

AN ACT

To amend sections 718.03, 718.05, 5709.17, and 5739.02 of the Revised Code to exempt from sales and use taxes the sale or use of investment metal bullion and coins, to expand eligibility for the fraternal organization property tax exemption to property of an organization operating under a state governing body that has been operating in Ohio for at least eight-five years, to extend the deadline for payments of quarterly municipal income tax withholding taxes, and to modify the rules for when municipal income tax withholding payments are considered to have been made.

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That sections 718.03, 718.05, 5709.17, and 5739.02 of the Revised Code be amended to read as follows:

Sec. 718.03. (A)(1) Each employer, agent of an employer, or other payer located or doing business in a municipal corporation that imposes a tax on income in accordance with this chapter shall withhold from each employee an amount equal to the qualifying wages of the employee earned by the employee in the municipal corporation multiplied by the applicable rate of the municipal corporation's income tax, except for qualifying wages for which withholding is not required under section 718.011 of the Revised Code or division (D) or (F) of this section. An employer, agent of an employer, or other payer shall deduct and withhold the tax from qualifying wages on the date that the employer, agent, or other payer directly, indirectly, or constructively pays the qualifying wages to, or credits the qualifying wages to the benefit of, the employee.

(2) In addition to withholding the amounts required under division (A)(1) of this section, an employer, agent of an employer, or other payer may also deduct and withhold, on the request of an employee, taxes for the municipal corporation in which the employee is a resident.

(B)(1) Except as provided in division (B)(2) of this section, an employer, agent of an employer, or other payer shall remit to the tax administrator of a municipal corporation the greater of the income taxes deducted and withheld or the income taxes required to be deducted and withheld by the employer, agent, or other payer according to the following schedule:

(a) Taxes required to be deducted and withheld shall be remitted monthly to the tax administrator if the total taxes deducted and withheld or required to be deducted and withheld by the employer, agent, or other payer on behalf of the municipal corporation in the preceding calendar year exceeded two thousand three hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the municipal corporation in any month of the preceding calendar quarter exceeded two hundred dollars. Payments

~~Payment~~ under division (B)(1)(a) of this section shall be made so that the payment is

~~received by to~~ the tax administrator not later than fifteen days after the last day of each month.

(b) Any employer, agent of an employer, or other payer not required to make payments under division (B)(1)(a) of this section of taxes required to be deducted and withheld shall make quarterly payments to the tax administrator not later than the ~~fifteenth last~~ day of the month following the ~~end last day~~ of each calendar quarter.

(2) Notwithstanding division (B)(1) of this section, a municipal corporation may require, by resolution, ordinance, or rule, an employer, agent of an employer, or other payer to do any of the following:

(a) Remit taxes deducted and withheld semimonthly to the tax administrator if the total taxes deducted and withheld or required to be deducted and withheld on behalf of the municipal corporation in the preceding calendar year exceeded eleven thousand nine hundred ninety-nine dollars, or if the total amount of taxes deducted and withheld or required to be deducted and withheld on behalf of the municipal corporation in any month of the preceding calendar year exceeded one thousand dollars. The payment under division (B)(2)(a) of this section shall be made ~~so that the payment is received by to~~ the tax administrator not later than one of the following:

(i) If the taxes were deducted and withheld or required to be deducted and withheld during the first fifteen days of a month, the third banking day after the fifteenth day of that month;

(ii) If the taxes were deducted and withheld or required to be deducted and withheld after the fifteenth day of a month and before the first day of the immediately following month, the third banking day after the last day of that month.

(b) Make payment by electronic funds transfer to the tax administrator of all taxes deducted and withheld on behalf of the municipal corporation if the employer, agent of an employer, or other payer is required to make payments electronically for the purpose of paying federal taxes withheld on payments to employees under section 6302 of the Internal Revenue Code, 26 C.F.R. 31.6302-1, or any other federal statute or regulation. The payment of tax by electronic funds transfer under this division does not affect an employer's, agent's, or other payer's obligation to file any return as required under this section.

