(2) The secretary of state shall send a written notice to 474
each person identified under division (H) (1) of this section, 475
instructing the person either to confirm that the person is a 476
United States citizen or to submit a completed voter 477

respond to the secretary of state in the manner described in 481
division (H) (3) or (4) of this section not later than thirty 482
days after the notice was sent, the secretary of state promptly 483
shall send the person a second notice and form. 484

(3) If, not later than sixty days after the first notice 485
was sent, a person who is sent a notice under division (H) (2) of 486
this section responds to the secretary of state, confirming that 487
the person is a United States citizen, the secretary of state 488
shall take no action concerning the person's voter registration. 489

(4) If, not later than sixty days after the first notice 490

state shall instruct the board of elections of the county in 494
which the person is registered to cancel the person's 495

notice was sent, the secretary of state shall refer the matter 501
to the attorney general for further investigation and possible 502
prosecution under section 3599.11, 3599.12, 3599.13, or any 503
other applicable section of the Revised Code. If, after the 504
thirtieth day after the second notice was sent, the person sends 505
a completed voter registration cancellation form to the 506
secretary of state, the secretary of state shall instruct the 507
board of elections of the county in which the person is 508
registered to cancel the person's registration and shall notify 509

the attorney general of the cancellation. 510

(6) The secretary of state shall not conduct the review 511
described in division (H) of this section during the ninety days 512
immediately preceding a primary or general election for federal 513
office. 514

state or another state ~~within such month~~ during the period 520
beginning on the date of the most recent filing and ending on 521
the day before the date of the current filing. If the director 522

filed the report for the ~~month in period during~~ which the person 524
died, the director shall file with the secretary of state a 525
supplemental report containing that information concerning the 526
person not later than one month after the director is notified 527
of the person's death. 528

(2) The secretary of state and the director of health 529
shall jointly establish a secure electronic system through which 530
they shall exchange the information described in division (A) (1) 531
of this section regarding the death of a registered elector. 532

of state by any United States attorney shall be forwarded by the 545
secretary of state to the appropriate board of elections. 546

(D) Upon receiving a report required by this section, the 547
board of elections shall promptly cancel the registration of 548

which shall cancel the registration in accordance with that 554
section. 555

secure online voter registration system. The system shall 557
provide for all of the following: 558

(1) An applicant to submit a voter registration 559
application to the secretary of state online through the 560
internet; 561

(2) The online applicant to be registered to vote, if all 562

<u>(C) The secretary of state shall employ whatever security</u>	596

measures the secretary of state considers necessary to ensure 597
the integrity and accuracy of voter registration information 598
submitted electronically pursuant to this section. Errors in 599
processing voter registration applications in the online system 600
shall not prevent an applicant from becoming registered or from 601
voting. 602

(D) The online voter registration application established 603
under division (A) of this section shall include the following 604
language: 605

"By clicking the box below, I affirm all of the following 606
under penalty of election falsification, which is a felony of 607
the fifth degree: 608

(1) I am the person whose name and identifying information 609
is provided on this form, and I desire to register to vote, or 610
update my voter registration, in the State of Ohio. 611

(2) All of the information I have provided on this form is 612
true and correct as of the date I am submitting this form. 613

the signature transmitted by the Bureau of Motor Vehicles will 622
be used by the Secretary of State to validate this electronic 623
voter registration application as if I had signed this form 624

personally." 625

In order to register to vote or update a voter 626
registration under division (A) of this section, an applicant or 627
elector shall be required to mark the box in the online voter 628
registration application that appears in conjunction with the 629
previous statement. 630

(E) The online voter registration process established 631
under division (A) of this section shall be in operation and 632
available for use by individuals who wish to register to vote or 633
update their voter registration information online not earlier 634
than January 1, 2017. During the period beginning on the first 635
day after the close of voter registration before an election and 636
ending on the day of the election, the online voter registration 637
system shall display a notice indicating that the applicant will 638
not be registered to vote for the purposes of that election. 639

(F) Notwithstanding section 1.50 of the Revised Code, if 640
any provision of this section or of division (E) of section 641
3503.14 of the Revised Code is held invalid, or if the 642
application of any provision of this section or of that division 643
to any person or circumstance is held invalid, then this section 644
and that division cease to operate. 645

Sec. 3503.21. (A) The registration of a registered elector 646
shall be canceled upon the occurrence of any of the following: 647

