party's justifiable reliance on the 247
state's affirmative undertaking. 248

(B) The state hereby waives the immunity from liability of 249
all hospitals owned or operated by one or more political 250
subdivisions and consents for them to be sued, and to have their 251
liability determined, in the court of common pleas, in 252
accordance with the same rules of law applicable to suits 253
between private parties, subject to the limitations set forth in 254
this chapter. This division is also applicable to hospitals 255

owned or operated by political subdivisions that have been 256
determined by the supreme court to be subject to suit prior to 257
July 28, 1975. 258

(C) Any hospital, as defined in section 2305.113 of the 259
Revised Code, may purchase liability insurance covering its 260
operations and activities and its agents, employees, nurses, 261
interns, residents, staff, and members of the governing board 262
and committees, and, whether or not such insurance is purchased, 263
may, to the extent that its governing board considers 264
appropriate, indemnify or agree to indemnify and hold harmless 265
any such person against expense, including attorney's fees, 266
damage, loss, or other liability arising out of, or claimed to 267
have arisen out of, the death, disease, or injury of any person 268
as a result of the negligence, malpractice, or other action or 269
inaction of the indemnified person while acting within the scope 270
of the indemnified person's duties or engaged in activities at 271
the request or direction, or for the benefit, of the hospital. 272
Any hospital electing to indemnify those persons, or to agree to 273
so indemnify, shall reserve any funds that are necessary, in the 274
exercise of sound and prudent actuarial judgment, to cover the 275
potential expense, fees, damage, loss, or other liability. The 276
superintendent of insurance may recommend, or, if the hospital 277
requests the superintendent to do so, the superintendent shall 278
recommend, a specific amount for any period that, in the 279
superintendent's opinion, represents such a judgment. This 280
authority is in addition to any authorization otherwise provided 281
or permitted by law. 282

(D) Recoveries against the state shall be reduced by the 283
aggregate of insurance proceeds, disability award, or other 284
collateral recovery received by the claimant. This division does 285
not apply to civil actions in the court of claims against a 286

state university or college under the circumstances described in 287
section 3345.40 of the Revised Code. The collateral benefits 288
provisions of division (B) (2) of that section apply under those 289
circumstances. 290

(E) The only defendant in original actions in the court of 291
claims is the state. The state may file a third-party complaint 292
or counterclaim in any civil action, except a civil action for 293
ten thousand dollars or less, that is filed in the court of 294
claims. 295

(F) A civil action against an officer or employee, as 296
defined in section 109.36 of the Revised Code, that alleges that 297
the officer's or employee's conduct was manifestly outside the 298
scope of the officer's or employee's employment or official 299
responsibilities, or that the officer or employee acted with 300
malicious purpose, in bad faith, or in a wanton or reckless 301
manner shall first be filed against the state in the court of 302
claims that has exclusive, original jurisdiction to determine, 303
initially, whether the officer or employee is entitled to 304
personal immunity under section 9.86 of the Revised Code and 305
whether the courts of common pleas have jurisdiction over the 306
civil action. The officer or employee may participate in the 307
immunity determination proceeding before the court of claims to 308
determine whether the officer or employee is entitled to 309
personal immunity under section 9.86 of the Revised Code. 310

The filing of a claim against an officer or employee under 311
this division tolls the running of the applicable statute of 312
limitations until the court of claims determines whether the 313
officer or employee is entitled to personal immunity under 314
section 9.86 of the Revised Code. 315

(G) If a claim lies against an officer or employee who is 316

a member of the Ohio national guard, and the officer or employee 317
was, at the time of the act or omission complained of, subject 318
to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 319
2671, et seq., the Federal Tort Claims Act is the exclusive 320
remedy of the claimant and the state has no liability under this 321
section. 322

(H) If an inmate of a state correctional institution has a 323
claim against the state for the loss of or damage to property 324
and the amount claimed does not exceed three hundred dollars, 325
before commencing an action against the state in the court of 326
claims, the inmate shall file a claim for the loss or damage 327
under the rules adopted by the director of rehabilitation and 328
correction pursuant to this division. The inmate shall file the 329
claim within the time allowed for commencement of a civil action 330
under section 2743.16 of the Revised Code. If the state admits 331
or compromises the claim, the director shall make payment from a 332
fund designated by the director for that purpose. If the state 333
denies the claim or does not compromise the claim at least sixty 334
days prior to expiration of the time allowed for commencement of 335
a civil action based upon the loss or damage under section 336
2743.16 of the Revised Code, the inmate may commence an action 337
in the court of claims under this chapter to recover damages for 338
the loss or damage. 339

