Research Analysis

The committee substitute for HB1072 requires a court to set a hearing to do the following within 60 days of the start of each child in a qualified residential treatment program:

- Consider the assessment, determination, and documentation made by the individual who conducted and submitted the assessment;
- Determine whether the child's needs can be met in a foster home or if placement in a residential treatment program provides the most effective and appropriate care;
- Determine whether the child's placement is consistent with goals and the child's permanency plan; and
- Approve or disprove the placement.
