**Research Analysis**

The committee substitute to HB 3087 removes the responsibility for establishing nonconsensual tow and storage rates from the Oklahoma Corporation Commission. A wrecker or towing service is to provide the Corporation Commission a complete list of all prices for the services it performs or may perform related to towing and storage of vehicle for nonconsensual tows. A wrecker or towing service are prohibited from exceeding the prices on file with the Commission. A wrecker or towing service may charge a per gallon fuel surcharge. The measure provides a process for the owner, lien holder or insurance company to complain if a towing or wrecker company has exceeded the prices provided to the Commission.

**CHANGES MADE IN THE FLOOR SUBSTITUTE:**

Requires the Department of Public Safety any political subdivision to file rotation logs with Corporation Commission.

Requires a biannual update of rates by wrecker company's when prices change.

Prohibits a wrecker company from charging for services not on file with the Commission.

Allows a wreckers company to be subject to certain contempt proceedings.

Requires Corporation Commission to notify wrecker company's of the acceptance or rejection of submitted rates.

Allows the Corporation Commission to review fees charged within a geographic areas to compare rates.