The director of rehabilitation and correction shall adopt 340
rules pursuant to Chapter 119. of the Revised Code to implement 341
this division. 342

(I) Notwithstanding any provision of law to the contrary, 343
the state is immune from liability in any civil action or 344
proceeding existing on or after the effective date of this 345
amendment that involves the performance or nonperformance of a 346

governmental function or public duty as a result of a state 347
agency's response to the COVID-19 pandemic by arranging or 348
providing care, protection, or treatment for any person 349
committed to the custody of the state, including health care 350
services, or that, as a result of the performance or 351
nonperformance of a governmental function or public duty, an 352
officer or employee becomes infected with COVID-19. The state 353
expressly does not consent to be sued as set forth in this 354
division. Neither the court of claims nor any courts of common 355
pleas shall have jurisdiction to hear any case or controversy, 356
initiate any immunity determination, or have the state's 357
liability subject to any determination, nor shall the state 358
indemnify any employee found liable in any court of competent 359
jurisdiction. 360

Sec. 2744.01. As used in this chapter: 361

(A) "Emergency call" means a call to duty, including, but 362
not limited to, communications from citizens, police dispatches, 363
and personal observations by peace officers of inherently 364
dangerous situations that demand an immediate response on the 365
part of a peace officer. 366

(B) "Employee" means an officer, agent, employee, or 367
servant, whether or not compensated or full-time or part-time, 368
who is authorized to act and is acting within the scope of the 369
officer's, agent's, employee's, or servant's employment for a 370
political subdivision. "Employee" does not include an 371
independent contractor and does not include any individual 372
engaged by a school district pursuant to section 3319.301 of the 373
Revised Code. "Employee" includes any elected or appointed 374
official of a political subdivision. "Employee" also includes a 375
person who has been convicted of or pleaded guilty to a criminal 376

offense and who has been sentenced to perform community service 377
work in a political subdivision whether pursuant to section 378
2951.02 of the Revised Code or otherwise, and a child who is 379
found to be a delinquent child and who is ordered by a juvenile 380
court pursuant to section 2152.19 or 2152.20 of the Revised Code 381
to perform community service or community work in a political 382
subdivision. 383

(C) (1) "Governmental function" means a function of a 384
political subdivision that is specified in division (C) (2) of 385
this section or that satisfies any of the following: 386

(a) A function that is imposed upon the state as an 387
obligation of sovereignty and that is performed by a political 388
subdivision voluntarily or pursuant to legislative requirement; 389

(b) A function that is for the common good of all citizens 390
of the state; 391

(c) A function that promotes or preserves the public 392
peace, health, safety, or welfare; that involves activities that 393
are not engaged in or not customarily engaged in by 394
nongovernmental persons; and that is not specified in division 395
(G) (2) of this section as a proprietary function. 396

(2) A "governmental function" includes, but is not limited 397
to, the following: 398

(a) The provision or nonprovision of police, fire, 399
emergency medical, ambulance, and rescue services or protection; 400

(b) The power to preserve the peace; to prevent and 401
suppress riots, disturbances, and disorderly assemblages; to 402

of all types, including, but not limited to, inspections in 456
connection with building, zoning, sanitation, fire, plumbing, 457
and electrical codes, and the taking of actions in connection 458
with those types of codes, including, but not limited to, the 459
approval of plans for the construction of buildings or 460
structures and the issuance or revocation of building permits or 461
stop work orders in connection with buildings or structures; 462

Sec. 4123.68. Every employee who is disabled because of 624
the contraction of an occupational disease or the dependent of 625
an employee whose death is caused by an occupational disease, is 626
entitled to the compensation provided by sections 4123.55 to 627
4123.59 and 4123.66 of the Revised Code subject to the 628
modifications relating to occupational diseases contained in 629

section is appealable pursuant to sections 4123.511 and 4123.512 631
of the Revised Code. 632

The following diseases are occupational diseases and 633
compensable as such when contracted by an employee in the course 634
of the employment in which such employee was engaged and due to 635

the nature of any process described in this section. A disease 636
which meets the definition of an occupational disease is 637
compensable pursuant to this chapter though it is not 638
specifically listed in this section. 639

