

Fiscal Impact
1st Session of the 59th Legislature

Bill No.:	HB 1936
Version:	ENGR
Author:	Sen. Treat
Date:	03/30/2023

Fiscal Analysis

HB 1936 provides for approval during any time of the school year for the transfer of a student from one site to another within the same district, unless the receiving site has reached capacity. It directs site-specific capacity limits to be established and posted on the district's website by the first day of January, April, July and October. There could be some costs to the districts but that is hard to determine as it depends on the board policy.