(C) An employer, agent of an employer, or other payer shall make and file a return showing the amount of tax withheld by the employer, agent, or other payer from the qualifying wages of each employee and remitted to the tax administrator. Unless the tax administrator requires all individual taxpayers to file a tax return under section 718.05 of the Revised Code, a return filed by an employer, agent, or other payer under this division shall be accepted by a tax administrator and municipal corporation as the return required of an employee whose sole income subject to the tax under this chapter is the qualifying wages reported by the employee's employer, agent of an employer, or other payer.

(D) An employer, agent of an employer, or other payer is not required to withhold municipal income tax with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of either the corporation with respect to whose stock the option has been issued or of such corporation's successor entity.

(E)(1) An employee is not relieved from liability for a tax by the failure of the employer, agent of an employer, or other payer to withhold the tax as required under this chapter or by the employer's, agent's, or other payer's exemption from the requirement to withhold the tax.

(2) The failure of an employer, agent of an employer, or other payer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer, agent, or other payer in connection with the failure to remit the tax withheld.

(F) Compensation deferred before June 26, 2003, is not subject to any municipal corporation income tax or municipal income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(G) Each employer, agent of an employer, or other payer required to withhold taxes is liable for the payment of that amount required to be withheld, whether or not such taxes have been withheld, and such amount shall be deemed to be held in trust for the municipal corporation until such time as the withheld amount is remitted to the tax administrator.

(H) On or before the last day of February of each year, an employer shall file a withholding reconciliation return with the tax administrator listing the names, addresses, and social security numbers of all employees from whose qualifying wages tax was withheld or should have been withheld for the municipal corporation during the preceding calendar year, the amount of tax withheld, if any, from each such employee, the total amount of qualifying wages paid to such employee during the preceding calendar year, the name of every other municipal corporation for which tax was withheld or should have been withheld from such employee during the preceding calendar year, any other information required for federal income tax reporting purposes on Internal Revenue Service form W-2 or its equivalent form with respect to such employee, and other information as may be required by the tax administrator.

(I) The officer or the employee of the employer, agent of an employer, or other payer with control or direct supervision of or charged with the responsibility for withholding the tax or filing the reports and making payments as required by this section, shall be personally liable for a failure to file a report or pay the tax due as required by this section. The dissolution of an employer, agent of an employer, or other payer does not discharge the officer's or employee's liability for a failure of the employer, agent of an employer, or other payer to file returns or pay any tax due.

(J) An employer is required to deduct and withhold municipal income tax on tips and gratuities received by the employer's employees and constituting qualifying wages only to the extent that the tips and gratuities are under the employer's control. For the purposes of this division, a tip or gratuity is under the employer's control if the tip or gratuity is paid by the customer to the employer for subsequent remittance to the employee, or if the customer pays the tip or gratuity by credit card, debit card, or other electronic means.

(K) A tax administrator shall consider any tax withheld by an employer at the request of an employee when such tax is not otherwise required to be withheld by this chapter to be tax required to be withheld and remitted for the purposes of this section.

Sec. 718.05. (A) An annual return with respect to the income tax levied by a municipal corporation shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is liable for the tax. If the total credit allowed against the tax as described in division (D) of section 718.04 of the Revised Code for the year is equal to or exceeds the tax imposed by the municipal corporation, no return shall be required unless the municipal ordinance or resolution levying the tax requires the filing of a return in such circumstances.

(B) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(C) If an individual is unable to complete and file a return or notice required by a municipal corporation in accordance with this chapter, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(D) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust.

(E) No municipal corporation shall deny spouses the ability to file a joint return.

(F)(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(2) A tax administrator may require a taxpayer who is an individual to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040 or, in the case of a return or request required by a qualified municipal corporation, Ohio form IT-1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the tax administrator unless the tax administrator requests such copies after the return has been filed.

(3) A tax administrator may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the tax administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate tax administrator.