(V) Berylliosis: Berylliosis means a disease of the lungs	707
caused by breathing beryllium in the form of dust or fumes,	708
producing characteristic changes in the lungs and demonstrated	709
by x-ray examination, by biopsy or by autopsy.	710
This chapter does not entitle an employee or the	711
employee's dependents to compensation, medical treatment, or	712
payment of funeral expenses for disability or death from	713
berylliosis unless the employee has been subjected to injurious	714
exposure to beryllium dust or fumes in the employee's employment	715
in this state preceding the employee's disablement and only in	716
the event of such disability or death resulting within eight	717
years after the last injurious exposure; provided that such	718
eight-year limitation does not apply to disability or death from	719

exposure occurring after January 1, 1976. In the event of death 720
following continuous total disability commencing within eight 721
years after the last injurious exposure, the requirement of 722
death within eight years after the last injurious exposure does 723
not apply. 724

Before awarding compensation for partial or total 725
disability or death due to berylliosis, the administrator of 726
workers' compensation shall refer the claim to a qualified 727
medical specialist for examination and recommendation with 728
regard to the diagnosis, the extent of the disability, the 729
nature of the disability, whether permanent or temporary, the 730
cause of death, and other medical questions connected with the 731
claim. An employee shall submit to such examinations, including 732
clinical and x-ray examinations, as the administrator requires. 733
In the event that an employee refuses to submit to examinations, 734
including clinical and x-ray examinations, after notice from the 735
administrator, or in the event that a claimant for compensation 736
for death due to berylliosis fails to produce necessary consents 737
and permits, after notice from the administrator, so that such 738
autopsy examination and tests may be performed, then all rights 739
for compensation are forfeited. The reasonable compensation of 740
such specialist and the expenses of examinations and tests shall 741
be paid, if the claim is allowed, as part of the expenses of the 742
claim, otherwise they shall be paid from the surplus fund. 743

(W) Cardiovascular, pulmonary, or respiratory diseases 744
incurred by firefighters or police officers following exposure 745
to heat, smoke, toxic gases, chemical fumes and other toxic 746
substances: Any cardiovascular, pulmonary, or respiratory 747
disease of a firefighter or police officer caused or induced by 748
the cumulative effect of exposure to heat, the inhalation of 749
smoke, toxic gases, chemical fumes and other toxic substances in 750

the performance of the firefighter's or police officer's duty 751
constitutes a presumption, which may be refuted by affirmative 752
evidence, that such occurred in the course of and arising out of 753
the firefighter's or police officer's employment. For the 754
purpose of this section, "firefighter" means any regular member 755
of a lawfully constituted fire department of a municipal 756
corporation or township, whether paid or volunteer, and "police 757
officer" means any regular member of a lawfully constituted 758
police department of a municipal corporation, township or 759
county, whether paid or volunteer. 760

This chapter does not entitle a firefighter, or police 761
officer, or the firefighter's or police officer's dependents to 762
compensation, medical treatment, or payment of funeral expenses 763
for disability or death from a cardiovascular, pulmonary, or 764
respiratory disease, unless the firefighter or police officer 765
has been subject to injurious exposure to heat, smoke, toxic 766
gases, chemical fumes, and other toxic substances in the 767
firefighter's or police officer's employment in this state 768
preceding the firefighter's or police officer's disablement, 769
some portion of which has been after January 1, 1967, except as 770
provided in division (E) of section 4123.57 of the Revised Code. 771

Compensation on account of cardiovascular, pulmonary, or 772
respiratory diseases of firefighters and police officers is 773
payable only in the event of temporary total disability, 774
permanent total disability, or death, in accordance with section 775
4123.56, 4123.58, or 4123.59 of the Revised Code. Medical, 776
hospital, and nursing expenses are payable in accordance with 777
this chapter. Compensation, medical, hospital, and nursing 778
expenses are payable only in the event of such disability or 779
death resulting within eight years after the last injurious 780
exposure; provided that such eight-year limitation does not 781

apply to disability or death from exposure occurring after 782
January 1, 1976. In the event of death following continuous 783
total disability commencing within eight years after the last 784
injurious exposure, the requirement of death within eight years 785
after the last injurious exposure does not apply. 786

This chapter does not entitle a firefighter or police 787
officer, or the firefighter's or police officer's dependents, to 788
compensation, medical, hospital, and nursing expenses, or 789
payment of funeral expenses for disability or death due to a 790
cardiovascular, pulmonary, or respiratory disease in the event 791
of failure or omission on the part of the firefighter or police 792
officer truthfully to state, when seeking employment, the place, 793
duration, and nature of previous employment in answer to an 794
inquiry made by the employer. 795