(1) The filing by a registered elector of a written 648
request with a board of elections or the secretary of state, on 649
a form prescribed by the secretary of state and signed by the 650

request does not prohibit an otherwise qualified elector from 652
reregistering to vote at any time. 653

- (2) The filing of a notice of the death of a registered elector as provided in section 3503.18 of the Revised Code; 654

666
- (6) The change of residence of the registered elector to a location outside the county of registration in accordance with division (B) of this section; 667
668
669
- (7) The failure of the registered elector, after having been mailed a confirmation notice, to do either of the following: 670
671
672
- (a) Respond to such a notice and vote at least once during a period of four consecutive years, which period shall include two general federal elections; 673
674
675
- (b) Update the elector's registration and vote at least once during a period of four consecutive years, which period shall include two general federal elections. 676
677
678
- (B)(1) The secretary of state shall prescribe procedures to identify and cancel the registration in a prior county of residence of any registrant who changes the registrant's voting 679
680
681

residence to a location outside the registrant's current county 682
of registration. Any procedures prescribed in this division 683
shall be uniform and nondiscriminatory, and shall comply with 684
the Voting Rights Act of 1965. The secretary of state may 685
prescribe procedures under this division that include the use of 686
the national change of address service provided by the United 687
States postal system through its licensees. Any program so 688
prescribed shall be completed not later than ninety days prior 689
to the date of any primary or general election for federal 690
office. 691

(2) The registration of any elector identified as having 692
changed the elector's voting residence to a location outside the 693
elector's current county of registration shall not be canceled 694
unless the registrant is sent a confirmation notice on a form 695
prescribed by the secretary of state and the registrant fails to 696
respond to the confirmation notice or otherwise update the 697
registration and fails to vote in any election during the period 698
of two federal elections subsequent to the mailing of the 699
confirmation notice. 700

(C) The registration of a registered elector shall not be 701
canceled except as provided in this section, division (Q) of 702
section 3501.05 of the Revised Code, division (C) (2) of section 703
3503.19 of the Revised Code, or division (C) of section 3503.24 704
of the Revised Code. 705

(D) Boards of elections shall send their voter 706
registration information to the secretary of state as required 707
under section 3503.15 of the Revised Code. The secretary of 708
state may prescribe by rule adopted pursuant to section 111.15 709
of the Revised Code the format in which the boards of elections 710
must send that information to the secretary of state. In the 711

first quarter of each year, the secretary of state shall send 712
the information to the national change of address service 713
described in division (B) of this section and request that 714
service to provide the secretary of state with a list of any 715
voters sent by the secretary of state who have moved within the 716
last twelve months. The secretary of state shall transmit to 717
each appropriate board of elections whatever lists the secretary 718
of state receives from that service. The board shall send a 719
notice to each person on the list transmitted by the secretary 720
of state requesting confirmation of the person's change of 721
address, together with a postage prepaid, preaddressed return 722
envelope containing a form on which the voter may verify or 723
correct the change of address information. 724

(E) The registration of a registered elector described in 725
division (A) (7) or (B) (2) of this section shall be canceled not 726
later than one hundred twenty days after the date of the second 727
general federal election in which the elector fails to vote or 728
not later than one hundred twenty days after the expiration of 729
the four-year period in which the elector fails to vote or 730
respond to a confirmation notice, whichever is later. 731

(F) (1) When a registration is canceled pursuant to 732
division (A) (2) or (3) of this section, the applicable board of 733
elections shall send a written notice, on a form prescribed by 734
the secretary of state, to the address at which the elector was 735
registered, informing the recipient that the elector's 736
registration has been canceled, of the reason for the 737
cancellation, and that if the cancellation was made in error, 738
the elector may contact the board of elections to correct the 739
error. 740

(2) If the elector's registration is canceled pursuant to 741

division (A) (2) or (3) of this section in error, it shall be 742
restored and treated as though it were never canceled. 743

Sec. 3506.05. (A) As used in this section: 744

(1) "Electronic pollbook" means an electronic list of 745
registered voters for a particular precinct or polling location 746
that may be transported to a polling location. 747

(2) Except when used as part of the phrase "tabulating 748
equipment" or "automatic tabulating equipment," "equipment" 749
means a voting machine, marking device, automatic tabulating 750
equipment, software, or an electronic pollbook. 751

(3) "Vendor" means the person that owns, manufactures, 752
distributes, or has the legal right to control the use of 753
equipment, or the person's agent. 754