(4) After a taxpayer files a tax return, the tax administrator may request, and the taxpayer shall provide, any information, statements, or documents required by the municipal corporation to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under

division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the tax administrator.

(G)(1)(a) Except as otherwise provided in this chapter, each individual income tax return required to be filed under this section shall be completed and filed as required by the tax administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of section 5747.08 of the Revised Code. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the municipal corporation or tax administrator. No remittance is required if the amount shown to be due is ten dollars or less.

(b) Except as otherwise provided in this chapter, each annual net profit return required to be filed under this section by a taxpayer that is not an individual shall be completed and filed as required by the tax administrator on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year. The taxpayer shall complete and file the return or notice on forms prescribed by the tax administrator or on generic forms, together with remittance made payable to the municipal corporation or tax administrator. No remittance is required if the amount shown to be due is ten dollars or less.

(2)(a) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.

(c) An extension of time to file under division (G)(2) of this section is not an extension of the time to pay any tax due unless the tax administrator grants an extension of that date.

(3) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section 5747.08 of the Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return.

(4) If the tax administrator considers it necessary in order to ensure the payment of the tax imposed by the municipal corporation in accordance with this chapter, the tax administrator may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(5) To the extent that any provision in this division conflicts with any provision in section 718.052 of the Revised Code, the provision in that section prevails.

(H)(1) For taxable years beginning after 2015, a municipal corporation shall not require a taxpayer to remit tax with respect to net profits if the amount due is less than ten dollars.

(2) Any taxpayer not required to remit tax to a municipal corporation for a taxable year pursuant to division (H)(1) of this section shall file with the municipal corporation an annual net profit return under division (F)(3) of this section.

~~(I) This division shall not apply to payments required to be made under division (B)(1)(a) or (2)(a) of section 718.03 of the Revised Code.~~

(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that date by United States mail to the tax administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

~~(2) If a payment under this chapter is required to be made by electronic funds transfer, the payment is shall be considered to be made when the payment is credited to an account designated by the tax administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the taxpayer submitted the payment on the date of the timestamp assigned by the first electronic system receiving that payment.~~

(J) The amounts withheld by an employer, the agent of an employer, or an other payer as described in section 718.03 of the Revised Code shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient by the municipal corporation, unless the amounts withheld were not remitted to the municipal corporation and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

(K) Each return required by a municipal corporation to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the tax administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the tax administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the tax administrator with information that is missing from the return, to contact the tax administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the tax administrator and has shown to the preparer or other person.

(L) The tax administrator of a municipal corporation shall accept for filing a generic form of any income tax return, report, or document required by the municipal corporation in accordance with this chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinance, resolution, or rules adopted by the municipal corporation or tax administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this chapter and of the municipal corporation ordinance or resolution governing the filing of returns, reports, or documents.

(M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the tax administrator shall accept a facsimile of such a signature in lieu of a manual signature.

(N)(1) As used in this division, "worksite location" has the same meaning as in section 718.011 of the Revised Code.

(2) A person may notify a tax administrator that the person does not expect to be a taxpayer with respect to the municipal corporation for a taxable year if both of the following conditions apply:

(a) The person was required to file a tax return with the municipal corporation for the immediately preceding taxable year because the person performed services at a worksite location within that municipal corporation.

(b) The person no longer provides services in the municipal corporation and does not expect to be subject to the municipal corporation's income tax for the taxable year.

The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the municipal corporation. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.

(c) If a person submits an affidavit described in division (N)(2) of this section, the tax administrator shall not require the person to file any tax return for the taxable year unless the tax administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change. Nothing in division (N) of this section prohibits the tax administrator from performing an audit of the person.