Before awarding compensation for disability or death under 796
this division, the administrator shall refer the claim to a 797
qualified medical specialist for examination and recommendation 798
with regard to the diagnosis, the extent of disability, the 799
cause of death, and other medical questions connected with the 800
claim. A firefighter or police officer shall submit to such 801
examinations, including clinical and x-ray examinations, as the 802
administrator requires. In the event that a firefighter or 803
police officer refuses to submit to examinations, including 804
clinical and x-ray examinations, after notice from the 805
administrator, or in the event that a claimant for compensation 806
for death under this division fails to produce necessary 807
consents and permits, after notice from the administrator, so 808
that such autopsy examination and tests may be performed, then 809
all rights for compensation are forfeited. The reasonable 810
compensation of such specialists and the expenses of examination 811
and tests shall be paid, if the claim is allowed, as part of the 812

expenses of the claim, otherwise they shall be paid from the 813
surplus fund. 814

(X) (1) Cancer contracted by a firefighter: Cancer 815
contracted by a firefighter who has been assigned to at least 816
six years of hazardous duty as a firefighter constitutes a 817
presumption that the cancer was contracted in the course of and 818
arising out of the firefighter's employment if the firefighter 819
was exposed to an agent classified by the international agency 820
for research on cancer or its successor organization as a group 821
1 or 2A carcinogen. 822

(2) The presumption described in division (X) (1) of this 823
section is rebuttable in any of the following situations: 824

(a) There is evidence that the firefighter's exposure, 825
outside the scope of the firefighter's official duties, to 826
cigarettes, tobacco products, or other conditions presenting an 827
extremely high risk for the development of the cancer alleged, 828
was probably a significant factor in the cause or progression of 829
the cancer. 830

(b) There is evidence that shows, by a preponderance of 831
competent scientific evidence, that exposure to the type of 832
carcinogen alleged did not or could not have caused the cancer 833
being alleged. 834

(c) There is evidence that the firefighter was not exposed 835
to an agent classified by the international agency for research 836
on cancer as a group 1 or 2A carcinogen. 837

(d) There is evidence that the firefighter incurred the 838
type of cancer alleged before becoming a member of the fire 839
department. 840

(e) The firefighter is seventy years of age or older. 841

(3) The presumption described in division (X) (1) of this section does not apply if it has been more than fifteen years since the firefighter was last assigned to hazardous duty as a firefighter.

(4) Compensation for cancer contracted by a firefighter in the course of hazardous duty under division (X) of this section is payable only in the event of temporary total disability, working wage loss, permanent total disability, or death, in accordance with division (A) or (B) (1) of section 4123.56 and sections 4123.58 and 4123.59 of the Revised Code.

(5) As used in division (X) of this section, "hazardous duty" has the same meaning as in 5 C.F.R. 550.902, as amended.

(Y) Silicosis: Silicosis means a disease of the lungs caused by breathing silica dust (silicon dioxide) producing fibrous nodules distributed through the lungs and demonstrated by x-ray examination, by biopsy or by autopsy.

(Z) Coal miners' pneumoconiosis: Coal miners' pneumoconiosis, commonly referred to as "black lung disease," resulting from working in the coal mine industry and due to exposure to the breathing of coal dust, and demonstrated by x-ray examination, biopsy, autopsy or other medical or clinical tests.

This chapter does not entitle an employee or the employee's dependents to compensation, medical treatment, or payment of funeral expenses for disability or death from silicosis, asbestosis, or coal miners' pneumoconiosis unless the employee has been subject to injurious exposure to silica dust (silicon dioxide), asbestos, or coal dust in the employee's employment in this state preceding the employee's disablement,

some portion of which has been after October 12, 1945, except as 871
provided in division (E) of section 4123.57 of the Revised Code. 872

Compensation on account of silicosis, asbestosis, or coal 873
miners' pneumoconiosis are payable only in the event of 874
temporary total disability, permanent total disability, or 875
death, in accordance with sections 4123.56, 4123.58, and 4123.59 876
of the Revised Code. Medical, hospital, and nursing expenses are 877
payable in accordance with this chapter. Compensation, medical, 878
hospital, and nursing expenses are payable only in the event of 879
such disability or death resulting within eight years after the 880
last injurious exposure; provided that such eight-year 881
limitation does not apply to disability or death occurring after 882
January 1, 1976, and further provided that such eight-year 883
limitation does not apply to any asbestosis cases. In the event 884
of death following continuous total disability commencing within 885
eight years after the last injurious exposure, the requirement 886
of death within eight years after the last injurious exposure 887
does not apply. 888

