**Fiscal Analysis**

Officials from the Oklahoma Tax Commission estimate the following fiscal impact as a result of the provisions of HB 2316 in its current form:

Section one of the measure proposes amendment to Section 1352 of Title 68 by defining occasional sale<sup>1</sup>.

Section two of the measure proposes amendment to Section 1356 of Title 68 to exempt occasional sales from the sales tax levy.

Based upon Oklahoma Tax Commission sales tax reporting and remittance data, a total of \$26,205,684 in state sales tax was remitted in FY 22 on transactions designated as "casual" which meet the definition of "occasional sale" for purposes of the proposed sales tax exemption. The measure provides for an effective date of July 1, 2023. Assuming similar qualifying occasional sales in FY 24 as those which occurred in FY 22 along with application of sales tax growth rates of 3.8% for FY 23 and .16% for FY 24 results in an estimated decrease of \$27,245,022 in state sales taxes for FY 24

Sales taxes are not presently reported in such a manner to capture remittance amounts related to business sales of fixtures and equipment. Therefore, the estimated revenue impact outlined above does not account for any losses in state sales tax revenues attributed to sales of fixtures and equipment qualifying under the provisions of the proposed sales tax exemption.

**FY 24: Decrease of \$27,245,000 in state sales tax revenue**
