**Research Analysis**

The second proposed committee substitute for HB 1823 requires general municipal elections, including those held by any county, school district, technology center school district, municipality, fire protection district or other political subdivision to be held on the first Tuesday after the first Monday in November in each odd-numbered year. Previously, these elections were held in April. The measure also moves primary elections for any political subdivision that can call elections to be held on the second Tuesday of June in each odd-numbered year, moved from February. For individuals wanting to file a declaration of candidacy, they must do that between the first Monday in April and the next succeeding Wednesday in odd-numbered years. On the corresponding days, a General Election or Primary Election may be held as determined by the Legislature. The measure also updates dates as they relate to terms of office for board of education members, making changes from the dates in PCS1.