Sec. 5709.17. The following property shall be exempted from taxation:

(A) Real estate held or occupied by an association or corporation, organized or incorporated under the laws of this state relative to soldiers' memorial associations, monumental building associations, or cemetery associations or corporations, which in the opinion of the trustees, directors, or managers thereof is necessary and proper to carry out the object intended for such association or corporation;

(B) Real estate and tangible personal property held or occupied by a veterans' organization that qualifies for exemption from taxation under section 501(c)(19) or 501(c)(23) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended, and is incorporated under the laws of this state or the United States, except real estate held by such an organization for the production of rental income in excess of thirty-six thousand dollars in a tax year, before accounting for any cost or expense incurred in the production of such income. For the purposes of this division, rental income includes only income arising directly from renting the real estate to others for consideration.

(C) Tangible personal property held by a corporation chartered under 112 Stat. 1335, 36 U.S.C.A. 40701, described in section 501(c)(3) of the Internal Revenue Code, and exempt from taxation under section 501(a) of the Internal Revenue Code shall be exempt from taxation if it is property obtained as described in 112 Stat. 1335-1341, 36 U.S.C.A. Chapter 407.

(D) Real estate held or occupied by a fraternal organization and used primarily for meetings of and the administration of the fraternal organization or for providing, on a not-for-profit basis, educational or health services, except real estate held by such an organization for the production of rental income in excess of thirty-six thousand dollars in a tax year before accounting for any cost or expense incurred in the production of such income. As used in this division, "rental income" has the same meaning as in division (B) of this section, and "fraternal organization" means a domestic fraternal society, order, or association operating under the lodge, council, or grange system that qualifies for exemption from taxation under section 501(c)(5), 501(c)(8), or 501(c)(10) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1, as amended; that provides financial support for charitable purposes, as defined in division (B)(12) of section 5739.02 of the Revised Code; and that operates under a state governing body that has been operating in this state ~~with a state governing body~~ for at least eighty-five years.

Sec. 5739.02. For the purpose of providing revenue with which to meet the needs of the state, for the use of the general revenue fund of the state, for the purpose of securing a thorough and efficient system of common schools throughout the state, for the purpose of affording revenues, in addition to those from general property taxes, permitted under constitutional limitations, and from other sources, for the support of local governmental functions, and for the purpose of reimbursing the state for the expense of administering this chapter, an excise tax is hereby levied on each retail sale made in this state.

(A)(1) The tax shall be collected as provided in section 5739.025 of the Revised Code. The rate of the tax shall be five and three-fourths per cent. The tax applies and is collectible when the sale is made, regardless of the time when the price is paid or delivered.

(2) In the case of the lease or rental, with a fixed term of more than thirty days or an indefinite term with a minimum period of more than thirty days, of any motor vehicles designed by the manufacturer to carry a load of not more than one ton, watercraft, outboard motor, or aircraft, or of any tangible personal property, other than motor vehicles designed by the manufacturer to carry a load of more than one ton, to be used by the lessee or renter primarily for business purposes, the tax shall be collected by the vendor at the time the lease or rental is consummated and shall be calculated by the vendor on the basis of the total amount to be paid by the lessee or renter under the lease agreement. If the total amount of the consideration for the lease or rental includes amounts that are not calculated at the time the lease or rental is executed, the tax shall be calculated and collected by the vendor at the time such amounts are billed to the lessee or renter. In the case of an open-end lease or rental, the tax shall be calculated by the vendor on the basis of the total amount to be paid during the initial fixed term of the lease or rental, and for each subsequent renewal period as it comes due. As used in this division, "motor vehicle" has the same meaning as in section 4501.01 of the Revised Code, and "watercraft" includes an outdrive unit attached to the watercraft.

A lease with a renewal clause and a termination penalty or similar provision that applies if the renewal clause is not exercised is presumed to be a sham transaction. In such a case, the tax shall be calculated and paid on the basis of the entire length of the lease period, including any renewal periods, until the termination penalty or similar provision no longer applies. The taxpayer shall bear the burden, by a preponderance of the evidence, that the transaction or series of transactions is not a sham transaction.

(3) Except as provided in division (A)(2) of this section, in the case of a sale, the price of which consists in whole or in part of the lease or rental of tangible personal property, the tax shall be measured by the installments of that lease or rental.