(B) No voting machine, marking device, automatic 755
tabulating equipment, or software for the purpose of casting or 756
tabulating votes or for communications among systems involved in 757
the tabulation, storage, or casting of votes, and no electronic 758
pollbook, shall be purchased, leased, put in use, or continued 759
to be used, except for experimental use as provided in division 760
(B) of section 3506.04 of the Revised Code, unless it, a manual 761
of procedures governing its use, and training materials, 762
service, and other support arrangements have been certified by 763
the secretary of state and unless the board of elections of each 764
county where the equipment will be used has assured that a 765
demonstration of the use of the equipment has been made 766
available to all interested electors. The secretary of state 767
shall appoint a board of voting machine examiners to examine and 768
approve equipment and its related manuals and support 769
arrangements. The board shall consist of four members, who shall 770

be appointed as follows: 771

(1) Two members appointed by the secretary of state. 772

(2) One member appointed by either the speaker of the 773
house of representatives or the minority leader of the house of 774
representatives, whichever is a member of the opposite political 775
party from the one to which the secretary of state belongs. 776

(3) One member appointed by either the president of the 777
senate or the minority leader of the senate, whichever is a 778
member of the opposite political party from the one to which the 779
secretary of state belongs. 780

In all cases of a tie vote or a disagreement in the board, 781
if no decision can be arrived at, the board shall submit the 782
matter in controversy to the secretary of state, who shall 783
summarily decide the question, and the secretary of state's 784
decision shall be final. Each member of the board shall be a 785
competent and experienced election officer or a person who is 786
knowledgeable about the operation of voting equipment and shall 787
serve during the secretary of state's term. Any vacancy on the 788
board shall be filled in the same manner as the original 789
appointment. The secretary of state shall provide staffing 790
assistance to the board, at the board's request. 791

For the member's service, each member of the board shall 792
receive three hundred dollars per day for each combination of 793
marking device, tabulating equipment, voting machine, or 794
electronic pollbook examined and reported, but in no event shall 795
a member receive more than six hundred dollars to examine and 796
report on any one marking device, item of tabulating equipment, 797
voting machine, or electronic pollbook. Each member of the board 798
shall be reimbursed for expenses the member incurs during an 799

examination or during the performance of any related duties that 800
may be required by the secretary of state. Reimbursement of 801
these expenses shall be made in accordance with, and shall not 802
exceed, the rates provided for under section 126.31 of the 803
Revised Code. 804

Neither the secretary of state nor the board, nor any 805
public officer who participates in the authorization, 806
examination, testing, or purchase of equipment, shall have any 807
pecuniary interest in the equipment or any affiliation with the 808
vendor. 809

(C) (1) A vendor who desires to have the secretary of state 810
certify equipment shall first submit the equipment, all current 811
related procedural manuals, and a current description of all 812
related support arrangements to the board of voting machine 813
examiners for examination, testing, and approval. The submission 814
shall be accompanied by a fee of two thousand four hundred 815
dollars and a detailed explanation of the construction and 816
method of operation of the equipment, a full statement of its 817
advantages, and a list of the patents and copyrights used in 818
operations essential to the processes of vote recording and 819
tabulating, vote storage, system security, pollbook storage and 820
security, and other crucial operations of the equipment as may 821
be determined by the board. An additional fee, in an amount to 822
be set by rules promulgated by the board, may be imposed to pay 823
for the costs of alternative testing or testing by persons other 824
than board members, record-keeping, and other extraordinary 825
costs incurred in the examination process. Moneys not used shall 826
be returned to the person or entity submitting the equipment for 827
examination. 828

(2) Fees collected by the secretary of state under this 829

section shall be deposited into the state treasury to the credit 830
of the board of voting machine examiners fund, which is hereby 831
created. All moneys credited to this fund shall be used solely 832
for the purpose of paying for the services and expenses of each 833
member of the board or for other expenses incurred relating to 834
the examination, testing, reporting, or certification of 835
equipment, the performance of any related duties as required by 836
the secretary of state, or the reimbursement of any person 837
submitting an examination fee as provided in this chapter. 838