This chapter does not entitle an employee or the 889
employee's dependents to compensation, medical, hospital and 890
nursing expenses, or payment of funeral expenses for disability 891
or death due to silicosis, asbestosis, or coal miners' 892
pneumoconiosis in the event of the failure or omission on the 893
part of the employee truthfully to state, when seeking 894
employment, the place, duration, and nature of previous 895
employment in answer to an inquiry made by the employer. 896

Before awarding compensation for disability or death due 897
to silicosis, asbestosis, or coal miners' pneumoconiosis, the 898
administrator shall refer the claim to a qualified medical 899
specialist for examination and recommendation with regard to the 900

diagnosis, the extent of disability, the cause of death, and 901
other medical questions connected with the claim. An employee 902
shall submit to such examinations, including clinical and x-ray 903
examinations, as the administrator requires. In the event that 904
an employee refuses to submit to examinations, including 905
clinical and x-ray examinations, after notice from the 906
administrator, or in the event that a claimant for compensation 907
for death due to silicosis, asbestosis, or coal miners' 908
pneumoconiosis fails to produce necessary consents and permits, 909
after notice from the commission, so that such autopsy 910
examination and tests may be performed, then all rights for 911
compensation are forfeited. The reasonable compensation of such 912
specialist and the expenses of examinations and tests shall be 913
paid, if the claim is allowed, as a part of the expenses of the 914
claim, otherwise they shall be paid from the surplus fund. 915

(AA) Radiation illness: Any industrial process involving 916
the use of radioactive materials. 917

Claims for compensation and benefits due to radiation 918
illness are payable only in the event death or disability 919
occurred within eight years after the last injurious exposure 920
provided that such eight-year limitation does not apply to 921
disability or death from exposure occurring after January 1, 922
1976. In the event of death following continuous disability 923
which commenced within eight years of the last injurious 924
exposure the requirement of death within eight years after the 925
last injurious exposure does not apply. 926

(BB) Asbestosis: Asbestosis means a disease caused by 927
inhalation or ingestion of asbestos, demonstrated by x-ray 928
examination, biopsy, autopsy, or other objective medical or 929
clinical tests. 930

(CC) (1) COVID-19: COVID-19 contracted by an employee 931
described in division (CC) (2) of this section during the 932
emergency declared by Executive Order 2020-01D, issued March 9, 933
2020, constitutes a presumption, which may be refuted by 934
affirmative evidence, that COVID-19 was contracted in the course 935
of and arising out of the employee's employment. This division 936
applies only to claims arising during the period that begins 937
with the issuance of Executive Order 2020-01D, issued on March 938
9, 2020 and ending December 31, 2020. 939

(2) Division (CC) (1) of this section applies to all of the 940

health care provider undertakes the action in good faith and in 1209
response to a lack of resources caused by a disaster or 1210
emergency. 1211

(4) This section does not affect any legal responsibility 1212
of a health care provider to comply with any applicable law of 1213

through the duration of the disaster or emergency. 1223

(D) This section applies from the date of the Governor's 1224
Executive Order 2020-01D, issued on March 9, 2020, declaring a 1225
state of emergency due to COVID-19, through December 31, 2020, 1226
and supersedes section 2305.2311 of the Revised Code during that 1227
period. 1228

Section 4. (A) No civil action for damages for injury, 1229
death, or loss to person or property shall be brought against 1230
any person if the cause of action on which the civil action is 1231
based, in whole or in part, is that the injury, death, or loss 1232
to person or property is caused by the exposure to, or the 1233
transmission or contraction of, MERS-CoV, SARS-CoV, or SARS-CoV- 1234
2, or any mutation thereof, unless it is established that the 1235
exposure to, or the transmission or contraction of, any of those 1236
viruses or mutations was by reckless or intentional conduct or 1237
with willful or wanton misconduct on the part of the person 1238
against whom the action is brought. 1239

