BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3767.32 and 3767.99 of the 6
Revised Code be amended to read as follows: 7

Sec. 3767.32. (A) No person, regardless of intent, shall 8
deposit litter or cause litter to be deposited on any public 9
property, on private property not owned by the person, or in or 10
on waters of the state unless one of the following applies: 11

(1) The person is directed to do so by a public official 12
as part of a litter collection drive; 13

(2) Except as provided in division (B) of this section, 14
the person deposits the litter in a litter receptacle in a 15
manner that prevents its being carried away by the elements; 16

(3) The person is issued a permit or license covering the 17
litter pursuant to Chapter 3734. or 6111. of the Revised Code. 18

(B) No person, without privilege to do so, shall knowingly deposit litter, or cause it to be deposited, in a litter receptacle located on any public property or on any private property not owned by the person unless one of the following applies:

(1) The litter was generated or located on the property on which the litter receptacle is located;

(2) The person is directed to do so by a public official as part of a litter collection drive;

(3) The person is directed to do so by a person whom the person reasonably believes to have the privilege to use the litter receptacle;

(4) The litter consists of any of the following:

(a) The contents of a litter bag or container of a type and size customarily carried and used in a motor vehicle;

(b) The contents of an ash tray of a type customarily installed or carried and used in a motor vehicle;

(c) Beverage containers and food sacks, wrappings, and containers of a type and in an amount that reasonably may be expected to be generated during routine commuting or business or recreational travel by a motor vehicle;

(d) Beverage containers, food sacks, wrappings, containers, and other materials of a type and in an amount that reasonably may be expected to be generated during a routine day by a person and deposited in a litter receptacle by a casual passerby.

(C) (1) No owner or person in control of any private property located in a municipal corporation shall deposit, or

cause to be deposited, on the outdoor areas of the premises, 47
litter of any kind or quantity reasonably expected to be 48
dangerous to life or health. No owner or person in control of 49
any private property located in a municipal corporation shall 50
fail to comply with division (C)(1) of this section. 51

Division (C)(1) of this section does not prohibit the 52
storage of litter in litter receptacles permitted by the 53
ordinances, resolutions, or regulations of the municipal 54
corporation or county where the property is located. 55

(2) Before the enforcement official described in division 56
(F) of this section may charge a person with a violation of 57
division (C)(1) of this section, the enforcement official shall 58
give the owner and person in control of the property a notice 59
specifying the conditions constituting a violation and 60
explaining that failure to remedy those conditions within five 61
business days, excluding the day the notice is effective, may 62
result in criminal prosecution. 63

(a) Before the enforcement official may give the notice 64
pursuant to division (C)(2) of this section, the conditions 65
resulting from a violation of division (C)(1) of this section 66
must exist for at least two business days, excluding the first 67
day the conditions exist. 68

(b) Notice given to occupants of property shall be 69
delivered by posting the notice on the door to the property or 70
leaving the notice with an occupant of the property and shall be 71
considered effective when posted or left with an occupant. 72

(c) Notice given to owners of property who do not occupy 73
the property shall be delivered by certified mail, return 74
receipt requested, and shall be considered effective when 75

delivered or refused. 76

(3) The offense established under division (C) of this 77
section is a strict liability offense and strict liability is a 78
culpable mental state for purposes of section 2901.20 of the 79
Revised Code. The designation of this offense as a strict 80
liability offense shall not be construed to imply that any other 81
offense, for which there is no specified degree of culpability, 82
is not a strict liability offense. 83

(4) Prosecution or liability for a violation of division 84
(C) of this section shall not be precluded by the existence of 85
civil proceedings or a civil order related to the same facts or 86
circumstances constituting a violation of division (C) of this 87
section. 88

a litter receptacle as the person's primary reason for traveling 96
to or by the property on which the litter receptacle is located. 97
