S. R. No. 100

Senator Jordan

A RESOLUTION

Recognizing National Charter Schools Week, May 3-9,
2015.

WHEREAS, The members of the Senate of the 131st General Assembly of Ohio are pleased to recognize May 3-9, 2015, as National Charter Schools Week; and

WHEREAS, Education is vital to our nation's continued economic and social well-being, and as the need for global learning and understanding increases, so do the demands placed upon our system of education. Over the years, Ohio's charter schools have striven to consistently and effectively meet these demands; and

WHEREAS, Schools are faced with the challenges of preparing young people to assume meaningful, productive roles in our complex society. More than 120,000 students attend some 400 public charter schools in Ohio, and these institutions strive to provide quality education, contribute to the statewide effort to improve education, provide parents with choices in the education of their children, and encourage greater community involvement. It is the mission of Ohio's charter schools to help students establish a foundation upon which they can build a productive and rewarding future; and

WHEREAS, Schools provide young people with much more than basic educational skills, and by participating in the many activities of the school day, children learn the value of such important qualities as cooperation, self-discipline, and

perseverance. Through the efforts of educators and administrators, Ohio's charter schools have made significant contributions to improving the quality of life in our society; therefore be it

RESOLVED, That we, the members of the Senate of the 131st General Assembly of Ohio, in adopting this Resolution, recognize May 3-9, 2015, as National Charter Schools Week; and be it further

RESOLVED, That the Clerk of the Senate transmit duly authenticated copies of this Resolution to the news media of Ohio.