(B) A government order, recommendation, or guideline shall 1240
neither create nor be construed as creating a duty of care upon 1241
any person that may be enforced in a cause of action or that may 1242
create a new cause of action or substantive legal right against 1243
any person with respect to the matters contained in the 1244
government order, recommendation, or guideline. A presumption 1245
exists that any such government order, recommendation, or 1246

guideline is not admissible as evidence that a duty of care, a 1247
new cause of action, or a substantive legal right has been 1248
established. 1249

heedless indifference to the consequences, the person disregards 1258
a substantial and unjustifiable risk that the person's conduct 1259
is likely to cause an exposure to, or a transmission or 1260
contraction of, MERS-CoV, SARS-CoV, or SARS-CoV-2, or any 1261
mutation thereof, or is likely to be of a nature that results in 1262
an exposure to, or a transmission or contraction of, any of 1263
those viruses or mutations. A person is reckless with respect to 1264
circumstances in relation to causing an exposure to, or a 1265
transmission or contraction of, MERS-CoV, SARS-CoV, or SARS-CoV- 1266
2, or any mutation thereof, when, with heedless indifference to 1267
the consequences, the person disregards a substantial and 1268
unjustifiable risk that such circumstances are likely to exist. 1269

(4) "SARS-CoV" means the coronavirus that causes severe 1270
acute respiratory syndrome. 1271

(5) "SARS-CoV-2" means the novel coronavirus that causes 1272
coronavirus disease 2019 (COVID-19). 1273

(6) "State institution of higher education" has the same 1274
meaning as in section 3345.011 of the Revised Code. 1275

(D) This section applies from the date of the Governor's
Executive Order 2020-01D, issued on March 9, 2020, declaring a
state of emergency due to COVID-19, through December 31, 2020.

Section 5. (A) The General Assembly makes the following
findings:

(1) The General Assembly is aware that lawsuits related to
the COVID-19 health emergency numbering in the thousands are
being filed across the country. Ohio business owners, small and
large, as they begin to re-open their businesses are unsure
about what tort liability they may face.

(2) It also is a fact that recommendations regarding how
best to avoid infection with COVID-19 change frequently, and
such recommendations are often not based on well-tested
scientific information. For example, the Centers for Disease
Control and Prevention (CDC) for the first eight weeks of the
COVID-19 health emergency recommended that members of the
general public not wear masks since most masks are ineffective
in protecting individuals from viruses. The CDC then reversed
its recommendation and started encouraging members of the
general public to wear masks in public places. Ohio businesses
need certainty and consistency to enable them to reopen.

(3) The General Assembly is further aware that businesses
and premises owners have not historically been required to keep
members of the public from being exposed to airborne viruses,
bacteria, and germs. In Ohio, it has been the responsibility of
individuals going into public places to avoid exposure to
individuals who are sick. The same is true today: those
individuals who decide to go out into public places are
responsible to take those steps they feel are necessary to avoid
exposure to COVID-19, such as social distancing and wearing

masks. 1306

(4) The current COVID-19 health emergency is new and 1307
novel. Past opinions of the Ohio Supreme Court do not deal with 1308
COVID-19 or duties to protect the public from exposure in public 1309
places to airborne germs and viruses. Nothing in the Ohio 1310
Revised Code establishes duties upon businesses and premises 1311
owners to ensure that members of the general public will not be 1312
exposed to such airborne germs and viruses. 1313

(5) Additionally, the General Assembly has not delegated 1314
to the Executive Branch of Ohio's government the authority or 1315
power to create new legal duties for businesses and premises 1316
owners. In Ohio's system of government, the General Assembly 1317
makes Ohio's laws, and the Executive Branch enforces those laws. 1318

(B) Based on its findings in division (A) of this section, 1319
the General Assembly declares its intent that orders and 1320
recommendations from the Executive Branch, from counties and 1321
local municipalities, from boards of health and other agencies, 1322
and from any federal government agency, do not create any new 1323
legal duties for purposes of tort liability. Any such orders and 1324
recommendations are presumed to be irrelevant to the issue of 1325
the existence of a duty or breach of a duty. Furthermore, any 1326
such orders and recommendations are presumed to be inadmissible 1327
at trial to establish proof of a duty or breach of a duty in 1328
tort actions. 1329

Section 6. This act applies to acts, omissions, conduct, 1330
decisions, or compliance from the date of the Governor's 1331
Executive Order 2020-01D, issued on March 9, 2020, declaring a 1332
state of emergency due to COVID-19 through December 31, 2020. 1333

Section 7. This act is hereby declared to be an emergency 1334

measure necessary for the immediate preservation of the public	1335
peace, health, and safety. The reason for such necessity is that	1336
it is crucial to provide protections for essential workers and	1337
immunity from law suits in response to a disaster or emergency	1338
declared by the federal government, state government, or	1339
political subdivision of the state. Therefore, this act shall	1340
go into immediate effect.	1341