(4) In the case of a sale of a physical fitness facility service or recreation and sports club service, the price of which consists in whole or in part of a membership for the receipt of the benefit of the service, the tax applicable to the sale shall be measured by the installments thereof.

(B) The tax does not apply to the following:

(7) Sales of natural gas by a natural gas company, of water by a water-works company, or of steam by a heating company, if in each case the thing sold is delivered to consumers through pipes or conduits, and all sales of communications services by a telegraph company, all terms as defined in section 5727.01 of the Revised Code, and sales of electricity delivered through wires;

(8) Casual sales by a person, or auctioneer employed directly by the person to conduct such sales, except as to such sales of motor vehicles, watercraft or outboard motors required to be titled under section 1548.06 of the Revised Code, watercraft documented with the United States coast guard, snowmobiles, and all-purpose vehicles as defined in section 4519.01 of the Revised Code;

(9)(a) Sales of services or tangible personal property, other than motor vehicles, mobile homes, and manufactured homes, by churches, organizations exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986, or nonprofit organizations operated exclusively for charitable purposes as defined in division (B)(12) of this section, provided that the number of days on which such tangible personal property or services, other than items never subject to the tax, are sold does not exceed six in any calendar year, except as otherwise provided in division (B)(9)(b) of this section. If the number of days on which such sales are made exceeds six in any calendar year, the church or organization shall be considered to be engaged in business and all subsequent sales by it shall be subject to the tax. In counting the number of days, all sales by groups within a church or

within an organization shall be considered to be sales of that church or organization.

(b) The limitation on the number of days on which tax-exempt sales may be made by a church or organization under division (B)(9)(a) of this section does not apply to sales made by student clubs and other groups of students of a primary or secondary school, or a parent-teacher association, booster group, or similar organization that raises money to support or fund curricular or extracurricular activities of a primary or secondary school.

(c) Divisions (B)(9)(a) and (b) of this section do not apply to sales by a noncommercial educational radio or television broadcasting station.

(10) Sales not within the taxing power of this state under the Constitution or laws of the United States or the Constitution of this state;

(11) Except for transactions that are sales under division (B)(3)(r) of section 5739.01 of the Revised Code, the transportation of persons or property, unless the transportation is by a private investigation and security service;

(12) Sales of tangible personal property or services to churches, to organizations exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986, and to any other nonprofit organizations operated exclusively for charitable purposes in this state, no part of the net income of which inures to the benefit of any private shareholder or individual, and no substantial part of the activities of which consists of carrying on propaganda or otherwise attempting to influence legislation; sales to offices administering one or more homes for the aged or one or more hospital facilities exempt under section 140.08 of the Revised Code; and sales to organizations described in division (D) of section 5709.12 of the Revised Code.

"Charitable purposes" means the relief of poverty; the improvement of health through the alleviation of illness, disease, or injury; the operation of an organization exclusively for the provision of professional, laundry, printing, and purchasing services to hospitals or charitable institutions; the operation of a home for the aged, as defined in section 5701.13 of the Revised Code; the operation of a radio or television broadcasting station that is licensed by the federal communications commission as a noncommercial educational radio or television station; the operation of a nonprofit animal adoption service or a county humane society; the promotion of education by an institution of learning that maintains a faculty of qualified instructors, teaches regular continuous courses of study, and confers a recognized diploma upon completion of a specific curriculum; the operation of a parent-teacher association, booster group, or similar organization primarily engaged in the promotion and support of the curricular or extracurricular activities of a primary or secondary school; the operation of a community or area center in which presentations in music, dramatics, the arts, and related fields are made in order to foster public interest and education therein; the production of performances in music, dramatics, and the arts; or the promotion of education by an organization engaged in carrying on research in, or the dissemination of, scientific and technological knowledge and information primarily for the public.

Nothing in this division shall be deemed to exempt sales to any organization for use in the operation or carrying on of a trade or business, or sales to a home for the aged for use in the operation of independent living facilities as defined in division (A) of section 5709.12 of the Revised Code.