(D) Within sixty days after the submission of the 839
equipment and payment of the fee, or as soon thereafter as is 840
reasonably practicable, but in any event within not more than 841
ninety days after the submission and payment, the board of 842
voting machine examiners shall examine the equipment and file 843
with the secretary of state a written report on the equipment 844
with its recommendations and, if applicable, its determination 845
or condition of approval regarding whether the equipment, 846
manual, and other related materials or arrangements meet the 847
criteria set forth in sections 3506.07 and 3506.10 of the 848
Revised Code and can be safely used by the voters at elections 849
under the conditions prescribed in Title XXXV of the Revised 850
Code, or a written statement of reasons for which testing 851
requires a longer period. The board may grant temporary approval 852
for the purpose of allowing experimental use of equipment. If 853
the board finds that the equipment meets any applicable criteria 854
set forth in sections 3506.06, 3506.07, and 3506.10 of the 855
Revised Code, can be used safely and, if applicable, can be 856
depended upon to record and count accurately and continuously 857
the votes of electors, and has the capacity to be warranted, 858
maintained, and serviced, it shall approve the equipment and 859
recommend that the secretary of state certify the equipment. The 860

secretary of state shall notify all boards of elections of any 861
such certification. Equipment of the same model and make, if it 862
operates in an identical manner, may then be adopted for use at 863
elections. 864

(E) The vendor shall notify the secretary of state, who 865
shall then notify the board of voting machine examiners, of any 866
enhancement and any significant adjustment to the hardware or 867
software that could result in a patent or copyright change or 868
that significantly alters the methods of recording voter intent, 869
system security, voter privacy, retention of the vote, 870
communication of records, and connections between the system and 871
other systems. The vendor shall provide the secretary of state 872
with an updated operations manual for the equipment, and the 873
secretary of state shall forward the manual to the board. Upon 874
receiving such a notification and manual, the board may require 875
the vendor to submit the equipment to an examination and test in 876
order for the equipment to remain certified. The board or the 877
secretary of state shall periodically examine, test, and inspect 878
certified equipment to determine continued compliance with the 879
requirements of this chapter and the initial certification. Any 880
examination, test, or inspection conducted for the purpose of 881
continuing certification of any equipment in which a significant 882
problem has been uncovered or in which a record of continuing 883
problems exists shall be performed pursuant to divisions (C) and 884
(D) of this section, in the same manner as the examination, 885
test, or inspection is performed for initial approval and 886
certification. 887

(F) If, at any time after the certification of equipment, 888
the board of voting machine examiners or the secretary of state 889
is notified by a board of elections of any significant problem 890
with the equipment or determines that the equipment fails to 891

meet the requirements necessary for approval or continued 892
compliance with the requirements of this chapter, or if the 893
board of voting machine examiners determines that there are 894
significant enhancements or adjustments to the hardware or 895
software, or if notice of such enhancements or adjustments has 896
not been given as required by division (E) of this section, the 897
secretary of state shall notify the users and vendors of that 898
equipment that certification of the equipment may be withdrawn. 899

(G) (1) The notice given by the secretary of state under 900
division (F) of this section shall be in writing and shall 901
specify both of the following: 902

(a) The reasons why the certification may be withdrawn; 903

(b) The date on which certification will be withdrawn 904
unless the vendor takes satisfactory corrective measures or 905
explains why there are no problems with the equipment or why the 906
enhancements or adjustments to the equipment are not 907
significant. 908

(2) A vendor who receives a notice under division (F) of 909
this section shall, within thirty days after receiving it, 910
submit to the board of voting machine examiners in writing a 911
description of the corrective measures taken and the date on 912
which they were taken, or the explanation required under 913
division (G) (1) (b) of this section. 914

(3) Not later than fifteen days after receiving a written 915
description or explanation under division (G) (2) of this section 916
from a vendor, the board shall determine whether the corrective 917
measures taken or the explanation is satisfactory to allow 918
continued certification of the equipment, and the secretary of 919
state shall send the vendor a written notice of the board's 920

determination, specifying the reasons for it. If the board has 921
determined that the measures taken or the explanation given is 922
unsatisfactory, the notice shall include the effective date of 923
withdrawal of the certification. This date may be different from 924
the date originally specified in division (G) (1) (b) of this 925
section. 926

(4) A vendor who receives a notice under division (G) (3) 927
of this section indicating a decision to withdraw certification 928
may, within thirty days after receiving it, request in writing 929
that the board hold a hearing to reconsider its decision. Any 930
interested party shall be given the opportunity to submit 931
testimony or documentation in support of or in opposition to the 932
board's recommendation to withdraw certification. Failure of the 933
vendor to take appropriate steps as described in division (G) (1) 934
(b) or to comply with division (G) (2) of this section results in 935
a waiver of the vendor's rights under division (G) (4) of this 936
section. 937

(H) (1) The secretary of state, in consultation with the 938
board of voting machine examiners, shall establish, by rule, 939
guidelines for the approval, certification, and continued 940
